University of Wisconsin-Stevens Point
Undergraduate and Graduate Catalog
2011-2013

In compiling our catalog we have used the most current and accurate information available to us. However, we reserve the right to change any of the information in this catalog at any time and without giving prior notice. When the UW System or UW-Stevens Point campus deletes or revises any of the information in this catalog, the changes take effect as soon as they are approved.

To keep up-to-date with changes in curriculum that may affect requirements in your program and the length of time it takes you to graduate, be sure to check with your adviser regularly during your college career.

The provisions of this catalog DO NOT constitute a contract between the student and the university.

Libby Raymond, Catalog Editor
Accreditation

UW-Stevens Point is accredited by The Higher Learning Commission, a member of the North Central Association, to offer undergraduate college programs leading to the bachelor's degree and graduate programs leading to the master's degree. They can be reached at:

The Higher Learning Commission
30 North LaSalle Street, Suite 2400
Chicago, Illinois 60602-2504
312-263-0456; 800-621-7440; Fax 312-263-7462
www.ncahigherlearningcommission.org

Individual departments and programs within UWSP are also accredited by the:

- Accreditation Board for Engineering and Technology
- American Chemical Society
- American Speech-Language-Hearing Association
- Commission on Accreditation of Athletic Training Education
- Commission on Accreditation for Dietetics Education of the American Dietetic Association
- Council for Interior Design Accreditation
- Council on Academic Accreditation in Audiology and Speech-Language Pathology
- National Accrediting Agency for Clinical Laboratory Sciences
- National Association of Schools of Art and Design
- National Association of Schools of Dance
- National Association of Schools of Music
- National Association of Schools of Theatre
- National Wellness Institute
- Society of American Foresters

Introduction
This is UW-Stevens Point
With our roots in the heart of the state, Wisconsin's right-sized public university launches students on meaningful life journeys through transformational learning in the arts and sciences. Our open-minded, close-knit community—both on and off campus—inspires students to experience the world unfolding in new ways.

Transforming students' lives through the Pointer experience in turn transforms our region, our state and beyond. Through the discovery, dissemination and application of knowledge, the University of Wisconsin-Stevens Point stimulates intellectual growth, provides a liberal education and prepares students to lead in a diverse and sustainable world.

UW-Stevens Point's primary regions of service touch five of the seven economic development regions in Wisconsin, opening doors to UWSP's expanding role in applied research as an engine for economic recovery.

Equal Opportunity/ Affirmative Action Policy
We at UW-Stevens Point affirm your right to equal opportunity in education. We make all our campus programs and activities equally available to all. In our educational programs, activities and employment policies, we don't discriminate on the basis of age, race, creed or religion, color, handicap, sex, national origin, ancestry, pregnancy, marital status, parental status, sexual orientation, disability, political affiliation, arrest or conviction record, membership in the National Guard, state defense force or other reserve component of the military forces of the United States or this state.

UW-Stevens Point is an affirmative action/equal opportunity employer and encourages applications from members of ethnic/racial minorities, women, and persons with disabilities. If you have a question or concern about our compliance with state or federal laws or if you have a discrimination complaint, write or bring the question or complaint to our Equity and Affirmative Action Office, Room 210, Main Building, or phone 715-346-2002.
www.uwsp.edu/equity

Disability Services
If you have a disability, you may obtain information on program access to all UWSP majors, minors, and courses, as well as physical access to all campus buildings by contacting the Disability Services Office, Room 103, Student Services Center, 715-346-3365 or 715-346-3362 TTY for hearing impaired; or www.uwsp.edu/special/disability. You may also call on them for referral information regarding counseling, housing, academic advising, and tutoring. We urge you to contact them before your first semester of classes. All segments of UW-Stevens Point comply with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA).

UW-Stevens Point Mission Statements
UW-Stevens Point shares in the mission of the University of Wisconsin System.
clearly associated with this university's undergraduate emphases and strengths.

- Provide programs in wellness and health promotion.
- Provide quality undergraduate and graduate instruction through innovative methods using print and nonprint library resources, computing, communication technology, and direct student assistance.
- Expect scholarly activity, including research, scholarship and creative endeavor, that supports its programs at the associate and baccalaureate degree level, its selected graduate programs, and its special mission.
- Cooperate with UW-Extension in the development and coordination of statewide outreach programming, integration of the extension function into the institution, and appropriate and adequate recognition of those involved in outreach activities.

*The former home economics programs are now offered as child and family studies, dietetics, early childhood education, family and consumer sciences, human development, nutrition, and interior architecture.

Mission Statement and Values

Through the discovery and dissemination of knowledge, UWSP stimulates intellectual growth, provides a liberal education, and prepares students for a diverse and sustainable world.

Values

- Student-centered environment
- Critical thinking, creativity, and lifelong learning
- Professional preparation
- Community involvement and outreach
- Ecological stewardship

The Stevens Point Community

Because of UWSP's central location, students are very much a part of the city of Stevens Point as soon as they come to campus. Residence halls and nearby student apartments and rooming houses blend into the community.

In addition, the local economy depends on UWSP students as part-time employees. Police, fire department, hospital, county library, shopping, and the riverfront all are within easy access. A safe city with a low crime rate, Stevens Point provides a secure haven for its student residents.

Stevens Point is a city of about 25,000 in a metropolitan area of nearly 67,000. Located on the banks of the Wisconsin River, it offers a wide range of recreational opportunities including the Green Circle Trail, cross-country ski trails, year-round fishing on the river and in nearby lakes, downhill skiing at Standing Rocks County Park, and numerous baseball and softball facilities including Zenoff and Bukolt Parks.

The corporate headquarters of Sentry Insurance gives Stevens Point a cosmopolitan flavor that is unusual for a Midwestern city of its size. Other major employers include Ministry Health Care (including St. Michael's Hospital and Ministry Medical Group), Copps Corp, Stevens Point Public Schools, UW-Stevens Point, New Page, Del Monte, McCain Foods USA, Lands' End, Portage County, The Noel Group, and Worzalla Publishing.

Stevens Point lies midway between Milwaukee and Minneapolis at the intersection of Interstate 39/Highway 51 and U.S. Highway 10. It is served by several airlines through the Central Wisconsin Airport.
Admissions

Admission Application Procedure
You may apply for admission to UW-Stevens Point by submitting the UW System electronic application or the paper application form available through the following website: (https://apply.wisconsin.edu).

Office of Admissions
Room 102 Student Services Center
UW-Stevens Point
Stevens Point WI 54481-3897
Phone: 715-346-2441
E-mail: admiss@uwsp.edu
Web: www.uwsp.edu/admissions/

New Freshman Admission Policy
Admission to the University of Wisconsin-Stevens Point is competitive. All applications are reviewed on an individual basis with both academic and non-academic factors considered. The university will give strong consideration to applicants with successful academic backgrounds who have demonstrated achievement both inside and outside the classroom. The potential to contribute to a diverse educational community is also considered.

NOTE: Admission is subject to program capacity limits and institutional enrollment limits.

A. You must graduate from a recognized high school or the equivalent.
   1. A recognized high school is one which either (a) is accredited by a regional accrediting association or state university or (b) is recognized or accredited by a state department of public instruction or equivalent.
   2. An applicant who has not graduated from a recognized high school must provide evidence of ability to begin college work. Such evidence may include, but is not limited to: transcripts verifying completion of a home-schooled educational program, GED/HSED test scores, ACT/SAT scores, and/or transcripts of coursework completed in high school. Additional documents, testing, and a personal interview may be required.

B. Academic Unit Requirements
   Minimum
   Required          Recommended
   English          4 units       4 units
   Mathematics      3 units       4 units
   Social Science   3 units       4 units
   Natural Science  3 units       4 units
   Foreign Language 0 units       2-4 units
   Electives*       4 units       4 units

*At least two of the elective credits must be from foreign language, fine arts, computer science, English, math, social science, or natural science.

Acceptable natural science courses:
The following courses offered through the high school science department are acceptable: 9th grade physical or general science, biology, advanced biology, chemistry, advanced chemistry, physics, advanced physics, astronomy, earth science, anatomy and physiology, marine biology, AP science courses, biotechnology, geology, physical geography, genetics, microbiology, meteorology, and environmental science courses for which biology is a prerequisite. One unit may be from agriculture science courses that are approved by DPI to meet the high school science graduation requirement. One unit may be from Project Lead the Way (PLTW) courses that are approved by DPI to meet the high school science graduation requirement.

Acceptable fine arts courses:
Courses offered through music, fine arts, dance, theatre arts or art departments are generally acceptable. The following are examples of acceptable courses: choir, band, orchestra, ensemble courses, music theory, music appreciation, music history, art courses (e.g. drawing, ceramics, jewelry, painting, calligraphy, crafts, photography, architecture, graphic design, etc.), art history, art appreciation, dance, dance history, drama, acting, stage production, and stage craft.

Acceptable courses for other academic areas:
Includes most courses offered in business and marketing education, family and consumer education (home economics), agriculture, health education, and trade and technology (industrial arts). Includes physical education, driver education, keyboarding, cooperative education, most religion, English as a second language, remedial (in all areas of study) and exceptional education courses.

C. Academic Criteria
   1. Class rank
   2. Test scores: ACT or SAT (UWSP does not require the ACT Writing Test.)
   3. Cumulative high school grade point average (GPA)
   4. Rigor of high school courses
   5. Trend in grades: the pattern of grades including the pattern in academic courses

D. Non-academic Criteria
In addition to academic achievement, the following non-academic factors will be considered: demonstrated leadership; involvement through work experience, extracurricular activities, and volunteerism; personal characteristics and accomplishments including honors, awards, special talents and abilities, and personal qualities; diversity in background and experience; and life circumstances.

While non-academic qualifications are considered in the comprehensive review process, they will not necessarily make an applicant with a weak academic background a strong candidate for admission.

Admission requirements and criteria are subject to change.

Orientation for New Freshmen
As a new freshman at UW-Stevens Point, you participate in a two-day orientation program. Through the program, you learn how to quickly and easily adapt to university life by getting to know UW-Stevens Point's customs, traditions, curricula, policies, and services. You meet with an academic adviser and prepare your class schedule for your first semester. You also meet with upperclass students and other new students in small discussion groups.

We encourage your parents to attend Orientation with you. Your parents hear presentations by UW-Stevens Point faculty and staff on such topics as student health programs, health insurance, financial aid opportunities, and housing and dining programs. You and your parents are invited to stay in a residence hall and eat at our dining facilities. For more information, write or visit the Admissions Office, Room 102, Student Services Center, or call 715-346-4164.

http://www.uwsp.edu/admissions/orientation

If you are a nontraditional student, you may get additional information about orientation and registration by writing or visiting the Multicultural Affairs office, Room 209, Student Services Center, or calling 715-346-3574. www.uwsp.edu/multicultural/

Nondegree (Special) Students
If you are a high school graduate and want to take a limited number of courses, and you are not seeking a degree, you may be allowed to register for courses without formally applying for admission. Please contact the Admissions Office for information regarding registration.
High School (Special) Students
If you are a qualified high school junior or senior who wishes to take university courses while still enrolled in high school, you may be permitted to do so on a space-available basis. You will need to submit a UW-Stevens Point Youth Options Program High School Special Student Application form and an official high school transcript. Additional information is available at: [www.uwsp.edu/admissions/YOPapp.aspx](http://www.uwsp.edu/admissions/YOPapp.aspx). You may also contact your high school counselor or the UWSP Admissions Office for more information.

Returning UWSP Students
If you have been away from campus for one or more semesters, complete the UW System admission application form (see Admission Application Procedure in the beginning of this section) to apply for readmission to UW-Stevens Point. Ask any colleges you’ve attended since leaving UW-Stevens Point to send an official copy of your transcript to our Admissions Office so we can determine your eligibility for readmission.

Because we must limit enrollment at UWSP, all admission regulations for undergraduate students are subject to change at any time.

If you left UW-Stevens Point under academic suspension, a letter of appeal must accompany your application for admission. The letter should explain the circumstances which affected your academic performance (include documentation if available), how your problems have been resolved, your activities/occupations since your attendance here, and what has changed so that, if you are readmitted, we can be assured that you will not be suspended again. You are eligible to apply for readmission as follows:

1. **First suspension:** You may apply for readmission one semester after you are first suspended, but please note that readmission is not automatically granted. You may apply even earlier if you show that you were suspended due to circumstances you could not control and that those circumstances have changed.

2. **Second and following suspensions:** You may apply for readmission two years after you are suspended for a second time. Again, you may apply earlier only if you show that you were suspended due to circumstances you could not control and that those circumstances have changed.

3. **Appeals:** If we deny your request for readmission, you may appeal our decision. Address your appeal letter to Director of Admissions with a request that your appeal be forwarded to the Chancellor’s Appeals Committee.

UW Central Wisconsin Connection
If you are admitted to UW-Marathon County or UW-Marshfield/Wood County, you also may be eligible for admission to UW-Stevens Point under a dual admission agreement called the UW Central Wisconsin Connection. While you complete a minimum of 42 credits at your home campus, you will also have the option to take UWSP courses and receive access to programs and services at UWSP including academic and career advising, an e-mail account, library privileges, and more. Dual enrollment will provide you with opportunities for involvement in UWSP campus life, as well as services to ensure your smooth transfer to UWSP. Contact the UWSP Admissions Office or your UW-Marathon County or UW-Marshfield/Wood County adviser for more information.

Admission of Transfer Students
Follow the instructions under Admission Application Procedure to apply for admission to UW-Stevens Point. You will need to submit the UW System application form and have official transcripts from your high school and each college you have attended forwarded directly to the UWSP Admissions Office.

You are normally eligible for admission unless you have compiled an academic record at your last institution such that you would have been suspended if you had been attending UW-Stevens Point. If you do have such a record, you may apply for admission to UW-Stevens Point no sooner than one semester after your first suspension or two years (four semesters) after your second suspension.

Because we must limit enrollment at UWSP, all admission regulations for undergraduate students are subject to change at any time. For further information regarding admission eligibility and enrollment, please contact the Admissions Office, Room 102, Student Services Center, 715-346-2441. [www.uwsp.edu/admissions/](http://www.uwsp.edu/admissions/)

As a transfer student, you will take part in our one day orientation program which allows you to learn about university requirements and policies, meet with a faculty adviser and register for classes. We will send you information about this program after you are admitted.

Transferring Credit to UWSP
To transfer credits you have earned elsewhere to UW-Stevens Point, ask each college you have attended to send an official transcript of your credits to UW-Stevens Point’s Admissions Office. The Admissions Office determines whether credits earned at another institution will transfer to UW-Stevens Point and how those credits will apply toward the UWSP general degree requirements. Please note the following in regard to credit transfer:

- An official evaluation of your transfer credits will be completed after you are admitted on a final basis and have confirmed your intention to enroll at UWSP.
- Generally, credits earned for college level courses at a regionally accredited college or university will transfer to UWSP if you received grades of D or higher.
- The appropriate academic department will determine which credits apply to your major and minor.
- We accept a maximum of 72 credits from two year colleges. You will receive lower division (100-200 level) credit for any of these courses. Exceptions can be granted by the appropriate dean. There is no limit on credits accepted from four year universities. If you earned an approved associate degree from another UW System institution, you will automatically have met the UW-Stevens Point general degree breadth requirements in natural science, history, humanities, social science, environmental literacy, non-Western culture and, (depending on when the degree was earned) minority studies. You must still meet UW-Stevens Point skills requirements in mathematics, foreign language, communication (public speaking), freshman English, writing emphasis and wellness, unless you took appropriate coursework to meet these requirements at the previous institution.
- You may also still need to complete certain general degree requirement courses if required within your specific major or program. Credits transferred from other institutions are not used in calculating the UW-Stevens Point grade point average. The UWSP grade
point average is determined only by credits and grade points earned at UWSP. However, transfer credits and grades are included in the calculation of the grade point average in most majors and minors and in the determination of graduation honors.

- If your previous institution awarded "split" grades (AB, BC, etc.), those grades will appear on your UW-Stevens Point degree progress report as follows: AB = B+, BC = C+, CD = D+.
- To graduate from UW-Stevens Point, you must earn at least 30 of the total number of credits required for graduation in residence at this university.

### Transferring Credit from the Two-Year UW Colleges

You may transfer up to a total of 72 credits in UW College or other two-year college courses. You will receive lower division (100-200 level) credit for any courses you transfer from UW Colleges. Exceptions can be granted by the appropriate dean. We recommend that you consult the UW System's online Transfer Information System (TIS) for timely and accurate information on course equivalencies between the UW College campuses and UW-Stevens Point.

#### Access TIS at www.uwsa.edu/tis/

Using TIS you can determine how your UW College courses will transfer and which UWSP general degree requirements they will fulfill.

If you transfer from a UW College campus and are enrolled continually (excluding summers), you will have the option of observing UWSP degree requirements that were in effect when you first enrolled at the UW College campus.

### Transferring Credit from Wisconsin Technical Colleges

If you have been enrolled in the Wisconsin Technical College System (WTCS) and wish to continue your education at UW-Stevens Point, you may be eligible to transfer credits toward your bachelor's degree in the following ways:

- If you are or have been enrolled in the college-parallel program at Madison Area Technical College, Milwaukee Area Technical College, Chippewa Valley Technical College, Western Technical College, or Nicolet Area Technical College, you may be eligible to transfer up to 72 credits toward your baccalaureate degree.
- If you have attended a WTCS institution since September 1, 1985 (not in a college parallel program), you may be eligible to transfer up to 30 credits of approved WTCS general education courses in communication, social sciences, behavioral sciences, mathematics and natural science. You may also be eligible to transfer certain technical support or occupational credits if they were approved for transfer by our academic departments or if there is an approved program-to-program articulation agreement between a WTCS associate degree program and that you have completed and a program offered at UW-Stevens Point.
- You also may be eligible for credit by earning appropriate scores on national standardized examinations and/or UW-Stevens Point test-out programs that are described later in this section of the catalog.

We recommend that you consult the UW System's online Transfer Information System (www.uwsa.edu/tis/) for information on specific WTCS/UWSP course equivalencies and articulation agreements, or contact the Admissions Office, Room 102 Student Services Center; 715-346-2441. www.uwsp.edu/admissions/

### Transfer Information System

If you are transferring to UW-Stevens Point from another UW System institution or a Wisconsin Technical College, we encourage you to consult the Transfer Information System (TIS). This online source of information about credit transfer, course equivalencies, academic requirements and general UW System campus information may be accessed on the Web at www.uwsa.edu/tis/. TIS is designed to provide prospective transfer students with current information to help you better prepare for transferring. If you are currently a UWSP student, you may find TIS helpful if you plan to take a summer course at another UW System school and transfer it back to UWSP, or if you plan to transfer from UWSP to another UW institution.

### Transfer Credit Appeal Procedure

Here is the appeal procedure you can follow if you do not agree with the way we applied your transfer credits to the general degree requirements.

1. Ask a transfer counselor in the Admissions Office to explain the basis for the current evaluation.
2. If you earned the credits at an institution that is not part of the UW System, submit:
   a. A copy of the transcript and the UW-Stevens Point evaluation.
   b. A copy of the course description from the time you took the course. (For example, Iowa State's course description for Sociology 105 in 2003.)
   c. A written request for the action you desire.
3. If you are still not satisfied with our transfer credit evaluation and believe you have sufficient grounds for an appeal, send a written request to the Transfer Credit Appeal Committee, c/o Registrar, UW-Stevens Point. Explain why you feel credit should be granted toward UW-Stevens Point general degree requirements. Include copies of the materials listed in 2 above along with the transfer counselor's response.

You must file this appeal at least one semester before you expect to graduate.

### Advanced Placement, Credit-by-Exam, and Test-Out Opportunities

In addition to traditional classroom instruction, there are a number of opportunities available at UWSP for earning credit or meeting course requirements. These opportunities could allow you to graduate sooner than normal or take advantage of additional coursework outside of your major. If you are a self-learner, have substantial preparation in certain subject matter, or have applicable life experiences, you are encouraged to pursue one or more of the following opportunities.

#### Advanced Placement Program (AP)

If you are currently a high school student, you can earn college credit if your school participates in the College
Board AP Program. High schools participating in the AP program offer college level courses for which examinations are given each May. UWSP grants credit for scores of 3, 4 and 5 on all AP exams. AP courses are currently offered in humanities, mathematics, natural sciences and social sciences. If you are awarded credit, it will be entered on your permanent record after you enroll at UWSP. Contact your high school counselor or our Admissions Office, Room 102, Student Services Center, 715-346-2441, or see http://www.uwsp.edu/admissions/apexampolicy.aspx

College-Level Examination Program (CLEP)
CLEP, also offered by the College Board, offers general examinations covering broad areas such as humanities, natural science and social science, as well as subject areas such as accounting, biology, American history, and psychology. UWSP grants credit for acceptable scores on many of the CLEP examinations. Credit will be entered on your permanent record after you enroll at UWSP. Contact our Admissions Office (Room 102, Student Services Center, 715-346-2441) or Testing Services (Third Floor, Delzell Hall, 715-346-4472) for additional information. http://www.uwsp.edu/admissions/clep.aspx

Prior Learning Assessment Program
If you have had experiences equivalent to college level learning which relate to coursework at UWSP, you may receive college credit for these experiences. For example, you might be eligible to gain academic credit for prior learning from your past employment, volunteer work, publications, or your participation in seminars, workshops, job-related training programs, or military training programs. For further information, see the Prior Learning Assessment Program section later in this catalog or contact the Student Academic Advising Center, Room 103, Student Services Center, 715-346-3361.

Advanced Standing/ Retroactive Credit
Some departments administer placement tests when you first enroll. If the test results indicate that you should start at a higher level than the entering freshman course, you may have the opportunity to earn retroactive credit for the course. In foreign language, for example, you can earn up to 16 retroactive credits if you place into 313 and earn a grade of B- or better. Check the departmental listings in this catalog or contact the department chair for additional information.

Departmental Credit-by-Exam
Check the departmental listings in this catalog or contact the department chair for information about this option.

Test-Out
You may test out and/or receive credit-by-exam for any General Education (GDR) course at UWSP, except for Writing Emphasis courses.

See “Test-Out and Credit-by-Exam Policy” under the General Degree Requirements section of this catalog or contact individual departments for more information about their test-out opportunities.

Additional Information and General Limitations to AP, Credit-by-Exam, and Test-Out
1. Credits earned through the above policies:
   a. Are recorded on your academic record.
   b. Have full academic value and apply toward graduation and all other requirements as if you had completed the course through regular enrollment.
   c. Are not assigned grades, are not calculated in your grade point average and are not included in your semester credit load.
   d. Do not count toward the minimum 30 credit residency requirement.
2. You may count 32 credits earned under the above policies toward the 120 credits required for graduation or 16 credits toward an associate degree.
3. You may be charged a nominal fee for departmentally administered test-out and credit examinations.
4. The methods for testing and standards for awarding credit or test-out in departmentally administered tests are determined by the department.
5. Individual departments may have additional limitations to these programs which will be identified in the department’s section of this catalog.

Finances
Financial Aid Office
Paul Watson, Director
Room 106, Student Services Center
Phone: 715-346-4771
Email: finaid@uwsp.edu
Web: www.uwsp.edu/finance

How to Apply for Financial Aid
Apply yearly. Applications received after May 1 may be awarded less aid as funding becomes depleted.

Complete the FAFSA (Free Application for Federal Student Aid) using completed Federal tax returns.

- Apply online at www.fafsa.ed.gov
  - If you previously completed a FAFSA using the government’s Internet site, you must reapply using the same method (requires the use of a personal identification number – PIN).
  - Or request a paper FAFSA by calling the Federal Student Aid Information Center at 1-800-433-3243. If you are hearing impaired, please contact the TTY line at 1-800-730-8913.

Financial Aid Eligibility
The Financial Aid Office administers UW-Stevens Point’s various federal and state financial assistance programs that help students pay their college expenses. They award funds from need-based programs based on your family’s income and assets, the size of your family, the number of family members in college, and other information which you provide on your application form.

To be eligible for most types of assistance, you must:
- Demonstrate a financial need,
- Be admitted to a UW-Stevens Point degree program or teacher certification program,
- Not be in default on a student loan,
Financial Aid

When you apply for financial aid, you are considered for all programs listed below that are based upon need. You may also apply for other forms of assistance.

Grants and Waivers, Need-Based

- Indian Student Assistance: State awards up to $1,100, that is usually matched with a tribal grant, to Wisconsin Indian students who show financial need.
- Lawton Retention Grant: Awarded to Wisconsin and Minnesota undergraduate diversity students with sophomore standing and a minimum 2.00 GPA.
- Nonresident Tuition Waiver: A partial waiver of the nonresident fee for full time students, based on need, debt, class level, and eligibility for other grants.
- Pell Grant: Awards up to $5,550 to undergraduates, determined by the Pell Grant Administration, based on need and the cost of room, board, and tuition.
- Supplemental Educational Opportunity Grant: Awards up to $1,000 to exceptionally needy undergraduate students.
- Wisconsin Handicapped Grant: Awards up to $1,800 to legally deaf or blind students.
- Wisconsin Higher Education Grant: Awards based on need up to $2,560 per academic year as determined by the Wisconsin Higher Educational Aids Board.
- Wisconsin Talent Incentive Program: Awards between $1,000-$1,800 to disadvantaged Wisconsin residents.

Loans, Need-Based

- Perkins Loan: Loans up to $2,000 annually, with a maximum total of $27,500 for all undergraduate years. The graduate student cumulative maximum is $30,000 which includes any amount borrowed for undergraduate study.
- Subsidized Direct Loan: $3,500 the first year, $4,500 the second, and up to $5,500 in subsequent years, to an undergraduate maximum of $23,000. Graduate students may borrow further, up to a cumulative total of $65,500.

Loans, NOT Need-Based

- Unsubsidized Direct Loan: Loans up to full educational cost less all other financial aid (including need-based Stafford Loans). The maximum amount that you may borrow is governed by the same limits as the need-based Subsidized Stafford loan (except that the limits are higher for independent students: +$6,000 for freshmen and sophomores; +$7,000 for juniors and seniors; +$12,000 for graduates).

PLUS Loan: Loans of up to the cost of education less all other aid. These loans will be provided only by special request.

Alternative Loans: Loans from commercial lenders to help meet unmet financial need or cover assessed family contribution. These are last resort loans, which should only be considered if needed after receiving regular financial assistance.

Jobs for Students

Need a job? The Student Involvement and Employment Office (SIEO), located at 050 Dreyfus University Center, 715-346-2174, works to connect students and employers. The SIEO lists jobs online at www.uwsp.edu/centers/sieo. Jobs are viewable only by current UWSP students. The SIEO can assist you with the following employment programs:

- Federal Work Study Program: Eligibility is based on financial need. Jobs range from on-campus lab assistants, office staff, and intramural officials to off-campus positions in the Stevens Point School District, Parks and Recreation Department, and St. Michael’s Hospital. You can view open positions at the SIEO website, www.uwsp.edu/centers/sieo.
- Non-Work Study Jobs: Over half of the on-campus positions are NOT work study, with many more opportunities off campus. Visit the SIEO website for listings of current positions.
- Honors Intern Program: In this program you are involved in part-time work which complements an academic major or career goals. Contact the Career Services Office, Room 134, Main Building, (715) 346-3226 for more information.

Scholarships

Miscellaneous Scholarships or Awards: There are several places you can go to get information about scholarships:

- The Admissions Office has information about scholarships for incoming freshmen.
- Check with curricular department offices for awards available for majors in specific courses of study.
- See the UWSP Foundation Web page http://www.uwsp.edu/foundation/scholarships.aspx for information about general and nontraditional scholarships.

Military Scholarships

Army ROTC Scholarship: Army ROTC offers opportunities for merit based scholarships at UW-Stevens Point. The scholarships will pay either full tuition & fees or room & board. Contracted scholarship cadets will also receive a $1,200 per year book allowance and $300-500 per school month for living expenses. High school students may compete for a four-year scholarship online at http://www.goarmy.com/rotc. On-campus students should contact the Scholarship & Enrollment Officer to determine their eligibility for a two, three, or four-year scholarship. Additional adventure training like airbone or air assault is also available to contracted cadets. For more information contact the Military Science Department, Room 159 Health Enhancement Center, phone 715-346-3621, e-mail rotc@uwsp.edu, or go to http://www.uwsp.edu/rotc.

Simultaneous Member Program (SMP): This program allows you to participate in ROTC and the Army Reserve or National Guard as “officer trainees” to gain even more experience. In addition to the educational benefits that you...
already receive. SMP cadets may be eligible for MGIB "kickers", increases in drill pay, and scholarships.

For more information contact the Military Science Department, Room 159 Health Enhancement Center, phone 715-346-3821, e-mail rotc@uwsp.edu, or go to http://www.uwsp.edu/rotc.

Leader Training Course (LTC): This obligation free, 28-day summer camp is held in Fort Knox, Kentucky. It is a "catch-up" program for students who have not taken the first two years of ROTC classes. Upon completion of LTC, you can receive eight elective credits; you may also be eligible for a contracting bonus, as well as an opportunity to earn a two-year scholarship. For more information contact the Military Science Department, Room 159 Health Enhancement Center, phone 715-346-3821, e-mail rotc@uwsp.edu, or go to www.uwsp.edu/rotc.

Special Fee Remission Consideration

There are a limited number of partial and full tuition fee remissions available for outstanding new nonresident students annually. To qualify, applicants must: (1) be nominated by a university faculty or staff member and show evidence of academic excellence as reflected in a high school class rank in the top 20 percent or better; OR (2) present at least a 3.50 high school grade point average, or an ACT score of 25 or better and demonstrate evidence of outstanding co-curricular and extracurricular leadership, or artistic, dramatic, or musical special talent. This type of fee remission is not based on need and may be renewed. Special consideration will be given to students reflecting potential contributions to university cultural diversity leadership. For full consideration, send nominations and applications each year by November 1 to the University Special Fee Remission Committee, Room 134, Old Main Building.

Return to Wisconsin Tuition Discount

Nonresident children and grandchildren of UWSP alumni may be eligible for a discount of 25 percent off the regular nonresident tuition rate. Contact the Admissions Office, 715-346-2441, for more information.

Military Service Benefits

Veterans, active National Guard members, and Reservists, may be eligible for monetary educational benefits while attending school. Please contact the Veterans Coordinator located in the Registration & Records Office, Room 101, of the Student Services Center or by calling 715-295-8947. The Portage County Veterans Service Officer (VSO), 715-346-1310, can also provide information regarding these benefits.

Tuition and Fees

Below are estimated costs per semester of Tuition and Fees when you enroll for the 2011-12 school year. The costs will change during the life of this catalog. To find out the most current costs, visit the Accounts Receivable website: www.uwsp.edu/admin/busaffairs/ar.

Minnesota residents must have approval for reciprocity. Your high school counselor can give you information about how to apply or go to www.mheso.state.mn.us.

*The total cost includes seven segregated fees: University Center fee for UWSP campus centers, student activity fee for recreational services, text rental fee (undergraduates only), student health fee for medical care, municipal service fee for various utilities, Health Enhancement Center fee, and United Council fee for student government. For a more complete breakdown, visit the Accounts Receivable website: www.uwsp.edu/admin/busaffairs/ar.

Tuition Surcharge

If you are a resident student working toward your first degree and accumulate 165 credits (or 30 credits more than required by your degree program, whichever is greater), you will be assessed a surcharge equal to 100% of the regular resident tuition on all credits beyond 165.

1. Only credits earned at UW-Stevens Point or transferred from a UW System or UWspinsin Technical College institution count toward the 165 credits.
2. Advanced placement (AP), credit-by-exam, retroactive credit, remedial credit, and other nontraditional credits do NOT count toward the 165 credits.
3. The surcharge begins in the term following the one in which you reach 165 credits.
4. To appeal, contact your dean's office or Registration and Records at 715-346-4301.

Wisconsin Residency Requirements

Section 36.27(2) of the Wisconsin State Statutes (below) lists all the requirements for Wisconsin residency. It is your responsibility to register correctly as a resident or nonresident. Contact the Admissions Office, Room 102, Student Services Center, 715-346-2441, for interpretation and further information about your proper residency classification. If you wish to request a change in your
residency classification, contact the Admissions Office for the proper forms.

**Minnesota Residents:** If you meet Minnesota residency requirements at a public institution in Minnesota, you may be eligible to pay the established reciprocity fee for coursework taken at UWSP. Contact the UWSP Admissions Office, Room 102, Student Services Center, for more information or to go to www.mheso.state.mn.us.

**Wisconsin Statutes Section 36.27(2):**

(a) Students qualifying under any of the following categories, while they continue to be residents of this state, are entitled to exemption from nonresident tuition but not from incidental or other fees:

1. **Adult students:** Any adult student who has been a bona fide resident of the state for 12 months next preceding the beginning of any semester or session for which such student registers at an institution, OR any adult student who is a dependent of his or her parents under 26 USC 152(a) if the student's parents have been bona fide residents of this state for at least 12 months next preceding the beginning of any semester or session for which the student registers at an institution.

2. **Minors:** Any minor student, if one or both of the student's parents have been bona fide residents of this state for at least 12 months next preceding the beginning of any semester or session for which such student registers at an institution, OR any adult student who is a dependent of his or her parents under 26 USC 152(a) if the student's parents have been bona fide residents of this state for at least 12 months next preceding the beginning of any semester or session for which the student registers at an institution.

3. **Migrant workers:** Any adult student who has been employed as a migrant worker for at least two months each year for three of the five years next preceding the beginning of any semester or session for which the student registers at an institution, or for at least three months each year for two of the five years next preceding the beginning of any semester or session for which the student registers at an institution; OR any minor student under guardianship in this state pursuant to ch. 48 or 880 whose legal guardian has been a bona fide resident of this state for at least 12 months next preceding the beginning of any semester or session for which such student registers at an institution.

4. **Refugees:** Any person who is a refugee, as defined under 8 USC 1101(a)(42), who moved to this state immediately upon arrival in the United States and who has resided in this state continuously since then is entitled to the exemption under par. (a) if he or she demonstrates an intent to establish and maintain a permanent home in Wisconsin according to the criteria under par. (e).

5. **Armed forces, nonresident:** Any person who is a veteran, as defined in s.45.01(12), is entitled to the exemption under par. (a). A person who was a resident of Wisconsin when he or she entered the armed forces and who filed state income taxes for at least 8 of the last 10 years of service is entitled to the exemption under par. (a). A person who has been granted such an exemption to submit information from which the body may determine the student's continuing eligibility for the exemption, the student's eligibility for a different exemption, or the student's residency status.

**General residency information:**

(d) Any person who has not been a bona fide resident of the state for 12 months next preceding the beginning of any semester or session for which such person registers at an institution, except as provided in this subsection, is not exempt from the payment of the nonresident tuition.

Determining eligibility to pay resident fees: (e) In determining bona fide residence at the time of the beginning of any semester or session and for the preceding 12 months, the intent of the person to establish and maintain a permanent home in Wisconsin is determinative. In addition to representations by the student, intent may be demonstrated or disproved by factors including, but not limited to, timely filing of a Wisconsin income tax return of a type that only full-year Wisconsin residents may file, voter registration in Wisconsin, motor vehicle registration in Wisconsin, possession of a Wisconsin driver's license, place of employment, self-support, involvement in community activities in Wisconsin, physical presence in Wisconsin for at least 12 months next preceding the beginning of the semester or session for which the student registers, and, if the student is not a U.S. citizen, possession of a visa that permits indefinite residence in the United States. Notwithstanding par. (a), (a), a student who enters and remains in Wisconsin principally to obtain an education is presumed to continue to reside outside this state and such presumption continues in effect until rebutted by clear and convincing evidence of bona fide residence.

**Appeals:** (am) Anybody designated by the board to hear appeals regarding nonresident tuition exemptions under sub. 2. (a) may require a student who has been granted such an exemption to submit information from which the body may determine the student's continuing eligibility for the exemption, the student's eligibility for a different exemption, or the student's residency status.

**Billing and Payment of Tuition/Fees**

**Payment Plan Options:**

1. **Full Payment Plan:** All students are required to pay a $100 registration deposit prior to registration. Then, full payment must be received by the Bursar's Office by the first day of classes to avoid finance charges which will be assessed from the first day of each term. For charges that are assessed to your account during the term, payment is due by the due date of the billing statement.

2. **Partial Payment Plan:** The University offers a partial payment plan which provides for payments to be made in two equal installments following the initial $100 registration deposit. The charges may include academic and segregated fees, room, board, special course fees and miscellaneous charges. You will be assessed a finance charge for each billing period in which you have not paid the balance in full by the billing due date.

Please note that if you withdraw from school before paying in full, you must still pay whatever amount is due for the semester. See the Refund Schedule below for information on how much you pay, depending on the point in the semester when you withdraw from UW-Stevens Point.
Finance Charges
Finance charges begin on the first day of classes. We calculate them on your previous balance (exclusive of previous finance charges) reduced by the payments you have made and credits we have applied during the billing period. We calculate the finance charge at the rate of 0.041095 percent per day (1.25 percent per month or 15 percent per year) on the portion of your balance that is $500 or less. We calculate it at the rate of 0.032877 percent per day, (1 percent per month or 12 percent per year) on the portion of your balance that is over $500.
If you are an undergraduate special student, graduate special student or graduate student, you will be billed according to the course level credits for which you enroll. Courses numbered 100 to 499 are undergraduate courses; courses numbered 500 to 999 are graduate courses.
To avoid or reduce your finance charges, you may pay more than your required minimum payment at any time. You may also pay your remaining balance completely at any time.
Billing Amounts Due if Choosing the Partial Payment Plan
Fall and Spring terms:
1. First statement: For information only. Your $100 registration deposit has already been received and there is no required payment due at this time. However, finance charges will be assessed on any unpaid balance as of the first day of each term.
2. Second statement: Created approximately the second week of classes, this statement requires a minimum payment of 50% of the balance plus finance charges.
3. Third statement: Created approximately the sixth week of the semester, 100% of any remaining balance plus finance charges will be due.
4. Fourth statement: Created approximately the tenth week of classes, pay any further charges plus all finance charges.
Summer term:
1. First statement: The full balance is due. Finance charges accrue until your balance is paid in full. If you have an unpaid balance on your account, you will not receive your transcript or diploma. You will not be able to register for future courses until your balance has been paid in full.
E-Billing
UMSP electronic billing is the official means of generating tuition bills for all enrolled students. You will receive a notice in your university e-mail account when your UMSP E-Bill is ready to be viewed online. A UMSP logon and password are required to access the billing statement which details the amount due (tuition, fees, housing, and other campus charges) and the payment due date. Paper billing statements are no longer sent to enrolled students.
Credit Agreement
Every student must sign a credit agreement card upon registration at UWSP. You only need to sign this card once during your enrollment period. Billing details can be found on the Accounts Receivable website (http://www.uwsp.edu/admny/busaffairs/ar). Under “Tuition & Billing”, choose “Electronic Billing.”
If you make delayed payments from financial aid, loans, grants, scholarships or vocational rehabilitation awards, also sign the credit agreement application card. You are responsible for finance charges on your unpaid balance.
Billing Errors
If you think your bill is wrong, write us a note about the error within 60 days of receiving your billing statement. Be sure to include your name, your student ID number, the amount of the error, and a brief explanation of why your bill is wrong. Mail the note to: Accounts Receivable, Room 003, Student Services Center, UW-Stevens Point, Stevens Point, WI 54481-3897. If only part of your bill is wrong, then pay the correct portion of the bill by the due date.
Refund Schedule for Tuition and Fees
You must send written notification to the Registrar's Office as soon as you decide to cancel your enrollment or withdraw from UW-Stevens Point.
There is no fee assessed if you cancel your registration prior to the first day of the semester.
See the section of this catalog entitled Withdrawing from UW-Stevens Point for further information on this subject. The table below tells what percentage of your tuition and fees are reduced when you completely withdraw from UW-Stevens Point after the first day of classes.

All students withdrawing from classes will be assessed the following withdrawal fees:
Withdrawals effective the first week of classes will be assessed $100.00.
SPECIAL NOTE TO FINANCIAL AID RECIPIENTS WHO WITHDRAW: You may be required to repay all or a portion of the aid received and/or forfeit your financial aid eligibility. Contact the Financial Aid Office for details: 715-346-477 or www.uwsp.edu/finance/

On-Campus Living (Room and Board)
At UW-Stevens Point, most students are required to live in residence halls until they have completed four semesters of college work. This is a UW System Board of Regents policy. If you are married, a veteran, living with your parents, or receive a special exemption because you have been out of high school two years or more, you need not comply with this requirement.
We estimate that for fall 2011, you will pay $1776 each semester ($1876/semester in renovated halls) for a double room and $2482 each semester ($2448/semester in renovated halls) for a single room in a residence hall.
Anticipated cost for meal plans will be $1220 each semester.
Refunds: If you want to receive a refund of $100 of your room prepayment on an academic year contract, request it before July 1. If you want to receive a refund of your room prepayment on a second semester contract, request it before December 15. If you are a junior or senior using the one semester option, you must request a refund of your prepayment by December 15 to receive refund in February.
If you get married, student teach, or participate in curricular programs which require off-campus living, you may request release from your residence hall agreement. To do this, go to Residential Living Office in the 601 Division St. Building.
If you withdraw from UWSP, you must also terminate your residence hall agreement. We prorate all room and board refunds from the Sunday after you terminate your contract.
### Majors, Minors, etc.

UW-Stevens Point offers the Bachelor of Arts, Bachelor of Fine Arts, Bachelor of Music, Bachelor of Science, and Associate degrees. The list below includes majors, minors, concentrations, options, areas of emphasis, and other significant courses. Topics that are teacher certifiable are marked with "¢".

General Degree Requirements (GDR)
In addition to being academically prepared to pursue a specific career, UWSP graduates acquire a foundation of knowledge from the following areas.

Verbal and Quantitative Skills
Freshman English fosters the complementary skills of critical reading, logical thinking, effective research, and coherent writing. It develops facility at all stages of the composing process and improves ability to write effectively in a variety of writing situations.

Writing Emphasis (WE) provides instruction necessary to develop skills for appropriate and successful writing within a discipline or profession.

Communication (COMM) provides enhanced understanding of human communication and the ability to deliver effective presentations.

Mathematics (MATH) provides the knowledge to quantify and understand the real world using fundamental mathematics to analyze phenomena, construct models, solve problems, state conclusions, interpret statistics, and understand scientific topics.

Critical Thinking/ Natural Science
Natural Science (NS) provides a broad understanding of the pure sciences and exposure to scientific methods for evaluating evidence from the natural world and shows how science relates to individuals and/or society at large.

Courses develop skills to classify information, draw conclusions, infer relationships, solve problems, and make predictions.

Critical Thinking/ Cultural Awareness
Non-Western (NW) courses study peoples, countries, or regions that differ in fundamental ways from Western tradition and examine political, economic, intellectual, ethical and cultural values and structures that offer alternative approaches to these areas of human organization.

Minority Studies (MNS) courses consider the culture and history of various racial and ethnic groups such as African-American, Hispanic-American, Asian-American, and Native American and the historical or cultural relationships between them and the white majority culture in the U.S.

History (HI) provides an appreciation of human behavior and heritage over time and an understanding of the nature, development and interaction of cultures, societies, and civilizations.

Humanities (HU1, HU2, HU3, HU4) courses introduce enduring expressions of the human mind and culture and teach critical thinking, interpretive skills and historical perspectives for understanding and evaluating these expressions.

Social Science (SS1, SS2) develops understanding of human behavior, the structures of society and the interrelationships among social institutions and provides a framework for thoughtful and informed participation in society.

Foreign Language (FL) introduces second languages and increases knowledge of how language functions and cultures differ, leading toward greater understanding of peoples across national borders.

Environmental Literacy (EL) investigates the ways human societies interact with and affect the natural and biophysical environment.

Wellness (WL) introduces concepts of wellness, health issues, experiences and life skills to apply to personal lifestyles that promote health.

Assessment
As part of our continuing effort to improve curriculum and the delivery of instruction, we assess students both within their majors and in their general education. You are expected to participate in this assessment process.

General Degree Requirements
In this section you will find the general requirements (GDRs) you must meet in order to receive a baccalaureate degree from UW-Stevens Point. Check under the appropriate heading for information on the Bachelor of Arts (BA), Bachelor of Science (BS), or bachelor of music (BM) and bachelor of fine arts (BFA) degree.

Note that you meet different requirements for different degrees. In working toward a BA you emphasize foreign languages, the humanities, and history. In working toward a BS you concentrate more on mathematics and the natural sciences. And in working toward a BM or BFA you study a range of subjects that complement the curriculum in your major field.

Meet with your academic adviser for help in choosing your major. After choosing one, check with your adviser or your department chair for specific requirements of the department and college in which you major.

In some cases, your college may allow you to apply courses you take as part of your general degree requirements toward your major or minor. Your adviser will describe your college's policy on this. Your college may impose additional requirements.

Test-Out & Credit-by-Exam Policy
You may test-out and/or receive credit-by-exam for any General Education (GDR) course at UWSP, except for Writing Emphasis courses.

When you pass an approved test in a GDR course, the requirement to enroll in the course is waived. You don't earn credit when you test out, but the course applies toward fulfillment of that GDR. For example, if you test out of Communication 101, you satisfy the Communication 101 GDR without enrolling in the course. Each department that offers courses for general degree requirement credit has its own policy for test-out and/or credit-by-exam. Each policy states:

1. Whether you will be testing out of the requirement or also receiving credit.
2. The process for making exam arrangements.
3. The type of exam, passing grade, any additional requirements, and whether you can take the exam more than once.

4. Fees, if any. UWSP will charge a flat fee of $20 per application to test-out or receive credit-by-exam for GDR courses for which departments devise their own exams. This should be paid to the department administering the test upon application for the exam. You must check with each department and follow their specific requirements for testing out and/or receiving credit-by-exam for general degree requirement courses. If you receive test-out or credit-by-exam approval for a course that meets multiple general degree requirements, passing the test will satisfy all GDR requirements that are designated for that course, excluding writing emphasis.

- English:
  All entering freshmen take the freshman English entrance assessment to measure writing competence based on an essay composed at the university during orientation. If your performance on the writing assessment indicates superior writing ability, you may be exempt from English 101 and placed in English 150. Successful completion of English 150 then satisfies your freshman English requirement.

- Communication:
  If you want to test out of Communication 101, make an appointment with the head of the Division of Communication. You must then schedule and take a written examination on the basic concepts in public speaking. If you receive a passing grade on this exam, you must deliver an eight minute original persuasive speech extemporaneously to a three-judge panel. If you receive an average grade of B or better on your oral presentation, you may either be exempt from Communication 101 or be placed in an advanced public speaking course. If you choose the second option and complete the course with a grade of B or better, you will receive 2 credits for Communication 101 as well as the credits for the course you complete.

- Foreign Language:
  You may test out of part or all of the foreign language requirement by taking the UW System foreign language placement exam either at one of the regional testing centers or from the Foreign Language Department. You may also receive up to 16 credits for prerequisite courses by passing foreign language courses 102-313 with a grade of B- or better. For further information, contact the Foreign Language Department, Room 490, Collins Classroom Center, (715) 346-3036.

- Mathematics:
  You take this exam during regional testing. The code number you receive from the exam is listed in the table below. This tells you which courses you still need to take to satisfy the general degree requirements in mathematics.
  - If you are a new freshman, look up your code number on the chart below to determine the course for which you should register. If more than one course is listed, consult an adviser, or check with the Student Academic Advising Center, Room 102, Student Services Center, for the most appropriate course for your major.
  - If you are a transfer student, go to the Admissions Office to determine the code number or course into which you place; then look up that course on this table.
  - If you are placed into Math 90, begin the course the semester when you first enroll and remain continuously enrolled in remedial courses until remedial requirements are complete.
  - If you do not believe that your placement is accurate, you may petition once to participate in an alternate placement process.

You may take any of the following courses

<table>
<thead>

</tbody>
</table>

NOTES:

1. You may not earn credit in both Math 100 and 105. You may not earn credit in both Math 112 and 119.
2. Courses which will satisfy the "4 credits beyond 100" are Math 109, 111, 118, 355, and Math/Math Ed 338.
3. Math 100 is a prerequisite for Math 109, 111, 112, 118, 119, 209, 228, and 355. Other courses in math have prerequisites at least 4 credits beyond 100, so students taking them will have already satisfied the GDR in math.
4. Math 118 (Precalculus Algebra) and Math 119 (Precalculus Trigonometry) are prerequisites for Math 120 (Analytic Geometry and Calculus I). If you receive placement code 8, you only need to complete Math 119 before taking Math 120. If you receive placement code 7, you only need to complete Math 118 before taking Math 120. If your math placement code is 4 or lower, you must complete both Math 118 and 119 before taking Math 120. In some cases, advisers may allow you to take 119 and 120 concurrently.
Bachelor of Arts General Degree Requirements

1. Verbal and Quantitative Skills. 8-11 credits + Writing Emphasis (WE) required.
   A. Freshman English. 3-6 credits required: English 101 and 102, or 150 through placement. Also see note below.

      Writing Emphasis (WE). 6 credits required. English 101 and 102 or 150 are prerequisites to WE courses. Individual departments may designate WE courses as part of the major. You may use WE courses simultaneously to fulfill electives, major requirements, or general degree requirements. To see which courses are offered as Writing Emphasis for a particular semester, check the online timetable (https://mypoint.uwsp.edu/regrec/regrec046/ regrec046.aspx), select a term, and under “Type”, select “GDR-Writing Emphasis.”

      If you are a transfer student with fewer than 60 semester credits, you must take 6 credits of writing emphasis courses. If you transfer with 60 or more credits, you need to take only 3 credits of writing emphasis courses. A course completed at another institution that is OFFICIALLY designated as a WE course will count toward the WE requirement at UWSP.

      Six WE credits are required, but they are NOT part of the GDR total. There is no test-out or credit-by-exam for WE.

   B. Communication. 2 credits required; Communication 101.

   C. Mathematics. 3 credits required: Mathematics 100 or 105 or equivalent. See note below.

   **NOTE:** You must complete the general degree requirements you need (according to your placement scores) from Mathematics 100, 105 and English 101, 102, 150 before you complete 60 credits toward graduation. If the 60 credit limit, you have not complied with this policy, you will be allowed to register for a maximum of 12 credits. Those 12 credits must include the mathematics and English general degree requirement courses you lack.

   If you are placed into REMEDIAL mathematics, you must complete those remedial courses before you earn 30 credits toward graduation. If you do not, you will be restricted to a maximum of 12 credits a semester, including the remedial courses, until the requirement is met.

2. Critical Thinking/Natural Science. 6-10 credits required. You must take at least one laboratory course in each of two disciplines. See the catalog under the specific natural science department or under your major to determine what sequence of courses to take and what restrictions apply for taking more than one course in a discipline.

   Astronomy 100, 205, 206.

   Biology 100 or 101, 103, 130, 160, 285.

   Chemistry 100 or 101, 105, 106, 114, 115, 116, 117.

   Geography 100EL, 101, 350.

   Geology 100, 104.

   Physics 100EL or 101, 115, 150, 203, 204, 250.

3. Critical Thinking/Cultural Awareness. 32 credits required. You must take at least one course designated non-Western (NW) culture and at least one course designated minority studies (MNS). Although a course may be designated both NW and MNS, you may not satisfy both requirements with one course.

   **Minority Studies.** One course required. Anthropology 371; English 280, 282, 382, 386 First Year Seminar 157; History 284, 285, 288, 289, 290, 291, 292, 293, 310; Interior Architecture 160; Music, 105, 305; Natural Resources 220, 406; Philosophy 381; Political Science 202, 315, 408, 414; Psychology 322; Religious Studies 311, 316; Social Work 316; Sociology 101, 102, 270; Spanish 480, 482; Women's and Gender Studies 105, 320.

   **Humanities and Social Science.** 18 credits required, of which 9 must be in humanities and 6 must be in social science. The remaining 3 credits are from either group.

   B. Humanities. 9-12 credits. One course required in each of areas (1), (2), and (3). If you elect 12 credits in the humanities, you may select the additional course from any of the four areas.

   **Humanities Area 1.**

   History and appreciation of art, communication, dance, theatre, music: Art 181NW, 270NW, 271NW, 282, 283, 373NW, 380NW, 397.

   Computing and New Media Technologies 376. Dance 352.

   First Year Seminar 153, 162.

   Interior Architecture 150NW, 160MNS, 309, 310NW.

   Music 100, 103, 105MNS, 220NW, 221, 300, 301, 305MNS, 307, 320, 323, 326, 329, 427.

   Technology and New Media Arts 300.

   Theatre 105, 329, 351, 352, 361, 362, 452, 490.

   Web & Digital Media Development 100.

   **Humanities Area 2 Literature.**

   Comparative Literature 101, 102, 317, 350.

First Year Seminar 154, 155.
French 340.
German 340.
Russian 360, 370.
Spanish 340.

Humanities Area 3
Philosophy, religious studies, and political theory:
First Year Seminar 159; Philosophy 100, 101, 105NW, 121, 230NW, 270, 301, 302, 305, 306, 307, 315, 320, 325, 326, 327, 336, 380EL, 381NW MNS.
Political Science 270, 391, 393, 394, 395.

Humanities Area 4
Civilization, area studies, and interdisciplinary courses:
First Year Seminar 163.
Foreign Language 381.
French 481.

Humanities Area 5
Social Science.
6-9 credits required, from two or more social science disciplines, with a minimum of 6 credits in category (1) and up to 3 additional credits from courses in category (1) or category (2). Note that you may not count both Human Development 261 and Psychology 260 toward the social science requirement. You may not earn credit in both Political Science 101 and 201.

Social Science Category 1
Anthropology 101NW, 105.110NW, 125NW, 315NW, 320NW, 325, 335NW, 338NW, 339NW, 345NW, 380NW.
Economics 110, 111.
First Year Seminar 150.
Geography 110NW, 113NW, 120NW, 211, 226, 300NW, 302NW, 325NW, 327NW, 328, 366, 388NW 369, 373, 374.

Political Science 306.
Sociology 308, 355EL, 366, 368.
Women's and Gender Studies 105MNS, 301.

Foreign Language. 8 credits; one year of college work in one of these sequences:
Arabic 101-102NW.
Chinese 101-102NW.
French 101-102.
German 101-102.
Hungarian 101-102.
Japanese 101-102NW.
Polish 101-102.
Russian 101-102NW.
Spanish 101-102.

4. Environmental Literacy. 3 credits. Choose one:
Anthropology 350.
Art 335.
Chemistry 100.
Clinical Lab Science 395.
Communication 324.
Economics 342.
English 392.
First Year Seminar 155, 161.
Food and Nutrition 357.
Forestry 392NW.
Geography 100, 329, 371.
History 204NW, 280, 304, 342NW, 392NW.
Human Development 381, 386.
Interior Architecture 130, 315.
Natural Resources 150, 220NW, 324, 370, 406NW, 407.
Paper Science and Engineering 103.
Philosophy 380.
Physics 100.
Political Science 304, 305.
Psychology 321.
Safety and Health Protection 330.
Sociology 355, 360.
Water 220NW, 324.

5. Wellness. 3 credits required.
A. Take 1 or 2 credits in aerobics/ activity (AA) from the following:
Military Science and Leadership 111, 121, 153, 154.
Physical Education 150.
Wellness 100 to 299. To see which courses are offered as AA for a particular semester, check the online timetable (https://mypoint.uwsp.edu/regrec/regrec046/regrec046.aspx), select a term, and under "Type", select "GDR-Wellness-AA."

B. Take 1 or 2 credits in health enhancement (HE) from the following:
Food and Nutrition 151.
Health Education 140, 280, 390.
Health Promotion/Wellness 102, 103, 106, 107, 142, 143, 148, 149, 206, 207, 208, 248, 299.
Psychology 255, 290.
Wellness 100 to 299. To see which courses are offered as HE for a particular semester, check the online timetable (https://mypoint.uwsp.edu/regrec/regrec046/regrec046.aspx), select a term, and under "Type", select "GDR-Wellness-HE."

6. Minimum Credits for Graduation. To graduate, you must earn at least 120 credits (30 credits in residence at UWSP), which include the general requirements for your degree and the requirements for at least one major. You may need to take some elective credits.
Some majors may require more than 120 credits. Read the section of this catalog entitled Courses of Instruction to find out how many credits your major requires.
7. Forty Credit Rule. To graduate, you must earn at least 40 credits in courses numbered 300 or above.

8. Graduation Application and Approval. Apply online for graduation at [http://www.uwsp.edu/reg-rec/gradinfo.aspx](http://www.uwsp.edu/reg-rec/gradinfo.aspx) at least one full semester prior to the term in which you will complete your degree. We will grant you a bachelor's degree only if you complete the general degree requirements and at least one major (and one minor if applicable) that is approved for your degree area.

Be sure to check the online timetable for the most up-to-date list of general degree requirement offerings [https://mypoint.uwsp.edu/regrec/regrec046/regrec046.aspx](https://mypoint.uwsp.edu/regrec/regrec046/regrec046.aspx). From there, select a term.
Bachelor of Science
General Degree Requirements

1. Verbal and Quantitative Skills. 12-14 credits + Writing Emphasis (WE) required.
   A. Freshman English. 3-6 credits required: English 101 and 102, or 150 through placement. Also see note below.

   Writing Emphasis (WE). 6 credits required. English 101 and 102 or 150 are prerequisites to WE courses. Individual departments may designate WE courses as part of the major. You may use WE courses simultaneously to fulfill electives, major requirements, or general degree requirements. To see which courses are offered as Writing Emphasis for a particular semester, check the online timetable (https://mypoint.uwsp.edu/regrec/regrec046/regrec046.aspx), select a term, and under "Type", select "GDR-Writing Emphasis."

   If you are a transfer student with fewer than 60 semester credits, you must take 6 credits of writing emphasis courses. If you transfer with 60 or more credits, you need to take only 3 credits of writing emphasis courses. A course completed at another institution that is OFFICIALLY designated as a WE course will count toward the WE requirement at UWSP.

   Six WE credits are required, but they are not part of the GDR total. There is no test-out or credit-by-exam for WE.

   B. Communication. 2 credits required: Communication 101.

   NOTE: You must complete the general degree requirements you need (according to your placement scores) from Mathematics 100, 105 and English 101, 102, 150 before you complete 60 credits toward graduation. If, by the 60 credit limit, you have not complied with this policy, you will be allowed to register for a maximum of 12 credits. Those 12 credits must include the mathematics and English general degree requirement courses you lack.

   If you are placed into REMEDIAL mathematics, you must complete those remedial courses before you earn 30 credits toward graduation. If you do not, you will be restricted to a maximum of 12 credits a semester, including the remedial courses, until the requirement is met.

2. Critical Thinking/ Natural Science. 12-15 credits required. You may receive GDR credit for no more than one course numbered 100, and you must take at least one laboratory course in each of two disciplines. See the catalog under the specific natural science department or under your major to determine what sequence of courses to take and what restrictions apply for taking more than one course in a discipline.

   Astronomy 100 or 311 (no lab), 205, 206.
   Biology 100 or 101, 103, 130, 160, 202 (no lab), 285.
   Chemistry 100EL or 101, 105, 114, 115, 116, 117.
   First Year Seminar 152 (no lab).
   Geography 100EL, 101, 340 (no lab), 350.
   Geology 100, 104.
   Physics 100EL or 101, 115, 150, 203, 204, 250.

3. Critical Thinking/ Cultural Awareness. 21 credits required. You must take at least one course designated non-Western (NW) culture, and at least one designated minority studies (MNS). Although a course may be designated both NW and MNS, you may not satisfy both requirements with one course.

   Non-Western Culture. One course required.

   Minority Studies. One course required. Anthropology 101, 110, 125, 315, 320, 335, 338; First Year Seminar 157; History 284, 285, 288, 289, 290, 291, 292, 293, 310; Interior Architecture 160; Music, 105, 305; Philosophy 381; Political Science 202, 315, 408, 414; Psychology 322; Religious Studies 311, 316; Social Work 316; Sociology 101, 102, 270; Spanish 480, 482; Women's and Gender Studies 105, 320.

   A. History. 3 credits from First Year Seminar 156, 157, 161, 163; History 101NW, 102NW, 176, 177, 203, 204NW/EL, 206NW, 214, 216NW, 217NW, 232NW, 233NW, 240NW, 241NW, 248NW, 249NW, 256, 257, 280, 284MNS, 285MNS, 288MNS, 289MNS, 290MNS, 291MNS, 292MNS, 293MNS, 372NW, 373NW.

   Humanities and Social Science. 18 credits required, of which 6 must be in humanities and 6 must be in social science. The remaining 6 credits can be from either group.

   B. Humanities. 6-12 credits. Select courses from at least two of the following areas, and apply no more than 3 credits of history from area 4.

   Humanities Area 1 History and appreciation of art, communication, dance, theatre, music: Art 181NW, 270NW, 271NW, 282, 283, 373NW, 380NW, 397.
   Computing and New Media Technologies 376; Dance 352; First Year Seminar 153, 162; Interior Architecture 150NW, 160MNS, 309, 310NW.

Social Science 6-12 credits required, from two or more social science disciplines, with a minimum of 6 credits in category (1) and up to 6 additional credits from courses in category (1) and/or category (2). Note that you may not count both Human Development 261 and Psychology 260 toward the social science requirement. You may not earn credit in both Political Science 101 and 201.

Social Science Category 1

D. Foreign Language. None required.

5. Wellness. 3 credits required.
A. Take 1 or 2 credits in aerobics/activity (AA) from the following: Dance 103, 104, 105, 106, 112, 114, 115, 203, 204, 205, 206, 212, 214, 215, 303, 304, 305, 306, 314. Military Science and Leadership 111, 121, 153, 154. Physical Education 150. Wellness 100 to 299. To see which courses are offered as AA for a particular semester, check the online timetable (https://mypoint.uwsp.edu/regrec/regrec046/regrec046.aspx), select a term, and under "Type", select "GDR-Wellness-AA."
B. Take 1 or 2 credits in health enhancement (HE) from the following: Food and Nutrition 151. Health Education 140, 280, 390. Health Promotion/Wellness 102, 103, 106, 107, 142, 143, 148, 149, 206, 207, 208, 248, 299. Psychology 255, 290. Wellness 100 to 299. To see which courses are offered as HE for a particular semester, check the online timetable (https://mypoint.uwsp.edu/regrec/regrec046/regrec046.aspx), select a term, and under "Type", select "GDR-Wellness-HE."

6. Minimum Credits for Graduation. To graduate, you must earn at least 120 credits (30 credits in residence at UWSP), which include the general requirements for your degree and the requirements for at least one
major. You may need to take some elective credits. Some majors may require more than 120 credits. Read the section of this catalog entitled Courses of Instruction to find out how many credits your major requires.

7. Forty Credit Rule. To graduate, you must earn at least 40 credits in courses numbered 300 or above.

8. Graduation Application and Approval. Apply online for graduation at http://www.uwsp.edu/reg-rec/gradinfo.aspx at least one full semester prior to the term in which you will complete your degree. We will grant you a bachelor’s degree only if you complete the general degree requirements and at least one major (and one minor if applicable) that is approved for your degree area.

Be sure to check the online timetable for the most up-to-date list of general degree requirement offerings (https://mypoint.uwsp.edu/regrec/regrec046/regrec046.aspx). From there, select a term.
Bachelor of Music/ Bachelor of Fine Arts General Degree Requirements

1. Verbal and Quantitative Skills. 12-16 credits + Writing Emphasis (WE) required.
   A. Freshman English. 3-6 credits required: English 101 and 102, or 150 through placement. Also see note below.
      Writing Emphasis (WE), 6 credits required.
      English 101 and 102 or 150 are prerequisites to WE courses. Individual departments may designate WE courses as part of the major. You may use WE courses simultaneously to fulfill electives, major requirements, or general degree requirements. To see which courses are offered as Writing Emphasis for a particular semester, check the online timetable (https://mypoint.uwsp.edu/regrec/regrec046/regrec046.aspx), select a term, and under "Type," select "GDR-Writing Emphasis."

   If you are a transfer student with fewer than 60 semester credits, you must take 6 credits of writing emphasis courses. If you transfer with 60 or more credits, you need to take only 3 credits of writing emphasis courses. A course completed at another institution that is OFFICIALLY designated as a WE course will count toward the WE requirement at UWSP.

   Six WE credits are required but they are NOT part of the GDR total. There is no test-out or credit-by-exam for WE.

   B. Communication. 2 credits required: Comm 101.
   C. Mathematics/ Foreign Language. Choose one of these two options:
      • Foreign Language: 0-8 credits required: (in addition to placement into Math 100) one year of college work in one of the following sequences:
        Arabic 101-102NW.
        Chinese 101-102NW.
        French 101-102.
        German 101-102.
        Hmong 101-102NW.
        Hungarian 101-102.
        Japanese 101-102NW.
        Polish 101-102.
        Russian 101-102NW.
        Spanish 101-102.

   NOTE: You must complete the general degree requirements you need (according to your placement scores) from Mathematics 100, 105 and English 101, 102, 150 before you complete 60 credits toward graduation. If, by the 60 credit limit, you have not complied with this policy, you will be allowed to register for a maximum of 12 credits. Those 12 credits must include the mathematics and English general degree requirement courses you lack. If you are placed into REMEDIAL mathematics, you must complete those remedial courses before you earn 30 credits toward graduation. If you do not, you will be restricted to a maximum of 12 credits a semester, including the remedial courses, until the requirement is met.

2. Critical Thinking/ Natural Science. 6 credits required. Emphasis is on the exploration/ appreciation content of the 100 level sciences. You must take at least one laboratory course in each of two disciplines. See the catalog under the specific natural science department or under your major to determine what sequence of courses to take and what restrictions apply for taking more than one course in a discipline. If you are a BFA major in theatre/dance, take a physical lab course.
   Astronomy 100, 205, 206.
   Biology 100 or 101, 103, 130, 160, 285.
   Chemistry 100 or 101, 105, 106, 114, 115, 116, 117.
   First Year Seminar 152 (no lab).
   Geography 100EL, 101, 350.
   Geology 100, 104.
   Physics 100EL or 101, 115, 150, 203, 204, 250.

3. Critical Thinking/ Cultural Awareness. 24 credits required. You must take at least one course designated non-Western (NW) culture, and at least one designated minority studies (MNS). Although a course may be designated both NW and MNS, you may not satisfy both requirements with one course. You need a historical basis from which to view the growth, development, and future of your art discipline in the United States, in addition to the required art history component in your professional curriculum. If you seek teacher certification, you need the two-course American history sequence (History 176-177).
   Non-Western Culture. One course required.
   Minority Studies. One course required. Anthropology 371; English 280, 282, 382, 386; First Year Seminar 157; History 284, 285, 288, 289, 290, 291, 292, 293, 310; Interior Architecture 160; Music, 105, 305; Philosophy 381; Political Science 202, 315, 408, 414; Psychology 322; Religious Studies 311, 316; Social Work 316; Sociology 101, 102, 270; Spanish 480, 482; Women's and Gender Studies 105, 320.
   A. History. 6 credits required. First Year Seminar 156, 157, 161, 163; History 101NW, 102NW, 176, 177, 203, 204NW/EL, 206NW, 214, 216NW, 217NW, 232NW, 233NW, 240NW, 241NW, 248NW, 249NW, 256, 257, 280, 284MNS, 285MNS, 288MNS, 289MNS, 290MNS, 291MNS, 292MNS, 293MNS, 372NW, 373NW.
   Humanities and Social Science. 18 credits required, of which 9 must be in humanities, and 6 must be
in social science. The remaining 3 credits can be from either group.

B. Humanities. 9-12 credits. One course required in each of areas (1), (2), and (3). If you elect 12 credits in the humanities, you may select the additional course from any of the four areas.

Humanities Area 1: History and appreciation of art, communication, dance, theatre, music.
Art 181NW, 270NW, 271NW, 282, 283, 373NW, 380NW, 397.
Computing and New Media Technologies 376. Dance 352.
First Year Seminar 153, 162.

Humanities Area 2: Literature:
Comparative Literature 101, 102, 317, 350.
First Year Seminar 154, 155.

Humanities Area 3: Philosophy, religious studies, and political theory.
Political Science 270, 391, 393, 394, 395.
Religious Studies 100NW, 101, 105NW, 107NW, 202, 301, 302, 303, 304, 311MNS, 316NW or MNS, 321, 325, 330, 333NW, 340NW, 341NW.

Humanities Area 4: Civilization, area studies, and interdisciplinary courses:
First Year Seminar 163.

Foreign Language 381.
French 481.
German 481.
History 348NW, 367, 370NW, 396.
International Studies 381.
Peace Studies 200.
Russian 381.
Spanish 481, 482MNS, 483NW.
Women’s and Gender Studies 300, 320MNS.

C. Social Science. 6-9 credits required, from two or more social science disciplines, with a minimum of 6 credits in category (1) and up to 3 additional credits from courses in category (1) or category (2). Note that you may not count both Human Development 261 and Psychology 260 toward the social science requirement. You may not earn credit in both Political Science 101 and 201.

Social Science Category 1

Anthropology 101NW, 105, 110NW, 125NW, 315NW, 320NW, 325, 335NW, 338NW, 339NW, 345NW, 380NW.
Economics 110, 111.
First Year Seminar 150.
Geography 110NW, 113NW, 120NW, 211, 226, 300NW, 302NW, 325NW, 327NW, 328, 366, 368NW, 369, 373, 374.
Political Science 101, 160NW, 180, 201, 202MNS, 212, 242, 250, 315MNS, 341, 361, 362NW, 370NW, 371NW.
Psychology 110, 240, 260, 320, 330.
Sociology 101MNS, 102MNS, 224, 225, 230, 240, 270MNS, 300, 310, 327, 360EL, 370NW.

Social Science Category 2

Clinical Lab Science 105.
Communication 240, 280.
First Year Seminar 151.

Geography 342.
Human Development 166, 261, 265, 367.
Natural Resources 150EL, 372.
Political Science 306.
Sociology 308, 355EL, 366, 368.
Women’s and Gender Studies 105MNS, 301.

4. Environmental Literacy. 3 credits. Choose one:
Anthropology 350.
Art 335.
Chemistry 100.
Clinical Lab Science 395.
Communication 324.
Economics 342.
English 392.
First Year Seminar 155, 161.
Food and Nutrition 357.
Forestry 392NW.
Geography 100, 329, 371.
History 204NW, 280, 304, 342NW, 392NW.
Human Development 381, 386.
Interior Architecture 130, 315.
Natural Resources 150, 220NW, 324, 370, 406NW, 407.
Paper Science and Engineering 103.
Philosophy 380.
Physics 100.
Political Science 304, 305.
Psychology 321.
Safety and Health Protection 330.
Sociology 355, 360.
Water 220NW, 324.

5. Wellness. 3 credits required.
A. Take 1 or 2 credits in aerobics/activity (AA) from the following:
Military Science and Leadership 111, 121, 153, 154.
Physical Education 150.
Wellness 100 to 299. To see which courses are offered as A/A for a particular semester, check the online timetable (https://mypoint.uwsp.edu/regrec/regrec046/regrec046.aspx), select a term, and under "Type", select "GDR-Wellness-AA."

B. Take 1 or 2 credits in health enhancement (HE) from the following:
Food and Nutrition 151.
Health Education 140, 280, 390.
Health Promotion/Wellness 102, 103, 106, 107, 142, 143, 148, 149, 206, 207, 208, 248, 299.
Psychology 255, 290.
Wellness 100 to 299. To see which courses are offered as HE for a particular semester, check the online timetable (https://mypoint.uwsp.edu/regrec/regrec046/regrec046.aspx), select a term, and under “Type”, select “GDR-Wellness-HE.”

6. Minimum Credits for Graduation. To graduate, you must earn at least 120 credits (30 credits in residence at UWSP), which include the general requirements for your degree and the requirements for at least one major. You may need to take some elective credits. Some majors may require more than 120 credits. Read the section of this catalog entitled Courses of Instruction to find out how many credits your major requires.

7. Forty Credit Rule. To graduate, you must earn at least 40 credits in courses numbered 300 or above.

8. Graduation Application and Approval. Apply online for graduation at http://www.uwsp.edu/regrec/gradinfo.aspx at least one full semester prior to the term in which you will complete your degree. We will grant you a bachelor's degree only if you complete the general degree requirements and at least one major (and one minor if applicable) approved for your degree area.

Be sure to check the online timetable for the most up-to-date list of general degree requirement offerings (https://mypoint.uwsp.edu/regrec/regrec046/regrec046.aspx). From there, select a term.
Here are the general requirements for the associate degree. Be sure to tell your adviser while you are working toward your associate degree if you may eventually wish to go on for your bachelor's degree after completing your AD. Your adviser can help you select elective credits which are among the general degree requirements for the bachelor's degree. The following 60 credits are required:

1. **English**, 3-6 credits: English 101 and 102, or 150 through placement.
2. **Communication**, 2 credits: Communication 101 or equivalent.
3. **History, Humanities, Mathematics, Natural Science, and Social Science**: Earn a minimum of 40 credits from the following. Include at least one two-semester course sequence and one course taught from primary texts.
   - **Mathematics and Natural Science**: 12-16 credits.
     1) **Mathematics**: Minimum of 2 credits from the following courses: Mathematics 100, 109, 111, 118, 338, 355. (NOTE: Math 100 is a prerequisite to 109, 111, 118, 338 and 355 and will apply to all degrees.)
     2) **Natural Science**: Minimum of 8 credits, two disciplines and at least one laboratory course. Look in this catalog under the specific natural science department to determine what sequence of courses to take and what restrictions apply for taking more than one course in a discipline.
        - Astronomy 100, 205, 206.
        - Biology 100 or 101, 103, 160, 285.
        - Chemistry 100EL or 101, 105, 106, 114, 115, 116, 117.
        - First Year Seminar 152 (no lab).
        - Geography 100EL, 101, 340 (no lab), 350.
        - Geology 100, 104.
        - Physics 100EL or 101, 115, 150, 203, 204, 250.
   - **History**, minimum of 3 credits from First Year Seminar 156, 157, 161, 163; History 101NW, 102NW, 176, 177, 203, 204NWEL, 206NW, 214, 216NW, 217NW, 232NW, 233NW, 240NW, 241NW, 248NW, 249NW, 256, 257, 280EL, 284MNS, 285MNS, 288MNS, 289MNS, 290MNS, 291MNS, 292MNS, 372NW, 373NW.
   - **Humanities**, 9-15 credits. Select courses from at least two of the following areas, but no more than 6 credits in the fine arts (art, communication, dance, theatre, and music in Area 1) or more than 3 credits of history from Area 4.
     1) **Humanities Area 1**: History and appreciation of art, communication, dance, theatre, and music:
        - Art 181NW, 270NW, 271NW, 282, 283, 373NW, 380NW, 397.
        - Computing and New Media Technologies 376.
        - Dance 352.
        - First Year Seminar 153, 162.
     2) **Humanities Area 2**: Literature:
        - Comparative Literature 101, 102, 317, 350.
        - First Year Seminar 154, 155.
        - French 340.
        - German 340.
        - Russian 360, 370.
        - Spanish 340.
     3) **Humanities Area 3**: Philosophy, political theory, and religious studies:
        - First Year Seminar 159.
        - Philosophy 100, 101, 105NW, 121, 230NW, 270, 301, 302, 305, 306, 307, 315, 320, 325, 326, 327, 336, 380EL, 381NWMNS.
        - Political Science 270, 391, 393, 394, 395.
        - Religious Studies 100NW, 101, 105NW, 107NW, 202, 301, 302, 303, 304, 311MNS, 316NW or MNS, 321, 325, 330, 333NW, 340NW, 341NW, 342.
     4) **Humanities Area 4**: Civilization, area studies, and interdisciplinary courses:
        - First Year Seminar 163.
        - Foreign Language 381.
        - French 481.
        - German 481.
        - History 348NW, 367, 370NW, 396.
        - International Studies 381.
        - Peace Studies 200.
        - Russian 381.
        - Spanish 481, 482MNS, 483NW.
        - Women's and Gender Studies 300, 320MNS.
   - **Social Science**, 9-15 credits. Select courses from two or more social science disciplines, with a minimum of 6 credits from courses in Category 1. You may not count both Human Development 261 and Psychology 260 toward the social science requirement.
     1) **Social Science Category 1**:
        - Anthropology 101NW, 105, 110NW, 125NW, 315NW, 320NW, 325, 335NW, 338NW, 339NW, 345NW, 380NW.
        - Economics 110, 111.
        - First Year Seminar 150.
        - Geography 110NW, 113NW, 120NW, 211, 226, 300NW, 302NW, 325NW, 327NW, 328, 366, 368NW, 369, 373, 374.
        - Political Science 101, 160NW, 180, 201, 202MNS, 212, 242, 250, 315MNS, 341, 361, 362NW, 370NW, 371NW.
        - Psychology 110, 240, 260, 320, 330.
        - Sociology 101MNS, 102MNS, 224, 225, 230, 240, 270MNS, 300, 310, 327, 360EL, 370NW.
A. Earn a minimum of 15 credits from UWSP.
   1) Foreign Language: 8 credits or test out.
   2) Natural Science: At least one lab course in each of two disciplines.
   3) History: 6 credits total.
   4) Humanities: You need at least one course in each of humanities areas 1, 2, and 3, as defined in the BA general degree requirements section of this catalog.
   5) Minority Studies: One course.
   6) Environmental Literacy: 3 credits.
   7) Writing Emphasis: 6 credits.
   8) Non-Western Culture: One course.
   9) Earn at least 40 credits in courses numbered 300 and above.
   10) Wellness (physical education): Total of 3 credits (1 or 2 of aerobic activity and 1 or 2 of health enhancement).
   11) Earn a total of 120 credits. Some majors require more.
   12) An approved major.

B. For the bachelor of science (BS) degree, you need:
   1) Mathematics: 4 credits in addition to Mathematics 100. (NOTE: Math 100 is a prerequisite to 109, 111, 118, 338, and 355 and will apply to all degrees.) See course list in the BS general degree requirements section of this catalog.
   2) Natural Science: At least 12 credits with no more than one course numbered 100, and at least one laboratory course in each of two disciplines.
   3) Minority Studies: One course.
   4) Environmental Literacy: 3 credits.
   5) Writing Emphasis: 6 credits.
   6) Non-Western Culture: One course.
   7) Earn at least 40 credits in courses numbered 300 and above.
   8) Wellness (physical education): Total of 3 credits (1 or 2 of aerobic activity and 1 or 2 of health enhancement).
   9) Earn a total of 120 credits. Some majors require more.
   10) An approved major.
   11) Earn a total of 120 credits. Some majors require more.
   12) An approved major.

C. For the bachelor of music/bachelor of fine arts (BM/BFA) degree, you need:
   1) Mathematics OR Foreign Language: Choose one according to description in the BM/BFA general degree requirements section of this catalog. (NOTE: Math 100 is a prerequisite to 109, 111, 118, 338, and 355 and will apply to all degrees.)
   2) Natural Science: At least one lab course in each of two disciplines.
   3) History: 6 credits total.
   4) Humanities: You need at least one course in each of humanities areas 1, 2, and 3, as defined in the BM/BFA general degree requirements section of this catalog.
   5) Minority Studies: One course.
   6) Environmental Literacy: 3 credits.
   7) Writing Emphasis: 6 credits.
   8) Non-Western Culture: One course.
   9) Earn at least 40 credits in courses numbered 300 and above.
   10) Wellness (physical education): Total of 3 credits (1 or 2 of aerobic activity and 1 or 2 of health enhancement).
   11) Earn a total of 120 credits. Some majors require more.
   12) An approved major.

4. Wellness: 2 credits.
   A. Aerobics/Activity:
      Military Science and Leadership 111, 121, 153, 154.
      Physical Education 150.
      Wellness 100 to 299. To see which courses are offered as A/A for a particular semester, check the online timetable (https://mypoint.uwsp.edu/regrec/regrec046/regrec046.aspx), select a term, and under “Type”, select “GDR-Wellness-AA.”
   B. Health Enhancement:
      Food and Nutrition 151.
      Health Education 140, 280, 390.
      Health Promotion/Wellness 102, 103, 106, 107, 142, 143, 148, 149, 206, 207, 208, 248, 299.
      Psychology 255, 290.
      Wellness 100 to 299. To see which courses are offered as HE for a particular semester, check the online timetable (https://mypoint.uwsp.edu/regrec/regrec046/regrec046.aspx), select a term, and under “Type”, select “GDR-Wellness-HE.”

5. Additional approved courses to total 60 credits.
   A. Earn a minimum of 15 credits from UWSP.
   B. Earn a 2.00 or better grade point average at UWSP.
   C. Earn a 2.00 or better grade point average overall (includes UWSP and transfer credits).

6. If, after you complete the associate degree, you wish to pursue a bachelor's degree here at UW-Stevens Point, you must choose among the bachelor's degrees offered here. Whichever you choose, you will need to complete additional university requirements in order to earn that degree.
   A. For the bachelor of arts (BA) degree, you need:
      1) Foreign Language: 8 credits or test out.
      2) Natural Science: At least one lab course in each of two disciplines.
      3) History: 6 credits from a two-semester sequence, as defined in the BA general degree requirements section of this catalog.
      4) Humanities: You need at least one course in each of humanities areas 1, 2, and 3, as defined in the BA general degree requirements section of this catalog.
      5) Minority Studies: One course.
      6) Environmental Literacy: 3 credits.
      7) Writing Emphasis: 6 credits.
      8) Non-Western Culture: One course.
      9) Earn at least 40 credits in courses numbered 300 and above.
      10) Wellness (physical education): Total of 3 credits (1 or 2 of aerobic activity and 1 or 2 of health enhancement).
      11) Earn a total of 120 credits. Some majors require more.
      12) An approved major.

7. If you wish to pursue a bachelor's degree at another UW System institution, you must complete the requirements of that particular institution. Your associate degree meets one part of the general degree requirements of any UW campus, but only one part. Individual campuses establish what are called competency requirements, usually in English, mathematics, and a foreign language. Your associate degree does NOT meet those competency requirements.

Academic Bankruptcy
If you have been suspended for academic reasons and have remained out of school for one or more semesters, you will have the option of electing academic bankruptcy upon readmission to the university. Academic bankruptcy is the opportunity to start over with a new cumulative grade point average. We do, however, keep all of the work you have done at UW-Stevens Point on your official record.

If you apply for academic bankruptcy, we:
- Apply toward graduation those courses in which you earned a D or better.
- Apply toward your prerequisites and general degree requirements, but not necessarily toward your major or minor, those courses in which you earned a D or better.
- Determine your cumulative grade point average from the courses you take after being readmitted, except in determining graduation honors in which case we include all the grades you earned at UWSP and other institutions in calculating your cumulative grade point average.

In order to graduate after electing academic bankruptcy, you must earn a minimum of 30 credits and an overall grade point average of 2.00 or better in all work completed at UWSP (including grades earned at UWSP before and after academic bankruptcy). You may exercise this option only once in your academic career.

Also realize that if you select the academic bankruptcy option, but have not maintained satisfactory academic progress, you will not be eligible for financial aid. Academic bankruptcy does not adjust your academic progress standing. See Satisfactory Academic Progress later in this section.

UWSP academic departments may disregard a declaration of academic bankruptcy in calculating your grade point average to determine your eligibility for admission to and/or graduation from their programs. Graduate programs and other universities may also disregard a declaration of academic bankruptcy in determining your eligibility for admission purposes.

If you are receiving GI Bill benefits, consult the campus Veterans Administration representative in the Registration and Records Office, 101 SSC, before electing this option. If you take it, you may have to repay the VA for past benefits you have received. For more information, see http://www.uwsp.edu/regrec/veterans.

ACADEMIC CLASSIFICATION
See Classification.

ACADEMIC PROGRESS
See Satisfactory Academic Progress.

Academic Requirements
Your adviser and others at UW-Stevens Point are happy to help you plan your academic program. However, you are responsible for following UW-Stevens Point's regulations and successfully completing all your academic requirements.

In general, you are required to complete the academic requirements current at the time you first enroll. However, you may choose to complete a more recent set of general degree requirements by declaring your intent to the Registration and Records Office, 101 SSC. You may also choose to complete a more recent set of requirements in one or more of your majors and minors with the approval of the chair of the department. If you choose to meet the more recent set of major/ minor requirements, you do not have to choose the more recent set of general degree requirements.

Here are some special situations:
1. If an external agency changes the requirements, meet the new requirements. For example, if the Department of Public Instruction changes the requirements for teacher certification, fulfill the new requirements.
2. If you re-enter UW-Stevens Point after being gone for two or more semesters, meet the requirements current when you re-enter. Note that if you enroll and then withdraw within the first two weeks of the semester, you are considered as not enrolled for that semester.
   a. If you have earned more than two-thirds of the credits toward your general degree requirements by the time you re-enter (not counting electives and courses toward your major/ minor), you may ask to complete the degree requirements current when you first registered. Your dean approves such a request.
   b. If you have completed more than half of the credits to fulfill your major/ minor requirements by the time you re-enter, you may ask to complete the major/ minor requirements current when you first registered. The chair of your department approves such a request.
3. If you transfer from another UW System institution, this policy applies in the same manner as if you had originally enrolled at UW-Stevens Point.

Academic Standing
If your current cumulative and semester grade point average is 2.00 (C) or above, you are in good academic standing.

ADDING A COURSE
See Drop/Add/Withdrawal Procedures.

Advisers
Each UWSP student has an academic adviser. Once you are accepted into a major, the chair of your major department assigns you to an adviser. If you have more than one major you should have an adviser for each program.

Your adviser will inform you of academic requirements, policies, and procedures; assist you in identifying and pursuing your educational and career goals; review and monitor your progress toward those goals; and make appropriate referrals to campus programs and services.
Ultimately however, it is your responsibility to meet all university requirements, rules, and regulations. You must meet with your adviser each semester to discuss your course of study. Your adviser must also approve and electronically authorize your course choices for the upcoming semester so that you can register for classes.

College of Natural Resources majors: If you are a freshman or sophomore in the College of Natural Resources majoring in a subject other than paper science, the CNR advising and recruitment coordinator is your adviser.

Undecided/Undeclared/Dropped from Major/Exploring Options: If you have not yet declared a major, or are in one of the situations below, go to the Student Academic Advising Center (SAAC), Room 103, Student Services Center to be assigned an adviser. SAAC advisers can help you in the development of your educational plans, in the decision-making process for selecting a major, and in the clarification of the relationship between educational plans and career goals. SAAC advisers also assist you in examining major alternatives if you
- are unable to gain entrance into your preferred major due to enrollment management policies;
- are struggling to reach or maintain the academic standards set by your desired major (for example: not meeting GPA, performance or portfolio standards);
- elect to leave a major and need help in exploring your options. See Undecided/Undeclared section later in this catalog.

Assessment
As part of our continuing effort to improve curriculum and the delivery of instruction, UWSP assesses its graduating seniors both within their majors and in their general education. Students are expected to participate in this assessment process.

Athletics
Team athletics at UWSP are affiliated with the National Collegiate Athletic Association (NCAA) Division III. Men’s sports include football, cross country, wrestling, ice hockey, basketball, swimming and diving, track and field, and baseball. Women’s sports include soccer, cross country, ice hockey, volleyball, basketball, swimming and diving, tennis, track and field, softball, and golf. Men’s and women’s sports participate in the Wisconsin Intercollegiate Athletic Conference (WIAC) with hockey also participating in the Northern Collegiate Hockey Association (NCHA). For more information call 715-346-3888 or visit the Athletics Department website at http://athletics.uwsp.edu.

Attendance
Attend all your classes regularly. We do not have a system of permitted “cuts.”

If you enroll in a course and cannot begin attending until after classes have already started, you must first get permission from the department offering the course. Otherwise, you may be required to drop the course.

Your instructors will explain their specific attendance policies to you at the beginning of each course. Be sure to follow them. If you must be absent, tell your instructor why. If you can’t reach your instructors in an emergency, visit the Student Academic Advising Center, Room 103, SSC, or call them at 715-346-3361. If you don’t make satisfactory arrangements with your instructors regarding excessive absences, your dean may dismiss you. If you are dismissed from a course, you receive an F in that course. If you are dismissed from the university, you receive an F in all courses you are taking.

If you take part in an off-campus trip by an authorized university group such as an athletic team, musical or dramatic organization, or a class, make appropriate arrangements in advance with the instructor of each class you will miss.

If you are absent from classes because of emergencies, off-campus trips, illness, or the like, your instructors will give you a reasonable amount of help in making up the work you have missed.

Auditing
“Auditing” means you attend class regularly without having to take exams, do laboratory work, participate in class discussions, or do any other classwork except listen. You may audit as many courses as you wish, up to five credits beyond the normal maximum study load. (See Study Loads.) You receive no academic credit for auditing a course, but you may take the course again for credit.

To audit a course:
1. Receive the instructor’s permission, and be sure that there is enough space in the class.
2. Register for the course as you would for any course.
3. Between the first and eighth day of class, fill out an audit form at the Registration and Records Office, 101 SSC, and have it signed by both the instructor and the department chair.
4. Attend classes regularly, just as you would a credit course. (See Attendance.)
5. Follow all university regulations, just as you would if you were attending a course for credit.
6. If you meet these conditions, your student record will show “audit” for the course.

Note that you may not change a course from “audit” to “credit” or change it from “credit” to “audit” after the eighth day of classes. After auditing a course, you may seek credit by examination for some courses if you are enrolled at UW-Stevens Point at the time of the examination and pay the examination fee.

Fees for audited courses are as follows:
- If you are a Wisconsin resident enrolled only for audit, you will be assessed 30 percent of the normal academic fees for a resident.
- If you are a nonresident enrolled only for audit, you will be assessed 50 percent of the normal academic fees for a nonresident.
- If you are enrolled for credit and audit, you will be assessed 100 percent of the normal academic fees for your residency.
- You will not be assessed segregated fees if you are only enrolled for audit, but you may only have access to those university facilities normally available to the general public such as the library and student union.
- You will be assessed any special fees for course instruction, if there are any.
- The general policy for refund of academic fees applies.
- Audited courses do NOT count toward credit load for financial aid purposes.
- Wisconsin residents at least 60 years of age may audit classes free of charge provided there is space...
available in the class and the instructor approves. Those who qualify may register on or after the first day of the term. Proof of age and residence will be requested. Stop in the Registration and Records Office, 101 SSC, or call 715-346-3909 for information and/or registration materials.

- Disabled Wisconsin residents who present evidence of receiving federal old age survivors and disability insurance benefits (OASDI) under 42 USC 401-403 and who are enrolled exclusively for audit throughout the term are not assessed fees.

Career Services
If you would like to know more about choosing a major or how the major you have chosen might relate to employment following graduation, the Career Services Office can help. They also help you find intern opportunities, career employment following graduation, and assist with identifying/applying to graduate or professional school. Information on their services and follow-up studies of recent graduates are available on their website at http://www.uwsp.edu/career. For assistance, stop by their office in Room 134 Old Main, call 715-346-3226, or e-mail career@uwsp.edu.

Certificate Programs
Certificate programs are groupings of courses that are usually interdisciplinary and are different from any specific UWSP major or minor. Certificate programs are recognized by various professional organizations and industries. They are designed to enhance your career goals and/or eligibility for membership in some professional organizations. Contact your adviser, UWSP Continuing Education, or the appropriate academic department for more details.

Classification/Year in School
You may determine your year in school by totaling the number of credits you have earned toward your degree. Include your credits-by-exam as well as any credits you transferred from other institutions. Do not count credit earned in courses numbered 001-099.

Collaborative Degree Program
University of Wisconsin Colleges in Wausau, Marshfield, Fond du Lac, Fox Valley, and Marinette have joined with UWStevens Point to offer a bachelor’s degree with majors in business administration, general studies and Web and digital media development. Students can attend evening classes on any of the participating campuses. A combination of distance learning technologies and face-to-face instruction is used to offer upper level courses. Advisers are available on each campus. You must have accumulated 30 freshman and sophomore credits at an accredited college or university in order to enter the program. For more information call 715-295-8900 or see http://www.uwsp.edu/cdp.

CONTINUING EDUCATION
See UWSP Continuing Education later in this section.

CORRESPONDENCE COURSES
See Online, Distance, or Independent Learning Courses later in this section.

Course Waivers and Substitutions
The requirements for degrees, majors and certificates represent the faculty’s judgment of the minimum standards for knowledge and skills that you must meet in that academic field. On occasion, a waiver or substitution for a requirement may be appropriate under particular conditions unique to a specific student.

If you believe that your situation may warrant a waiver or substitution, you should first contact your academic adviser. Ultimately, all waivers and/or substitutions of major or minor requirements must be approved by the chair/head of your major/minor department.

To request a waiver and/or substitution for a general degree requirement (GDR), submit a request to the dean, or designee, of the college of your major. Waivers and/or substitutions may be granted only with adequate cause and if they are consistent with UWSP GDR guidelines.

Credits/Semester Hours
We use the semester hour/credit to compute your study load. Each semester hour represents 50 minutes of class work, or its equivalent in other forms of instruction, per week for one semester. We consider two, or sometimes three, hours of laboratory work the equivalent of one hour of class work. If you complete one semester hour’s work with a grade of D or better, you earn one credit.

DEAN’S LIST
See Honors, later in this section.

Degree Progress Report
A Degree Progress Report (DPR) is an advising tool that evaluates your progress toward meeting your graduation requirements at UWSP. Access to this document is available to both students and academic advisers through myPoint. The DPR is for internal use, and for information purposes only. It in no way substitutes for regular meetings and guidance from your academic adviser.

A DPR provides detailed information on how completed courses at UWSP and/or other institutions are applied towards degree requirements at UWSP and identifies any requirements that remain incomplete. The DPR also includes a major GPA, a UWSP GPA, and an overall GPA comprising of both UWSP and transfer course credits. For information on how repeated courses grades are calculated and reported, see the Repeating Courses policy.

Every attempt has been made to keep your degree and program requirements up to date. If you have questions or detect discrepancies on the report, please direct questions or concerns as follows:

- Major/Minor - if the question or concern is related to your major/minor, please consult with your adviser or the Chair of the Department of that major/minor.
- GDR – if the question or concern is related to the general degree requirements, please consult with your adviser or e-mail the Registrar’s Office at regrec@uwsp.edu.

NOTE: The DPR is not a transcript. A transcript is an official, certified copy of your academic records that shows a complete history of all courses attempted at UWSP, including grades received, academic standing, degrees earned, majors, minors, and certificates. A transcript
reports courses in semester order and your semester and cumulative grade point averages (GPA’s) are shown after each term. Unlike the DPR, courses repeated at another institution will not replace a grade on your UWSP transcript or be used to recalculate the cumulative grade point average on your transcript. For more information on how repeated course grades are calculated and reported, see the Repeating Courses policy.

Drop/ Add/ Withdrawal Procedures

Dropping and adding courses.
You are expected to complete the courses for which you register. If you decide you do not want to take a course, you MUST follow the procedures established by the Registration and Records Office to OFFICIALLY DROP the course. If you never attend or stop attending a course and fail to officially drop, you will receive an F in the course at end of the semester.

Students are expected to attend the first meeting of class, or have permission from the instructor or chair of the department to be absent. Those who do not attend the first two days of class may be required to drop if there are others who wish to add the course. It is the student’s responsibility to officially drop the course through the Records Office or on the web.

Adds/ Drops DURING first eight days of the semester.
You are permitted unlimited adds and drops during the first eight (8) days of the semester. Courses dropped during the first eight days will not appear on your transcript.

Adds/ Drops AFTER the eighth day of the semester.
You may not ADD a class after the eighth day except for extenuating circumstances and only when approved by the department chair, instructor, and your adviser. You may DROP a course after the eighth day and through the tenth week of the semester, after obtaining written authorization from the instructor, your adviser, and in some cases, the department chair of the course(s). You may not drop a course after the tenth week except for extenuating circumstances such as serious illness, personal duress, or factors beyond your control. Requests to drop after the deadline must be directed to the Student Academic Advising Center, 103 SSC. If you are permitted to drop after the tenth week, grades of W will be assigned to your courses. Courses that end before you withdraw are an exception. You will receive grades for courses completed prior to your withdrawal.

Grades of W received due to withdrawing from school are NOT counted in the four W drop limit addressed above under “Adds/ Drops After the Eighth Day of the Semester.” However, W grades from courses dropped PRIOR to withdrawing from school ARE counted toward the four W drop limit.

Repeated occurrences of W may affect your ability to maintain standards of academic progress and may jeopardize your financial aid eligibility. See Satisfactory Academic Progress later in this section of the catalog to determine the effect of courses not successfully completed.

If you stop attending school and do not officially withdraw, you will receive an F for those courses in which you are still registered. Withdrawal deadlines are prorated for courses that meet less than the full term.

Dropped from Major

If you have been dropped from your major due to enrollment management policies or because you cannot reach or maintain the academic standards set by your desired major, you may either declare a different major or meet with the staff in the Student Academic Advising Center, Room 103 SSC, 715-346-3361. SAAC staff can assist you in examining major alternatives, in developing of your educational plans, in the decision-making process for selecting a major, and in the clarification of the relationship between educational plans and career goals.

Employment Statistics

See Career Services earlier in this section.

Finals

No final or last exam will be given during the final week of classes. All instructors must meet with their classes during the final examination period at the time and place scheduled.

There is no final exam period scheduled on campus for courses taught 100% distance learning, courses for which no campus visit is required at any time. Instructors of partial distance learning courses, courses of which 75% or more delivered via distance learning and have at least one required campus visit, may at their own discretion determine if a final examination meeting on campus is warranted. An instructor may change the time or place of a final exam only with the approval of the appropriate dean.

If, due to illness or an emergency, an instructor is unable to give a scheduled examination, the instructor notifies the
department chair and the dean and provides a make-up examination. If the university must declare an official emergency during the final examination period, the exams that are postponed will be rescheduled on the next available date, after the exam period has ended, as determined by the Chancellor or his/her designee. Rescheduled exams due to a university emergency will be held in the same rooms and at the same times as their originally scheduled date.

If you have three or more examinations on the same day, or if you have other problems with the examination schedule, you may request that your instructors change the schedule for you.

**Grade Review**

If an instructor does not give you, by the end of the second week of class, a written statement of how grades are determined, or if you feel that your instructor does not assign grades as described on that written statement, you may appeal the grade you receive in the course.

First talk with your instructor about your concerns. If, after doing so, you are not satisfied, write a statement of the problem and request that your grade be reviewed. Send this to the coordinator for grade review in the Provost/Vice Chancellor for Academic Affairs Office, Room 202 Old Main. You may submit this appeal up until the end of the fourth week of classes in the following semester.

After the coordinator receives your request, the following things take place:

1. You meet with the coordinator and discuss your grounds for appeal, the appeal process, and the options available to the Grade Review Subcommittee if the appeal is sustained.
2. The coordinator gives a copy of your appeal to your instructor and asks the instructor to respond to it in writing within 20 working days.
3. After 20 working days, the coordinator evaluates the allegations and determines if your appeal is valid.
4. Then, if the coordinator concludes that a grade change may be warranted, or if the instructor has failed to respond in writing, the coordinator gives the Grade Review Subcommittee of the Academic Affairs Committee all relevant information and directs the members of the committee to investigate your allegations and determine whether they are valid.

The subcommittee usually reaches a decision by the end of the semester in which you make the appeal. If, however, one of the parties is not on campus that semester, it may take longer.

If the subcommittee or the instructor determines that special academic expertise is needed, the subcommittee solicits an independent evaluation in writing from three impartial experts appointed by the chair of the instructor's department in consultation with the instructor and the subcommittee chair. The subcommittee accepts the evaluation and recommendations of the impartial experts on matters of academic content whenever it asks for them. After investigating your grievance, the subcommittee will inform both you and your instructor of its decision in writing. If it finds that a change of grade is warranted, it will also recommend to your instructor the appropriate grade change. If your instructor refuses to make the recommended grade change within 10 school days after being notified, the subcommittee will do one or more of the following to protect your interests:

1. Attach to your permanent record and transcript a statement of the recommended change of grade and the reasons your instructor did not change the grade.
2. Exempt the challenged grade from being included in your grade point average, unless you want the grade to be included.
3. Authorize your graduation minus the credit hours represented by the challenged grade, if that grade was F.

**Grades**

For every course you take, you receive a letter grade.

<table>

</tbody>
</table>

To determine your grade point average (GPA):

1. Multiply the number of semester hours for each course you have taken times the point value of the grade you have received in each course.
2. Add the products for all your courses.
3. Divide this sum by the number of semester hours you have taken excluding P and I grades.

We use your GPA to determine whether you are eligible for honors; for admission to certain majors, colleges, and curricula; and for determining your eligibility for membership in those campus organizations for which scholastic achievement is a criterion.

You may see and print your grades for each term by accessing the website: https://mypoint.uwsp.edu/regrec/regrec002. Enter your username and password and then choose the term you wish to see. Besides the grades listed above, you may also receive the following designations on your grade reports, none of which carry a point value:

- AU Audit.
- CE Credit by exam.
- DR Dropped.
- EX Experiential learning.
- I Your work in a course is incomplete, and you have obtained your instructor's permission to complete the course. (See Incompletes later in this section.)
- GP Graduate progress.
- IP Course in progress.
- MC Credit for military experience.
- NC No credit.
- NR Grade not reported.
- P You passed a pass/fail course and received credit for it. If you fail such a course you receive an F and earn no credit. (See Pass/Fail Grading later in this section.)
- RC Retroactive credit.
- S You satisfactorily completed a noncredit course.
- TO Exemption/test out.
- W You withdrew from a course after the end of the eighth day of classes. If you drop a course before then, the course does not appear on your record.
- WW Waiver.

If you voluntarily stop attending a class at any time without completing the prescribed change of program procedure, you are considered as still registered, and you receive an F in the course at the end of the semester.
Graduation

If you are an undergraduate, apply for graduation at least one full semester prior to the term in which you will complete your degree. You can apply for graduation online at: https://mypoint.uwsp.edu/regrec/regrec068/Default.aspx. It is your responsibility to make sure your majors and minors are declared in the departments of each program prior to applying for graduation. For additional information on graduation, go to http://www.uwsp.edu/regrec/gradinfo.aspx.

To be eligible for the bachelor's degree, you must:

- Complete all the general requirements for your degree.
- Earn a cumulative grade point average of 2.00 in all courses attempted at UW-Stevens Point.
- Earn a minimum 2.00 GPA in all courses required for a major, except in those programs requiring a higher GPA, and complete all the requirements for the major. In some programs, you must also complete an approved minor.
- Earn a cumulative GPA of 2.00 overall (includes both UWSP and transfer credits).
- Earn at least 120 credits, which include the general requirements for your degree and the requirements for at least one major. You may need to take some elective credits. Some majors require more than 120 credits.
- Earn at least 40 credits in courses numbered 300 or above.
- Earn at least 30 of your total required credits in courses taken at UWSP. Credits earned through experience, advanced placement, or examination programs do not apply.

If you are a graduate student, follow the instructions listed in the Graduate section of this catalog.

Graduation, Four-Year Agreement

If your academic goal is to complete a baccalaureate degree with one major in four years, you may decide to participate in UWSP’s Four-Year Graduation Agreement. Under this agreement, you will work closely with experienced academic advisers to select the appropriate course sequences which will ensure timely completion of your degree requirements. For this agreement, the four-year period begins with the start of the term or summer session in which you first enroll and ends 48 months later.

The four-year program has many advantages, including entering the work force or pursuing graduate education as quickly as possible, and avoiding unnecessary undergraduate expenses. However, the program is not for everyone. It might preclude you from obtaining a high credit major that has strict course sequencing, changing majors, extensive extracurricular involvement, internships, or study abroad. For more information, please check with your adviser as soon as you begin coursework at UWSP.

Honors

Graduation Honors

You may receive undergraduate graduation honors on the basis of your grade point average for all the courses you have attempted, including college level work you attempted elsewhere and any courses taken at UWSP before the declaration of academic bankruptcy. In the commencement ceremony you are recognized on the basis of the work which you complete before your final term. On your transcript, you are recognized on the basis of all the work you have done, including your final term.

Summa cum laude is awarded for a grade point average of 3.90 or above. Magna cum laude is awarded for a grade point average of 3.75 to 3.89. Cum laude is awarded for a grade point average of 3.50 to 3.74.

If you are eligible to wear an honors cord at the commencement ceremony, it will be issued to you when caps and gowns are distributed at the University Store. If you have earned summa cum laude honors, you will have the distinction of having your name announced at the commencement ceremony.

Semester Honors-Dean's List

UW-Stevens Point faculty have established semester honors as part of their program to recognize undergraduate students for outstanding academic achievement. To be eligible for semester honors, complete at least 12 semester hours of work with passing grades.

Semester highest honors are awarded for a grade point average of 3.90 or above; high honors are awarded for a grade point average of 3.75 to 3.89; and honors are awarded for a grade point average of 3.50 to 3.74. Semester honors are printed on your transcript.

You will receive an honors certificate and be placed on the dean’s list in the Colleges of Fine Arts and Communication, Letters and Science, and Professional Studies when you earn a semester grade point average of above 3.75. The College of Natural Resources awards dean's list certificates to undergraduate students in their college who earn a grade point average of 3.5 or above.

In addition to these honors all undergraduate students who obtain a semester grade point average of 3.9 or above receive an honors certificate from the Vice Chancellor for Academic Affairs.

Department Honors Program

Some departments provide departmental honors programs which involve 9 credits of work or more. Contact individual departments for further information on their programs.

Incompletes

If you are unable to complete your work in a course due to extenuating circumstances or if you need to extend your research or performance beyond the normal limits of a term, you may ask the instructor for an “incomplete” in the course. An “incomplete” should be reserved for the completion of a definable amount of work (for example, one term paper or one exam) that occurs near the end of the semester. An “incomplete” normally will not be used for making up in-class work; therefore do not expect to sit in the class in a subsequent semester. If your request for an “incomplete” is approved, the instructor will inform you and the department chair of the work you need to complete and the due date.

You will have until the end of the next semester (excluding summer session) to complete the work unless your instructor gives you an earlier deadline. Failure to complete the work prior to the appropriate deadline will result in a grade of F. If, for reasons beyond your control, you are unable to make up the “incomplete” by the deadline, you may ask the instructor and department chair to extend this time limit one time. However, any further
extension of time will require the approval of the dean of the college.

DO NOT register for a course in which you received an “incomplete.” If you do, the incomplete will be changed to an F. Instead, arrange with your instructor to complete the work remaining in the course. When you have completed the work satisfactorily, your instructor will report the removal of the “incomplete” to the Registration and Records Office who will notify you that your record has been updated. If you do not receive notification after a reasonable waiting period, you should contact your instructor. Your final grade will not change any prior academic status.

**Interim Sessions**
The university offers a number of short sessions at various times during the year. There is a January “winterim” between the fall and spring semesters, a three-week interim session after the spring semester, and sessions of one to eight weeks in length during the summer. You may complete no more than one credit per week. For further information on interim sessions contact the Registration and Records Office at 715-346-4301 and the UWSP Continuing Education Office at 715-346-3972 or 1-800-898-9472 for classes geared for the older student and for professional development.

**International Programs (IP)**
Eric Yonke, Director
Mark Koepke, Associate Director
Room 108, Collins Classroom Center
Phone: 715-346-2717
FAX: 715-346-3591
E-mail: intprog@uwsp.edu
Web: [http://www.uwsp.edu/studyabroad](http://www.uwsp.edu/studyabroad)

International Programs is the study abroad office on campus. Study abroad can help you complete general education and major program requirements without lengthening your time to degree. Foreign language skills are not a prerequisite for participation in many programs, and you may apply your financial aid money. You can earn 12-17 UWSP credits during a semester abroad and 3 credits during a short-term program.

UWSP currently offers semester programs in Australia, Britain, France, Germany, Hungary, Ireland, New Zealand, Poland, or Spain. Summer, Winterim and spring break programs feature varying locations and themes such as art history in China and Japan, tropical ecology in Costa Rica, and international resource management in Belize/Mexico, business internships in China, theater studies in London, music history in Austria and Germany, and architecture and design in Greece, Italy, and France. Internships are available in London year-round.

We encourage you to plan ahead and apply early. Your academic adviser can help you set up a long term course schedule that will combine study abroad with efficient completion of degree requirements. Most student travelers consider their time spent abroad as the best experience of their college careers. For more information, visit the IP Office, e-mail us, or check out our website.

**Major or Minor Declaration**
The academic departments decide whom they will accept as majors and minors. As soon as you decide on a major and/or minor, go to that department to declare your intent. The department will determine your “status” as a major or minor and enter it into your computer record. Do this for each major and minor you intend to study.

If you have not yet decided on a major, go to the Student Academic Advising Center (SAAC), Room 103 SSC, to be assigned an adviser. SAAC advisers will assist you in the development of your educational plans, in the decision-making process for selecting a major, and in the clarification of the relationship between educational plans and career goals.

It is up to you to be sure that you complete all the requirements for your major and minor. Check regularly with an adviser in each department in which you have majors and minors to make sure you are meeting all of the requirements. You must have a cumulative grade point average of 2.00 in your major(s)/minor(s), including prescribed collateral courses, in order to be eligible for departmental approval to graduate with the major(s)/minor(s), unless the department requires a higher grade point average. To see the current requirements for each major and minor, check the requirements under Courses of Instruction later in this catalog.

If you are seeking teacher certification, you need to earn a 2.50 cumulative grade point average before you student teach. You also need a 2.75 grade point average in your major, minor, concentration, and education courses before you student teach. To be a student teaching intern, you need a 3.00 grade point average in your major, minor, concentration, and education courses.

Your department may discontinue you as a major candidate before you complete two-thirds of the credits required for your major and before you begin your senior year. To do so, they notify you in writing. If you are in good standing as a major during your junior year but do not continue to meet your department’s standards during your senior year, your department may discontinue you then as well.

Your department may also conditionally accept or retain you as a major candidate for your senior year. To do so, at the time they accept you, they notify you in writing of the specific conditions you must meet. If you fail to satisfy these written conditions during your senior year, they may notify you in writing to discontinue you as a candidate.

**Minimum Acceptable Standards**
You are in good academic standing if you have a semester and cumulative grade point average (GPA) of 2.00 (C) or above. With a GPA at or above 2.00 you meet the minimum acceptable standards of UW-Stevens Point, and are not placed on probation.

**Nontraditional Students**
If you have experienced a break in your education or if you are over 24 years of age and now wish to begin your college education, you are a nontraditional student. For more information, contact Non-Traditional Student Services, Room 064, Dreyfus University Center, 715-342-5327. Scholarships for nontraditional students are also available.

**Online, Distance, or Independent Learning Courses**
UWSP offers some online courses through UWSP Continuing Education. See UWSP Continuing Education later in this section or visit their website at [http://www.uwsp.edu/conted](http://www.uwsp.edu/conted). You may earn credits online or through distance or independent learning from other accredited universities and transfer the credits to apply...
may count the credits toward the total number of credits you need for your degree.

There are two exceptions to this rule:
1. You may satisfy your wellness/health enhancement requirements with pass/fail courses.
2. In certain departments you may be permitted to take up to two pass/fail courses in your major and one pass/fail course in your minor. To do this, you will need to fill out a special pass/fail registration form available in Registration and Records Office, 101 SSC.

For information on which courses are offered pass-fail, go to the Registration and Records homepage (http://www.uwsp.edu/regrec/) and then click on “Timetable.” From there, click on “List of Courses by Term.” The link for Pass/Fail Grading is on the top of that page. Each department determines which courses to include in the program and under what conditions.

Departments provide the option of a standard grade in all courses offered under the pass/fail program except for those courses and sections that were approved to be offered as pass/fail only.

**PLACEMENT (EMPLOYMENT) STATISTICS**

See Career Services earlier in this section.

**Prerequisites**

If you register for any class when you do not have the required class standing and/or haven’t met the stated prerequisites, the department offering the class may, at its discretion in the first eight days of the semester, require you to drop that class. However, if you are permitted to continue, you must realize that you accept full responsibility for the grade you earn in that class.

**Probation/Suspension**

You are in good academic standing if both your semester and cumulative grade point averages (GPAs) are 2.00 or better.

Probation-1 means that either your semester GPA or your cumulative GPA (or both) are less than 2.00. This is a warning that you need to raise both your semester and cumulative GPAs to a 2.00 or higher at the end of your next semester of attendance at UWSP to be in good standing.

1. If you are on Probation-1 and your semester OR cumulative GPA (but not both) falls below 2.00 at the end of your next semester of attendance, you will be placed on Probation-2.

2. If you are on Probation-1 and your semester AND cumulative GPA fall below 2.00 at the end of your next semester of attendance, you will be suspended.

3. Probation-1 does not appear on your transcript.

Probation-2 means that either your semester or your cumulative GPA is less than 2.00 AND you are already on Probation-1. This is a final warning that you need to raise both your semester and your cumulative GPAs to a 2.00 or higher at the end of your next semester of attendance.

1. If you are on Probation-2 and your semester OR cumulative GPA falls below 2.00 at the end of your next semester of attendance, you will be suspended.

2. Probation-2 does not appear on your transcript.

Once placed on probation you must meet with your adviser by the end of the first week of classes of the next term you attend.
Suspension means that you are not eligible to continue classes at UWSP for a period of time. If you are suspended, you will be sent a copy of your academic record and a letter that further explains your situation. You will be suspended if:

1. You earned less than a 2.00 in EITHER your semester or cumulative GPA after having been on Probation-2.
2. You earned less than 2.00 in both your semester and cumulative GPAs after having been on Probation-1.
3. You earned a cumulative GPA less than 2.00 and a semester GPA less than 1.00.
4. You were admitted to UWSP on probation and you earned less than a 2.00 GPA during your first semester of attendance at UWSP.

Suspension status DOES appear on your transcript.

Winterim grades can be used to improve your academic standing, but you cannot be placed on academic probation or suspension as a result.

Summer grades can cause you to be placed on or off academic probation, but you cannot be suspended as a result.

You may attend a summer session after being suspended. While your successful performance in such courses may provide evidence of your readiness to return to college, it does not guarantee your readmission to UWSP. Please call Admissions at 715-346-2441 for more details. Also see Academic Bankruptcy and Readmission to UW-Stevens Point.

READMISSION TO UW-STEVENS POINT
See Admissions earlier in this catalog.

Records (Privacy and Access)
The Family Education Rights and Privacy Act of 1974 as amended entitles you to review "official records, files, and data directly related" to you which the university maintains. You may also request a hearing regarding any alleged "inaccurate, misleading, or inappropriate" information. In most circumstances, the university will not release information from your records to third parties without your consent or notice to you. An interpretation of the law is printed below. Copies are available at Registration and Records, 101 SCC.

The Family Education Rights and Privacy Act of 1974, as amended, requires that you be advised of your rights concerning your education records and of certain categories of public information which the university has designated "directory information." This notice, in question and answer format, satisfies this requirement of the act.

As a student on the Stevens Point campus, what rights do I have regarding my university records?

You have the right to inspect and review all your records which meet the act's definition of "education records." You have the right to challenge information in your file, you must make a written request for a hearing to the dean or director of the appropriate office. That office will have up to 45 days to honor your request. For most students, these offices will include those of the registrar, your school or college dean, your major department, Protective Services, and any other campus office with which you have been in contact, such as Student Financial Aid or Residential Living.

What if I do not agree with what is in my records?

You may challenge any information contained in your "education records" which you believe to be inaccurate, misleading, or inappropriate. This right does not extend to reviewing grades unless the grade assigned by your professor was inaccurately recorded in your records. You may also insert a statement in your record to explain any such material from your point of view. If you wish to challenge information in your file, you must make a written request for a hearing to the dean or director of the appropriate office. In most cases, the decision of the dean or director will be final. However, you may elect to file an appeal in writing to the Vice Chancellor for Student Affairs who will review the decision only if a significant question of policy or compliance with the law appears to be raised by the case.

May I determine which third parties can view my education records?

Under the act, your prior written consent must be obtained before information may be disclosed to third parties unless they are exempted from this provision. Exceptions include:

- Requests from the University of Wisconsin-Stevens Point faculty and staff with a legitimate educational need to know.
- Requests in accordance with a lawful subpoena or court order.
- Requests from representatives of agencies or organizations from which you have received financial aid.
- Requests from officials of other educational institutions in which you intend to enroll.
- Requests from other persons specifically exempted from the prior consent requirement of the act (certain federal and state officials, organizations conducting studies on behalf of the university, accrediting organizations).
- Parents who claim students as dependents under the Internal Revenue code of 1954, Section 152, and who provide proof of such status.
- Requests for "directory information" (please refer to the next question for an explanation).

What is meant by the term "directory information?"

The university, in accordance with the act, has designated the following categories of information about you as public unless you choose to exercise your right to have any or all of this information withheld. This information will be
These categories are:

- Name.
- Home address.
- Home telephone number.
- Local address. (Students should keep current address on file in the Registration and Records Office.)
- Local telephone number.
- E-mail address.
- Place of birth.
- Major/minor field of study, and college.
- Participation in officially recognized university activities and sports.
- Weight and height of members of athletics teams.
- Attendance (including beginning, ending, registration and withdrawal dates; credits carried in a term; current classification; and graduation dates).
- Degrees and awards received (type of degree and date granted).
- The most recent previous educational agency or institution attended.
- Name of parents or guardian.
- High school from which you graduated.

What kinds of inquiries does the university receive for “directory information?”

The university receives many inquiries for “directory information” from a variety of sources including friends, parents, relatives, prospective employers, graduate schools, honor societies, licensing agencies, government agencies, and news media.

What if I don't want “directory information” released?

Please consider very carefully the consequences of any decision by you to remove these items from the list of "directory information." Should you decide to inform the university not to release any or all of this "directory information," any future request for such information from non-university persons or organizations will be refused. For example, the university could not release your telephone number and address to a family member wishing to notify you of a serious illness or crisis in the family. A prospective employer requesting confirmation of your major field of study or address would also be denied access to such items, should you withdraw them from the list of "directory information." The university will honor your request to withhold any of the items listed above but cannot assume responsibility to contact you for subsequent permission to release them. Regardless of the effect upon you, the university assumes no liability of honoring your instructions that such information be withheld.

If you wish to file a form withdrawing some or all of the information in the "directory" classification, you should report to the Registration and Records Office, 101 SSC, and complete the necessary form.

Registration

You may register at UW-Stevens Point or add additional courses online through the eighth day of classes during the fall and spring semester. After the eighth day of classes, the online registration system is turned off and appropriate signatures will be required to add or drop courses.

Religious Beliefs Accommodation

It is UW System policy to reasonably accommodate your sincerely held religious beliefs with respect to all examinations and other academic requirements.

1. You will be permitted to make up an exam or other academic requirement at another time or by an alternative method, without any prejudicial effect, if:
   a. There is a scheduling conflict between your sincerely held religious beliefs and taking the exam or meeting the academic requirements; and
   b. You have notified your instructor within the first three weeks of the beginning of classes (first week of summer or interim courses) of the specific days or dates that you will request relief from an examination or academic requirement.

2. Your instructor will accept the sincerity of your religious beliefs at face value and keep your request confidential.

3. Your instructor will schedule a make-up exam or requirement before or after the regularly scheduled exam or requirement.

4. You may file any complaints regarding compliance with this policy in the Equity and Affirmative Action Office.

Remedial Coursework

If you are placed into a remedial course in mathematics, your academic adviser will encourage and help you restrict your coursework to a level that will allow you to succeed.

You must receive written permission from your adviser to enroll in more than 16 credits during any semester in which you are taking remedial courses. If you want to take more than 17 credits during a semester that includes remedial courses, you must get written permission from the dean of your college. Decisions about the number of credits you can take in one semester while doing remedial coursework are based on such things as your ACT score, high school class rank, overall high school record, university grade point average, and demands on your time from coursework, extracurricular activities and employment.

If you enter UWSP and are placed into a remedial math course, you must complete it before you earn 30 credits toward graduation. If you fail to complete the remedial coursework before earning 30 credits, you will be restricted to a maximum of 12 credits a semester, including the remedial course, until the requirement is met.

Repeating Courses

A. Repeating a course at UWSP that was originally taken at UWSP.

You may repeat a course in which you received a D+, D, or F if you receive online authorization from your adviser and the chair of the department in which the course is offered before you register for the course. If you are a graduate student and need to repeat a graduate course, you must have the written authorization of the dean of the college offering the course.

A second repeat of a course in which you received a D+, D, or F requires written authorization from the dean of the college, in consultation with your adviser and the
department chair in which the course is offered, BEFORE
you register for the course.
You may not repeat a course in which you received a grade
of C- or better. Your dean, in consultation with the
department chair, may grant an exception on appeal only
for extenuating circumstances. You must obtain written
authorization from your adviser, the chair of the
department and the dean of the college in which the course
is offered BEFORE you register for the course.
If you repeat a course which you had initially completed
here, we figure only the credit and grade you earn in your
last attempt in your cumulative grade point average.
However, we do not expunge your original grade from your
transcript. On the Degree Progress Report (DPR), the major
GPA and the overall GPA will be recalculated using the
grade earned in your last attempt and the first attempt
course and grade will be listed in the “Courses not
Applicable” category. This applies only when the original
attempt and the repeat are taken at UW-Stevens Point.
Be sure to have your request authorized BEFORE
registering for the course. Any repeat not authorized before
enrolling in the course will result in the repeat being
expunged from your record.

B. Repeating a course at another institution that was
originally taken at UWSP.
Grades of D or better may NOT be repeated at another
institution. Courses in which you received grades of F at
UWSP may be repeated at another institution. Courses
repeated at another institution will not replace a grade on
your UWSP transcript or be used to recalculate the
cumulative grade point average on your transcript.
However, courses repeated at another institution will
replace a grade on your Degree Progress Report (DPR) and
it will be used to recalculate the major GPA and the overall
GPA on the DPR.
C. Repeating a course at UWSP that was originally
taken at another institution.
Grades earned at another institution may be repeated at
UWSP provided you follow the same approval process as if
the original grade was earned at UWSP. If approved, the
previous attempt earned at the other institution will be
removed from your UWSP transcript and Degree Progress
Report.

Residence Requirements
To be eligible for a bachelor’s degree from UWSP, you must
earn at least 30 of your total required credits in courses
taken at UWSP. Credits earned through experience,
advanced placement, or examination programs do not
apply.

RESIDENCY (STATE OF WISCONSIN)
See Finances earlier in this catalog.

Safety and Health Policy
It is the policy of the University of Wisconsin System to
provide and maintain adequate facilities for a safe and
healthy learning environment. Faculty and staff will comply
with state and federal safety laws and educate their
students on practices and procedures that ensure safety
for all members of the university.

Certain courses and research projects may require you to
work with hazardous materials. Your instructor will inform
and train you on procedures that will maintain your
personal health and safety and provide you with

Satisfactory Academic Progress
You maintain satisfactory academic progress (SAP) by
passing and completing a certain percentage of the credits
in which you are enrolled. In the following table you will find
the percentage of credits you must earn at each level of
total enrolled credits.

<table>
<thead>
<tr>
<th>Total Enrolled Semester Hours</th>
<th>Percent of Total</th>
</tr>
</thead>
<tbody>
<tr>
<td>18-30</td>
<td>50%</td>
</tr>
<tr>
<td>31-60</td>
<td>60%</td>
</tr>
<tr>
<td>61-90</td>
<td>65%</td>
</tr>
<tr>
<td>91-120</td>
<td>70%</td>
</tr>
<tr>
<td>121-150</td>
<td>75%</td>
</tr>
<tr>
<td>151-180</td>
<td>83%</td>
</tr>
</tbody>
</table>

We determine your academic progress in June. If you have
not made satisfactory academic progress as defined by the
table above, you are ineligible to receive financial aid until
you earn enough credits to be making satisfactory
academic progress.

Your academic progress percentage is printed on your
degree progress report. Keep these things in mind as you
consider whether you are maintaining satisfactory
academic progress:
1. The total semester hours for which you are enrolled are
   all the semester hours for which you earn a grade of A,
   B, C, D, (+ or -) F, P, I, W, and credits by exam.
2. Take the total of the number of those credits which you
   have passed at UWSP – those in which you have
   earned grades of A, B, C, D, P and credits by exam. Do
   not include grades of F, I, or W.
3. Take the total number of credits passed. Divide that
   number by the number of credits enrolled. The
   resulting number is the percent of credits you have
   earned out of the number in which you’ve enrolled.
4. To determine the percentage of UWSP credits you need
to earn, take the number of UWSP credits in which
you’ve enrolled and add to it any transfer credits you
have. Now refer to the above chart using the total
enrolled credits. The percentage you need to have is
directly across from the number of credits enrolled.
5. There are no exceptions to this policy for students who
   declare academic bankruptcy.
6. In order to qualify for financial aid, if you re-enter after
   being out of school for one or more semesters, you
   must be making satisfactory academic progress at the
time you re-enter.
7. You will no longer be making satisfactory academic
   progress and you will lose financial aid eligibility if you
   have been working toward your educational objective
   for more than 15 years and/or have enrolled in more
   than 180 undergraduate credits.
8. If you are found to be ineligible to receive financial aid
due to unsatisfactory academic progress, you may
appeal for special consideration if you feel there are
extenuating circumstances. You will receive
information about the appeal process when you get
your notice of unsatisfactory progress. Your appeal
must be submitted in writing with an explanation for
the lack of progress and a plan for improved
performance. If your appeal is successful, the
Registration and Records Office will be informed and your financial aid eligibility, with possible special conditions, will be restored.

Second Bachelor’s Degree
You may want to return to school after graduating to complete additional majors or minors. You may do so without earning a second degree. However, if you have earned one bachelor’s degree, you may subsequently earn a second by completing:
- 30 additional credits, and
- All requirements for the second degree.
You may use courses you completed for your first degree to satisfy requirements for your second degree. The major for your second degree must be an approved major for that degree.

SEMESTER HOURS/ CREDIT
See Credits/Semester Hours.

Smoking
All buildings on the UWSP campus are smoke free.

Student Rights and Responsibilities (student conduct)
The Office of Student Rights and Responsibilities protects your rights as a student. If you believe that your rights have been violated, or if you have questions concerning your rights, write or visit the office in Room 139 Delzell Hall, or call 715-346-2611.
You have the responsibility to act appropriately and responsibly. If your actions conflict with the welfare and integrity of UW-Stevens Point or disregard the rights of other members of the university community, including guests and visitors to the campus, you will face student conduct disciplinary proceedings.
You will find copies of the University of Wisconsin System disciplinary procedures and UWSP’s institutional policies under these procedures (Chapter UWSP 17) on the Web at http://www.uwsp.edu/admin/staffaffairs/rightsandresponsibilities.aspx and at each residence hall desk, the Reserve Desk of the Learning Resources Center, the Information Desk of the Dreyfus University Center, the offices of all academic deans, and the Office of Student Rights and Responsibilities. We urge you to read Chapter UWSP 17, which is part of our contract with you, since it describes what constitutes violations of appropriate conduct on campus and at university activities.

Study Load
The typical study load is 14-16 credits per semester (including courses at other campuses and through distance education). You may take 17 credits with the permission of your adviser. Study loads of 18, 19, or 20 credits must be approved BEFORE you register. For the appropriate authorizing official for your department/program, go to the Registration and Records homepage (http://www.uwsp.edu/reg-rec/) and click on “A-Z Search for Academic Information.” From there, click on “Attendance Policy” and then “Study Load (Fall/Spring).” The dean of your college must approve study loads of 21 credits or more. We grant requests only for extraordinary reasons and only for students with outstanding academic records.
Note that you will be limited to 12 credits if you:

- Do not complete required remedial courses before you earn 30 credits.
- Do not complete freshman English, Math 100 or 105 before you earn 60 credits.

See the catalog section, General Degree Requirements, “Verbal and Quantitative Skills” for the complete policy. Check with the Registration and Records Office if you wish to appeal this restriction.
In order to qualify for either Social Security benefits or full Veterans Benefits (Public Law 550), you must carry at least 12 credits (semester hours) of courses.

Summer Sessions
From mid-May to mid-August you may take part in undergraduate or graduate summer school courses lasting from one to eight weeks. Classes generally meet Monday through Thursday. You may also take part in any of several summer session camp programs. Ask your adviser if credits in one of these would apply toward your requirements. You can view the summer session class schedule at https://mypoint.uwsp.edu/regrec/regrec046/regrec046.aspx.

SUSPENSION
See Probation/Suspension.

Sustainability
UWSP is committed to sustainability and its practice in our daily operations. Sustainability is the human enterprise of living to meet today’s needs without compromising the needs of future generations, and to be ecologically sound, socially just, culturally affirming, politically doable, and economically viable. We demonstrate our commitment to sustainability through such measures as resource recovery (recycling), composting food wastes, energy reduction and continually exploring ideas to promote and support sustainability initiatives.

Text Rental
The primary textbook usage on the UWSP campus is through Textbook Rental, a self-supporting service financed through student text rental fees. The Text Rental service is available to undergraduate students and is similar to a library system, where you check out most of your course books and return them at end of the semester. (The rental fee is included in the undergraduate tuition.) A UWSP PointCard I.D. is required to check books out and in. (UWSP has been operating a “text rental” service since its beginning in 1894.) Additional supplemental books and materials for courses are generally “purchase” items for students; i.e. study guides, workbooks, consumable items, etc. http://www.uwsp.edu/centers/textrental/index.asp

Transcripts
Your transcript is an official, certified copy of your academic record. It shows all the courses that you have attempted; all credits, grades, and degrees you have earned; and whether you have been placed on academic or non-academic suspension.
You may order copies of your transcript online through the Office of the Registrar (www.uwsp.edu/regrec/Pages/WebHelp/transcriptInfoRequests.aspx). In order to receive a transcript or diploma, you must have paid all your financial obligations to UW-Stevens Point.
Transferred Credits
We use only the credits and grade points you earn at UW-Stevens Point in determining your cumulative grade point average. However, transfer credits and grades are included in the calculation of the grade point average in most majors and minors and in the determination of graduation honors.

You may use credits with grades of D or better that transferred from an accredited institution toward graduation. You may also use them to meet your requirements and prerequisites for specific courses, but not necessarily toward your major.

Because different institutions use different course numbering systems, we may not consider a course numbered 300 or above at another institution to be equivalent to a course we number 300 or above here. Direct any questions about the transfer of your credits to the Admissions Office, Room 102, Student Services Center.

If you earn the last credits toward your degree at another college or university, have a transcript of these credits sent to our Registration and Records Office, UW-Stevens Point, 1108 Fremont Street, Stevens Point WI 54481-3897, within 30 days after the date of the UW-Stevens Point graduation. If you fail to meet this deadline, your degree will not be awarded until the next graduation.

Tutoring Services
With a staff of 125-150 peer tutors, the Tutoring-Learning Center (TLC), located in the lower level of the Learning Resources Center, 346-3568, offers tutoring to students in most majors. Each academic year, nearly 25 percent of the student body, from freshmen to graduate students, participate in tutorials with TLC peer tutors.

TLC Tutorial Programs
Writing and Reading. Students work one-on-one with trained peer writing and reading consultants on assignments for university classes.

Content-Area Tutoring. Students meet individually or in small groups with tutors for courses in mathematics, sciences, natural resources, accounting, and Foreign Languages.

Computer Guide Program. Students meet with trained undergraduates with expertise in software applications to assist them with their computing and software learning needs.

Reading in the Disciplines Program (RID). Some university courses with challenging reading offer a one-credit “reading in the discipline” class in which peer facilitators lead small discussion sections. English 57 Series. In this one-credit independent writing course (English 157, 257, or 357), students explore various kinds of writing in one-on-one sessions with peer tutors.

UWSP Continuing Education
John Birrenkott, Interim Coordinator
Room 032, Main Building
Phone: 715-346-3838 or 800-898-9472
E-mail: uwspce@uwsp.edu
Web: http://www.uwsp.edu/conted

UWSP Continuing Education is the center of continuing education and lifelong learning at UW-Stevens Point offering programs and support services for individuals and organizations in education, government, business and industry, arts and leisure. UWSP Continuing Education provides credit classes (including online and face-to-face courses), certificate programs, non-credit conferences, workshops and seminars, conference and event planning services, contract training, business counseling, web survey design and implementation services, evening degree completion programs, and an array of personal enrichment and professional development opportunities for youth, working adults and special audiences. CE facilitates the following programs and services:

• Arts and Culture Outreach: features exciting programs in music, dance, drawing, creative writing, mixed media arts and photography, with classes, lessons and workshops for children and adults.

• Arts and Music Camps: summer camps for junior and senior high school students, including studio art, music, and theatre/dance.

• Credit Classes (Online and Face-to-Face): offered in a variety of formats and time frames, credit courses are available for professional development and degree completion in a variety of disciplines.

• Conference Planning: can completely plan and administer conferences or small workshops from initial planning to final wrap-up, or can provide partial services based on need.

• Continuing Education Units: CEUs are offered through the Continuing Education Office for noncredit professional development programs.

• CPS-Continuing Education (CPS-CE)
Room 100, College of Professional Studies Building
Phone: 715-346-3801 and 715-346-4324
Web: http://www.uwsp.edu/cps/conted

CPS-CE offerings include first-year teacher induction courses; mentor-teacher classes; graduate-level certifications in early childhood education, alternative education, gifted and talented education, adapted physical education, health education, and family and consumer science education; two nine-credit graduate-level strands for the master’s in education along with electives; courses for the master’s degree in human and community resources and nutritional sciences; and an undergraduate collaborative degree program in business at UW-Marathon County.

• Environmental Education Outreach: includes programs about energy, forestry, outdoor education and a dedicated M.S. program for K-12 educators. The aim of EE Outreach is to promote environmental leaders across the state.
  o Extended Master’s Degree in Environmental Education (MSNREE) for licensed K-12 teachers seeking workplace advancement while working from home. For more information, see the Graduate section of this catalog.
  o Online MS in Environmental Education and Interpretation (OMSSEE) for non-formal educators and working professionals seeking workplace advancement while working from home. For more information, see the Graduate section of this catalog.
  o Graduate Fellowship in Residential Environmental Education (GFREE) While studying in an intensive master’s degree program, UWSP graduate fellows work as field instructors and residential life leaders at Conserve School, an independent
boarding school, and Treehaven, a UWSP natural resources and environmental education center.

- **KEEP (Wisconsin K-12 Energy Education Program)** aims to energize Wisconsin K-12 classrooms with information and curricular activities about energy use, concepts and issues. See [http://www.uwsp.edu/keep](http://www.uwsp.edu/keep)

- **LEAF (Learning, Education, and Activities in Forestry)** provides quality forestry education materials and school forest and consulting services to formal and nonformal educators in Wisconsin. See [http://www.uwsp.edu/cnr/leaf](http://www.uwsp.edu/cnr/leaf)

- **Learning Is For Ever (LIFE)**: a membership-based association for senior adult learners, providing many classes and special programs for personal enrichment including lectures, music and theatre events, study and discussion groups and field trips.

- **Music Lessons**: private music lessons are offered in a variety of instruments and voice by experienced area musicians and advanced UWSP music students.

- **Small Business Development Center (SBDC)**: provides no cost, confidential business counseling on best business practices for those starting or growing a small business throughout nine Central Wisconsin counties. In addition, the SBDC offers non-credit business workshops, seminars and conferences. Through the Entrepreneurship Training Program, the SBDC guides both start-up and existing business owners through the business planning process. Fee based services such as GIS Trade Area Mapping help with location analysis and strategic marketing decisions. The SBDC and Continuing Education also customize and coordinate training programs for business and industry.

- **Study Tours**: short-term international travel opportunities for adults of all ages.

- **Summer Arts Camps**: (see [Arts and Music Camps](#)).

- **Travel**: (see [Study Tours](#)).

- **UWSP STEM Career Day**: An event offered annually to 9th through 12th grade high school students who are interested in exploring careers in science and technology, through hands-on workshops and activities presented by UWSP faculty, staff and professionals in various fields.

- **Women & Science Day**: An event offered annually for girls in 7th and 8th grade to explore and learn about careers in a variety of science disciplines through hands-on workshops presented by University faculty, staff, students, and professional women from around the state of Wisconsin.

**Winterim**

Winterim is a short session that occurs during the three weeks preceding each spring semester. A variety of courses are offered to help you accelerate degree completion or catch up on a few credits.

**Wisconsin Residency**
See Finances earlier in this catalog.

**WITHDRAWING FROM UW-STEVENS POINT**
See Drop/Add/Withdrawal Procedures.

**Year in School**
See Classification/Year in School.
College of Fine Arts and Communication (COFAC)

Jeff W. Morin, Dean
Room 101, Noel Fine Arts Center
Phone: 715-346-4920
E-mail: cofac@uwsp.edu
Web: http://www.uwsp.edu/cofac

The College of Fine Arts and Communication is committed to a broad understanding of the arts, the humanities, and communication as a basis for reasoned, intelligent, and sensitive individuals interacting with society. The college is also committed to a broad understanding of the many aspects of the arts and communication as they relate to a changing world with its dynamic and diverse cultures. Most importantly, the college is committed to excellence in training communication, visual arts, and performing arts professionals. Through its students, faculty and programs both on and off campus, the College of Fine Arts and Communication inspires, creates, and achieves.

Curriculum in Fine Arts and Communication

Educational experiences and courses for fine arts and communication majors, minors, and general student needs include:

- History, criticism, theory, and practice in fine arts and communication.
- Practical applications in the arts and communication through laboratory, studio, internship and other experiences.
- Production and performance experiences through art exhibitions, plays, musicals, dance productions, film, radio and television broadcasting, and various other forms of communication.

You may choose a professional program in a specific field or a more broadly based curriculum with a wide variety of choices. You may choose one of the majors listed below or a minor in the college with a major from another area.

There are four departments offering degree programs within the college: Art and Design, Music, Theatre and Dance, and the Division of Communication. The Departments of Art and Design, Music, and Theatre and Dance each enjoy full national accreditation by their respective associations. UW-Stevens Point is one of 21 such universities in the country to carry this designation.

Majors in Fine Arts and Communication

Degrees offered are:
1. Bachelor of Arts in art, music, arts management.
2. Bachelor of Arts or Bachelor of Science in communication, or theatre arts with options in dance or drama.
3. Bachelor of Fine Arts in art with graphic design, two-dimensional or three-dimensional emphases; theatre arts with options in acting, design and technology, or musical theatre.
4. Bachelor of Music with options in applied music, jazz, music education, and music literature.

Refer to the degree requirements listed in each department's section of this catalog.

To earn your degree, successfully complete the general degree requirements, requirements for your major, and approved electives totaling no less than 120 credits.

If you wish to meet teacher certification requirements in music, consult the Education section later in this catalog for additional courses required through the College of Professional Studies.

Minors in Fine Arts and Communication

Minors are available in art history, communication, dance, drama, and music.

College Honors

Undergraduate, full-time majors in the College of Fine Arts and Communication who have achieved a semester grade point average over 3.75 are awarded the Dean's Distinguished Achievement Award.

Nondegree Experiences in the Arts and Communication

Noncredit courses of study are offered through the college's continuing education program, and the Aber Suzuki Center and American Suzuki Institute. The college also sponsors the annual Performing Arts Series with internationally acclaimed artists performing at the Sentry Theater.

Graduate Programs in Fine Arts and Communication

Graduate programs are available in music and communication. See the Graduate section of this catalog for details.
College of Letters and Science (COLS)

Christopher Cirro, Dean
Charles Clark, Associate Dean
Dona Warren, Assistant Dean
Room 130, Collins Classroom Center
Phone: 715-346-4224
E-mail: cols@uwsp.edu
Web: http://www.uwsp.edu/cols

Through courses we offer in this college we help you to:
- Understand, effectively use, and appreciate the process of learning.
- Recognize the complexity of problems and improve your ability to develop creative solutions.
- Increase the breadth and depth of your understanding of the humanities, sciences, and social sciences.
- Succeed in your studies and in preparing for a career.
- Join a community of teachers, scholars, and students who strive for high standards of academic achievement.

Curriculum in Letters and Science

For information on the courses to take in order to earn either a bachelor of arts or bachelor of science degree, refer to the section of this catalog entitled General Degree Requirements. For information on requirements for a master's degree, see the Graduate section of this catalog.

Majors in Letters and Science

In the College of Letters and Science, you may select from the following majors: American studies, biochemistry, biology, chemistry, computer information systems, English, French, geography, German, history, international studies, mathematics, natural science, philosophy, physics, political science, psychology, public administration and policy analysis, social science, sociology, Spanish, and web and digital media development.

Before declaring a major, read the sections of this catalog under Courses of Instruction that deal with departments of greatest interest to you. Also see the student handbooks of these departments to see descriptions of their majors, minors and courses of study.

Declare your major by the time you have earned 56 academic credits (excluding required wellness). Please go to the departmental office of the major of your choice and complete this process. Ordinarily, a department will accept you for major study. However, they may refuse to accept or have you continue in the minor if your academic record does not satisfy their regulations.

College Honors

Dean's Distinguished Achievement Award certificates for semester honors are given to all majors in the College of Letters and Science who complete at least 12 credits in any semester with a grade point average of 3.76 or above.

Preprofessional Study

Before entering many professional schools, you must complete part of your college work. If you wish to enter one of these schools, you may register in the College of Letters and Science and then begin working with an adviser familiar with the requirements of the profession you plan to enter. Your adviser can help you plan your studies within either the bachelor of arts or bachelor of science program.

In the following paragraphs, you will find information on how to prepare for some professions. If you would like more specific information or suggestions, we would be happy to send them to you.

Different schools training people for the same profession sometimes have different entrance requirements. Generally, entrance requirements have grade point restrictions on your cumulative GPA. However, this may vary from institution to institution. At UWSP you may repeat a course for which you earned a D+ or less. You may not repeat a course in which you earned a grade above D+.

Make sure you know the requirements of the school you plan to enter, and frequently review your progress with your adviser. Your adviser, department chair, and the staff in the office of the Dean of the College of Letters and Science will be happy to help you. But remember that it is up to you to meet all college and university requirements, rules, and regulations.

Dentistry: UW-Stevens Point has an excellent predental program with a diversity of courses and options that will permit you to meet or surpass the admission requirements for most of the dental schools in the United States. Most dental schools require a minimum of three years (90 semester credits) of predental education. The predentistry course requirements may be integrated into the requirements for almost any major offered at UWSP. Many students accepted into dental school have a major in biology, chemistry, or both. All dental schools require candidates to take the Dental Admission Testing Program exam given in October and April. Consult regularly with the dentistry adviser on campus as you plan your undergraduate curriculum, so that you stay informed of changes in requirements and recommended courses at specific dental schools.

Education: If you have not yet determined the subjects you would like to teach, talk with your adviser or the advising
office in the School of Education. If you seek a certificate to teach at the secondary level, with a major offered in the College of Letters and Science, you may either complete your general requirements for your B.A. or B.S. degree in the College of Professional Studies or the College of Letters and Science. See the Education section later in this catalog for complete information on your education requirements.

Engineering: Requirements for the UW-Stevens Point preengineering program vary from one specialization to another. However, if you plan to pursue a career in engineering, you will need to concentrate on mathematics and the sciences. Most likely you may complete two years of preparation at UW-Stevens Point. See the Department of Paper Science and Engineering for details about prechemical engineering. For pre-engineering in preparation for mechanical, civil, electrical and other areas of engineering, see the Department of Physics and Astronomy.

Law: Normally, you must complete a bachelor of arts or bachelor of science degree before applying to a law school. Since you will face stiff competition for admission to law school, work to maintain a high grade point average. All law schools require candidates to take the Law School Admission Test (LSAT). High scores on this test are necessary for admission to the better law schools. Most law schools also require that candidates submit letters of reference from individuals familiar with their qualifications and aptitude. You should speak to your adviser about developing a list of references. Law schools do not require that you take a particular undergraduate major. However, most prelaw students earn degrees in a social science or in business.

UW-Stevens Point prelaw advisers in the Department of Political Science stress a broad undergraduate program. In such a program you learn philosophical and social science approaches to problem solving. We at UW-Stevens Point take pride in our excellent record for placing superior students in outstanding law schools.

Medicine: If you are preparing for a career in medicine, register as a candidate for either the bachelor of science or bachelor of arts degree. You may integrate your premedical course requirements with those for a degree in almost any other major field. However, most students accepted into medical schools have a major in biology, chemistry, or both. All medical schools recommend, but do not require, that you take calculus, humanities, and psychology. You will face stiff competition for admission to a medical school. Medical schools will decide whether to admit you based on whether you have:
1. B+ average.
2. Above average scores on New Medical College Admissions Test (New MCAT), 9-10 average score out of 15.
3. Relevant work experience.
4. Strong recommendations.
5. A successful interview.

Pick up a registration form for the New MCAT from the premedical adviser. Since the New MCAT assumes you have taken college level chemistry, physics, biology, and mathematics, take this exam in April of your junior year. If you are not successful, you may take it a second time in September of your senior year. UW-Stevens Point graduates have an excellent record of acceptance by medical schools.

Mortuary Science (Funeral Service): At UW-Stevens Point you may receive the two years of preprofessional study you need to enter a mortuary school.

Pharmacy: Take the following courses during your freshman and sophomore years: Chemistry 115, 116 (or 105 and 106), 325, 326; Mathematics 120; Physics 203 and 204. For additional requirements and suggested electives, see a prepharmacy adviser.

Other Fields: If you want to prepare for a professional field not listed here, the College of Letters and Science will assist you in finding an adviser to help you plan your program. Make sure you thoroughly understand all requirements of the school you plan to enter, and meet often with your adviser.

Affiliated Centers
Faculty and staff from the College of Letters and Science are involved in a variety of other programs which benefit the students of the university as well as the surrounding Central Wisconsin community. These programs include:

- Academy of Letters and Science
- Athletic Scheduling Center
- Blocher Planetarium
- Center for Economic Education (CEE)
- Center for the Small City
- Central Wisconsin Economic Research Bureau (CWERB)
- Community Outreach Center
- GIS Center
- Museum of Natural History
- Northern Aquaculture Demonstration Facility
- POLYED National Information Center for Polymer Education
- Regional Archaeology Center Four
- Wisconsin Association for Critical Thinking
- Wisconsin Institute for Sustainable Technology
College of Natural Resources (CNR)

Christine L. Thomas, Dean
John Houghton, Associate Dean for Academic Affairs
Randy Champeau, Associate Dean for Outreach/Extension
Room 100, Trainer Natural Resources Building

Web: http://www.uwsp.edu/cnr

Student Success Center, 180 CNR, 715-346-4081
Susan M. Kissinger, Advising/Recruitment Coordinator

Curriculum in Natural Resources

Please refer to the section of this catalog entitled General Degree Requirements for information on the courses to take in order to earn a bachelor of science degree. In the Graduate section of this catalog you will find information that will be useful if you wish to pursue a master of science degree in the College of Natural Resources.

Majors in Natural Resources

In the College of Natural Resources, you may work toward a bachelor of science degree in any of six disciplines:

- Fisheries and Water Resources: In fisheries and water resources you select from options in fisheries, watershed management or water resources. These prepare you for a career or graduate study in fishery science or management, aquatic biology, hydrology, hydrogeology (groundwater), laboratory analysis of water and environmental samples, aquatic toxicology, and the assessment and management of water resources.
- Forestry: In the forestry program you integrate the study of forestry with the study of other resource disciplines, so that you have a solid background for forest ecosystem management. Through your forestry degree you prepare for management positions with public agencies or private industry. Select one of these five options: forest management, forest administration and utilization, urban forestry, forest ecosystem restoration and management, or forest recreation. The Society of American Foresters accredits this program.
- Paper Science and Engineering: In the paper science and engineering program you become well versed in the physical and engineering sciences and learn the relationships among these disciplines. You also prepare yourself to apply what you have learned as an industrial scientist or engineer and ultimately as a manager in the paper industry or an allied industry.
- Resource Management: Within resource management you may choose from environmental education/interpretation, land use planning, youth programming and camp management, or general resource management options. Should you choose general resource management, please also complete an appropriate minor to enhance your employment options.
- Soil and Waste Resources: Three options are available in this major. The soil science and soil and land management options blend coursework in soils with courses in the basic sciences and other natural resources disciplines. The waste management option blends coursework in waste management, the basic sciences, and natural resources. When you complete these options you can meet requirements for a soil scientist as defined by the United States Department of Agriculture and for a soil or waste resource manager for private or public sector employment.
- Wildlife Ecology: In this curriculum you integrate the study of wildlife ecology and management with other resource disciplines as you prepare yourself for graduate school or a management position. Or you may complete the option in wildlife ecology information and education (not for teacher certification) if your primary interest is to be a wildlife educator/interpreter. When you graduate with either option, you have met the curricular requirements for a certified wildlife biologist as established by The Wildlife Society.

Official Acceptance as a Major: You must be accepted as a major before you enroll in summer camp, internships, or the European environmental studies seminar. To be accepted, you must have completed 45 university credits and have a 2.00 grade point average in courses required for your major.

Minors in Natural Resources

In the College of Natural Resources you may minor in conservation biology, environmental communication, environmental education/interpretation, environmental education for elementary/middle school teachers, environmental law enforcement, forest recreation, forestry, international resource management, land use planning, resource management, soil science, water resources, wildlife ecology, captive wildlife, or youth programming and camp management.

Graduate Programs in CNR

If you qualify, you may work toward a master of science degree in natural resources with an emphasis in any of these areas: environmental education/interpretation, fisheries, soil and waste resources, water resources, wildlife management, forest ecology and management, urban forestry, forest business, international resource management, environmental resources extension programming, land use planning, or youth programming. For details, see the CNR graduate coordinator.

Summer Camp

Most CNR majors require participation in a six week summer camp or the eight week European environmental studies seminar after you complete your sophomore year. Through the field experience you gain at summer camp in forestry, soils, water, and wildlife, you prepare yourself for the intensive studies of your junior and senior years.

If you wish to be exempt from summer camp either because of appropriate transfer courses or experience, follow these steps:

1. Send an appeal for a summer camp alternative to the CNR associate dean for academic affairs by March 1 of your sophomore year if possible.
2. Transfer students or others with extenuating circumstances should appeal no later than March 1 of their junior year.
3. If you postpone an appeal until your senior year, you may have to delay graduation in order to complete the summer camp requirement.
4. The appeal package should include:
   a. The appeal letter with reasons and suggested alternative activities.
   b. A copy of your degree progress report.
   c. A letter of support from your adviser. If you do not have an adviser, the CNR Peer Advising Center can put you in touch with an appropriate person, or you can contact a faculty member directly and request assistance.
International Experiences

The College of Natural Resources offers a variety of opportunities to study abroad. Our European environmental studies seminar takes students to Germany, Poland and several other European countries to provide an opportunity to study resource management issues. This experience in conjunction with a semester-long seminar and a two-week field course at our Central Wisconsin Environmental Station can substitute for the summer camp requirement in the college. In addition, CNR students can take advantage of opportunities to study in Costa Rica, Mexico, Belize, Guatemala, Africa, Australia, and New Zealand. These experiences have a specific environmental studies focus and are in addition to the many international programs offered through UWSP International Programs.

Teaching in Natural Resources Fields

If you seek a certificate to teach at the secondary school level with a major offered in the College of Natural Resources, you may either:

1. Complete the general degree requirements for your BS degree in the College of Professional Studies, or
2. Complete the general degree requirements for your BS degree in the College of Natural Resources.

See the Education section later in this catalog for complete information on your education requirements.

College Honors

College of Natural Resources majors who attain a semester grade point average of 3.5 or above are placed on the Dean's List and recognized for their accomplishment.

Graduation Requirements

To graduate from the College of Natural Resources, you must achieve the minimum grade point required for your major (varies by discipline) in the courses required for your major, including collateral courses and summer camp.

Field Stations

Central Wisconsin Environmental Station

At the Environmental Station on Sunset Lake you can gain valuable practical experience in natural resources and environmental education while you earn college credit. Located 17 miles east of the UW-Stevens Point campus, the Environmental Station is sponsored by the UWSP Foundation and the College of Natural Resources. The station covers over 300 acres of diverse landscape, including such ecological communities as coniferous and deciduous forests, ponds, and kettle lakes. It also has classrooms, dining facilities, dormitory and log cabin housing for youth and adult groups, nature trails, a challenge course, amphitheatre, and a complete waterfront. For more information, call 715-824-2428, write the Central Wisconsin Environmental Station, 10186 County Road MM, Amherst Junction, WI 54407, or e-mail: cwes@uwsp.edu. Web: http://www.uwsp.edu/cnr/cwes

Schmeeckle Reserve

Schmeeckle Reserve is a 275-acre natural area on campus where you can hike, jog, ski, or just enjoy nature on the miles of wood chipped trails and boardwalks. Many university classes are taught here. At the public visitor center you can gain experience to apply toward a major in forest recreation, environmental education/interpretation, or other natural resource fields, or get involved in any number of artistic or outdoor projects. This building houses the Wisconsin Conservation Hall of Fame that includes exhibits on distinctive natural features of Schmeeckle Reserve. For more information call 715-346-4992, write Schmeeckle Reserve, College of Natural Resources, or e-mail schmeeckle@uwsp.edu.
Web: http://www.uwsp.edu/cnr/schmeeckle

Treehaven Field Station

Treehaven is a natural resource center which meets the needs of the CNR summer camp. Here, 80 miles north of Stevens Point, near Tomahawk, you live and study in a modern facility yet have access to over 1,200 acres of diverse habitat for natural resource education and management demonstrations. Treehaven's classroom center, dining lodge, and living centers are fully winterized and host many conferences, courses, and workshops. As an undergraduate or graduate student, you may take courses on such subjects as winter ecology and wild edibles. Treehaven is sponsored by the UWSP Foundation and the College of Natural Resources. For more information, call 715-453-4106, write the Director of Treehaven, W2540 Pickerel Creek Avenue, Tomahawk, WI 54487, or e-mail treehaven@uwsp.edu.
Web: http://www.uwsp.edu/cnr/treehaven
College of Professional Studies (CPS)
Marty Loy, Dean
Room 110, College of Professional Studies Building
Phone: 715-346-4904
E-mail: cps@uwsp.edu
Web: http://www.uwsp.edu/cps

The College of Professional Studies consists of the School of Communicative Disorders, the School of Education, the School of Health, Exercise Science and Athletics (HESA), the School of Health Promotion and Human Development (HPHD), the Division of Interior Architecture, the School of Business & Economics, the School of Health Care Professions, and the Department of Military Science (Army ROTC).

In the College of Professional Studies you:
- Prepare for your chosen profession by studying theory and then actively demonstrating your professional skills in a supervised classroom or clinic.
- Gain the knowledge and experience you need in order to meet the standards of your profession.
- Gain professional experience in internships and externships at hospitals, physician’s offices, community clinics, schools, business and industrial sites.
- Associate with other students interested in providing a professional service to humankind.
- Acquire critical thinking skills so you may fully meet the needs of the people you will serve.
- Work on basic and applied research projects.
- Work with faculty who are attuned to people, events, trends, and politics of the professional workplace.
- Discover that we are proactive, resourceful, connected, and caring.

Undergraduate Programs in Professional Studies
In the College of Professional Studies you may work toward bachelor’s degrees from the:
- School of Business and Economics with majors and minors in Business Administration, Economics, or Accounting.
- School of Communicative Disorders with a major in communicative disorders.
- School of Education with majors in elementary education; early childhood education; or exceptional education with certifications in learning disabilities, emotional behavioral disabilities, cognitive disabilities; and certifications in secondary education.
- School of Health, Exercise Science and Athletics with majors in K-12 physical education or athletic training, and minors in coaching, adventure education, and health education; also an add-on certification in adapted physical education.
- School of Health Promotion and Human Development with majors in health promotion, family and consumer sciences, or dietetics, and minors in nutrition or child and family studies.
- Division of Interior Architecture with a major in interior architecture.
- School of Health Care Professions with majors in clinical laboratory science or health science.

College Honors
The College of Professional Studies Dean’s List consists of undergraduate students who achieve a grade point average of above 3.75 the previous semester.

Graduate Programs in Professional Studies
In the College of Professional Studies you may work toward advanced degrees in:
- Audiology (clinical doctorate joint program with UW-Madison).
- Communicative disorders with an emphasis in speech and language pathology (master of science).
- Elementary education (master of science in education).
- Elementary education with emphasis in reading or in special education (master of science in education).
- General education (master of science in education).
- Human and community resources (master of science).
- Nutritional sciences (master of science).
- Educational administration through cooperative arrangements with UW-Madison and UW-Superior.
- Guidance counseling (master of science in education) through cooperative arrangements with UW-Oshkosh.

For further information on these graduate programs, see the Graduate section of this catalog.

CPS-Continuing Education (CPS-CE)
Room 100, College of Professional Studies Building
Phone: 715-346-3801 and 715-346-4324
Web: http://www.uwsp.edu/cps/conted
CPS-CE works to connect the College of Professional Studies with educators, school districts, organizations and professionals throughout Central Wisconsin by meeting the needs of professionals in their workplace.
Courses of Instruction

Undergraduate Course Numbers

| 000-099 | Precollegiate. These courses do not carry college level credit. |
| 100-199 | Freshman level. These courses are open to all students without restriction, if no other prerequisite is listed. |
| 200-299 | Sophomore level. The basic prerequisite for these courses is "sophomore standing" which means that you have already earned 29 college credits. Also meet any other prerequisites that are listed. |
| 300-399 | Junior level. The basic prerequisite for these courses is "junior standing" which means you have already earned 59 college credits. Also meet any other prerequisites that are listed. |
| 400-499 | Senior level. The basic prerequisite for these courses is "senior standing" which means you have already earned 89 college credits. Also meet any other prerequisites that are listed. |

Prerequisites

If you register for any class when you do not have the required class standing and/or haven't met the stated prerequisites, the department may, at its discretion in the first eight days of the semester, require you to drop that class. However, if you are permitted to continue, you must realize that you accept full responsibility for the grade you earn in that class.

Forty Credit Rule

To receive a bachelor's degree, you must earn at least 40 credits in courses numbered 300-499.

Graduate Courses

Courses numbered 300/500-399/599 and 400/600-499/699 are offered at two levels. You may take them at the 300- or 400-level for undergraduate credit or at the 500- or 600-level for graduate credit. Realize that only graduate students may enroll for graduate credit. Courses numbered 700-999 are offered only at the graduate level.

Pass/ Fail Courses

You can register for some or certain sections of courses on a "Pass/Fail" basis. For information on which courses are offered pass-fail, go to the Registration and Records homepage (http://www.uwsp.edu/reg-rec/) and click on "Timetable." From there, click on "List of Courses by Term." The link for Pass/ Fail Grading is on the top of that page. See the section in the catalog called More Academic Information for all the regulations pertaining to pass/fail grading.

Abbreviations

The following abbreviations appear in the course descriptions.

- so st: sophomore standing
- jr st: junior standing
- sr st: senior standing
- addl: additional
- admis: admission
- approp: appropriate
- CIS: Computer Information Systems
- con reg: concurrent registration
- cons chair: consent of department chair
- cons instr: consent of instructor
- cr: credit
- dir: director
- disc: discussion
- equiv: equivalent
- hr(s): hour(s)
- lab: laboratory
- lec: lecture
- prereq: prerequisite
- wk(s): week(s)
- (I): Course is offered first semester
- (II): Course is offered second semester
- (SS): Course is offered in summer session
- (A): Course is offered in alternate years
- (Y1): Course is offered Year 1
- (Y2): Course is offered Year 2

Individual departments may have additional abbreviations.

GDR Abbreviations

These abbreviations appear at the end of course descriptions for courses that meet one or more of the general degree requirements.

- GDR: General Degree Requirements
- COMM: Communication 101
- EL: Environmental Literacy
- ENGL: Freshman English
- FL: Foreign Language
- HI: History
- HU1: Humanities Area 1
- HU2: Humanities Area 2
- HU3: Humanities Area 3
- HU4: Humanities Area 4
- MATH: Mathematics
- MNS: Minority Studies
- NS: Natural Science
- NW: Non-Western Culture
- SS1: Social Science Category 1
- SS2: Social Science Category 2
- WE: Writing Emphasis
- WL/AA: Wellness/Aerobic Activity
- WL/HE: Wellness/Health Enhancement
American Studies

American Studies Major (BA or BS)

Consists of a minimum of 40 credits. Note that prerequisites for some courses may increase the number of credits needed. Complete ONE option below.

A. American Studies Option

1. Foundation requirements, 15 credits. Take 5 of these 6 courses: English 213, 214; History 176, 177; Music 105; Political Science 101.

2. Core requirements, 12 credits. Take 2 courses in each category.
   a. Institutions: Economics 311, 315, 328*; Political Science 310, 320, 391; Sociology 300, 327, 328*.
   b. Culture: Computer Information Systems 300; English, 313a, 313b, 360; History 386, 387, 388, 395†.
   *May not take both Econ 328 and Soc 328.
   †May be repeated with appropriate American Studies subtitles (9 credits maximum).

3. Electives, 12 credits from the list below. You may NOT count courses for both categories 2 and 3.
   c. English 313a, 313b, 329, 360.
   g. Sociology 300, 327, 328*, 364, 366, 368.
   h. Art 390, 391.
   i. Dance 352.
   j. Music 329.
   k. Theatre 361, 362.
   l. American Studies 395, 397.
   m. Anthropology 339
   *May not take both Econ 328 and Soc 328.
   †May be repeated with appropriate American Studies subtitles (9 credits maximum).

4. Electives: To meet the 40 credit upper-level requirement and the 120 credit minimum for graduation, you may select courses from any area that will add to your educational goals.

5. Senior experience: See below.

B. Working in a Global Economy Option

1. Fundamental requirements, 18-19 credits. Take at least one course from 4 of the 6 areas below. Take remaining courses from any area.
   a. Accounting 210; Business 320; Econ 110.
   b. Computer Information Systems 101, 102 (concurrent enrollment with 101), 300.
   c. Communication 240, 280.
   d. English 250, 253, 254, 351.
   e. Philosophy 121.
   f. Statistics, 4 credits. Economics 310 or Math 355 or Psychology 300 or Sociology 351.

2. Area of emphasis, 21 credits. Take at least 3 courses from one of 4 below. Take remaining courses from a-e below.
   b. Language: At least 9 credits in one language beyond the 212 level.
   d. Psychology/sociology: Psychology 260, 301, 345, 351, 385; Sociology 230, 308, 310, 327, 368.
   e. Internship: 1-3 cr. American Studies 397.
   †May be repeated with appropriate American Studies subtitles (9 credits maximum).

3. Electives: To meet the 40 credit upper-level requirement and the 120 credit minimum for graduation, you may select courses from any area that will add to your educational goals.

4. Senior experience: See below.

American Studies Minor

Consists of 24 credits.

1. Foundation requirements, 9 credits. History 176, 177, Political Science 101.

2. Core requirements, 6 credits. Take two of the courses listed below (one must be a 300-level course):
   a. Computer Information Systems 300; Economics 311, 315, 328*; English 213, 214, 313a, 313b, 360; History 386, 387, 388, 395†; Music 105; Political Science 310, 320, 391; Sociology 300, 327, 328*.

3. Electives, 9 credits from the list below:
   a. American Studies 395†, 397; Anthropology 339; Art 390, 391; Computer Information Systems 300; Dance 352; Economics 311, 315, 328*, 374; English 313a, 313b, 320, 329, 360; History 280, 284, 285, 288, 289, 290, 291, 292, 295, 302, 377, 378, 380, 384, 386, 387, 388, 392, 393, 395†.
   d. Sociology 300, 327, 328*, 364, 366, 368.
   e. Art 390, 391.
   f. Dance 352.
   g. Music 329.
   h. Theatre 361, 362.
   i. American Studies 395, 397.
   j. Anthropology 339
   *May not take both Econ 328 and Soc 328.
   †May be repeated with appropriate American Studies subtitles (9 credits maximum).

4. Electives: To meet the 40 credit upper-level requirement and the 120 credit minimum for graduation, you may select courses from any area that will add to your educational goals.

5. Senior experience: See below.

At least 6 of the credits must be at the 300 level or higher.
Senior Experience, 1 credit. American Studies 399, required during the final 30 credits before graduation. This capstone course gives you the opportunity to apply expertise learned in the major and encourages you to become more actively involved in the major. Select 1 or 2 below.

1. This independent study involves a significant research paper or similar product, supervised and approved by a faculty member in one discipline represented in the major. Topic should provide continuity and bring integrated closure to the major.
2. This independent study involves a project approved and supervised by the American studies coordinator, such as a community-based project that provides practical application of and reflection upon your coursework.

**Academic Standards**

To graduate with a major in American Studies you must have a cumulative GPA of 2.00 in all courses required for the major, including transfer courses. You may test-out and/or receive credit-by-exam for all general degree requirement (GDR) courses. To test-out but not receive credit for all other courses in the major, please consult with the American studies coordinator. You may take an exam for credit or test-out only once.

**Test-Out and Credit-by-Exam Policy**

You may test-out and/or receive credit-by-exam for all general degree requirement (GDR) courses. To test-out but not receive credit for all other courses in the major, please consult with the American studies coordinator. You may take an exam for credit or test-out only once.

**Collaborative Degree Program**

Web: [http://www.uwsp.edu/cols/cdp](http://www.uwsp.edu/cols/cdp)

The American studies major is part of the Collaborative Degree Program where students may attend evening classes at any of several campuses. For more information call 715-295-8900.

**Courses in American Studies**

AMST 395. Topics in American Studies. 1-3 cr. Subtitle will designate discipline and topic. May repeat under different subtitles for 9 cr max.

AMST 397. Internship in American Studies. 1-3 cr. Participate in supervised work program that you arrange with your adviser at a cooperating organization. Credit determined by adviser and American studies coord. May repeat for 3 cr max.

AMST 399. Independent Study for Senior Experience. 1 cr. Capstone experience for American studies major. Define, devise and pursue individual paper or project integrating disciplines from the major. Individual faculty supervision. Prereq: Cons American studies coord.

**Anthropology**

(College of Letters and Science)

James Sage, Chair of Philosophy Department
Room 489A, Collins Classroom Center
Phone: 715-346-3340
E-mail: philosophy@uwsp.edu
Web: [http://www.uwsp.edu/philosophy](http://www.uwsp.edu/philosophy)

Faculty: S Alemán, S Ganapathy, I Choi,

Courses in anthropology are administered by the Philosophy Department.

Definition: Anthropology is the study of human cultural, linguistic and biological diversity, attending to both contemporary contexts as well as human history/prehistory.

Mission: Anthropology, housed in the Department of Philosophy, offers students education in the skills of critical thinking, written and oral communication, and empathetic engagement with diverse worldviews, cultures, ethical systems and religions. The education we offer equips you with the skills needed for a wide variety of professional careers and with the ability to adapt to the inevitable changes and challenges you will face after graduation in an increasingly globalized world. In addition, the Anthropology unit emphasizes the development of reflexive thought, ethnographic fieldwork and writing, and tolerant dialogue regarding difference and identity.

**Anthropology Minor**

Consists of a minimum of 18 credits including:

1. Anthropology 101 or 110 and one from 311, 315 or 325.
2. Six additional credits in anthropology.
3. The remaining 6 credits may be completed with electives selected from appropriate courses in one or two of the following areas: anthropology, art and design, business and economics, communication, education, English, foreign languages, geography and geology, history, interior architecture, music, natural resources, philosophy, political science, religious studies, sociology, or theatre. Collateral courses must be approved by a member of the anthropology faculty.

**Academic Standards for Anthropology**

1. To ensure that your program is as well planned as possible, you must have an anthropology adviser.
2. You must have your adviser’s approval for all courses you select to apply to the minor.
3. To be accepted and retained as a minor and approved for graduation, you must have a minimum grade point average of 2.50 in courses counted toward the minor, including transfer courses and regardless of any declaration of academic bankruptcy. Courses taken pass/fail or with a grade lower than C- may not be counted toward the minor. The department chair may allow exceptions. You may repeat a course in the minor only if you follow the policy on repeating courses found in the More Academic Information section of this catalog.
4. Courses in anthropology are open to all students who meet the prerequisites.

**Ethnobotany Minor**

Stephanie W. Alemán
Assistant Professor of Anthropology and Ethnobotany
Department of Philosophy
Room 420, Collins Classroom Center
Phone: 715-346-4055
E-mail: saleman@uwsp.edu

Virginia Freire
Associate Professor of Biology/ Botany and Ethnobotany
Department of Biology
Room 302, Trainer Natural Resources Building
Phone: 715-346-4252
E-mail: vfreire@uwsp.edu

Definition: Ethnobotany is an interdisciplinary approach to understanding the relationships between plants and humans. Through an understanding of the biological and cultural aspects of these relationships, ethnobotany seeks...
to understand the practical, material, symbolic and identity-forming potential of plants for human populations. Ethnobotany is also concerned with the ethical and political aspects of global plant consumption, usage and ownership through the mechanism of intellectual property and the relationships between western ideals of conservationism and environmentalism and non-western cultures and practices.

The minor consists of a minimum of 26 credits including:
1. Anthropology 101 or 110.
2. One course from Anthropology 335, 339, 345.
3. Anthropology 380.
4. One course from Anthropology 320, English 392, Philosophy 380, Religious Studies 316,
5. Biology 130, 342, 353, 399 (Field Work in Ethnobotany).

**Courses in Anthropology**

ANTH 101(NW). Human Diversity. 3 cr. Introduction to anthropology that includes human evolution and biological diversity, human cultural and linguistic diversity, and archaeology. GDR:SS1

ANTH 102. Introduction to Archaeology. 3 cr. Introduction to the anthropological subfield of archaeology, which studies human cultures through the recovery, documentation, analysis, and interpretation of material remains and environmental data.

ANTH 105. Introduction to Biological and Physical Anthropology. 3 cr. Investigates the mechanisms of human and non-human primate biological evolution, genetic inheritance, human adaptability and variation, as well as the intersections of forensic anthropology and bioarchaeology including the fossil record of human ancestors. GDR: SS1

ANTH 110(NW). Contemporary Cultural Diversity. 3 cr. Introduces the field of cultural anthropology, and with examples, explores the contemporary challenges faced by diverse peoples around the world. GDR:SS1

ANTH 125(NW). Wisconsin Indian Cultures. 3 cr. Introduction to prehistoric, historic and contemporary American Indian cultures of Wisconsin. GDR: SS1

ANTH 199. Reading in the Discipline. 1 cr; pass/fail. Improve reading and thinking skills in anthropology. Taken in conjunction with designated sections of anthropology courses.

ANTH 311. Human Evolution. 3 cr. The study of human evolution, including anatomical, physiological and behavioral adaptations, primate ecology and behavior, and population dynamics. Intro biology course recommended as preparation.

ANTH 315(NW). Principles of Archaeology. 3 cr. Theory and methods of archaeology. Examine world archaeology, especially North America. GDR: SS1

ANTH 320(NW). Anthropology of Religion. 3 cr. Explore diversity of religious practice worldwide with in-depth exploration of selected traditions. GDR: SS1

ANTH 325. Culture and Language. 3 cr. Survey anthropological linguistics. Topics include evolution of language, basic language structure, how language structures and reflects cultural and social differences, and the preservation of language diversity. GDR: SS1.

ANTH 335(NW). Native Amazonian Peoples. 3 cr. Survey cultures of native South Americans with predominantly non-European ancestry. In-depth exploration of selected peoples of indigenous and African/indigenous ancestry. ANTH 110 recommended. GDR: SS1

ANTH 338(NW). Peoples of the Pacific. 2-3 cr. Ethnological survey, cultural organization of Pacific societies and significance of social change. GDR:SS1

ANTH 340. Field and Laboratory Techniques in Archaeology. 3 cr. Techniques, methods and procedures of field and laboratory archaeology discussed and practiced in actual working conditions on an archaeological excavation. Summer only. May repeat for 6 cr max.

ANTH 345(NW). Native Peoples and Cultures of MesoAmerica. 3 cr. Explore societies and cultures of the indigenous peoples of Mexico and Central America from prehistory to the present. ANTH 101 or 110 recommended. GDR: SS1

ANTH 350. Cultural Ecology. 3 cr. How cultures interact and adapt to their material and social environments. Prereq: 101 or Sociology 101 or cons instr. GDR: EL

ANTH 353. Cultural Emphasis in Ethnobotany. 3 cr. Human/plant relationship from a variety of cross-cultural perspectives meant to shed light on the use of plants as a form of symbolic expression in terms of belief systems, identity construction, ethics, political systems, and worldview. Prereq: 110 or 101, or Biol 130, 160.

ANTH 371(MNS). Contemporary Topics in the Anthropology of Native North America. 3 cr. Introduction to aspects of contemporary cultural and social life in Native North American communities. Topics include: the politics of identity and race, economic development, cultural revitalization and the emergence of global indigenous movements. Prereq: 110 or 101.

ANTH 372. Environmental Anthropology. 3 cr. Upper-division seminar. Employ contemporary and historical anthropological theories in order to better understand cultural aspects of human-environmental interactions, as well as contemporary challenges of environmental conflict and global environmentalism. Prereq: 110 or 101.

ANTH 380(NW). Anthropology of Health and Disease. 3 cr. Anthropological approaches to the knowledge and understanding of health and disease in various cultures. GDR: SS1

ANTH 390/590. Special Topics in Anthropology. 1-3 cr. Subtitle will designate area. May repeat for credit with different subtitle.

ANTH 392. Anthropology Internship. 1 cr; pass/fail. Intern provides small group writing and reading assistance in selected anthropology courses. Prereq: Cons instr.

ANTH 393. Field Research in Anthropology. 1-3 cr. Direct observation of anthropological data within an environmental context; required readings and field notebook. May repeat with change of locale/topic. May not earn credit in Geog 393 or Geology 393 under same topic/locale.

ANTH 395/595. Special Topics in Anthropology. 1-3 cr. Subtitle will designate area. May repeat for credit with different subtitle.

ANTH 399. Independent Study. 1-3 cr. Independent study of any area of anthropology arranged with instructor and cons chair. Credit based on scope of project. May repeat for 6 cr max.

**Aquaculture/ Fish Culture**

(College of Letters and Science)

Chris Hartleb, Coordinator
Room 442, Trainer Natural Resources Building
Phone: 715-346-3228
E-mail: chartleb@uwsp.edu

Definition: Aquaculture is the discipline that studies the culture of finfish, methods of production, environmental and ecological manipulation and assessment, selective breeding, nutrition, diseases, processing, marketing and operation of culture facilities. The importance of aquaculture has increased as natural stocks of fish have declined and human consumption has continued to rise.

**Aquaculture/ Fish Culture Minor**

Consists of 27 credits including:
1. Required, 17 credits: Biology 374; Biology 375 or Water 481; Biology/ Water 386; Water 480; Business 320.
2. Electives, at least 10 credits from Biology 333, 362, Biology 499 or Water 381; Biology/Water 338, 361; Business 330; Water 387, 494, 496; Waste Mgmt 488 or Wildlife 360; Wildlife 322.
Enrollment Management Plan
The Department of Art and Design is a limited enrollment program. Students admitted to the university are accepted into the department in order of application. We encourage you to apply as early as possible.

Professional Opportunities in Art/Design
Art and design graduates are employed in commercial and private firms, government, industry, and education fields. Some become self-employed professional artists and crafts people. Programs of study in the department prepare you for careers in the visual arts, graphic or advertising design. Employment in a museum/gallery or as an art program director, crafts program director, studio artist, designer, and art administrator are among many other possibilities.

Recommended High School Preparation
In addition to the usual university requirements for admission and entry into any of the art and design programs, high school courses in art and drafting are highly recommended. In addition, if you are planning to enter the professional art and design BFA (Bachelor of Fine Arts) program, four years of English, one year of algebra, two years of foreign language, and two years of science in high school are recommended.

Curricula in Art and Design
You may choose from a variety of courses specifically related to a career or emphasis area. All of the programs are approved by professional agencies. The Department of Art and Design prepares a curriculum guide and provides an adviser who assists you in planning your long-range program. You may use your electives to broaden your education, strengthen your areas of specialization, or in some cases, meet the needs of two programs of study.

General Requirements
Study in a variety of areas of knowledge is required of all undergraduates, and these requirements vary depending on the particular degree. The Department of Art and Design offers the Bachelor of Arts and the Bachelor of Fine Arts degrees. See the previous section of this catalog entitled General Degree Requirements.

Courses for Nonart Majors
Subject to availability, courses in the Department of Art and Design are open to all students who meet the prerequisites and secure department permission. You do not need prior consent for courses that are open to nonart majors.

Exhibition Material, Visiting Artist/ Lecturer Program, and Edna Carlsten Gallery
The department reserves the right to retain examples of student work for exhibition purposes. The department also maintains an ongoing program of visiting artists and lecturers to supplement the curriculum, and a cooperative schedule of operations and exhibitions with the Edna Carlsten Gallery, housed in the Noel Fine Arts Center. The gallery regularly displays traveling shows and exhibits for student and public viewing.
Art 270 and 271 serve as prerequisites for non-Western upper level Art History courses, while Art 282 and 283 serve as prerequisites for Western upper level Art History courses (see catalog descriptions to see which survey courses serve for specific upper level courses).

**Art Major (BA)**

The Bachelor of Arts is the liberal arts degree. The BA can be earned in either of two ways:

1) **Studio Art Emphasis**, with a focus on art and design in the context of a broad program of general studies. The Studio Art Emphasis B.A. major encourages study in a variety of disciplines and consists of 45 credits in the Department of Art and Design as follows:
   a. Studio Art foundation, 12 credits (see above).
   b. Art History Foundation, 6 credits (see above).
   c. Art history, 6 credits, upper level.
   d. Electives: 21 credits (plus all prerequisites) selected from Art 201, 205, 206, 207, 215, 221, 222, 234, 236, 251, 252, 253, 261, 298 (sections 20-39), 303, 304, 305, 310, 320, 321, 334, 336, 351, 353, 355, 356, 361, 398 (sections 20-39), Art 399 (sections 20-39) may be taken by BA art majors only in semester abroad programs.

2) **Art Historical Emphasis**, with a combination of studio art courses plus a strong art historical preparation. The standards for this B.A. in Art are those needed for admission into graduate school in Art History. The B.A. in Art with Art Historical Emphasis consists of 68 credits, including 8 credits of foreign language.
   a. Studio Art Foundation, 12 credits (see above).
   b. Foundation courses in Art History, 12 credits: Art 270, 271, 282, and 283.
   c. Advanced Art History, 21 credits selected from:
      i) At least two must be Asian topics. Choose from Art 370, 371, 372, 373, 374, 375, 378, 380, 386.
      ii) At least two must be western topics. Choose from Art 382, 383, 385, 386, 387, 388, 389, 390, 391, 392, 394, 397.
   e. Capstone Course, 3 credits: Art 492.
   f. Foreign Language. 8 credits. Faculty will consult with students concerning which languages to study, according to their educational goals.

Art 270 and 271 serve as prerequisites for non-Western upper level Art History courses, while Art 282 and 283 serve as prerequisites for Western upper level Art History courses (see catalog descriptions to see which survey courses serve for specific upper level courses).

**Admission to the Art History Emphasis Area:**

Admission to the Art History emphasis area is selective based on an evaluation procedure. This takes place late in the spring semester. You may apply when you’ve completed at least three studio foundation courses and at least three art history foundation courses, with the fourth either complete or in process.

The evaluation will include an application and interview, supported by review of final exams from at least three art history foundation courses, plus an essay exercise to demonstrate excellent academic performance, writing skills and an overall ability to excel in art history coursework. In the evaluation, you must demonstrate both the ability and the commitment to complete the Art History Emphasis Area to the standards required for admission to graduate school in Art History. If you are not admitted into the Art History Emphasis Area, you will still be in good standing in the B.A. with Studio Art Emphasis, assuming your GPA meets the department standards (see below).

**Academic Standards in the Art History Emphasis Area:**

You must meet the minimum overall 2.67 GPA for all art courses (studio and history). If your GPA is below 2.67, you may not enter or continue in the Art History emphasis area (there is no academic probation in this program). 300-level and 400-level art history courses cannot be counted towards the art history emphasis area if the grade is below 2.67, but all art course grades count towards the art GPA.

**Art Major (BFA)**

The Bachelor of Fine Arts is the professional arts degree, with a focus on intensive work in art and design, supported by a program in general studies. The B.F.A. program prepares students for professional careers in the visual arts. In accordance with the standards of the National Association of Schools of Art and Design, the major consists of 80 credits in the Department of Art and Design, as follows:

1. Studio Art foundation, 12 credits (see above).
2. Art History Foundation, 6 credits (see above).
3. One art emphasis area listed below (foundation and emphasis total 80 credits).
4. Distribution of course subjects as specified for the emphasis area. Art 420 may count in only one category, either 2-D or 3-D.
5. Art history: 6 credits at 300 level (includes Art 393).
6. Capstone courses as specified for each emphasis area (e.g., internship, senior seminar, senior gallery show or senior portfolio show).
7. BFA majors must also pass the BFA Portfolio Review, as specified below.

**Art & Design Emphasis Options**

**Two-Dimensional Emphasis:**

1. Studio Art foundation, 12 credits (see above).
2. Art History Foundation, 6 credits (see above).
389, 390, 391, 392, 393, 394, 396, 397, 398 (sec 40-49), 399 (sec 40-49), 498 (sec 40-49).

4. Studio art courses, 48 credits as follows:
a. WITHIN 2-D EMPHASIS, 39 credits. (Must take Art 234 and 236). Choose from 215, 221, 222, 298 (sec 20-29), 303, 304, 310, 320, 321, 334, 335, 336, 340, 398 (sec 20-29), 399 (sec 20-29), 401, 402, 403, 404, 417 (6 cr max), 420, 421, 434, 436, 498 (sec 20-29).
b. OUTSIDE EMPHASIS (2-D and GD) 9 credits, (at least 6 credits must be in 2-D).
   - GD – choose from any of the courses listed in the 2-D emphasis.
   - 2-D: (Must take Art 234 and 236). Choose from: Art 206, 207, 309.

5. Capstone, 8 credits: 490 and 491.

Three-Dimensional Emphasis:
1. Studio Art foundation, 12 credits (see above).
2. Art History Foundation, 6 credits (see above).

4. Studio art courses, 48 credits as follows:
b. OUTSIDE EMPHASIS (2-D and GD) 15 credits.
   - 2-D – (Must take Art 234 and 236). Choose from: any of the courses listed in the 2-D emphasis.

5. Capstone, 8 credits: Art 490 and 491.

Graphic Design Emphasis:
1. Studio Art foundation, 12 credits (see above).
2. Art History Foundation, 6 credits (see above).

4. Studio art courses, 48 credits as follows:
a. WITHIN GD EMPHASIS, 24 credits (Must take Art 206, 207, 308, 309, 311, 410, 412, 413).
b. OUTSIDE EMPHASIS (2-D AND 3-D) 24 credits.
   - 2-D – (Must take Art 215, 234, 236). May choose from any of the 200, 300, or 400 level courses listed in the 2-D emphasis.
   - 3-D – Choose at least one from any of the 200, 300, or 400 level courses listed in the 3-D emphasis.

5. Design internship, 4 credits as follows: (Must take Art 419 or 4 cr of 417). If 417 is taken for more than 4 credits, up to 3 credits may be applied as credits outside emphasis.

Art History Minor
Consists of 24 credits:
1. Art 270, 271, 282, 283. Correct prerequisites from this group must be taken before taking corresponding upper level classes (Art 181 cannot be used as a prerequisite).
3. Distribution:
c. Art 396, 397, 398 (sections 40-49), 399, (sections 40-49) 492, and 498 (sections 40-49) count for distribution according to the specific subtitle (or research paper topic in 492).
d. If you're pursuing the B.A. degree with Art Historical Emphasis, you may NOT pursue the Arts History minor.

Academic Standards
All art and design students must meet the academic entrance requirements of the university. Since individual development is an expectation, you should be prepared to present a portfolio of artwork for review and evaluation periodically throughout the program as requested.

Transfer credits: Please refer to the university policy on transferred credits in the More Academic Information section, earlier in this catalog.

Entry status: All entering art and design majors (freshmen, changes of major, and transfers) are accepted into the art program as BA majors. Acceptance into the BFA is by passing the BFA Portfolio Review, as described below.

The Department of Art and Design has the following standards for continuation in its programs:

Art Foundation Requirement: You need a 2.67 or higher GPA in the art foundation (Studio Art Foundation and Art History Foundation combined), including transfer credits and regardless of any declaration of academic bankruptcy, to maintain your status as an art major and to qualify for the BFA Portfolio Review. The foundation consists of Art 101, 102, 103, 104, and 6 credits of 200 level Art History.

BFA Portfolio Review: Passing the BFA Portfolio Review is required for admission into the BFA (professional) program. This review, conducted by art and design faculty, occurs in spring. You must have completed Art 101, 102, 103, 104 and choice of six credits from other art studio courses.

The review must take place before you complete 24 studio art credits. If you complete 24 studio art credits during the fall semester, you must complete the review the following spring. You may attempt the BFA Portfolio Review only once.

At the time of the review, you may apply for up to two emphasis areas. If you do not pass the BFA Portfolio Review, you may maintain BA status in the Department of Art and Design. Graduating with a BA degree is contingent upon meeting the specific BA GDR requirements.

BFA Requirement: In order to complete the BFA program, you must satisfy art foundation and portfolio requirements and maintain a 2.67 or higher GPA in all art courses. This includes transfer credits and applies regardless of any declaration of academic bankruptcy. For graduation, you must also successfully pass Art 491.

BA Requirement: In order to complete the BA program you must maintain a 2.67 or higher GPA, including transfer
courses. In a course with a significant research component, a series of exercises different from those used in the existing course will be waived, you will receive credit for the course, and the course may count toward an art major and/or minor if appropriate.

The cumulative exam will consist of a specific exercise or series of exercises different from those used in the existing course. In a course with a significant research component, you may be required to do an appropriate project. You may take a test-out/credit-by-exam test only once.

Probation
If your GPA is below the minimum requirement, you will receive a warning that your academic status is unsatisfactory. If your GPA falls below the minimum requirement for two consecutive semesters, you will be dismissed as a major. The department policy on repeating courses and academic bankruptcy requires prior department authorization, but is otherwise the same as general university policy, except where higher department GPA requirements apply.

Academic Appeal
You may appeal any action taken by the Department of Art and Design that is based on departmental requirements and policies that are set forth in this catalog. You must appeal in writing to the department chair within 30 days of notification of the action taken. The department chair will determine whether a review is appropriate. If so, a review team, composed of a faculty member appointed by the chair and a faculty member that you select, will review the matter and give a recommendation to the chair.

Courses in Art and Design
ART 101. Design: Two-dimensional. 3 cr. Fundamental visual elements, issues, and principles of two-dimensional design as a foundation for further study in the visual arts and design. May not earn credit in both Art 101 and Interior Architecture 101.

ART 102. Design: Three-dimensional. 3 cr. Fundamental visual elements, issues and principles of three-dimensional design as a foundation for further study in the visual arts and design.

ART 103. Basic Drawing I. 3 cr. Basic drawing using various materials and techniques.

ART 104. Drawing II. 3 cr. Foundations drawing using a variety of media and approaches with emphasis on conceptual development and color theory/ application. Prereq: 103.

ART 181(NW). History of the Visual Arts. 3 cr. Survey of world art and architecture. Directions, functions, influences of visual image and structures in world culture. Nonart majors may use 181 in lieu of 282 or 283 as prerequisite upper level art history courses. (181 does NOT count if you have already taken a higher level art history course.) GDR: HU1

ART 199. Special Work. 1-3 cr. Freshman and Sophomore art majors may arrange for special work with a cons chair and appropriate faculty member. Credit based on scope of project. May repeat for 6 cr max. Sec 1-9, graphic design; sec 21-29, 2-D; sec 31-39, 3-D; sec 41-49, art history. Prereq: cons instr and cons chair.

ART 201. Intermediate 3-D Studio Design. 3 cr. Applied 3-D design theory and concepts using 3-D computer modeling and traditional 3-D materials. Prereq: 101, 102 or cons instr.

ART 205. Beginning 3-D Computer Animation. 3 cr. Beginning elements and techniques of three-dimensional (3-D) computer animation. Includes solid modeling, time based motion, materials, lighting, and camera work. Prereq: 101, 102 or cons instr.

ART 206. Basic Letterform. 3 cr. Drawing skills in translating letter forms through various media leading to form and symbol development. Prereq: 101 and 102, or cons instr.

ART 207. Basic Graphic Design. 3 cr. Structure of words and images in graphic design. Basic principles of typographic design. Prereq: 101, 102, or cons instr.

ART 215. Basic Photography. 3 cr. Introduction to black and white photography as expressive creative medium. Historical and contemporary issues, both technical and aesthetic, emphasizing development of skills necessary to use photographic medium and personal application. Student must furnish light meter and camera with adjustable aperture and focusing. Prereq: 104 or cons instr.

ART 221. Printmaking Survey I: Intaglio and Relief. 3 cr. Introduction to intaglio and relief printmaking as an expressive art form through demonstrations, practice and readings. Prereq: 103, 104 and cons instr.

ART 222. Printmaking Survey II: Monotype and Lithography. 3 cr. Introduction to monotype and lithographic printmaking as an expressive art form through demonstrations, practice and readings. Prereq: 103 and 104.

ART 234. Basic Painting. 3 cr. Introduction to oil painting, with traditional and contemporary methods. Develop critical judgment by exploring technical, conceptual, historical perspectives. Prereq: 104.

ART 236. Life Drawing. 3 cr. Drawing the human figure with attention to anatomy, using a variety of media. Prereq: 103.

ART 251. Introduction to Sculpture: Fabrication and Installation. 3 cr. Introduction to sculptural concepts, processes and materials that require fabrication methods, including metal working techniques, and explore relationships between concept, site, space and form. Prereq: 101, 102, 103, 104, or cons intr.

ART 252. Introduction to Sculpture: Modeling, Mold Making, Casting. 3 cr. Introduction to sculptural concepts, methods and materials unique to casting processes. Includes, but not limited to, rendering and modeling in clay and/or wax, mold-making techniques, lost-wax casting, and casting in one or more of the following materials: glass, metals and/or alternative materials. Prereq: 101, 102, 103, 104, or cons instr.

ART 261. Basic Ceramics. 3 cr. Introduction (based on clay and glaze calculations and chemical theory) to variety of ceramic materials and processes of forming, finishing, and firing. Also, manipulative and technical skills, aesthetic exploration, ceramic tradition and contemporary trends. Prereq: 102 and 104.

ART 270(NW). Survey of Asian Art I. 3 cr. Survey of the visual arts of China, Japan, and India from the Neolithic period through the 13th Century CE. Religion, philosophy, and parallel arts are also studied to understand the critical relationship between art and society. GDR: HU1

ART 271(NW). Survey of Asian Art II. 3 cr. Survey of the visual arts of China, Japan, and India from the 13th Century CE to the modern period. Religion, philosophy, and parallel arts are also studied to understand the critical relationship between art and society. GDR: HU1

ART 282. Survey of Western Art History I. 3 cr. History of art in ancient and medieval cultures; emphasizing historical, cultural, religious, economic, and political factors that influenced the architecture, painting, and sculpture of Egypt, the ancient Near East, Greece, Rome, Byzantium, and medieval Western Europe. GDR: HU1

ART 283. Survey of Western Art History II. 3 cr. History of art from the 13th century to the present, emphasizing historical, cultural, religious,
economic, and political factors which influenced the architecture, painting, and sculpture of Europe and the U.S. GDR: HU1.

ART 298. Special Topics. 1-3 cr. Introductory level group work in one medium, technique or area. Subtitle/credit vary. May be repeated for credit under different subtitles. Sec 1-9, graphic design; sec 21-29, 2-D; sec 31-39, 3-D; sec 41-49, art history.

ART 299. Special Work. 1-3 cr. Freshman and Sophomore art majors may arrange for special work with cons chair and approv faculty member. Credit based on scope of project. May repeat for 6 cr max. Sec 1-9, graphic design; sec 21-29, 2-D; sec 31-39, 3-D; sec 41-49, art history. Prereq: cons instr and cons chair.

ART 305. Intermediate 3-D Computer Animation. 3 cr. Elements and techniques of three dimensional (3-D) computer animation. Includes solid modeling, animation, material editing, advanced lighting, camera work, and techniques of video integration and video editing. Prereq: 205 or cons instr.

ART 308. Typography. 3 cr. Intermediate design of letterforms and typography through hand and computer created techniques. Aesthetic issues of form and proportion. Historical developments in typographic design and visual communication. Prereq: 206, 207, or cons instr. Pass portfolio review. (I)

ART 310. Illustration. 3 cr. Technical and graphic illustration using a variety of techniques and materials. May repeat course with cons instr. Prereq: 236 or cons instr.

ART 311. Intermediate Graphic Design. 3 cr. Combines photographic, typographic, and rendered elements in applied professional and sequential problems, emphasizing design for print processes. Prereq: 308 or cons instr. Pass portfolio review. (I)

ART 321. Intermediate Printmaking. 3 cr. Continued study in printmaking using greater understanding of advanced techniques and concept development to see how the printmaking medium can be used for more effective individualized expression. Prereq: 221 or 222.

ART 334. Intermediate Painting. 3 cr. Problem solving in painting with emphasis on personal ideas, goals, and self-evaluation. Research historical and contemporary ideas, styles, methods, and materials relative to individual application in painting. Prereq: 234.

ART 335/535. Landscape Painting and the Environment. 3 cr. Investigate genre of landscape painting "en plein aire" (on location) in an opaque medium. Color development. Effects and interactions of human societies with the natural environment. History of landscape painting genre and relationships of geologist and artist. GDR: EL

ART 336. Life Drawing. 3 cr. Continued study of human figure emphasizing experimental work. Prereq: 236.

ART 340. Visiting Artist Abroad: Public Art and Journalism. 3 cr. Research diverse cultural images resulting in the execution of public artwork or developing of a studio facility, as a visiting artist at a hosting facility. Research and produce preliminary drawings and execute a public artwork on site. Create personal journals of visual and cultural experiences. Participate as visiting artist at hosting facility and hold workshops with the local student community. Upon returning to UWSP, exhibit artwork inspired by the experience. Prereq: art foundation and/or cons instr.

ART 351. Intermediate Sculpture: Concepts in Fabrication, Installation and Casting. 3 cr. (may be repeated for up to 6 cr). Conceptual and formal development of fabricated, cast and installation work. Develop and expand upon concepts and methods covered in Art 251 and 252. Prereq: 251, 252, or cons instr.

ART 354. Welding and Fabrication. 3 cr. Metal processes including welding and fabrication; also technical skills, research, and assigned projects to focus on concepts and specific media. Cross-cultural overview of related works. Prereq: 251.

ART 355. Intermediate Sculpture: Kiln-Working Glass. 3 cr. (may be repeated for up to 6 cr). Explore glass as a sculptural medium using kiln-working methods: fusing, slumping, casting and other related techniques. Also includes cold-working methods; grinding, engraving, carving, sandblasting, and polishing. Explore conceptual and formal development of work in glass. Prereq: 355, or cons instr.

ART 356. Intermediate Sculpture: Hot-Working Glass. 3 cr. (may be repeated for up to 6 cr). Explore glass as a sculptural medium using hot-working methods which may include: casting, solid working, glass blowing and other related techniques. Explore conceptual and formal development of work in glass. Prereq: 355, or cons instr.

ART 370 (NW). Early Chinese Art and Archaeology. 3 cr. Survey of the art, architecture, and archaeology of early China from the Neolithic period through the Han Dynasty (3rd Century CE). Relevant mythological, historical, and philosophical texts in translation are also considered. Prereq: 270 or cons instr.

ART 371 (NW). Early Imperial Chinese Art. 3 cr. Survey of early imperial painting, architecture, and sculpture from 221 BCE to 906 CE. Topics include funerary arts and the impact of Buddhism. Prereq: 270 or cons instr.

ART 372 (NW). Late Imperial Chinese Art. 3 cr. Survey of late imperial Chinese painting, architecture, and sculpture from 906 to 1911 CE. Prereq: 271 or cons instr.

ART 373 (NW). Modern and Contemporary Chinese Art. 3 cr. Survey of modern and contemporary Chinese painting, architecture, and sculpture from 1950 until the present. Prereq: 271 or cons instr. GDR: HU1

ART 374 (NW). Ancient and Medieval Japanese Art. 3 cr. Survey of Japanese painting, sculpture, and architecture from the Neolithic period through the 17th century. Prereq: 270 or cons instr.

ART 378 (NW). Art Along the Ancient Silk Road. 3 cr. Explore cultural and artistic connections between China, Central and Western Asia, and the Mediterranean during pre-modern times. Accounts of merchants, monks, and adventurers who traveled the Silk Road will also be studied. Prereq: 270 or cons instr.

ART 380 (NW). Cultural History of Crafts. 3 cr. Survey crafts of diverse groups including North and South American Indians, European folk cultures, Asian continent and island nations. Discover and appreciate non-Western groups and women in the visual arts. GDR: HU1

ART 382. History of Ancient Greek Art. 3 cr. Survey of ancient Greek art, archaeology, and architecture; plus historical, social, cultural, and political conditions that influenced Greek art in the Bronze Age and the Archaic, Classical, and Hellenistic periods. Prereq: 282.

ART 385. Italian and Northern Renaissance Art I, 1250-1450. 3 cr. Survey of Italian Renaissance painting, architecture, and sculpture, from Proto-Renaissance to peak of the Quattrocento; also early northern Renaissance art. Prereq: 283.

ART 386. Italian and Northern Renaissance Art II, 1450-1600. 3 cr. Survey of Italian Renaissance painting, sculpture, and architecture, from the middle of the Quattrocento through Mannerist period; also northern Renaissance and Venetian Renaissance. Prereq: 283.
ART 396(NW). Non-Western Art History in International Programs. 3 cr. Historical survey of art and architecture of 17th-18th centuries-period of the "Great Masters." Relationship between artistic style and history, religion, culture, economics and politics. Artists include Bemini, Caravaggio, Poussin, Rembrandt, Wren, Watteau. Prereq: 283.

ART 388. European Art: Neo-Classicism through the early 19th Century. 3 cr. Survey of European art from Neo-Classical period through early 19th century. Emphasis on relationships between contemporary society and politics, artistic philosophies, and artistic style. Artists and styles include Neo-Classicism, David, Ingres, Romanticism, Goya, Gericauld, Delacroix, Constable, Turner, etc. Prereq: 283.

ART 389. Birth of Modernism in European Art. 3 cr. Historical survey of European art and its social, political and philosophical climate from the inception of modernist artistic philosophies in the mid-19th century to their fruition in the early 20th century. Artists and styles include Whistler, Manet, Impressionism, Post-Impressionism, Divisionism, Munich, Van Gogh, figural expressionism, etc. Prereq: 283.

ART 391. American Art II: Late 19th and early 20th Century. 3 cr. Survey of American art from birth of American "modernity" in the late 19th century through the arrival of European Modernism in the early 20th century. Topics include American Landscape painting, Eakins, Homer, Whistler, Cassatt, Sargent, American Impressionism, the Ash Can School, Stieglitz, and the Armory Show. Prereq: 283.

ART 392. American and European Art Since World War II. 3 cr. Survey of all manifestations of contemporary art. Prereq: 283.

ART 393. Graphic Design History. 3 cr. History of development of graphic design. Prereq: two of the following: 270, 271, 282, or 283; or cons instr.

ART 394. Early 20th Century Art in the Western World. 3 cr. Art History of 1900-1945 in Europe and America. Historical, cultural and social issues associated and the development of artists' philosophies will be studied. Movements and events covered include Fauvism, figural expressionism, cubism. The Armory Show and its aftermath, dada, surrealism, Blaue Reiter, die Brücke, constructivism, precisionism, American regionalism, the Harlem Renaissance, de Stijl, the birth of the New York School, etc. Prereq: 283.

ART 396(NW). Non-Western Art History in International Programs. 3 cr. Advanced art history during UWSP semester abroad or study tour in countries and cultures outside of the Judeo-Christian tradition of Western Europe and North America, etc. Subject varies by destination and resources. Emphasis on art and culture of area visited. Art 396/397 may be repeated under different subtitles up to a total of 3 times (9 cr). Prereq: Admis to UWSP study tour or semester abroad. (270, 271 recommended).

ART 397. Art History in International Programs. 3 cr. Advanced art history during UWSP semester abroad or study tour. Subject varies by destination and resources. Emphasis on art and culture of area visited. Art 396 and/or 397 may be repeated under different subtitles up to a total of 3 times (9 cr). Prereq: Admis to UWSP study tour or semester abroad. (282, 283, 283 recommended.) GOR: HUI.

ART 398. Special Topics. 1-3 cr. Group work in one medium, technique, or area. Subtitle/credit vary. May repeat for 9 cr max. Prereq: Vary by topic. Sec 1-9, graphic design; sec 21-29, 2-D; sec 31-39, 3-D; sec 41-49, art history.

ART 399. Special Work. 1-3 cr. Underclass art majors may arrange for special advanced work with cons chair and approp faculty member. Credit based on scope of project. May repeat for 6 cr max. Sec 1-9, graphic design; sec 21-29, 2-D; sec 31-39, 3-D; sec 41-49, art history. Prereq: Pass BFA portfolio review or be admitted to the BA Art History Emphasis. Art History minors may take Art 399 sec. 41-49 without portfolio review, and IA and Arts Management majors may do so for projects associated with participation in International Programs.

ART 405. Advanced 3-D Computer Animation. 3 cr. Elements and techniques of three dimensional (3-D) computer animation. Includes solid modeling, time based motion, advanced material editing, advanced lighting, camera work, and advanced techniques of video integration and editing. Prereq: 305 or cons instr. Pass portfolio review.

ART 410. Graphic Design Processes. 3 cr. Concepts and applications of graphic design through commercial production formats. Design and produce hands and computer mechanicals for various processes, emphasizing skill, craftsmanship, visual aesthetics. Prereq: 311 or cons instr. Pass portfolio review. (II)

ART 413. Advanced Problem Solving in Print Design. 3 cr. Advanced applied problems in print design. Emphasis on formal, intellectual, aesthetic and pragmatic issues. Problems organizing word and symbol to form corporate identity. Work leading to significant portfolio development. May repeat for 6 cr max. Prereq: 311 or cons instr. Pass portfolio review. (II)

ART 417. Internship in International Programs. 3-12 cr. Internship experience during UWSP semester abroad, coordinated by UWSP International Programs. If credit for 417, then may not earn credit in either Art 419 or 420. Prereq: Min 15 credits studio courses beyond foundation, cons chair. Pass portfolio review.

ART 418. Gallery Internship. 1-3 cr. Internship in the Carlsten Art Gallery. Training in philosophical issues of gallery management and exhibition programming. Technical training and practice of gallery management include organizing and hanging shows, planning receptions, grant and fund-raising, etc. May repeat for 3 cr max. Does not count as art elective. Pass portfolio review.

ART 419. Design Internship. 1-4 cr. Professional international, national or regional internship experience in graphic design industry; credit approved on submission of portfolio and written description of experience, in consultation with the internship provider. Class meetings to discuss, present, and document internship; and explore professional design experiences. Prereq: cons instr.

ART 421. Advanced Printmaking. 3-6 cr. Advanced study in printmaking with individualized instruction, image making, and expression. Formal, intellectual, and aesthetic issues. Develop comprehensive, cohesive and technically proficient body of work. May be repeated. Prereq: 321 or 322 or 323. Pass portfolio review.

ART 436. Life Drawing. 3 cr. Content determined by student and instructor, based on previous coursework in life drawing. Prereq: 336 or cons instr. Pass portfolio review.

ART 451. Advanced Sculpture and Professional Development. 3 cr (may be repeated for up to 6 cr). Designed for the advanced student committed to creating a cohesive body of sculptural work with an emphasis on in-depth conceptual, aesthetic, and technical development. Professional development opportunities and preparation...
will also be addressed. Must be self-directed and competent in the equipment and processes necessary for the fabrication of your particular body of work. Prereq: 351, pass BFA Review, or cons instr.

ART 454. Advanced Sculpture and Professional Development. 3 cr (may be repeated for up to 6 cr). Focus on the advanced methods, concepts and approaches to installation and public art and the relationships between concept, site, space and form. Prereq: pass BFA Review, or cons instr.

ART 456. Advanced Sculpture: Concepts in Glass. 3 cr (may be repeated for up to 6 cr). Emphasis on the conceptual development of a cohesive body of sculptural work in glass. Explore advanced methods for working sculpturally with glass. Develop critical thinking skills and an understanding and working knowledge of contemporary artists working in glass processes. Prereq: 356, pass BFA Review, or cons instr.

ART 491. Senior Exhibition. 4 cr. Prepare senior portfolio (graphic design emphasis) or gallery show (2-D or 3-D emphasis). Studio work to enhance and complete student portfolio: organize and install an exhibition in the Edna Carlsten Gallery or participate in the Graphic Design Senior Portfolio Review; faculty evaluation of exhibition. (II) Prereq: Sr st, BFA art major, 490 required for 2D and 3D emphasis. Pass portfolio review.

ART 492. Senior Research Project in Art History. 3 cr. Produce a detailed, advanced scholarly research paper and make a public presentation on an art historical topic agreed to by the professor(s). Prereq: admission to the Art History emphasis area and at least 15 cr. completed in 300-level or higher Art History courses, or cons instr.

ART 498. Special Topics. 1-3 cr. Special work. Prereq: Cons instr. Pass portfolio review. (I)

ART 499. Senior Exhibition. 4 cr. Prepare senior portfolio (graphic design emphasis) or gallery show (2-D or 3-D emphasis). Studio work to enhance and complete student portfolio: organize and install an exhibition in the Edna Carlsten Gallery or participate in the Graphic Design Senior Portfolio Review; faculty evaluation of exhibition. (II) Prereq: Sr st, BFA art major, 490 required for 2D and 3D emphasis. Pass portfolio review.

ART 492. Senior Research Project in Art History. 3 cr. Produce a detailed, advanced scholarly research paper and make a public presentation on an art historical topic agreed to by the professor(s). Prereq: admission to the Art History emphasis area and at least 15 cr. completed in 300-level or higher Art History courses, or cons instr.

ART 498. Special Topics. 1-3 cr. Special work. Prereq: Cons instr. Pass portfolio review. (I)

ART 796. Independent Study. 1-3 cr. Special work. Prereq: Cons instr.

ART 798. Special Topics. 1-3 cr.

Arts Management (College of Fine Arts and Communication)
Room 225, Communication Arts Center
Phone: 715-346-3409

Definition: Arts management combines skills in business, communication and the arts to promote all facets of the arts in any size community. Arts managers are responsible for financing and marketing, developing programs, managing facilities, writing grants, and managing personnel to support artists and arts agencies. The continual growth and complexity of theaters, art centers, dance groups, and music organizations have created a demand for skilled arts administrators who can develop programs, write grants, provide technical assistance, and be responsible managers. This interdisciplinary major is a blend of artistic and managerial courses that provides you with necessary theory and practice to begin a career in arts management or gain acceptance into a graduate program.

This degree program offers preparation in the major with the opportunity, in consultation with your adviser, for a minor area of concentration. The program contains courses in communication, business and the arts with opportunities in music, art, dance, and theatre, two campus-based internships, and finally a semester-long externship in an arts agency in a larger city.

With this major you will better understand the artists' needs and aspirations and see the interrelationship of the arts, communication skills, and business constraints that apply to the financing, producing, promoting, and marketing of the arts. In addition to artistic and cultural values, you will learn practical skills of organizational development, public relations, marketing the arts, and most importantly leadership in the arts.

Arts Management Major (BA)
2. Communication, 12 credits: Communication 221, 230, 334 and 431.
3. Creative arts: In consultation with the adviser, select 12 credits of courses from music, theatre, dance, art.
4. Arts management, 22 credits required: Arts Management 195, 280, 380, 395, and either 480 or 485 plus 6 additional credits selected in consultation with the International Programs Office.
5. Minor: Choose a minor in consultation with the arts management adviser. Courses in the minor cannot count toward creative arts (item 3 above).

Admission Procedures and Academic Standards
1. The arts management major is open to all students.
2. To declare a major in arts management fill out the appropriate form in the Arts Management Office, Room 225, Communication Arts Center.
3. When you enroll you will be a "pre-arts management major." The coordinator of arts management serves as your adviser.
4. You are admitted to the arts management program after you complete 30 credits of university coursework with a 2.5 grade point average (GPA) and successfully complete Arts Management 195.
5. In order to continue in the program you must have a 2.5 GPA and present evidence of a high degree of initiative and self-motivation, with a strong entrepreneurial perspective for the field of arts management.
6. You must maintain a cumulative grade point average of 2.75 for all courses in the major regardless of a declaration of academic bankruptcy to continue in the major and for graduation.
7. Courses included in the GPA calculation above are the required set of courses in arts management, business, communication, and creative arts area (listed above).

Courses in Arts Management
ARTM 195. Introduction to Arts Management. 3 cr. Overview of the business of managing nonprofit organizations and people in arts-related professions. Awareness of the field, private and public arts agencies, and the arts in local communities. (Spring only)

ARTM 280. Internship in Arts Management. 2 cr. Initial field experience in local arts agency or campus arts office. Assigned tasks are evaluated at mid-semester and end of course. Prereq: 195.
You may not take both ASTR 100 and 311 for credit.

You may not apply both 311 and 205 for GDR credit. You may not apply both 311 and 206 for GDR credit. This course is not open to students who have had both 205 and 206. GDR: NS

**Astronomy**

(College of Letters and Science)

Mick Veum, Interim Chair of Physics and Astronomy

Room B-109, Science Building

Phone: 715-346-2139

Email: physics@uwsp.edu

Web: http://www.uwsp.edu/physastr

Faculty: S Ashman, B Hinaus, K Jore, K Menningen, R Olson, B Pritzl, A Stevenson, D Tamres, C Verzani, M Veum, S Zamfir.

Definition: Astronomy investigates the nature of celestial objects such as stars, planets, and galaxies, including their magnitudes, motions, distances and periods of revolution.

Courses in astronomy are taught by members of the Department of Physics and Astronomy.

Courses in physics are listed under that title later in this catalog.

**Test-out and Credit-by-Exam Policy**

The Department of Physics and Astronomy will offer test-out examinations for all general degree requirement (GDR) courses offered by the department. The exams will cover both lecture and laboratory topics.

If you wish to take a test-out exam, confer with the department chair who will arrange for a faculty member to administer and grade a comprehensive written exam. A passing grade will be at least five percent above the most recent class average. You will be informed of the required passing score before taking the exam. Results will be evaluated and (if appropriate) credit granted by the departmental Educational Policies Committee. You may take a test-out exam only once.

Course credit can be granted for Astronomy 205, 206, 311; Physics 150, 201, 202, 203, 204, 250. Credit will NOT be granted for Astronomy 100 and Physics 100 and 101, but the GDR science credit will be waived.

**NOTES:**

1. You may not take both ASTR 100 and 311 for credit.
2. If you take ASTR 205 or 206, you may not subsequently take 100 for credit.
3. You may not apply both ASTR 311 and 205 for GDR credit. You may not apply both 311 and 206 for GDR credit.
4. You may take both ASTR 205 and 206 for GDR credit.

**Courses in Astronomy**

ASTR 100. Unveiling the Universe. 3 cr. An encounter with ideas concerning the physical universe, from earth to intergalactic space. 2 hrs lec, 2 hrs lab per wk. You may not take both 100 and 311 for credit. Also, you may not take 100 for credit if you have already taken 205 or 206. GDR: NS
the biochemistry major combines the interdisciplinary foundation inherent to biochemistry with all the advantages of a liberal arts education.

Notes:
1. Please read all the NOTES under the biology AND chemistry sections of this catalog. All items under both sections apply to the biochemistry major.
2. The biochemistry major is the same regardless of the type of degree you earn (BA or BS) or the college from which you graduate. If you have a single major (biochemistry), you will graduate from the College of Letters and Science. If you are in education, you may graduate from the College of Letters and Science or from the College of Professional Studies. If you have a double major, such as biochemistry and natural resources, you may graduate from the College of Letters and Science or the College of Natural Resources.
3. Courses in biochemistry, biology, and chemistry are open to all students who meet the prerequisites.

Biochemistry Major
Consists of a minimum of 81 total credits (76 credits if taking Chem 117), 22 of which count toward general degree requirements.
1. Required biochemistry core and collateral courses, 73 credits (68 credits if taking Chem 117):
   c. Mathematics 120, 355.
   d. Physics 203, 204.
2. Required electives, 8 credits from: Biology 310, 312, 333, 351, 399, 415, 498 (immunology), 498 (protein purification); Chemistry 335, 336, 395, 425, 499 (2 cr max); Math 121, 222. These courses may apply to one of the emphasis areas below.
3. Areas of emphasis (optional): You may use these recommended course groupings to personalize your program after consulting with your adviser.
   a. Biochemistry/chemistry/biophysics: Chemistry 335, 336; Math 121, 222.

Academic Standards and Policies
To be admitted, retained, and approved for graduation as a biochemistry major, you must have a minimum cumulative grade point average of 2.50 for all courses taken within the major, including collateral courses and regardless of a declaration of academic bankruptcy. If you are a transfer student, you meet this requirement by having at least a 2.50 GPA in the major (UWSP and transfer credits).
No more than 6 credits of D work in biology, chemistry, and biochemistry courses will be counted toward the completion of the biochemistry major. All grades of D or F are used to compute the cumulative GPA in the major. If a course is repeated, the last grade is the grade used in the GPA calculation. Courses with grades of D or F may be repeated only with the consent of the chair of the Biology or Chemistry Departments and only if a seat is available after the regular registration period.

Test-Out and Credit-by-Exam Policy
The credit-by-exam and Advanced Placement (AP) exam policies of the Biology Department pertain to biology courses. The credit-by-exam policies of the Chemistry Department apply to chemistry courses. You may take a test-out exam only once.

Biology
(College of Letters and Science)
Chris Yahnke, Chair
Room 167A, Trainer Natural Resources Building
Phone: 715-346-2159
E-mail: biology@uwsp.edu
Web: www.uwsp.edu/biology
Definition: Biology is the study of life. From simple, single-celled bacteria to complex, multicellular plants, animals, and fungi, biologists study how life works. Genetics, physiology, ecology, evolution, behavior, and anatomy of organisms fall within the work of the biologist as does the study of populations and communities of organisms.

Notes:
1. The biology major is the same regardless of the type of degree you earn (BA or BS) or the college from which you graduate. If you have a single major (biology), you will graduate from the College of Letters and Science. If you are in education, you may graduate from either the College of Letters and Science or from the College of Professional Studies. If you have a double major, such as biology and natural resources, you may graduate from the College of Letters and Science or the College of Natural Resources.
2. Courses in biology are open to all students who meet the prerequisites.

Biology Major
A minimum of 34 credits in biology as follows:
1. Biology 130, 160, 210, 305, 306, and 490 or 498 with seminar designation. If you complete the College of Natural Resources summer camp, do not take 306.
2. One course from Biology 281, 285, 314, 351.
3. Complete at least one course from at least two of the following course clusters:
   c. One course from Biology 309, 312, 314, 317, 323, 326, 333, 335, 386, 415; Chemistry 365; or both Biology 318 and 319.

NOTE: You may use Biology 281, 285, 314, and 351 to satisfy only ONE of the required areas.
4. Collateral courses:
   a. Chemistry 105 and 106, or 115 and 116.
   b. Math 111 or 120 or 355.
5. Elective credits to reach a minimum of 34 biology credits. Select from additional biology courses, Chemistry 365, Water 387, 481, 483.
6. Biology majors must complete at least 12 biology credits at UW-Stevens Point.
7. At least one writing emphasis (WE) course in natural science (astronomy, biology, chemistry, geography, geology, physics) or from the College of Natural Resources is recommended but not required. Only courses that are part of the biology major will count toward the minimum of 34 credits for the major.

---

**Biology Minor**

Consists of a minimum of 22 credits:

1. Biology 130 and 160.
2. Any two of the following categories:
   b. Biology 305.
   c. Biology 281, or 285, or 314, or 351.
3. Elective credits in biology (may include Chemistry 365, Water 387, 481, 483).

---

**BIOCHEMISTRY**

See listing of the major earlier in this section.

---

**CONSERVATION BIOLOGY MINOR**

See Natural Resources-Wildlife.

---

**Ethnobotany Minor**

Virginia Freire
Associate Professor of Biology/ Botany and Ethnobotany
Department of Biology
Room 302, Trainer Natural Resources Building
Phone: 715-346-4252
E-mail: vfreire@uwsp.edu

Stephanie W. Alemán
Assistant Professor of Anthropology and Ethnobotany
Department of Philosophy
Room 420, Collins Classroom Center
Phone: 715-346-4055
E-mail: saleman@uwsp.edu

Definition: Ethnobotany is an interdisciplinary approach to understanding the relationships between plants and humans. Through an understanding of the biological and cultural aspects of these relationships, ethnobotany seeks to understand the practical, material, symbolic and identity-forming potential of plants for human populations. Ethnobotany is also concerned with the ethical and political aspects of global plant consumption, usage and ownership through the mechanism of intellectual property and the relationships between western ideals of conservationism and environmentalism and non-western cultures and practices.

The minor consists of a minimum of 26 credits including:

1. Anthropology 101 or 110.
2. One course from Anthropology 335, 339, 345.
3. Anthropology 380.
4. One course from Anthropology 320, English 392, Philosophy 380, Religious Studies 316.
5. Biology 130, 342, 353, 399 (Field Work in Ethnobotany).

---

**Academic Standards and Policies**

Your status as a biology major depends on several factors.

1. If you are a new freshman and have been admitted as an approved biology major, a biology faculty member will advise you.
2. If you have not been admitted as biology major upon initial enrollment, you may apply for admission after you complete Biology 130 and 160 with a 2.50 GPA in courses required for the biology major.

To be admitted, retained, and approved for graduation as a biology major or minor, you must have a minimum cumulative grade point average of 2.50 for all courses taken within the major (2.75 to student teach in biology), including collateral courses and regardless of a declaration of academic bankruptcy. If you are a transfer student, you meet this requirement by having at least a 2.50 GPA in the total major (UWSP and transfer credits).

**NOTE:** No more than 6 credits of D work in biology courses will be counted toward the completion of the biology major or minor. All grades of D or F are used to compute the cumulative GPA in the major or minor. If a course is repeated, the last grade earned is the grade used in GPA calculation. Courses with grades of D or F may be repeated only if a seat is available after the regular registration period.

**Teacher Certification:** Enrollment caps are in effect for those seeking teacher certification. Please contact the Biology Department early for entrance requirements and application procedures. Also see information about the Professional Education Program and the secondary education curriculum for teacher certification in the Education section of this catalog.

Credit-by-Exam Policy: Credit-by-exam is available for Biology 100, 101, 130, 160, 210, and 305. First, confer with the department chair about the course exam you wish to take. The exam will be prepared by a faculty member who teaches the course. You will receive credit for the course if you pass the test with a grade of 70 percent or higher. You may take an exam for credit only once.

**Biology 101 Substitution Policy:** If you take Biology 101 prior to 130 and 160 and receive a grade of A, you may with approval of the chair, use 101 as a substitute for either Biology 130 or 160. Other conditions apply; see the chair for additional information. **NOTE:** This policy applies only to biology majors and minors.

Advanced Placement (AP) Exams: If you wish, you may use a score of 5 on the biology AP exam as a substitute for either Biology 130 or 160. See the chair or advising coordinator to exercise this option. If you score 3 or 4 on the AP exam, you will receive 5 credits toward graduation, but NOT toward biology major. Majors and minors must complete Biology 130 AND 160.

---

**Areas of Emphasis**

The areas listed below ARE NOT majors or specialties that will be listed on your transcript. These are simply ways of personalizing the required core curricular elements, collateral courses, and electives to best fit particular career goals. These are suggestions, not requirements, and should be considered as a way of selecting the most appropriate courses to satisfy both the biology major and your interests while best preparing you for a career in that area.
You should discuss your selection of options and recommended courses with the Biology Peer Assistance Center counselors and with your adviser to ensure adequate preparation for specific careers.

With the minimum requirements for a biology major most students will be able to enter a profession upon graduation. If you want to advance in your profession after employment or enter graduate school, medical school, or veterinary medicine, it will be wise to take Math 111 or 120, and 355; Physics 203 and 204; and a chemistry minor with Chemistry 365 as an elective.

NOTE: Keep in mind that employers are looking for things other than coursework when you apply for a job in the biological sciences or post-graduate training. The three most important things besides coursework are: communication skills, leadership skills, and in-field experience. Check with a Biology Peer Assistance Center counselor and your adviser to find out how you might enhance these three areas.

Aquatic Biology: Recommended: 360 or 361 or Water 387; 338, 347, 374, 375; Chemistry 220, or 325 and 326; Math 355; Physics 203, or 201 and 202; Water 481, 483. Supplementary: Biology 362; Water 389, 480, 482, 484.

Biobusiness: Take at least the following business courses: Accounting 210, Economics 110 and Business 330 and 336. In certain cases it might be appropriate to take a business minor. The following courses are recommended: Accounting 210; one year of chemistry; Math 111 or 120; English 254; Geography 101; Math 111; Physics 203, or 201 and 202; Political Science 304; Philosophy 380.

Ecology/Environmental: Recommended: 281 or 351; 342, 355, 360, 372, 375; Modules in Ecology; Chemistry 220; Math 355; Geography 379; CS 102, Supplementary: English 254; Geography 101; Math 111; Physics 203, or 201 and 202; Political Science 304; Philosophy 380.

Education: Recommended: 281 or 285; 330 or 342; 314 or 333 or 351. Supplementary: 355 or 384, 385, 386; 360, 367 or 372. You need a faculty adviser in biology AND one in education.

Graduate Work/Research: Most graduate programs in biology require a chemistry minor with Chemistry 365 as the elective, Physics 203 and 204, and Math 111 or 120, and 355.

Microbiology: Recommended: 314; 333, 335 or 337, 415, 498 (immunology). Supplementary: 338, 362, 399; Math 355; chemistry minor.

Zoo and Aquaria: Biology 281, 362, 370, 372 (4 cr) or one of the vertebrate courses: 374, 376, 377 or 378, 382, 385, 386, 388 and 499 (internship).

Zoology: Recommended: 281; 311 or 314; 370 or 371; 344 or 361 or 362 or 367; 372 or 374 or 375 or 376 or 377 or 378. Supplementary: 310, 320, 322, 373, 381, 385, 388; Water 481; Geology 339.

Preprofessional:

Although not required, we advise students in all preprofessional areas to get a bachelor of science degree before entering a professional school. All areas listed below require Biology 160, English, humanities, psychology, and speech. Contact the appropriate preprofessional adviser for suggested electives and requirements as early as possible.

Prechiropractic: At least 90 credits to include Biology 285, 333, 387; Chemistry 114, 115, 116, 325, 326, 328; Physics 203 and 204 (or a substitute); English 101 and 102; Psychology 110. Grades must be C or above. A bachelor’s degree is required to practice in Wisconsin and many other states.

Predental: Biology 285; Chemistry 114, 115, 116 (or 105 and 106), 325, 326, 328; Physics 203 and 204; additional helpful courses: Biology 210, 314, 317, 333, 370; Psychology 260 or 315.

Premedical: Biology 160, 210, 285; Chemistry 114, 115, 116, (or 105 and 106), 325, 326, 328; Physics 203 and 204; Math (2 semesters) 111 or 120 or 355. Additional helpful courses: Biology 314, 333, 370, 382, 498 (immunology); Chemistry 365 or 260.

Preoptometry: A minimum of 28 credits including Accounting 210; one year of chemistry, Math 100.

Prenursing: For Pre-nursing majors, you will be assigned an adviser through the School of Health Care Professions, College of Professional Studies. A course of study will be designed to meet the prerequisite requirements for the professional nursing program of the university from which you intend to graduate. Common prerequisite courses include biology, chemistry, psychology, and math (statistics).

Preoptometry: Normally, at least 90 credits including: Biology 160, 210, 317, 333; Chemistry 105 and 106 (or 115 and 116), 325, 326, 328; Math 111 and 355; Physics 203, 204; additional recommended courses are Biology 285, 387; Chemistry 365; Psychology 110, 260.

Prephysician’s Assistant: Biology 160, 285, 333, 387; Chemistry 105/106, 220, 260; Psychology 110; Math 100.

Preveterinary: Biology 160, 210; chemistry minor with Chemistry 365 as the elective; Physics 203 and 204; Math 111 or 120, or 355; Freshman English; 6 credits of social science and humanities; additional helpful courses include Biology 281 or 285, 333, 362, and 388. If you are considering veterinary research, take at least some of Biology 310, 314, 317, 382, 433, and 498 (both immunology and recombinant DNA laboratory).

Courses in Biology

BIOL 100. Biological Principles and the Human Environment. 3 cr. Survey of biology emphasizing present and future relationships of humans to their environment. 2 hrs lec, 3 hrs lab per wk. No credit given for GDR or graduation if Biology 101 is also taken. Not accepted for biology major or minor. GDR: NS (I, II, SS)

BIOL 101. General Biology. 5 cr. Biological principles; survey wide variety of plant and animal life. 3 hrs lec, 3 hrs lab per wk. Add evening test sections for major exams. GDR: NS (I, II)

BIOL 103. Microbes and Human Affairs. 3 cr. Microbes have influenced human history and impacted our lives in countless ways from global nutrient cycles to causing disease. Explore the science of microbiology and its effects on human affairs. Topics include cell structure, reproduction, disease and its prevention, global processes, and biotechnology. Current issues play an integral role in this course. The lab portion provides an inquiry-based approach to microbial growth, diversity, food spoilage and food production, antibiotics, the immune system, and genetic engineering. 2 hrs lec, one 2 hr lab per wk. Not applicable to the biology or biochemistry major. GDR: NS
BIOL 130. Introduction to Plant Biology. 3 cr. General biological principles with emphasis on growth, reproduction, structure, and functions of plants; morphology (form and structure) of typical plants. 3 hrs lec, 4 hrs lab per wk. GDR: NS (I, II)

BIOL 160. Introduction to Animal Biology. 5 cr. Anatomy, physiology, adaptation, and classification of animals; morphology and anatomy of various types of animals. 3 hrs lec, 3 hrs lab per wk. Addl 2-hour test sections 4 times during the semester. GDR: NS (I, II)

BIOL 210. Principles of Genetics. 3 cr. General principles of heredity and variation of plants and animals, including humans. Prereq: 101, 130, or 160. (I, II)

BIOL 281. Animal Physiology. 4 cr. Normal functions of organ systems in wild and domestic vertebrates and invertebrates. 3 hrs lec, 3 hrs lab per wk. Prereq: 160. Does not count for graduation or major if Biology 285 (or equiv) is counted. (I, II)

BIOL 285. Human Physiology. 4 cr. Normal functions of organ systems in humans; fulfills physiology requirements for biology, human development and nutritional sciences, physical education majors, and is recommended as preprofessional for medical or allied health fields. 3 hrs lec, 3 hrs lab per wk. Prereq: 160 or 101; Chemistry 101. Does NOT count for graduation or major if Biology 281 is counted. GDR: NS (I, II)

BIOL 305. General Ecology. 3 cr. Interrelationships of plants and animals; ecosystem concepts; organization and distribution of biotic communities; application of ecological principles to human affairs. Prereq: 101; or 130 and 160. (I, II)

BIOL 306. Ecological Methods. 1 cr. Apply ecological methods in field and laboratory analyses of ecosystems. 3 hrs lab per wk. Not open to students who have completed NCHR summer camp. Prereq: Coreq in 305; or 304 and cons instr. (I, II)

BIOL 308/508. Plant Communities of the Upper Midwest. 2 cr. Survey biomes of upper Midwest, emphasizing plant communities. 2 hrs lec, 3 hrs lab per 8 wks. Field trips. Prereq: 305 or cons instr. (II)

BIOL 309/509. Field Biology. 3 cr. Field trips. Study, collect, prepare, identify plants and animals. 1 hr lec, 6 hrs lab per wk. If 379 is taken, credit counts only with cons chair. Prereq: 101, or 130 & 160. (SS)

BIOL 310/510. Plant Genetics. 3 cr. Genetics of higher plants at the molecular, cellular, organismal, and population levels. 3 hrs lec per wk. Prereq: 210. (I)

BIOL 311/511. General Principles of Organic Evolution. 3 cr. Natural patterns (variation, classification, phylogeny, biogeography) and processes (genetic drift, natural selection, adaptation, speciation) that underlie the origin and diversification of life on earth. Philosophy of science and history of evolutionary theory. Character evolution and human evolution. Prereq: 130 and 160; or cons instr. (I)

BIOL 312/512. Human Genetics. 2 cr. Study of human genetics; their functions, mode of inheritance and mutations causing disorders. Includes human pedigree analyses, genetic testing, clinical manifestations and treatment, genetic therapy, and bioethical issues. 2 hr lec, 2 hr lab per wk. Prereq: 210. (II)

BIOL 314/514. Cell Biology. 4 cr. Structure and function of cells and organelles, including membrane structure and transport; biogenetics of mitochondria and chloroplasts; cell motility; DNA replication; protein synthesis and transport; mitosis; meiosis; cytokinesis; laboratory techniques including gel electrophoresis; phase-contrast microscopy; spectrophotometry; respirometry; radiotranslocation analysis; cell culture; chromosome banding; bacterial DNA transformation. 3 hrs lec, 3 hrs lab per wk. Prereq: 130, 160; Chemistry 106 or 116. (I)

BIOL 317/517. Developmental Biology. 4 cr. Early developmental and physiological components of animal and plant species; gametogenesis, cell communication, induction effects, cell migration and organogenesis; how these processes influence developmental patterns. 3 hrs lec, 3 hrs lab per wk. Prereq: 160, Chem 106 or 116. (I)

BIOL 318/518. Principles of Molecular Biology. 3 cr. Study of gene structure, function and control at the molecular level. Use molecular techniques to analyze nucleic acid and protein activities and diversity. 3 hrs lec per wk. Prereq: Bio 210; Chemistry 106 or 116; or cons instr. (I)

BIOL 319/519. Techniques in Molecular Biology. 1 cr. Laboratory to apply molecular techniques to investigate a variety of biological questions. Techniques may include DNA/DNA fingerprinting, RFLP, blotting, PCR, and DNA sequencing. 3 hrs lab per wk. Prereq: Biology 210; Chemistry 106 or 116; or cons instr. (I)

BIOL 322/522. Museum Methods. 3 cr. Preparation, use, and care of natural history materials for research and exhibition; prepare educational programs for museums, nature centers, and schools. For teachers and those interested in natural history or museum professions. 6 hrs lab per wk. Prereq: Cons instr. (II)

BIOL 323/523. Paleontology Collecting Field Trip. 3 cr. Two-week field course to collect plant and animal fossils. Lectures describe geology, paleoecology, and history of areas traveled. Special fee covers transportation, dig and camp fees. Prereq: Cons instr. (SS)

BIOL 326/526. Electron Microscope Techniques. 3 cr. Fixing, embedding, microtomy, and staining biological tissues for transmission and scanning electron microscopy; electron microscope use and basic photographic darkroom techniques. 1 hr lec, 6 hrs lab per wk. Prereq: 130, 160, Chemistry 106 or 116; and cons instr.

BIOL 330/530. Plant Morphology. 4 cr. Form and structure of plants and plant parts, both vegetative and reproductive. 3 hrs lec, 3 hrs lab per wk. Prereq: 101 or 130. (A, II)

BIOL 331/531. Plant Anatomy. 4 cr. Internal structures of vascular plants, emphasizing development, function, and evolutionary history. 2 hrs lec, 4 hrs lab per week. Prereq: 101 or 130.

BIOL 332/532. Paleobotany. 3 cr. Survey fossil record of plants, emphasizing morphology (form and structure) and evolutionary trends in major plant groups; chronological successions and geographic distribution of past floras. 2 hrs lec, 2 hrs lab per wk. Prereq: 101 or 130.

BIOL 333/533. General Microbiology. 4 cr. Morphology, physiology, classification, cultivation of bacteria and viruses, with introduction to microbial genetics, pathogenesis, and immunology. 2 hrs lec, 4 hrs lab per wk. Prereq: 101, 130, or 160; and Chemistry 106 or 116. (I, II, SS)

BIOL 335/535. Mycology. 4 cr. Taxonomy, morphology, physiology, and ecology of fungi; role of fungi in disease, industry, decomposition, food production, and biological research. 2 hrs lec, 4 hrs lab per wk. Prereq: 130 or cons instr. (A, I)

BIOL 337/537. Plant Pathology. 3 cr. Causes, symptoms, spread, and control of plant diseases. 2 hrs lec, 3 hrs lab per wk. Prereq: 130. (A, I)

BIOL 338/538. Phycology. 4 cr. Taxonomy, morphology, physiology, and ecology of algae with emphasis on local species. Field collections, small group experiments, lab analysis of field and cultured samples, and discussion of current algal research literature. 3 hrs lec, 3 hrs lab per wk. Prereq: 130; CNR or biology major or written cons instr. (I)

BIOL 339/539. Bryology and Lichneology. 2 cr. Taxonomy, morphology, and ecology of bryophytes and lichens with emphasis on local species. 1 hr lec, 3 hrs lab per wk. Prereq: 101 or 130.

BIOL 342/542. Vascular Plant Taxonomy. 4 cr. Survey major groups with emphasis on identification, classification, and evolution of flowering plants. 2 hrs lec, 4 hrs lab per wk. Prereq: 101 or 130. (I, II)

BIOL 345/545. Agrostology. 2 cr. Structure, identification, classification, and evolution of grasses and grass-like plants. 1 hr lec, 2 hrs lab per wk. Prereq: 101 or 130. (A, II)

BIOL 347/547. Aquatic Vascular Plant. 2 cr. Taxonomy and ecology of aquatic vascular plants with emphasis on local species of freshwater angiosperm. 1 hr lec, 3 hrs lab per wk. Prereq: 101 or 130.

BIOL 350. Tree Physiology. 3 cr. Mechanisms behind woody plant growth and function. Woody plant interactions with the biosphere, atmosphere, hydrosphere, and lithosphere. Applications of plant physiology to trees and forest systems. Prereq: 130 and Chemistry 101 or 105. (II)

BIOL 351/551. Plant Physiology. 4 cr. Plant-soil-water relations, transport, mineral nutrition, plant biochemistry, and the environmental and hormonal control of plant growth and development. 3 hrs lec, 3 hrs lab per wk. Prereq: 130 or 160. (III)

BIOL 353/553. Ethnobotany. 3 cr. Impact of plants on human culture with emphasis on local useful plants. Field trips, hands-on lab activities, movies, readings, discussion, final project. 2 hrs lec, 2 hrs lab per wk. Prereq: 130. (A)

BIOL 355/555. Plant Ecology. 4 cr. Plant adaptations and responses to environmental variation: structure, microenvironment, and succession of plant communities. Prereq: 305 or cons instr. (I)

BIOL 361/561. Aquatic Invertebrate Zoology. 3 cr. Classification, structure, and life history of lobic and lentic freshwater invertebrates (exclusive of insects and parasites) with emphasis on Wisconsin species. 2 hrs lec, 2 hrs lab per wk. May not team credit in both BIOL 361 and WATR 361. Prereq: 101 or 160. (I)

BIOL 362/562. Animal Parasitology. 4 cr. Structure, classification, and life histories of animal parasites. 2 hrs lec, 4 hrs lab per wk. Prereq: 101 or 160. (I)
BIOL 367. General Entomology. 4 cr. Structure, classification, and natural history of insects, with practice in collecting, mounting, and identification. Two hrs lec; four hrs lab per wk. Prereq: 101 or 160.

BIOL 370/570. Comparative Vertebrate Anatomy. 4 cr. Structure and evolutionary relationships of vertebrates. 2 hrs lec, 4 hrs lab per wk. Prereq: 160. (II)

BIOL 373/573. Comparative Vertebrate Histology. 4 cr. Microscopic structure and function of vertebrate (primarily mammalian) cells, tissues and organs. 2 hrs lec, 4 hrs lab per wk. Prereq: 160; 281, 285, 370 or 387 are recommended but not required. (II)

BIOL 374/574. Ichthyology. 4 cr. Classification and natural history of fishes, with emphasis on Wisconsin fish, food, and forage fishes. 2 hrs lec, 4 hrs lab per wk. Prereq: 101 or 160. (I, II)

BIOL 375/575. Fisheries Ecology. 3 cr. Analysis of the interactions, ecology, life history, and origins of fish populations and communities. 2 hrs lec, 2 hrs lab per wk. Prereq: 160; 305 or cons reg. (II)

BIOL 376/576. Herpetology. 3 cr. Reptiles and amphibians; research methods and identification of species found in North America. 2 hrs lec, 3 hrs lab per wk. Prereq: 101 or 160. (II)

BIOL 377/577. Ornithology. 3 cr.avian taxonomy, morphology, life histories, ecology, research methods. Identify world bird orders and species. 2 hrs lec, 3 hrs lab per wk. Prereq: 101 or 160. (II, SS)

BIOL 378/578. Mammalogy. 3 cr. Taxonomy, zoogeography, life history, ecology, mammals; field work. 2 hrs lec, 2 hrs lab per wk. (I)

BIOL 379/579. Field Zoology. 3 cr. Field trips to study, collect, prepare, and identify animals. 1 hr lec, 6 hrs lab per wk. If 309 is also taken, credit counts only with cons chair. Prereq: 101 or 160. (SS)

BIOL 382/582. Endocrinology of Mammals. 3 cr. Anatomy and physiology of major endocrine glands, primarily in mammals; hormonal control systems; biosynthesis, transport, and molecular actions of hormones; common endocrine diseases; current laboratory assay methods; current advances in hormone research. Guest lecturers. Prereq: 261 or 285; Chemistry 106 or 116; organic chemistry recommended. (A, II)

BIOL 383/583. Biology of Reproduction. 3 cr. Survey of mammal reproduction with emphasis on human reproduction, including sexual development and behavior, fertilization, pregnancy, parturition (birth), lactation, natural and synthetic control of contraception and fertility. 3 hrs lec per wk. Prereq: 281 or 285; Chemistry 105; or cons instr. (A, II)

BIOL 386/586. Aquaculture/Fish Culture. 3 cr. Introduction to the culture of finfish, methods of production, environmental and ecological considerations, selective breeding, nutrition, diseases, processing, and marketing. 2 hrs lec, 2 hrs lab per wk. May not earn credit in both Biol 386 and Water 386. Prereq: 101 or 160, and 210. (I)

BIOL 387/587. Human Anatomy (formerly 286). 4 cr. Examine human anatomy using models, X-rays, charts, computer animations, and prosected cadaver demonstrations. Complements Biol 285 to provide general background in human structure and function. For students preparing for health care careers. 3 hrs lec, 3 hrs lab per wk. Prereq: 281 or 285 or cons reg in 281 or 285. (I, SS)

BIOL 388/588. Animal Behavior. 3 cr. Comparative study of animal behavior; description, classification, analysis, and evolution of behavioral patterns of vertebrates. Also social behavior and underlying mechanisms. 2 hrs lec, 3 hrs lab per wk; individual term project. Prereq: 160. (A, II)

BIOL 399/599. Independent Studies. 1 or 2 cr. Upper division students may arrange for advanced work (including field and laboratory work where appropriate) not covered in regular courses. Categories include research; collection and identification of plants or animals; advanced reading; biological methods. Prereq: Cons approp faculty and chair. (I, II, SS)

BIOL 415/615. Advanced Microbiology. 3 cr. Biochemical, physiological and genetics of microorganisms with research and applications. 2 hrs lec, 3 hrs lab per wk. Prereq: 333/533 or cons instr. (II)

BIOL 490/690. Seminar in Molecular Biology. 1 cr. Studies and discussions of biological problems. Only one 490 credit counts toward the major. (I, II)

BIOL 498/698. Selected Topics in Biology. 1-3 cr. Major concepts in an area of biology. Subtitle will designate area. Prereq, lab and lec hrs will vary by topic. May repeat for credit. May be offered as different subtitles. Biology 498 sections designated “seminar” can be used in place of 490 to satisfy seminar requirement. (I, II)

BIOL 499. Biology Internship. 1-4 cr. Supervised training programs in biology coordinated by faculty with private or public agencies. 1 cr or for 2-4 wks (40 hrs per wk) of work. Add'l requirements set by instr. Credit set by internship committee. May repeat with different experience, but max 4 cr count for major. Prereq: Cons intern committee and instr. (SS)

BIOL 796. Independent Study. 1-3 cr. Planned reading to supplement preparation and mechanics of student specialty. May repeat as topic changes. Prereq: Cons instr.

BIOL 798. Portfolio. 2-4 cr. Submission and analysis of appropriate publications, professional activities, and accomplishments. Prereq: Cons portfolio/grad committee.

BIOL 799. Thesis. 2-6 cr. Credit.

Course Descriptions:

Courses in Biology Education

BIE D398. Student Teaching in Biology. Variable cr; pass/fail. Observe and teach in secondary school classroom under guidance of cooperating teachers and university faculty in actual classroom situations. Prereq: Completion of DPI certified major/minor and DPI education requirements.

BIE D498. Intern Teaching. Variable cr; pass/fail. Structured field experiences in approved school programs. Interns are certified by the DPI and are employed under contract with schools to design, deliver, and assess instructional programs. Prereq: Completion of all methods courses and 75% of content courses in approp major. Con reg in approp section of Educ 400 may be required.

Courses in Marine Biology

The following courses are offered at the Gulf Coast Research Laboratory in Ocean Springs, Mississippi. You may transfer the credits to UWSP. Contact the Biology Peer Assistance Center for more information or visit the GCoR website.

Marine Physics, 4 cr.
Marine Invertebrate Zoology, 6 cr.
Marine Ichthyology, 6 cr.
Marine Science, 5 cr.
Fauna and Faunistic Ecology of Tidal Marshes, 4 cr.
Coastal Vegetation, 3 cr.
Marine Ecology, 5 cr.
Salt Marsh Plant Ecology, 4 cr.
Marine Fisheries Management, 4 cr.
Parasites of Marine Animals, 6 cr.
Marine Microbiology, 5 cr.
Marine Aquaculture, 6 cr.
Comparative Histology of Marine Organisms, 1-6 cr.

Admission to the School of Business & Economics Majors

All our majors (accounting, business administration, economics-social science, and economics-business economics) are limited enrollment majors. Because we have limited space in our program, we cannot guarantee everyone admission.

We recommend you declare your intent to pursue your SBE major:

1. when you apply for admission to UWSP
2. when attending a freshman orientation meeting
3. when attending a transfer-student orientation meeting
4. or when you attend an “Introduction to the Major” session offered by the SBE Advising Office.

We do not require that you declare your intent to become an accounting, business or economics major but highly recommend that you do so. As an intended major, you can receive specialized advising from the SBE Advising Office and regular updates on events and deadlines.

You must apply for formal admission to your selected SBE major before completing 18 credits in the major. You are eligible to apply once you have completed at least 45 credits toward your UWSP degree. If you wish to request consideration of exceptional circumstances, do so in writing to the SBE Admissions Committee.

We have designed the admission policies for the School of Business and Economics to support your success in your major. See the descriptions of specific majors for admissions requirements. See the School of Business & Economics Advising Office and website for application procedures, forms, and deadlines.

To switch majors or to pursue a second major within the school, apply for that major. See the descriptions of specific majors for admissions requirements. If you are switching majors within the SBE or adding a second SBE major, you may apply even if you already have over 18 credits in the new major, as long as you have met all other admission requirements.

Academic Standards for the School of Business & Economics

The following academic standards apply to all school majors (accounting, business administration, economics-social science and economics-business economics).

1. In-major GPA: If you have a major in our school (accounting, business, economics-social science, or economics-business economics), your in-major GPA is calculated based on all courses counting towards your major; this includes courses from other departments as well as from the SBE.

   If you switch from one SBE major or minor to another, only courses applicable to the new program are included in your new in-major GPA calculation.

   If you are a transfer student, all your grades (including grades of D and F) earned at another campus for all classes required for a SBE major are included in the calculation of your in-major GPA.

2. Satisfactory Progress: As a student enrolled in a SBE major GPA standard (2.5 for Accounting or Business Administration and 2.25 for Economics) by the time you have completed 18 credits in your major.

   Also maintain reasonable and satisfactory progress in completing the requirements of the major. Issues related to reasonable progress will be decided by the department chair.

   If you have not attained the required in-major GPA by the time you have completed 18 credits in the major, you will be dropped from the major and will not be allowed to re-declare the major.

   After you have completed 18 credits in your major, maintain your in-major GPA in good standing. If your in-major GPA drops below that major’s standard for two consecutive regular semesters, you will be dropped from the major and will not be allowed to re-declare that major.

   If you are dropped from your SBE major, you may submit a written petition for reinstatement to the Admissions Committee.

   If you are having trouble maintaining an adequate GPA we encourage you to seek additional assistance from the Tutoring-Learning Center (TLC).

3. Repeating courses: You may request up to three courses in your SBE major in which you earn a D+, D, or an F. To do so, obtain on-line authorization to repeat from your adviser and the chair of the department in
The courses offered before registering for the courses. If you repeat a course at UWSP, only the last grade is used in GPA calculations. Permission to repeat a SBE course is only granted after the close of the regular registration period.

See the policy on repeating courses in the Academic Information section of this catalog. **NOTE:** You may repeat, at other institutions, courses in which you received a grade of F but not courses in which you received a grade of D. The repeated course taken at another institution will satisfy the requirement left unsatisfied by the F. The original F will remain on your transcript.

4. **Pass/fail courses:** Any courses you take as pass/fail do not count toward any SBE major or minor.

5. **Degree and Major Requirements:** In addition to the requirements of your selected major(s), satisfy the General Degree Requirements (GDRs) of your degree (either BA or BS). See the Bachelor of Arts General Degree Requirements and Bachelor of Science General Degree Requirements sections of this catalog for information on the requirements for each degree.

Regardless of the type of degree earned, the requirements for any SBE major are the same.

**The Test-out and Credit-by-Exam Policy**

You may earn credit-by-exam for Econ 110 and 111 through the appropriate CLEP examination. Register and pay fees for CLEP exams through the UWSP Testing Service. To receive credit, score in the 50th percentile or higher on the appropriate CLEP examination. Register and pay fees for CLEP exams through the UWSP Testing Service.

To receive credit, score in the 50th percentile or higher on the appropriate CLEP examination. Register and pay fees for CLEP exams through the UWSP Testing Service.

For all other courses in the School of Business and Economics you may test-out, but not receive course credit. After you confer with the chair, a faculty member who teaches the course will prepare a comprehensive exam and inform you of the criteria for passing before you take the exam. A passing grade is at least five percent above the most recent class average. You may take a test-out exam only once. You are not eligible for test-out if you are currently enrolled in the course.

**Abbreviations:**

Acct = Accounting; Bus = Business
Comm = Communication
CIS = Computer Information Systems
SBE = School of Business and Economics
Econ = Economics; FOR = Forestry; Geog = Geography
Math = Mathematics; NRES = Natural Resources;
Psyc = Psychology; WSTE = Waste

**ACCOUNTING**

Faculty: C Konieczki, W Love, W Maas, C Schalow

**Professional Certifications**

If you’re majoring in accounting, we encourage you to pursue professional certification such as: Certified Management Accountant (CMA), Certified Internal Auditor (CIA), and/or Certified Public Accountant (CPA). You achieve these professional certifications by applying to the appropriate professional organization or state office for admission to a national examination, passing the exam (the CMA and CIA exams may be taken during the senior undergraduate year), and achieving professionally related experience. Professional organizations grant these certifications. Contact any accounting faculty member for more information.

In the courses required for your accounting major, you will prepare for the CMA exam, which the Institute of Management Accounts administers, and the CIA exam, which the Institute of Internal Auditors administers.

Before taking the CPA examination in Wisconsin, complete 150 semester hours of coursework. The additional credits may be either undergraduate or graduate credits.

**Admission to the Accounting Major**

You must apply for admission to the Accounting major before you complete 18 credits towards the major. You are eligible to apply once you have completed at least 45 credits toward your UWSP degree. You must be admitted to the accounting major to register for some upper-level courses and to graduate with an accounting major.

Once you are accepted as an accounting major, you can receive specialized, one-on-one advising from school faculty or staff.

**Minimum requirements:** We encourage you to apply as soon as you have completed all of the following 9-10 credits with at least a 2.25 GPA:

a) One calculus course: Math 111 or 120 (3-4 credits)
b) Econ 110 (3 credits)
c) Acct 210 (3 credits)
d) CIS 102 (spreadsheet) (1 credit)

If you are a transfer student: Apply before you complete 18 credits in the accounting major OR during your first semester at UWSP.

Exceptions: If you wish to request consideration of exceptional circumstances, do so in writing to the SBE Admissions Committee.

**Academic Standards for the Accounting Major and Minor**

To graduate with a major or minor in accounting, successfully complete all required courses in the major or minor and achieve a cumulative grade point average of 2.5 or higher in all major/minor required courses. See Academic Standards for the School of Business & Economics for more information on GPA requirements and for the School of Business & Economics repeat policy.

**The Accounting Major**

Successfully complete a minimum of 71-73 credits in categories 1 through 4 below:

1. **Foundation:** Complete 16-17 credits **BEFORE** taking any additional 300-400 level courses, including “core” courses.
   a) One calculus course: Math 111 or 120 (3-4 credits)
   b) CIS 102 (spreadsheet) (1 credit)
   c) Acct 210 and 211 (6 credits)
   d) Econ 110 and 111 (6 credits)

2. **Business Core:** Complete 21-22 credits: Math 355 or other approved statistics course (3-4 credits); Bus 325, 330, 340, 350, 360, 480.

3. **Accounting Core:** Complete 28 credits: Acct 310, 311, 321, 330, 331, 370, 400, 410, 420, 450.

4. **Electives:** Complete 6 credits: two courses from Acct 390, 490, 497; Bus 341, 352, 353, 355, 356, 455.
The Accounting Minor
You may declare the accounting minor by submitting the SBE Change Major form from the SBE webpage to the SBE Advising Office. Admission to the accounting minor is available to all students but does not guarantee access to all upper-level courses.

Successfully complete 24 credits:
2. Electives, 3 credits: Acct 311 or 331.

BUSINESS ADMINISTRATION

Admission to the Business Administration Major
You must apply for admission to the Business Administration major before you complete 18 credits toward the major. You are eligible to apply once you have completed all of the following:

1. Successfully complete 24 credits:
   a. One calculus course: Math 109, 111 or 120 (3-4 credits).
   b. Econ 110 and 111 (6 credits).
   c. Bus 240 or 340 (3 credits). If you are planning to complete a Business concentration in FIRE (Finance, Insurance, Real Estate) we recommend you take Bus 340 instead of Bus 240. To complete an Accounting major, you must take Bus 340.
   d. Bus 325 (3 credits).
   e. Bus 330 (3 credits).
   f. Bus 350 (3 credits).
   g. Bus 360 (3 credits).
   h. Bus 370 (3 credits). If you are completing an Accounting major, you must substitute Acct 370.
   i. Global business and economy elective (3 credits). Take one of Bus 327, 339, 342, 357; an international experience selected from Bus 493, 496, or other approved international experience; Econ 362, 365; Acct 410.

   Classes you take as part of areas of concentration (a) through (e) below (finance, insurance, and real estate [FIRE], management, marketing, entrepreneurship, international business) may satisfy this requirement.

   l. Capstone class (3 credits). Take one of the following. You may take only one of the other core classes at the same time as a capstone class.
      1) Bus 421: If you are completing a Business major with an Entrepreneurship concentration.
      2) Bus 438: If you are completing a Business major with a marketing concentration.
      3) Bus 480: If you are completing an Accounting major, and Economics major with a Business Economics option, a general Business major or a Business major with a management, international business or FIRE concentration.

2. Elective: Any 3 credits in 300-400 level Business coursework with the exception of Bus 320, 490, 497, 498, 499. Classes you take as part of areas of concentration (a) through (e) below (finance, insurance, and real estate [FIRE], management, marketing, entrepreneurship, international business) satisfy this requirement.

3. Minor, second major, or area of concentration: In addition to required courses for the major, complete ONE of the following: (1) a minor, (2) a second major, or (3) an area of concentration (of not less than 18 credits that have been approved by the School of Business and Economics).

Minor: You may use any UWSP minor other than the business minor to satisfy this requirement. We encourage you to consider a minor in accounting, or economics.

Second major: You may use any UWSP major other than the business major to satisfy this requirement. We encourage you to consider a major in accounting, economics-social science, or economics-business economics.

Areas of concentration: Areas of concentration (a) through (e) below (finance, insurance, and real estate [FIRE], management, marketing, entrepreneurship, international business) require 21 credits. At least 15
of these credits must be from Business courses listed in the area of concentration; up to 6 credits can be from non-Business courses listed in the area of concentration. Earn at least a 2.5 GPA in courses in the concentration.

To complete a second area of concentration, complete at least 15 additional credits.

These are approved areas of concentration:

a. FIRE (Finance, Insurance & Real Estate), 21 credits. Select 21 credits from: Bus 221, 343, 352, 353, 355, 356, 357, 390, 455, 493, 496; Econ 272, 360; Eng 351.

b. Management, 21 credits:
   1) Required: Bus 322.
   2) Select 18 credits from Bus 221, 321, 324, 325, 326, 327, 341, 342, 390, 493, 496; Acct 321; Econ 272, 330, 340, 345, 346, 370, 420; Comm 342, 343, 345, 349 (Prereq for these Comm courses is Comm 240); Psyc 345 (Prereq is Psyc 110); Eng. 351.

c. Marketing, 21 credits:
   1) Required: Bus 331, 337.
   2) Select 15 credits from: Bus 221, 335, 336, 339, 493, 496; Econ 330, 340; Comm 336; Eng. 351.

d. Entrepreneurship, 21 credits:
   1) Required: Bus 321, 331; Econ 272.
   2) Select 12 credits from: Acct 330 (Pre/Coreq Acct 310), 331 (Prereq Acct 330); Bus 221, 324, 335, 493, 496; Econ 340, 345, 370, 420; Eng 351.

e. International Business, 21 credits:
   1) Required: Bus 327, 357, and an international experience selected from 493, 496, or other approved international experience.
   2) Select 12 credits from: Bus 221, 339, 342, 390, 496; Econ 362, 365, Geog 325, 327, 328; Poli 388; Foreign Language Courses numbered above 200 (Limited to 2 classes in the same foreign language; language placement does not satisfy this requirement); Eng 351.

f. Forest Recreation, 18-22 credits:
   1) Required: FOR 330, 334, 335, 381 (3 cr), 394.
   2) Select 6-9 credits from: FOR 385, 480; NRES 367, 368, 382, 383, 388, 474, 490.

g. Soil Science, 18 credits:
   1) Required: NRES 251, 373; Soil 461.
   2) Select remaining credits from: Soil 362, 363, 364, 365, 465, 493; NRES 335, 336, 337; WSTE 380, 476, 488, and other related courses approved by the College of Natural Resources Associate Dean.

h. Foreign Language: Cross-cultural experience for students planning to work in international or multicultural environments. Emphasizes practical language skills and knowledge of appropriate cultural forms and behavior.
   1) French, 20 credits: French 211-212, 313, 314, 355, and 340 or 345.
   2) German, 20 credits: German 211-212, 313, 314, 355, and 317 or 340 or 345.
   3) Spanish, 20 credits: Spanish 211-212, 313, 314, 355, and 340 or 345.

i. Wood Products Industry, 18 credits:
   1) At least 8 credits from FOR 370, 428, 429 (at least 6 cr), 499; Bus 496, 497, 498, 499 (forest products subtitle).
   2) At least 5 credits from FOR 232, 322, 335, 381; NRES 150, 151, 320, 330, 357, 490; PSCI 101.
   3) Three credits from Bus 321, 324, 336, 341; Econ 432.

**Business Administration Minor**

Successfully complete 24 credits:

1. Required: Acct 210, Econ 110, and Bus 320 and 330.
2. Electives: Minimum of 12 credits in business administration courses at the 200-400 level not including Bus 497, 498, 499.

**Collaborative Program**

UW-Marathon in Wausau has joined with UW-Stevens Point to offer a bachelor’s degree with a major in business administration. Students can attend classes at UWMC. A combination of face-to-face instruction and distance learning technologies are used to offer upper level courses. You must have accumulated 30 freshman and sophomore credits at an accredited college or university to enter the program. For more information call the College of Professional Studies Continuing Education office at 715-346-4324.

**ECONOMICS**

Faculty: R Cray, J Davis, T Hofer, K Neuman, HS Wallace,

**Admission to the Economics Major: Social Science and Business Economics Option**

You must apply for admission to the Economics major before you complete 18 credits towards the major. You are eligible to apply once you have completed at least 45 credits toward your UWSP degree. You must be admitted to the economics major to register for some upper-level courses and to graduate with an economics major.

Once you are accepted as an economics major, you can receive specialized, one-on-one advising from school faculty or staff.

Minimum requirements: We encourage you to apply as soon as you have completed all of the following 9-10 credits with at least a 2.25 GPA:

- a) One calculus course: Math 109, 111 or 120 (3-4 credits)
- b) Econ 110 (3 credits)
- c) Econ 111 (3 credits)

If you are a transfer student: Apply before you complete 18 credits in the economics major OR during your first semester at UWSP.

Exceptions: If you wish to request consideration of exceptional circumstances, do so in writing to the SBE Admissions Committee.

**Academic Standards for the Economics Major and Minor**

To graduate with a major or minor in economics, successfully complete all required courses in the major or minor and achieve a cumulative grade point average of 2.25 or higher for the Social Science Option or Minor and 2.50 or higher for the Business Economics Option in all your major/minor courses. See *Academic Standards for the School of Business & Economics* for more
information on GPA requirements and for the School of Business & Economics repeat policy.

**Economics Major: Social Science Option**

Successfully complete a minimum of 39-41 credits with a cumulative GPA of 2.25 or higher in categories 1 through 3 below.

1. **Foundation:** Complete 15-17 credits BEFORE taking “core” courses.
   a. Theoretical and institutional, 9 credits: Econ 110, 111; Acct 210.
   b. Quantitative, 6-8 credits: Math 355 or other approved statistics course and Math 109, 111 or 120.
2. **Core:** 9 credits: Econ 350, 360, 361
3. Electives: 15 credits in additional economics courses, NOT including Econ 100. Bus 352 & 353 both count as economics electives.

If you plan to pursue graduate work in economics, we advise you to take Math 120 and 121 in place of 109.

**Economics Major: Business Economics Option**

Successfully complete a minimum of 63-65 credits with a cumulative GPA of 2.50 or higher in categories 1 through 3 below.

1. **Core:** Complete 42-44 credits. In general, try to complete the core classes in approximately this sequence. The courses near the beginning of the list serve as prerequisites for courses near the end of the list.
   a. One calculus course: Math 109, 111 or 120 (3-4 credits).
   b. Econ 110 and 111 (6 credits).
   c. Acct 210 and 211 (6 credits).
   d. Math 355 or other approved statistics course (3-4 credits).
   e. Bus 240 (3 credits).
   f. Bus 325 (3 credits).
   g. Bus 330 (3 credits).
   h. Bus 350 (3 credits).
   i. Bus 360 (3 credits).
   j. Bus 370 (3 credits).
   k. Global business and economy elective (3 credits). Take one of Bus 327, 339, 342, 357; an international experience selected from Bus 493, 496, or other approved international experience; Econ 362, 365; Acct 410. Classes you take as part of the electives below may satisfy this requirement.
   l. Capstone class. Bus 480 (3 credits). You may take only one of the other core classes at the same time as a capstone class.
2. **Complete 9 credits:** Econ 350, 360, 361.
3. Electives: Complete 12 credits in additional economics courses, NOT including Econ 100. Bus 352 & 353 both count as economic electives.

If you plan to pursue graduate work in economics, we advise you to take Math 120 and 121 in place of 109.

Teacher Certification: If you are seeking teacher certification in economics, complete a minimum of 34 credits in courses designated ‘Economics.’ We recommend you take History 176 and 177 as electives or in partial fulfillment of the general degree requirements. Also take Natural Resources 370.

Because enrollment caps are in effect for those seeking teacher certification, please contact the School of Education early for entrance requirements and application procedures. Also see information about the Professional Education Program and the secondary education curriculum for teacher certification in the Education section of this catalog.

**Economics Minor**

Successfully complete 21-22 credits with a cumulative GPA of 2.25 or higher in categories 1 through 3 below.

1. **Foundation:** 9-10 credits: Econ 110, 111, Math 355 or other approved statistics course.
2. Electives: 12 credits of additional economics courses, NOT including Econ 100. Both BUS 352 and BUS 353 count as economics electives.
3. **Economics** minor for teacher certification: Complete at least 24 credits in economics. Take 6 courses in addition to those in the Foundation above. We also recommend you take, History 176 and 177 as electives or in partial fulfillment of the general degree requirements.

**Courses in Accounting**

**ACCT 211. Introductory Managerial Accounting.** 3 cr. Decision-making process using managerial accounting information; cost-volume-profit analysis, cost accounting systems, budgeting, and performance evaluations. May not earn credit in both 211 and 320. Prereq: 210 or cons instr.

**ACCT 290. Special Topics in Accounting.** Variable cr. Subtitle will designate topic.

**ACCT 299. Special Work.** Students may arrange for independent study with cons school head. Credit based on scope of project.

**ACCT 321. Advanced Managerial Accounting.** 3 cr. Planning, control and analysis of production and marketing costs through budgeting and standard cost accounting techniques, including variance analysis and inventory management; revenue and cost allocations; strategic planning and the balanced scorecard. Prereq: 310.

**ACCT 370. Accounting Information Systems.** 3 cr. Introduction to the concepts, objectives and importance of properly designed accounting information systems. Expansive study of internal controls including systems documentation. May not earn credit in both 370 and Bus 370. Prereq: 310.

**ACCT 390. Ethics in Accounting and Business.** 3 cr. Principles of ethics and professional responsibility applied to specific workplace situations and business activities. Explore interplay between corporate culture, professional codes of conduct and individual behavior. Develop, clarify, communicate and defend positions on corporate conduct. May not earn credit in both Acct 390 and Bus 390. Prereq: 210 and Bus 320, or cons instr.

**ACCT 400. The Accounting Profession.** 1 cr. History and development of the accounting profession; professional employment, conduct, organizations, ethics, mores, and publications. Prereq: Cons instr.

ACCT 420. Seminar in Managerial Accounting. 3 cr. Measurement and analysis of accounting data appropriate to managerial planning and decision making, cost determination, performance evaluation and control. Emphasis on the identification and utilization of performance measures and cost systems that drive results consistent with corporate strategies. Prereq: cons instr.

ACCT 497. Internship in Accounting. Cr. arranged. Supervised training work program in a cooperating agency or business. Credit set by chair and acct faculty. Prereq: Cons chair.

ACCT 498. International Internship, 1-12 cr. Supervised training work program in an international agency or business located outside the United States. Credit set by chair and acct faculty. Prereq: Cons chair.

ACCT 499/699. Special Work. Upperclass or graduate students may arrange for independent study with cons chair. Credit based on scope of project. Prereq: Cons chair.

Accounting Latent Courses: Not offered recently. See full course description in indicated (x-x) catalog.

490 Special Topics in Accounting, cr. arranged. (07-09)

Courses in Business
BUS 221. The Entrepreneurial Process. 3 cr. Explore your entrepreneurial aspirations and appreciate entrepreneurship as a creative process. Focus on developing entrepreneurial skills and attitudes relevant to both business and non-profit sectors. Examine the process of new-business creation, including idea development, opportunity identification, market feasibility and financial challenges for new ventures. Case studies illustrate concepts and skills. No prior business knowledge is assumed.

BUS 240. The Legal and Ethical Environment of Business. 3 cr. Introduction to legal concepts for employees, managers and business owners. Application to personal legal situations. Analysis of business ethics scenarios. May not earn credit in both Bus. 240 and 340.

BUS 293(NW). Internship in China. 3 cr. Supervised training work program in cooperating agency in China, plus lectures in English. Does NOT apply to major/minor. Prereq: For NON-BSE majors only or cons intern dir.

BUS 299. Special Work. Underclass students may arrange for independent study with cons chair. Credit based on scope of project.

BUS 321. Entrepreneurship. 3 cr. Risk taking, decision making, marketing, finance, personnel selection, record keeping, taxes, and controls unique to the entrepreneurial-type organization and the entrepreneur-manager. Prereq: 320 or 325; 330; Acc 210.

BUS 322. Business Leadership for Managers. 3 cr. Explore the various theories of leadership within the context of management. The role of the leader’s impact on attainment of organizational goals at various levels is studied. Situational leadership approaches are examined. Personal analysis of preferred style is included, as well as skill building techniques needed for development of leadership. Prereq: 320 or 325.

BUS 324. Personnel/ Human Resource Management. 3 cr. Integrate daily operational activities of personnel management, such as job analysis, training, recruiting, and performance appraisal with the long-term strategic perspective of identifying and analyzing human resource issues and trends that may affect the organization and how it is managed. Includes maternity/paternity relationships, Store layout, pricing strategies, leadership, motivation, communication, group processes and conflict management.

BUS 325. Organizational Behavior. 3 cr. Behavioral approach to management focusing on the individual in the work place in dealing with power, authority, rules, norms, leadership, motivation, communication, group processes and conflict management.

BUS 326. Organizational Theory. 3 cr. Use an open system perspective to examine how managers deal with factors that affect the organization. Consider factors such as environment, technology, and goals in determining the nature and structure of the organization. Prereq: 320 or 325.

BUS 327. Managing Global Organizations. 3 cr. General concepts, techniques, and practices related to managing global organizations. Challenges, rewards, risks, and consequences of managing in diverse countries are discussed. Various cultural theories are studied. Particular emphasis is placed on the comparison of Western cultural influences to non-Western cultural influences on accepted business practices. Prereq: 320 or 325.

BUS 330. Principles of Marketing. 3 cr. Study marketing theories and concepts used to apply marketing strategies to product development, distribution, pricing, and promotion of goods and services.

BUS 331. Marketing Research. 3 cr. Objectives and methods of acquiring data to make intelligent marketing decisions; research planning, sampling, collection methods; data analysis, interpretation, and application. Prereq: 330.

BUS 335. Retailing. 3 cr. Analysis of retail industry market structure. Emphasis on development and implementation of strategies. Introduction to management activities of inventory procurement, channel relationships, support services, operations, promotional activities and vendor relationships. Store layout, pricing structures, store image, and online retailing. Prereq: 330, Accounting 210.

BUS 336. Sales Management. 3 cr. The sales force and its role in the execution of marketing strategy in planning, organizing, and controlling the sales function. Prereq: 330.

BUS 337. Buyer Behavior. 3 cr. Concepts from psychology, sociology, anthropology, and other behavioral disciplines, analyzed to develop ability to understand and predict reactions of individuals and groups to marketing decisions. Prereq: 330.

BUS 339. International Marketing. 3 cr. International differences in applying marketing concepts to culture, business customs, political and legal environments, trade mechanics, and market behavior when developing marketing strategies; world trade practices. Prereq: 330.

BUS 350. Principles of Finance. 3 cr. Business units, especially corporate, in present day enterprise; financial principles applicable to their operation. For SBE majors. Prereq: ACC 210; approved major/minor.

BUS 353. Investments. 3 cr. Construct and manage investment portfolio to meet needs of personal and institutional investors; select securities to balance income, risk, and capital growth. Prereq: 350.

BUS 355. Real Estate Investments. 3 cr. Real Estate as an investment vehicle for a diversified portfolio. Screening potential investments, funding the acquisition, managing the risk, and developing the exit strategy. Prereq: 350 or cons instr.

BUS 356. Corporate Risk Management. 3 cr. Identify, measure and manage risk for corporations and individuals. Topics include identification, measurement and reporting of risk, as well as use of financial tools and techniques to control risk. These tools include
BUS 357. International Corporate Finance. 3 cr. Introduction to international financial markets, exchange rate determination theory, concepts/measurement of foreign risk exposure, financial instruments to hedge exchange risk, and financing multinational enterprises. Prereq: 350.

BUS 360. Principles of Production-Operations Management. 3 cr. Use quantitative management science techniques such as facility layout, process planning, work measurement, inventory control, scheduling, quality control, forecasting, linear programming (LP), just in time (JIT), and statistical process control (SPC) to solve operational problems. For SBE majors. Prereq: Acct 211; Econ 111; 3 cr in statistics; Math 109 or equiv.

BUS 370. Management Information Systems. 3 cr. Integrate topics of management, marketing, organizational structure and systems theory relevant to utilizing an organization's information resources. Computer hardware and software, telecommunications, spreadsheet and database concepts emphasized. Investigate e-commerce business model to achieve competitiveness in global business environments. Prereq: 320 or 325; and 330.

BUS 390. Ethics in Business. 3 cr. Principles of ethics and professional responsibility applied to specific workplace situations and business activities. Explore interplay between corporate culture, professional codes of conduct, and individual behavior. Develop, clarify, and defend positions on corporate conduct. May not earn credit in both Acct 390 and Bus 390. Prereq: 240 or 340; 320 or 325.

BUS 438. Marketing Strategy. 3 cr. Study actual and case marketing situations in order to analyze and solve problems of marketing strategies and to learn how to develop marketing strategies that will take advantage of market opportunities. Prereq: 330, and at least two other Marketing classes.

BUS 455. Corporate Finance Seminar. 3 cr. Current topics and advanced discussion of corporate finance subjects. Topics include corporate financing (including public offerings and private placements), financial forecasting, mergers and acquisitions, and financial statement analysis. Prereq: 350.

BUS 480. Strategic Management. 3 cr. Advanced course in business administration using the case method to develop integrative problem-solving approaches to complex management problems. Prereq: Graduating bus admin major or cons instr.

BUS 490. Special Topics in Business Administration. Cr arranged. Subtitle will designate topic.

BUS 493(NW). Internship in China. 3 cr. Supervised training work program in cooperating agency or business in China plus lectures in English. Prereq: Bus Adm major/minor or cons intern dir.

BUS 496. Internship in Business Administration. 1-3 cr. Supervised training work program in a cooperating agency or business. Credit determined by intern director and business faculty. Max 3 cr apply to major. Prereq: Cons intern director.

BUS 497. Internship in Business Administration. 1-6 cr. Supervised training work program in a cooperating agency or business. Credit determined by intern director and bus faculty. Does NOT apply to major or minor. Prereq: Cons intern director.

BUS 498. International Internship in Business Administration. 1-6 cr. Supervised training work program in a cooperating agency or business. Credit determined by intern director and bus faculty. Does NOT apply to major or minor. Prereq: Cons intern director.

BUS 499/699. Special Work. Upperclass or graduate students may arrange for independent study with cons chair. Credit based on scope of project. Prereq: Cons chair.

Business Latent Course: Not offered recently. See full course description in indicated (xx-xx) catalog.

Small Business Mgt Consulting Practicum, 3 cr, (03-05)
determination, contract incentives, and unions; and stadium financing and community effects. Prereq 111.

ECON 350. Microeconomic Theory. 3 cr. Analytical tools for understanding demand, production and cost, impact of market structure on firms’ behavior, pricing of resources, and economic welfare. Analysis of public policies. Prereq: 111 and Math 109, 111, or 120.

ECON 360. Money and Financial Markets. 3 cr. Depository institutions; central banking and money creation; price level analysis; interest level determination; interest rate theory; money and capital markets. Prereq: 110 and Acct 210.

ECON 361. Macroeconomic Theory. 3 cr. Determination of levels of national income, output, employment, and prices; national income accounting; theory and measurement of aggregate consumption and investment; government stabilization policy. Prereq: 111.

ECON 362. Economic Development. 3 cr. Problems of measuring economic growth; lessons from the past economic growth of today’s industrialized countries and middle-income economies; problems of poverty, inequality, unemployment, and deficiencies in food, clothing, housing, education and health of people in less-developed countries. Prereq: 111.

ECON 365. International Economics. 3 cr. Foreign trade, theory and measurement of export and import patterns; foreign exchange markets, balance of payments, tariffs, and the contemporary international monetary system. Prereq: 111; or Natural Resources 372 for international resource management minors.

ECON 370. Managerial Economics. 3 cr. Economic analysis of business decision making using regression analysis and forecasting tools; mathematical analysis of production decisions, cost minimization, pricing strategies, consumer demand, and market environment. Prereq: 111, Math 109, and 355 or equiv.

ECON 374. Regional Economic Growth. 3 cr. Factors that promote and/or hinder regional economic and business growth. Geographical distribution of resources and spatial ordering of industrial and commercial activities. Patterns of trade among regional and urban areas; regional business cycles. Patterns of land use and values in regions and urban areas. Prereq: 111.

ECON 390. Special Topics in Economics. 1-3 cr. Subtitle will designate topic. May repeat for credit with different subtitles. Prereq: Cons instr.

ECON 420. Economics of Organization. 3 cr. Apply microeconomic and game theoretic principles to analyze business institutions and practices. Examine economic theories of the firm and alternative contractual relationships. Vertical integration (make-or-buy decision), corporate ownership, multiproduct firm, relational contracting, franchising. Evaluate economic theories with economic experiments. Prereq: 111 and cons instr.

ECON 460. Economics and Management of Technological Change. 3 cr. Read, present papers and discuss history of technological change, economic/social determinants of direction and rate of change, effects of change on economic structure/growth, and on behavior of firms. Also, technology problems faced by policy makers and firm managers. Prereq: 111 and 2nd sem jr or sr st;

ECON 490. Advanced Topics in Economics. 1-3 cr. Subtitle will designate topic. May repeat for credit with different subtitles. Prereq: Sr st; cons instr.

ECON 493(NW). Internship in China. 3 cr. Supervised training work program in cooperating agency or business in China plus lectures in English. Prereq: Econ major/minor or cons intern dir.

ECON 497. Internship in Economics. Cr arranged. Supervised training work program in a cooperating agency or business. Credit set by chair and econ faculty member. Prereq: Cons chair.

ECON 498. International Internship. 1-12 cr. Supervised training work program in an international agency or business located outside the U.S. Credit set by chair and econ faculty. Prereq: Cons chair.

ECON 499/699. Special Work. Upperclass or graduate students may arrange for independent study with cons chair. Credit based on scope of the project. Prereq: Cons chair.

ECON 717. Economic Education for Elementary and Secondary Teachers. 3 cr. Introduction to basic economic principles and issues; identify resources for economic instruction at elementary and secondary levels; design lessons/activities for integrating economic education across the curriculum, open to experienced, certified teachers. May not earn credit in both Econ 717 and Education 717.

ECON 725. Economics and Environmental Issues. 1 cr. Role of economics principles in analysis of environmental issues; competitive markets, externalities, environmental regulations, economic incentives, pollution reduction, energy efficiency, waste disposal, population change, and economic development; teaching strategies and instructional materials to integrate economics and environmental education. Prereq: Certified elementary and secondary teachers only.

ECON 756. Current Economic Problems. Subtitle. 3 cr. Nature and causes of selected economic problems; evaluation of policy responses with respect to accepted social goals and values. Subtitle will designate topic. May repeat for credit under different subtitles.

ECON 767 Comparative Economic Systems, 3 cr, (03-05)

ECON 768 Monetary and Credit Policies, 3 cr, (95-97)

ECON 769 Applied Economics, 3 cr, (89-91)

ECON 771 History of Economic Thought, 3 cr, (95-97)

ECON 772 Senior Honors Thesis, 3 cr, (91-93)

ECON 773 Business and Government, 3 cr

ECON 774 Current Economic Problems, 3 cr, (91-93)

CAMP AND YOUTH PROGRAMMING

See Natural Resources-Human Dimensions in Natural Resource Management for the option and minor in Youth Programming and Camp Management.

CAPTIVE WILDLIFE

See Geography.

CHEMICAL ENGINEERING

See Chemistry and/or Paper Science and Engineering.

Chemistry

(College of Letters and Science)

James G. Brummer, Chair
Room D129A, Science Building
Phone: 715-346-2888
E-mail: chemistry@uwsp.edu
Web: www.uwsp.edu/chemistry

Definition: Chemistry is an experimental science that involves the study of matter, the chemical and physical changes that matter undergoes, and the energy changes that accompany these phenomena.

CHEMISTRY MAJORS

You may earn a chemistry major in four ways. Each starts with the following core of chemistry and collateral courses.

Chemistry Core/ Collateral Courses

Core: Chem 105 and 106 or Chem 117, 248, 325, 326, 335, 336, 395, 446.
Collateral courses: Math 120, 121, 222; Physics 150, 250.

Complete ONE of the following majors:

Chemistry Major

Consists of a minimum of 62 credits (57 credits if taking Chem 117):
1. Chemistry core and collateral courses (above).
2. Chemistry 365.

Chemistry Major for Professional Certification by the American Chemical Society

Consists of a minimum of 69 credits (64 credits if taking Chem 117):
1. Chemistry core and collateral courses (above).
3. At least 3 credits from Chem 371, 373, 387, 425, 499. You may substitute one advanced course in another science for one chemistry course in this group with approval of the chair.
4. Reading knowledge of a foreign language encouraged.

Chemistry Major with Polymer Option

Consists of a minimum of 65 credits (60 credits if taking Chem 117):
1. Chemistry core and collateral courses (above).
3. At least 2 credits from Chem 329, 339, 365, 387, 425, 455.

Chemistry Major with Polymer Option for Professional Certification by the American Chemical Society

Consists of 75 credits (70 credits if taking Chem 117):
1. Chemistry core and collateral courses (above).
4. Recommended: Reading knowledge of a foreign language.

Chemistry Major for Teacher Certification

1. Consists of any of the majors described above.
2. Enrollment caps are in effect for those seeking teacher certification. Please contact the Chemistry Department early for entrance requirements and application procedures. Also see information about the Professional Education Program and the secondary education curriculum for teacher certification in the Education section of this catalog.

Chemistry Minor

Consists of at least 26 credits (21 credits if taking Chem 117). Take ONE of the following course sequences:
1. Chem 105 and 106 or Chem 117; Chem 248, 325, 326, and a minimum of 4 addl credits selected from Chem 329, 335, 365, 371, 373, 387, 395 and the combination of Water/Geology 487 and Water 492

The objective of a minor in chemistry is to provide you with a knowledge of introductory and intermediate chemical principles and to have you acquire sufficient technical skills to perform capably in a modern chemical laboratory.

Notes:
1. Several of the chemistry courses listed below are designed as service courses or for nonchemistry majors. They do not count toward the chemistry major.

In the case of such courses numbered 300 and over, the course description includes this restriction.
2. a. You can replace a grade of F in a 100 level chemistry course with a subsequent grade in another 100 level chemistry course if you have the consent of the department chair. (See the More Academic Information section of this catalog for the policy on repeating courses.)
   b. In special cases you can replace a D in Chem 117 with a subsequent grade in 106 if you first get authorization from the department chair.
3. You cannot receive credit toward graduation for a course after you have already completed a more advanced or similar course in the same area. The following restrictions hold:
   If you have received credit for you cannot receive
   100    101
   101    100
   105    100, 101
   117    100, 101, 105, 106
   325    220
   365    260
4. If you are taking Chem 105 and plan to continue on with 106, you should take Math 100 concurrently with Chem 105 if you have not already completed that math course or higher.

BIOCHEMISTRY

See listing of the major earlier in this section.

Prepharmacy

Take the following courses during your freshman and sophomore years: Chem 105 and 106 (or 117), 325, 326, and Math 120; Physics 203 and 204. For additional requirements and suggested electives, see a prepharmacy adviser.

Academic Standards

1. If you wish to major or minor in chemistry, you must apply for acceptance into the major or minor through the Department of Chemistry office no later than the first semester of your junior year.
2. To be accepted as a major, you can have no more than one grade below C- in any chemistry, mathematics, or physics courses numbered below 299 required in the chemistry major.
3. To be accepted as a minor, you can have no more than one grade below C- in any chemistry course.
4. To be approved for graduation with a chemistry major, you must:
   a. Have a minimum grade point average of 2.00 (2.75 for student teaching) in all chemistry courses and required collateral courses.
   b. Have no more than one grade below C- in any chemistry, mathematics, or physics courses numbered below 299 required in the chemistry major.
   c. Apply no more than one grade below C- in any chemistry course.
5. To be approved as a chemistry minor, you must have a minimum grade point average of 2.00 (2.75 to student teach) in all chemistry courses.
6. These requirements apply for majors and minors regardless of a declaration of academic bankruptcy. You may petition the department for consideration if you do not meet these standards.
7. If you are a transfer student, the grades you earned at another campus are not included in these requirements or in your GPA calculation. However, all grades are counted if you apply for teacher certification.
8. See Notes 1-4 above for additional information concerning prerequisites and repeating courses.

Test-Out and Credit-by-Exam Policy

The Department of Chemistry offers test-out opportunities for Chem 100, 101, 105, and 106. The test-out exams are handled by the Chemistry Curricular Affairs Committee. The exams are written and cover lecture and laboratory topics. You will be notified of the required passing score before you take an exam. You may take a test-out exam only once.
You will receive credit for testing out of 105 and 106. For 100 and 101 you will not receive credit but will be granted a waiver of the corresponding general degree requirement science credits.

An Advanced Placement (AP) Chemistry Exam score of 3 or 4 gives you credit for Chem 105 (5 cr) and places you into Chem 117. An AP Chemistry Exam score of 5 gives you credit for Chem 105 (5 cr) and Chem 106 (5 cr).

Courses in Chemistry

CHEM 100. Chemistry for the Citizen. 3 cr. Selected principles of chemistry. Relationship between chemistry and modern society. 2 hrs lec, 3 hrs lab per wk. (See notes 2 and 3.) (I, II) GDR: NS
CHEM 101. Basic Chemistry. 5 cr. (One semester survey). Introduction to atomic and molecular structure, bonding, stoichiometry, descriptive chemistry of both inorganic and organic compounds, selected topics in environmental and consumer chemistry. 3 hrs lec, 1 hr disc, 3 hrs lab per wk. (See notes 2 and 3.) (I, II) GDR: NS
CHEM 105. Fundamental Chemistry. 5 cr. (Two semester basic course) Fundamental principles and theories of chemistry, including stoichiometry, atomic and molecular structure and bonding, nuclear chemistry, thermodynamics, descriptive chemistry of nonmetals and transition metals, chemical kinetics and equilibria, introduction to organic chemistry. 3 hrs lec, 1 hr disc, 3 hrs lab per wk. Prereq: Math 90 or placement in 100 or above. (See notes 2, 3.) (I, II) GDR: NS
CHEM 106. Fundamental Chemistry. 5 cr. Continuation of 105. 3 hrs lec, 1 hr disc, 3 hrs lab per wk. Prereq: 105, Math 100 or higher. (See note 3.) (I, II) GDR: NS
CHEM 117. General Chemistry Principles. 5 cr. (1 semester course for especially well-prepared majors/minors). Laws and principles of chemistry including atomic and molecular structure, review of stoichiometry, descriptive inorganic chemistry of the representative and transition elements, chemical equilibria, electrochemistry, thermodynamics, and chemical kinetics. 3 hrs lec, 1 hr disc, 3 hrs lab per wk. (I) GDR: NS
CHEM 220. Survey of Organic Chemistry. 4 cr. Systematic one semester survey of the compounds of carbon, 3 hrs lec, 3 hrs lab per wk. Does not count toward any chemistry major. Prereq: 106 or 117. (See note 3.) (I, II)
CHEM 221. Survey of Organic Chemistry Lecture. 3 cr. Systematic one semester lecture only survey of carbon compounds. 3 hrs lec per wk. Only for fisheries and watershed management majors. Does not count toward any chemistry major or minor. Prereq: 106 or 117, or cons instr. (See note 3.) (I, II)
CHEM 248. Quantitative Analysis. 4 cr. Theory and methods of quantitative chemical analysis including effects of chemical equilibria on quantitative separations, titration curves, polyprotic acids and buffers, and oxidation-reduction processes. 2 hrs lec, 6 hrs lab per wk. Prereq: 106 or 117. (I, II)
CHEM 260. Elementary Biochemistry. 4 cr. Introduction to the structure and cellular reactions of the primary constituents of living cells; for students with limited preparation in organic chemistry. 3 hrs lec, 3 hrs lab per wk. Does not count toward chemistry major. Prereq: 220; or 326. (See note 3.) (II)
CHEM 298. Special Topics in Chemistry. 1-3 cr. Subtitle will designate topic. May repeat with different subtitles. Prereq: Cons instr.
CHEM 299. Introduction to Research. 1 cr. Chemistry majors and minors may arrange for independent research with a faculty member. Introduction to chemical research. May be repeated. Does not count toward chemistry major or minor. Prereq: Cons chair.
CHEM 325. Organic Chemistry. 4 cr. (Two semester course) Structure, conformation, stereochemistry, properties and reactions of organic compounds. Structure-property relationships and reaction mechanisms and their application in the study of a broad range of representative functional groups and compounds including carbohydrates, polymers, amino acids and proteins. Retrosynthetic analysis and spectroscopic characterization of organic molecules. 3 hrs lec, 3 hrs lab per wk. Prereq: 106 or 117. (See note 3.) (I, II)
CHEM 326. Organic Chemistry. 4 cr. Continuation of 325. 3 hrs lec, 3 hrs lab per wk. Prereq: 325. (I, II)
CHEM 329. Advanced Synthesis Laboratory. 2 cr. Advanced techniques in the synthesis and characterization of organic and inorganic compounds. 6 hrs lab per wk. Prereq: 248 and 326. (I)
CHEM 333. Biophysical Chemistry. 3 cr. Examine physicochemical principles underlying structure and chemical properties of macromolecules of biological importance, including principles of thermodynamics, equilibrium, kinetics, and dynamics. Includes methods for separation and isolation of macromolecules and their spectroscopic characterization. 3 hrs lec per wk. Prereq: Math 120, Physics 204 or 250, CHEM 365, and accepted biochemistry major, or cons chair. (See note 3.) (II)
CHEM 335/535. Physical Chemistry. 4 cr. Laws and principles of physical chemistry including atomic and molecular structure, thermodynamics, kinetics, 3 hrs lec, 3 hrs lab per wk. Prereq: 326, and 395 or con reg: Math 222; Physics 250; or cons instr. (I)
CHEM 336/536. Physical Chemistry. 3 cr. Continuation of 335. 3 hrs lec per wk. Prereq: 335. (I)
CHEM 339/539. Physical Chemistry Laboratory II. 1 cr. Extension of 335 lab with emphasis on use of spectroscopic methods to probe the electronic structure of atoms and molecules and the nuclear motions within molecules. Introduction to laser use in spectroscopy and kinetics. 3 hrs per wk. Prereq: 336 or con reg. (II)
CHEM 365/565. Biochemistry. 4 cr. Structure of principal biomolecules, nature and mechanism of cellular reactions, and central pathways of metabolism. 3 hrs lec, 3 hrs lab per wk. Prereq: 248 and 326; accepted chemistry major/minor, biochemistry major, or cons chair. (See note 3.) (I, II)
CHEM 371. Introduction to Chemistry of Materials. 1 cr. Main classes of materials—metals, ceramics and glasses, natural and synthetic polymers, composites, and semiconductors. Relationships between chemical structure, physical and chemical properties, and end use. One hr lec per wk. Prereq: 326 or con reg. (I)
CHEM 373. Polymer Synthesis and Characterization. 2 cr. Methods of polymerization of organic and inorganic polymers. Structure-property relationships, classes of natural and synthetic polymers and copolymers, mechanisms of polymerization, and characterization of polymers by spectroscopic, thermal, physical, and mechanical methods. 2 hrs lec per wk. Prereq: 326; 371 or cons reg: Math 120. (I)
CHEM 395. Seminar I. 1 cr. Use of chemical and scientific literature, introduction to seminar concept. Participate in studies and discuss current developments in chemistry. Prereq: 326 and chemistry major/minor or cons chair. (I)
CHEM 399. Special Work. 1-3 cr. Chemistry majors and minors may arrange for independent projects with a faculty member. May be repeated. Does not count toward chemistry major or minor.
CHEM 425/625. Advanced Organic Chemistry. 3 cr. Theoretical and physical organic chemistry including reaction mechanisms, quantum mechanical applications, advanced stereochemistry. Prereq: 326. (I)
CHEM 446/646. Instrumental Analysis. 4 cr. Instrumental methods of analysis including spectroscopic, electro-chemical, and separation techniques. Presentation of results from an inquiry-based experiment required. 2 hrs lec, 6 hrs lab per wk. Prereq: 248, and 336 or con reg. (See note 3.) (II)
CHEM 455/655. Advanced Inorganic Chemistry. 3 cr. Descriptive inorganic chemistry; periodicity of elements, bonding theories, reaction mechanisms, acid-base theories; and coordination, bioinorganic, and nuclear chemistry. 3 hrs lec per wk. Prereq: 336 or con reg. (II)
CHEM 474. Physical Chemistry of Polymers. 2 cr. Key physical aspects of polymer molecules. Bulk properties, polymer solutions,
CHEM 478, Polymer Laboratory. 2 cr. Prepare polymers by chain-growth and step-growth methods. Introduction to airless techniques and polymer processing. Characterization of bulk and solution properties by molecular weight determinations, spectroscopy, thermal analysis, and mechanical property evaluation. 6 hrs lab per wk. Prereq: 326; 474 or con reg. (II)

CHEM 496/696. Seminar II. 1 cr. Study and discuss current developments in chemistry. Prereq: 336, 395; accepted chemistry major or cons chair. (II)

CHEM 499. Independent Research. 1-3 cr. Preparation of a communicable thesis or report. Written report required. Students are encouraged to repeat this course with their advisor. May apply no more than 3 cr toward ACS certified major. Does not count toward L&S chemistry major. Prereq: 248, 326 and cons chair.

Chemistry Latent Courses: Not offered recently. See full course description in indicated (xx-xx) catalog.
104 Essentials of Chemistry, 2 cr, (95-97)
114 General Chemistry Laboratory, 1 cr, (03-05)
115 General and Inorganic Chemistry, 5 cr, (09-11)
116 General and Inorganic Chemistry, 5 cr, (09-11)
328 Organic Chemistry Lab, 2 cr, (07-09)
330 Brief Course in Physical Chemistry, 4 cr, (05-07)
338/538 Physical Chemistry Laboratory I, 1 cr, (03-05)
340 Intermediate Analytical Chemistry, 4 cr, (05-07)
369 Topics in Physiological Chemistry, 2 cr, (95-97)
380 Industrial Hygiene Chemistry, 1 cr, (95-97)
397 Chemical Literature, 1 cr, (01-03)

Communication
(College of Fine Arts and Communication)
James Haney, Head of the Division of Communication Room 225, Communication Arts Center Phone: 715-346-3409 E-mail: communication@uwsp.edu Web: www.uwsp.edu/comm

Definition: Communication studies how humans use symbols to create, send, receive, and respond to messages in a variety of contexts using oral, written, visual, or mediated channels.

The Division of Communication offers a single comprehensive communication major and minor. Working with a faculty adviser, you can prepare for a wide range of communication careers in broadcasting, new media, journalism, public relations, management, training, sales, and human services as well as receive personal enrichment in the humanities and liberal arts. You must complete all coursework required for the major or minor and are also expected to acquire strong oral and written communication competencies. The division encourages everyone to participate in one or more of the student organizations and the internship program. These enhance job opportunities upon graduation by providing practical communication experience.

Communication Major Admission Requirements
Communication is a limited-enrollment major. Enrollment caps are in effect for all emphases in the major. It is possible that you might meet minimum eligibility requirements (below), but not be accepted into the major. The number of graduates in an emphasis will determine how many students are accepted into that emphasis in a given semester.

Step One: Premajor
If you wish to pursue a major in communication, you must first meet with a division representative. At this meeting you will be granted “premajor” status and assigned an academic adviser.

1. As a premajor you must complete 7-13 communication credits including:
   a. Comm 100.
   b. Any one of Comm 171, 271, 273.
   c. Any one of Comm 160, 190, 192, 230, 240, 280.

2. Premajor course equivalents taken at other universities may substitute for premajor requirements; however, transfer students must complete at least 4 credits of UMSP COMM courses during the premajor process (Comm 100 + one additional course) and must fulfill all 3 required categories.

3. Achieve a minimum 2.75 GPA for all communication credits attempted.

4. Apply to the major after you complete items 1-3 above.

5. Applications are due before the end of the ninth week of each full semester.

6. In addition to the above items, if you have completed 60 or more university credits, you must have a 2.25 overall GPA to declare the major.

7. If you are not accepted into the major, you may reapply once.

8. For exceptions to the above policies, you may appeal to the head of the division.

Step Two: Communication Major
Consists of a minimum of 40 credits in communication courses:
1. Required: Comm 100.
3. Complete requirements for one emphasis area (below).
4. Eighteen credits must be in courses numbered 300 or above.
5. Comm 101 may not be used to complete the major.

Areas of Emphasis
To major in communication and qualify for graduation you must complete all the required courses (above) and one of the following emphasis areas (below). Courses listed below with an asterisk (*) may be repeated for credit under different subtitles.

**Media Studies**—Choose ONE track:

**Public Relations**—Required: Comm 221, 230, 334. Electives: 12 credits, at least 6 must be from Comm 333, 336, 339, 431. Additional 6 credits may be from Comm *322 (publication design focus), *330, *390 (problem solving focus), 392, 394. Other elective courses may be available.

**Individually Planned (I.P.E.)**—Required: Comm 100, 171, 271, 273, 373. Electives: 27 credits of additional communication courses selected in consultation with your adviser and division head approval. At least 18 must be 300 level or above.

Communication Minor
Admission Requirements for the Minor
If you are interested in declaring a communication minor, you must meet with a division representative.

Academic Requirements for the Minor
Consists of a minimum of 24 credits:
2. Electives: 12 credits of communication courses, at least 6 must be 300 level or above.
3. Comm 101 may not be used to complete the minor.

Academic Standards
Retention and Graduation
1. In order to graduate with a major or minor in communication, you must achieve a 2.75 GPA in all communication classes taken, regardless of a declaration of academic bankruptcy. The division will attempt to notify and consult with communication majors/minors who are at or below a 2.75 GPA. However, it is your responsibility to know your own GPA.
2. Any major/minor falling below a 2.75 GPA in communication courses will be placed on probation in the Division of Communication. If you fail to regain a 2.75 GPA after the next semester you enroll in a communication course, you will be dismissed from the major/minor.
3. Courses with a grade below C- DO NOT fulfill the major or minor requirements, but are included in the calculation of the major or minor GPA. See the More Academic Information section of this catalog for the policy on repeating courses.
4. Transfer credit policy: Certain courses taken at other universities may substitute for courses in the major. Credits from these courses will be counted when calculating your GPA in communication.

Test-out, Credit-by-Exam, and Retroactive Credit Policy
If you think you qualify for the above, contact the division head who will determine whether the exam will be for test-out, credit-by-exam, and/or retroactive credit. A designated instructor will administer a written exam that evaluates your level of ability with the content of the course. A grade of B or better will qualify for test-out. Courses that involve applied skills and/or oral performance may also require a second performance exam if you score well enough on the written exam.

Courses in Communication
COMM 100. Introduction to Communication Study. 1 cr pass/fail. Orientation to being a major in the Division of Communication.
COMM 101. Fundamentals of Oral Communication. 2 or 3 cr. Introduction to and application of those principles which lead to an understanding of and facility with practical discourse. GDR: COMM
COMM 160. Introduction to the Art of Film. 3 cr. Survey and appreciation of film: form and function: representative types and styles illustrated by creators such as Hitchcock, Welles, Ford, and Eisenstein. GDR: HU1
COMM 171. Communication in Civilization. 3 cr. The role of rhetorical and communication theory in shaping culture and civilization from the Greeks through contemporary America. GDR: HU1
COMM 190. Evolution of Media. 3 cr. Growth, ramifications and contexts of communication media. GDR: HU1
COMM 192. Constructing Media Narratives. 3 cr. Introduction to the way narratives are shaped by the conventions and constraints of specific media forms including journalism, film, television, radio, and nonlinear multimedia.
COMM 200. Communication Theory. 3 cr. Introduction to contemporary communication theories. Application of theories to communication problems.
COMM 201. Introduction to Communication Research. 3 cr. Types and principles of research in communication; emphasis on interpretation of various research practice in quantitative and qualitative research. So st.
COMM 221. Basic Journalism: Newswriting and Reporting. 3 cr. Learn basic skills needed to produce stories for journalism, including news gathering, writing and editing techniques.
COMM 230. Introduction to Public Relations. 3 cr. Introduction to theory and practice of public relations; special focus on the public relations campaign.
COMM 240. Introduction to Organizational Communication. 3 cr. Introduction to organizational communication theories and workplace practices. GDR: SS2
COMM 273. Reasoning and Criticism. 3 cr. Methods for the analysis of reasoning and persuasion; critical applications. GDR: HU1
COMM 299. Special Work. Freshman and sophomore communication majors and minors may arrange for independent study with consent of division head. Credit based on scope of the project. Prereq: Cons instr.
COMM 320. Multimedia for Journalists. 3 cr. Principles and techniques of journalism for multimedia distribution including Web, podcasting, blogs, and other media. Prereq: 221 or cons instr.

COMM 323/523. Advanced Journalism. 3 cr. Practice in specific forms of journalistic writing such as feature, editorial, sports, science, food and travel, and others. Subtitle will designate area. May repeat for credit with different subtitle. Prereq: 221 or cons instr.

COMM 324. Environmental Journalism. 3 cr. Advanced reporting course including techniques in investigative reporting and science writing, building on fundamental journalism skills through in-depth research, analysis and writing about significant environmental issues. Prereq: 221 or cons. instr. GDR: EL

COMM 325/525. Media Law. 3 cr. Legal issues for media professionals including journalists and producers of electronic media. Prereq: 190 or 230 or cons instr.

COMM 329. Topics in Journalism. 3 cr. Typical offerings include new journalism, photo journalism, literary journalism, journalism history, business journalism. Subtitle will designate area. May repeat for credit with different subtitle. Prereq: 190 or cons instr.

COMM 333/533. Case Studies in Public Relations. 3 cr. Examine and critique various cases involving public relations activities and campaigns. Prereq: 230 or cons instr.

COMM 334/534. Writing for Public Relations. 3 cr. Training in writing press releases, brochures, and other public relations tools. Prereq: 221, 230 or cons instr.

COMM 335. Advertising Copywriting. 3 cr. Training in writing advertising for various media including print, broadcast, and direct mail. Prereq: 230 or cons. instr.

COMM 336. Communication and Promotional Strategies. 3 cr. Basic principles of promotion as they apply to various areas of communication especially relationship of promotion to print and electronic media.

COMM 339/539. Crisis Communication. 3 cr. Study various crisis communication situations including definitions, planning, reputation management and annual report communication. Emphasis on comprehensive crisis communication plan. Prereq: 230.

COMM 342/542. Organizational Communication Laboratory. 3 cr. Organizational communication processes such as leadership and management, communication skills, communication training and development, and communication and performance appraisal process. Subtitle will designate area. May repeat for credit with different subtitle. Prereq: 240 or cons instr.

COMM 343/543. Organizational Communication Assessment. 3 cr. Theories and procedures for assessing communication effectiveness in organizations especially communication audit techniques and designing solutions to communication problems in organizations. Prereq: 240 or cons instr.

COMM 345/545. Small Group Communication. 3 cr. Study communication theories, practices, and skills used in organizations as part of group/team process. Includes group meeting skills, decision making, and group leadership. Prereq: 240.

COMM 349/549. Organizational Communication Topics. 3 cr. May include communication in corporate culture, communication and labor relations, organizational communication and motivation, and employee communication patterns. Subtitle will designate area. May repeat for credit with different subtitle. Prereq: 240 or cons instr.

COMM 351. Writing for Visual Media. 3 cr. Writing for visual media, including corporate video, multimedia, documentary, podcasting, and blogging. Prereq: Cons instr.

COMM 352. Audio Production. 3 cr. Training in audio production across multiple formats such as sportscasting, producing nonfiction, producing fiction, and producing video post-production. May repeat for credit with different subtitles.

COMM 359/559. Topics in Broadcasting. 3 cr. Typical offerings include broadcast programming and management, criticism of broadcasting, mass media effects, and audience research. Subtitle will designate area. May repeat for credit with different subtitle. Prereq: 190 or cons instr.

COMM 360/560. Film History: Beginning to 1940. 3 cr. Development and international trends of the motion picture from late 19th century to 1940. GDR: HU1

COMM 361/561. Film History: 1940 to Present. 3 cr. Development and international trends of the motion picture from 1940 to present. GDR: HU1

COMM 362/562. Topics in Film History. 3 cr. Significant national and international trends, issues, artists in the film history such as American films of the 20-30s, American films of the 40-50s, American films of the 60-70s, films of Alfred Hitchcock. May repeat for credit with different subtitle. GDR: HU1

COMM 363/563. Film and Television Genres. 3 cr. Examine media narrative forms that share common stylistic and narrative conventions and themes such as survey of film and television genres, the American musical film, and images of the American West. Subtitle will designate area. May repeat with different subtitle. GDR: HU1

COMM 364/564(NW). Soviet Film and Culture. 3 cr. Examine needs of art and government in a totalitarian political system. May not earn credit in both 364 and same topic of History 341.

COMM 365/565. Writing for the Media. 3 cr. Writing for specific media contexts such as ad copywriting, scriptwriting, writing for public relations. Subtitle will designate area. May repeat for credit with different subtitle. Prereq: Cons instr.

COMM 367/567. French Film and Culture. 3 cr. Study French film classics in context of French history and culture. Interdisciplinary introduction to important films and filmmakers. Evokes French café culture of passionate debate about art and social issues. GDR: HU1

COMM 369/569. Topics in Film. 3 cr. Typical offerings include film theory and criticism, and survey of documentary film. Subtitle will designate area. May repeat for credit with different subtitle. Prereq: 160 or cons instr.

COMM 373. Communication and Social Change. 3 cr. Study communication theories, media, methods, and strategies for affecting or resisting change in society. Prereq: 171 or 271 or 273.

COMM 374. Art of Criticism. 3 cr. Apply critical approaches for understanding, analyzing, evaluating, and appreciating selected forms of communication. Prereq: Jr st.

COMM 376. Multigenerational Communication. 3 cr. Examination of multigenerational communication theory and research emphasizing improving interaction quality and understanding. Prereq: Jr st.

COMM 381/581. Dialogical Communication and Relationships. 3 cr. Examine the theory and practice of communication based directly and primarily on genuine regard for the other, as it applies to intimacy in close personal relationships. Prereq: 280 or cons. instr.

COMM 383/583. Interpersonal Communication in Organizations. 3 cr. Examine the theory and practice of interpersonal communication in organizational settings. Prereq: 240 or 280.

COMM 385/585. Interpersonal Communication Laboratory. 3 cr. Interpersonal communication processes such as nonverbal communication or communication strategies. Subtitle will designate area. May repeat for credit with different subtitle. Prereq: 280 or cons instr.

COMM 386/586. Listening. 3 cr. Apply skills and strategies to such listening contexts as discriminative, evaluative, appreciative, and empathic. Prereq: 280 or cons instr.

COMM 387. Interviewing. 3 cr. Apply skills and strategies to such interviewing contexts as: performance appraisal, selection, journalistic/probing, and persuasive. Prereq: 280 or cons instr.

COMM 389/589. Personal Communication Topics. 3 cr. Such as conflict management and interpersonal sales. Subtitle designates area. May repeat for credit with different subtitle. Prereq: 280 or cons instr.

COMM 390/590. Seminar. 3 cr. Study and discuss new development, special problem, or area of interest in the field of communication. Subtitle will designate area. May repeat for credit with different subtitle. Prereq: Cons instr.

COMM 392. Communication Ethics. 3 cr. Examine moral theories across various communication contexts. Practice in determining and defending ethical decisions. Prereq: Jr st.
COMM 393/593. Oral Interpretation. 3 cr. Art of communicating intellectual, emotional, and aesthetic qualities of a literary work to an audience.

COMM 394. Speech-Making Laboratory. 3 cr. Training in speech making with emphasis on preparation, delivery and evaluation. May repeat. Prereq: 101 or placement through test-out.

COMM 395/595. Special Topics. 1-3 cr. Subtitle will designate communication topic. May repeat for credit with different subtitle. Prereq: Cons insthr.

COMM 396/596. Communication and Gender. 3 cr. Study communication behaviors as they affect and are affected by gender.

COMM 431. Public Relations Campaigns. 3 cr. Training in campaign planning including research. Develop themes, identify relevant publics, develop appropriate messages. Prereq: 230 and 3 addl 300-level cr in public relations or cons insthr.

COMM 480. Communication Internship. 1-8 cr. Supervised field experience with a cooperating agency in fields related to communication; evaluation and review sessions with intern coordinator and agency supervisor; culminating paper. May apply 8 cr max to graduation and 3 cr max to major. Prereq: Approved comm major with jr/sr status and cons intern director.

COMM 485. Externship in Communication. 6 cr. Part-time foreign placement through UWSP International Programs in a communication focused externship. 3 cr max to apply to major. Prereq: 2.75 GPA in communication major; sr; inteview with division head or designee.

COMM 499. Special Work. Upperclass communication majors and minors may arrange for independent study with cons div head. Credit based on scope of the project. May apply 3 cr max to major.

COMM 503. Technology and Leadership. 3 cr. Impact of the information age on contemporary leadership issues.

COMM 504. Using the Internet for Creative Education and Social Change. 3 cr. Creating Internet strategies and materials for education, business, and nonprofit agencies.

COMM 701. Introduction to Communication Graduate Studies. 3 cr. Overview of historical, theoretical, conceptual, and philosophical foundations of the field of communication.

COMM 702. Seminar in Communication Research Methods. 3 cr. Examine methods used to study communication activities such as qualitative, quantitative, and historical communication research methods and applications. Subtitle will designate area. May repeat for credit with different subtitle.

COMM 720. Seminar in Mass Communication. 3 cr. Examine theory and research in mass communication. Topics such as mass communication theory, mass media effects, contemporary problems in mass media research, contemporary research in broadcasting. Subtitle will designate area. May repeat for credit with different subtitle.

COMM 730. Seminar in Public Relations. 3 cr. Examine theory and research in public relations. Topics such as comparative models, crisis communication, media effects, media relations, international public relations, public relations as practiced within various contexts. Subtitle will designate area. May repeat for credit with different subtitle.

COMM 740. Seminar in Interpersonal Communication. 3 cr. Examine theory and research in interpersonal communication. Topics such as interpersonal communication theory, analysis of dyadic communication, interpersonal skills for management, small group dynamics. Subtitle will designate area. May repeat for credit with different subtitle.

COMM 770. Seminar in Organizational Communication. 3 cr. Examine theory and research in organizational communication. Topics such as organizational communication theory, management and organizational communication, communication in corporate cultures, interpretive research in organizational settings. Subtitle will designate area. May repeat for credit with different subtitle.

COMM 780. Project Credit. 1-3 cr. If you are completing a project option for your degree, enroll in at least one credit of 780 each semester you are working on your project.

COMM 790. Seminar. 3 cr. In-depth study of a specific area of importance to communication scholars. Subtitle will designate area.

COMM 796. Independent Study. 1-3 cr. Planned study to supplement preparation in area of specialization; regular conferences with staff supervisor.

COMM 797. Colloquium. 1 cr. Presentation/discussion of current research within the profession by our faculty and students. Meets periodically throughout the semester.

COMM 799. Thesis Credit. 1-6 cr. If you are completing a thesis option for your degree, enroll in at least one credit of 799 each semester you are working on your thesis.

Communication Latent Courses: Not offered recently. See full course description in indicated (xx-xx) catalog.

COMM 175. Intro to Diversity Communication. 3 cr, (99-01)
238. Intro to Advertising. 3 cr, (01-03)
252. Audio Production I, 3 cr, (07-09)
302/502. Global Comm and Information Age, 3 cr, (05-07)
303. Technology and Leadership, 3 cr, (07-09)
304. Using the Internet for Creative Education and Social Change, 3 cr, (07-09)
306/506. Multimedia Authoring and Publishing on the Net, 3 cr, (07-09)
307/507. Adv Multimedia Author/Public on Net, 3 cr, (05-07)
322/522. Communication Graphics Lab, 3 cr, (05-07)
330/530. Public Relations Laboratory, 3 cr, (03-05)
332/532. Public Relations Practicum, 3 cr, (99-01)
337/537. Advertising Strategies, 3 cr, (99-01)
338/538. Advertising Laboratory, 3 cr, (01-03)
340/540. Organiz Comm Laboratory, 3 cr, (01-03)
355/555. History of Broadcasting, 3 cr, (05-07)
366. Film and American Environment, 3 cr, (01-03)
371. Media Stereotyping, 3 cr, (03-05)
372. Inter-Ethnic Communication, 3 cr, (99-01)
375. Interracial Communication, 3 cr, (99-01)
377. Communication and Aging, 3 cr, (99-01)
378/578. Diversity Communication Strategies, 3 cr, (99-01)
379. Native American Communication Issues, 3 cr, (99-01)
439. Advertising Campaigns, 3 cr, (01-03)
490. Senior Seminar, 3 cr, (01-03)
500. Intro to Communication Research, 3 cr, (91-93)
506. Multimedia Authoring and Publishing on the Net, 3 cr, (07-09)
521. Advanced Journalism, 3 cr, (91-93)
523. Journalism Writing Laboratory, 3 cr, (91-93)
529. Topics in Journalism, 3 cr, (91-93)
535. Advertising Copywriting, 3 cr, (07-09)
580. Communication Technologies Mgmt Major (approved 1990)
580. Communication Technologies Mgmt Major (approved 2002)

Communicative Disorders
(Stenfield of Professional Studies)
Gary D. Cumley, Chair, School of Communicative Disorders
Room 037, College of Professional Studies Building
Phone: 715-346-2328
E-mail: commdis@uwsp.edu
Web: www uwsp edu /CommD

Faculty: D Christensen, G Cumley, M Day, J Elliott, C Forster, T Gumz, R Henning, D Henry, J King, C Osborne, L Plonsker, P Terrell, M Watson.

Definition: Communicative disorders is the study of human communication processes with application to a variety of speech, language and hearing disorders. You acquire an academic base and clinical practicum experiences for careers in speech-language pathology and audiology.

When you major in communicative disorders you have two options: (1) a major leading to educational certification, and (2) a major which does NOT lead to educational certification. No minor is available. The school's coordinator of undergraduate programs will advise you.

Communicative Disorders Major
Courses required at the undergraduate level:
1. The bachelor of science or bachelor of arts general degree requirements.
3. Biology 101 or 160; Chemistry 100 or 101; Physics 101 or 115.
4. Psychology, 13 credits: Psychology 110, 325, 260 or Human Development 265; Math 355 or Psychology 300 (if math requirement has been met).
5. Collateral courses, 6 credits.
   a. One course from Communication 385, 390; Human Development 360, 363, 364; Philosophy 302; Political Science 306; Psychology 315, 375, 385; Sociology 224, 310, 366, 467.
   b. One course from Psychology 330, 331.

Communicative Disorders Major Leading to Teacher Certification
For admission to the professional education program, you must have completed all 200 level coursework in communicative disorders and have an overall GPA of 2.75 (including transfer credits) and an in-major GPA of 3.00. Coursework consists of all the major requirements listed above, plus some or all of the following:
1. Education, 10 credits: 200, 205, 300, 351, 381, 400.
2. History, 6 credits: 177 and one additional course from 176, 288, 285, 292.
4. The graduate degree in speech-language pathology or audiology.

Academic Standards
1. You must have an overall GPA of 2.0 to enroll in lower division preprofessional coursework for the major: COMD 108, 260, 264, 266, 267.
2. To enroll in upper division (300-400 level) preprofessional coursework you must complete the lower division preprofessional coursework with a GPA of 3.0 and have an overall GPA of 2.75.
3. You must earn a grade of C or better in required communicative disorders coursework to receive credit toward the major. You may repeat a course in the major if you follow the "Repeating Courses" policy found in the More Academic Information section of this catalog.
4. You must maintain a 2.75 GPA overall and a 3.0 GPA in this major throughout the upper division coursework.
5. If you fail to meet either the overall or the in-major GPA, you will be placed on probation in the major. You must meet the above GPAs by the end of the probationary semester to continue in the major. Only one probationary semester is allowed.
6. All courses taken in the major are used to determine your in-major GPA, regardless of a declaration of academic bankruptcy.
7. All college and university coursework will be used for any program decision, including the professional education program, enrollment in upper division courses, and graduation. You may petition the Communicative Disorders Academic Programs Committee for exception.

MASTER OF SCIENCE DEGREE IN SPEECH-LANGUAGE PATHOLOGY
Is described in the Graduate section of this catalog.

CLINICAL DOCTORATE IN AUDIOLGY
Is described in the Graduate section of this catalog.

Center for Communicative Disorders
Tami Gumz, Clinical Director
Room 036, College of Professional Studies Building
Phone: 715-346-2456
E-mail: clinicc@uwsp.edu

The Center for Communicative Disorders offers speech-language diagnostic and therapy services as well as comprehensive hearing evaluations for children and adults. Assessment and treatment can be provided for numerous communication and swallowing concerns that may be secondary to cleft palate, cerebral palsy, autism, laryngectomy, hearing loss, cognitive disorders, learning disabilities, stroke, traumatic brain injury, or other neurological disorders.

The Center for Communicative Disorders is a clinical training facility with a reputation for excellence in serving the university and Central Wisconsin by providing clinical services as part of the professional preparation of undergraduate and graduate students.

Courses in Communicative Disorders
COMD 108. Introduction to Communicative Disorders. 3 cr. Overview of normal speech, language, and hearing processes; survey of disorders of communication and the profession of communicative disorders (I).
COMD 260. Phonetics. 3 cr. Analysis of speech production using the International Phonetic Alphabet. Review phonetic principles as foundation for understanding normal speech production and speech differences with application of these principles to speech-language pathology and audiology. Prereq: 108 or con reg, cons instr. (II)
COMD 264. Anatomy and Physiology of Speech and Language. 3 cr. Functional anatomy and physiology of articulatory, phonatory, respiratory and central and peripheral nervous systems for human communication; embryological derivation of the orofacial complex. Prereq: 108 or con reg, so st. (II)
COMD 266. Normal Language Development. 3 cr. Introduction to normal language development in children from birth through school age with focus on processes of cognitive support for language learning, a functional model of language, and language differences in young children. Prereq: So st. (I, II)
COMD 267. Normal Language Development Lab. 1 cr. Prepracticum experience to become familiar with typical language behavior of preschool children. Prereq: 266 or con reg. (I, II)
COMD 352. Audiological (Re)Habilitation. 3 cr. Methods and procedures used in visual, auditory, speech, and language programming for the hearing impaired. Prereq: 351, (I, II)
COMD 360. Clinical Procedures. 3 cr. Principles of assessment and intervention methods for clinical management; interviewing techniques, overview of practice settings and specialties; practice in writing and editing clinical diagnostic and therapy reports. Additional professional writing such as insurance appeals and justification of services will also be addressed. Prereq: 266, 345, 366 or con reg. (I, II)
COMD 366. Language Impairments in Young Children. 3 cr. Functional approaches to management of language impaired children
between birth and five years of age, including cultural differences. Prereq: 108, 260, 264, 266, 267. (II)

COMD 370/570. Language Programming in Educational Settings. 3 cr. Introduction to normal language development as a foundation of understanding language delays and disorders, including the impact of hearing loss, cultural factors, dialects, English as a second language, and disorders related to learning, emotional and cognitive disabilities. Prereq: Admission to Professional Ed Program for special ed students; or jr or sr st in COMD. (II)

COMD 457. Introduction to Speech and Hearing Science. 4 cr. Acoustic and physiologic elements of speech production and perception; laboratory assessment; measurement of sound; anatomy & physiology of the hearing mechanism; introduction to psychoacoustics. Prereq: 260, 264, 345, 351, or cons instr., Math 100. Prereq: 113. Prereq: 113. (Y2, I)

COMD 490. Senior Seminar. 1-3 cr. Study of speech-language pathology and audiology topics in seminar format. Content will vary. Prereq: Sr st, cons instr. (I, II)

COMD 499. Special Work. Upperclass communicative disorders majors may arrange for independent study with cons chair. Credit based on scope of project: (I, II)

COMD 710. Research Methods in Communicative Disorders. 3 cr. Critical analysis of research in your interest area in speech language pathology and audiology including theoretical support, research design, statistical levels of measurement, methods of reporting research results, and drawing conclusions from the results. Prereq: Cons instr. (Y1, II)

COMD 715. Gross Anatomy of the Head and Neck. 2 cr. Gross human anatomy for human communication; dissections of the head and neck to view structural relationships of the mechanisms. Prereq: Cons instr. (Y1, SS)

COMD 723. Fluency Disorders. 3 cr. Research related to causes, onset, development, and maintenance of stuttering and other speech fluency disorders. Assessment and treatment of preschoolers, school-age children, adolescents, and adults. Prereq: Cons instr. (Y1, I)

COMD 735. Language Disorders: School Age and Adolescents. 3 cr. Impact of language-based disorder and effect on literacy development and academic achievement. Includes informal and formalized assessments, memory, word finding, nonliteral language, problem-solving abilities using various assessments and curriculum-based intervention techniques that facilitate academic and social development. Prereq: Cons instr. (Y2, I)

COMD 738. Working with Families of Infants and Toddlers at Risk. 2 cr. Identification, assessment, program planning and intervention procedures for families of infants and toddlers with or at-risk for disabilities. Biological and environmental risk factors, management, and role of interdisciplinary teams in prevention and early intervention. Prereq: Cons instr. (Y1, SS)

COMD 740. Neurogenic Communication Disorders and Age-related Changes. 4 cr. Acquired neurogenic communication disorders of adults (aphasia, cognitive-communication impairments, language of confusion, language of generalized intellectual impairment) from strokes, trauma, illness, and degenerative diseases. Evaluation, differential diagnosis, and management procedures. Primary aging changes and impact on communication. Prereq: Cons instr. (Y1, I)

COMD 742. Seminar in PDD/Autism. 2 cr. Assessment and intervention approaches based on current theoretical perspectives of Autism Spectrum Disorders. Focus on different methods of enhancing communication and socialization abilities of this population. Prereq: Cons instr. (Y1, I)

COMD 745. Advanced Study in Phonological Disorders. 2 cr. Review contemporary issues in articulation and phonology. Assessment and treatment strategies for clinically and culturally diverse child and adult populations. Prereq: 345 or equiv. (Y2, I)

COMD 746. Dysphagia. 3 cr. Normal swallowing function as a foundation for exploring contemporary issues in the clinical and instrumental assessment of swallowing disorders in children and adults. Management procedures for swallowing disorders across the lifespan emphasizing multidisciplinary aspects of treatment. Prereq: Cons instr. (Y1, II)

COMD 763. Aural Rehabilitation/Habilitation. 1.3 cr. Counseling and intervention programs and techniques for re/habilitating communication skills of children and adults with hearing loss. Prereq: Cons instr. (Y1, SS)

COMD 765. Augmentative and Alternative Communication. 3 cr. A lifespan approach to assess, intervene, and manage individuals who are non-speaking because of developmental, motor, or acquired disabilities; determine and develop different communication opportunities supported by multimodal communication approach incorporating both low and high technological approaches. Lab experiences include various voice output systems and different assistive technology computer software. Prereq: Cons instr. (Y1, I)

COMD 773. Counseling in Speech-Language Pathology. 1 cr. Explore theories and philosophical orientations to the practice of counseling in daily interactions with people with communication disorders. Practical applications for variety of needs in different settings. Scope of practice within the profession. Prereq: Cons instr. (Y1, I)

COMD 774. Professional Issues: Diversity and Multicultural. 1 cr. Evaluate and manage persons with communication disorders across diverse cultural backgrounds, personal values and beliefs. Prereq: Cons instr.

COMD 775. Medical Settings. 1 cr. Evaluate and manage persons with communication disorders within medical setting. Consider various medical settings, ethics, functional goals, and documentation (billing, reporting, etc.). Prereq: Cons instr. (Y1, SS)

COMD 776. School Methods. 2 cr. Apply assessment and intervention skills to preK-12 public school contexts. Educational organization, legal mandates, certification/licensure, curriculum-relevant goals, collaborative roles, current professional issues. Prereq: Cons instr. (Y2, I)

COMD 784. Disorders of Phonation. 3 cr. Current trends in classification, differential diagnosis, assessment, treatment, and prevention of vocal dysfunction and resonance disorders across the lifespan. Also atypical phonation disorders, causes of laryngeal cancer, medical management of malignant tumors of the larynx, rehabilitation of laryngectomies. Prereq: Cons instr. (Y1, I)

COMD 786. Cleft Palate and Craniofacial Disorders. 2 cr. Embryological development and anatomy/physiology of the facial and oral structures. Biology of clefts and craniofacial anomalies. Multidisciplinary assessment and treatment of speech and language skills, including articulation, receptive/expressive language, resonance, voice, and feeding issues. Prereq: Cons instr. (Y1, II)

COMD 790. Seminar in Communicative Disorders. 1-3 cr. Content varies. Seminar format to study topics associated with speech-language pathology and audiology. Prereq: Cons instr. (SS)

COMD 791. Graduate Practicum I. 1-2 cr. Evaluate and manage persons with communicative disorders in the Center for Communicative Disorders and selected off-campus facilities. Prereq: Cons instr. (Y1, I)

COMD 792. Graduate Practicum II. 2-4 cr. Evaluate and manage persons with communicative disorders in the Center for Communicative Disorders and selected off-campus facilities. Prereq: Cons instr. (Y1, II)

COMD 793. Graduate Practicum III. 1-2 cr. Evaluate and manage persons with communicative disorders in the Center for Communicative Disorders and selected off-campus facilities. Prereq: Cons instr. (Y1, SS)

COMD 794. Graduate Practicum IV. 2-4 cr. Evaluate and manage persons with communicative disorders in the Center for Communicative Disorders and selected off-campus facilities. Prereq: Cons instr. (Y2, I)

COMD 795. Clinical Semester. 15 cr. Fifteen-week full-time clinical externship in education or noneducational professional settings. Prereq: Completion of academic and practicum requirements. (Y2, II)

COMD 796. Independent Study. 1.3 cr. Prereq: Cons instr. (Y1, Y2, II)

COMD 797. Workshop. 1-6 cr. Individual and/or group projects that expand the graduate program course content. May repeat for credit with different content. Prereq: Cons instr. (Y1, II)

COMD 798. Extremity for Practicing Clinicians. 6-15 cr. Extremity for practicing speech-language pathologists and audiologists with Master of Science or Arts degree in communication disorders holding a
Certificate of Clinical Competence from ASHA, and who wish to complete the clinical requirements established by the Wisconsin Dept of Public Instruction for certification. Consists of a minimum of 6 weeks in an educational setting. Prereq: Academic requirements for DPI license and permission of Academic Programs Committee. (SS)

COMD 799. Thesis. 2.6 cr. (Y1, I)

Courses for Doctorate in Audiology

NOTE: All 800-900 courses require graduate status and consent of the instructor as prerequisites.

COMD 805. Diversity and Multicultural Issues. 1 cr. Evaluation and management of persons with communication disorders across diverse cultures, personal values and beliefs.

COMD 806. Professional Issues: Medical Setting. 1 cr. Evaluation and management of persons with communication disorders within a medical setting. Various medical settings, ethics, functional goals, documentation (e.g. billing, reporting, etc.). (Y2, SS)

COMD 832. Pediatric Audiology. 3 cr. Study of normal physical, social, cognitive, speech and language and auditory development in children; causes and effects of childhood hearing loss; hearing screening and principles of early intervention; behavioral and objective assessment of hearing in children. Prereq: 850, 851, 852, 858. (Y2, II)

COMD 833. Occupational Audiology. 2 cr. Principles and issues regarding effects of noise on people; federal and state regulation of workplace noise; and practical aspects of hearing conservation for those exposed to occupational noise, non-occupational noise or both. (Y1, SS)

COMD 834. Counseling in Audiology. 2 cr. Roles of counseling in rehabilitative process, ethical obligations of counselors. Develop awareness and skill to build trusting relationships, convey diagnostic information, inform and empower patient/consumer as to their rights and community resources, and respond to way hearing loss impacts the person's social/economic life. Prereq: 850, 851, 852, 856. (Y3, I)

COMD 835. Research Methods. 3 cr. Critical analysis of research in speech-language pathology and audiology including theoretical support, research design, statistical levels of measurement, methods of reporting research results, and drawing conclusions from results. Students may pursue personal research interests. Prereq: 850, 851, 852, 854. (Y2, I)

COMD 837. Auditory and Vestibular Pathologies I. 2 cr. Survey most common peripheral auditory system pathologies and their presentation in the clinical evaluation. Prereq: 850, 851, 852, 856, 858. (Y2, II)

COMD 845. Human Balance System: Structure, Assessment, Rehabilitation. 2 cr. Human balance function with emphasis on vestibular system including neurophysiology, testing and rehabilitation. Clinical experience performing electronystagmography (ENG) and videonystagmography (VNG) examination and analyzing results. Familiarity with rotational and posturography tests and various treatment techniques. Prereq: 850, 852, 860, 862, con reg in 846. (Y2, I)

COMD 846. Lab: Human Balance System. 1 cr. Training to perform and analyze results of electronystagmography (ENG) and videonystagmography (VNG) examinations, and practice canalith repositioning maneuver. Observe administration of rotational and posturography tests. Prereq: 850, 851, 852, 837, 862, con reg in 845. (Y2, I)

COMD 849. Geriatric Diagnostics/Rehabilitation. 2 cr. Basic theories of aging, anatomical and physiological effects of aging on auditory and balance systems and resulting communication difficulties. Diagnostic and rehabilitative challenges working with elderly patients. Prereq: 850, 851, 852, 837. (Y2, II)

COMD 850. Hearing Science I: Basic Physical, Physiological and Psychological Acoustics. 3 cr. Anatomy and physiology of human auditory system; emphasis on peripheral system. Basic concepts in psycho-acoustics with reference to normal and pathological auditory systems. (Y1, I)

COMD 851. Hearing Science II: Advanced Topics in Hearing and Balance. 3 cr. Advanced terminology, concepts, theories and experimental procedures related to psychoacoustics, anatomy and physiology of auditory and vestibular systems. Central mechanisms of hearing and balance and role they play in psychophysical phenomena. (Y2, II)

COMD 852. Hearing Assessment. 2 cr. Diagnostic audiology including bases, purpose, rationale and procedures for tests of auditory function. Examine available evidence as bases for test selections and meeting objectives of diagnostic evaluation. Prereq: Con reg in 853. (Y1, I)

COMD 853. Lab: Hearing Assessment. 1 cr. Lab experience focusing on performance of basic audiology tests. Prereq: Con reg in 852. (Y1, I)

COMD 854. Electroacoustics and Instrument Calibration. 2 cr. Review physical concepts of acoustics and electronics underpinning the practice of audiology, as well as formally adopted standards for calibrating clinical environments, instruments, and procedures. Prereq: Con reg in 855. (Y1, I)

COMD 855. Lab: Electroacoustics and Instrument Calibration. 1 cr. Laboratory experience in electroacoustics and instrument calibration. Prereq: Con reg in 854. (Y1, I)

COMD 856. Amplification Systems I. 2 cr. Components and electroacoustic characteristics of hearing aids and assistive listening devices. Approaches for selecting devices and verifying their fitting. Prereq: 850, 851, 852, 853, con reg in 857. (Y1, II)

COMD 857. Lab: Amplification Systems I. 1 cr. Test, fit and repair hearing aids; perform basic hearing aid tests and repair hearing aids; proper cerumen removal and ear impression techniques; use appropriate strategies in fitting. Electroacoustic evaluation and use of probe microphone measures in hearing aid fitting. Prereq: 850, 851, 852, 853, con reg in 856. (Y1, I)

COMD 859. Lab: Physiological Assessment of Auditory System I. 1 cr. Laboratory experience in procedures and interpretation of physiological assessment of auditory system emphasizing otoacoustic emissions and auditory brainstem response. Prereq: 850, 851, 852, 853, con reg in 858. (Y1, II)

COMD 860. Physiological Assessment of Auditory System II. 2 cr. Advanced study of physiological measures audiologists use in threshold and diagnostic evaluations, including acoustic immittance, middle and long latency auditory evoked potentials, P300 and MMN. Introduction to evaluation of balance system. Prereq: 850, 851, 852, 853, 858, 859, con reg in 861. (Y2, I)

COMD 861. Lab: Physiological Assessment of Auditory System II. 1 cr. Laboratory experience in objective measures audiologists use for threshold and diagnostic evoked potentials, including acoustic immittance, middle and long latency auditory evoked potentials, P300 and MMN. Demonstrations, projects and case studies. Prereq: 850, 851, 852, 853, con reg in 860. (Y2, I)

COMD 863. Implantable Auditory Prostheses. 2 cr. Audilogical management of severe to profound hearing loss using implantable auditory prostheses. Cochlear implants, introduction to auditory brainstem implant. Prereq: 850, 851, 852, 832, 856. (Y3, I)

COMD 897. School Methods for Audiologists. 1 cr. Designed to fulfill Wisconsin's Department of Public Instruction (DPI) licensing requirements for audiologists. Apply your knowledge and skills in assessment and intervention of hearing related disorders to the public school setting. Prereq: cons instr. (Y3, II)

COMD 891. Clerkship in Audiology. 1 cr. Introductory practicum. Acquisition of beginning skills in screening and diagnostic audiology and management of hearing loss. Training in use of audiometric instruments and software, patient interactions and reporting procedures. (Y1, II, SS)

COMD 892. Clerkship in Audiology. 1-3 cr. Second year practicum. Physiologic assessment of vestibular, peripheral and central auditory systems to develop skills to assess hearing and implement treatment plans across ages. Prereq. 891. (Y2, I, II, SS)

COMD 893. Clerkship in Audiology. 1-4 cr. Third year practicum. Continue development of skills to assess hearing and implement treatment plans across all ages. Develop all skills beyond introductory stage to perform assessments and treatment with less supervision. Prereq. 891. (Y3, I, II)

COMD 894. Extenship in Audiology. 2-4 cr. Final practicum. Extended development of skills to assess hearing and implement treatment plans across all ages. Develop all skills to mastery level to perform competently with minimum supervision. Prereq. 893.

COMD 899. Capstone Project. 2-3 cr. Independent work on capstone project. (Y3, Y4, I, II, SS)

Communicative Disorders Latent Courses: Not offered recently. See full course description in indicated (xx-xx) catalog.

749 Total Communication, 3 cr, (87-89)
774 Professional Issues: Diversity and Multicultural, 1 cr, (09-11)
780 Com Dis in Children, 3 cr, (89-91)
805 Diversity and Multicultural Issues, 1 cr, (09-11)
847 Acoustics and Perception of Speech, 2 cr, (09-11)

Comparative Literature
(College of Letters and Science)
Richard Ruppel, Coordinator
Room 490, Collins Classroom Center
Phone: 715-346-3036
E-mail: forlang@uwsp.edu OR ruppel@uwsp.edu

Comparative Literature Minor
1. Comparative Literature 101 and 102.
2. Six credits in advanced literature courses read in a language other than your native language.
3. Comparative Literature 399.
4. Additional courses in comparative literature and English to total 21 credits, as follows:
   a. At least 12 credits in comparative literature courses.
   b. Additional credits selected from English 310, 312, 319, 361, 362, 380.

Test-Out and Credit-by-Exam Policy
You may apply for test-out or credit-by-exam for comparative literature courses which carry general degree requirement (GDR) credit. The instructor who most recently offered the course will prepare, administer, and grade a comprehensive written exam on the material covered in the course. If you receive a B- or better on the written exam you may test-out of the GDR requirement. To be eligible for credit-by-exam you must receive a grade of B or higher on the written exam, earn a grade of B or higher on an 8-10 page paper on a literary topic covered in the course, and receive the positive recommendation of the department. Six credits maximum earned from credit-by-exam may count toward the comparative literature minor.

Courses in Comparative Literature
C LT 102. Masterpieces of the Western World. 3 cr. Comparative study of themes and literary traditions in literature of the Western World from Milton to Mann. GDR: HU2

C LT 235 (NW). Non-Western Folklore. 3 cr. Introduction to folkloristics and folklore in selected Non-Western cultures.

C LT 243. Spanish American Literature in Translation. 3 cr. Selected readings. Subtitle will indicate focus. May repeat for credit under different subtitles.

C LT 350. Special Problems. 2 or 3 cr. Special focus on one of the following: a non-English writer; a comparative study of two writers; a literary group or genre; the relationship between literature and other arts; a recurrent theme in literature. A subtitle indicating the focus will be added each time the course is offered; any needed foreign language preparation will be indicated. Prereq: Language preparation by the student for the problem to be handled. GDR: HU2

Comparative Literature Latent Courses: Not offered recently. See full course description in indicated (xx-xx) catalog.

101 Masterpieces of the Western World, 3 cr, (03-05)
317 Novel before 1850, 3 cr, (01-03)
324 Language and the Arts, 3 cr, (07-09)
550 Special Problems, 2-3 cr, (87-89)
399 Special Work, (01-03)

COMPUTER INFORMATION SYSTEMS
See Computing and New Media Technologies

Computing and New Media Technologies
(College of Letters and Science)
Robert Dollinger, Chair of Computing and New Media Technologies

COMPUTER INFORMATION SYSTEMS
Faculty: A Damle, R Dollinger, A Ellertson, D Gibbs, W. He, T Krause, T Miller, P Seeling, K Stern, Q Yuan.
Abbreviations:
CIS = Computer Information Systems
CNMT = Computing and New Media Technologies
WOMD = Web and Digital Media Development

Definition: Computer Information Systems (CIS) involves the design and maintenance of information systems that enable organizations to gather, process, store, and use information for planning, control, and operations. Emphasis is placed on the analysis, configuration, and programming, security, and database aspects of the design and implementation of a computerized business information system.

The program and courses in computer information systems are administered by the Department of Computing and New Media Technologies.
Computer Information Systems Major (CIS)

Consists of at least 56 credits.
1. Core requirements:
   a. CIS 110 or WDMD 110 and 111.
   b. CIS 120, 210, 220, 225, 310, 341; Math 209.
   c. CNMT 210, 410, 480.
2. Required option: Complete 3 courses from those listed in one of the following options.
   a. Application development and support option: CIS 340, 342, 345, 346, 444.
   b. IT infrastructure option: CIS 347, 361, 460, 462, 464.

Admission/ Academic Standards for the CIS Major
1. If you declare CIS as your major, you are a “premajor” until you apply and are accepted into the major. Applications are processed in September and February each year. You should apply no later than the second semester of your sophomore year. Exceptions may be granted.
2. Before you can apply for admission to the CIS major, you must complete CIS 110 (or WDMD 110 and 111), 120, 210 and Math 209. You must have a GPA in these courses of at least 2.5, including transfer credits, and regardless of any declaration of academic bankruptcy.
3. We rank applicants by overall GPA and accept, at most, the top 40 each semester. The actual number admitted is based on available teaching resources.
4. You may apply for admission to the CIS major twice.
5. You may repeat a course in the major only if you follow the policy on repeating courses found in the More Academic Information section of this catalog. If you repeat a course, the most recent grade counts for the GPA.
6. CIS and Math courses taken pass/fail do not count for the major.
7. You may petition the department chair to accept coursework done at other institutions, but no more than one-half the CIS credits applied to your major may be earned outside UWSP. The department chair may allow exceptions.
8. To maintain admitted status, you must maintain a GPA of at least 2.5 in all courses taken at UWSP that count for the CIS major.
9. If you do not maintain a GPA of at least 2.5 in all courses taken at UWSP that count for the CIS major, you will be placed on CIS probation and will have one semester to restore your GPA. If you fail to do so, you will be dropped from the major and the only CIS courses for which you will be allowed to register are those required to complete the CIS minor.
10. If you are not admitted to the CIS major, the only CIS courses for which you will be allowed to register are those required to complete the CIS minor.
11. Admission to CIS classes may be limited in any semester and may be determined in part by your CIS GPA.

Computer Information Systems Minor
Consists of at least 24 credits: CIS 110 or WDMD 110 and 111; CIS 120, 210, 220, 310; CNMT 210 or CIS 225.

Academic Standards for CIS Minor
1. To minor in CIS, declare your intention no later than the first semester of your sophomore year.
2. Have no more than one grade below C- in any CIS course. If you repeat a course, the most recent grade counts. CIS courses taken pass/fail do not count toward the minor.
3. Have a minimum 2.25 GPA in all CIS courses, regardless of any declaration of academic bankruptcy.
4. You may petition the department for exceptions.

Test-Out and Credit-by-Exam Policy
You may receive credit-by-exam if you have taken the APCS (Advanced Placement Computer Science) exam. If you have a score of 3 or higher, you will receive credit for CIS 110. If you have not taken the APCS exam but have significant programming experience, you may be placed into CIS 120 at the discretion of the department chair. If you receive a grade of B or higher in 120, you will then receive retroactive credit in 110.

WEB AND DIGITAL MEDIA DEVELOPMENT
(College of Letters and Science)
Robert Dollinger, Chair of Computing and New Media Technologies
Room B-246 Science Building
Phone: 715-346-4409
E-mail: cnmt@uwsp.edu
Web: www.uwsp.edu/cnmt

Faculty: A Damle, R Dollinger, A Ellertson, D Gibbs, W He, T Krause, K Miller, T Miller, P Seeling, K Stern, Q Yuan.

Abbreviations:
CIS = Computer Information Systems
CNMT = Computing and New Media Technologies
WDMD = Web and Digital Media Development

The program and courses in web and digital media development are administered by the Department of Computing and New Media Technologies. For the most up-to-date program and course information, please visit the website www.uwsp.edu/cnmt.

The web and digital media development major uses web and digital computer technology to create, communicate and collaborate with an emphasis on applying these techniques to the world of business and commerce. After you complete this major you will be able to develop multimedia digital presentations, CDs and websites. You will be comfortable with the design issues, aesthetic components, computer technology and media tools used in the creative process. You will also have an understanding of the creative, social and technological issues that shape our world and provide the context in which you will be employed following graduation.

Web and Digital Media Development
(WDMD) Major
Consists of at least 60 credits (Technical Focus) or 59 credits (Design Focus):
1. Required: WDMD 100, 200, 201, 211, 302, 312; Business 320, 330; CNMT 210, 410, 480.
2. Electives: Complete one of two focuses:
   a. Design focus:
      1) WDMD 110 or CIS 110.
      2) WDMD 202.
      3) 18 credits in WDMD courses numbered 345 and above.
   b. Technical focus:
      1) WDMD 110 and 111, or CIS 110.
      2) CIS 120, 210, 220.
      3) Complete one of two concentrations:
         a) Application Development: CIS 310, and either 341 or 342.
         b) IT Infrastructure: CIS 225 and one course from CIS 460, 462, or 464.

Web and Digital Media Development Minor

Consists of at least 24 credits:
1. Required: WDMD 100, 200, 201, 302; WDMD 110 or CIS 110; CNMT 210.
2. Electives: 2 WDMD courses numbered 345 and above.

Academic Standards and Admission Procedures

1. The WDMD major is open to all university students.
2. To declare a major in WDMD, complete the appropriate form available in the Department of Computing and New Media Technologies office.

Courses in Computer Information Systems (CIS)

CIS 101. Introduction to Computing. 2 cr. Survey hardware, software, computing applications, Internet, current issues in technology, social implications of computing, campus computing environment. Prereq: con reg 102

CIS 102. Practicum in Computing. 1 cr. Subtitle added for each section offered. May repeat for credit under different subtitles.

CIS 110. Object-Oriented Programming. 4 cr. Introduction to object-oriented programming paradigm; definition and use of classes; fundamentals of object-oriented design; development of object-oriented programming language; coding in an object-oriented meta language; coding in a current object-oriented programming language.

CIS 120. Data Structures and Algorithms. 4 cr. Introduction to fundamental concepts of data structures and algorithms that proceed from them. Includes recursion, underlying philosophy of object-oriented programming, fundamental data structures, basics of algorithmic analysis. Coding and testing of representative algorithms. Prereq: 110 or WDMD 111.

CIS 210. Database Design and Implementation. 4 cr. Analyze and design databases to support computer-based information systems. Develop and program relational database management systems using SQL. Prereq: 120.

CIS 220. Object-Oriented Analysis and Design. 4 cr. Analyze and design a software system using the object-oriented paradigm and object-oriented systems development life cycle as framework. Activities done in the context of a semester-long systems application case study. Prereq: 120.

CIS 225. Data Communication and Networks (formerly 360). 4 cr. Physical basis for communication; modulation techniques; synchronous and asynchronous transmission; analog and digital signaling; multiplexing; communication hardware, software and protocols; routing algorithms; error detection and correction; basic concepts of local and wide area networks; network topologies. Prereq: 120.

CIS 300. America in the Age of Information. 3 cr. Critical assessment of impact of information revolution on American society, including contemporary life, professions, privacy, security, education, law, government and employment. Does not count for CIS major or minor.

CIS 310. Production Programming. (formerly 313). 4 cr. Business logic of multi-tier production information systems. Implementation of entity classes and relationships, interacting with data sources and user interfaces, and developing object navigation code. Prereq: 210, 220, accepted CIS major, declared CIS minor, or declared WDMD major.

CIS 340. Advanced Techniques in Application Development. 4 cr. Advanced application development features, including exceptions, interfaces, collections, callbacks, delegates, multi-threading, advanced data access techniques, type-reflection and attribute-based programming. Prereq: 220, 310 or con reg with cons instr.

CIS 342. Rich Internet Applications. (formerly 442) 4 cr. Examine the concepts and underlying technologies used to develop rich Internet applications, including scripting, style sheets, postback, message formatting, document object model (DOM), and the XML/HTTP object model. Develop interactive and responsive Web applications using these technologies in various contexts. Prereq: CNMT 210.

CIS 345. Alternate Programming Language. 3 or 4 cr. Examine an alternate programming language with emphasis on language structure. Subtitle will indicate language and number of credits. May repeat for credit under different subtitles. Does not count for the IT Infrastructure option. Prereq: Determined at time of offering based on subtitle.

CIS 346. Contempoary Topics in Computing. 3 or 4 cr. Examine contemporary and emerging topics in computing. Subtitle will indicate topic and number of credits. May repeat for credit under different subtitles. Does not count for the IT Infrastructure option. Prereq: Determined at time of offering based on subtitle.

CIS 347. Special Topics in IT Infrastructure. 3 or 4 cr. Examine contemporary and emerging topics in IT Infrastructure. Subtitle will indicate topic and number of credits. May repeat for credit under different subtitles. Does not count for the Application Development and Support option. Prereq: Determined at time of offering based on subtitle.

CIS 361. Information and Network Security. 4 cr. Introduction to information and network security issues. Characteristics of information security; security law and ethics; risk assessment; operations security; cryptography. Explore security vulnerabilities, security measures, and security tools such as firewalls, tcp wrappers, tripwires and intrusion detection systems. Prereq: 225.

CIS 370/570 Computer Applications for Teachers. 1-3 cr. Examine use of computer software in a class. Integrate software into units of instruction. Develop implementation strategy that includes hardware/software acquisition and student access. Subtitle will indicate type of software. May repeat for credit under different subtitles. Does not count for CIS major or minor.

CIS 370/575 Application Programming for Teachers. 1-3 cr. Examine a productivity software package including a variety of applications. Subtitle will indicate type of computers and/or software such as word processing, spreadsheet or database. May repeat for credit under different subtitles. Does not count for CIS major or minor.

CIS 374/574 Internet Applications for Teachers. 1-3 cr. Examine Internet concepts, search engines, downloading, organization of Internet resources; website design, development and implementation. Subtitle will indicate website development tool or application focus. May repeat for credit under different subtitles. Does not count for CIS major or minor.

CIS 385/585 Introduction to Programming for Teachers. 1-3 cr. Problem solving, algorithm development, and computer programming. How to design, code, debug, and document programs. Subtitle will indicate programming language. May repeat for credit under different subtitles. Does not count for CIS major or minor.

CIS 397. Internship in Computing. 3 or 6 cr. Participate in supervised work program that you arrange with your adviser at a cooperating organization. Credit determined by adviser and chair. May repeat for 6 cr max. Prereq: Jr st and cons chair.

CIS 444. Advanced Database. 4 cr. Define, design and construct an enterprise data warehouse in depth study of techniques and algorithms for extracting useful information, such as OLAP, data mining, and creation of datamarts. Examine performance considerations. Prereq: 210; 310 or con reg.
CIS 460. Advanced Topics in Networking. 4 cr. Examine current developments in networking, such as multimedia networking, peer-to-peer networking, and others. Hands-on projects with programming and simulation tools. Prereq: 225.

CIS 462. Server Administration. 4 cr. Apply techniques for deployment of network services such as DNS, SMTP, SSH, HTTP, HTTPS, printing and file sharing on both Windows and Linux server platforms. Introduction to Linux operating system including commands, utilities, shell programming, system administration, networking and Internet server capabilities. Hands-on projects. Prereq: 225.

CIS 464. Wireless Networking and Devices. 4 cr. Introduction to fundamental concepts of different wireless network technologies, mobility of users, and mobile devices. Student projects that target different areas of wireless networking will give a deeper insight into a particular area. Prereq: 225.

CIS 499. Special Work. Upperclass CS students may arrange for independent study with cons chair. Credit based on scope of project.

Computer Information Systems Latent Courses: Not offered recently.

See full course description in indicated (xx-xx) catalog.

105 Intro to Campus Computing Facilities, 1 cr, (95-97)
115 Introduction to Information Systems, 3 cr, (07-09)
116 Introduction to Information Management, 1 cr, (07-09)
195/395 Seminar in Computing, 1-3 cr, (07-09)
205 Computer Prog Applications for Paper Sci, 4 cr, (03-05)
230 Computer Organiz and Assembly Language, 3 cr, (95-97)
305 Operating Systems, 3 cr, (97-99)
332 Client/Server Computing, 3 cr, (07-09)
335 Computers, Data Processing, and the Law, 3 cr, (95-97)
351 Modeling and Simulation, 3 cr, (97-99)
352 Decision Support Systems, 3 cr, (95-97)
371/571 Microcomputer Operation for Teachers, 1 cr, (03-05)
380/580 Adv Programming/Software for Teachers, 1-3 cr, (99-01)
390/590 Special Topics, 103 cr, (01-03)

Computer Science Education Latent Course: Not offered recently.

See full course description in indicated (xx-xx) catalog.

398 Student Teaching in Computer Science, 4-16 cr, (05-07)

Courses in Computing and New Media Technologies

CNMT 210. Web Design and Development I. (formerly WDMD 210) 4 cr. Fundamental principles and techniques of Web development, user-centered Web design, and basic project management. Topics include (X) HTML, CSS, JavaScript, HTTP, DOM, and tools for developing Web applications including code, graphics, and basic multimedia. Prereq: CIS 110 or WDMD 110.

CNMT 376/576. Visual Expression in New Media. 2-3 cr. Visual analysis and development of advertising, educational, training, photojournalistic, and political images. Does not count for the WDMD major or minor. GDR: HU.

CNMT 410. Professional IT Communication. (formerly CIS 410) 4 cr. Examine methods of audience analysis and strategies to shape effective oral and written communication related to the field of information technology. Topics include career positioning, system documentation, Email etiquette and format, workplace ethics, social networking behavior, basic research practices, oral presentation skills, individual and group nonverbal communication in the workplace. Prereq: CIS 220 or WDMD 211; Comm 101; English 102 or 150, sr st.

CNMT 480. Applied System Development Project. (formerly CIS WDMD 480) 4 cr. Apply computer programming, system design, and/or Web and digital media development concepts, principles, and practices to a comprehensive system development project; use team approach to analyze, design and document real world systems; use project management methods, project scheduling and control techniques; use formal presentations and group dynamics to solve system problems; develop a database and/or digital media artifacts to support the system. Prereq: CNMT 410; CIS 341 or both WDMD 302 and 312; sr st.

Courses in Web and Digital Media Development

WDMD 100. Creativity and the Arts. 3 cr. Creation across artistic media and genres. Nature of artistic experience as expressed in art, theatre, dance, music, film, video, and computer media. GDR: HU

WDMD 110. Introduction to Object-Oriented Computing. 2 cr. Introduction to the object-oriented paradigm. Development of object-oriented computing principles including objects, properties, classes, abstraction, aggregation, inheritance, encapsulation and polymorphism. Coding in an object-oriented meta language. Cannot receive credit in both WDMD 110 and CIS 110.

WDMD 111. Introduction to Object-Oriented Programming. 2 cr. Development of object-oriented programming techniques using objects, properties, classes, abstraction, aggregation, inheritance, encapsulation and polymorphism. Coding in an object-oriented language. Cannot receive credit in both WDMD 111 and CIS 110. Prereq: 110.

WDMD 200. Introduction to Computer Graphics. 3 cr. Survey of three common varieties of software used in Web and multimedia development, including raster-based, vector-based, and motion software. If you took WDMD 202 or 310 or 345 (Photoshop) or 345 (Illustrator) or 365, you are not eligible to receive credit for WDMD 200. Prereq: 100 or con reg.

WDMD 201. Introduction to Digital Media Creation. 3 cr. Examine core concepts related to digital media creation, including graphics, audio, video and the multimedia development process. Prereq: 200.

WDMD 211. Web Design and Development II. 3 cr. Concepts of client-side programming of Web applications. Introduction to one or more Web-centered languages including JavaScript and XML. Prereq: CNMT 210.

WDMD 302. Multimedia Authoring. 4 cr. Develop and create digital media including video, audio, animation. Prereq: 201.

WDMD 312. Web Design and Development III. 3 cr. Concepts of server-side programming of Web applications. Introduction to one or more Web-centered languages including PHP and SQL database. Prereq: 211.

WDMD 345. Advanced Media Development Tools. 3 or 4 cr. Use professional software tools for digital media development. Subtitle will indicate tool(s) and number of credits. Prerequisite will be determined at time of offering based on subtitle. Does not count for Technical focus of WDMD major.

WDMD 346. Contemporary Topics in Web and Digital Media. 3 or 4 cr. Examine contemporary and emerging topics in Web and digital media. Subtitle will indicate topic and number of credits. Prerequisite will be determined at time of offering based on subtitle. May repeat for credit with different subtitles. 3 cr max toward Design focus of WDMD major. Does not count for Technical focus of WDMD major.

WDMD 360. Digital Audio and Video Production. 3 cr. Nonlinear audio and video production techniques including storyboarding, scene visualization, and editing. Prereq: 302.

WDMD 362. Digital Portfolio Development. 3 cr. Advanced examination and application of professional digital portfolio components and processes. Develop, refine and present artifacts that relate to digital media design and development. Prereq: 302 and jr st.

WDMD 364. 3-D Computer Graphics. 3 cr. Develop 3-D computer modeling skills as well as introductory animation skills. Theory of design principles including scale and proportion, 3-D composition, color, etc. as applied to 3-D computer-simulated environments. Prereq: 201, 202.

WDMD 365. Digital Game Development. 3 cr. Explore the theory, design, and development of games and simulation for the Web through the use of animation and interactive programming. Prereq: 302.

WDMD 397. Internship in Web and Digital Media Development. 1-3 cr. Participate in supervised training work program that you arrange with your adviser at a cooperating organization. Adviser and chair determine credits. May repeat for 3 cr max. Does not count for Technical focus of WDMD major. Prereq: Cons chair.

Web and Digital Media Development: Latent Courses: Not offered recently. See full course description in indicated (xx-xx) catalog.
101 Intro to Web and Digital Media Development, 3 cr, (07-09)
338 Web Server Administration, 3 cr, (07-09)

Earth Science
(College of Letters and Science)
Neil Heywood, Coordinator
Room D-332, Science Building
Phone: 715-346-2629
E-mail: geoggeol@uwsp.edu
Web: www.uwsp.edu/geo
Also see the earth science option of the Natural Science major later in the catalog.

Earth Science Minor
Is administered by the Department of Geography and Geology and consists of 22 credits:
2. At least one course from each of the following groups:
   a. Geography/Geology 352, Geography 353, 354.
   b. Geology 200, 320, 330, 370, 383.
3. Additional credits either from groups 2.a. and 2.b. above: or from the following to total 22 credits:
   Geography 393 (max 3 cr), 395 (for earth science topics); Geology 393 (max 3 cr), 395; Astronomy 205 and 206 or 311.

Notes:
1. You may use no more than three total field experience credits (Geology 393 or Geography 393) to satisfy the earth science minor requirements.
2. For teacher certification in earth science, you must include Astronomy 205 and 206 or 311, and at least two field experience credits in Geography 393 and/or Geology 393.

Academic Standards
1. To be admitted, retained, and approved for graduation as an approved earth science minor, you must have a minimum cumulative grade point average of 2.00 (2.75 to student teach in earth science) for all courses taken within the minor, including collateral courses and regardless of declaration of academic bankruptcy.
   a. You must complete Geography 101 or Geology 104 before you are admitted as an approved minor; otherwise you are a provisional minor.
   b. If you transfer and have no credits earned at UWSP in the minor, you will be a provisional minor until you have completed the minimum requirements.
2. If you do not maintain a 2.00 GPA, you will be placed on earth science probation and will have 2 semesters to restore your GPA. If you fail to do so, you will be dropped from the minor. The department will attempt to notify and consult with students who are at or below a 2.00 GPA. However, it is your responsibility to know your own GPA status.
3. You may repeat a course in the minor only if you follow the policy on repeating courses found in the More Academic Information section of this catalog.
4. Geology, geography, and astronomy courses taken at the 300 and 400 level on a pass/fail basis do NOT count toward the minor.

ECONOMICS

Math = Mathematics
PEP = Professional Education Program
Psych = Psychology
WLNS = Wellness

Wisconsin Teaching Standards
To receive a license to teach in Wisconsin, you must complete an approved program and demonstrate proficient
performance in the knowledge, skills and dispositions under these 10 standards. As a teacher you will:

1. Understand the central concepts, tools of inquiry, and structures of the disciplines you teach and can create learning experiences that make these aspects of subject matter meaningful for your students.

2. Understand how children with broad ranges of ability learn and provide instruction that supports their intellectual, social, and personal development.

3. Understand how students differ in their approaches to learning and the barriers that impede learning, and adapt instruction to meet the diverse needs of your students, including disabilities and exceptionalities.

4. Understand and use a variety of instructional strategies, including the use of technology to encourage your students’ development of critical thinking, problem solving, and performance skills.

5. Use an understanding of individual and group motivation and behavior to create a learning environment that encourages positive social interaction, active engagement in learning, and self-motivation.

6. Use effective verbal and nonverbal communication techniques as well as instructional media and technology to foster active inquiry, collaboration, and supportive interaction in the classroom.

7. Organize and plan systematic instruction based on knowledge of subject matter, students, the community, and curriculum goals.

8. Understand and use formal and informal assessment strategies to evaluate and ensure continuous intellectual, social and physical development of your students.

9. Be a reflective practitioner and continually evaluate the effect of your choices and actions on your students, their parents, and professionals in the learning community and others. Also actively seek out opportunities to grow professionally.

10. Foster relationships with school colleagues, parents, and agencies in the larger community to support student learning and well being, and act in an ethical manner with integrity and fairness.

PROFESSIONAL EDUCATION PROGRAM (PEP) ADMISSION PROCEDURES

If you are interested in any teacher certification program, you must officially declare your teaching intent by making an appointment with the Advising, Recruitment and Retention Office, 715-346-2040. You must also apply for admission to the Professional Education Program after you have completed 40 credits; but you must have earned 54 credits by the end of the semester in which you are applying to be fully admitted. University approved credits for Advanced Placement (AP), CLEP, and test out may apply toward the 54 credits. Applications are available from the School of Education Advising Office, Room 469 CPS Building. Applications are processed two times each year, February 22 and September 22. Applications received after the deadline will be processed during the next deadline period.

In order to enroll in Educ 200, junior and senior level early childhood, education and instructional resources courses, as well as some methods courses in other departments, you must be fully admitted to the PEP.

You must have completed the following minimum criteria and have passing scores on file in the Advising, Recruitment and Retention Office to be eligible to apply for admission to PEP. Criteria may change at any time.

1. Earn a 2.75 cumulative grade point average (GPA) from all accredited institutions attended. The School of Education honors academic bankruptcy and UWSP course repeat policies at the time of admission to the PEP, but you must have a 2.75 GPA overall and a 2.75 GPA in your major, minor, concentration, and teacher certification coursework for student teaching, regardless of academic bankruptcy or GPA requirement waiver. If you declare academic bankruptcy, you must have at least a 2.75 GPA in 40 credits of courses you complete after declaring academic bankruptcy and any courses taken at other institutions.

2. Earn a 2.50 GPA in English 101 and 102 or a C or better in English 150.

   a. Test out of English 101 and 102 through the department test-out exam or receive credit by examination for both courses.

   b. Test out of one course (or receive credit by exam) and maintain a 2.50 GPA in the other course

   c. Receive a grade of B- or better in English 250.

   d. Receive a passing score on the reading and writing portion of the Pre-Professional Skills Test (PPST) and receive grades of B or better in two writing emphasis (WE) courses.

   e. Satisfactorily complete the required work in the Professional Writing Competency Program. (Sign up and pay fee for this program in 469 CPS)

3. Complete speech and hearing screening.

4. Receive a 50 percent or better score on the Watson-Barker Listening Test. You may repeat this test if you do not receive a passing score or if you are denied entry into PEP. Appropriate accommodations are available if you have a documented disability or if you are an English language learner. Contact the Education Advising Office for details.

5. Receive passing scores on all three sections of the Pre-Professional Skills Test. (Written version requirements and computer version requirements after January 2002: Reading 175, Writing 174, Math 173. Computer version requirements prior to January 2002: Reading 322, Writing 320, Math 318.) Appropriate accommodations are available if you have a documented disability or if you are an English language learner. Contact the Education Advising Office for details.

6. If you are an early childhood education major, elementary education major, or any other education major, you must receive a passing score of 15 or higher on the Pre-Professional Interview. You may repeat this interview once if you do not receive a passing score.

7. See the department of your major or minor for additional requirements and enrollment cap policies. All programs have additional requirements to apply.

8. Be able to prove DPI required competency in communication skills including computers and emerging technology by receiving a B- or better in Educ 205.

   a. Complete CIS 102 or equiv from another university with title (1) Internet Research, (2) PowerPoint, or (3) Word Processing AND Spreadsheet.
1. Complete the requirements for the BA or BS degree listed under the General Degree Requirements section of this catalog. However, note the specific courses to take under the following categories:

a. In the verbal and quantitative skills sequence, take English 101 and 102, or 150; Communication 101; Math 100, 338 and Math Ed 338.

b. In the critical thinking/natural science sequence, take 13-15 credits, including no more than one 3-credit course, and at least two 5-credit courses in these three disciplines:

Transfer Student Admission Procedure

If you are a transfer student or have an undergraduate degree from an accredited institution, you may be admitted to the Professional Education Program (PEP) if you complete items 1-8 above, are admitted to UWSP, and have paid the required deposit. You must attach proof of admission to UWSP when you apply.
1. Complete the requirements for the BA or BS degree listed under the General Degree Requirements section of this catalog. However, note the specific courses to take under the following categories:

   a. In the verbal and quantitative skills sequence, take English 101 and 102, or 150; Math 100 and 338 and Math Ed 338.
   b. In the critical thinking/natural science sequence, take 13 to 15 credits, including no more than one 3-credit course, and at least two 5-credit courses in these three disciplines:
      1) Physical science: Chemistry 100 or 101; Physics 100 or 101; Astronomy 100, 205, 206, or 311.
      2) Earth science: Geography 100 or 101; Geology 100.
      3) Life science: Biology 100 or 101.
   c. Take 27 credits to fulfill the critical thinking/cultural awareness requirement, including one course in non-Western culture (NW) and one course in minority studies (MNS).
      1) History: Take History 177 and three more credits from History 176, 285*, 288*, 292*, 393* (*These courses do not meet general degree requirements in the category listed.)
      2) Social Science: Take HD 261 or 265, and 367; Psych 110; Political Science 101.
      3) Humanities: Take 3 credits from English 211, 212, 213, or 214; and 3 credits from Humanities Area 1.
   d. Take Natural Resources 370 to fulfill UWSP's environmental literacy requirement and DPI's environmental education requirement.
   e. Take Physical Ed 231 to fulfill part of the wellness requirement. WLNS 123 will complete the wellness requirement. (If you have completed both First Aid training and CPR through the Red Cross, you may be waived from WLNS 123, but will still need to complete the wellness requirement.

After you have completed 40 credits, apply for admission to the Professional Education Program. For a list of the admission criteria, see that section above.

2. Take 34 credits of professional education: ECED 262, 460; Educ 200, 205, 300, 351, 381; HD 466; IRES 331; and 13 credits of combination Educ 398, 400 and ECED 398.
3. Take 23 credits of education methods: ECED 366, 368; Educ 302, 309, 310, 324, 325; HD 360.
4. Take 10 credits of related professional subject matter: Com Dis 266; English 274; Math 228/Math Ed 228.
5. Complete the Teacher of Students with Early Childhood Special Education (ECSE) minor including Educ 365, 366, 367, 398. Other requirements for this minor are met within the early childhood ed major.
6. Achieve a 2.75 overall GPA as well as a 2.75 GPA in your major, minor, concentration, and education courses, or be in the upper half of your class before you student teach.
7. Earn a grade of “pass” or 2.0 GPA (C) or better in all areas of student teaching. You CANNOT be certified if you do not pass or if you receive a grade less than C for student teaching in your major.

**ELEMENTARY EDUCATION**

**Elementary Education Major (BA/BS)**

(Middle childhood through early adolescence level. Ages 6-13, approx grades 1-8)

Enrollment caps: The top 50 students who apply each semester will be admitted.

1. Complete the requirements for the BA or BS degree listed under the General Degree Requirements section of this catalog. However, note the specific courses to take under the following categories:

- **Art History**
- **Biology**
- **Chemistry**
- **Economics**
- **English**
- **French**
- **German**
- **Geography**
- **Geology**
- **Health Education**
- **History**
- **Humanities**
- **Mathematics**
- **Music**
- **Natural Science**
- **Physics**
- **Political Science**
- **Psychology**
- **Sociology**
- **Spanish**

- **Critical Thinking/Natural Science**
  - Physical Science: Chemistry 100 or 101; Physics 100 or 101; Astronomy 100, 205, 206, or 311.
  - Earth Science: Geography 100 or 101; Geology 100.
  - Life Science: Biology 100 or 101.

- **Cultural Awareness**
  - History: Take History 177 and three more credits from History 176, 285*, 288*, 292*, 393* (*These courses do not meet general degree requirements in the category listed.)
  - Social Science: Take HD 261 or 265, and 367; Psych 110; Political Science 101.
  - Humanities: Take 3 credits from English 211, 212, 213, or 214; and 3 credits from Humanities Area 1.

- **Environmental Literacy**
  - Natural Resources 370 to fulfill UWSP's environmental literacy requirement and DPI's environmental education requirement.

- **Wellness**
  - Take Physical Ed 231 to fulfill part of the wellness requirement. WLNS 123 will complete the wellness requirement. (If you have completed both First Aid training and CPR through the Red Cross, you may be waived from WLNS 123, but will still need to complete the wellness requirement.)

After you have completed 40 credits, apply for admission to the Professional Education Program. For a list of the admission criteria, see that section above.

2. Take 29 credits of professional education: Educ 200, 205, 300, 381, 383, 385, 398, 400, and IRES 331.
3. Take 20 credits in education methods: Educ 302, 309, 310, 324, 325; Math Ed 228 and 345.
4. Take 17 credits of related professional subject matter: Art Ed 322, English 275, Music Ed 381.
6. Take WLNS 123 or show proof of completion of First Aid and CPR training through the Red Cross.
7. Achieve a 2.75 overall GPA as well as a 2.75 GPA in your major, minor, concentration, and education...
courses, or be in the upper half of your class before you student teach.

8. Earn a grade of “pass” or 2.0 GPA (C) or better in all areas of student teaching. You CANNOT be certified if you do not pass or if you receive a grade less than C for student teaching in your major.

9. To graduate, see “Graduation” in the More Academic Information section of this catalog.

SECONDARY/ K-12 EDUCATION

Secondary Education Curriculum for Teacher Certification

K-12 covers early childhood through adolescence level; approximate ages 0-21.

Secondary/ Middle covers early adolescence through adolescence level; approximate ages 10-21.

If you complete a K-12 program in family and consumer education; music-choral, general, instrumental; physical education; or speech and language, you will be certified early childhood through adolescence level which covers a wide range of all ages in public schools.

Enrollment caps are in effect for all secondary/ K-12 programs. See your major/minor department for enrollment cap policies and additional requirements needed to apply to PEP.

Meet the following requirements:

1. Complete the requirements for the BA, BFA, BM, or BS described in the General Degree Requirements section of this catalog or from another institution.

3. Complete at least one certifiable major. You can enhance your employment options with an additional certification in a minor field. For information on the requirements for your major and minor, check with the individual departments and see the section(s) in this catalog on your field(s) of study. Note that requirements for the teaching major/minor sometimes differ from requirements for the nonteaching major/minor.

4. Take the following courses for certification:
   a. 1) Educ 200 or dept equiv, 205, 300 or dept equiv, 351, 381, 385 (385 not required if K-12 program).
   2) Educ 386 or (English 381 if you are an English major/minor).
   3) Educ 390 or (English 355 and 356 if you are an English major/minor). Family/consumer sci, music and physical ed majors are exempt from Educ 390.
   4) IRES 331 or (department equiv for English, family/consumer sci, math, music and physical ed majors).
   b. Teaching methods course in major, 3 credits.
   c. Teaching methods course in your minor, if you want to be certified in your minor, 3 credits.
   d. Student teaching, 3-16 credits. 12-16 credits are required for initial licensure. Student teaching will include Educ 400 or dept equiv. See the Student Teaching section below.
   e. Political Science 101.
   f. 1) Science majors and minors take Natural Resources 370.
      2) Social science majors and minors take Econ 110 or 272, Political Science 242, and Natural Resources 370 (except psychology majors who do not major or minor in another social science field).
   g. One fine arts course.
   h. One humanities course must be literature.
   i. Among science electives, you must take one biological and one physical science.
   5. Achieve a 2.75 overall GPA as well as a 2.75 GPA in your major, minor, concentration, and teacher certification courses, or be in the upper half of your class before you student teach.
   6. Earn a grade of “pass” or 2.0 GPA (C) or better in all areas of student teaching. You CANNOT be certified if you do not pass or if you receive a grade less than C for student teaching in your major.
   7. To graduate, see “Graduation” in the More Academic Information section of this catalog.

Certification in Communicative Disorders

In this sequence you work in a public school with students of all ages (preschool through high school). You receive certification when you complete your master’s degree. For further information, see the section entitled Communicative Disorders under Courses of Instruction.

EXCEPTIONAL EDUCATION

Exceptional Education Major (BS)

Enrollment caps: The top 25 students who apply each year will be admitted (half each semester). When you meet the School of Education guidelines for admission to the Professional Education Program (PEP), you will apply for:

A. One specialization in special education certification in middle childhood through adolescence level-special education (approx ages 6-21).

B. Or two specializations for certification in either middle childhood through early adolescence level-special education (approx ages 6-13) or early adolescence through adolescence level-special education (approx ages 10-21).

C. If you seek additional certification, you will take the additional student teaching after graduation.

Requirements:

1. Complete the requirements for the BS degree listed under the General Degree Requirements section of this catalog. However, note the specific courses to take under the following categories:
   a. In the verbal and quantitative skills sequence, take English 101 and 102 or 150; Math 100, 338 and Math Ed 338.
   b. In the critical thinking/natural science sequence, take 13 to 15 credits, including no more than one 3-credit course, and at least two 5-credit courses in these three disciplines:
      1) Physical science: Chemistry 100 or 101; Physics 100 or 101; Astronomy 100, 205, 206, or 311.
      2) Earth science: Geography 100 or 101; Geology 100.
      3) Life science: Biology 100 or 101.
   c. Take 24 credits to fulfill the critical thinking/cultural awareness requirement, including one course in non-Western culture and one course in minority studies. Social science and humanities together must equal 18 credits.
      1) History: Take History 177 and 3 more credits from History 176, 285*, 288*, 292*, 393*.
1. For teacher certification you must document 200 clock hours of prestudent teaching experience working with children and youth in regular classroom settings of which 50 clock hours are involved with designated social, cultural, or language groups. You must also document 90 clock hours of prestudent teaching experience working with children and youth within your specialization.

2. Be sure you understand and fulfill the human relations requirements of the Wisconsin Department of Public Instruction. You can pick up a copy of the human relations requirements checklist from the School of Ed Advising Center, Rm 469, CPS Building.

Notes Regarding Teacher Certification for Exceptional Education Majors

1. Professional Education: Complete a major certification program in education which includes: Educ 309 and/or 386 (see adviser), 351, 381, 383, 398, 400, HD 261, 265 or Psych 260, and methods courses in your instructional areas. Certification grade levels depend on initial certification program.

3. Complete one of the following areas of certification:
   a. Emotional behavioral disabilities (EBD): no additional coursework required.
   c. Cognitive disabilities (CD): no additional coursework required.

4. Enrollment caps: Eligible students will seek only one area in special education. Sixty students will be accepted per year with a maximum of 30 students per certification area in EBD, LD, CD.

EXCEPTIONAL EDUCATION GRADUATE CERTIFICATION PROGRAMS

See the Graduate section of this catalog.

STUDENT TEACHING

Patricia Marinac, Director of Field Experiences
Room 464, College of Professional Studies Building
Phone: 715-346-2449
E-mail: fieldexp@uwsp.edu

In this final step in your preparation for teaching, you demonstrate practical competence in one of many schools that cooperate with UW-Stevens Point in providing field experiences. As a student or intern teacher you will be assigned to any cooperating school system depending upon your personal preferences and the availability of qualified cooperating teachers.

The Office of Field Experiences and the cooperating school administration arrange all assignments. Please do NOT initiate contact with a cooperating teacher to arrange an assignment. Some assignments may entail additional fees for supervision services, which the director of field experiences must approve and arrange. We will notify you in writing if your assignment requires special fees. Please don't plan to student teach in a school where your child is enrolled or where a relative is currently employed as an administrator or serves on the school board.

For most program areas, when student or intern teaching for initial certification, you are limited to a maximum of two assignments per semester (e.g. elementary and middle, or high school and middle). Coursework or significant employment during the same semester as student teaching or internning will be counted as an assignment. The semester before you student teach, you must attend an orientation meeting to get information about the requirements for student teaching.
General Requirements for Eligibility to Student Teach

1. Be admitted to the Professional Education Program. Apply at the School of Education Advising Office, Room 469, CPS Building.
2. Earn a 2.75 overall GPA as well as a 2.75 GPA in your major, minor, concentration, and education courses to student teach. Earn a 3.00 GPA for teaching intern.
3. You must complete all teaching methods/techniques courses BEFORE you student teach.
4. Submit passing scores on the required state Praxis II exams no later than March 1 (if student teaching in the fall), and October 15 (if student teaching in the spring).
5. The semester before you student teach, submit your completed application forms by the date set by the Office of Field Experiences.
6. Receive written recommendation from the department chair or associate dean and the School of Education Advising Coordinator.
7. Present a medical statement indicating that you have been examined and are free from tuberculosis.
8. Complete a Conduct & Competency affidavit, including your attestation that you ordered a report of a Criminal Information Bureau background check administered by the UWSP Office of Field Experiences.
9. Dates of student teaching assignments are set according to the school district semester, not the university semester.

Student Teaching Plans

Plan A: Full Semester Student Teaching
Before student teaching, complete all work toward your major, and also toward your minor if you wish to student teach in it.
You must register for student teaching in appropriate sections and for credits as your advisers approve. You will spend a full semester student teaching according to the daily schedule and semester calendar of an approved cooperating school. You may be asked to return to campus for one or more seminars or to confer with UW-Stevens Point instructors.

Plan B: Internship for Elementary/Secondary Teachers
You may be selected to enroll as an intern teacher at any one of many levels. You must complete all required courses in professional education before you begin your internship. As an intern, you are a licensed and contracted member of a school staff, and you will spend an entire semester or year in that school system. During this time, you will be involved in a team providing educational services. Internships are determined by local agency requirements. To be considered for an internship program, you must earn a cumulative GPA of 3.00 or higher, a 3.00 or better in your major, and a 3.00 GPA in your minor if you want to be certified in it.

Plan C: Split-Semester Student Teaching
Before student teaching you must complete all requirements in a major, as well as requirements for a certifiable minor or additional subjects or levels. You must student teach in your major in order to request another student teaching assignment. You must obtain written approval from both major and minor programs, where applicable. If approved, additional assignments take place during the student teaching semester in sequences and locations coordinated by the Office of Field Experiences. Typically, assignments change at the end of quarter.

Notes for Teacher Certification

1. Applications for initial licensure are processed only after you complete all degree and certification requirements and your degree is conferred.
2. For initial licensure in Wisconsin:
   a. Fulfill all human relations requirements of the Wisconsin Department of Public Instruction. Get human relations requirements checklist from the School of Education Advising Office, Room 469, CPS Bldg., or from the Certification Office, Room 112, CPS Bldg.
   b. Successfully demonstrate competence in the Wisconsin Teaching Standards through portfolios.
   c. Determine content knowledge with passing scores on standardized tests approved by the state superintendent which include Wisconsin’s Model Academic Standards.
3. Certification areas:
   a. Elementary certification covers middle childhood through early adolescence (approx ages 6-13) with an option to add-on ages 6-13 in a teaching minor.
   b. Early childhood education certification covers early childhood through middle childhood (approximate ages birth-8).
   c. Secondary certification covers early adolescence through adolescence (approx ages 10-21). K-12 programs in family and consumer ed; French; German; health; music-choral, general, instrumental; physical ed; Spanish; and speech and language cover early childhood through adolescence which covers a wide range of all ages in public schools.
   d. Certification in exceptional education (CD, EBD, LD), ESL, and music is either middle childhood through adolescence or early childhood through adolescence which covers a wide range of all ages in public schools.
   e. Certification in majors in family and consumer sci, French, German, physical ed, and Spanish is early childhood through adolescence which covers a wide range of all ages in public schools.
   f. Reading certification (available only to teachers with two years of experience) is early childhood through adolescence which covers a wide range of all ages in public schools.

Title II Reporting
To comply with mandates of Section 207 of Title II of the Higher Education Act, https://www.uwsp.edu/education/specialReports/titleII.aspx lists the number of students in teacher education, the number of student teachers, numbers of several kinds of supervisors of student teachers, and a student/faculty ratio. More statistics related to teacher certification and licensure will be included on the website as they become available.
**Certifiable Programs**

UW-Stevens Point offers certification in the following majors (#), secondary education minors (@), elementary education minors (@), and graduate certifications (x). Elementary education majors may minor in any UWSP minor, but can receive certification to teach ages 6-13 in certifiable minors. Due to changes in state requirements, this list may change at any time.

*Available only to ECSE majors or as an add-on after initial certification in ECSE or elementary*

**Must also have certif major in a science or social sci

NOTE: To be certified to teach at any level (elementary, secondary, K-12) you must meet current Department of Public Instruction (DPI) mandates. You must meet the newest requirements regardless of the requirements that were listed in the catalog when you entered the program.

**COURSES**

### Courses in Early Childhood Education

* An asterisk in front of the course number means that you must be admitted to the relevant Professional Education Program (PEP) area before you can enroll in the course.

**ECED 262. Programs for Children and Families.** 3 cr. Historical analysis of the development of programs for children and families; roles played by individuals, agencies, and government; current program models and techniques for program evaluation. Prereq: HD 261 or Psych 260.

**ECED 364/564. Curriculum and Methods for Young Children.** 3-4 cr. Introduction to curriculum principle/methods for developmentally appropriate environment for young children in a variety of areas. Includes clinical experience. Prereq: Admis to PEP, 262, 302 and HD 261 or 265; 564 needs elementary license or cons instr.

**ECED 264/564. Curriculum and Methods for the Emergent Reader/Writer.** 2 cr. Introduction to curriculum and methods for implementing a developmentally approp emergent literacy program. Prereq: Admis to PEP, 262, 302 and HD 261 or 265; 564 needs elementary license or cons instr.

**ECED *368. Curriculum and Methods for Young Children: Art, Creative Dramatics, Creative Movement, Music.** 3 cr. Introduction to curriculum and methods for using expressive arts and characteristics of play to enhance development and learning of young children. 2 hrs lec, 2 hrs practicum per wk. Prereq: ECED 262, HD 261.

**ECED *398. Student Teaching.** Variable cr; pass/ fail. Observation and teaching under the guidance of cooperating teachers and university faculty. Subtitle will indicate kindergarten or early childhood.

**ECED *460/660. Home, School, Community Agencies.** 3-4 cr. Theory and philosophy of processes used to establish positive relationships among home, school, and agency personnel. Prereq: Admis to PEP; 660 needs elementary license or cons instr.

**ECED *498. Intern Teaching.** Variable cr; pass/ fail. Structured field experiences in approved school programs. Interns are certified by DPI and employed under contract with schools to design, deliver, and assess instructional programs in grades nk-12. Prereq: Complete all methods courses and 75% of content courses in approc major. Con reg in Educ 460 may be required.

Early Childhood Education Latent Course: Not offered recently. See full course description in indicate (xx-xx) catalog.

160 - Topics in Child Devel Assoc Competencies, 1 cr, (97-99)

### Courses in Education

Education courses are also listed under the following headings: Biology Ed, Communicative Disorders, Early Childhood Ed, English Ed, Family and Consumer Ed, Foreign Language Ed, Health Ed, Instructional Resources, Mathematics Ed, Music Ed, Physical Ed, Physical Ed for Exceptional Individual.

All course descriptions are general; content, field trips, and resources may vary according to advances in the discipline, availability and accessibility of resources, and the needs of the students in each course and section.

* An asterisk in front of the course number means that you must be admitted to the relevant Professional Education Program (PEP) area before you can enroll in the course.

**EDUC 100.** Introduction to Education: Teaching and Schooling. 3 cr. Survey of historical, philosophical and political issues in K-12 schooling for students interested in careers as professional educators. **EDUC 101.** Field Experience in Teaching and Schooling. 1-3 cr. Two-five days field experience and seminars in a school system.

**EDUC 105.** Study Skills. 1 cr. Develop skills in textbook comprehension, lecture notetaking, memory, listening, preparation for examinations, time management, and systematic methods of study. 1 hr class per wk; addl 1/2 hr appointments to be arranged.

**EDUC *200.** Professional Portfolio Development. 1 cr. Introduction to state and national professional teaching standards and assessments. Examine professional development portfolio components and processes. Develop samples of evidence that relate to local and state requirements for certification and initial licensure.
EDUC 205. Pluralism for Educators. 1-3 cr. Analyze and evaluate education in U.S., policy of equal educational opportunity, and impact of class, gender, race, and language differences on teaching and learning. Involves lectures, discussions and presentations for preservice teacher education students. Prerequisites mandated for initial certification programs in Wisconsin. (Wis Admin Rule PI 34.15)

EDUC *300. Professional Portfolio Development II. 1 cr. Advanced examination of professional portfolio components and processes. Develop samples of evidence that relate to local and state requirements for certification and initial licensure. Prereq: 200.

EDUC *302. Methods/Materials for Teaching Reading I. 3 cr. Introduction to reading process, includes word recognition, vocabulary, comprehension, critical thinking, and applications of reading strategies and classroom organization for elementary/secondary school. Satisfies state mandate for phonics.

EDUC 305/505. Wisconsin Indians: Cultural Perspectives on Educational Issues. 3 cr. Analyze and evaluate federal and state policies and laws pertaining to Wisconsin American Indian tribes and band members' treaty rights and civil rights, particularly in respect to culture, language, and education. Prereq: 205.

EDUC *310. Materials/Methods for Teaching Language Arts. 3 cr. Materials/methods to teach, integrate, assess the language arts in middle/elementary setting. Includes Wis Teaching Standards. Prereq: 302 or cons chair.

EDUC 315. Fundamentals of Facilitating Enrichment Programs for High Ability Learners. 1 cr. Facilitation of university enrichment programs for high ability children. Identification of traits associated with high ability learners including social and emotional issues. Concepts and procedures of program design and implementations. Program evaluation and analysis. Prereq: Con reg in 314 or cons instr.

EDUC 316. Leadership in Facilitating Enrichment Programs for High Ability Learners. 1 cr. Facilitation of university enrichment programs for high ability children. Identification of traits associated with high ability learners including social and emotional issues. Concepts and procedures of program design and implementation. Program evaluation and analysis. Training of small groups of adults to facilitate enrichment programs. Prereq: cons instr.

EDUC 321. Techniques in Elementary School–Speech. 3 cr. Methods, materials, and philosophy for teaching speech in elementary school; curricular correlation.

EDUC *324. Techniques in Elementary School–Social Studies. 3 cr. Principles, aims, methods, techniques, and field experiences. 2 hrs lec, 2 addl hrs to be arranged per wk.

EDUC *325. Techniques in Elementary School–Science. 3 cr. Principles, aims, methods, techniques, and field experiences. 2 hrs lec, 2 addl hrs to be arranged per wk.

EDUC *328/528. Reading in the Content Areas. 3 cr. Skills for teaching reading in content areas, related research, strategies for teaching comprehension, study skills, and critical thinking; procedures for curriculum and program development for teachers and reading specialists. Prereq: 309 or 386/586 or English 381.

EDUC 331/531. Educational Technology. 3 cr. Use and apply media and technology to foster active inquiry, collaboration, and supportive interaction. Develop knowledge, skills, and dispositions in effective instruction and other communication. Prereq: Admission to relevant Professional Education Program.

EDUC *337. Techniques in Secondary Education–Science. 3 cr. Aims, methods, materials, techniques, planning, programs, organization, testing, and field experience.

EDUC *339. Techniques in Secondary Education–Social Studies. 3 cr. Aims, methods, materials, techniques, planning, programs, organization, testing, and field experience.

EDUC *351/551. Teaching Children and Youth with Exceptional Needs in the General/Regular Classroom. 3 cr. Characteristics and differences of students with EEN, gifted/talented abilities, or culturally diverse backgrounds; alternative teaching approaches emphasizing the least restrictive environment. Prereq: Psych 110.

EDUC *356/556. Individual Assessment. 356=3 cr; 556=1-3 cr. Screening, referral and individual assessment relating to IEP procedures; report writing, decision making, and IEP program planning; monitoring progress; learn administration and interpretation of norm-referenced and criterion-referenced individual assessment tests including grading behavioral scales and curriculum-based assessment; field experience. Prereq: 351/551.

EDUC *362. Classroom Management Techniques and Strategies. 3 cr. Comprehensive management of behavior problems of children and adolescents in regular and special classrooms for students with exceptional educational needs.

EDUC *364/564. Curriculum and Methods for Teaching Students with Exceptional Educational Needs I. 364=3 cr; 564=1-3 cr. Methods, materials and adaptations for teaching reading, writing, and mathematics to meet the needs of students with disabilities in the general education curriculum, including development, implementation, and evaluation of IEPs. Required field experience. Prereq: 351/551.

EDUC *365/565. Assessment and Intervention Strategies for Infants and Toddlers with Disabilities and Their Families. 3 cr. Develop skills in assessment procedures to use with newborn, infants, and toddlers up to age three having high risk and/or disabilities; work in cooperation with family members and related services professionals. Includes field experience. Prereq: 351/551.

EDUC *366/566. Assessment/Intervention Strategies for Preschool Children with Disabilities and Their Families. 3 cr. Develop skills in assessment procedures and intervention strategies to use with preschool children (3-5 years) having at-risk situations and/or disabilities; work in cooperation with family members and related services professionals. Includes field experience. Prereq: 351/551 or cons instr.

EDUC *367/567. Assessment and Intervention Strategies for Children with Disabilities in the Primary Grades and Their Families. 3 cr. Develop skills in assessment procedures and intervention strategies to use with children ages 5-8 years experiencing kindergarten and primary curricula, early academic skills, and social/behavioral areas; work in cooperation with family members and related service professionals. Field experience. Prereq: 366/566 or cons instr.

EDUC *368/568. Career, Vocational and Community Education for Youth with Exceptional Needs. 368=3 cr; 568=1-3 cr. Procedures and methods in assessing needs, adapting curriculum, and providing instruction in career and vocational education, community skills, personal and interpersonal skills, and transition to adult environments. Prereq: 351/551, or cons instr.

EDUC *369/569. Curriculum and Methods for Teaching Students with Exceptional Educational Needs II. 3 cr. Teaching strategies, curricular adaptations, and methodology at elementary and secondary levels in the areas of science, social sciences, and behavioral interventions and other aspects of teaching students with disabilities. Includes field experience. Prereq: 351/551.

EDUC 370-373/570-573. Workshop in Education. 1-3 cr. Problems of teaching in elementary and secondary schools. Subtitle will designate area and prerequisites.

EDUC *378. Parent, Home and Agency Involvement in Educating Children and Youth with Disabilities. 3 cr. Develop understanding of familial needs, behaviors and perspectives for all family members; cite resources/intervention to be applied to families having a child with a disability; learn interaction and communication techniques to use with family and community agencies. Prereq: 351/551.

EDUC *381. Educational Psychology. 3 cr. Psychological bases of educational procedures and practices; educational implications of characteristics of physical and mental growth, emotional behavior, motivation, learning; individual differences, and human relations. Prereq: Psych 110.

EDUC *383/583. Tests and Measurements. 3 cr. Brief history of testing movement; functions of tests; methods to apply, score, tabulate, and use test results; test construction and improvement.

EDUC 384/584. Humans, Computers, and Educational Possibilities. 3 cr. Compare abilities of humans and sophisticated machines.
definition, differences, strengths and weaknesses; computer capability, social costs and risks.

EDUC 385/585. Teaching the Early Adolescent. 3 cr. Characteristics of early adolescents and instructional strategies appropriate to their needs.

EDUC 386/586. Reading in the Secondary School. 3 cr. Survey of issues, research, theory, process, and strategies that constitute reading in secondary school including a clinical experience.

EDUC 388/588. Interpersonal Relations. 3 cr. Developmental effects of different types of relationships between students and teachers; relationship between types of interactions and student self-concept; methods of improving interpersonal relations.

EDUC 390/590. Reading and Writing for Content Understanding. 3 cr. Analyze and explore how reading and writing support content learning in secondary school. Develop strategies and learning activities that integrate reading and writing in content area studies. Prereq: 386 or cons instr.

EDUC 397. Supervised Practicum in Regular Classroom. 1-3 cr. Group instruction in regular classrooms involving instructional planning, organization, classroom management, and teaching lessons with appropriate media at the early childhood, elementary, or secondary levels. Prereq: Regular methods courses relating to particular professional preparation.

EDUC 398. Student Teaching. Variable cr; pass/fail. Certifiable field experiences. Six to 20 weeks in actual school settings planning, instructing, and evaluating educational programs with the cooperation of certified teachers and administrators. Subtitle will designate area. Prereq: Approval of each certifying department; application with Field Experiences; con reg in approc section of 400.

EDUC 399. Special Work. Upperclass education students may arrange for independent study with consent of the head of the School of Education. Credit based on scope of project.

EDUC 400. Seminar on Teaching for Intern Teachers. 1-2 cr; pass/fail. Structured group discussions on aspects of teaching that emerge during full-time field experiences. Prereq: Con reg in 398 or 498.

EDUC 498. Intern Teaching. Variable cr; pass/fail. Structured field experiences in approved school programs. Interns are certified by the DPI and are employed under contract with schools to design, deliver, and assess instructional programs in grades n-k-12. Complete all methods courses and 75% of content courses in approp major. Prereq: Con reg in approc section of Educ 400 may be required.

EDUC 500. Professional Development Seminar: Initial Educator. 1-3 cr. Emphasis on reflective practice promoting professional growth. Processes for developing and submitting Professional Development Plans (PDPs) for Wisconsin initial educator licenses are examined and completed. Practical methods for stating goals, aligning them to standards, collecting evidence, and analyzing/reflecting on assessments of professional practice are highlighted. Action research is examined as a tool for deepening professional growth. Creating and maintaining a professional portfolio are addressed. Prereq: Graduate Status.

EDUC 598 Graduate Internship. 1-6 cr. Certifiable field experience for licensed educators seeking additional license endorsements under Wisconsin Department of Public Instruction rules. Prereq: Wisconsin educator license.

EDUC 600. Professional Development Seminar: Professional Educator. 1-3 cr. Emphasis on reflective practice promoting professional growth. Processes for developing and submitting Professional Development Plans (PDPs) for Wisconsin initial educator licenses are examined and completed. Practical methods for stating goals, aligning them to standards, collecting evidence, and analyzing/reflecting on assessments of professional practice are highlighted. Action research is examined as a tool for deepening professional growth. Creating and maintaining a professional portfolio are addressed. Prereq: Graduate Status.

EDUC 700. Professional Development Seminar: Master Educator. 3 cr. Sociological, psychological and pedagogical approaches to design professional development plan and portfolio for teacher seeking master educator license and national certification. Practical methods to clarify goals, align them to standards, collect evidence, analyze and reflect on assessments of professional practice.

EDUC 701. Philosophical Foundations of Education. 3 cr. Analyze critical issues in education; their ideological and social bases. Prereq: Teacher certification or cons instr.

EDUC 702. Psychological Foundations of Education. 3 cr. Psychological background relative to human abilities and behavior; individual differences; human relations; learning and evaluation with implications for teaching.

EDUC 703. Newer Views of Learning. 3 cr. Explore contemporary views on multi-dimensional and contextual nature of intelligence and learning styles. Investigate theories such as multiple, emotional, successful, and creative intelligence; re-examine importance of learning styles and methods (modalities) for constructing optimal educational experiences.

EDUC 704. Strategies for Discipline and Classroom Management. 1-3 cr. Develop effective strategies for solving individual behavioral problems; survey several models and interaction techniques.

EDUC 705. Basic Statistical Methods in Education. 3 cr. Fundamentals of statistical analysis that apply to education and other fields according to student needs; critical ratios and the test for paired, pooled, and unpoole sample; straight line and curvilinear regression for simple and multiple correlation of variables; introduction to the use of probability, simple and two-way analysis, chi square, and other nonparametric statistics. Prereq: 383/583, or 751; and cons instr.

EDUC 707. Educational Research. 3 cr. Study educational research procedures and develop an educational product or paper, involving problem identification, literature review and analysis, description, and evaluation.

EDUC 708. Social and Cultural Foundations of Education. 3 cr. Relationship between schooling and society; impact of society and culture on education and individuals within educational institutions; emphasis on educational processes, development, and outcomes from multiple theoretical and research perspectives including human relations with implications for teaching.

EDUC 717. Economic Education for Elementary and Secondary Teachers. 3 cr. Introduction to basic economic principles and issues; identify resources for economics instruction at elementary and secondary levels; design lessons and activities for integrating economics education across the curriculum. Open to experienced, certified teachers. May not earn credit in both Educ 717 & Econ 717.

EDUC 721. Fundamentals of Curriculum. 3 cr. Fundamental ideas in developing curriculum, emphasizing human aspects.

EDUC 726. Models of Teaching and Learning. 3 cr. Cohesive curricular components, representing a broad array of educational philosophies and teaching methods in social, information-processing, personal, and behavioral models. Each model has distinctive curricular orientation and direct link to supportive instructional environments and curricular methods.

EDUC 732. Integrating Language Arts Across the Curriculum. 3 cr. Analyze and apply theories of language arts methods and materials to classroom function. Integrate language arts into content curriculum at all levels.

EDUC 740. Reading Teacher Portfolio. 1 cr. Compile personal/professional portfolio representing professional growth based on balanced literacy instruction, diagnosis and evaluation of reading difficulty, supported reading practices, clinical case study. Prereq: Con reg in 741.

EDUC 741. Improvement in Reading. 3 cr. Trends and programs in developmental reading, reading curriculum, and related research. Prereq: 309.

EDUC 742. Literacy and the Young Child. 3 cr. Study social and developmental aspects of literacy, including research, programs, and instructional strategies. Prereq: 309, 310, or teaching license.

EDUC 746. Diagnosis and Evaluation of Reading Abilities. 3 cr. Survey formal and informal evaluation instruments in reading test to identify remedial readers, construct diagnostic profiles, write interpretations of test results. Prereq: 309, 741.

EDUC 747. Remedial Reading. 3 cr. Materials and techniques of remedial reading. For classroom teachers, reading specialists, and administrators of reading programs who are responsible for instruction, curriculum development, and leadership. Prereq: 309, 741, 746.

EDUC 748. Remedial Reading Practicum. 3 cr. Clinical appraisal of remedial readers and programs. Interpret findings, develop and execute corrective measures. Continuous instruction, analysis and evaluation of a remedial reader. Final report describing nature of
EDUC 749. Teacher Action Research in Reading. 3 cr. Qualitative action research applied to teaching reading. Prepare, conduct, and report on classroom reading/writing research. Prereq.: Cons instr.

EDUC 750. Supervision and Administration of Reading Programs. 3 cr. Organization, administration, supervision, and improvement of school reading programs. Apply qualitative action research to examination of school reading programs. Prereq.: 749 or cons instr.

EDUC 751. Wisconsin Reading Research Symposium. 1 or 3 cr; Influence/impact of contemporary issues in literacy on reading educators and student reading achievement. Participate in Wis Reading Research Symposium.

EDUC 758. Cooperating Teacher Fundamentals in Preservice Teacher Education. 1 or 3 cr; pass/fail. Methods for planning, supervising, and evaluating student and intern teachers in clinical stages of teacher education programs, with emphases on formative assessments and summative evaluation according to state and national teacher standards. Meets one Wis DPI rule to qualify as supervising and evaluating student and intern teachers according to established standards for professional development. Prereq.: Wis teaching license.

EDUC 761. Mentor Teaching: Research and Practice. 1-3 cr; pass/fail. Sociological, psychological, and pedagogical approaches to design and implement programs for mentor teachers. Practical methods for supervising and assessing teachers according to established standards for professional development. Prereq.: Wis teaching license.

EDUC 771. Supervision of Instruction. 3 cr; pass/fail. Evolving concepts and strategies of supervision; role of supervision in facilitating professional development; place of supervision in evaluating curriculum and instruction; develop systems to observe and analyze classroom instruction.

EDUC 772. Teacher Induction Year. Pass/fail. Survey issues and practices encountered by beginning and experienced teachers new to school districts during induction year and through third year of teaching. May be repeated for up to 3 credits provided there is a new focus for each year. Prereq.: Wis teaching license and contract.

EDUC 774. Advanced Methodology in Exceptional Education. 3 cr. Topics: Severe learning disabilities, severe emotional/behavioral disabilities, severe cognitive disabilities; twice-exceptionality; autism spectrum disorders; self-advocacy life skills. May repeat for credit with different topic and approval of grad coord. Prereq.: Undergrad degree, 351/551, special ed certification, or cons instr.

EDUC 775. Alternate Assessment. 3 cr. Emphasis on assessment and evaluation strategies excluding standardized tools. Topics include implementation of state mandates and procedures, design of alternate measures based on content taught in public schools, and formulation of observation and informal measures.

EDUC 778. Parent, Home and Agency Involvement in Educating Children and Youth with Disabilities. 3 cr. Develop understanding of familial needs, behaviors and perspectives for all family members; cite resources/intervention to be applied to families having a child with a disability; learn interaction and communication techniques to use with family and community agencies. Prereq.: 381/581.

EDUC 780. Curriculum in Exceptional Education. 3 cr. Develop special education curriculum and analyze existing curricula for learners with exceptional needs ages early childhood through secondary. May include learning disabilities, emotional/behavioral disabilities, severe/profound disabilities, and gifted/talented. Prereq.: 789/589.

EDUC 781. Teaching Exceptional Children Practicum-Internship. 1-8 cr. Professional practice in teaching children with exceptional needs. Subtitle will designate practicum or internship and specialization area(s). Prereq.: Specialization courses.

EDUC 782. Seminar: Problems in Exceptional Education. 3 cr. Basic issues, critical reading, and critique of current research, research design, current trends and methodology. Write a seminar paper in exceptional education.

EDUC 783. The Reflective Teacher. 3 cr. Renew the spirit of teaching. Explore ways to maintain the professional and personal life, examine professional possibilities; develop clear professional goals; create projections about professional future; examine problems, rewards, and realities inherent in teaching through self-analysis and development of professional portfolio.

EDUC 784. The Creative Teacher. 3 cr. Experience the creative process through readings, active explorations, hands-on and creative exercises to understand the diverse definitions of creativity, be sensitive to its layers and facets, and bring it into the classroom.

EDUC 785. The Skillful Teacher. 3 cr. Explore teaching models and best practices in education. Learn methods to align a comprehensive assessment plan with instruction and learn to interpret results to make sound educational decisions about instructional design.

EDUC 786. Foundations of Alternative Education. 3 cr. Introduction and overview of effective teaching practices in alternative education settings; specific responsibilities associated with students at risk, including development and implementation of learning plans. Prereq.: Valid teaching license.

EDUC 787. Alternative Education Program Development: Curriculum, Methods and Assessment. 3 cr. Introduction and overview of curriculum, methods and assessments or administrative practices for students with alternative learning needs; focus on instructional and administrative practices necessary to accommodate students with alternative needs and abilities. Prereq.: Valid teaching license; EDUC 786.

EDUC 790. Analysis and Improvement of Educational Programs. 1-3 cr. For school district in-service needs. Topic and number of credits vary. Prereq.: Teaching experience.

EDUC 791. Foundations of Gifted/Talented Education. 3 cr. Overview of history and definitions. Development, characteristics, and individual learning differences of students with gifts/talents. Identify strategies and program options in gifted/talent education. Introduction to current literature; explores relevant issues and trends.

EDUC 795. Practicum in Teaching Students with Gifts and Talents. 1-3 cr. Observe educational programming and plan instruction of appropriate learning experiences for, and teach students with gifts/talents using specifically designed methodologies. Program and self-evaluation. Prereq.: 791 and 792 or cons instr. May take twice with cons instr.

EDUC 796. Independent Study. 1-3 cr. Planned study to supplement preparation in area of specialization; regular conferences with staff supervisor.

EDUC 798. Reading Specialist Portfolio. 1-3 cr. Compile personal/professional portfolio representing professional growth in best literacy teaching practices, reflection in teaching, life-long learning, risk-taking/embracing change. Prereq.: 528, 749, 750, 751 or cons instr.

EDUC 799. Thesis. 2-6 credits.

EducationLatentCourses: Not offered recently. See full course description in indicated (xx-x) catalog.

ELEMENTARY EDUCATION

See Education.
**English Major (College of Letters and Science)**

Michael Williams, Chair
Room 486, Collins Classroom Center
Phone: 715-346-4757
E-mail: m2willia@uwsp.edu
Web: www.uwsp.edu/english

Definition: English is the study of literature, language, literary theory, rhetorical theory, and culture, with the simultaneous development of effective writing skills.

**English Assessment/Placement Procedure**

All entering freshmen take the freshman English entrance assessment that measures writing competence based on an essay composed at the university during orientation. If your performance on the writing assessment indicates superior writing ability, you may be exempt from English 101 and placed in English 150. Successful completion of English 150 then satisfies the freshman English requirement.

**Notes:**

1. English majors (general and teacher certification) should take English 201 as early as possible. In some cases English 200 may substitute for 201 with permission of the department chair.
2. Sophomores may take 300 level courses with approval of the department chair. English majors may take 200 level courses as second semester freshmen.
3. English 345, 375, and 381 count toward the English major/minor and the writing minor ONLY for those seeking teacher certification, or for those who need them as collateral requirements in other departments.
4. English 274 and 275 will count for the English major/minor for teacher certification ONLY if you need them as collateral requirements in another area such as elementary education.

**English Major (General)**

Consists of 38 credits beyond freshman English including 18 credits taken in courses numbered 300 and above.

1. English 201.
2. Survey of British literature, 6 credits from 211 (or 321, 323a, 323b, 366) and 212 (or 324, 325, 327).
3. Survey of American literature, 6 credits from 213 (or 329, 313a) and 214 (or 313b, 320, 360, 382).
4. Ethnic literature, 3 credits: English 284.
5. Theory, 3 credits from 379, 380.
7. Masters, 6 credits from 330, 333, 334, 336, 385, 386.
8. Senior Project, 1 credit: 494 (1 credit of 496 may substitute).
9. Electives: 7 credits including one 3 credit 300 level literature course beyond the requirements above and at least 4 credits of electives from:
   a. Courses listed above that are not used for those requirements.

**English Honors**

English Honors provides outstanding English majors the opportunity to demonstrate their ability to produce scholarly, creative, or pedagogical work comparable with that published in discipline-appropriate academic journals. To graduate with the designation “English Honors” you must:

1. Have a 3.5 GPA in the English major.
2. Complete the requirements for the English major including English 496, Honors Project (3 cr) and its prerequisite, English 495 (3 cr pass/fail which do not count toward the major).
3. Contact the English Department for application procedures and complete requirements for the two-semester honors project.

**English Major for Teacher Certification**

Consists of requirements for the English major above plus:

1. Writing, 3 credits from 250, 251, 253, 254, 349, 350, 351, 352, 353, 354, 359. (354 does not count for teacher certification.) Courses taken to satisfy this requirement may be included in the English major as an elective under 6 above.
2. Reading, 3 credits. English 381 is recommended and counts as elective for teacher certification majors under 9 above. Education 386 can be used to meet the reading requirement for teacher certification, but it does not count toward the English major.
3. Literature for adolescents, 3 credits: English 375 may count as an elective for teacher certification majors under 9 above.
4. Teacher certification majors must take English 345 for the language requirement of the English major under 6 above.
6. Technology, 3 credits: English 393.
7. Student teaching, 12 credits: English Education 398.

**Optional Teacher Certification in Broadfield Language Arts (select alternative A or B):**

**Alternative A:** Broadfield Language Arts Teacher Certification:

Consists of the teacher certification requirements for literature/composition, plus 15 credits:

1. Journalism, 3 credits: Comm 221
2. Communication, 3 credits: Comm 192, 253, or 394
3. Theatre Appreciation, 3 credits: Theatre 105
4. Theatre Practicum, 2 credits: Theatre 226. This one-credit class must be taken twice, each time in a different area of the eight offered: scene shop, costume shop, deck run crew, costume run crew, house/public relations, design, directing/choreography, management, and performance.
5. English Education Field Experience, 4 credits of English Education 395. This two-credit class must be taken twice, once with each of the two subtitles under which it is offered (speech/theatre or journalism)

Alternative B: Broadfield Language Arts (With Communication Major or Minor)
Consists of the teacher certification requirements for literature/composition, plus the following:
1. Complete a Communication major or minor, having taken the following as electives:
   a. Journalism, 3 credits: Comm 221
   b. Communication, 3 credits: Comm 192, 253, or 394
2. English Education Field Experience, 4 credits of English Education 395. This two-credit class must be taken twice, once with each of the two subtitles under which it is offered (speech/theatre or journalism)

Notes for teacher certification:
1.Because of enrollment limits in the teacher certification program, some qualified students may not be admitted to English education courses.
2.Before applying to the program, you must have completed 12 credits of English beyond freshman English and have at least a 3.00 GPA in those credits, including transfer credits.
3.ADMISSION will be determined by GPA in English, evaluation of portfolio of writing, one brief letter of recommendation, and an interview (if possible). Admission decisions will be made before spring semester registration. See the English Department for further details.
4.Also see information about the Professional Education Program and the secondary education curriculum for teacher certification in the Education section of this catalog.

English Education Methods Block
English education majors must take a spring block of classes (second semester junior year) preceding the fall block of English methods classes (first semester senior year).
1. Spring block, 9 credits: English 345, 375, 381. There are no limits on number of credits you may take in addition to these.
2. Fall block, 12 credits: English 355, 356, 393, 497, and English Education 396. We highly recommend that you take no more than 15 credits during this semester.

English Major with a Writing Minor
Requires 54 credits beyond freshman English including:
1. Requirements for the English major.
2. Writing: 15 credits from the writing minor.
3. Electives: a minimum of 9 credits from English offerings and approved comparative literature courses.

English Minor
Consists of 24 credits beyond freshman English including 12 credits taken in courses numbered 300 and above. Complete English 200 plus requirements 2, 3, 6, 7 of the general English major above. (4 and 5 are not required for the minor, but are strongly recommended.)

English Minor for Teacher Certification (Secondary)
Consists of the English minor above plus the requirements for teacher certification listed for the major above.

English Minor for Elementary Ed Majors
Consists of 24 credits beyond freshman English including 12 credits taken in courses numbered 300 and above.
1. English 200.
2. Either English 275 or 375.
3. Either English 250 or 253.
4. Either English 342 or 345.
5. English 394.
6. Electives: 9 credits of any 200-300 level English courses not already taken above. Pick electives that will emphasize writing, language, or literature.

Writing Minor
Consists of 24 credits beyond freshman English. Choose one of the following tracks.
Track 1: Business and Technical Writing
2. Electives: 9 credits from English 250, 350, 342, and no more than 6 credits from any WDMD, CIS, COMM, or ART courses (with coordinator’s prior approval).
Track 2: Environmental and Science Writing
2. Electives: 6 credits from English 254, 353, 354, 379, 380; or 6 credits from WDMD, CIS, COMM, ART or science courses designated WE with coordinator’s prior approval.
Track 3: Creative Writing
2. Electives: 6 credits (3 cr must be 300 level) from 1/2/357, 250, 342, 349, 350, 352, 358, 359.
Track 4: General
3. Chair may approve up to 3 credits of writing courses from other departments providing you submit a portfolio containing at least 5000 words worth an English grade of B or better.

NOTE: The writing minor is not teacher certifiable, but is generally favored by public school employers as a complement to the English major. Other complementary
minors are foreign language, communication, or theatre arts.

**English as a Second Language**
For the ESL teacher certifiable minor, see the Foreign Languages section of this catalog. For intensive ESL courses for non-native speakers, see English as a Second Language Program following this section.

**Academic Standards**
1. Anyone may declare a major/minor in English or a minor in writing, or English for elementary education. To be approved for graduation you need to have a cumulative grade point average of 2.00 (2.75 to student teach), including transfer credits, regardless of any declaration of academic bankruptcy.
2. You must have department chair consent before you will be allowed to repeat grades of D in English 101, 102, and 150, as well as English courses numbered 200 and above in which you received passing grades.
3. English courses are open, subject to availability, to students who are not declared majors or minors.

**Credit-by-Exam Policy**
If you wish to obtain credit-by-exam for any English general degree requirement course other than 101, contact the English Department chair. The faculty member who most recently taught the course will confer with you regarding date, site, question format, exam length, materials allowable (or necessary) during the exam, etc.

The written comprehensive exam will be based on material normally covered in the course. The faculty member will administer the exam and notify you in writing of your score within two weeks of taking the exam. A passing score is a B- or better. You may not take an exam for credit more than once for the same course. A nominal fee may be charged for administrative purposes.

**Courses in English**
*All English courses in the 200 series require sophomore standing as a prerequisite except that they are also open to second semester freshman English majors.*

**ENGL 101.** Freshman English. 3 cr. Critical reading, logical thinking, and effective writing. Write frequently in and out of class, using specific rhetorical strategies for a variety of purposes and audiences. Prereq: Satisfactory placement test score. GDR: ENGL

**ENGL 102.** Freshman English. 3 cr. Analytical reading and writing and the methods of inquiry common to various academic disciplines. Write frequently in and out of class, using suitable sources of information and appropriate documentation methods. Prereq: 101 or equiv. GDR: ENGL

**ENGL 103.** The Myth of ... 3 cr. (Topic will be announced.) The origin and development of a particular myth as it is embodied in folk tales and/ or drama, film, novels (e.g., the myth of the Great Lover, the Doctor, the Jew, the Politician). May apply 3 cr max of 103/203/303 toward major/minor.

**ENGL 106.** Reading Fiction. 3 cr. An opportunity to read, discuss, and evaluate outstanding works of fiction. GDR: HU2

**ENGL 108.** Reading Drama. 3 cr. Oral reading and discussion of one play a week (chosen by the class) from dramatic literature. GDR: HU2

**ENGL 150.** Advanced Freshman English. 3 cr. Research and writing using appropriate rhetorical strategies for students with potential for accelerated reading, writing, and research. Prereq: Satisfactory test scores. GDR: ENGL

**ENGL 157.** Independent Writing. 1 cr, pass/fail. Individualized program for writing improvement based on student needs and personal objectives, taught in conjunction with the Writing Laboratory. May repeat for 3 cr max among 157, 257, 357.

**ENGL *200.** Introduction to the Study of Literature. 3 cr. Study of literature, emphasizing development of critical vocabulary, recognition of various forms of literature, and rudimentary analysis of selected works. GDR: HU2

**ENGL *201.** Introduction to Literary Study for the English Major. 3 cr. Major literary genres in their cultural and historical contexts, emphasizing development of interpretive and communicative skills necessary to join effectively in the discussion of and writing about literature. Prereq: Declared English major.

**ENGL *202.** Myth of ... 3 cr. Topic will be announced. See 103.

**ENGL *211.** English Literature I. 3 cr. Emphasis on major writers from Beowulf through pre-Romantics, stressing insight into their works. GDR: HU2

**ENGL *212.** English Literature II. 3 cr. Emphasis on major writers from Romans to the present, stressing insight into their works. GDR: HU2

**ENGL *213.** American Literature I. 3 cr. Representative works by American writers up to 1865. GDR: HU2

**ENGL *214.** American Literature II. 3 cr. Representative works by American writers since 1865. GDR: HU2

**ENGL *240.** Introduction to Linguistics. 3 cr. Fundamental concepts and methods of the scientific study of languages in their structural, historical, and geographical aspects.

**ENGL *248.** Introduction to Environmental and Science Writing. 3 cr. Read and produce environmental/science writing such as creative nonfiction prose, natural history essay, news report, investigative journalism report, popular magazine/newspaper feature, pedagogical articles. Introductory readings in the rhetoric and ideology of science writing, eco-criticism, social/environmental justice, ethics of science, history of environmental/science writing. Prereq: Freshman English or cons instr.

**ENGL *250.** Intermediate Composition. 3 cr. Practice in exploratory, expository, and persuasive discourse. Prereq: Successful completion of freshman English, or cons chair.

**ENGL *253.** Introduction to Creative Writing. 1-3 cr. Training and practice for the beginning writer in various forms of poetry and fiction; class discussion of student work.

**ENGL *254.** Introduction to Technical Writing. 3 cr. Introductory training and practice in workplace writing for business, industry, office, lab. With the understanding that writing is shaped by workplace culture and ethics, produce a wide range of written texts including e-mails, memos, job application materials, grant proposals, formal reports, and manuals. Prereq: Freshman English or cons instr.

**ENGL *257.** Independent Writing. 1 cr, pass/fail. Same as 157.

**ENGL *260.** Computer Aids for English Studies. 1 cr. Introduction to uses of computer software in the study of English language and literature. 4 wk module for English majors/minors.

**ENGL *274.** Literature for Early Childhood. 3 cr. Read, select, and present materials suitable for children, preschool through grade 3. (See Note 4 above.)

**ENGL *275.** Children’s Literature. 3 cr. Read, select, and present materials suitable for elementary school readers. (See Note 4 above.)

**ENGL* 279.** Chicano and Chicana Literature. 3 cr. An introduction to writing by Chicano and Chicana (Mexican American) authors from 1846 to the present with attention to the historical, political, and cultural contexts of the literature. All texts in English, either originally or in translation.

**ENGL *280(MNS).** American Indian Literature. 3 cr. Literature about the American Indian from oral and written materials by Native American authors and other American writers. GDR: HU2

**ENGL *282(MNS).** Black Literature. 3 cr. Critical study of works by black writers (e.g., Americans, Africans, West Indians). GDR: HU2

**ENGL *283.** Mythology in Literature. 3 cr. The basic myths of creation, the flood, man’s fall, Olymians and their Roman counterparts, and stories of myth and history that form the basic literature of Western culture; emphasis on Graeco-Roman, Judeo-Christian, and Norse myths, as they appear in selected poetry, novels, and plays. GDR: HU2

**ENGL *284.** Introduction to Ethnic Literature in the United States. 3 cr. Introduction to ethnic literature in the U.S. including works by African, Asian, Native American, and Latino writers. Explore how these
works address basic issues of race, ethnicity, and cultural identity in a diverse society. Prereq: English major.

ENGL 428. Women in Literature. 3 cr. Examine literature to determine how women are depicted in Western cultural tradition, how images of women have developed and been perpetuated, and how they shape a woman's sense of who she is and a man's idea of what she should be. GDR: HU2

ENGL 429. Gay & Lesbian Literature. 3 cr. Introduction to a variety of literary representations of same-sex relationships, belonging to different genres and taken from different cultures and historical periods, in order to discuss how the meanings of and attitudes toward such relationships are culturally variable rather than constant. GDR: HU2

ENGL 430. Modern Short Story. 3 cr. Representative short stories of world literature with emphasis on literary structure, form, and theme. GDR: HU2

ENGL 431/432. Modern Drama. 3 cr. Representative dramas of world literature from Ibsen to the present; emphasis on literary structure, form, and theme. GDR: HU2

ENGL 433/434. Shakespeare (British). 3 cr. Representative plays. GDR: HU2

ENGL 435/436. Milton (British). 3 cr. Milton's poetry and selected prose. GDR: HU2

ENGL 437/438. Advanced Creative Writing. 3 cr. Production of a single well-researched popular or educational article related to science or the environment and prepare it for submission to a juried publication. Also, readings in the rhetoric and ideology of science writing, eco-criticism, social/environmental justice, ethics of science, history of environmental/science writing. Prereq: Freshman English and 248, or cons instr. GDR: HU2
ENGL 355/555. Methods of Teaching Composition (Middle and Secondary). 2 or 3 cr. Teaching writing as a composing process; theory and practice for middle and secondary levels and for all subjects. Does not count toward English major/minor. Prereq: Admis to Profl Educ Prog (English) or cons chair.

ENGL 356/556. Methods of Teaching Literature (Middle and Secondary). 2 or 3 credits. Teaching literature as an exploratory process, beginning with reader response; theory and practice for middle and secondary levels. Does not count toward English major/minor. Prereq: Admis to Profl Educ Prog (English) or cons chair.

ENGL 357. Independent Writing. 1 cr. pass/fail. See 157.

ENGL 358/558. Outdoor Writing. 3 cr. Writing articles and essays on nature and the outdoor experience.

ENGL 359/559. Novel Writing. 3 cr. Strategies for planning and completing a draft of a novel. Fictional techniques; manuscript preparation and submission; class discussion of student work; individual conferences; readings from first novels and texts on novel writing. Prereq: Cons instr or chair.

ENGL 360/560. Regional Literature (American). 3 cr. Literature by small group of authors whose writing reflects the concerns of geographic areas. Subtitle will designate area. May repeat with different subtitles.

ENGL 361. World Literature. 3 cr. Representative selections of world literature from the earliest times to the 17th century. GDR: HU2

ENGL 363. Nature Literature. 3 cr. Literary texts that explore humankind's relationship to the natural world. Readings provide historical depth and cross-cultural perspectives. GDR: HU2

ENGL 365/565. Science Literature. 3 cr. Examine development of writing for and about science and technology from 1660 to the present. Impact of development of two modes of scientific writing on contemporary society—one for scientists and one for general readership. GDR: HU2

ENGL 366/566. English Drama to Shaw (British). 3 cr. Major plays and trends in drama from medieval to modern, such as Everyman, Dr. Faustus, Volpone, The Duchess of Malfi, Tis a Pity She's a Whore, Beggar's Opera, The Importance of Being Earnest. GDR: HU2

ENGL 374/574(NW). Postcolonial Literature in English. 3 cr. Works in English by writers from postcolonial nations, e.g., India, Pakistan, Australia, New Zealand, or countries of the West Indies. GDR: HU2

ENGL 375/575. Literature for Adolescents. 3 cr. Select and read literature suitable for adolescents. Only for teacher certification English majors/minors/writing minors.

ENGL 376/576. Lives and Literature of the Beat Generation. 3 cr. Representative works of fiction, poetry, creative nonfiction, critical commentary, biography, and autobiography related to the Beat Generation. Prereq: Jr st or cons instr.

ENGL 377/577. Contemporary Poetry. 3 cr. Contemporary poetry since World War II.

ENGL 378/578. Contemporary Fiction. 3 cr. International fiction since World War II with experimental narrative techniques and/or thematic relationships. GDR: HU2

ENGL 379/579. Rhetorical Theory. 3 cr. History of ideas regarding effective use of language, emphasizing classic texts by Aristotle, Cicero, and Quintilian, and their influence on modern thought. Prereq: Jr st or cons chair.

ENGL 380/580. Literary Theory. 3 cr. Critical approaches to literary study based on ancient and modern theories.

ENGL 382/582(MNS). Ethnic Literature of the United States. 3 cr. Explore cultural pluralism and an exploration of literary works by Native Americans, Afro-Americans, Asian-Americans, Jewish-Americans, and writers of European immigrant descent. GDR: HU2

ENGL 383/583. Themes in Literature. 3 cr. Works of several writers demonstrating a theme or related themes. Subtitle designates area. May repeat for credit with different subtitles. GDR: HU2 by subtitle.

ENGL 385. Major Authors. 3 cr. Close, critical study of one or more major authors. Subtitle will designate author(s). May repeat with different subtitle.

ENGL 386 (MNS). Major Authors of Ethnic Literature. 3 cr. Close critical study of one or more major authors of ethnic literature. Subtitle will designate author(s). GDR: HU2

ENGL 389. Book History. 3 cr. Study of the book as a medium and its role in the development and transmission of culture, addressing the implications of topics such as authorship, printing, publishing, distribution, bookselling, and reading. Course themes will be developed both theoretically via case studies and practically via hands-on activities.

ENGL 391/591. Biomedical Writing. 3 cr. Training and practice in the several writing genres common to the field of biomedical writing. Introduction to the theoretical, social, and environmental contexts within which the medical and health sciences function. Study of biomedical-writing documents (both historical and current) as well as short literary works in which the ethical and theoretical frameworks within which biomedical communicators write will become clear.

ENGL 392. Literature and Ecology. 3 cr. Study American and English literary texts to discover attitudes toward various environments in literature, analyze historic and current environmental issues, and describe the role of literature in ecology. Does not count toward English major/minor. GDR: EL

ENGL 393. Technologies for English Education. 3 cr. Introduction to instructional and administrative technology for English teachers. Prereq: Admission to Professional Educ Prog (English) or cons chair.

ENGL 394/594. Methods of Teaching Composition and Literature for Non-English Majors. 3 cr. Theory and practice teaching composition and literature at middle/secondary levels. May include 24-hour field experience with supervised observation and experience in middle/secondary classrooms. Prereq: Cons chair.

ENGL 395/595. Workplace in English. 1-3 cr. Study contemporary scholarship in English, Subtitle will designate area. May repeat for credit with different subtitles. Prereq: Cons chair. GDR: HU2 by subtitle.

ENGL 399. Special Work. 1-3 cr. Upperclass students may arrange for independent study with cons chair. Credit based on scope of project. Prereq: 3.0 GPA in English courses.

ENGL 494. Senior Project. 1 cr. Develop, refine, and write reflective essay on role of English studies. Produce portfolio of materials to prepare for post-graduate employment or further education. Prereq: Sr st, English major.

ENGL 495. Senior Honors Project: Research. 3 cr pass/fail. Research and preparatory work for individually supervised project in literary scholarship, pedagogy, or creative writing developed in consultation with honors coord and a faculty reader. Does not count toward English major. Prereq: 24 cr in major beyond freshman English incl 12 cr in core; min 3.5 GPA in major; second semester jr st; acceptance of formal proposal by honors coord.

ENGL 496. Senior Honors Project: Product. 3 cr. Produce final draft. Present and defend product of individually supervised project in literary scholarship, pedagogy, or creative writing developed in 495. May count toward English major. Prereq: 495 and cons honors coord.

ENGL 497. Senior Seminar in English Education. 1 cr. Develop, refine, and write a philosophy of teaching English in secondary school. Prereq: Be within two semesters of student teaching and con reg in 355, 356, and English Education 396.

ENGL 498. Writing Internship. 1-6 cr. Supervised writing field experience with faculty evaluation in consultation with field supervisor on basis of culminating report and writing samples; credit determined by faculty; open only to English majors/minors, writing minors. Prereq: Sr st and cons chair. May apply 3 cr max to English major/writing minor.

ENGL 712. Advanced English Methods. 3 cr. Problems in teaching literature, writing, and language arts: course and curriculum design, trends and issues in teaching English, and adaptation of theory and research to classroom practice. Open to elementary language arts and secondary English teachers and candidates for certification.

ENGL 715. Twentieth Century Literature. 3 cr. Subtitle will designate focus.

ENGL 716. English Novel. 3 cr. Subtitle will designate focus.

ENGL 740. Language in Society. 3 cr. Historical growth and continuing development of English language and its uses in society, including current usage and principles for evaluating language in use.
ENGL 755. Teaching English (Literature, Composition, Creative Writing). 3 cr. Research and discuss problems and techniques of teaching English. May take once under each subtitle.

Engl 760. Literature and the Human Experience. 3 cr. Literature as an instrument for understanding one's own experience.

ENGL 761. Seminar in English Literature. 3 cr. Subtitle will designate focus.

ENGL 785. Selected Literary Master(s). 3 cr. Subtitle will designate the master(s).

ENGL 786. Selected Literary Topic(s). 3 cr. Subtitle will designate topic.

ENGL 796. Independent Study. 1-3 cr. Study supervised by instructor.

ENGL 798. Portfolio. 2-4 cr. Selection and analysis of professional presentations, publications, accepted manuscripts, in-services, and similar activities. Prereq: Consent of portfolio committee.

ENGL 799. Thesis. 2-6 cr.

English Latent Courses: Not offered recently. See full course description in indicated (xx-xx) catalog.

142 Basic English Grammar, 3 cr. (01-03)
170 Folktale, 1-3 cr. (97-99)

Web: www.uwsp.edu/esl

The English as a Second Language Program provides intensive English instruction for (a) international students who wish to improve their English skills and (b) those who want to attend an American university but whose English skills are not yet ready to compete in an academic setting. As a full-time student, you will attend 20 class hours per week at levels that are appropriate for your skills. The classes emphasize the development of academic English skills in the areas of reading, writing, listening/notation, and speaking. As a conditionally accepted student, you may complete upper-level ESL courses, and you may begin to enroll in university courses. After completing the entire ESL program, you may enroll full time in university courses.

Courses in English as a Second Language

ESL 062 Listening/Notetaking. Develop ability to follow short spoken exchanges, directions, and presentations found in daily life, gain basic skills in notetaking, and gain experience in talking and writing about spoken material. Prereq: Placement.

ESL 063 Listening/Notetaking. Develop ability to gather information from longer spoken sources such as news programs, educational shows, interviews, and radio commentaries, improve notetaking strategies, and develop ability to discuss and write clearly about spoken information. Prereq: 062 or placement.

ESL 064 Listening/Notetaking. Develop ability to follow live lectures and taped presentations of academic topics and current events, refine notetaking strategies, discuss and synthesize written and spoken information, and write well-developed essays about the information. Prereq: 063 or placement.

ESL 072 Oral Communication. Learn English conversational strategies, functions, and vocabulary applicable to basic life skills, develop ability to carry on casual conversations, and practice American pronunciation. Prereq: Placement.

ESL 073 Oral Communication. Learn formal and informal conversational strategies and functions applicable to a variety of interpersonal situations, develop ability to carry on in-depth conversations on challenging topics, and learn strategies for small group interaction. Prereq: 072 or placement.

ESL 074 Oral Communication. Refine ability to interact in formal and large-group situations, develop ability to discuss current events and academic topics. Learn and practice strategies to give formal presentations in front of a group. Prereq: 073 or placement.

ESL 082 Reading. Learn basic reading strategies, develop skills in reading about and discussing short informative and general interest texts, gain greater exposure to academic vocabulary, and develop ability to incorporate new vocabulary in reading and discussions. Prereq: 082 or placement.

ESL 083 Reading. Learn reading strategies for comprehending longer and more academic readings from texts and magazines, increase ability to write in response to readings and to discuss information in texts, gain greater exposure to academic vocabulary, and develop ability to incorporate new vocabulary in reading and discussions. Prereq: 082 or placement.

ESL 084 Reading. Learn advanced reading strategies for textbook selections and academic articles, use discussion and writing skills to fully comprehend and analyze readings, demonstrate comprehension both verbally and in writing, and expand active academic vocabulary. Prereq: 083 or placement.

ESL 092 Writing. Develop ability to write a paragraph on personal or subjective topics, learn editing strategies, and develop control of basic grammar and mechanics. Prereq: Placement.
Environmental Studies Minor

Consists of 24 credits:

1. Core courses, 6 credits:
   a. Three credits from Biology 304, 305 (prereqs may count as electives), Natural Resources 150, 395, 474 or 478.
   b. Three credits from English 363, 365, 392; OR History 366, 394; OR Philosophy 380.

2. Required: 9 credits from any ONE discipline below.
   Asterisk (*) courses require approval of coordinator BEFORE the semester and review of a portfolio of written work at the end of the semester.
   g. History 366, 368, 394, 290*, 399*, 490*, 495*.
   h. Philosophy 380, 381, 395*, 399*, 490*, 499*.

3. Electives: 9 additional credits from any courses listed above or Art 380NW, Education 350, Natural Resources 150, 300, 395, 475, 478. Chemistry 101, 105, 106 may count with prior permission of coordinator.

ETHNIC STUDIES
See History and Sociology and Native American Studies.

ESL 093. Writing. Move from personal to objective writing in response to a source, expand editing strategies. Move from the paragraph level to being able to write short essays. Improve accuracy over a wider range of grammatical structures. Prereq: 092 or placement.

ESL 094. Writing. Develop ability to draw information from and write about multiple sources, learn basic library skills, and develop independent editing strategies and effective use of grammar to write longer, source-based essays. Prereq: 093 or placement.

ETHNIC STUDIES
See History and Sociology and Native American Studies.
The Department of Foreign Languages offers courses in Arabic, Chinese, French, German, Hmong, Japanese, Russian, and Spanish, Comparative Literature, and teaching English as a second language.

**Placement/ Advanced Standing**

When you enter UW-Stevens Point as a freshman or transfer student and elect to take courses in French, German, Russian, or Spanish, you are required to take the UW System placement examination. It works out best if you make arrangements with your guidance office to take this exam before your assigned registration day. After you take the exam you will be placed in the appropriate foreign language course according to the following rules.

1. On the basis of the exam the department will grant up to 16 credits for foreign language courses you completed in high school. Then you must complete the course into which you are placed with a grade of B- or better to receive the retroactive credits.

2. The department may also grant credit for language proficiency you have gained through nonacademic means. After you take the placement exam you must complete the course into which you are placed with a grade of B- or better to receive credit for prerequisite courses which you have not taken formally.

Please realize that the department will not recommend granting credit for high school work or other language proficiency until AFTER you have completed a foreign language course on this campus.

There may be other situations where students who demonstrate proficiency in foreign language will be placed in the appropriate foreign language course by the department.

**Foreign Language Major (French, German, Spanish)**

Consists of 24 credits in courses at the 300 and 400 levels, including 313, 314, 340, 345, 481 (or in Spanish, 482 or 483), 340, and one literature course beyond 340.

**Foreign Language Major (General)**

for Teacher Certification

Consists of 30 credits in 300/400 level courses, including:

1. 313, 314, 340, 345, 420.
2. One literature course beyond 340.
3. One of 481, 482, or 483.
4. Two electives chosen from literature or culture courses.
5. Foreign Language Ed 333.
6. Foreign Language Ed 398 or 498 taken concurrently with Foreign Language Ed 400.

**Foreign Language Major with a Concentration in Culture Studies**

Consists of 30 credits: 15 credits of language and literature at the 300 and 400 levels, including 313, 314, 340, and 345; and 15 credits of culture studies, including 6 credits of 481, or in Spanish, 482 or 483, and 9 credits in coursework outside the department, selected with adviser approval.

**Foreign Language Major with Concentration in Culture Studies for Teacher Certification**

Consists of 36 credits:

1. Language and literature, 18 credits at the 300/400 level, including 313, 314, 340, 345, 420.
2. One additional literature course beyond 340.
3. Culture studies, 15 credits including 6 credits from 481, 482, or 483.
4. Collateral courses, 9 credits from outside the department selected with adviser approval.
5. Foreign Language Ed 333.
6. Foreign Language Ed 398 or 498 taken concurrently with Foreign Language Ed 400.

**Foreign Language Minor**

1. French: Consists of 15 credits in courses at the 300/400 level, including 313, 314, 340, and a culture or advanced literature course.

2. German: Consists of 15 credits in courses at the 300/400 level, including 313, 314, 340, and a culture or advanced literature course.

3. Spanish: Consists of 15 credits in courses at the 300/400 level, including 313, 314, 340, and a culture or advanced literature course.

**Foreign Language Minor for Teacher Certification**

(Secondary)

If you are an elementary education major and do not intend to be certified to teach a foreign language in middle school, you may complete the regular 15-credit academic minor above instead of the minor for teacher certification.

**Foreign Language Minor for Teacher Certification (Elementary)**

Consists of 21 credits in courses at the 300/400 level:

1. 313, 314, 340, 345, 420.
2. One of 481, 482, or 483.
3. Foreign Language Ed 333.
4. Foreign Language Ed 398 or 498 taken concurrently with Foreign Language Ed 400.

**Foreign Language Concentration in the Business Administration Major (French, German, Spanish)**

See Business and Economics earlier in this catalog.

The area of concentration in a foreign language provides a cross-cultural experience for students planning to work in international or multicultural environments. The area of concentration emphasizes practical language skills and knowledge of appropriate cultural forms and behavior.

**Teaching English as a Second Language Minor (TESL)**

The TESL minor consists of 22-29 credits. You must take the TESL minor in conjunction with teaching majors in early childhood, elementary education, K-12 majors, or secondary teaching majors.

- Proficiency in English: Attain the minimum scores required by the Wisconsin Dept. of Public Instruction on verbal and reading sections of the PPST.
- Two semesters of college-level foreign language (8 credits) or equivalent high school or other experience demonstrated by taking UWSP’s foreign language placement test.

**Required**

- One course from English 342, 344, 345.
- One course from Communicative Disorders 266 or English 240.
- With ESL adviser approval, choose one course from Anthropology 110, 325; History 288; Political Science 315; Psychology 322; or Sociology 270, 327.
- English courses:
  1. Early Childhood (ages 0-8) and Middle Childhood-Early Adolescence (ages 6-13):
     - One course from English 274, 275
English as a Second Language Minor without Certification

Consists of a minimum of 16 credits (not including foreign language requirement).

1. Prerequisites.
   a. Demonstrated proficiency in English.
   b. Two semesters of college-level foreign language (8 credits) or equivalent high school experience demonstrated by taking UWSP's foreign language placement test.

2. Required.
   a. One course from English 342 or 344.
   b. One course from Communicative Disorders 266, or English 240.
   c. With ESL adviser approval, choose one course from Anthropology 110, 325, 335; French 481; German 481; History 288, 393; International Studies 381; Religious Studies 100; Sociology 203, 207; Spanish 481, 482, 483.
   d. One course from English 200, 211, 212, 213, 275, 375, or Comparative Lit 101, 102.
   e. Foreign Language Ed 333 (with ESL adviser approval) or 344.
   f. Foreign Language Ed 397, 1-3 credits.

Academic Standards (Teaching)

1. Student Teaching: The chair of the Department of Foreign Languages and the director of the Office of Field Experiences approve student teaching programs. You register for Foreign Language Ed 398 (1-8 credits), Foreign Language Ed 400 (1-2 credits), and receive an assignment at the grade level for which you are seeking certification.

   2. Professional Education Program Requirements for the Professional Education Program are listed in the Education section earlier in this catalog.

Academic Standards (Nonteaching)

To graduate with a nonteaching major or minor in the Department of Foreign Languages, you must have a 2.0 cumulative GPA in all courses for the major/minor, including transfer courses, regardless of any declaration of academic bankruptcy. See the More Academic Information section of this catalog for the course repeat policy.

Courses in foreign languages are open to all students who meet the prerequisites. If you are not accepted into teacher certification programs, you must have written consent from the chair to enroll in teaching methods courses.

Courses in (General) Foreign Language

See also listing under Courses in Foreign Language Education, below.

F LG 100. Basic Conversation Skills. 1-3 cr. Subtitle will indicate the language. Develop basic conversation skills in everyday practical contexts. May earn 3 cr max under each subtitle. Does not count toward foreign language general degree requirements, major or minor.

F LG 340/540. Special Language Studies. 1-3 cr. Special focus on some aspect of a language or the relationship between two or more languages. Subtitle will designate area. May repeat with different subtitles. Prereq: One year foreign language study.

F LG 381. Culture and Civilization. 2 or 3 cr. Subtitle will indicate focus. May repeat for credit with different subtitles. May count toward a major or minor in foreign language with cons chair. GDR: HU4

F LG 796. Independent Study. 1-3 cr. Planned study to supplement preparation in area of specialization; regular conferences with staff supervisor.

Courses in Foreign Language Education

F LED 333/533. Teaching Second Languages. 3 cr. Second language acquisition theories, methods, techniques, planning, organization, assessment, and field experiences in teaching foreign languages in elementary, middle, and secondary schools. Prereq: Jsr st and admis to Prof Ed Prog, or cons instr.

F LED 344/544. Teaching English as a Second Language. 3 cr. Theories of second language acquisition; methods, techniques, planning, organization, assessment, and field experiences in teaching ESL. Prereq: Jsr st and admis to Prof Ed Prog, or cons instr.

F LED 345/545. Methods in Bilingual Education. 1-3 cr. First and second language acquisition theories, program methods, instructional practices, curriculum design, and assessment in bilingual education. Prereq: Jsr st and admis to Prof Ed Prog, or cons instr.

F LED 397. Practicum. 1-3 cr. Students may arrange for supervised practical experience as tutors, teacher's aids, etc. with cons instr and chair. Approx 45 hrs practice per cr. Subtitles will identify practicum.

F LED 398. Student Teaching in Foreign Language. 1-16 cr; pass/fail. Observation and teaching in secondary school classrooms under the guidance of cooperating teachers and university faculty. Subtitle will indicate specialization: French, German, Spanish, or English as a second language. Prereq: Completion of all methods courses and 75% of content courses in appro major. Con reg in appro section of Educ 400 may be required.

F LED 399/599. Special Work. 1-3 cr. Individual study in second language teaching methods under faculty supervision. Prereq: Cons chair and instr.

F LED 400. Seminar on Teaching for Student Teachers. 1-2 cr; pass/fail. Structured group discussions for middle level and secondary student/intern teachers on aspects of teaching that emerge during student teaching experience. Prereq: Con reg in 398 or 498.

F LED 498. Intern Teaching. Variable cr; pass/fail. Structured field experiences in approved school programs. Interns are certified by the DPI and are employed under contract with schools to design, deliver, and assess instructional programs in grades n-k-12. Prereq: Completion of all methods courses and 75% of content courses in appro major. Con reg in appro section of Educ 400 may be required.

F LED 733. Workshop in Second Language Education. 1-3 cr. Problems of teaching second languages in elementary and secondary schools. Subtitle will designate area. Prereq: Advanced standing in foreign language ed or English as a second language curriculum, or teaching experience.

F LED 795. Practicum in Teaching ESL. 1-3 cr. Teach ESL learners and develop instructional activities using appropriate methods. May take twice with cons instr. Prereq: 544, cons instr.

Courses in Arabic

ARBC 101(NW). First Year Arabic. 4 cr. For students with no previous training in the language. GDR: FL BA BM/BFA

ARBC 102(NW). First Year Arabic. 4 cr. Continuation of 101. Prereq: 101 or by placement exam. GDR: FL BA BM/BFA

ARBC 211(NW). Second Year Arabic. 4 cr. Intensive grammar review, practice in reading and speaking Arabic. Prereq: 102 or by placement exam.
FREN 101 (NW). First Year French. 4 cr. For students with no previous training in the language, or by placement exam. GDR: FL BA BM/BFA

FREN 102 (NW). First Year French. 4 cr. Continuation of 101. Prereq: 101 or equiv. GDR: FL BA BM/BFA

FREN 211. Second Year French. 4-5 cr. For students with no previous training in the language. GDR: FL BA BM/BFA

FREN 212. Second Year French. 4 cr. Continuation of 211. Prereq: 211 or by placement exam.

GERM 101. First Year German. 4 cr. For students with no previous training in the language, or by placement exam. GDR: FL BA BM/BFA

GERM 102. First Year German. 4 cr. Continuation of 101. Prereq: 101 or by placement exam. GDR: FL BA BM/BFA

GERM 211. Second Year German. 4 cr. Intensive grammar review. Prereq: 212, or by placement exam.

GERM 212. Second Year German. 4 cr. Continuation of 211. Prereq: 211 or by placement exam.

GER 243. German Literature in Translation. 3 cr. Selected readings; subtitle will indicate focus. May repeat for credit with different subtitles. Does not count toward German major or minor. Prereq: So st or cons instr.

GERM 313. Intermediate Conversation. 3 cr. Prereq: 212, or by placement exam.

GERM 314. Intermediate Composition. 3 cr. Prereq: 212, or by placement exam.

GERM 340. Introduction to German Literature. 3 cr. Intensive reading, methods of literary analysis of various genres; introduction to fundamental techniques of literary criticism. Subtitle will designate area. May repeat once for credit with a different subtitle. Prereq: 313 and 314. GDR: HU2

GERM 345. Advanced Conversation and Composition (formerly 317). 3 cr. Subtitle will designate focus. May repeat once for credit with different subtitle. Prereq: 313 and 314, or cons chair.

GERM 355. German for the Professionals (formerly 318). 3 cr. General knowledge of writing and reading material associated with the professions in German, emphasizing cultural differences between the U.S. and other countries. Example: writing business letters and preparing business-related documents. Subtitle will designate focus. May repeat for credit once with different subtitle. Prereq: 313 and 314, or cons instr.

GERM 400. Phonetics and Diction (formerly 320). 3 cr. Prereq: 212, or by placement exam.

GERM 455. 18th Century Literature (formerly 355). 3 cr. Selected readings. Subtitle will designate focus. May repeat for credit with different subtitle. Prereq: 340 or cons instr.

GERM 460. 19th Century Literature (formerly 360). 3 cr. Subtitle will designate focus. May repeat for credit with different subtitle. Prereq: 340 or cons instr.

GERM 470/670. 20th Century Literature (formerly 370). 3 cr. Subtitle will designate focus. May repeat for credit with different subtitle. Prereq: 340 or cons instr.

GERM 493/693. Specialized Studies in German Literature. 1-3 cr. Subtitle will designate focus such as: literary genre or group, recurrent literary theme, single author, comparison of two authors. Prereq: One 300 level German literature course and cons instr.

GERM 499. Independent Study. 1-4 cr. Individual study under faculty supervision. Prereq: Cons chair.

Courses in Hmong

HMNG 101 (NW). First Year Hmong. 4 cr. For students with no previous training in the language or by placement. GDR: FL BA BM/BFA

HMNG 102 (NW). First Year Hmong. 4 cr. Continuation of 101. Prereq: 101 or by placement exam. GDR: FL BA BM/BFA

Courses in Hungarian

HNGN 101. First Year Hungarian. 4 cr. For students with no previous training in the language. GDR: FL BA BM/BFA

HNGN 102. First Year Hungarian. 4 cr. Continuation of Hungarian 101. Prereq: 101 GDR: FL BA BM/BFA

Courses in Japanese

JAPN 101 (NW). First Year Japanese. 4 cr. For students with no previous training in the language or by placement. GDR: FL BA BM/BFA

JAPN 102 (NW). First Year Japanese. 4 cr. Continuation of 101. Prereq: 101 or by placement exam. GDR: FL BA BM/BFA

JAPN 211 (NW). Second Year Japanese. 4-5 cr. Intensive grammar review, practice in reading and speaking Japanese. Prereq: 102 or by placement exam.

JAPN 212 (NW). Second Year Japanese. 4-5 cr. Continuation of 211. Prereq: 211 or by placement exam.
Courses in Menominee
Menominee Latent Courses: Not offered recently. See full course description in indicated (xxx-xx) catalog.
101 Beginning Menominee Language, 4 cr, (93-95)
102 Beginning Menominee Language, 4 cr, (93-95)

Courses in Polish
PLSH 101. First Year Polish, 4 cr. For students with no previous training in the language. GDR: FL BA BM/BFA
PLSH 102. First Year Polish. 4 cr. Continuation of 101. Prereq: 101, or equiv. GDR: FL BA BM/BFA
Polish Latent Courses: Not offered recently. See full course description in indicated (xxx-xx) catalog.
211 Second Year Polish, 4 cr, (97-99)
212 Second Year Polish, 4 cr, (97-99)
293 Specialized Studies in Polish, 1-3 cr, (97-99)
300 Continuing Polish, 4 cr, (97-99)
301 Continuing Polish, 4 cr, (97-99)

Courses in Russian
RUSS 101(NW). First Year Russian, 4 cr. For students with no previous training in the language. GDR: FL BABA/BFA
RUSS 102(NW). First Year Russian. 4 cr. Continuation of 101. Prereq: 101, or by placement exam. GDR: FL BABA/BFA
RUSS 211(NW). Second Year Russian. 4 cr. Intensive grammar review, practice in reading and speaking Russian. Prereq: 102, or by placement exam.
RUSS 215(NW). Continuing Russian. 4 cr. Intermediate-level grammatical structures for reading; the roots of Russian; verbs of motion. Subtitle will designate area. Prereq: 211.
RUSS 315(NW). Continuing Russian. 4 cr. Advanced intermediate level. Content is varied so this course, as well as 215, can be taken by continuing students. Subtitle will designate area. Prereq: 216.
Russian Latent Courses: Not offered recently. See full course description in indicated (xxx-xx) catalog.
216 Continuing Russian, 4 cr, (07-09)
316 Continuing Russian, 4 cr, (07-09)
360 19th Century Literature, 3 cr, (01-03)
370 20th Century Literature, 3 cr, (01-03)

Abbreviations:
GIS = Geographic Information Systems
GISc = Geographic Information Science

Geography
(College of Letters and Science)
Neil Heywood, Chair of Geography/Geology Department
Room D-332, Science Building
Phone: 715-346-2629
E-mail: geoggeo@uwsp.edu
Web: www.uwsp.edu/geo

Definition: Geography is the science of place and space. Geographers ask where things are located on the surface of the earth, why they are located where they are, how places differ from one another, and how people interact with the environment.

Abbreviations:
GIS = Geographic Information Systems
GISc = Geographic Information Science

Geography Major
Consists of a minimum of 40 credits (43 credits for the Urban Planning Option) including the required core courses and one of the three options listed below. Note that if you elect to pursue more than one option in the major, it may extend your time to degree.

Required core courses, 22 credits: Geography 101, 120, 276, 279, 280, 390, 480(3 cr) or 485(3 cr) or 490 or 491 or 496 (required for urban planning option).

Select one option:

1. Geographic Information Science (GISc) and Cartography option:
   b. Geography 376 or 386 & either 477, 481 or 482.
   c. Recommended courses: Geography 376, 386, 477, 481, 482 (whichever was not taken in b. above); Web and Digital Media Development 250, 307, 308, 310; Computer Information Systems 115-116, 210, 211, 345.

2. Human Geography option:
   a. Geography 366 or 369.
   b. Six additional credits selected from: Geography 366, 369 (whichever was not taken from option a. above), 373, 374.
   c. Nine additional credits selected from: Geography 211 (required for teacher certification), 226, 300, 301, 302, 325, 328, 329, 365, 366, 369, 373, 374, 382, 391 (when offered as a human geography topic), 393 (when offered with a human geography emphasis), 395, 399, 476, 479.
   d. Recommended courses: Sociology 300, 356, 360; Political Science 315, 341; Economics 342, 362, 374; History 280, 292, 385, 393.

3. Physical Environment option:
   a. Geography 340 or 344; two of 352, 353 or 354, and 358; 377 or 476.
   b. Six additional credits selected from: Geography 340, 344, 352, 353, 354, 358, 377, 379, 393 (physical geography topics, 3 cr max), 476; Geology 330, 370, 393 (3 cr max).
   c. Recommended courses: Biology 305; History 280; Philosophy 380; Political Science 304; English 248 or 254.

4. Urban Planning option:
   a. Geography 364, 373, 388 or NRES 388, 389 or NRES 389, 476, 493.
   b. Three additional credits selected from: Geography 344, 374, 477; NRES 488; Political Science 341, 397; Sociology 365; Soil 365.
   c. Recommended courses: Economics 311, 362, 374; Geography 340, 344, 369, 371, 374, 379, 477, 479; Geography 300 or 327 or 328 or 329; Geology 330; Math 355; Natural Resources 340, 395, 488 (if not taken in b. above); Sociology 340, 356, 357, 360, 365 (if not taken in b. above); Political Science 242, 341, 356, 358, 397; Soils 365 (if not taken in b. above).

Geography Major for Teacher Certification
Geography 101, 113, 120, 211, 276, 280 must be taken as part of or in addition to one of the options in the geography major listed above.

NOTE: Enrollment caps are in effect for those seeking teacher certification. Please contact the Department of Geography/Geology early for entrance requirements and application procedures. Also see information about the Professional Education Program and the secondary education curriculum for teacher certification in the Education section of this catalog.

Geography Minor
Consists of 22 credits of which at least 6 credits must be 300-level or above.

1. Geography 101 and 120.
2. At least one course from each of the following groups:
   a. Geography 110, 113, 211, 226, 300, 301, 302, 327, 328.
3. Additional geography credits to total 22.

Geography Minor for Teacher Certification
Consists of Geography 101, 113, 120, 211, 276, 280. See the note above regarding enrollments caps for teacher certification.

Environmental Geography Minor
Consists of at least 23 credits

2. Physical environment course: 3 credits from Geology 330; Geography 344, 354, 358; or courses approved by adviser and chair.
3. Human environment course: 3 credits from 365, 369, 373, 374; or courses approved by adviser and chair.
4. Recommended courses: Philosophy 380; Natural Resources 460.
5. Geography majors with a physical geography option may choose the Environmental Geography minor, but must take two additional physical geography courses which do not overlap with the major and minor.
6. Geography majors with a human geography option may choose the Environmental Geography minor, but must take two additional human geography courses which do not overlap with the major and minor.

Academic Standards for Geography Major and Minor

1. To be admitted, retained, and approved for graduation as an approved geography major or minor, you must have a minimum cumulative grade point average of 2.00 (2.75 to student teach in geography) for all courses taken within the major or minor, including collateral courses and regardless of a declaration of academic bankruptcy.
   a. You must complete Geography 101 and 120 before you are admitted as an approved major or minor; otherwise you are a provisional major or minor.
   b. If you transfer and have no credits earned at UWSP in the major or minor, you will be a provisional major or minor until you complete the minimum requirements.

Academic Standards for Geography Major and Minor
2. If you do not maintain a 2.00 GPA, you will be placed on geography probation and will have 2 semesters to restore your GPA. If you fail to do so, you will be dropped from the major or minor. The department will attempt to notify and consult with students who are at or below a 2.00 GPA. However, it is your responsibility to know your own GPA status.

3. Majors must have an adviser in the department. Any department faculty member may advise a geography major. You must file a major declaration form in the department office, keep it current, and confer with your adviser every semester.

4. You may repeat a course in the major or minor only if you follow the policy on repeating courses found in the More Academic Information section of this catalog.

5. Geography and geology courses taken at the 300 or 400 level on a pass/fail basis do NOT count toward the major or minor.

Geographic Information Systems and Spatial Analysis Minor (GISSA)

Consists of at least 22 credits:

2. Applied spatial statistics: 2-3 credits from Geography 376 or 390, Wildlife 311, Forestry 322, or courses approved by adviser and chair.

3. Three credits from Biology 306; Geography 344, 358, 376 (if not applied to spatial statistics requirement), 382, 386, 471, 472, 473, 480, 481, 482, 483, 484, 485, 486, 487, 488; Geology 330, 495; Forestry 319, 320, 321, 385; Natural Resources 363, 385; Soils 360, 365; Water/Geology 383; Wildlife 350; and Digital Media Development (WDMD) 110, 200, 302; or courses approved by adviser and chair.

4. Geography majors with the GIS and cartography option may choose the GISSA minor, but must take an additional 6 credits from electives in 3 above.

5. Academic standards for GISSA minor:
   a. To be admitted, retained, and approved for graduation as a GISSA minor, you must have a minimum cumulative GPA of 2.00 for all courses taken in the minor, including collateral courses and regardless of a declaration of academic bankruptcy.
   b. You must complete Geography 279 before you are admitted as an approved minor; otherwise you are a provisional minor.
   c. If you transfer as a junior with at least 60 credits earned at UWSP in the minor, you will be admitted as a provisional minor until you have completed the minimum requirements.
   d. If you do not maintain a 2.00 GPA, you will be on probation for the minor and will have 2 semesters to restore your GPA. If you fail to do so, you will be dropped from the minor. The department will attempt to notify students of any changes in GPA status and consult with GISSA minors who are at or below the 2.00 GPA. However, it is your responsibility to know your own GPA status.

Geographic Information Systems (GIS) Certificate Program

The GIS Certificate is awarded upon successful culmination of a series of courses that center on professional competence and proficiency in the use of GIS. Valued by both private and public employers, it substantiates your expertise in using GIS to address a broad range of geographic-based issues and problems. Program participants will acquire abilities to analyze place-based patterns and trends, recognize geographic relationships, and craft spatial models and scenarios for critical decision-making. Both the Professional GIS Certificate and Focal GIS Certificate (in cartography, forestry, emergency management, urban & regional planning, environmental management, and GIS programming & web development) require a minimum completion of 18 credits. Contact either the UWSP GIS Center, Department of Geography & Geology, or the Continuing Education Office for more information about the program.

Test-Out and Credit-by-Exam Policy

The Department of Geography and Geology will offer test-out examinations for all of its general degree requirement courses including Geography 100, 101, 110, 113, 120, 211, 226, 300, and Geology 100, 104. If you wish to take a test-out examination, first confer with the department chair. Then confer with the faculty member who most recently taught the course. The comprehensive written exam will be based on material normally covered in the course. The faculty member will notify you in writing before you take the exam of the required minimum passing score. You will receive your grade in writing within two weeks after taking the exam.

Credit will not be granted for Geography 100 and Geology 100, but you will receive a waiver for the corresponding GDR credits. Credit will be granted for all other geography and geology courses listed above. You may take a test-out exam only once.

Courses in Geography

GEOG 100. Human Impacts on the Physical Environment. 3 cr. Physical geographic principles and processes applied to understand selected human impacts on atmosphere, water, land, and biota. Includes detailed, interdisciplinary analysis of several environmental problems, including causes, consequences, and solutions. 2 hrs lec, 2 hrs lab per wk. GDR: NS, EL

GEOG 101. The Physical Environment. 5 cr. Introduction to modern physical geography; survey spatial distribution of the earth's physical characteristics including weather and climate, water, soils, vegetation, and landforms; discuss environmental processes and interactions creating these physical geographic patterns; discuss importance to humans of the physical environment; use geographic tools including maps, air photos, and investigative techniques. 3 hrs lec, 4 hrs lab per wk; Possible field trips. GDR: NS

GEOG 113(NW). World Regional Geography. 3 cr. Survey major patterns of physical features, culture, and human-land relations by region in today's world; examples may show present and impending resource, environmental, social and political problems, and explore basic solutions. GDR: SS1

GEOG 120(NW). Human Geography. 3 cr. Examine components and spatial expressions of contemporary culture including patterns and problems of population, language, religion, urban and rural settlements, political and economic development from perspectives of diffusion, ecology, integration, landscape, and region. GDR: SS1

GEOG 198. Reading in the Discipline. 1 cr; pass/fail. Does not apply to geography major or minor. Prereq: Con reg in another designated geography course.

GEOG 211. Wisconsin. 2 or 3 cr. Geographic analysis of selected physical and cultural features. Prereq: So st. GDR: SS1

GEOG 226. North America. 3 cr. Historical and contemporary geographical examination of physical and human landscapes in Canada, Mexico, the Caribbean, and the United States of America. GDR: SS1

GEOG 276. Introduction to Cartography: Map Conceptualization and Development. 3 cr. The map production process, including rationale, graphic structure, data collection and organization, map layout, and final production. 2 hrs lec, 3 hrs lab per wk. Prereq: So st.

GEOG 280. Seminar: Geography as a Profession. 3 cr. Examine geography in professional practice. Includes disciplinary history, programs of study, careers, information resources, current research.
GEOG 300/500(NW). Africa. 3 cr. Regional interpretation; distribution and activities of peoples in relation to physical and cultural patterns and various stages and problems of development. GDR: SS1

GEOG 301/501. Middle America. 3 cr. Mexico, Central America, and the Antilles: landforms, climate, natural vegetation, resources, population, historical evolution, political divisions, economic organization.

GEOG 302/502(NW). Southwest Pacific. 3 cr. Geography of Australia, New Zealand, and the Southwest Pacific Islands as conditioned by environmental circumstances, native and alien cultural influences, and political affiliations. GDR: SS1

GEOG 325/525(NW). Geography of China. 3 cr. Historical development and contemporary situation of human cultures and regions of China. Explore interrelationships between population, ethnicity, economic activities and the environment in a geographic context. GDR: SS1

GEOG 327/527(NW). Asia. 3 cr. Study historical development and contemporary situation of human cultures and regions of Asia. Explore interrelationships between population, ethnicity, economic activities and the environment in a geographic context. GDR: SS1

GEOG 328/528. Europe. 3 cr. Distinctive features of Europe as a continent; physical/historical background; natural regions and their division into political units; characteristics of each country. GDR: SS1

GEOG 329/529. Environmental Geography of Europe. 3 cr. Development of Europe as differentiated and unevenly integrated socioecosystem. Examine comparative environmental practices and policies. Prereq: 100 or 110, or cons instr. GDR: EL

GEOG 335/535. Climate: Past, Present, and Future. 3 cr. Explore the physical and theoretical underpinnings of climate change science. Field and laboratory methods combined with computer model simulations are used to investigate the geological and biological evidence of past, present, and future climate including global warming and its impacts. Field trip(s) required. May not earn credit in both 335/535 and Geology 335/535. Field trip(s) required. Prereq: 101, Geol 104 and 110, or cons instr.

GEOG 340/540. Processes of Environmental Degradation. 3 cr. Study why and how humans harm the physical environment; includes geographic, cultural, political, economic causes and consequences. Case studies from around the world. Possible field trip(s). GDR: NS (BS, BM, BFA)

GEOG 342/542. Soils and Society. 3 cr. Geographical distribution of soils with interaction between human activities and soil dynamics; political economy of soil management; soil’s functional relations to social systems and ecosystem components. Possible field trip(s). Prereq: 101 or General Resources 277. GDR: SS2

GEOG 344/544. Environmental Hazards. 3 cr. Human interaction with hazardous phenomena such as earthquakes, storms, and infectious diseases; spatial aspects of the social processes and perceptions creating risk and vulnerability in the environment; local hazards. 2 hrs lec, 2 hrs lab perwk. Field trip(s) are required. Prereq: jr. or cons instr.

GEOG 350. Physical Geography of New Zealand. 3 cr. Examine basic physical environmental processes that form and drive the physical environment of New Zealand and resulting geographic environmental patterns. How human activities affect and are affected by natural systems. Develop geographic skills through lab and field work. May require field trips. Offered only during New Zealand semester abroad. GDR: NS

GEOG 352/552. Geomorphology. 3 cr. Characteristics, origin, and development of landforms. 2 hrs lec, 2 hrs lab per wk. Possible field trip(s). May not earn credit in both Geog 352 and Geol 352. Prereq: 101, or Geol 104, or cons instr.

GEOG 353/553. Physical Climatology and Meteorology. 3 cr. Radiation and energy balances; composition, characteristics, and circulation of the atmosphere. Introduction to weather map analysis and forecasting. Possible field trip(s). Prereq: 101, or cons instr.

GEOG 354/554. Climatology. 3 cr. Examine world climatic patterns, climate classification, air pollution climatology, and global climate change. Possible field trip(s). Prereq: 101 or cons instr.

GEOG 358. Biogeography. 3 cr. Examine spatial and temporal patterns of plants, animals, and microbes with emphasis on dynamic relationships between life form, population, and habitat. Significance of biotic distributions on human affairs and human impacts on biosphere locations. 2 hrs lec, 2 hrs lab per wk. Field trip(s) required. Prereq: 101 or Biology 101, or cons instr.

GEOG 364/564. Planning Theory and Process. 3 cr. Review of historical development of planning theories as they relate to planning practice in select cities in the US and the world. Emphasis on the origin and evolution of planning, and key issues that have confronted planning interventionists in developing solutions to fundamental problems of urban areas. Prereq: cons instr.

GEOG 365/565. Tourism Geography. 3 cr. Cultural, economic, physical, and biotic factors affecting the distribution of recreation and tourism resources and participation. Global as well as local case studies and examples employed. Field trip(s) required.

GEOG 366/566. Historical Geography. 3 cr. Examine the problems of reconstructing past geographies and analyzing changes of geographic phenomena through time. Includes construction and analysis of historical spatial databases. Field trip(s) required. GDR: SS1

GEOG 368/568(NW). Geography of Religion. 3 cr. Historical development and spatial distributions of the major religions of the world. Study the interactions of belief systems with socioeconomic processes in different parts of the world. GDR: SS1

GEOG 369/569. Political Geography. 3 cr. Geographical interpretation of selected political areas; the political significance of cultural and physical aspects of such areas. GDR: SS1

GEOG 370. Transportation and Logistics. 3 cr. Survey analyze spatial aspects of transportation and communication systems. Includes evolution of transport systems, network and flow analysis, routing and logistics analysis, and transportation planning and management. Possible field trip(s). Prereq: 110 and Math 353, or cons instr.

GEOG 371/571. Gender and Environment. 3 cr. Gendered nature of environmental degradation; feminist theories and gender-sensitive methodologies for the study of and solution to environmental problems. Prereq: 100 or Women’s and Gender Studies 105 or cons instr. GDR: EL

GEOG 372. Industrial Location. 3 cr. Analyze manufacturing activities from a spatial perspective. Topics include theory and practice of industrial location, manufacturing production systems, industrial districts, and local economic development. Possible field trip(s). Prereq: 110 or cons instr.

GEOG 373/573. Urban Geography. 3 cr. Physical characteristics, spatial patterns, functions, populations, land use, livelihood structures of cities. Possible field trip(s). Prereq: 110 or 120, or cons instr. GDR: SS1

GEOG 374/574. Rural Geography. 3 cr. The influence of locational characteristics on the social and economic components of the rural environment. Field trip(s) required. GDR: SS1

GEOG 376. Statistical and Multimedia Cartography. 3 cr. Statistical manipulation and symbolization of spatial data for map presentation. Acquire and handle quantitative data within a multimedia mapping environment. 2 hrs lec, 3 hrs lab per wk. Prereq: 276 or cons instr. GDR: SS2

GEOG 378. Retail and Service Location. 3 cr. Analyze retail and service activities from a spatial perspective. Location strategies of retail and service firms, site selection, trade area analysis, store and office assessment methods, and local economic development. Possible field trip(s). Prereq: 110 or 373, Math 355, or cons instr.

GEOG 379/579. Remote Sensing II. 3 cr. Leam principles of remote sensor technology and apply them to inventory earth resources, detect and monitor pollution, and measure other environmental phenomena. Use visual analysis and computer-assisted digital imaging processing techniques to interpret various types of remote sensor imagery. 2 hrs lec, 2 hrs lab per wk. Possible field trip(s). Prereq: 377 or Natural Resources 377.

GEOG 382/582. Dynamic Cartography. 3 cr. Theory and practical applications of interactive mapping and hypermedia presentation. Survey of animated mapping, Web-based cartography, dynamic map displays and associated authoring tools within a multimedia environment. 2 hrs lec, 2 hrs lab per wk. Prereq: 276 or cons instr.

GEOG 386. Map Design and Production. 3 cr. How the graphic elements of a map affect its physical and perceived structure. Graphic communication, design principles, and map production skills. 2 hrs lec, 1 hr lab per wk. Prereq: 110 or cons instr.

GEOG 388/588. Introduction to Urban and Regional Planning. 3 cr. Historical evolution of urban regional planning. Theories, ideologies, philosophies, and functional areas of planning. Also primary plan

Required during first year after declaring major/minor. Prereq: Declared major/minor, or cons instr.
implementation tools. May not earn credit in both Geog 388/NRES 388.

GEOG 389/589. Urban and Regional Planning Analysis. 3 cr. Research methods for urban and regional planning. Design and implementation of citizen surveys. May not earn credit in both Geog 389 and NRES 389. Prereq: 373, 388 or NRES 388; Math 355 or Forestry 321 or Sociology 351, or cons instr.

GEOG 390. Applied Statistics in Geography. 3 cr. Survey geographic problems and quantitative problem solving methods; create or extract relevant data sets from published geographic resources; apply, interpret, and present appropriate statistical and nonspatial statistics. Prereq: 276, 279; Math 355 recommended.

GEOG 391/591. Special Topics. 1-3 cr. Subtitle will designate topic of geographical interest. May repeat for credit with different subtitle. Possible fieldtrip(s).

GEOG 393/593. Field Trip in Geography. 1-3 cr. Observe physical and cultural phenomena; required readings, field notebook and/or report. May repeat for credit with change in locale or topic. Possible field trip fee. Prereq: Intro level geog course.

GEOG 395/595. Directed Study. 1-3 cr. Students may, with cons instr, arrange for directed study of a geographical topic. Prereq: One geo course, and cons chair.

GEOG 399/599. Research. 1-3 cr. Students may arrange for a special research problem with cons instr. Results will be publicly presented. Prereq: cons chair.

GEOG 471/671. GIS Applications in Sustainability. 3 cr. GIS concepts and applications to support regional and community-level sustainability initiatives. Examination of spatial analysis topics and practices including sustainability indicators, resource management, public participation, decision making and effective presentation. 2 hrs lec, 2 hrs lab. Prereq: 279, 476/676 or cons instr.

GEOG 473/673. GIS Applications for Managing Working Lands and Operations. 3 cr. Practical application of using GIS and data to effectively plan and manage agricultural working lands and operations. Analysis of local and regional agricultural patterns and trends, utilization of digital soil databases, assessment of community working lands for informing public policy, effective use of working land assets. 2 hrs lec, 2 hrs lab. Prereq: 279, 476/676 or cons instr.

GEOG 476/676. Geographic Information Systems 1. 3 cr. Develop, use and maintain a geographic-based spatial information system (GIS) for resource management. Acquire and assess spatial data. Compare raster and vector data models. Computer-based geographic data handling, analysis, display, Cartographic and spatial modeling. 2 hrs lec, 2 hrs lab per wk. Prereq: Any geography, CNR, or environmental science course; Geog 279 recommended.

GEOG 477/677. GIS Applications in Local Government. 3 cr. Administration of land records and emergency management services using GIS technology. Fundamentals of GIS-based network and location analysis in relation to cadastral maps, zoning regulations, health services and emergency service infrastructure. 2 hrs lec, 2 hrs lab per wk. Prereq: 476 or cons instr.

GEOG 479/679. Geographic Information Systems II. 3 cr. Intermediate and advanced GIS techniques; integrate medium and large scale digital databases, use rectified aerial and satellite geographic base data. Principles and development of complex environmental and cultural spatial modeling. GIS programming concepts and applications. 2 hrs lec, 2 hrs lab per wk. Prereq: 476; Recommended: 379.

GEOG 480. Internship in Geography. 1-12 cr. Supervised training program in geography in cooperation with public or private agencies. One credit is at least 60 hr work. Credits and/or additional requirements set by instr before registration. May repeat once for 12 cr max. Prereq: Jr or sr st, 9 or 300/400 geography courses, and cons intern director.

GEOG 481/681. GIS Database Design and Modeling. 3 cr. Effectively construct, integrate, design and implement geodatabases. Examine storage, cataloging, maintenance and use of geospatial data within practical applications. 2 hrs lec, 2 hrs lab per wk. Prereq: 476, 479 or cons instr.

GEOG 482/682. GIS Programming and Customization. 3 cr. Customize GIS software for extended functionality and utility of the import, query, and display of geospatial information. Use and survey GIS programming languages to develop spatial applications and geographic models. 2 hrs lec, 2 hrs lab per wk. Prereq: 476, 479 or cons instr.

GEOG 483/683. GIS Applications in Emergency Management. 3 cr. Public safety issues and GIS-based response assessment and emergency management. GIS methodologies involving crime analysis, fire response strategies, search and rescue, networked operations, risk assessment, personnel deployment, 911 infrastructure, and homeland security issues. 2 hrs lec, 2 hrs lab. Field trips may be required. Prereq: 279, 476/676 or cons instr.

GEOG 484/684. GIS Applications in Urban and Regional Planning. 3 cr. Use of GIS software and associated techniques within the planning environment. Investigation of GIS techniques used for decision support systems, scenario planning, synchronization, sustainability analysis, geographic growth management, public participation and impact assessment for planners. 2 hrs lec, 2 hrs lab. Prereq: 476/676, 479/679 or cons instr. Recommended: 388/588, 477/677.

GEOG 486/686. GIS and GPS Applications in Forestry Management. 3 cr. Design and implementation of silviculture spatial databases using GIS tools. Acquisition and capture of forestry data using global positioning systems (GPS). Use of GIS in forest stewardship assessment, tree stand management and recreational appraisal. Field trips are required. 2 hrs lec, 2 hrs lab. Prereq: 279, 476/676 or cons instr.

GEOG 487/687. GIS/WB Server Applications and Administration. 3 cr. Formulation and construction of web-based maps, spatial data and geoprocessing models. Examination of relevant properties, functionality, interoperability and geodata services. Basics of GIS web server systems, installation and operations. 2 hrs lec, 2 hrs lab. Prereq: 476/676, 479/679 or cons instr. Recommended: 481/681, 482/682 and working knowledge of computing and programming.

GEOG 488/688. Mobile GIS Techniques. 3 cr. Principles and practical applications of using mobile GIS. Planning, creation, implementation of an integrated digital network within a public environment. Mobile project design, development, synchronization, suitability analysis, and deployment. Field trips may be required. 2 hrs lec, 2 hrs lab. Prereq: 476/676, 479/679 or cons instr.

GEOG 490. Senior Research. 3 cr. Capstone experience for geography majors. Define, devise, and pursue a plan to address an approved group problem. Communicate contribution for resolution of problem. Written and oral reports; may require field trips. Experience in team field work and projects. Prereq: 280 and sr st.

GEOG 491. Senior Thesis. 3 cr. Individual capstone experience for geography majors seeking graduate or professional study. Define geographic problem, devise and pursue solution. Prepare findings in written paper and oral presentation. Prereq: Cons 2 faculty. May extend over two consecutive semesters. Prereq: 280, dept GPA 3.50, sr st.

GEOG 493/693. Professional Practice/Planning Ethics. 3 cr. Explore ethical issues that arise in professional practice such as conflict of interest, social justice, public responsibility and fairness. Develop skills in identifying ethical challenges in planning practice and how to respond to them without compromising professional integrity. Prereq: 364 or cons instr.

GEOG 495/695. Advanced Urban and Regional Planning Analysis. 3 cr. Advanced techniques/methods of urban/regional planning. Social and economic analysis. Includes population analysis, income measures, linkages and flow studies, economy composition analysis, economic base analysis, input-output, project evaluation, and GIS applications. Prereq: 279, 389 or NRES 389, or cons instr.

GEOG 496/696. Community Development Practices. 3 cr. Processes and interactions between citizens, community officials, and planners in designing, planning, and implementing community development projects. Social and economic development projects and programs. May require fieldtrip(s). Prereq: 373, 388 or NRES 388, or cons instr.

GEOG 779. Geographic Techniques for Educators and Professionals. 3-12 cr. Teachers/professionals examine, develop, and apply one or more spatial technique(s). Acquisition/assessment of spatial data, computer-based geographic data handling, aggregation, translation, analysis, interpretation and mapping of geographic information. Possible fieldtrip(s). Subtitle will designate topic.

Geography Latent Courses:

Possible fieldtrip(s). Subtitle will designate topic.
Geology

(College of Letters and Science)

Neil Heywood, Chair of Geography/Geology Department

E-mail: geoggeo@uwsp.edu
Web: www.uwsp.edu/geo

Definition: Geology is the scientific study of the history, structure, and composition of the earth, the natural processes that alter the earth's surface, and the resources and hazards associated with the geologic environment.

Geology Minor

Consists of 22 credits:
1. Geology 104, 106, 200, 310, 320.
2. Either Geology Geography 352 or Geology 370.
3. Remaining credits to total 22 selected from Geology 330, 335, 352*, 370*, 383, 385, 391, 393, 395, 479, 487, 495; Geography 279, 352*, 390, 393 (provided cross-listed with Geology, max 3 cr), 377 or 476, Biology 311.
   *If not taken in 1-2 above.

Academic Standards

1. To be admitted, retained, and approved for graduation as an approved geology minor, you must have a minimum cumulative grade point average of 2.00 for all courses taken within the minor, including collateral courses and regardless of a declaration of academic bankruptcy.
   a. You must complete Geology 104 before you are admitted as an approved minor; otherwise you are a provisional minor.
   b. If you transfer and have no credits earned at UWSP in the minor, you will be a provisional minor until you complete the minimum requirements.
2. If you do not maintain a 2.00 GPA, you will be placed on probation. If you fail to do so, you will be dropped from the minor. The department will attempt to notify and consult with students who are at or below a 2.00 GPA. However, it is your responsibility to know your own GPA status.
3. You may repeat a course in the minor only if you follow the policy on repeating courses found in the More Academic Information section of this catalog.
4. Geology, geography, and biology courses taken at the 300 or 400 level on a pass/fail basis do NOT count toward the minor.

Test-Out and Credit-by-Exam Policy

See the statement above under Geography.

Courses in Geology

GEOL 100. Geology and Science. 3 cr. Introduction to scientific inquiry as it applies to understanding human interactions with the physical environment. 2 hrs lec, 2 hrs lab per wk. Group work required; Possible field trip(s). GDR: NS

GEOL 104. Physical Geology. 4 cr. Introduction to study of minerals and rocks and processes that act upon and within the earth. 3 hrs lec, 2 hrs lab per wk. Possible field trip(s). GDR: NS

GEOL 106. Earth History. 1 cr. Development of the earth through time. Prereq: 104 or cons reg.

GEOL 198. Reading in the Discipline. 1 cr. pass/fail. Does not apply to geography minor; Coreq in another selected geology course.

GEOL 200. Mineralogy and Petrology. 4 cr. Origin and classification of common rocks and minerals with emphasis on hand sample identification. Field trip(s) required. Prereq: 104.

GEOL 310/510. Sedimentary Geology. 3 cr. Origin, evolution, and classification of sedimentary rocks and surficial deposits; modern and ancient depositional systems; stratigraphic principles; resource significance of sedimentary deposits. Possible field trip(s) Prereq: Geol 104, or cons. instr.

GEOL 320. Structural Geology. 3 cr. Analysis of rock deformation features such as folds, faults and shear zones, their tectonic significance. 2 hrs lec, 2 hrs lab per wk. Field trip(s) required. Prereq: 104.

GEOL 330/530. Environmental Geology. 3 cr. Application of geological principles to understand and solve problems associated with human interaction with the physical environment, including dust and air pollution, sedimentary and fluvial mechanics, slope stability, land subsidence, earthquakes, coastal erosion, and resource extraction. 2 hrs lec and 2 hrs lab per wk. Field trip(s) required. Prereq: 104.

GEOL 335/535. Climate: Past, Present, and Future. 3 cr. Explore the physical and theoretical underpinnings of climate change science. Field and laboratory methods combined with computer model simulations are used to investigate the geological and biological evidence of past, present, and future climate including global warming and its impacts. May not earn credit in both 335 and Geography 335/535. Field trip(s) required. Prereq: Geol 101; Geol 104 and 106, or cons. instr.

GEOL 352/552. Geomorphology. 3 cr. Characteristics, origin, and development of landforms. 2 hrs lec, 2 hrs lab per wk. Possible field trip(s). May not earn credit in both Geol 352 and Geog 352. Prereq: 104, or Geol 101, or cons. instr.

GEOL 370/570. Glacial Geology. 3 cr. Origin and development of glacial features and related phenomena over the last three million years. Possible field trip(s). Prereq: 104 or Geol 101.

GEOL 383/583. Hydrogeology. 3 cr. Hydrologic budgets, occurrence and movement of groundwater, field and laboratory techniques, well hydraulics, and interpretation of aquifer pumping tests, well field protection. 2 hrs lec, 2 hrs lab per wk. May not earn credit in both Geology Water 383.

GEOL 393/593. Field Trip in Geology. 1-3 cr. Observe geological phenomena; readings, field notebook and/or report. May repeat for credit with change in locale or topic. May not earn credit in Geography 393 and Geography 393 under same locale or topic. Possible field trip(s). Prereq: Intro geology course.

GEOL 395/595. Directed Study. 1-3 cr. Students may arrange for directed study of a geological topic with cons instr. Prereq: Cons instr, and a 300 level geology course.

GEOL 479/479. Contaminant Hydrogeology. 3 cr. Physical and chemical processes affecting behavior and Transportation of groundwater contaminants; apply contaminant transportation models; monitor and remediate groundwater contamination. May not earn credit in both Water 479 and Geol 479. Prereq: Water/Geol 383; Math 120; Chemistry 106 or 116; and written cons instr.

GEOL 480. Internship in Geology. 1-12 cr. Supervised training program in geology in cooperation with public or private agencies. One cr equals at least 60 hrs work. Credits and/or addl requirements set by instr before registration. May repeat once for 12 cr max. Prereq: Jr or sr st, 9 credits 300/400 geology courses, and cons intern director.

GEOL 487/487. Groundwater Geochemistry. 3 cr. Factors and processes controlling the chemistry of subsurface waters including mineral solubility, complexation, redox reactions, ion exchange, and sorption; hydrochemical behavior of contaminants. May not earn credit in both Geology 487 and Water 487. Prereq: 104; Chemistry 106 or 116; Water 180; and written cons instr.

GEOL 495/695. Application of Computer Modeling to Hydrogeology. 3 cr. Introduction to computer modeling; emphasis on modeling theory, groundwater flow and particle tracking models. May not earn credit in both Water 495/Geol 495. Prereq: Water/Geol 383, Math 120, and written cons instr.

GEOL 730. Environmental Geology for Educators. 1 cr. Examines effects that earth materials and geologic processes have on humans and society, emphasizing natural geologic hazards. Exposure to resources for teaching environmental geology including the Internet. Prereq: Bachelor's degree.

Geology Latent Course: Not offered recently. See full course description in indicated (xx-xx) catalog.

391/591 Special Topics, 1-3 cr. (03-05)

Geoscience Major

Consists of a minimum of 41-59 credits including the required core courses and one of the three options listed below. Note that if you elect to pursue more than one option in the major, it may extend your time to degree.

Required core courses, 15 credits: Geology 104, 106, 200, 310, 320.

Select one option:

1. Environmental Analysis Option (48 credits):
   a. Geography 101, 276, 335 or Geology 335, 377, 379, 476, 479.
   b. Six additional credits selected from: Geology or Geography 352, Geology 330, 370, 383, 393;
      Geography 340, 344, 354, 376, 382, 386, 390;
   c. Math 355.

2. Earth Materials Option (51-56 credits):
   a. Three credits selected from: GEOL 383 or WATR 389.
   b. NRes 251, Soils 362.
   c. Three additional credits from: Soils 465 or 461.
   d. Geog 279, 476 479.
   e. Chem 105, 106 or 117.
   f. Choose six additional credits from: Geol 330, 370, 383, 393;
      Geog 340, 344, 354, 376, 377, 379;
      Geog/Geol 335; 352; Water/Geol 487.
   g. Choose four additional credits from: Math 111, 118, 355.

3. Hydrogeology Option (52-62 credits):
   a. Geography/Geology 352.
   b. Geology 370, 383, 487.
   c. Geology 393 (1-3 crs) or Geol 385 or Soils 465.
   d. Geology 279, 476, 479.
   e. Chemistry 105 and 106, or 117.
   f. Mathematics 111 or 118.
   g. Physics 201 and 202; or 203 and 204.

4. Biogeoscience Option (53-58 credits):
   a. Biology 101 or 130 or 160.
   b. Chemistry 105 and 106, or 117.
   c. Geography 279.
   d. Math 111 or 118.
   e. Choose nine additional credits from: Anthro 311; Biol 305, 311, 322, 323, 332, 370, 399 (Paleofossil Lab); Geog 358.
   f. Choose nine additional credits from (if not taken in e. above): Anthro 311; Biol 305, 311, 322, 323, 332, 370, 399 (Paleofossil Lab); Geog/Geol 335, 352, 393; Geog 354, 358; Geol 390, 391, 383, 480, 485; Soils 350, 362.

Academic Standards

To be admitted, retained, and approved for graduation as an approved Geoscience major, you must have a minimum cumulative grade point average of 2.00 (2.75 to student teach in Geoscience) for all courses taken within the major, including collateral courses and regardless of a declaration of academic bankruptcy.

- You must complete Geology 104 before you are admitted as an approved major; otherwise you are a provisional major.

If you transfer and have no credits earned at UWSP in the major, you will be a provisional major until you complete the minimum requirements.

If you do not maintain a 2.00 GPA, you will be placed on geoscience probation and will have two semesters to restore your GPA. If you fail to do so, you will be dropped from the major. The department will attempt to notify and consult with students who are at or below a 2.00 GPA. However, it is your responsibility to know your own GPA status.

Majors must have an adviser in the department. Any department faculty member may advise a geoscience major. You must file a major declaration form in the department office, keep it current, and confer with your adviser every semester.

You may repeat a course in the major only if you follow the policy on repeating courses found in the Major Academic Information section of the UWSP Catalog.

Geography and geology courses taken at the 300 or 400 level on a pass/fail basis do NOT count toward the major.

Test-Out and Credit-by-Exam Policy

The Department of Geography/Geology will offer test-out examinations for all of its general degree requirement courses including Geography 100, 101, 110, 113, 120, 211, 226, 300, and Geology 100, 104.

A student wishing to take a test-out examination will confer with the Department chairperson. The chairperson will direct the student to the appropriate faculty member(s) who will administer the examination. Normally this will be the faculty member who has most recently taught the course. The comprehensive written examination will be based on material normally covered in the course including questions from lecture and, if applicable, laboratory topics. The faculty member will notify the student in writing of the required minimum passing score prior to administering the examination; a score equivalent to the most recent class average for the course is generally considered to be the minimum passing grade. Results of the test-out examination will be provided in writing to the student within two weeks after taking the examination.

Credit will not be granted for Geography 100 and Geology 100, but students will receive a waiver for the corresponding GDR credits. Credit will be granted for all other geography and geology courses listed above. Students may take a test-out examination only once. The Department assumes no responsibility for preparing students for test-out examinations, but maintains copies of current course syllabi for perusal.

Health Care Professions

(College of Professional Studies)

Susan Raab, Chair of the School of Health Care Professions
Room D-127A, Science Building
Phone: 715-346-3766
E-mail: hthsci@uwsp.edu
Web: www.uwsp.edu/hthsci/
1. Complete the CLS academic core requirements above.

2. Biology, 10-15 credits: Biology 314, 326, 387. We recommend Biology 130 to complete a biology minor.

3. Chemistry:
   a. Chemistry 220 and 260 (recommended).
   b. Take Chemistry 248, 325, 326, and 365 if you are planning graduate work or other professional programs.

**Medical Technology Option**

Includes the academic program (119-120 on-campus credits) and the clinical practicum (26 off-campus credits).

1. Complete the CLS academic core requirements above.
4. You must attend one summer session following your sophomore or junior year.

**Accreditation**

The UWSP Clinical Laboratory Science Program, Medical Technology Option, is accredited by the National Accrediting Agency for Clinical Laboratory Sciences. Inquiries regarding the accreditation status of the program may be directed to: NAACLS, 8410 West Bryn Mawr Ave, Suite 670, Chicago IL 60631; phone 773-714-8880; fax 773-714-8886; gjo@naacls.org.

**Affiliation agreements**

This university has affiliation agreements with medical facilities to provide clinical practicum education for seniors. The director and the educational coordinators of the affiliated clinical laboratories are given courtesy appointments as university honorary associate faculty. (See listings in the back of this catalog under University Associates, Health Care Professions).

**Health Science Major (HS)**

1. Academic core requirements:
   a. Bachelor of science general degree requirements.
   c. Chemistry 105 and 106 or 117.
   e. Math 355.
   f. Complete requirements for one option: cytotechnology, histotechnology, or medical technology.
2. Apply to the appropriate professional program. Acceptance is based on academic credentials, interviews, and available clinical sites. You are eligible to apply for an appropriate clinical practicum after you are formally accepted into the professional program.
3. Clinical practicum: 24-26 credits in an affiliated clinical laboratory. Please note that meeting or exceeding the requirements for eligibility to apply for the clinical practicum does not guarantee placement.

**Cytotechnology Option**

Includes the academic program (98-103 on-campus credits) and the clinical practicum (26 off-campus credits).
1. Complete the CLS academic core requirements above.
2. CLS 375.
3. Biology, 10-15 credits: Biology 314, 326, 387. We recommend Biology 130 to complete a biology minor.
4. Chemistry:
   a. Chemistry 220 and 260 (recommended).
   b. Take Chemistry 248, 325, 326, and 365 if you are planning graduate work or other professional programs.

**Histotechnology Option**

Includes the academic program (98-103 on-campus credits) and the clinical practicum (24 off-campus credits).
1. Complete the CLS academic core requirements above.
Pre-Physical Therapy Option

1. Complete the HS core requirements above.
2. Biology 387: Chemistry 106; Food and Nutrition 253; Health Promotion/Wellness 312; Health Science 390; Physical Education 310; Physics 203, 204; Psychology 260, 351.

Academic Standards

For acceptance and continued registration as a candidate for the clinical lab science or health science major you must have a grade point average of 2.75 overall and in the sciences, including biology, chemistry, mathematics, health science, and clinical lab science at the end of your sophomore year. You are screened during the summer following your sophomore year for acceptability to apply for clinical practicum positions. You must also maintain a 2.75 GPA overall and in the sciences throughout your junior year.

Grades in required courses taken prior to declaring academic bankruptcy or in repeating courses will be used in calculating your grade point average. No more than two courses with grades of less than C- will be accepted in the major and/or may be repeated for credit.

If you do not meet these standards, you may petition the director for consideration. Courses in clinical lab science are open to all students who meet the prerequisites. The minimum GPA for graduation is 2.50.

Test-Out and Credit-by-Exam Policy

Advanced placement and credit-by-exam are available for all courses offered through the School of Health Careers. Contact the school chair for additional information.

Courses in Clinical Laboratory Science

*Clinical practicum: courses marked with (*) will be completed at affiliated clinical laboratories. Admission to the Professional Program is a prerequisite for all clinical practicum courses.

CLS 100. Overview of Health Occupations. 2 cr. Investigate 200-plus careers in the health industry with job shadowing experiences in community health care facilities. Includes medical terminology, physiology and anatomy, disease processes, interpersonal skills, current health issues/concerns.

CLS 101. Evolution of Health Care. 1 cr. History of medicine and evolution of health care professionals in context of philosophical and cultural influences. 100 in addition to 101 will be accepted as an equivalent to CLS 105. Prereq: 100.

CLS 105. Evolution of Health Care and Health Care Professions. 3 cr. History of medicine and evolution of health care professionals in the context of philosophical and cultural influences; examine various health care systems; analyze current health care system and health professions in the United States. 3 hrs lec per wk. GDR: SS2

CLS 125. Introduction to Clinical Laboratory Science. 2 cr. Overview of laboratory safety, phlebotomy, immunology, immunohematology, hematology, coagulation, clinical chemistry, body fluid analysis, diagnostic microbiology, and molecular pathology. Major topics are accompanied with introductory lab exercises. 1 hr lec, 2 hrs lab per wk.

CLS 205. Clinical Orientation. 1 cr. Pass/fail. Hospital introduction to laboratory techniques. Open to students considering a CLS major.

CLS 295. Medical Terminology. 2 cr. Examine bases of medical terms: prefixes, suffixes, roots, combined forms; terms that name the nine basic body systems and organs. 2 hrs lec per wk.

CLS 375. Quality Systems in the Clinical Laboratory. 1 cr. Study quality management in the clinical laboratory; discuss pre-analytical, analytical, and post-analytical phases of testing, statistical methods of quality control, regulatory requirements, verification of instrument maintenance and functions, and risk assessment. 1 hr lec per wk. Prereq: Admission to professional program.

CLS 385. Professional Leadership Development. 3 cr. Study professional roles, responsibilities, contemporary problems and conflicts related to leadership and laboratory administration; discuss human resource management, financial management, and education methodologies appropriate for supervisors and managers. 2 hrs lec, 2 hrs lab per wk. Prereq: Jr st.

CLS 399. Special Work. 1-3 cr. Special independent research projects. Credit based on scope of project. Prereq: Jr st and cons. chair.

CLS 400. Cytoologic Techniques I. 3 cr. Study common diagnostic techniques in cytology.

CLS 401. Cytoologic Techniques II. 3 cr. Study advanced techniques and emerging methodologies in cytology.

CLS 402. Microscopy. 1 cr. Study of light and electron microscopy techniques for the histology laboratory.

CLS 405. Clinical Chemistry. 4 cr. Study physiology of body analytes, organ systems, and clinical procedures corresponding to human disease states; discuss unique to clinical chemistry laboratory and professional performance. 3 hrs lec, 3 hrs lab per wk. Prereq: Chemistry 365 or con reg.

CLS 406. Clinical Chemistry Practicum. 4 cr. Apply principles of clinical chemistry; use chemical analytical techniques to determine specific substances and correlate results to various disease states. Prereq: 405.

CLS 409. Immunohistochemistry. 3 cr. Study the theory and techniques in immunohistochemistry staining.

CLS 410. Histology Techniques I. 3 cr. Study laboratory safety, specimen processing and accessioning, instrumentation, and fixation.

CLS 411. Histology Techniques II. 3 cr. Study techniques for tissue processing, theories of staining, and tissue embedding.

CLS 412. Histology Instrumentation. 3 cr. Study of routine histology instruments; tissue preparation and use of microtomes and other instruments in preparing and staining specimens for microscopic examination.

CLS 414. Hemostasis. 1 cr. Study mechanisms and disorders of hemostasis and fibrinolysis; diagnostic techniques and instrumentation used in patient diagnosis. 1 hr lec, 1 hr lab per wk.

CLS 415. Hematology. 4 cr. Study the hematopoietic system including the relationship of hematologic disease states to diagnostic characteristics; determine blood and bone marrow cellular morphology; discuss erythrocyte and leukocyte disorders; study diagnostic techniques and correlate results to disease processes. 3 hrs lec, 3 hrs lab per wk. Prereq: Biology 285.

CLS 416. Clinical Hematology/Hemostasis Practicum. 4 cr. Practical application of theoretical knowledge in hematology and hemostasis; process and analyze patient specimens; use instrumentation and microscopic techniques to determine anemias, leukemias, coagulation disorders, and other disease processes. Prereq: 415.

CLS 420. Special Stains. 6 cr. Use special staining methodology for connective tissue, nerve cells, lipids, amyloid, minerals, pigments, microorganisms, and enzymes.

CLS 421. Frozen Sections and Cytologic Preparation. 3 cr. Study the techniques to prepare frozen tissue and sections for microscopic examination.

CLS 425. Diagnostic Medical Microbiology. 5 cr. Study bacterial, mycoplasmal, rickettsial, and chlamydial diseases of humans; identify clinical signs and symptoms of these diseases; explore collection, transportation, modes of transmission, and laboratory methods used to detect and identify the pathogens as well as appropriate antibiotic therapy. 3 hrs lec, 6 hrs lab per wk. Prereq: Biology 333.

CLS 426. Diagnostic Microbiology/Immunology. 5 cr. Cultivate, isolate, and identify pathogenic bacteria, fungi, viruses, and parasites from a variety of patient specimens; perform antibiotic sensitivities and therapeutic drug testing. Prereq: 425.

CLS 427. Diagnostic Medical Parasitology. 1 cr. Study life cycles of human parasites of medical significance. Identify clinical signs, symptoms, treatment, and epidemiology associated with human parasitic disease. Examine specimen collection, transportation and laboratory methods used to detect and identify the parasites. 1 hr lec, 2 hrs lab per wk for 8 wks. Prereq: Biology 333.

CLS 428. Medical Mycology. 1 cr. Study medically significant fungi. Identify clinical signs, symptoms, treatment, and epidemiology associated with human mycotic diseases. Explore laboratory methods
used to detect and identify organisms. 1 hr lec, 2 hrs lab per wk for 8 wks. Prereq: Biology 333.

CLS 435. Immunology. 3 cr. Study concepts in immunology and serological techniques used to diagnose disease; discuss immunodeficiency diseases, autoimmune disorders, immunology of malignancies, and hypersensitivities. 2 hrs lec, 3 hrs lab per wk. Prereq: Biology 285.

*CLS 436. Clinical Immunology Practicum. 2 cr. Apply clinical immunologic techniques to identify antigen-antibody reactions and relate to disease states; explore principles and interpretation of HLA testing and flow cytometry. Prereq: 435.

CLS 445. Immunohematology. 3 cr. Study of human blood group systems, antibody screening and identification, blood components, compatibility testing, donor selection and processing, blood bank regulations; perform blood bank procedures. 2 hrs lec; 3 hrs lab per wk. Prereq: Biology 285.

*CLS 446. Clinical Immunohematology Practicum. 3 cr. Concepts of blood banking; determine patient compatibility for blood and blood components; solve hemolytic disease and antibody identification problems; process blood and components; explore histocompatibility techniques. Prereq: 445.

CLS 451. Advanced Clinical Studies in Immunology and Immunohematology. 2 cr. Advanced study of immunological principles in diagnostic testing and solutions to compatibility testing for blood components and tissue and organ transplants. Prereq: CLT (NCA) or MLT (ASCP) certification; admits to professional program.

CLS 452. Advanced Clinical Studies in Hematology and Hemostasis. 2 cr. Principles and procedures of complex clinical tests used to diagnose, treat, and monitor patients with leukemias, anemias, and other hematologic disorders. Examine factors involved in complicated hemostasis situations. Prereq: CLT (NCA) or MLT (ASCP) certification; admits to professional program.

CLS 453. Advanced Studies in Clinical Chemistry. 2 cr. Advanced automated and manual techniques in chemical analysis of blood, urine, cerebrospinal fluid, synovial fluid, and other fluids and tissues. Focus on problem solving in clinical chemistry lab. Prereq: CLT (NCA) or MLT (ASCP) certification; admits to professional program.

CLS 454. Advanced Diagnostic Microbiology. 2 cr. Advanced techniques used to handle and identify fastidious and highly infectious microbes, especially antibiotic-resistant organisms. Appropriate responses to biohazardous spills, potential contamination of food and water, and bioterrorism. Prereq: CLT (NCA) or MLT (ASCP) certification; admits to professional program.

*CLS 456. Advanced Applications Practicum. 1 cr. Advanced study in specific practice of clinical laboratory science such as ancillary testing, laboratory information systems, primary care laboratory, management, industry, cytogenetics or molecular biology.

*CLS 461. Advanced Clinical Practicum in Immunology and Immunohematology. 3 cr. Perform advanced diagnostic tests in immunology and correlate results to disease states of patients; Prepare blood products for patient infusion. Perform compatibility tests and resolve transfusion incompatible situations. Apply principles of quality assurance. Prereq: 451.

*CLS 462. Advanced Clinical Practicum in Hematology and Hemostasis. 3 cr. Perform complex clinical tests to diagnose, treat, and monitor patients with leukemias, anemias, and other hematological disorders. Determine factor deficiencies in problem situations encountered in hemostasis. Apply principles of quality assurance. Prereq: 452.

*CLS 463. Advanced Clinical Practicum in Clinical Chemistry and Body Fluids. 3 cr. Perform complex chemical analysis of blood, urine, cerebrospinal fluid, synovial fluid, and other fluids and tissues; Interpret and correlate test results with disease processes. Apply principles of quality assurance. Prereq: 453.

CLS 465. Molecular Pathology. 3 cr. Study composition, structure, function, and characteristic DNA; use clinical laboratory techniques to isolate, amplify, manipulate, and analyze DNA sequences; relate to human health and disease states. 1 hr. 6 hrs lab per wk.

*CLS 468. Gynecologic Cytology. 6 cr. Study normal cell differentiation in the female reproductive system. Identify and describe cellular changes/abnormalities in cells found in female reproductive organs.

*CLS 469. Pulmonary Cytology. 3 cr. Study normal cell differentiation in the lung. Identify and describe cellular changes and abnormalities in cells found in pulmonary tissue.

*CLS 470. Gastrointestinal Cytology. 3 cr. Study normal cell differentiation, identify and describe cellular changes and abnormalities in cells found in the GI tract.

*CLS 471. Urinary Tract Cytology. 2 cr. Study normal cell differentiation. Identify and describe cellular changes and abnormalities in cells found in the urinary tract.

*CLS 479. Body Fluid Cytology. 2 cr. Distinguish normal cells from cells undergoing changes and abnormal cells in various body fluids.

*CLS 480. Aspiration Cytology. 2 cr. Classification and differentiation of cells obtained through aspiration techniques.

*CLS 486. Management and Laboratory Information Systems. 2 cr. Management theory and application of management techniques to laboratory situations; fundamentals of laboratory information systems. Prereq: 385.

*CLS 488. Methodologies in Histology Education. 1 cr. Current approaches to education in the histology laboratory.

*CLS 489. Methodologies in Cytology Education. 1 cr. Current approaches to education in the cytology laboratory.

*CLS 490. Management in Cytology. 1 cr. Study of cytology laboratory management practices.

*CLS 491. Management in Histology. 1 cr. Study of histology laboratory management practices.

CLS 495. Research Design and Methods in Health Sciences. 1 cr. Apply scientific method to health care research problems; explore research design principles; write research proposals; design research project. 1 hr lec per wk. Prereq: 1 st.

CLS 496. Clinical Correlations 1. 1 cr. Correlation of symptoms, clinical test results, and diagnosis of diseases as related to cardiovascular, pulmonary, renal, gastrointestinal, and hepatobiliary disorders; appropriate lab use. Prereq: Admission to professional program.

*CLS 497. Clinical Correlations 2. 1 cr. Correlation of symptoms, clinical test results, and diagnosis of diseases as related to endocrine disorders, reproduction, and neurological, hematologic, and immunologic disorders; appropriate lab use.

*CLS 498. Clinical Correlations 3. 1 cr. Correlation of symptoms, clinical test results, and diagnosis of diseases as related to tumor markers, infectious disease, nutritional and metabolic disorders, toxicology and drug monitoring, the neonate, and geriatrics.

*CLS 499. Advanced Clinical Studies. 2 cr. Capstone course under supervision of mentor. Design and conduct research project in specialty area of clinical laboratory science; prepare major research paper and presentation.

Courses in Health Science

HS. 105. Survey of Common Diseases. 3 cr. Examine major disease categories such as infectious disease, cancer, diabetes, stroke, heart disease. Explore basic physiology, causes, risk factors, and prevention within context of public health.

HS 350. Leadership and Management in Health Care. 3 cr. Interdisciplinary analysis of leadership theory, including concepts of working cooperatively, effective communication, conflict resolution, fiscal responsibility, human resource development, time management, building strategic alliances, and outcomes assessment. Prereq: CLS 105, HS 105.

HS 390. Human Pathophysiology. 4 cr. Examine fundamental concepts of diseases such as cellular adaptation and injury, inflammation, immunity, edema, and neoplasia and apply them to common diseases of select organ systems. Prereq: Biology 285 and 387.

HS 495. Fundamentals of Epidemiology. 3 cr. Introduction to basic principles and methods of epidemiology and application to health care delivery. Includes historical perspective of epidemiology, measures of disease occurrence and association, clinical epidemiology, disease

Definitions:
Physical education is the process by which individuals obtain optimal physical, mental, social, and fitness skills through the medium of human movement. The UWSP Physical Education major prepares students for a K-12 Teaching Certification License(#530).

Physical training is a medical profession specializing in health care for active populations, cooperating with physicians and other allied health personnel.

Note: You may NOT take courses pass/fail that lead to completion of a professional HESA program (physical education, athletic training, coaching, health education, physical education for exceptional individual, adventure education).

Abbreviations:
ADME = Adventure Education
AT = Athletic Training
ATEP = Athletic Training Education Program
HEC = Health Enhancement Center (Phy Ed Building)
HESA = Health, Exercise Science, and Athletics
HLED = Health Education
HP/W = Health Promotion/Wellness
P ED = Physical Education
PEP = Professional Education Program
PEX = Physical Education for the Exceptional Individual
WLNS = Wellness

Physical Education Major for Teacher Certification (K-12)

Enrollment/Retention Standards: Enrollment caps for physical education majors are determined by the School of Education (20 per year). If you wish to transfer into physical education from a different UWSP major, you must have a 2.75 cumulative grade point average. All students must follow these requirements:

1. Freshmen: Complete a minimum of 30 credits with a 2.50 GPA. These credits include P ED 105, 150, Math 100, English 101 and 102, Biology 160, Psychology 110, and 5 credits of chemistry or physics (23 credits). You must complete these courses before you can enroll in P ED 201, 260.

2. Sophomores: Complete 60 credits with a 2.60 GPA. By the end of the sophomore year complete P ED 105, 150, 200, 201, 220, and 271.

3. Juniors: When enrolled in P ED 260, apply to the Professional Education Program (PEP). Prerequisites for P ED 331 are acceptance into the PEP and director consent.

Physical Education Major: Consists of 47 credits:

1. Required: P ED 105, 150, 200, 201, 220, 260, 271, 310, 315, 331, 332, 370, 380, 391, 428; HP/W 312; PEX 400, 401; WLNS 205.

2. Collateral requirements:
   a. Laboratory science: Biology 101 or 160, 285.
   b. GDR requirements for DPI certification: History 176 and 177; Psych 110; Poli Sci 101; one fine arts course (HU1); one literature course (HU2).
   c. First Aid/CPR: WLNS 123.
   d. Education 205, 351, 381, 386, P ED 398, 400.
   e. GPA of 2.75 in physical education courses.
   f. WLNS 146 is recommended to increase employment opportunities.

3. Admission requirements for acceptance into the Professional Education Program: Incoming freshmen and transfer students are "premajors." To become an accepted major follow these procedures:
   a. Before you apply, complete with a grade of C- or better or be enrolled in at least 12 credits from the following: P ED 105, 150, 200, 201, 220, 260, 271 or 315. Note: P ED 105 and 220 must be taken at UW-Stevens Point.
   b. Complete Biology 101 or 160; Complete Chemistry 101 or Physics 101. Note: If Biology 101 is completed, Chemistry 101 must be taken to meet the prerequisites for Biology 285. Note: Students may complete one of the above courses and be enrolled in the other when applying to the Professional Education Program.
   c. Have 2.75 GPA in all credits attempted from all institutions.
   d. Apply to the PEP and to the Physical Education Department for acceptance into the PEP when courses in 3a above are complete or concurrent and you are enrolled in PE 260. "Premajors" must meet the PEP admission criteria listed under Education in this catalog. "Premajors" have two opportunities to apply to the PEP. Failure to apply during enrollment in 260 will result in the forfeiture of one of the two opportunities for admittance to PEP. Failure to meet the School of Education criteria for admittance to PEP when enrolled in 260 will result in denial.
   e. Candidates must complete the application form for PEP from the Education Advising, Recruitment and Retention Office in CPS. In addition, candidates must submit a separate set of application materials to the Physical Education Department. Prospective PEP candidates will be evaluated by the Physical Education Department on cumulative GPA, PPST scores, personal statement/reflection, resume, and
the Pre-Professional Interview. The GPA and personal statement/resume will be assigned a higher weight in the total rankings.

f. Candidates may appeal if denied admission to the program. You may contact the School of Education regarding the appeal process.

g. Available seats in the PEP will determine the number of majors accepted.

h. You must be accepted into the PEP or have completed one attempt before you can enroll in P ED 310, 331, 370, 380, 391, 428; PEX 400, 401; HP/W 312.

4. Refer to the Education section earlier in this catalog for information about admission to the Professional Education Program and teacher certification. NOTE: To graduate with a comprehensive physical education major, you must successfully complete all teacher certification requirements including student teaching in physical education.

5. Upon acceptance into the PEP you must complete all Physical Education major courses with a C- or better.

6. To repeat a course, follow UWSP policy. The last grades for repeated courses will be calculated into your GPA. (Credit for 199, 299, 399 does NOT count in the cumulative GPA required for admission.)

Athletic Training Major
Holly Schmies, Coordinator
Room 129 Health Enhancement Center
Phone: 715-346-2922
E-mail: hschmies@uwsp.edu
Web: www.uwsp.edu/hses/athtraining

Faculty/Staff: A Brugge, M Koroch, H Schmies, R Verdegan, D Wedeking, N Weller.

Medical Directors: James Banovetz, MD, PhD; James E King, MD; A Brugge, M Koroch, H Schmies, R Verdegan, D Wedeking, N Weller.

Admissions Committee.

Complete a formal interview with the ATEP Admissions Committee.

1. Prerequisite coursework (must be completed or concurrently in progress with good standing): AT 181, 182, BIO 160, HP/W 102, PHY 101, PSYC 110, WLNS 123 – all with a grade of C- or better.

2. Have a minimum of a 2.75 GPA in all credits attempted.

3. Request and complete the ATEP application. Applications can be obtained in person from the Program Director. Along with the application, you must:

   a. Submit four letters of recommendation and a statement of acceptance for the ATEP technical standards, journals and timesheets from AT 182.

4. Submit your application to the Program Director by March 1st.

Additional notes about applying to the ATEP:

1. Admission decisions are provided to you in writing by April 1st.

2. Meeting or exceeding the minimum requirements for eligibility to apply does not guarantee acceptance into ATEP. The application process is competitive and acceptance is based on academic credentials, interviews, and available clinical sites/instructors.

3. If your application is denied, you may reapply. You will continue to work on general degree requirements or courses within your chosen major while waiting to reapply.

4. Transfer students: If you are transferring from another institution, you may apply to the ATEP after all prerequisite courses are complete and you meet the minimum requirements:

   a. AT prefixed courses must be completed at UWSP.

   b. If transferring from an institution with a CAATE accredited ATEP, athletic training courses may be accepted. However, you must realize that additional courses may be required to meet ATEP competencies and proficiencies.

Upon acceptance to the ATEP, you must:

1. Provide verification of current physical examination by an approved health care provider (MD, DO, PA, CNP) confirming the physical and mental abilities required of an athletic trainer.

2. Provide verification you are free of communicable disease. You must provide documentation of immunization history, current antibody titers for Hepatitis B and C, MMR, DPT, Varicella, and a current tuberculosis (TB) test.
3. Complete a healthcare provider background check as required by regulations in Wisconsin Administrative Code Chapter HFS 12.
4. Supply verification of personal healthcare provider liability insurance.
5. Provide documentation of a TB test for clinical rotations prior to each academic year.
6. Submit all health-related documentations/verifications to the Program Director prior to the start of each fall semester.

**Retention**

In order to maintain good standing within the ATEP, students must:
1. Maintain 3.0 GPA in major and collateral coursework.
2. Maintain 2.75 cumulative GPA in all credits attempted.
3. Maintain 3.0 (5.0) clinical evaluation scores. (Athletic training student evaluation form is based on 5 point scale.)

If you fail to meet all retention criteria listed above, you will be placed on probation in the ATEP for one semester. This is warning that you need to raise your cumulative and/or your major GPA in your next semester to be in good standing in the ATEP. If you do not attain all criteria for active status during the probation semester, you may not continue in the major. You may apply for readmission to the ATEP one academic year after you are first suspended, but realize that readmission is not automatically granted.

To repeat a course, follow UWSP policy. The last grade for a repeated course will be calculated into your GPA. Credit for AT 199, 299, 399 does NOT count in the cumulative GPA required for admission.

**Notes for Athletic Training Majors**

1. Refer to the Athletic Training Educational Handbook for program technical standards that relate to the Americans with Disabilities Act of 1990.
2. All requirements for the major must be complete, or in the process of being completed, before the program director will endorse your application for the Board of Certification examination.
3. If you are accepted in the ATEP, you will be responsible for arranging travel to off-site clinical rotations. Students will also be responsible for the cost of travel. There will also be some additional expenses incurred for uniforms and the personal athletic training kits. Updated information will be provided in the Athletic Training Educational Handbook.
4. If you are denied acceptance into the program, you may not enroll in Athletic Training courses. You may contact the chair of HESA for appeal procedures. Appeals are handled by the HESA Appeals Committee.

**Adventure Education Minor**

Consists of 22 credits.
2. Wellness 146, 215.

**Coaching Minor**

Consists of 23 credits:
1. Coaching 190, 200, 372, 398; P ED 362, 391, AT 351; WLNS 123.
2. At least two courses from Coaching 282-294.

**Health Education Minor**

Consists of at least 24-25 credits:
1. Biology 285; HLED 104, 140, 250 (not required of elementary education minors), 340, 390, 427 (HLED 280 required for elementary education majors); Food and Nutrition 151 or 253 (physical education majors must take FN 253).
2. If you are preparing to teach, you must take HLED 398 at all levels in which you are seeking certification.

**Strength and Conditioning Minor**

This minor is offered through the School of Health Promotion and Human Development in collaboration with the School of Health, Exercise Science and Athletics. It consists of 24 credits: Coaching 372; FN 450; HP/W 312, 430 (Exercise and Nutrition Practicum); P ED 271 or Biology 387; P ED 310, 410; and P ED or HP/W 430 (Strength and Conditioning Practicum). To declare the minor you must have a 2.75 cumulative GPA. You must also maintain current certification in First Aid CPR to acquire instructor permission for course enrollment in HP/W 430 or P ED 430.

**Adapted Physical Education 860 Add-On Certification (Physical Education for Exceptional Individual)**

To receive the 860 add-on certification, complete this sequence with the physical education (K-12) teaching major. Take PEX 400, 401, 415, 445, 460, and Educ 351.

**Test-Out and Credit-by-Exam**

Test-out credit is available for all courses meeting general degree requirements in Wellness (WLNS). You may attempt test-out for a maximum of 3 credits. You may earn a maximum of 2 credits in aerobic/activity or health enhancement. The test-out option is available to all students.

**Aerobic Activity Test-Out:**
Sign up and get information for aerobic/activity test-out at the School of HESA Main Office (122 HEC). Take the written exam that determines if you know how to design and implement your own physical fitness program. If you pass, take the multicomponent physical fitness assessment test that includes aerobic capacity. To pass, your scores must meet or exceed the norm of UWSP students in four of the six areas. If you pass both exams, you will receive two credits of aerobic/activity.

**Health Enhancement Test-Out:**
Sign up and get information for health enhancement test-out at the School of HESA Main Office (122 HEC). Take the written exam covering eight major health enhancement topic areas. You will receive one credit of health enhancement if you pass four categories at a 70 percent level and two credits if you pass seven categories.

**Courses in Adventure Education**

ADME 150. Introduction to Adventure Education. 2 cr. Awareness of principles, practices and philosophy associated with adventure programming. Lead and facilitate groups of different ages and dynamics. Introduces components of minor.

ADME 225. Wilderness First Responder. 3 cr. Gain knowledge and skills to become a competent emergency care provider in remote settings. Lecture and hands-on practice will provide experience necessary to make critical decisions. Obtain WFR certification.

ADME 250. General Camping/Backpacking. 3 cr. Two- or three-season camping and backpacking techniques including equipment, survival techniques, orienteering, trip planning. Use fundamental facilitation skills in an outdoor trip environment. Obtain “Leave No Trace” certification.

ADME 350. Challenge Course Management. 3 cr. Low and high rope facilitation. Philosophical and ethical issues dealing with risk-taking as
Courses in Athletic Training

AT 181. Introduction to Athletic Training. 2 cr. Overview of athletic training profession, history and growth. Concept of the sports medicine "team." Athletic training room policies, procedures, medical record keeping and commonly used supplies. AT 182. Athletic Training and Clinical Observation. 1 cr; pass/fail. Introduction to athletic training facility and environment through observation. Prereq: Con reg in 181 and intent to major in AT.

AT 251. Prevention and Care of Injury and Illness. 2 cr. Introduction to appropriate care/treatment for acute injuries and illness; preventive principles including conditioning, fitness, nutrition, bracing and equipment fitting, preparticipation physical exams and environmental conditions. Prereq: Admis to prog and current CPR/First Aid certification.

AT 300, Practicum II. 1 cr. Practical application of proficiencies in AT 370 for lower extremity orthopedic evaluation. Also includes supervised clinical hours, learning over time experiences, and practical examinations. Prereq: 200, 201, 251; con reg in 370.

AT 301. Practicum IV. 1 cr. Practical application of proficiencies in AT 380. Orthopedic evaluation of upper extremity including abdomen thoracic and face. Also includes supervised clinical hours, learning over time experiences, and practical examinations. Prereq: 300, 370; con reg in 380.

AT 302. Practicum V. 1 cr. Practical application of proficiencies in AT 381 including functional therapeutic progressions for upper/ lower extremities, neuromuscular control and proprioception, spine stabilizations and abdominal/core training, joint mobilizations, gait analysis and biofeedback. Also includes supervised clinical hours, learning over time experiences, and practical examinations. Prereq: P ED 362, AT 362; con reg in 381.

AT 351. Acute Care and Risk Management of Athletic Injuries. 2 cr. Cause and treatment of acute athletic injuries, as well as policy and procedure development strategies to ensure appropriate health care for athletes. Prereq: P ED 123, 200 and P ED 362.

AT 362. Practicum III: Human Body Movement. 2 cr. Biomechanical understanding of how forces affect the body during exercise and sport. Practical application of proficiencies in P ED 362 including strength and conditioning cardiovascular and endurance, power, and anthropometric principles associated with active populations. Prereq: P ED 310, 362; admis to prog.

AT 382. Therapeutic Modalities. 3 cr. Principles of electromagnetic and acoustical treatment methods, indications and contraindications, and procedures for applying these treatments to athletic injuries. Prereq: 251, admis to prog.

AT 399. Special Work. 1 cr. The first of two capstone courses to serve as a comprehensive review of the skills necessary of the competent entry-level athletic trainer. Focus on skills in emergency room care, risk management, and recognition and assessment of injury. Also includes supervised clinical hours, learning over time experiences, and practical examinations. Prereq: 381, 382; con reg in 425.

AT 401. Practicum VI. 1 cr. The second of two capstone courses to serve as a comprehensive review of skills necessary of the competent entry-level athletic trainer. Focus on skills and knowledge in prevention, therapeutic modalities, and therapeutic rehabilitation. Also includes supervised clinical hours, learning over time experiences, and practical examinations. Prereq: 400, 425; con reg in 430.

AT 425. Medical Aspects of Injury and Illness. 3 cr. Examination of general medical conditions and auto-immune diseases related to injury/illness in the active population. Use of diagnostic instruments and common signs and symptoms will also be covered. Prereq: 381, 382; con reg in 400.

AT 430. Therapeutic Interventions of Injury and Illness. 3 cr. Examination of principles, theory and techniques for treatment of various conditions in the active populations including diagnostic testing, surgical techniques, pharmacology, and psychosocial illnesses. Instruction and evaluation based on use of pharmacological resources, policy development and referral networks for psychosocial issues, and other skills related to therapeutic interventions. Prereq: 400, 425; con reg in 401.

AT 435. Research Methods in Athletic Training. 3 cr. Apply scientific method to athletic training research problems; explore research design principles; design and write research proposals. Prereq: MATH 355; admis to prog.

Courses in Coaching

COAC 101. Tools for Academic Success. 1 cr. Transitional issues from high school to college, intro to university services, time management/ study skills, information management, goal setting, personal wellness, tolerance and sportsmanship. Tools for student- athletes to maximize abilities in class and competition. Prereq: Cons instr.

COAC 190. Principles of Coaching. 3 cr. Principles of effective coaching at the K-12 level with emphasis on NASPE coaching standards, competencies, best practices, and growth and development for all levels of sport. Prereq: So st.

Courses in Health Education

HLED 104. Current Health Issues. 3 cr. Using the SPECIES model of wellness, consider current issues of mental/emotional health, aging, death and dying, communicable and chronic diseases, fitness, consumer health, personal health, safety and accident prevention, violence/bullying, and environmental health.

HLED 140. Responsible Sexuality. 3 cr. Sexual development in America, reproduction and contraception, and related issues; develop skills for presenting this knowledge to children in classroom and family settings; including methods needed to deliver K-12 sexuality curriculum. GDR: WLNS/HE

HLED 250. Teaching Methods for Middle/Secondary Health Education. 3 cr. Use approved methods and materials for teaching health from middle school through grade 12; apply teaching techniques and procedures in a student centered fashion. Prereq: 104 or 140; declared HLED minor.

HLED 280. Health Education in the Elementary School. 3 cr. Principles, techniques, and materials applied to teaching health in the elementary school; also personal health behavior. Prereq: Admission to Prof Educ Prog and cons instr. GDR: WLNS/HE

HLED 390/590. Wellness and Drugs. 3 cr. Uses of drugs in our culture; decision-making process leading to minimal, intentional, deliberate use of drugs including caffeine, nicotine, alcohol, over-the-counter drugs, prescription drugs, and illegal drugs; effects, consequences, and alternatives. GDR: WJ/HE.

HLED 397/597. Workshop in Health Education. Variable credit. Participate in special experiences related to health ed minor. Subtitle will designate area. May repeat for 6 cr max.

HLED 398. Student Teaching in Health Education. 4-16 cr; pass/fail. Observation and teaching of health education under the guidance of cooperating teachers and university faculty.

HLED 399. Special Work. Upperclass health ed minors may arrange for independent study with cons instr and coord. Credit based on scope of project. Must file statement with HESA chair before beginning.

HLED 498. Intern Teaching. Variable cr; pass/fail. Structured field experiences in approved school programs. Interns are certified by the DPI and employed under contract with schools to design, deliver, and assess instructional programs in grades K-12. Prereq: Complete all methods courses and 75% of content courses in appro prior major. Con reg in appro section of Educ 400 may be required.

HLED 700. Current Health Issues and Trends in Health Education. 3 cr. (For certified teachers who do NOT have undergraduate health ed degree and seek K-12 health certification). Background in health content areas of nutrition, physical activity, personal health, safety and injury prevention, stress, violence/abuse, substance use and abuse, disease prevention, environmental health, aging, death and dying, consumer and community health, mental and emotional health.

HLED 701. Curriculum and Resources in Teaching Comprehensive School Health Education. 3 cr. (For certified teachers who do NOT have undergraduate health ed degree and seek K-12 health certification). Hands-on knowledge/skills to develop effective curriculum and learning strategies for health education. Apply Wis Standards of Health Education with psychosocial skills to help students develop life skills.

HLED 703. Teaching Methods in Health Education. 3 cr. (For certified teachers who do NOT have undergraduate health ed degree and seek K-12 health certification). Analyze and use alternative approaches to teaching health ed to children, primarily using prevention theory. Apply teaching methods, strategies, techniques and assessments in health ed by constructing a series of hands-on learning opportunities.

HLED 705. Sexuality Education: Content and Programming for K-12 Schools. 3 cr. (For certified teachers who do NOT have undergraduate health ed degree and seek K-12 health certification). Review current information on human sexuality including biological, psychosocial and educational aspects with instructional activities related to interpersonal communication, decision-making and clarification of values. Review Wisconsin law and curriculum expectations working through abstinence-based and abstinence-only curricular approaches, while gaining appreciation of controversial issues surrounding K-12 sexuality education.

Courses in Physical Education

P ED 105. Introduction to Physical Education Teacher Preparation. 2 cr. Introduction to K-12 Physical Education teaching content leading to teacher licensure in Wisconsin. Topics include enrollment policies, teaching standards, beginning electronic portfolio, career and professional development, and best teaching practices.

P ED 150. Foundations of Teaching K-12 Physical Fitness. 2 cr. Prepare preservice teachers to teach physical fitness in educational settings. Instruction and assessment of fitness activities appropriate for elementary, middle and high school students. Concepts of health-related fitness. Prereq: Phyr ed major. GDR: WJ/AA

P ED 199. Independent Study. 1-3 cr. Students may arrange for work not available through regular courses. Must file statement with HESA chair before beginning. Wellness substitutions may be approved. Prereq: Cons instr.

P ED 200. Skill Competence in K-12 Adventure Education. 3 cr. Participation and skill development in current K-12 Adventure Education trends. Demonstrate competency in activities that may include the awareness of principles, practices and philosophy associated with adventure programming Lead and facilitate groups of different school-age students. Prereq: 105, 150 or cons instr.

P ED 201. Skill Competence in K-12 Physical Education Content. 3 cr. Participation and skill development in current K-12 physical education activity trends. Demonstrate competency in activities that may include but are not limited to the following: winter/recreation; team, individual, and dual sports; international sports and games; elementary physical education basic motor skills; racquet and disc sports; speed power and agility and strength training. Prereq: 105, 150 or cons instr.

P ED 231. Physical Education for Early Childhood/Elementary Teacher. 2 cr. Acquaints early childhood and elementary school classroom teacher certification majors with organizational skills and instruducal materials needed to integrate movement concepts, physical skills and brain-based activities into classroom experiences. Prereq: Admission to Prof Ed Prog.

P ED 252. Standard First Aid, Personal Safety, and Cardiopulmonary Resuscitation. 2 cr. American Red Cross first aid and CPR training, with certificate issued on satisfactory completion of course.
P ED 260. Practicum Experience in Physical Education. 2 cr. Clinical field experience with secondary and elementary placement/observation; 30 hrs practicum experience. Prereq: GDR: NS complete; declared physical ed minor.
P ED 271. Human Anatomy. 3 cr. Skeletal, muscular, circulatory, digestive, respiratory, and nervous systems of the human body. Prereq: Cons instr.
P ED 310. Kinesiology. 3 cr. Study body movement and principles that affect movement. Prereq: 271, or cons instr.
P ED 315. Dance Methods. 2 cr. Methods, materials, and fundamental principles for teaching dance including folk, square, and ballroom in K-12 physical education programs. Prereq: Jr st or cons instr.
P ED 331. Teaching Methods in Elementary Physical Education. 3 cr. Reflective approach to teaching development of elementary physical education with an emphasis on 4K through grade six. Become more proficient in current knowledge, use of instructional strategies, and integration of state and national standards into teaching in an elementary physical education program. Prereq: Admis to Prof Educ Prog or cons instr.
P ED 332. Teaching Experience in Elementary Physical Education. 1 cr. Teach K-2 students and work with area teachers co-teaching grades 4-6 while developing lessons, assessments and parent progress reports. Practices instructional strategies and integrate state and national standards into a developmentally appropriate elementary program. Prereq: Admission in to the School of Education; con reg P ED 331.
P ED 353. Advanced First Aid Instructors. 1 cr. Preparation for teaching advanced first aid prescribed by American Red Cross; certificate granted on satisfactory course completion. Prereq: Valid advanced first aid certificate.
P ED 370. Curriculum Design in K-12 Physical Education. 3 cr. Study school physical education program content. Classification, philosophy, scope and sequences of educational content for selecting and organizing K-12 physical education curricular themes and models compared and aligned with national and state content standards. Prereq: Admis to Prof Educ Prog, P ED 331 completed, or with cons. of program director.
P ED 397/597. Workshop in Physical Education. Variable credit. Participate in special experiences related to phy ed major. Subtitle will designate area. May repeat for 6 cr max.
P ED 398. Student Teaching in Physical Education. 1-16 cr, pass/fail. Observation and teaching of adapted physical education under the guidance of cooperating teachers and university faculty. Prereq: Admission to School of Education. Con reg. P ED 200, 201, 331; admission to School of Education.
P ED 399. Special Work. 1 cr. May repeat for 6 cr max.
P ED 411. Test and Measurement. 3 cr. Probability and statistics, psychometrics, validity and reliability, sampling techniques, and construction and interpretation of educational test items. Prereq: Stat 121, 232 Phy Ed for Elementary Grades 4-6, 3 cr, (01-03)
P EX 121. Physical Education for Individuals with Disabilities. 1 cr. Methods, materials, and instructional techniques used in adapted physical education. Prereq: ADMS to Prof Educ Prog, P ED 200, 201, 331; admission to School of Education.

Courses in Physical Education for the Exceptional Individual (PEX)

PEX 397/597. Workshop in Physical Education for Exceptional Individuals. 1-6 cr. Participation in special experiences related to PEX minor. Subtitle will designate area.

PEX 398. Student Teaching in Adapted Physical Education. 4-16 cr, pass/fail. Observation and teaching of adapted physical education under the guidance of cooperating teachers and university faculty. Prereq: Admission to School of Education. Con reg. P ED 200, 201, 331; admission to School of Education.

PEX 399. Special Work. 1-16 cr, pass/fail. Observation and teaching of adapted physical education under the guidance of cooperating teachers and university faculty. Prereq: Admission to School of Education. Con reg. P ED 200, 201, 331; admission to School of Education.

PEX 415. Research and Prescription in Adapted Physical Education. 2 cr. Assessment and evaluation tools and techniques used in adapted physical education. Appropriate prescription techniques, ecological inventories, and placement recommendations based on least restrictive environment. Apply evaluation within IEP process. Prereq: 400, 401, or cons reg.

PEX 445. Seminar in Adapted Physical Education. 3 cr. Study problems that relate to procedures, practices, organization, and administration in adapted physical education. Correct problems through IEP maintenance, curricular planning, activity selection, instructional techniques. Prereq: 400, 401, 415.

PEX 460. Advanced Practicum in Adapted Physical Education. 1 cr. Level II practicum experience working with students with disabilities in educational/community-based setting with continued practice with evaluation, instruction, reflection. Prereq: 400, 401, 415.

PEX 498. Intern Teaching. Variable cr; pass/fail. Structured field experiences in approved school programs. Interns are certified by the DPI and employed under contract with schools to design, deliver, and assess instructional programs in grades n-k-12. Prereq: Complete all methods courses and 75% of content courses in approp major. Con reg in appropr section of Educ 400 may be required.

PEX 715. Advanced Assessment and Prescription in Adapted Physical Education. 2 cr. Assessment and evaluation tools and techniques used in adapted physical education. Appropriate prescription techniques, ecological inventories, and placement recommendations based on least restrictive environment. Apply evaluation within IEP process. Prereq: Certif to teach phy ed.

PEX 740. Advanced Seminar in Adapted Physical Education. 3 cr. Study problems that relate to procedures, practices, organization, and administration in adapted physical education. Correct problems through IEP maintenance, curricular planning, activity selection, instructional techniques. Apply solutions to barriers in on-campus lab settings. Prereq: Certif to teach phy ed.

PEX 760. Advanced Practicum and Community Connections in Adapted Physical Education. 1 cr. Level II practicum experience working with students with disabilities in an educational/community-based setting with continued practice with evaluation, instruction, reflection. Prereq: PEX 400, 401, or equiv undergrad course.
**Courses in Wellness**

WLNS 100 to 299. Wellness. 1 cr. each. Developmental, individual, recreational, and educational activities that lead to health maintenance, cardiovascular efficiency, fitness and self-care skills. See listing below. Courses meet general degree requirements: AA (aerobic activity) or HE (health enhancement).

**Notes:**

1. In order to earn a bachelor's degree, you must take 3 credits of wellness (GDP/WLNS), 1 or 2 credits in aerobics/activities (AA) courses and 1 or 2 credits in health enhancement (HE) courses.
   a. Most of the wellness courses apply to the aerobics/activities category.
   b. Health enhancement courses include: WLNS 123, 124, 141-151, 205-210, 299; HLED 140, 260; Food and Nutrition 151; HP/W102, 103, 106, 107, 110, 142, 143, 148, 149, 206, 207, 299; Psychology 255 and 290. You may not repeat courses for this requirement.
2. You may apply only ONE credit of athletics or intramurals toward the 3 credit graduation requirement.
3. A specially designed physical education program is available if you have a disability or chronic medical problem. Please contact HESA office for more information.
4. ATTENTION ATHLETES: WIAC eligibility rules require a 12-hour study load in each semester.
5. TRANSFER STUDENTS: If you transfer to UWSP, you must fulfill the 3 credit UWSP wellness general degree requirement.
6. You may take more than 3 credits of wellness courses. Credit in these courses will satisfy general elective options, and will count toward graduation.

**Health Promotion and Human Development (College of Professional Studies)**

Ann Wetter, Head of the School of Health Promotion and Human Development

Dietetics Major

Definition: Dietetics is the study of nutrition as it relates to health. When you complete an approved program in dietetics, you meet the minimum academic requirements for American Dietetic Association membership and for application to a dietetic internship program. When you complete an accredited dietetic internship and graduate, you are eligible to write the registration examination to become a registered dietitian.

Accreditation: The dietetics program at UWSP is granted accreditation by the Commission on Accreditation for Dietetics Education of the American Dietetic Association, 120 South Riverside Plaza, Chicago IL 60606, 312-899-5400. This professional organization for dietetics practitioners is the advocate of the dietetics profession, serving the public through the promotion of optimal nutrition, health and well being.

Dietetics Major, academic requirements:
1. Required courses, 49 credits: HD 265; HP/W 312; FN 101, 106, 151, 246, 248, 253, 347, 357, 373, 393, 400, 448, 454, 455, 456, 457.
2. Required collateral courses, 48 credits: Biology 101 or 120; Chemistry 105 and 106 (or 115 and 116), 220, 260; Economics 110; Math 100 (unless exempt) and 355, Psychology 110; Sociology 101 or Anthropology 101.

Dietetics major, academic standards:
1. You must maintain a 2.75 cumulative GPA through graduation. Transfer students must have a 2.75 cumulative GPA to enter.
2. You must earn a C- or better in Chemistry 260 to continue in the dietetics major.

Nutrition Minor

Academic Standards

You must have a cumulative 2.75 GPA for admission into the nutrition minor and maintain a 2.75 within the minor.

Consists of 19 credits.
1. Required: FN 106, 151, 253, 357, 373, 393 or FCS 390 or HP/W 300.
2. Electives, 3 credits from HD 265; HP/W 304; Psychology 480.

Family and Consumer Sciences Major

Notes for teacher certification option:
1. See information about the Professional Education Program and Secondary Education curriculum for teacher certification in the Education section of this catalog.
2. To graduate with a major in family and consumer sciences (teacher education option) you must meet the requirements for eligibility to student teach before you register for student teaching. You must achieve a 2.75 overall GPA and earn a grade of “pass” in all areas of student teaching in order to graduate.
3. Enrollment caps are in effect. Before you can apply for teacher certification you must complete 6 credits of required human development and food and nutrition courses, one family and consumer sciences course, and have a 2.75 grade point average in the major including transfer courses. If there are more applicants than openings, decisions to accept will be made on grade point ranking in the family and consumer sciences major. A personal interview may be conducted if necessary to make a final decision.

Teacher education option, academic requirements:
2. Courses required for teacher certification, 49-50 credits: FCS 290, 391, 392, 394, 396, 398, 400; Education 200, 205, 300, 351, 351, 381, 386; Political Science 101; History 176 (or 285, 288, or 292, if BS), and History 177; Humanities from Area 1 and Area 2.
3. Required collateral courses, 9 credits: Economics 110; Psychology 110; Sociology 101.
4. After you have completed 40 credits, apply for admission to the Professional Education Program. Also see the Education section of this catalog for additional requirements.

Notes for family life education option:
1. Academic standards: To graduate with a major in family and consumer sciences (family life education option) you must achieve a 2.75 overall GPA.
2. Premajor: When you declare the family life education option, you become a premajor. The HPHD advising center will be your adviser.
3. Major:
   a. Before you can be accepted into the family life education option, you must complete 6 credits of required human development courses and have a 2.50 overall GPA.
   b. If you are a transfer student, you must have a 2.50 GPA from your prior institution and have completed 6 credits of required human development courses.

Family life education option, academic requirements:
1. Required courses, 37 credits: HD 166, 265, 366, 367, 372, 386, 397, 466; FCS 290, 390, 400(1 cr); Comm 280 or FCS 444; HLED 140 or HD 330.
2. Collateral courses, 6 cr: Psych 110; Sociology 101.
3. Required minor: Choose one from adventure education, health education, nutrition, sociology, Native American and rural social work, social science, social science in health, foreign language, computer information systems, women's and gender studies, youth programming and camp management, peace studies, web and digital media development, business administration, gerontology, military science, psychology.

Health Promotion Major (HP)

Definition: The health promotion/wellness program trains professionals to facilitate behavior change, promote healthy lifestyles, and deliver quality programming.

Enrollment requirements:
1. If you wish to major in health promotion you must complete the following courses during the first four semesters you are on campus:
d. You have permission of the instructor.

3. The concentration consists of 18 credits selected from:
   - HP/W 101, 102, 143, 148, 201, 300, 304, 305, 320,
   - 399, 410, 420; FN 253; Psychology 385 or HP/W 290.

Strength and Conditioning Minor

This minor is offered through the School of Health Promotion and Human Development in collaboration with the School of Health, Exercise Science and Athletics. It consists of 24 credits: Coaching 372; FN 450; HP/W 312, 430 (Exercise and Nutrition Practicum); P ED 271 or Biology 387; P ED 310, 410; and P Ed or HP/W 430 (Strength and Conditioning Practicum). To declare the minor you must have a 2.75 cumulative GPA. You must also maintain certification in First Aid/CPR to acquire instructor permission for course enrollment in HP/W 430 or P ED 430.

Academic Standards in HPHD

1. You may declare a major in dietetics, family and consumer sciences, or health promotion at any time.
2. You must maintain a 2.75 cumulative GPA through graduation for dietetics, family and consumer sciences-teacher education option, and health promotion majors.
   - Transfer students must have a 2.75 cumulative GPA to enter. In the dietetics major you must have a C- or better in Chemistry 260 to continue in the major.
3. See the More Academic Information section of this catalog for the policy on repeating courses.

Test-Out Policy

The School of Health Promotion and Human Development will offer test-out for all its general degree requirement (GDR) courses: HD 166, 261, 265, 367, 381; FN 151, 357; HP/W 102, 103, 106, 107, 110, 142, 143, 148, 149, 206, 207, 208, 248, 299. The comprehensive written examinations will be based on materials normally covered in the course. Grading will be pass/fail with the minimum passing grade equivalent to the most recent class average grade.
   - If you wish to take a test-out exam, first confer with the HPHD unit head. Then confer with the faculty member who most recently taught the course who will inform you in writing of the required minimum passing score prior to administering the exam and provide the results to you in writing within two weeks of taking the exam. You may take a test-out exam only once.

Master of Science Degrees

The two Master of Science degrees, Human and Community Resources and Nutritional Sciences are described in the Graduate section of this catalog.

Courses in Family & Consumer Sciences

FCS 290. Exploration of Family and Consumer Sciences. 3 cr.
   - Designed for Family and Consumer Science majors. Explore Family and Consumer Science professions in public schools and community agencies. Complete observations with FCS professionals working in the field as well as prepare and teach a mini lesson. Also includes an introduction to professional development, research skills and ethics in FCS.
FCS 381/581. Course Construction for Vocational Education. 2 cr.
   - Develop curriculum for post-secondary school programs; develop a course of study, instructional package, and/or unit of instruction.
FCS 382/582. Techniques for Teaching Vocational Education. 2 cr.
   - Techniques and materials for instructional planning and teaching post-secondary educational courses.
FCS 383/583. Evaluation in Vocational Education. 2 cr.
   - Techniques for evaluating post-secondary education programs; interpret evaluation data. Prereq: Cons instr.
FCS 385/585. Introduction to Vocational Guidance. 2 cr.
   - Occupational opportunities and statutory requirements in vocational and technical education programs.
FCS 390/590. Adult Education. 2 or 3 cr.
   - Philosophy, history, techniques, and experiences in teaching adults.

Therapeutic Lifestyle Changes (TLC) Coaching Certificate

The Therapeutic Lifestyle Changes (TLC) Coaching Certificate is recognition of the special set of competencies needed to help clients make and maintain healthy changes. You will have acquired a body of knowledge in exercise and nutrition, and will have acquired and demonstrated specific skills in behavior change coaching. This certificate is valued by employers in the fields of Health Promotion and in medicine, in the specialty of health risk reduction. For more information on the specific requirements, make an appointment with the HPHD advising office.

Health Promotion/Wellness Concentration for Nonmajors

1. For students pursuing a major outside of HP/W, but who already have work experience in a related health area. You must submit a written plan of study and obtain special permission for enrollment from your major department and the HP/W coordinator. Credits for work experience may be granted with approval of the UMSP experiential learning program coordinator and the HP/W faculty. To be accepted into the concentration you must have a 2.75 overall GPA.
2. Nonmajors may take HP/W major courses if:
   a. Your overall GPA is equal to that required of majors (see above).
   b. Courses are related to your field of study (e.g. nutrition, or preprofessional preparation).
   c. Seats are available in the class only after majors have registered, and
Courses in Food and Nutrition

FN 101. Introduction to the Professions of Dietetics and Nutrition. 1 cr; pass/fail. Introduction to fields of nutrition, dietetics, and food service administration. Educational requirements and role of the dietitian in varied settings. Prereq: Z 90.

FN 103. Healthy Weight Management. 2 cr. Look at weight management from a nondiet, nongimmick, and lifestyle improvement approach, including Prochaska’s stages of change, paradigm shifts, cultural bias, nutrition, fitness, and body image. May not earn credit in both FN 103 and HP/W 103.

FN 106. Introductory Foods. 3 cr. Introduction to basic physical and chemical properties of foods; interaction and reaction of food in food preparation procedures; evaluate prepared products. 2 hrs lec, 3 hrs lab per wk.

FN 151. Contemporary Nutrition. 2 cr. Apply nutrition principles to contemporary problems in foods and health. GDR: WJ/HE

FN 246. Advanced Foods. 3 cr. Investigate interplay between food composition, chemical and physical interactions in food preparation. Develop techniques for quantity food production with consideration of sustainable practices. Introduce menu planning variables and demonstrate menu planning for various populations. Prereq: 106 and Chemistry 106.

FN 248. Health Management. 2 cr. Contemporary management theories, principles, and practices as applied in various health professions (hospitals, corporate wellness, community outreach agencies, etc.). 2 hrs lec per wk.

FN 253. Introduction to Nutrition and Nutrient Metabolism. 3 cr. Basics for and use of nutrient recommendations and dietary guidelines; digestion, metabolism, use and interrelationships of foods and nutrients. Prereq: So st.

FN 347. Introduction to Food Service. 4 cr. Basic principles of food service management as applied to commercial and noncommercial food service organizations; impact of current social, economic, technological and political factors on food service operations. Foodservice facility design. Prereq: 246 or con reg.

FN 357. Ecology of Foods. 3 cr. Introduction to ecology of food and food systems; sociocultural, technological and economic influence on food choices and their environmental consequences. Overview of alterations in human diet caused by global environmental changes including climate, toxic pollution, degradation of terrestrial and marine environments, loss of species and biodiversity. Role of rapidly growing human populations, their food choices and patterns of resource use. Policies for regulation, strategies for prevention, control of problems. GDR: EL

FN 395. Field Experience. 3 or 4 cr. Supervised program at a cooperating business site. 1 hr seminar per wk for 1 cr, plus a minimum of 40 hrs arranged in the business site for each additional cr. May repeat for 9 cr max. Prereq: Cons instr.

FN 397. Field Work. 1-8 cr. Supervised training work program in a cooperating off-campus establishment; work experience and supervision followed by an evaluation of individual progress.

FN 399. Special Work. Upperclass dietetics majors may arrange for independent study with cons assoc dean. Credit based on scope of project.

FN 400. Professional Issues in Dietetics. 2 cr. Didactic Program in Dietetics (DPD) prepares students for dietetic internship to apply principles and theories to nutrition care of individuals and groups and develop skills for life-long professional learning. Prereq: Sr st.

FN 448/648. Food Service Management. 2 cr. Application of basic management of systems required of food service directors or managers of commercial and onsite foodservices. Applied concepts in quantity food productions, human resource and material management, financial resource controls and sustainability considerations. 2 hrs lec. Prereq: 347.

FN 449. Practicum in Food Service Management. 2 cr. Demonstrate skills in quantity food production, food safety, sanitation (HACCP), recipe standardization, nutritional analysis, financial controls, inventory management, time and temperature relationships, food delivery, and promotions from a management perspective. 6 hrs per wk. Permission required. May be repeated. Prereq: 347.

FN 450/650. Sports Nutrition for Fitness and Athletic Performance. 3 cr. Apply fundamental nutrition and exercise physiology concepts to understand how diet and exercise intersect with health and performance. For the athlete to maximize performance and for the general consumer interested in overall fitness, health and wellbeing. Prereq: FN 253 and HP/W 312.

FN 452. Food Service Sanitation. 1 cr. Sanitation and safety in food preparation, service, storage, and handling. Prevention of microbial
problems involving personnel, equipment, and total food service operation.

FN 454/654. Nutritional Assessment and Counseling. 3 cr. Study nutrition assessment parameters used to develop a nutrition care plan. Current counseling theories and counseling techniques for use with various nutrition-related diagnoses. 2 hrs lec, 2 hrs lab per wk. Prereq: 457/657 or con reg.

FN 455/655. Medical Nutrition Therapy, 4 cr. Alterations in nutritional requirements and metabolism that accompany disease states; application of nutritional therapies to treat disease states. 3 hrs lec, 2 hrs lab per wk. Prereq: 457.

FN 456/656. Advanced Community Nutrition. 4 cr. Apply nutrition concepts in public health setting; disease prevention and health promotion; analyze related programs and legislation with nutrition components; program planning strategies. Prereq: 373, 357 recommended.

FN 490/690. Workshop. 1-4 cr. Subtitle will designate area.

FN 700. Collaborative Leadership in Community Development. 3 cr. Examine the meaning of community, importance of community organizations in making positive changes and explore collaborative leadership competencies. May not earn credit in both FN 700 and HCR 700.

FN 720. Outcome Based Program Evaluation. 3 cr. Designed to enhance the community health practitioners awareness of the importance of using outcome measures to guide the development and assess the effectiveness of interventions and programs. May not earn credit in both FN 720 and HCR 720. Prereq: FN 700.

FN 730. Best Practices in Program Development. 3 cr. Overview of research and issues concerning the application and use of research-based information in the development of programming for children, youth, individuals, and families. May not earn credit in both FN 730 and HCR 730. Prereq: FN 700, or cons. instr.

FN 749. Seminar in Food and Nutrition. 3 cr. Critical review and analysis of current research literature; formal student presentations; group discussions.

FN 751. Recent Advances in Community Nutrition. 3 cr. Developments in public health nutrition, current epidemiologic studies, assessment techniques in populations, and changes in health care treatment methods. Lectures, reports, discussions.

FN 752. Recent Advances in Clinical Nutrition. 3 cr. Analyze and review recent advances in clinical application of nutrition in disease prevention, treatment and management. Current primary research literature, including interaction between diet and genetics and role of complementary and alternative medical therapies. Student literature research project and presentation. Prereq: 457/657 or cons. instr.

FN 753. Recent Advances in Nutrition. 3 cr. Lectures, reports, and demonstrations.

FN 757. Contemporary Issues. 1-4 cr. Course topics vary. May include sports nutrition, eating disorders, community nutrition in developing countries, supplements, women’s health issues, etc. Subtitle will designate topic.

FN 758. Older Adult Nutrition. 3 cr. Nutritional problems of older individuals including underlying age-related changes in physiology, nutrient absorption and use, socioeconomic and cultural changes. Apply knowledge to nutritional programs for the elderly in various community settings. Prereq: 457/657.

FN 770. Sustainable Food Systems. 3 cr. Examination of food systems from production through consumption with consideration of sustainability practices. Local to global food systems will be considered. Current issues of social, economic, agricultural and ecological values within the food system will be discussed.

FN 796. Independent Study. 1-3 cr. Planned study to supplement preparation in area of specialization.

FN 798. Project. 1-6 cr. Independent study and work to create, implement, and evaluate a graduate project in area of specialization, including developing objectives, literature review, target population needs assessment, capacity building among stakeholders, data collection and analysis. If you are completing a project option for your degree, enroll in at least one credit of 798 each semester you’re working on your project. Credits vary. May repeat for 6 cr. max.

FN 799. Thesis. 1-6 cr. Independent study and work to develop and complete a graduate research thesis in area of specialization, including hypothesis development, research design, data collection, analysis, and interpretation. If you are completing a research option for your degree, enroll in at least one credit of 799 each semester you’re working on your thesis. Credits vary. May repeat for 6 cr. max.

Food and Nutrition Latent Courses: Not offered currently. See full course description in indicated (xx-xx) catalog.

351 Elementary Nutrition, 3 cr, (07-09)

353 Nutrition: Assessment and Program Coordination, 3 cr, (07-09)

445/645 Food Preservation, 1 cr, (91-93)

748 Recent Advances in Food, 3 cr, (03-05)

754 Vitamins and Minerals, 3 cr, (03-05)

755 Maternal and Child Nutrition, 3 cr, (01-03)

781 Grad Practicum, Community Nutrition, 4-6 cr, (03-05)

782 Grad Practicum, Community Nutrition, 4-6 cr, (03-05)

783 Grad Practicum, Food Serv Admin, 4-6 cr, (03-05)

Courses in Health Promotion/Wellness

HP/W 101. Careers in Health Promotion/Health Protection. 1 cr, pass/fail. Introduction to seven dimensions of wellness, career opportunities in wellness and occupational health and safety; skills and competencies required, content areas, areas of specialization, introduction to professional organizations and journals.

HP/W 102. The Healthy American. 3 cr. Overview of prescription, and implementation of personal exercise programs; lifestyle assessments, diet techniques, stress management, fitness theory. 8 wks lec (2 hrs/wk), 8 wks independent activity study. GDR: WL/HE

HP/W 103. Healthy Weight Management. 2 cr. Look at weight management from a nondiet, nongimmick, and lifestyle improvement approach, including Prochaska’s stages of change, paradigm shifts, cultural bias, nutrition, fitness, and body image. May not earn credit in both FN 103 and HP/W 103. GDR: WL/HE

HP/W 107. Special Topics in Seven Dimensions of Wellness. 2 cr. Use the social, physical, emotional, career, intellectual, environmental, spiritual (SPECIES) model to provide overview of wellness dimensions and specific academic and experiential in-depth coverage of one or two dimensions. Subtitle will designate focus. May repeat for credit with different subtitles. GDR: WL/HE

HP/W 148. Creating Great Relationships. 2 cr. Concepts of fairness, mutuality, shared responsibility, respect, interpersonal skills, identifying and transforming conflict, recognizing, correcting, or avoiding abusive behaviors; creating reciprocal support. GDR: WL/HE

HP/W 201. Personal Wellness for PreProfessionals. 2 cr. Assess your personal wellness in each dimension; explore roles contributing to personal excellence; complete a behavior change project.

HP/W 202. Personal Wellness and Group Exercise Leadership. 3 cr. Assess and plan to improve your personal wellness in all seven dimensions of wellness. Also introduction to group exercise leadership skills and experiences. Prereq: 101.

HP/W 206. High Level Wellness. 3 cr. Factors and strategies to develop one’s potential. Assess current behaviors, set goals, plan strategies. Learn techniques of organization, intellectual and emotional well-being, motivation, time management, and effective practice techniques. Observe behaviors and self-talk, write reflectively. Select role models and research their techniques for reaching excellent performance levels. GDR: WL/HE

HP/W 207. Social and Emotional Wellbeing. 3 cr. Overview of wellness using the SPECIES model, emphasizing social and emotional wellness. Creating and maintaining healthy relationships, accepting worth; creating, recognizing, and expressing feelings; taking responsibility for behavioral choices. GDR: WL/HE

HP/W 208. Health Risk Reduction. 3 cr. Identify health risks; develop and implement change plans. Includes record keeping and writing. Designed for students with health risks such as elevated body mass index, sedentary behavior, excess alcohol and/or tobacco use. Prereq: Cons instr. GDR: WL/HE

HP/W 248. Creating Healthy Relationships. 3 cr. Create and maintain loving, healthy, successful relationships. Examine current values, attitudes, and behaviors. Learn to make deliberate choices, acquire conflict-resolution skills, enhance trust and intimacy, identify and avoid abusive behaviors. GDR: WL/HE

HP/W 290. Psychology of Health. 3 cr. Role of psychology in disease, injury, premature death, and high level wellness, both to individual and society. Includes interrelatedness of wellness.
dimensions, healthy and destructive behaviors, managing chronic diseases, psychosocial aspects of final illness and death, and delivery of health services. Prereq: HPHD major intent.

HP/W 299. Independent Study/ Special Health Behavior Change Topics. 1-2 cr. Independent, self-improvement study covering one or more major health and economic concerns of Wisconsin such as communicable disease, chronic disease prevention and control, injury prevention, environmental health, reproductive/perinatal health, infant and child care, adolescent health, adult obesity, alcohol and drug abuse. Prereq: Cons instr; completed contract form. GDR: VL/HE

HP/W 300. Health Promotion Programming: Design, Techniques, and Resources. 3 cr. Develop skills to design and write complete health promotion programs including needs and assessment, goals and objectives, appropriate use of incentives, program evaluation and selection of resources. Gain discipline specific writing and presentation skills through the design and delivery of original programs to selected audience. 

HP/W 304. Behavior Change Facilitation. 3 cr. Beginning skills in health counseling: interpret data, set goals, attend, encourage, challenge, and plan strategies for health promotion/protection. Prereq: Accepted HPWM major or cons instr.

HP/W 305. Epidemiological Factors in Health Promotion/Protection. 3 cr. Understanding strategy documents developed for prevention and control of national health objectives; pathophysiology, morbidity, and mortality of the 10 leading work-related health problems; use epidemiological principles to analyze risk and recommend appropriate prevention and control intervention strategies. Prereq: Biology 285, accepted HPWM major, cons instr.

HP/W 312. Exercise Physiology. 3 cr. Effects of exercises on speed, strength, skill and endurance; nature of muscular behavior, fatigue; effects of exercise with respect to nutrition, age, sex, and occupation. Prereq: Physical Education 271 or Biology 387, Biology 285, cons instr.

HP/W 320. Developing Stress Management Programs. 3 cr. Scientific foundations of stress, stress management techniques including lifestyle, personality, time management, relaxation, and other holistic approaches to reduction of stress and personal stress management. Assessment, prescription, program development. Prereq: Accepted HPWM major or cons instr.

HP/W 340. Reading, Writing, Computing and Presenting in Health Promotion. 3 cr. Review basic HP/W literature, read and evaluate research, search and evaluate Internet materials, and write reviews. Develop computer competencies essential to success in health promotion, demonstrate business writing skills, give presentations, and plan and implement training experiences geared to career goals. Prereq: 1-2 cr. independent self-improvement study management.

HP/W 360. Practicum in Health Promotion/Wellness. 1-6 cr pass/ fail. Practical experience as a preprofessional in health promotion/protection, with emphasis on behavior change facilitation and health promotion/protection. Topics change each semester. Prereq: Accepted HPWM major, 300, 304, cons instr.

HP/W 399. Special Work. 1-3 cr. Upperclass HP/W majors and graduate students may arrange for independent study after defining learning objectives of project with faculty sponsor approval. Credit based on scope of project. Prereq: Cons instr and HP director.

HP/W 403. Preprofessional Transition. 3 cr. Wellness retreat emphasizing emotional, social and career dimensions of wellness. Includes facilitation group skills, and self assessments to look at personal wellness progress since joining the major. Preparation for internship and entering the job market. Prereq: Must enroll semester before internship.

HP/W 406/606. Co-active Coaching for Therapeutic Lifestyle Change. 3 cr. Develop theory, skills, and techniques related to guiding groups and individuals through meaningful lifestyle changes by emphasizing motivational strategies and behavioral and holistic practices. Motivational interviewing techniques and diverse coaching methodologies will be taught, practiced, and compared and contrasted. Prereq: 304 of 640 or cons instr.

HP/W 410/610. Promoting and Marketing Wellness. 3 cr. Assess market opportunities in wellness services, programs, and facilities. Develop marketing strategies to increase the customer base, provide incentives for behavioral change and enhance revenues for wellness programs, services and facilities. Prereq: Accepted HPWM major, 300, 304, 305, 312, or cons instr.

HP/W 420. Health Promotion/ Protection Management. 3 cr. Develop health promotion/ protection programs for community and worksite settings. Assessment, economic evaluation, management strategies, organizational culture, gender, race and issues that affect participation in health promotion and health protection programs. Prereq: Accepted HPWM major, 300, 304, 305, 312, or cons instr.

HP/W 430. Advanced Practicum in Health Promotion/Protection. 1-3 cr. Practical experience as a preprofessional in health promotion/protection. Topics change each semester. Topics change each semester. Prereq: Cons instr.

HP/W 440/640. Health Behavior Change. 2-3 cr. Explore the need for behavior change; correlation of behavior change with reduced illness risk and reduced health care costs. Trans-theoretical model of behavior change and associated research.

HP/W 441/641. Practicum in Health and Wellness Coaching. 3 cr. Prepare professionally to assist individuals with health behavior change. Build upon the knowledge and skills gained in previous courses. Provide a faculty recommendation and participate in a pre-acceptance interview with the instructor. Intensive preparation will be provided at the beginning of the course in professional standards, ethics, assessment of clinical issues, interviewing skills, and referral strategies. Receive both on-site supervision with a field supervisor and instructor supervisor during weekly class meetings in a practicum site with a range of venues. Prereq: HPW 304 & 406 or HPW 640 & 606, FN 151, HPW312 or test out.

HP/W 450. Internship in Health Promotion/Wellness. 12 cr. pass/fail. Full semester participation in a community or worksite health promotion/ protection setting. Prereq: completion of ALL coursework; 2.75 Cum GPA; certification in First Aid and CPR.

HP/W 465/665. Grief and Loss. 3 cr. Explore issues and concerns about grief and loss. Review scientific knowledge about bereavement and guidance on how to help yourself and others through this process.

HP/W 470/670. Healthy Aging. 2-3 cr. Explore aging from a personal position in each of seven dimensions of wellness (social, physical, emotional, career, intellectual, environmental, spiritual). Planning for illness and death. Beliefs, myths, and attitudes about aging. Assess personal behaviors and choices and their impact on aging well. Plan and begin a healthy change.

HP/W 490/690. Contemporary Issues in Health Promotion. 1-3 cr. Topics: change facilitation, health promotion for clients aged 50 and above, health promotion program design for the worksite, integrative medicine, cost benefit justification of health promotion, transforming conflict. May repeat under different topic for 6 cr max.

HP/W 715. Advanced Physiology for Health Care Professionals. 3 cr. Examine exercise physiology parameters as they relate to health care for all ages.

HP/W 720. Economic Evaluation in Health Promotion. 3 cr. Literature review regarding assessment of client needs, program design and development, economic and programmatic evaluation. Theory and practice of total quality management and data analysis techniques of continuous quality improvement.

HP/W 770. Grants and Fundraising for Organizations and Small Projects. 3 cr. Basic grant writing, understanding of agency and foundation granting, use of campus, agency and foundation grant funding sources and resources.

Health Promotion/Wellness Latent Courses:

HCR 700. Collaborative Leadership in Community Development. 3 cr. Examine the meaning of community, importance of community organizations in making positive changes and explore collaborative leadership competencies.

HCR 710. Organization and Program Management. 6 cr. Examine theoretical and practical aspects of leading and managing organizations and programs. Theories of leadership and organizational behavior, and organizational change on macro (organizational) and micro (program) levels will also be covered. Management topics include communication, marketing, supervision, accounting and finance, strategic planning and ethics. In-depth investigation of various human and community programs and resources. Prereq: HCR 700 or Concurrent Enrollment; concurrent placement in leadership fieldwork experience required.

Courses in Human and Community Resources:

HCR 700. Collaborative Leadership in Community Development. 3 cr. Examine the meaning of community, importance of community organizations in making positive changes and explore collaborative leadership competencies.
Courses in Human Development
HD 156. The Family: Continuing Concerns. 3 cr. Examine research and theory that relate to complex concerns families face over time. GDR: SS2

HD 261. Child Growth and Development. 3 cr. Concepts and current research findings applied to the study of growth and development of normal children, from conception through adolescence within the context of the family. Prereq: Psychology 110. GDR: SS2

HD 265. Human Growth and Development: A Life-Span Approach. 3 cr. Concepts, principles, and current research findings applied to the study of growth and development from conception through death in the context of family. Includes physical/health-related issues. Prereq: Psychology 110 or cons. instr. GDR: SS2

HD 330/530. Human Sexuality. 3 cr. Sexual development across the lifespan; an in-depth look at the diversity of human sexuality in contemporary America.

HD 360/560. Infant and Toddler Development. 3 cr. Human development through 2 1/2 years; implications for parents and early childhood education programs; observations.

HD 363/563. Development of the Preschool Child. 1-3 cr. Overview of current research and theory relating to development of children ages 3 to 6, and programming implications.

HD 366/566. Families in Cross Cultural Contexts. 3 cr. Survey of family life across a variety of cultural contexts. In depth application to programming and outreach with families from unique populations.

HD 367/567. Family Structure and Interaction. 1-3 cr. Family functions; variations in family organization and relationships; apply principles to family decision making during different stages of the life cycle. Prereq: Sociology 101 or Psychology 110, or cons. instr. GDR: SS2

HD 372/572. Consumer Economics. 3 cr. Consumer, business, and government interactions in the economic environment; consumer choice and decision making relevant to resource allocation and purchases in the market. May not earn credit in both HD 372 and Economics 272.

HD 381. Families and the Environment. 3 cr. Study the family and the environment considering the reciprocal relationships between the two systems. GDR: EL

Courses in Safety and Health Protection
SHP 330. Environmental Wellness. 3 cr. Insights into individual, organizational and societal activities that affect the health of the natural environment. How society, organizations and individuals impact the health of their natural environment. How to minimize identified threats to the health of that environment. Promote intellectual consumerism and citizen advocacy. GDR: EL

Safety and Health Protection Latent Courses: Not offered recently. See full course description in indicated (xx-xx) catalog.

HD 387. Health Protection. 3 cr. Overview of research and issues concerning the application and use of research-based information in the development of programming for children, youth, individuals, and families.

HD 390/690. Workshop. 1-6 cr. Research project dealing with a specific problem in an academic area, employment or community setting, culminating in a defense and paper. If you are completing a project option for your degree, enroll in at least one credit of 798 each semester you’re working on your project. Credits vary. May repeat for 6 cr. max.

HD 760. Human Sexuality. 3 cr. Examine research and theory related to the guidance of children from preschool age through adolescence. Apply to home and school environments.

HCR 720. Outcome Based Program Evaluation. 3 cr. Designed to enhance the community health practitioners awareness of the importance of using outcome measures to guide the development and assess the effectiveness of interventions and programs. Prereq: HCR 700.

HCR 730. Best Practices in Program Development. 3 cr. Overview of research and issues concerning the application and use of research-based information in the development of programming for children, youth, individuals, and families.

HCR 740. Grants and Funding for Small Projects. 3 cr. Basic grant writing, understanding of agency and foundation granting use of campus, agency and foundation grant funding sources and resources. Prereq: HCR 700, 720, 730, or cons. instr. HCR 720 and/or 730 may be taken concurrently with 740.

HCR 750. Field Work. 1-8 cr. Professional experience in an organization, agency, and/or institution related to your career goals.

HCR 751. Independent Study. 1-3 cr. Planned study to supplement preparation in area of specialization.

HCR 755. Special Topics. 1-3 cr. Subtitle will designate human development topic. May repeat for credit with different subtopics. Prereq: Cons. instr.

HCR 798. Graduate Project. 1-6 cr. Practical project dealing with a specific problem in an academic area, employment or community setting, culminating in a defense and paper. If you are completing a project option for your degree, enroll in at least one credit of 798 each semester you’re working on your project. Credits vary. May repeat for 6 cr. max.

HCR 799. Thesis. 1-6 cr. Research project dealing with a specific problem in an academic area and culminating in a thesis. If you are completing a research option for your degree, enroll in at least one credit of 799 each semester you’re working on your thesis. Credits vary. May repeat for 6 cr. max.

SHP 330. Environmental Wellness. 3 cr. Insights into individual, organizational and societal activities that affect the health of the natural environment. How society, organizations and individuals impact the health of their natural environment. How to minimize identified threats to the health of that environment. Promote intellectual consumerism and citizen advocacy. GDR: EL

SHP 399. Special Work. 1-6 cr. Subtitle will designate area.

SHP 466. Guidance of Children and Adolescents. 3 cr. Current research and theory related to the guidance of children from preschool age through adolescence. Apply to home and school environments.

SHP 490/690. Workshop. 1-4 cr. Subtitle will designate area.

SHP 601. Family and Community Wellness. 1-3 cr. Study factors that affect the well-being of individuals within the context of family and community. May be offered in 1 cr modules with subtopics.

SHP 762. Family Issues in Society. 3 cr. Research and theory relating to complex concerns families face over time. Focus on family functions, variations in family organization and relationships, application of principles to family dynamics during different stages of the life span. This course fulfills content requirement for the graduate level Family and Consumer Sciences Licensure Program and is offered only for those enrolled in that program.

SHP 764. Family and Parent Education. 3 cr. Examine various perspectives of family and parent education programs: course content, teaching strategies, assessment procedures, and resource materials.

SHP 765. Issues in Family Living. 2 or 3 cr. Investigate current literature to determine issues affecting nature and variability of the family.

SHP 766. Children and Families in Contemporary Society. 3 cr. Examine current and emerging views, theories, policies, and practices relating to children and families; society’s obligations and efforts to address needs.

SHP 782. Practicum. 1-8 cr. Professional experience in an organization, agency, and/or institution related to your career goals.

SHP 789. Adult Learner. 3 cr. Analyze research and theory that applies to formal/informal instruction of adults.

SHP 798. Research Methods. 3 cr. General understanding of peer reviewed research including research design and data analyses with attention to understanding, evaluating and interpreting discipline specific research. Prereq: 3 cr undergraduate statistics, or cons. instr.

History Major

NOTE for teacher certification: Enrollment caps are in effect for those seeking teacher certification in history. Contact the History Department early for entrance requirements and application procedures. Also see information about the Professional Education Program and the secondary education curriculum for teacher certification in the Education section of this catalog.

Consists of a minimum of 36 credits:

1. Six credits from 100-level history courses (101, 102, 176, 177).
2. Nine credits from 200-level history courses distributed according to the following guidelines:
   a. At least 3 credits from 200-level Global or Comparative history courses (201-215).
   b. At least 3 credits from 200-level Regional history courses (216-275).
3. History 300.
4. Fifteen credits from 300-level history courses distributed according to the following guidelines:
   a. At least 3 credits from 300-level Global or Comparative history courses (301-315).
   b. At least 3 credits from 300-level Regional history courses (316-375).
   c. At least 3 credits from 300-level U.S. history courses (376-395).
5. History 489 or 490.

History Major with Concentration in Race and Ethnicity

This concentration allows students to focus on the historical influence of socially and ideologically constructed racial and ethnic groups through interdisciplinary study. Requirements follow the same general pattern as the regular history major, but students are permitted to apply 300-level courses outside of history towards the major. NOTE for teacher certification: Enrollment caps are in effect for those seeking teacher certification in history. For certification in this concentration you must take History 177.

Consists of a minimum of 36 credits:

1. Six credits from 100-level history courses (101, 102, 176 or 177).
2. Nine credits from 200-level history courses according to the following guidelines:
   a. At least 3 credits from appropriate U.S. history courses (284, 285, 288, 289, 290, 291, 292).
3. History 300.
4. Fifteen credits from 300- and 400-level courses (at least 3 credits must be from 300-level history courses listed below) distributed according to the following guidelines (*after a course number indicates that it may be applied to the major when taught with an appropriate subtitle):
   a. At least 3 credits from Global or Comparative courses (302, 310, 313, 315*; Anthropology 320, 325; English 361, 362, 374; French 481*; German 481*; Geography 373; Political Science 386; Religious Studies 302, 240, 342; Sociology 343; Spanish 483*).
   c. At least 3 credits from U.S. courses (History 393; Anthropology 339, 371; English 382, 386; Music 305; Political Science 315, 408, 414; Religious Studies 311, 316; Sociology 316; Spanish 382; Women’s and Gender Studies 320).

5. History 489 or 490.

History Minor

Consists of a minimum of 21 credits:

1. Twelve credits from 100- and 200-level history courses distributed according to the following guidelines:
   a. At least 3 credits from Global or Comparative history courses (101, 102, 201-215).
   b. At least 3 credits from Regional history courses (216-275).
2. Nine credits from 300-level history courses.

History Minor for Teacher Certification

Consists of a minimum of 24 credits:

1. Twelve credits from 100- and 200-level history courses distributed according to the following guidelines:
   a. At least 3 credits from Global or Comparative history courses (101, 102, 201-215).
   b. At least 3 credits from Regional history courses (216-275).
2. History 300.
3. Nine credits of 300-level history courses distributed according to the following guidelines:
   a. At least 3 credits from 300-level Global or Comparative history courses (301-315).
   b. At least 3 credits from 300-level Regional history courses (316-375).
   c. At least 3 credits from 300-level U.S. history courses (376-395).
5. History 489 or 490.

History Honors Program

The History Honors Program provides history majors with the opportunity to undertake a significant research project as a capstone experience. To graduate in the History Honors Program:

1. Have a 3.5 GPA
2. Complete the requirements for history major including 6 credits of History 495 normally taken in two consecutive semesters. History minors may complete the honors program with permission of department chair.
3. In consultation with your thesis adviser and the department chair, select at least one other reader from the History Department faculty.
4. Defend a prospectus of your thesis topic before your adviser and reader(s) during the first 3 credits of History 495.
5. Defend a 40-60 page thesis before your adviser and reader(s) in the second 3 credits of History 495.

Academic Standards

1. To graduate with a major or minor in history you must have a cumulative GPA of 2.00 (2.75 to student teach) in all courses required for the major or minor, including transfer courses, regardless of any declaration of academic bankruptcy. See the More Academic Information section of this catalog for the policy on repeating courses.
2. All courses in history, except History 489 and 490, are open to all students who meet the prerequisites.
3. No more than 6 credits of History 399 may be accepted toward the major or minor in history.

**Test-Out and Credit-by-Exam Policy**

You may test-out and/or receive credit-by-exam for all general degree requirement (GDR) history courses. You may receive credit-by-exam for History 176, 177, 256 and 257 by passing the appropriate Advanced Placement Program Examination (AP) or College Level Examination Program (CLEP) Subject Examination through the UWSP Testing Service. The minimum score for an AP exam is 3 and for CLEP it is the 50th percentile.

To test-out but not receive credit for all other GDR history courses, first consult with the department chair. A comprehensive written exam based on materials normally covered in the course will be administered by the faculty member who teaches the course. The minimum required score for all such exams is a B- or its numerical equivalent. You may take an exam for credit or test-out only once.

**Courses in History**

The * indicates topical courses that may be repeated for credit with different subtitles.

HIST 101(NW). World History to 1500. 3 cr. Major patterns of human society and civilization prior to the modern era, comparing social and political institutions as well as cultural and religious traditions from Africa, Asia, Europe, Mesoamerica, and Middle East. GDR: HI

This course traces the historical relations of coastal Africa and other regions of the Indian Ocean World, particularly the Arabian Peninsula and South Asia. It considers trade relations, cultural fusion, formation of new identities, and languages, the slave trade, and the emergence of diasporic communities in the Indian Ocean World.

HIST 314/514. Islam in the Modern World. 3 cr. The role of Islam in Muslim responses to modernity and the West since 1800. Issues include the role of women, struggles against imperialism, drives to create new Islamic states, reform movements, and jihad.

HIST *315/515. Topics in Global and Comparative History. 3 cr. Subtitle will designate topic.

HIST 316/516(NW). History of China. 3 cr. From earliest times to present.

HIST 317/517(NW). History of Japan. 3 cr. From earliest times to present.

HIST 318/518(NW). Images of the Samurai. 3 cr. The role of Samurai in Japanese history as portrayed in writing and images.

HIST *323/523. Topics in East Asian History. 3 cr. Subtitle will designate topic.
HIST 332/532. Women's Issues in the Muslim World. 3 cr. The impact of Islam on women's issues in Muslim societies from the 7th century to present.

HIST 335/535. Origins of Islam. 3 cr. Development of Islamic belief and practice, including Islamic law (shariah), the Sunni/Shiite split, mysticism, and philosophy.

HIST 338/538(NW). The Arab-Israeli Conflict. 3 cr. Origins, development, and consequences.

HIST *339/539. Topics in Middle Eastern History. 3 cr. Subtitle will designate topic.

HIST 342/542. Environmental History of Africa. 3 cr. Explores the interaction between nature and humanity in Africa from the pre-colonial period to the present. Special attention given to: the influence of disease and other environmental factors on the formation of African cultures; the development of African farming and its success in adapting to a variety of micro-environmental conditions; famine as a cause of the overseas slave trade, and the introduction of American crops as a consequence of it; the environmental impact of European colonialism; the impact of wildlife and soil conservation on 20th-century African and environmental change in postcolonial Africa, particularly in the recent period of economic globalization.

HIST 343/543. History of South Africa. 3 cr. History of South Africa from the pre-colonial to the post-colonial period. Sheds light on many aspects of African history, including the origins of agriculture and domestication of animals; iron working; slavery and the slave trade; colonialism, institutionalized racism, and the excitement and frustration that came with independence. Focus on changes and continuities, economic development, labor migration, health and disease, apartheid, and resistance to colonial domination.

HIST *347/547. Topics in African History. 3 cr. Subtitle will designate topic.

HIST 348/548(NW). History of the Modern Caribbean. 3 cr. History of the island societies of the Caribbean region from pre-Colombian times to the present. GDR: HU4

HIST 351/551. History of Mexico. Mexico from pre-Conquest times to the present.

HIST *355/555. Topics in Latin American History. 3 cr. Subtitle will designate topic.

HIST 356/556. The Renaissance. 3 cr. 14th and 15th century Europe.

HIST *357/557. The Reformation. 3 cr. Subtitle will designate topic(s) in 16th and 17th century European history.

HIST 358/558. England to the 18th Century. 3 cr. Medieval and early modern eras.

HIST 359/559. Modern Britain. 3 cr. 18th century to the present.

HIST 360/560. Modern Ireland. 18th century to the present.

HIST 361/561. France: Enlightenment, Revolution, and Napoleon. 3 cr.

HIST 363/563. Modern Germany. 3 cr. 18th century to the present.

HIST 364/564. The Holocaust. 3 cr. Causes and consequences.

HIST 367/567. Habsburg History, 1526-1918. 3 cr. From creation of the imperial idea to the collapse of empire. GDR: HU4

HIST *369/569. Topics in European History. 3 cr. Subtitle will designate topic.

HIST 370/570(NW). Eastern Europe in the 20th Century. 3 cr. Democracy, nationalism, fascism, and communism in Eastern Europe after 1918. GDR: HU4

HIST 371/571(NW). History of Yugoslavia. 3 cr. 1918 to the present.

HIST 372/572(NW). Russian History and Civilization, 3 cr. 10th century to 1917. GDR: HI

HIST 373/573(NW). Soviet Union. 3 cr. 1917 to the present. GDR: HI

HIST 374/574(NW). Stalinism, 3 cr.

HIST *375/575. Topics in Russian and Balkan History, 3 cr. Subtitle will designate topic.

HIST 377/577. U.S. Foreign Relations 1750-1914. 3 cr.

HIST 378/578. U.S. Foreign Relations 1914 to Present. 3 cr.

HIST 380/580. U.S. Environmental Politics, 1900 to Present. 3 cr. The politics of natural resource management, from the conservation movement through environmentalism to the present day.

HIST 381/581. Technology in U.S. History. 3 cr. Cultural, political, economic, and environmental influence of technology in United States history from colonial times to the present.

HIST 384/584. Women's Rights and Feminism in the United States. 3 cr. From the American Revolution through contemporary feminist issues.

HIST 385/585. Women, War, and Peace. 3 cr. From colonial times through the Gulf War.

HIST 386/586. Colonial America. 3 cr.

HIST 387/587. Revolutionary America. 3 cr.

HIST 388/588. The Civil War Era. 3 cr.

HIST 392/592 (NW). Native American Forestry. 3 cr. Introduction to Native American forest management from cultural, ecological, historic and socioeconomic perspectives. May not earn credit in both Forestry 392 and History 392. GDR: EL

HIST *393/593. Wisconsin Indians. 3 cr. Subtitle will designate topic in history and culture of Indians of Wisconsin and neighboring areas.

HIST *395/595. Topics in United States History. 3 cr. Subtitle will designate topic.

HIST *396/596. Regional History through Study Abroad. 3 cr. History informed by visits to historic locations and cultural centers with appro. study and writing. Subtitle will designate topic. Offered only in UWSP overseas programs. GDR: HU4

HIST 398/598. Topics in History. 1-3 cr. Subtitle will designate topic.

HIST 399. Special Work. Upperclass history majors and minors may arrange for independent study with cons chair. Credit based on scope of project. May count 6 cr max for major/minor.

HIST 480. Museum Internship. 1-12 cr. Supervised work at a regional, national, or international historical museum. One credit for 60 hrs work. Credits and/or additional requirements set by instructor before registration. May apply 3 cr max to history major/minor. Prereq: Jr or sr st, and 2.75 GPA in major/minor and cons chair.

HIST 489. Selected Historical Problems: Colloquium. 3 cr. Subtitle will designate topic(s) for a reading-intensive, discussion-based class on historiography and methodology. Prereq: 290, sr st and history major/min, or sr st and cons chair.

HIST 490. Selected Historical Problems: Seminar. 3 cr. Subtitle will designate topic(s). Attention given to historiography and methodology. Prereq: 290, sr st and history major or minor, or sr st and cons chair.

HIST 495. Seminar. 1-6 cr. Individual research project acceptable to student and faculty director. Accomplished over two semesters. Six credits required to graduate from history honors program. Prereq: Acceptance into history honors program.

HIST 700. Historical Method. 3 cr. Securing and evaluating historical evidence; construction of historical papers based upon various kinds of source materials.

HIST *701. Seminar in Global and Comparative History. 3 cr. Subtitle will designate topic.

HIST *716. Seminar in Non-Western Regional History. 3 cr. Subtitle will designate topic(s).

HIST *756. Seminar in European History. 3 cr. Subtitle will designate topic(s).

HIST *776. Seminar in United States History. 3 cr. Subtitle will designate topic(s).

HIST *790. Historical Issues Workshop. 1-6 cr. Reading, discussion, analysis workshop for elementary or secondary school teachers. Subtitle will designate theme(s).

HIST *791. Readings and Problems in History. 3 cr. Reading seminar focused on a specific historical period and/or topic. Subtitle will designate focus.

HIST 796. Independent Study. 3 cr. Planned study to supplement preparation in area of specialization; regular conferences with staff supervisor.

HIST 799. Thesis. 1-6 cr.

History Latent Courses: Not offered recently. See full course description in indicated (xxx) catalog.

275 Topics in Russian and Balkan History. 3 cr. (09-11)

Courses in History Education

HIED 398. Student teaching in History and/or Social Science. Variable cr; pass/fail. Observe and teach in secondary school classroom under guidance of cooperating teachers and university faculty in actual classroom situations. Subtitle will designate area. Prereq: Completion of DPI certified major/minor and DPI education requirements.

HIED 498. Internship in History and/or Social Science. Variable cr.; pass/fail. Observe and teach in secondary school classroom under
guidance of cooperating teachers and university faculty in actual classroom situations. Subtitle will designate area. Prereq: Completion of DPI certified major/minor and DPI education requirements.

Honors Intern Program
Career Services Office
Room 134, Main Building
Phone: 715-346-3226
E-mail: career@uwsp.edu

In the Honors Intern Program you can gain one to five years experience in work related to your academic major or career goals. All full-time UWSP students are eligible for consideration. As an honors intern student, you must register for your work periods, but you receive no academic credit. Registration means that a record of the work experience will be entered on your permanent record.

Honors Intern Courses
COOP 001. First Work Period. 0 cr. Prereq: Approval by the coordinator's office and acceptance by the employing organization.
COOP 002. Second Work Period. 0 cr. Prereq: Satisfactory completion of 001; see statement under 001.
COOP 003. Third Work Period. 0 cr. Prereq: Satisfactory completion of 002; see statement under 001.
COOP 004. Fourth Work Period. 0 cr. Prereq: Satisfactory completion of 003; see statement under 001.
COOP 005. Fifth Work Period. 0 cr. Prereq: Satisfactory completion of 004; see statement under 001.

Individually Planned Major (IPM)
Mark Balhorn, Coordinator
Room 441, Collins Classroom Center
Phone: 715-346-4335
E-mail: mbalhorn@uwsp.edu

The individually planned major is for you if you are one of the few students who cannot meet your educational objectives through an existing academic program. It gives you an opportunity to design your own major using unique combinations of existing offerings that will be coherent and challenging. You must propose your program prior to completing 75 credits, including all transfer credits, to be sure the courses you need are available and can be integrated into your major. The individually planned major is not intended to permit you to package courses that you have already completed.

For the individually planned major, you must:
1. Have a minimum grade point average of 2.75 before you enter the program.
2. Meet the requirements for the bachelor’s degree you choose. You will graduate in the college housing the greatest number of credits in your major.
3. Have a minimum grade point average of 3.00 to graduate, regardless of academic bankruptcy, in all courses in your individually planned major.

You must decide to begin an individually planned major no later than the completion of 75 credits. This requirement can be waived in some cases.

You will have to develop a proposal for your major by consulting with the IPM Coordinator and advisers from the departments where you will be doing the work. The proposal must include a title, a statement of the objectives of the program, and a list of specific courses. The program must be approved by the IPM Coordinator and the IPM committee (made up of advisers from the four Colleges and specific disciplinary advisers appropriate to your topic).

Individually Planned Major
Consists of:
1. At least 36 approved credits taken from no fewer than two curricular areas, with a minimum of 9 credits in each area.
2. At least 20 credits must be in courses numbered 300 or above.
3. Although UWSP does have a policy of permitting the repeat of a course in which you received a D+, D, or F (see the section entitled More Academic Information in the catalog), the IPM will not accept repeats of courses in which you originally earned a D for the IPM major.

Contact the IPM coordinator for full details.

Instructional Resources
(Nummer of Professional Studies)
Room 339 College of Professional Studies Building
Phone: 715-346-4436
E-mail: pshaw@uwsp.edu
Faculty: TBA

Courses in Instructional Resources
IRES 322/522. Workshop in Learning Resources 1-3 cr. Problems of the Learning Resources Center in elementary and secondary schools. Subtitle will designate area.
IRES 352. Introduction to Library Resources 2 cr. Introduction to the systematic approach to subject materials, printed bibliography, references and materials of critical search; practice compiling bibliographies using approved forms of descriptive bibliography and footnotes. Prereq: So st with cons instr.
IRES 395. Practicum. 2-5 cr. Practical field experience operating learning resources functions under supervision of cooperating instructional media personnel. May earn practicum credits as part of requirements for Edu 398, or as arranged by coord.
IRES 396. Field Experience 2-5 cr. Practical experience in a public, academic or special library, in operation of learning resource functions, under supervision of cooperating media personnel. NOT for education majors or those seeking DPI certification as public school media persons. Prereq: Cons coord.
IRES 399. Special Work. Instructional resources minors may arrange for independent study with cons coord. Credit based on scope of project. May apply 2 cr max to minor.
IRES 713. Instructional Design. 3 cr. Apply systems analysis and systems design principles to investigate instructional problems and their solutions; use research data from learning psychology to solve instructional design problems.
IRES 796. Independent Study. 1-3 cr. Planned study to supplement preparation in area of specialization; regular conferences with instructional resources faculty supervisor.
Interior Architecture
(College of Professional Studies)

Interior Architecture Major (BFA)
1. Seventy-one credits:
   a. Fifty-nine credits: IA 100, 101, 110, 140, 160, 200, 204, 211, 212, 216, 301, 309, 311, 314, 315, 318, 370, 393, 394 (1 cr), 395 (3 cr), 400, 411.
   b. Six credits: Art 102, 103.
   c. Six credits: Psychology 110 and 3 credits of Sociology or Anthropology.
2. Nine elective credits from Interior Architecture and/or from select courses in Art, Forestry, and Business.
3. Admission to IA professional sequence:
   a. Is determined by your GPA in Art 102 and/or 103, IA 101, 204, 211.
   b. Is determined by successful completion of IA 200.
   c. Is determined by the successful completion of the sophomore portfolio review, which is valid only for the subsequent semester of that academic year. To qualify for the review, you must have a minimum of 2.5 GPA in Art 102 and/or 103, IA 101, and 204. If your GPA in these courses is 2.25-2.49, you may request, in writing to submit revised work from these courses for reconsideration.
   d. If we need to limit the number of students we admit to the professional sequence and your portfolios are determined to be of equal quality, the student(s) with the higher cumulative grade point average by the end of the semester will be admitted.
4. You must have a laptop computer and approved computer-aided design (CAD) software before you enroll in IA 212 and IA 370.

Academic Standards
To graduate with a major in interior architecture you must undergo a senior portfolio review and have a minimum 2.5 cumulative GPA in all courses required for the major, including transfer courses, regardless of any declaration of academic bankruptcy. You may repeat a course in the major if you follow the course repeat policy found in the More Academic Information section of this catalog.

Test-Out, Credit-by-Exam, Transfer Policy
The Division of Interior Architecture will offer credit-by-exam for all its general degree requirement courses. IA 130, 150, 160, 309, 310, and 315 are formally covered in the courses forms the basis of the comprehensive written exam.

In order to transfer art or design credits from other institutions, you must submit a portfolio of previous work and grade transcripts. Acceptance of transfer credit depends on successful portfolio evaluation and placement. Only coursework successfully completed in CIDA-accredited bachelor’s degree programs will be considered for equivalency to IA coursework.

Courses in Interior Architecture
IA 100. Orientation to the Profession. 1 cr. Explore and develop a plan for academic, individual, and professional career objectives.
IA 101. Color and Design. 3 cr. Color and design in relation to the near environment. Lecture/studio. May not earn credit in both IA 101 and Art 101. Prereq: IA major or cons instr.
IA 130. Architectural Environments. 3 cr. How technology, culture, economics, and psychosocial needs affect public and private architectural spaces; impact on the natural environment. GDR: EL
IA 140. History of Architecture, Design and Decorative Arts. 3 cr. Survey of architecture, design and decorative arts in their cultural and technological contexts from prehistoric to present, especially mainstream Western traditions.
IA 150(NW). Cross Cultural Survey of Applied Design. 3 cr. Compare and contrast the design and use of everyday manufactured goods in Western culture with their counterparts in a variety of non-Western societies. Explore material culture from micro to global view of the home, workplace and beyond. GDR: HU.
IA 160(MNS). Survey of Design: Minority Cultures in the U.S. 3 cr. Understanding the design of utilitarian objects and the design of space in selected Native American and non-European immigrant cultures. Investigates stereotyping, discrimination, majority influence and historical tradition as a concept of design evolution in the U.S. GDR: HU.
IA 200. Introduction to Professional Development. 1 cr., pass/fail. Portfolio and resume development. Plan for meeting career objectives. Prereq: IA major or written cons instr.
IA 204. Presentation Techniques I. 4 cr. Basic application of drawing, sketching, and describing architectural interiors and furnishings to communicate design concepts. Study and develop architectural drafting skills. Lecture/studio. Prereq: 101.
IA 211. Interior Architecture I. 4 cr. Analyze human and environmental factors used to create supportive space for human activity; develop a design methodology. Lecture/studio. Prereq: 110, 204.
IA 212. Interior Architecture II. 4 cr. Small scale interior space planning with emphasis on function, aesthetics and barrier-free environments. Lecture/studio. Prereq: 100, 200, 211.
IA 216. Materials, Finishes, and Technology. 3 cr. Select materials and furnishings based on analysis of human factors, aesthetics, technology, market, availability, processes, resources and interior architectural detailing.
IA 301. Design Charrette. 1 cr. Solve a design problem in a short period of time. Subtitle will designate area of design. May repeat under different subtitles. Prereq: 212.
IA 304. Presentation Techniques II. 3 cr. Advanced application in color drawing, sketching, and describing architectural interiors and furnishings to communicate design concepts. Lecture/studio. Prereq: 204 and 212.
IA 305. Store Planning and Design. 3 cr. Apply marketing theory, concepts and practice to design and development of physical retail spaces; review case studies; total project design, development and presentation. Lecture/studio. Prereq: 212.
IA 306. History of Architectural Design in the Americas. 3 cr. Survey structural and interior architecture in the Americas.
IA 309. History of Interior Design and Decorative Arts. 3 cr. Major periods and styles of architecture, furniture, and accessories used in interior environments. GDR: HU.
IA 310(NW). History of Non-Western Interior Design and Decorative Arts. 3 cr. Major periods and styles of architecture, furnishings, and accessories. Subtitle will designate area. May repeat under different subtitles. GDR: HU.
IA 315. Sustainable Design. 3 cr. Fundamentals of sustainable design and construction, with an emphasis on green building rating systems, material certification and preparation for LEED professional accreditation. GDR: EL.
IA 318. Lighting Design. 3 cr. Lighting design and technology applied to interior architectural spaces. Lecture/studio. Prereq: 212 and 370.
IA 370. Computer Applications in Interior Architecture. 3 cr. Apply graphic, architectural, and related software in space planning and design of interior environments. Lecture/studio. Prereq: 211.
and prepare for careers in the globalizing economy. Developments in various world regions, design to help you understand social and cultural
Abbreviation
E-mail: skent@uwsp.edu
Room 461, Collins Classroom Center
Phone: 715-346-4442

1. Core courses, 9 credits: History 101 or 102; Geography 113 or 120, Political Science 160 or 180.
2. Language requirement, 0-19 credits:

a. If your native language is English, you must complete or test out of one foreign language course beyond the fourth semester college level.
b. Foreign students whose native language is not English may use English to fulfill the language requirement by completing English 102 or 150, and the UWSP writing emphasis (WE) requirement.

3. Areas of concentration. 21 credits spread between two areas, 9 credits minimum in each area; 15 credits must be in courses numbered 300 and above. Courses designated with an asterisk (*) and all International Studies courses must have the subtitle approved for the area.
e. Latin American Studies: Anthropology 335, 345, 390*; Art 397*; Comparative Literature 243, Foreign Language 381*; Geography 391*; History 248, 249, 255, 310*, 348, 351, 355*, 396*; International Studies 300*, 381*, 391*, 399*; Natural Resources 406, 407, 479*; Political Science 375; Spanish 340, 454, 455, 483*, 490, 499*.

International Studies Minor
Consists of 24 credits plus foreign language requirement.
1. Core courses, 9 credits: History 101 or 102; Geography 113 or 120; Political Science 160 or 180.
2. Language requirement, 0-12 credits:
a. If your native language is English, you must complete or test out of two semesters of college level foreign language.
b. Foreign students, whose native language is not English, may use English to fulfill their international studies language requirement, by completing English
the faculty member who teaches the course. The minimum appropriate department. Consult with the international studies major/minor, you must make arrangements with the concentration must take four semesters of a language (or test or in global studies and wish to complete an enhanced Studies minors who are interested in a particular world region a language relevant to that geographic region. International language requirement for the International Studies major with enhanced concentration. For the enhanced concentration, repeat classes taken for the regular concentration in an of topics courses bearing different subtitles, you may not repeat classes taken for the regular concentration in an enhanced concentration. For the enhanced concentration, International Studies majors interested in a particular world, region or in global studies may elect to complete an enhanced concentration of 15 additional credits from the courses enumerated in one of the above concentrations. You may also elect to complete an enhanced concentration in Ibero-Latin American Studies, with appropriate courses from categories 3 d – European Studies and category 3 e-Latin American Studies, or an enhanced concentration in European Union Studies, with appropriate courses from categories 3 d-European Studies and category 3 f-Russian and East European Studies, or an enhanced concentration in East Asian Studies with appropriate courses from category 3 b. With the exception of topics courses bearing different subtitles, you may not repeat classes taken for the regular concentration in an enhanced concentration. For the enhanced concentration, International Studies majors are generally required to meet the language requirement for the International Studies major with a language relevant to that geographic region. International Studies minors who are interested in a particular world region or in global studies and wish to complete an enhanced concentration must take four semesters of a language (or test out of 212) and an additional 9 credits of content courses.

International Studies Honors Program
The International Studies Honors Program provides additional opportunity and challenge to students interested in a particular research problem. To graduate with the Honors Program in International Studies you must:
1. Have a 3.5 GPA
2. Complete the requirements for the International Studies major or minor.
3. Submit a written proposal for a two-semester research project that meets the approval of the International Studies coordinator and a thesis adviser who is selected in consultation with the International Studies coordinator.
4. Complete and successfully defend a thesis of 40-60 pages by enrolling in two semesters of International Studies 495.

Academic Standards
To graduate with a major or minor in international studies, you must have a 2.0 GPA in required courses, including transfer courses, regardless of any declaration of academic bankruptcy. See the More Academic Information section of this catalog for the policy on repeating courses. Courses in international studies are open to all students who meet the prerequisites.

Test-Out and Credit-by-Exam Policy
You may test-out or receive credit-by-exam for all general degree requirement (GDR) courses. If you wish to test-out or receive credit-by-exam for courses in the international studies major/minor, you must make arrangements with the appropriate department. Consult with the international studies coordinator. A comprehensive written exam based on materials covered in a course will normally be administered by the faculty member who teaches the course. The minimum required score for all such exams is a B- or its numerical equivalent. You may take an exam for credit or test-out only once.

Courses in International Studies
INTL 098. International Study: 0 cr. Maintains UWSP students in active enrollment status while engaged in a semester abroad program with another university.
INTL 300. International Study Tour: 1-3 cr. Analyze social, cultural, economic, and political conditions through on-site tours and lectures with approp study and writing. Subtitle will designate countries or regions. May repeat with different subtitle.
INTL 381. Culture and Civilization: 2-3 cr. Advanced survey within a specific country or region. Offered only through UWSP International Programs. Subtitle designates country or region. May repeat with different subtitle. Prereq: Enrollment in a UWSP international program. GDR: HU4
INTL 391. Special Topics: 1-3 cr. Study international developments informed by visits to historic locations and cultural and political centers. Subtitle will designate topic. Offered only through UWSP International Programs. May repeat with different subtitle. Prereq: Enrollment in a UWSP international program.
INTL 395. Internship: 1-12 cr. Supervised work in a cooperating organization or agency. One credit for 60 hrs work. Credits and/or additional requirements set by instructor before registration. May apply 3 cr max to Intl Studies major/minor. Prereq: Jr or sr st and 2.75 GPA in major/minor and cons intl coord.
INTL 399. Independent Study: 1-3 cr. Individual study of an international topic or a specialized subject in approp area of concentration under faculty supervision. Prereq: Jr st and cons intl coord.
INTL 480. Senior Seminar: 3 cr. Capstone experience to enhance understanding of the interrelation of cultures throughout the world. Prereq: INTL major/minor with 9 cr of core courses and at least 6 cr of concentrations completed, or cons coord.
INTL 495. Honors Thesis: 3-6 cr. Individually guided research project acceptable to student and faculty director. Accomplished over two semesters. Six credits required to graduate from International Studies honors program. Prereq: Acceptance into International Studies Honors Program.

Definition: Mathematics is the study of quantity, form, arrangement and magnitude. It is the study of the measurement, properties, and relationships of quantities, using numbers and symbols.

The computer information systems (CIS) major and minor are listed under that title elsewhere in this catalog.

The Web and digital media development (WDMD) major and minor are listed under that title elsewhere in this catalog.

Mathematics Placement Test
The mathematics placement test is given to all new freshmen as they enter the university. The test covers the material found in the usual four-year high school mathematics program (two years of algebra, geometry, and precalculus) and the scoring varies according to the amount of mathematics you have taken. The test results are used to place you at the appropriate level of mathematics at UW-Stevens Point. At some of these levels you will be able to choose from several courses after examining their prerequisites. If you did not take the test at the time you entered the university, you may arrange for it at the department office.

Mathematics Major
Consists of at least 40 credits:
1. Math 120, 121, 213, 222, 300, 330. We strongly recommend that you complete 213 and 300 before you enroll in courses numbered above 300.
2. Take 4 courses from the following groups to provide greater depth in at least one area:
   b. Analysis: Math 324, 327.
   c. Probability and statistics: Math 356, 357.
3. Complete 3a or 3b below (9 or 10 additional credits)
   a. Take three courses selected from Math 305, 310, 315, 320, 323, 324, 327, 330, 331, 335, 356, 357, 360, 367, 372, 468.
   b. Take two courses selected from Math 305, 310, 315, 320, 323, 324, 327, 330, 331, 335, 356, 357, 360, 367, 372, 468; and 3 or 4 credits from Math 380, 390, 395, 499.
4. Complete 4a or 4b below (9 or 10 additional credits)
   a. Take three courses selected from Math 310, 315, 320, 323, 324, 327, 360, 367, 397, 468.
   b. Take two courses selected from Math 310, 315, 320, 323, 324, 327, 360, 367, 397, 468; and 3 or 4 credits from Math 380, 390, 395, 499.
5. Collateral requirements: Pass at least one of the actuarial exams.
6. Recommended collateral areas: business and economics, communication, finance, insurance, writing.

Mathematics Minor
Consists of 25 credits:
1. Math 120, 121, 213, 222, 300.
2. At least 6 credits from Math 305, 310, 315, 320, 323, 324, 327, 330, 331, 335, 356, 357, 360, 367, 372, 468.

Applied Mathematics Minor
Consists of at least 24 credits:
1. Math 120, 121, 213, 356, 357.
2. Complete 2 courses from Math 222, 305, 310, 315, 320, 360, 367, 468.

Mathematics Major for Teacher Certification (Secondary/Middle)
Consists of at least 47 credits:
2. Complete 2a OR 2b below (at least 4 cr):
   b. Math 356, 357.
3. Complete 3a OR 3b below (9 or 10 additional credits)
   a. Take three courses selected from Math 305, 310, 315, 320, 323, 324, 327, 330, 331, 335, 356, 357, 360, 367, 372; and 3 or 4 credits from Math 380, 390, 395, 499.

Mathematics Minor for Elementary Education Majors
Consists of 24 credits plus student teaching:
2. Complete either Math 355 or Math 350/Math Ed 350.
3. Complete one: Math 109, 111, or 120.
4. Required but not part of the minor: Math 228, 338 and Math Ed 228, 338.

Mathematics Minor for Teacher Certification (Secondary/Middle)
Consists of at least 31 credits:
2. Complete 2a OR 2b below (at least 4 cr):
   b. Math 356, 357.

Academic Standards
To have a major in mathematics approved for graduation, you must have a minimum grade point average of 2.00 (2.75 to student teach) in the math courses you select to satisfy the requirements of the major. In addition, you must achieve a grade of C or better in at least 15 credits in required courses numbered 300 or above. These standards apply regardless of a declaration of academic bankruptcy. The department chair may allow exceptions on a conditional basis.

Additional Academic Standards for Teacher Certification:  
1. A minimum grade point average of 2.75.
2. Elementary education majors are required to take Math 228, 338, Math Ed 228, 338 and Math Ed 345.
3. Enrollment caps are in effect for teacher certification.

Contact the Mathematical Sciences Department early for...
3. If you took calculus in high school but did not take the AP exam, you may also use AP (Advanced Placement) scores to meet the requirement. If you do not feel the placement test has accurately reflected your ability, you may retake the test once, or you may take the final exam for any general degree requirement (GDR) math course. If you score 70% or higher, you will be exempt from that course.

2. You may also use AP (Advanced Placement) scores to receive advanced placement and credit-by-exam. If you score a 3 or higher on the AP Calculus AB exam, you can receive credit for Math 120. If you score a 3 or higher on the AP Calculus BC exam, you can receive credit for both Math 120 and 121.

3. If you took calculus in high school but did not take the AP exam, you may be placed directly into Math 121 at the discretion of the department chair. If you earn a grade of B or better in 121, you will receive retroactive credit for 120.

**Master of Science in Teaching (Mathematics)**

Is offered in cooperation with UW-Oshkosh. You can get more information from the department office.

**Courses in Mathematics**

Also see listing under Mathematics Education.

**IMPORTANT** If you are placed into remedial coursework in mathematics you must restrict your coursework to a level that will allow for success. You must receive written permission from your adviser to enroll in more than 16 credits during any semester that you enroll in remedial coursework. If you want to enroll in more than 18 credits during any semester that includes remedial coursework, you must receive written permission from the dean of your college. Factors that are considered in approving credit load include your ACT score, high school class rank, overall high school record, university GPA, and demands on your time such as coursework, extracurricular activities and employment. Entering freshmen who are placed into remedial mathematics must complete the remedial coursework before earning 30 credits toward graduation. If you are in this category and fail to complete the remedial work before earning 30 credits, you will be restricted to a maximum of 12 credits, including the remedial courses, until you meet the requirement.

MATH 100. College Algebra. 3 cr. Graphing linear equations and inequalities, exponents, radicals, quadratic equations, systems of equations, study of functions including exponential and logarithmic functions. Prereq: 90 or suitable placement test score. GDR: MATH BM/ BFA

MATH 105. Mathematics Applications, Appreciation, and Skills. 3 cr. Topics include probability, statistics, geometry, logic, history and appreciation of mathematics, mathematics of finance, and others. An alternative to Math 100 to meet GDR in the BA degree. Not a substitute for Math 100 in the BS degree. Prereq: Math 90 or suitable placement test score.

MATH 109. Mathematics for the Social and Management Sciences. 4 cr. Systems of linear equations, matrices, linear programming, exponential growth and decay, mathematics of finance, differential calculus with emphasis on applications. Prereq: 100 or suitable placement score. GDR: MATH BS BM/ BFA

MATH 111. Applied Calculus. 4 cr. Calculus applied to business, economics, biology, natural resources, and social science. Prereq: 100 or a suitable placement score. May not take 111 for credit after successful completion of 120. GDR: MATH BS BM/ BFA

MATH 112. Basic Trigonometry and Applications. 2 cr. Introduction to trigonometry and applications to surveying, navigation, and indirect measurement. Not open to those who have taken 119. Math 112 will not substitute for 119 and is not preparation for 120. May not earn credit in both 112 and 119. Prereq: 100 or placement into 112.

MATH 118. Precalculus Algebra. 4 cr. Topics include concepts, graphs, and properties of functions, inverse and algebraic functions, techniques of graphing, conic sections, linear and nonlinear systems, arithmetic and geometric series, mathematical induction and the binomial theorem. Preparation for 120 if you did not place into 120. Prereq: 100 or suitable placement test score. GDR: MATH BM/ BFA

MATH 119. Precalculus Trigonometry. 2 cr. Trigonometric functions, their basic properties and graphs; inverse trigonometric functions; identities; applications. Preparation for 120 if you did not place into 120. May not earn credit in both 112 and 119. Prereq: 100 or suitable placement test score.

MATH 120. Analytic Geometry and Calculus I. 4 cr. Analytic geometry of the plane; differentiation and integration of algebraic functions with some applications. Prereq: 118 and 119 or suitable placement score.

MATH 121. Analytic Geometry and Calculus II. 4 cr. Analytic geometry of the plane continued; differentiation and integration of transcendental functions; integration techniques; differential equations; infinite series; additional applications. Prereq: 120.

MATH 209. Mathematics for Information Sciences. 4 cr. Boolean algebra, relational database theory, algorithms, combinatorial algorithms, discrete probability, recursion, graph theory, network flows and applications for information sciences. Prereq: 100 and con reg in CIS 120.

MATH 213. Introduction to Linear Algebra. 4 cr. Topics in linear algebra: matrix algebra, systems of linear equations, Gauss-Jordan elimination, determinants, vector spaces, linear independence and bases, linear transformations, eigenvalues and eigenvectors; selected applications. Prereq: 121.

MATH 220. Introduction to Linear Algebra and Differential Equations. 4 cr. Introduction to linear algebra; matrices; systems of linear equations, bases of vector spaces, linear transformations, eigenvalues and eigenvectors. Also introduction to ordinary differential equations; first and second order equations, linear systems of differential equations. Prereq: 121.

MATH 222. Analytic Geometry and Calculus III. 4 cr. Introduction to solid analytic geometry; differentiation of functions of several variables; multiple integrals; parametric equations and vectors; applications. Prereq: 121.

MATH 228. Fundamental Mathematical Concepts for Elementary Teachers I. 3 cr. Basic concepts and properties of sets, number systems, and functions for elementary school math. Prereq: 100 or placement above 100 and con reg in Math Ed 228; and elementary ed major with cons chair of Math/Computing. If you do not meet the prerequisites, you will not be allowed to take the course.

MATH 300. Introduction to Proof with Real Analysis. 3 cr. Transition to upper division mathematics. Topics include logic, proof techniques, set theory, relations and functions; elementary properties of integers, rational numbers, and real numbers; open sets, closed sets, cardinality, limits, and continuous functions; also reading and writing formal mathematical proofs. Prereq: 121.

MATH 305. Discrete Mathematics. 3 cr. Algorithm analysis: recursion, complexity, combinatorics; recurrence relations, dynamic systems, counting techniques; graph theory: Eulerian and Hamiltonian graphs, algorithms and heuristics, planar graphs, trees, applications. Prereq: 300 or con reg.

MATH 315. Operations Research II. 3 cr. Interior point methods for linear programming; nonlinear optimization; dynamic programming; introduction to stochastic models with use of related computer software. Prereq: 222 and 310.

MATH 320. Differential Equations. 3 cr. Introduction to ordinary differential equations of the first and second order; linear equations with constant coefficients; solution in series; numerical approximations; Laplace transforms; system of ordinary equations; selected applications. Prereq: 222.

MATH 324. Complex Variables. 3 cr. Complex numbers, functions of a complex variable; power series; elementary functions; conformal and
bilinear transformation; integral theorems; Taylor/Laurent expansions; theory of residues; applications. Prereq: 222 and 300 or cons instr.

MATH 327. Advanced Calculus. 3 cr. Theory of differential and integral calculus; limits and convergence, continuity, derivatives, integrals; Inverse and Implicit Function Theorems; Taylor and Fourier series; transforms. Prereq: 213 or 220, and 222, 300.

MATH 330. Intermediate Linear Algebra. 3 cr. Abstract finite and infinite dimensional vector and inner product spaces; subspaces; spanning and linear independence, bases and dimension; linear transformations; eigenvalues and eigenvectors, diagonalization, isomorphism, canonical forms; selected applications. Prereq: 213 or 220, and 300.

MATH 331. Abstract Algebra. 3 cr. Groups, rings, fields, number systems, Euclidean domains, and polynomials. Prereq: 213 or 220, and 300.

MATH 335. Number Theory. 3 cr. Primes, composites, and divisibility; congruences and residue classes; number-theoretic functions; Diophantine equations. Prereq: 300 or consinstr.

MATH 338. Fundamental Mathematical Concepts for Elementary Teachers II. 3 cr. Topics from geometry, measurement, algebra, and logic with emphasis on problem solving. Prereq: 228 and con reg in Math Ed 338. GDR: MATH BS BM BFA

MATH 350. Probability and Statistics with Teaching Methods. 3 cr. Discrete and continuous probability distributions; random variables; mathematical expectation; statistical estimation and inference; hypothesis testing; regression. Applications and teaching methods for probability and statistics in high school classroom. May not earn credit in both 350 and 356; 350 is not a prerequisite. Does not count toward math major or minor. Prereq: 211 or cons instr.

MATH 355. Elementary Statistical Methods. 4 cr. Fundamental concepts and techniques that underlie applications to various disciplines, including descriptive statistics, averages, dispersion, random sampling, binomial, normal, Student T, Chi-square, and F distributions; estimation and tests of hypothesis; linear regression and correlation; laboratory emphasis on sampling and applications. Does not count toward math major or minor, or major for teacher certification. Prereq: 100 or suitable placement test score. GDR: MATH BS BM BFA

MATH 358. Seminar to Prepare for Actuarial Exam 110. 2 cr. Study and discuss concepts and problems from statistics found on recent actuarial examinations. Prereq: 357 or con reg in 357.

MATH 359. Mathematics for Middle School I. 2 cr. Extended topics from algebra, geometry, trigonometry, analytic geometry, measurement, probability, and statistics. Problem solving and computer applications. Prereq: 338 and con reg in Math Ed 359.

MATH 369. Mathematics for Middle School II. 2 cr. Topics from sets, logic, mathematical reasoning and proof, mathematical structures, discrete mathematics, topology, and history of mathematics. Prereq: 338 and con reg in Math Ed 369.

MATH 372. Topology. 3 cr. Topics in metric and point-set topology: homeomorphisms and isometries, connectedness, compactness, and separation axioms; low-dimensional Euclidean topology; curves, surfaces, knots, manifolds. Prereq: 213 or 220, and 300.

MATH 380. History of Mathematics. 3 cr. A survey of the history of mathematics with emphasis on mathematical ideas, problems, and methods from early civilization to the present. Prereq: 213 or 222.

MATH 390/590. Special Topics in Mathematics. 1-3 cr. Subject will designate topic and number of credits. Prereq: cons. chair.

MATH 395. Seminar. 1 cr. Present and discuss selected readings in mathematical subjects. May repeat for 3 cr max with different subtitles. Prereq: Cons instr.

MATH 397. Internship in Mathematics. 2-6 cr. Participate in supervised training work program in cooperating agency or business arranged by faculty with cons chair. Credit set by adviser and chair following dept. guidelines. May repeat for 6 cr max. Prereq: Jr st and cons instr.

MATH 499. Independent Study. Undergraduate math majors may arrange for independent study with cons chair. Credit based on scope of project. May apply 3 cr to major.

Mathematics Latent Courses: Not offered recently. See full course description in indicated (xxx) catalog.

MATH 220. Introduction to Linear Algebra and Differential Equations, 4 cr, (07-09)

MATH 321. Intermediate Differential Equations, 3 cr, (07-09)

MATH 322. Vector Analysis, 3 cr, (03-05)

MATH 323. Foundations of Analysis, 3 cr, (07-09)

MATH 360. Numerical Analysis, 3 cr, (03-05)

MATH 455/655 Advanced Statistical Methods, 4cr, (07-09)

MATH 468. Applied Statistics, 3 cr, (07-09)

MATH 550. Probability and Statistics with Teaching Methods, 3 cr, (07-09)

Courses in Mathematics Education

M ED 229. Teaching Elementary School Mathematics II. 1 cr. Principles, goals, methods, and techniques. Only for transfer students who did not take Math 228 at UWSP. Prereq: 3 cr of math for elementary teachers equivalent to Math 228.

M ED 334. Technology Tools for Mathematics Teachers. 4 cr. Techniques, research, and curriculum planning related to current technology within secondary and middle school math. Prereq: Math 109, 111, or 120 or cons instr.

M ED 335. Techniques in Secondary Education. 4 cr. Aims, methods, materials, techniques, planning, organization, assessment, and field experience. Same as Educ 335. Prereq: Jr st, admis to Prof Ed Program.

M ED 338. Teaching Elementary School Mathematics II. 1 cr. Principles, goals, methods, and study of curricular content and assessment techniques; includes field experience. Prereq: Math Ed 228 or 229; and con reg in Math 338. GDR: MATH BS BM BFA

M ED 345. Teaching Elementary School Mathematics III. 1 cr. Principles, goals, methods, study of curricular content and assessment techniques at appropriate levels; includes field experience. Prereq: Math Ed 338 or 339; and con reg in Math 345.

M ED 359. Teaching Elementary School Mathematics I. 2 cr. Principles, goals, methods, study of curricular content and assessment techniques; includes field experience. Prereq: Math Ed 228 or 229; and con reg in Math 338. GDR: MATH BS BM BFA

M ED 390. Special Topics. 1-3 cr. Subject will designate topic and number of credits. Prereq: Cons. chair.

M ED 398. Student Teaching in Mathematics. 1 cr. Aims, methods, materials, techniques, planning, organization, assessment, and field experience. Prereq: Completion of math DPI certified major/minor and DPI educ requirements.

M ED 399. Special Work. 1-3 cr. Upperclass students may arrange for independent study with cons. chair. Credit based on scope of project.

M ED 400. Seminar on Teaching for Secondary Student Teachers. 1 cr. Pass/fail. Structural group discussions on aspects of teaching that
leadership positions throughout the semester and have the development of key officer/leader competencies. Cadets hold lessons are sequenced, linked and progressive to target major, the military science program (MSL) is taken in Army Reserve or Army National Guard. While not an academic receive a commission as a second lieutenant in the U.S. Army, Officers' Training Corps (ROTC), offers you an opportunity to The Military Science Department, through the Army's Reserve J Gano, MAJ R Kehoe, SFC J Pond.

conducted on campus, in the local area or at military training civilian and/or military career. Courses and training are skills, attributes and experience to successfully lead in a officer corps, fundamentals of leadership and decision making, give you a basic understanding of the unique aspects of the Army profession and military leadership. Explore seven Army values Landmark courses MSL 301 and 302 for advanced leadership and advanced course is the basic course or advanced placement (described above).

Leader Development and Assessment Course (LDAC) (military service obligation required). This internship provides the single most important block of training and evaluation in the progression of an Army cadet. Throughout LDAC's 29 training days at Joint Base Lewis-McChord, Wash., you encounter stress-inducing physical and mental obstacles to challenge you as an individual and leader. You are immersed in an experiential learning environment with cadets from over 270 universities. LDAC uses small unit tactical training as the vehicle for further developing self-confidence and evaluating your leadership abilities and potential to serve as a commissioned officer. Prerequisites are completion of the MSL basic course, MSL 301, 302 and an Army contractual obligation for future service as a commissioned officer in the active Army, Army Reserve or Army National Guard.

Military Science Minor
Consists of 28 credits.

*Complete these courses or receive credit through advanced placement (described above).

Courses in Military Science

MSL 101. Introduction to Military Leadership I. 1 cr. Introduction to Army profession and military leadership. Explore seven Army values and 16 Army leadership dimensions, plus core competencies critical to effective leadership such as time management, problem solving, decision making. Useful manager/leader skills whether military or civilian. Seminar format with practical exercises. Open to all students. 1 hr lec per wk. Prereq: Con reg in 111.

MSL 102. Introduction to Military Leadership II. 1 cr. Continuation of 101, expanding ability to apply problem-solving and decision-making processes and further develop military leadership and competency. 1 hr lec per wk.

MSL 111. Fall Leadership Lab. 1 cr. Off-campus weekend leadership orientation in a military environment with outdoor physical activities to support 101 curriculum. Includes pugil stick, obstacle course, rappelling and airborne tower training. Prereq: Con reg in 101. GDR: WJ/AA
MSL 121. Fall Leadership Lab. 1 cr. Continuation of 111. Prereq: Con reg in 201. GDR: WJ/AA

MSL 153. Advanced Physical Training. 1 cr. Techniques to improve muscular strength and endurance and cardio-respiratory capacity. Includes strength and aerobic exercises, water confidence training, self-defense, running, military drills, and team sports. Open to all students. GDR: WJ/AA

MSL 201. Innovative Tactical Leadership. 3 cr. Identify successful leadership characteristics through practical exercises. Record observed traits/situations to illustrate concepts and apply situational leadership analysis. Develop personal leadership style. Includes physical training and leadership lab. 2 hrs lec, 2 hrs lab per wk. Optional con reg in 121. Prereq: 101, 102, or cons instr.

MSL 202. Leadership in Contemporary Military Environments. 3 cr. Includes team building, influencing action, effective communication for setting/achieving goals, importance of timing a decision, creativity in problem-solving process, obtaining team buy-in through immediate feedback. Transition for MSL Advanced Course. Physical training and leadership lab. 2 hrs lec, 2 hrs lab per wk. Prereq: 101, 102, 201, or cons instr.

MSL 222. Introduction to Basic Survival Skills. 2 cr. Learn basic skills necessary to conquer a wilderness survival situation such as navigating using a map and compass, starting fire, constructing shelters out of available materials, and snaring small game. Develop an understanding of the psychology necessary to survive a life threatening circumstance. Learn how to plan and pack for a survival situation. Open to all students. 1 hr lec per wk. with practical exercise conducted over one weekend off campus.

MSL 250. Accelerated Cadet Commissioning Training. 1 cr. Establish foundation of basic U.S. Army military and leadership fundamentals as well as individual soldier skills and knowledge base for progression into Army ROTC advanced course.

MSL 301. Adaptive Team Leadership. 4 cr. Study, practice and evaluate adaptive leadership attributes, skills and actions through individual leader and small unit tactical scenarios. Receive systematic and specific feedback on leadership abilities. Prepare for Leader Development and Assessment Course (LDAC). Physical training and leadership lab. 2 hrs lec, 5 hrs lab per wk. Prereq: 101, 102, 201, 202, advanced placement, or cons chair.

MSL 302. Leadership and Ethical Decision Making. 4 cr. Increasingly intense situational challenges for leading small units. Explore, evaluate, develop skills in ethical decision-making and persuading/motivating team members when under pressure. Aspects of contemporary military operations to foster proficiency in leadership ability and to prepare for LDAC. How to think as a leader in today's military. Physical training and leadership lab. 2 hrs lec, 5 hrs lab per wk. Prereq: 101 or cons chair.

MSL 399. Special Work in Contemporary Military Leadership. 1-3 cr. Design individual study plan in consultation with MSL faculty. May repeat for 7 cr max. Prereq: Cons chair.

MSL 401. Building Adaptive Leaders. 4 cr. Develop proficiency to plan, conduct and assess complex operations; function as member of Army command and staff team. Teach, coach, mentor fellow cadets. Explore Army training management, methods of effective staff collaboration, and developmental counseling techniques. Physical training and leadership lab. 2 hrs lec, 5 hrs lab per wk. Prereq: 302 or cons chair.

MSL 402. Leadership in a Complex Security Environment. 4 cr. Dynamics of leading in complex situations of current military operations. Examine cultural influences in military operations, military law, laws for land warfare and rules for use of military force in asymmetric warfare. Aspects of interacting with nongovernmental organizations, civilians on the battlefield and host nation support. Completes transition from student/cadet to Army lieutenant. Physical training and leadership lab. 2 hrs lec, 5 hrs lab per wk. Prereq: 401 or cons chair.

Military Science Leadership Latent Courses: Not offered recently. See full course description in indicated (XX-XX) catalog.

MINORITY AND ETHNIC STUDIES

See History and Sociology and Native American Studies.
3. Every music major must enroll, participate, and receive a passing grade in a major ensemble every semester except the student teaching semester.

4. String music education majors and string applied majors need four semesters of chamber ensemble.

5. See the Music Department “Silent Adviser” for recital attendance requirements.

6. The following organizations are open to all students: Pointer Pep Bands, Concert Choir or Choral Union, Wind Ensemble, Concert or Campus Band, Instrumental Jazz Ensemble, University Orchestra, and numerous small ensembles.

7. Course numbers listed below without a prefix or name are music courses.

**Bachelor of Arts Degree in Music**

Consists of 46-52 credits.

1. **Theory**, 14 credits: 110, 111, 112, 113, 210, 212, 379. Placement exam required. If you have insufficient background, take 109 as prereq.

2. **Applied music**, 8-14 credits.
   a. Major applied instrument; 8 credits. You must complete the 200 level of study on your major instrument before graduation.
   b. Minor applied instrument; 0-6 credits. When piano is not your major applied instrument, complete 246 or Level 100 of applied piano.

3. **Large ensemble**, 1 credit per semester; required every semester enrolled. (See Note 3 above.) Piano majors: 1 cr of MUS 328 (taken in lieu of large ensemble upon course offering).

5. **Music electives**, 4 credits.

6. To graduate with this “liberal arts” music major, you must also complete a minor in an area other than music. We encourage you to develop a plan for this minor with your adviser.

7. According to the requirements of the National Association of Schools of Music, if you are pursuing the Bachelor of Arts degree in music, you must complete at least 66 nonmusic credits.

**Bachelor of Music - Applied Music Option**

1. **Piano**. Admitted by audition only. Your performance proficiency will be reviewed at the end of your freshman year for permission to continue. In your first semester, with your applied teacher’s approval, you may audition to enter the performance degree program in the second semester of the freshman year. You must complete the 400 level of study.
   a. Applied music, 28 credits: 160 (4 cr); 260, 360, and 460 (24 cr).
   b. Theory, 19 credits: 110, 111, 112, 113, 210, 212, 379; and 5 cr from 315, 317, 394 or 395, 410, 479. Placement exam required. If insufficient background, 109 is prereq.
   c. Music literature and history, 18 credits: 220, 221, 320, 321, 420, 421.
   d. Piano pedagogy, 2 credits: 491.
   e. Required ensemble: 10 credits, 8 cr from large ensembles (1 cr per semester) and 1 cr each from 328 and 429. (See Note 3 above.)

2. **Voice**. Admitted by audition only. Your performance proficiency will be reviewed at the end of your freshman year for permission to continue. In your first semester, with your applied teacher’s approval, you may audition to enter the performance degree program in the second semester of the freshman year. You must complete 246 or Level 100 of applied piano and complete the 400 level of study in voice. You must perform a half recital in your junior year in voice and give a senior recital.
   a. Applied music, 28 credits: 162 (4 cr); 262, 362, and 462 (24 cr).
   c. Music literature and history, 18 credits: 220, 221, 320, 321, 323, 422.
   d. Vocal pedagogy, 2 credits: 492.
   e. Large ensemble, 8 credits of 341 (1 cr per semester). (See Note 3 above.)
   f. Opera workshop, 2 credits: 390.
   g. Diction I and II, 2 credits: 302 and 303.

3. **String instrument**. Admitted by audition only. Your performance proficiency will be reviewed at the end of your freshman year for permission to continue. In your second semester of the freshman year, you must perform 246 or Level 100 of applied piano and complete the 400 level of study in your major instrument. You must perform a half recital in your junior year in your major instrument and give a senior recital.
   c. Music literature and history, 15 credits: 220, 221, 320, 321, and 426 or 427.
   d. String pedagogy, 2 credits: 496.
   e. Large ensemble, 12 credits: 8 cr of 342 (1 cr per semester) and 4 cr of 131-431. (See Note 3 above.)

4. **Wind instrument**. Admitted by audition only. Your performance proficiency will be reviewed at the end of your freshman year for permission to continue. In your second semester of the freshman year, you must complete 246 or Level 100 of applied piano and complete the 400 level of study in your major instrument. You must perform a half recital in your junior year in your major instrument and give a senior recital.
   c. Music literature and history, 15 credits: 220, 221, 320, 321, and 426 or 427.
   d. Woodwind or brass pedagogy, 2 credits: 493 or 494.
   e. Large ensemble, 8 credits: 1 cr per semester. (See Note 3 above.)

5. **Percussion**. Admitted by audition only. Your performance proficiency will be reviewed at the end of your freshman year for permission to continue. In your second semester of the freshman year, you must complete 246 or Level 100 of applied piano and complete the 400 level of study in your major instrument. You must present a half recital in your junior year in your major instrument and give a senior recital.
   a. Applied music, 28 credits: 177 (4 cr); 277, 377, and 477 (24 cr).

6. **Other requirements**.
   - **Placement exam required**. If you have insufficient background, 109 is prereq.
   - **Ensemble**, 12 credits: 8 cr of 342 (1 cr per semester) and 4 cr of 131-431. (See Note 3 above.)

7. **Other requirements**.
   - **Placement exam required**. If you have insufficient background, 109 is prereq.
   - **Ensemble**, 12 credits: 8 cr of 342 (1 cr per semester) and 4 cr of 131-431. (See Note 3 above.)

8. **Other requirements**.
   - **Placement exam required**. If you have insufficient background, 109 is prereq.
   - **Ensemble**, 12 credits: 8 cr of 342 (1 cr per semester) and 4 cr of 131-431. (See Note 3 above.)

9. **Other requirements**.
   - **Placement exam required**. If you have insufficient background, 109 is prereq.
   - **Ensemble**, 12 credits: 8 cr of 342 (1 cr per semester) and 4 cr of 131-431. (See Note 3 above.)

10. **Other requirements**.
    - **Placement exam required**. If you have insufficient background, 109 is prereq.
    - **Ensemble**, 12 credits: 8 cr of 342 (1 cr per semester) and 4 cr of 131-431. (See Note 3 above.)
c. Music literature and history, 15 credits: 220, 221, 320, 321, and 426 or 427.

d. Percussion pedagogy, 2 credits: 495.
e. Large ensemble, 8 credits: 1 cr per semester. (See Note 3 above.)

**Bachelor of Music - Jazz Studies Option**

2. Creative techniques, 9 cr: 192, 292, 217; WDMD 100.
3. History and literature, 9 credits: 220, 305 and 321; and 3 cr from 221, 320.
4. Senior seminar, 2 credits: 418.
5. ONE of the following emphases:
   a. Performance Emphasis: Admitted by audition only.
      Nonpiano majors must complete 246 or Level 100 in piano. Woodwind majors must demonstrate proficiency on two secondary instruments equivalent to 167, 169 and/or 171. All performance majors must present a junior half recital and a senior recital.
      1) Applied music, 28 credits: 4 cr from 160, 162, 166-177, 181; 4 cr from 260, 262, 266-277, 281; 2 cr from 360, 362, 366-377, 381; 16 cr from 383, 483; 2 cr of 392.
      2) Required ensemble, 18 credits: 4 cr from 341, 342, 343 (1 cr per semester); enroll in 345 each semester; 6 cr from 123, 223.
      b. Composition/Arranging Emphasis: Nonpiano majors take 247. If placed in private piano, complete Level 100 and 247. All composition majors must present a junior recital and a senior recital.
      1) Theory, 7 credits: 315, 394/395, 410.
      2) Composition/arranging, 8 credits from 384, 479, or 484.
      3) Applied music, 10 credits: 4 cr from 160-181; 4 cr from 260-281; 2 cr from 360-381.
      4) Required ensemble, 14 credits: 4 cr from 341, 342, 343 (1 cr per semester); enroll in 345 each semester; 4 cr from 123, 223.

**Bachelor of Music - Music Education Option**

There are three majors in music education (K-12): (1) instrumental; (2) choral; and (3) general music. When you major in one area, you can complete “add-on” certification requirements in the other two.

In addition, a noncertifiable area of emphasis is available in Suzuki talent education to complement the music education tracks.

Teacher Certification Note: Enrollment caps are in effect for those seeking teacher certification. Please contact the Music Department early for entrance requirements and application procedures. Also see the information about the Professional Education Program and the elementary and secondary education curricula for teacher certification in the Education section of this catalog. You must complete all requirements before you begin your student teaching/internship semester.

1. Instrumental (K-12):
   a. Education, 12-13 credits: 200, 205, 300, 351, 381, 386. You also need History 211 and 212; Political Science 101; Psychology 110; one biological science and one physical science course. You must have a 2.75 GPA to student teach.
   b. Music Ed, 16 credits: 201, 325, 398 or 498, 400.
   c. Music, 62 credits:
      2) Vocal pedagogy, 2 credits: 492.
      3) Applied music (major), 10 credits: 4 cr from 221, 223, 247 in piano. Perform in juried public performance at appropriate level.
      4) Conducting, 4 credits: 317, 394.
      5) Large ensemble, 7 credits min (1 cr per semester); required every semester enrolled except student teaching. (See Note 3 above.) Piano majors: 1 cr from MUS 328 (taken in lieu of large ensemble upon course offering).
   d. Composition, 4 credits: 317, 394.
   e. Large ensemble, 8 credits: 1 cr per semester. (See Note 3 above.) Piano majors: 1 cr from MUS 328 (taken in lieu of large ensemble upon course offering).
      f. Conducting, 4 credits: 317, 394.
      g. Large ensemble, 7 credits min (1 cr per semester); required every semester enrolled except student teaching. (See Note 3 above.) Piano majors: 1 cr from MUS 328 (taken in lieu of large ensemble upon course offering).
   f. Additional ensemble, 2 credits: 302 and 303.
   g. Diction, 2 credits: 302 and 303.

2. Choral (K-12):
   a. Education, 12-13 credits: 200, 205, 300, 351, 381, 386. You also need History 211 and 212; Political Science 101; Psychology 110; one biological science and one physical science course. You must have a 2.75 GPA to student teach.
   b. Music Ed, 16 credits: 201, 325, 398 or 498, 400.
   c. Music, 62 credits:
      2) Vocal pedagogy, 2 credits: 492.
      3) Applied music (major), 10 credits: complete 300 level study in voice or piano. Perform in juried public performance at appropriate level.
      4) Conducting, 4 credits: 317, 394.
      5) Large ensemble, 7 credits min (1 cr per semester); 341 required every semester enrolled except student teaching. (See Note 3 above.) Piano majors: 1 cr from MUS 328 (taken in lieu of large ensemble upon course offering).
      6) Additional ensemble, 2 credits: 310 and 390 (1 cr each).
      7) Diction, 2 credits: 302 and 303.

3. General Music (K-12):
   a. Education, 12-13 credits: 200, 205, 300, 351, 381, 386. You also need History 211 and 212; Political Science 101; Psychology 110; one biological science and one physical science course. You must have a 2.75 GPA to student teach.
   b. Music Ed, 18 cr: 201, 323, 382, 398 or 498, 400.
   c. Music, 57 credits:
      2) Applied music (major), 10 credits: complete 300 level study in voice, piano, or another instrument. Perform in juried public performance at appropriate level.
      4) Music literature, 15 credits: 220, 221, 320, 346, and choice of 305 or 329.
      5) Conducting, 2 credits: 317.
      6) Large ensemble, 7 credits min (1 cr per semester); required every semester enrolled except student teaching. (See Note 3 above.) Instrumental majors must complete 2 additional
Bachelor of Music—Music Literature Option

3. Applied music (major), 12 credits: complete 300 level of study in major instrument and 246 or Level 100 of applied piano.
4. Large ensemble, 8 credits (1 cr per semester) from 341, 342, 343. (See Note 3 above.) Piano majors: 1 cr from MUS 328 (taken in lieu of large ensemble upon course offering).
5. Music literature, 34 credits: 
   a. Required, 25 credits: 327, 428 (each 2 cr), 220, 221, 320, 321, 326, 329, 427 (each 3 cr).

Music Minor

Consists of 22-24 credits:
2. Applied lessons, 4 credits: 140-181 (2 cr per semester).
3. Large ensemble, 2 semesters: 144, 341, 342, 343.
4. Music electives, 8 credits, selected from at least two of the following groups: (Music 100, 102, 103, 105, 109; Music Ed 201, 381 do not count toward music minor.)
   a. Theory/composition courses.
   b. Conducting courses.
   c. Music history and literature courses.
   d. Music education courses.
   e. Small or large ensembles.
   f. Jazz studies; performance, history, or analysis.
   g. Private applied or class applied.
5. Recital attendance requirement, no credit. See the Music Department student handbook.

If you are interested in a music minor, please contact the Music Department and consult with a music adviser regarding your musical objectives, music electives, and the recital attendance requirement.

Academic Standards

1. Permission to register, placement, and exceptions to the requirements are subject to the approval of the instructor and the chair.
2. Meet all general degree requirements for bachelor of music degree OR bachelor of arts degree. Refer to the General Degree Requirements section of this catalog.
3. To graduate with a major in music you must have a minimum 2.0 cumulative grade point average (2.75 to student teach) in all required major courses, including transfer courses, regardless of any declaration of academic bankruptcy. You may repeat courses in the major if you follow course repeat policy found in the More Academic Information section of this catalog.
4. Courses in music are open to all students who meet the prerequisites.

Test-Out, Credit-by-Exam, and Music Placement

If you are seeking advanced placement in music general degree requirement courses by testing out of a course or by gaining credit through exam, see the coordinator of the specific area in which the course is offered.

If you are from a UW College, while not required, we strongly encourage you to take the placement exams in musicianship and music history to determine the proper course you should take in those areas. If you are transfer-ring from institutions outside the UWSystem, you are required to take musicianship and music history exams.

We require all music education students to meet with the coordinator of music education before registering for upper level music education courses.

Courses in Music

Also see Music Education (next section).

MUS 100. Appreciation and History of Music. 3 cr. Development of music, stressing the elements of music understanding and intelligent listening; form and design in composition. Does not count toward music major/minor or bachelor's degrees in music. GDR: HU1

MUS 101. Appreciation of Music in Performance. 3 cr. Music appreciation; art of listening to and critiquing live music performances. Class lectures, in-class demonstrations/performances, required attendance at public concerts. Does not count toward music major/minor.
MUS 102. Popular Music in America. 1-3 cr. Music of America's people, past and present: the great jazz and folk movements, Broadway musical theatre, film music, recording, publishing, broadcasting. Does not count toward music major/minor, or bachelor's degree in music. Subtitle designates area. May repeat for credit with different subtitle.

MUS 103. Music in Film. 3 cr. Study music in film from silent era to present. Trace evolution of film music from honky-tonk piano accompaniment of silent film through classically inspired music of '30s and '40s to the present. Music might include pop, electronic, and Third World music. How music enhances film and molds viewers perception. Does not count toward music major/minor. GDR: HU1

MUS 105(MNS). Survey of Jazz History. 3 cr. History and literature of jazz from beginnings to present. Sociological impact of the music and musicians responsible for creating this American art form. Does not count toward music major/minor. GDR: HU1

MUS 109. Songwriting. 2 cr. Students of varying backgrounds learn basic music theory, structures of well written songs, and how to compose songs.

MUS 110. Musicianship I. 3 cr. Review theory fundamentals. Introduction to applied skills, analysis, and composition of tonal music. Prereq: Placement exam or 109; con reg in 112.

MUS 111. Musicianship II. 3 cr. Extension of applied skills, analysis, and composition in the tonal idiom, including modulation and chromaticism. Prereq: 110, 112, and con reg in 113.

MUS 112. Aural Musicianship I. 1 cr. Introduction to aural musicianship. Prereq: Placement exam or 109; con reg in 110.

MUS 133. Chamber Jazz; 124–Pit Orchestra; 126–Improvisation Ensemble; 130–Vocal; 131–String; 132–Flute; 133–Clarinet; 134– Saxophone; 135–Mixed Woodwind; 137–Mixed Brass; 138–Percussion.

MUS 144. Campus Band. 1 cr. Opportunity for nonmusic majors to continue playing in a musical organization (concert band) for enrichment. No audition required. May repeat for credit. Prereq: Must play a band instrument.

MUS 145. Pep Band. 1 cr. Performance ensemble for nonmusic and music majors to promote school spirit and crowd participation at university and athletic events. No audition required. May repeat for credit. Prereq: Play a pep band instrument.

MUS 150. Vocal Techniques for Instrumentalists. 1 cr. Class participation and observation. Prereq: Instrumental or general music ed major; con reg in MUS 341 if seeking general licensure.

MUS 155. Instrumental Methods: Percussion. 2 cr. Class participation and observation. Prereq: Instrumental music ed major; 152, 153, or cons inst.

MUS 156. Instrumental Methods: Brass. 2 cr. Class participation and observation. Prereq: Instrumental music ed major; 152, 153, 155, or cons inst.

MUS 157. Instrumental Methods: Double Reeds/ Flute. 2 cr. Class participation and observation. Prereq: Instrumental music ed major; 152, 153, 155, 156; or cons inst.

MUS 160-181. Applied Music I. 2 or 4 cr each. Individual instruction for music majors and minors (may be repeated). Concurrent enrollment in 341, 342, or 343 required. Normally taken for 2 credits; 4 credit lessons available by audition or with permission of applied instructor and department chair. Prereq: Cons chair.

MUS 193. Music Improvisation. 2 cr. Applied improvisation using jazz, aleatory, chance, and free improvisation. Prereq: Basic proficiency on a musical instrument, an understanding of improvisation in other media, or cons inst.

MUS 211. Music Improvisation. 2 cr. Applied improvisation using jazz, aleatory, chance, and free improvisation. Prereq: Basic proficiency on a musical instrument, an understanding of improvisation in other media, or cons inst.

MUS 220 (NW). Introduction to Music Literature. 3 cr. Survey non-Western and early Western (pre-1600) music; skills for studying music, including listening and research skills. Uses of music in diverse non-Western and Western groups. GDR: HU1

MUS 221. 17th-18th Century Music. 3 cr. Musical idioms and styles of Baroque and Classical periods; development of new forms; relationship of music to general culture of period. GDR: HU1

MUS 223-238. Small Ensembles II. 1 cr each. Same listing as MUS 123-128 at sophomore level. May repeat for credit. Prereq: 123-128.

MUS 246. Group Piano III. 2 cr. Keyboard skills for the nonpianist music major. Extension of skills in technique, reading, harmonization, transposition, selected repertoire and improvisation, including introduction to open-score reading. Prereq: 147 or audition.

MUS 247. Group Piano IV. 2 cr. For BM jazz composition/arranging majors; BME vocal/choral majors; and general music addition certification. Skills in open-score reading, hymn textures, harmonization, transposition and accommodations. Prereq: 246 or 160.

MUS 260-281. Applied Music II. 2 or 4 cr. Same listing as 160-181 at sophomore level. Individual instruction for music majors (may be repeated). Concurrent enrollment in 341, 342, or 343 required. Normally taken for 2 credits; 4 credit lessons available by audition or with permission of applied instructor and department chair. Prereq: 160-181, cons chair.

MUS 291. Jazz Keyboard Techniques. 2 cr. Basic keyboard skills in chord voicing, accompanying, and chord scale relationships. Prereq: 211 or cons inst.

MUS 302. Jazz Improvisation II. 2 cr. Study and apply chord scale relationships with respect to minor lie-V7(altern) progressions, as well as syntactic approaches to modal forms and unconventional harmonic sequences. Prereq: 192 or cons inst.

MUS 303. Music International. 2 or 3 cr. Music in performance in overseas study program. Attendance at performances supplements attention to backgrounds, development of various forms, and masterworks of various periods. Counts toward bachelor of music degree and music minor. Prereq: J r st or cons inst. GDR: HU1

MUS 301/501. History of Women in Music. 3 cr. The contribution of women as composers, performers, authors, and teachers throughout European and American history. GDR: HU1

MUS 302. Diction for Singers I. 1 cr. Introduction to international phonetic alphabet (IPA) and its application to singing Latin, Italian, and English song repertoire. 1 hr lec, 1 hr lab per wk. Prereq: Cons inst.

MUS 303. Diction for Singers II. 1 cr. Application of International Phonetic Alphabet (IPA) to German and French song repertoire. 1 hr lec, 1 hr lab per wk. Prereq: 302 or cons inst.

MUS 305/505(MNS). Jazz History for Musicians. 3 cr. History of jazz from its genesis to present. Focus on important artists as well as social, political and technological effects on music. GDR: HU1

MUS 307/507(NW). Survey of World Music. 3 cr. Survey of world music with reference to specific musics from four cultural groups. Lec, disc, and hands-on experiences. Prereq: Cons instr. GDR: HU1

MUS 308. Survey of Film Music. 3 cr. Critical study of film music from silent era to present. May take as elective toward music major/minor. Prereq: Music major/minor.
Courses in Music Education

MUED 201. Introduction to Music Education. 1 cr. Introduction to philosophy of music education. 2 hrs per wk; observe and participate in public school music classes. Prereq: Music 110, 112.

MUED 233. Elementary Music Education. 2 cr. Theory and application of general music teaching skills in primary/intermediate grades; classroom observations. Prereq: 201 or cons instr.

MUED 234. Elementary School Instrumental Music Teaching Techniques. 2 cr. Theory and application of instrumental teaching skills in primary and intermediate grades; relationship to public school music and general curriculum; observation. Prereq: 201 and 156; or cons instr; for music major/minors only.

MUED 235. Secondary Methods. Choral. 2 cr. Methods, materials and curriculum organization of choral music in junior and senior high schools; teaching and rehearsal strategies. Prereq: 201, 322, 394 or cons instr. For music majors only.

MUED 236. Secondary School Instrumental Music Teaching Techniques. 2 cr. Methods, materials, curriculum organization, and teaching strategies for instrumental music in high school. Prereq: 201, 322, 394 or cons instr; for music major/minors only.

MUED 381. Music in the Elementary School. 3 cr. Theory, techniques, teaching skills in primary and intermediate grades; music fundaments for each grade; aims and content of public school music in relation to general curriculum. Does not count toward music major/minor.

MUED 384/385. Suzuki Talent Education Pedagogy. 1 cr. Foundations of Suzuki Talent Education philosophy and pedagogical system as a practical approach to developing musical ability in children; pedagogical skills to establish a positive learning environment; discussion, observation and video materials. Individual music performance not required. (May be registered with SAA.)

MUED 385/386. Suzuki Workshop II. 2 cr. (Sec 1, violin; Sec 2, piano) Apply techniques and repertoire of Suzuki method beyond the elementary level; individual performance and observation of children required. Prereq: 385/385 or cons instr. (May be registered with SAA.)

MUED 387/388. Survey of Suzuki Talent Education. 2 cr. (Sec 1- Level I, may repeat once for credit; Sec 2-Level II; Sec 3-Level III; Sec 4-Level IV; Sec 5-Level V; Sec 6-Level VI; Sec 7-Level VII.) Study Suzuki talent education philosophy and repertoire and apply to teaching at designated levels including performance and observation of children. (May register with SAA)

MUED 390. Music for Exceptional Children. 2 cr. How to use music with children who are mentally retarded, emotionally disturbed, learning disabled, or gifted, or who have visual, hearing, speech, or motor impairments; techniques and materials. Prereq: 323; Educ 351/551.

MUED 398. Student Teaching in Music. 4-12 cr., pass/fail. Observation and teaching in elementary and/or secondary classroom under guidance of cooperating teachers and university faculty. Prereq: Con reg in 400; completion of music major, DPI, and education requirements.

MUED 400. Seminar on Teaching. 1 cr., pass/fail. Structured group discussion on aspects of teaching and professional portfolio development. Prereq: Con reg in 398 or 498.

MUED 465/665. Literature of Suzuki Talent Education I. 3 cr. (Sec 1, violin; Sec 2, piano) Survey performance and teaching literature; graded performance and technical materials; leads to advanced level training. Ability to demonstrate musical/technical concepts required. Prereq: 385/385 or cons inst. (May be registered with SAA.)

MUED 466/666. Literature of Suzuki Talent Education II. 3 cr. (Sec 1, violin; Sec 2, piano) Continuation of 465/665. Prereq: 465/665 or cons instr. (May be registered with SAA.)

MUED 498. Intern Teaching. 4-12 cr., pass/fail, pass/fail. Structured field experiences in approved school programs. Interns are certified by DPI and are employed under contract with schools to design, deliver, and assess instructional programs in grades K-12. Prereq: Complete all methods courses and 75% content courses in appropr major. Con reg in 400.

MUED 723. Music Literature for Junior/Senior High Schools. 3 cr. Select and present classic and modern literature for young people; styles and form and their implications for teaching.

MUED 751-762. Pedagogical Techniques for Music Teachers. 2 cr. each. Designed to assist the experienced teacher. 752–Violin; 756–Clarinet; 758–Trumpet; 759–Horn; 760–Low Brass; 762–Guitar.

MUED 786. Seminar in Music Education I. 3 cr. Aesthetic and philosophical foundations of Suzuki talent education, and techniques and teaching objectives.

MUED 787. Seminar in Music Education II. 3 cr. Psychological foundations of music education; develop teaching objectives; current trends in methodology.

MUED 788. Seminar in Music Education III. 3 cr. Aesthetics, philosophical and practical foundations of Suzuki talent education, its techniques and teaching objectives.

MUED 791. Piano Pedagogy. 3 cr. Effective skills in private and class piano; discuss and perform piano literature; observe class and private instruction. Prereq: Complete piano level 200.

MUED 792. Voice Pedagogy. 3 cr. Vocal teaching methods. Prereq: Cons instr.

MUED 793. Woodwind Pedagogy. 3 cr. Methods of teaching woodwind instruments and specific problems of each instrument. Prereq: Complete 300 level study or equiv.

MUED 794. Brass Pedagogy. 3 cr. Methods of teaching brass instruments and specific problems of each instrument. Prereq: Complete 300 level study or equiv.

MUED 795. Percussion Pedagogy. 3 cr. Percussion literature and reference material including method books, textbooks, and publisher sources. Prereq: Complete 300 level study or equiv.

MUED 796. String Pedagogy. 3 cr. Techniques employed by master string teachers of the past are presented, in the literature and music available for string instruction at all levels, in both private and class situations. Prereq: Complete 300 level study or equiv.

MUED 797. Performance, Methods, and Materials. 2 cr.
The College of Natural Resources offers credit-by-exam for all of its courses. The comprehensive exam for each course will be written and drawn from lecture and/or lab topics normally covered in the course. If you wish to take an exam for credit, first confer with the CNR associate dean for academic affairs. Then confer with the
Major

Fisheries and Water Resources

The fisheries and water resources major prepares you for a career or graduate study in fishery science or management, aquatic biology, hydrology, hydrogeology (groundwater), laboratory analysis of water and environmental samples, aquatic toxicology, and the assessment and management of water resources. You must select one of three options below: fisheries, 132 credits; watershed management, 128 credits; or water resources, 121 credits.

Academic Standards

To graduate with a major or minor in fisheries and water resources you must have a 2.00 minimum cumulative grade point average.

Fisheries and Water Resources

The fisheries and water resources major prepares you for a career or graduate study in fishery science or management, aquatic biology, hydrology, hydrogeology (groundwater), laboratory analysis of water and environmental samples, aquatic toxicology, and the assessment and management of water resources. You must select one of three options below: fisheries, 132 credits; watershed management, 128 credits; or water resources, 121 credits.

Fisheries Option of the Fisheries and Water Resources Major

The fisheries option prepares you for employment in consulting firms or state, tribal or federal resource management agencies where you would be involved in manipulating fishery resources through regulating human use, managing aquatic habitat, and stocking. With a BS degree in fisheries you will likely begin your professional employment as a limited term employee. An MS degree will greatly increase employment potential and job responsibilities in fisheries. If you complete the requirements for the fisheries option with a grade of C or better in all required courses, you will have completed the minimum course requirements for certification by the American Fisheries Society as a certified fisheries professional. For more information about certification see www.fisheries.org/afs/certification.shtml.

Fisheries Requirements

Consists of 132 credits.

1. Fisheries and aquatic sciences, 27 credits: NRES 250; Biology 374, 375; Water 353, 354, 387, 481, 483, 484.
4. Mathematics and statistics, 8 credits: Math 111 or 120, 355 or 356.
6. Water resources electives, 12 credits: Any water resources courses not already specified above.
7. Professional field experience, 7–8 credits: Option A or B (below).

Watershed Management Option of the Fisheries and Water Resources Major

The watershed management option prepares you for a career or graduate study in land conservation, water resources management, and hydrology. Watershed management graduates frequently gain employment with environmental consulting firms and state, federal, tribal, and local resource management agencies and are involved in land planning, resource protection, and civil works.

Watershed Management Requirements

Consists of 128 credits.

1. Watershed mgmt, 20–21 credits: Water 382, 389, 480 or 487, 481, 493; Geography 279; NRES 377.
2. Biological Sciences, 12 credits: Biology 130 or 160; NRES 151, 250.
3. Chemical sciences, 13–14 credits: Chemistry 105, 106, and 221 or 325.
4. Physical Sciences, 15 credits: Geology 104; NRES 251; Physics 201, 202.
7. Water resources electives, 9 credits: Select from Water 383, 420, 482, 480 or 487 (whichever is not taken above).
8. Electives, 6 credits: Select from NRES 373; Soil 461 or 465; Geology 352.
9. Professional field experience, 7–8 credits: Option A or B (below).

Water Resources Option of the Fisheries and Water Resources Major

In the water resources option you develop a flexible program of courses with your adviser to prepare you for one or more career paths. You can emphasize the physical, chemical or biological aspects of water resource management or combinations thereof. The breadth of electives allows you to complete a minor in such areas as chemistry, soil science, geographic information systems and spatial analysis, or land use planning that will enhance and focus your career opportunities. Graduates are normally employed by environmental consulting firms, or by county, state, tribal or federal resource management agencies that are involved in protecting and managing the quality and quantity of water resources.

Water Resources Requirements

Consists of 121 credits.

1. Water resources, 10 credits: Water 389, 480, 481.
2. Natural resources, 22 credits: NRES 150, 151, 250, 251, 372, 490; Philosophy 380.
3. Chemical sciences, 10 credits: Chemistry 105 and 106, or 115 and 116.
4. Biological sciences, 5 cr: Biology 101 or 130 or 160.
5. Physical sciences, 8 cr: Geography 279; Geology 104.
6. Mathematics and statistics, 8 credits: Math 111 or 120, and 355.
7. Science electives, 15 credits: Select from Math 121, Physics 101, 201, 202; any biology, chemistry, geology or soils courses that are not taken to satisfy other requirements.
8. Water electives, 15 credits: Select from any water courses numbered 300 or above that are not taken to satisfy other requirements.

Other water courses, 6 credits.

resources. Climate change in the past millennium. Case studies
in both WATR 353 and Wildlife 353. Prereq: NRES 250; Biology 160
preferences and water quality influences. 2 hrs lec, 2 hrs lab per wk.
Prereq: Biology 101 or 160, CNR or biology major or written cons instr. (I)

Professional Field Experience

Choose one:
A. Summer camp, 7 credits: Forestry 319, 320; NRES 405; Soils 359, 360; Wildlife 340; Water 380.
B. European summer program, 8 credits: NRES 475.

Water Resources Minor

Consists of 23 credits:
1. NRES 251; Water 389, 480, 481.
2. Other water courses, 6 credits.

Courses in Water

WATR 220(NW). Global Climate Change and Water Resources, 10th Century to Present, 3 cr. Effects of global warming on world water resources. Climate change in the past millennium. Case studies including Africa, India, North and South America, China and Japan. How availability of fresh water relates to climate change, agriculture, and diet. How past and present stressors to available water have been dealt with in different regions. May not earn credit in both WATR 220 and NRES 220. (I, II) GDR: EL

WATR 324. Invasive and Exotic Species. 3 cr. Biotic and abiotic factors influencing invasions of native and exotic species including social, political and economic concerns. May not earn credit in both WATR 324 and NRES 324. (II) GDR: EL

WATR 338/538. Physiology, 4 cr. Taxonomy, morphology, and ecology of algae especially local species. Field collections, small group experiments, lab analysis of field and cultured samples, and discussion of current algal research literature. 3 hrs lec, 3 hrs lab per wk. Prereq: Biology 130, CNR or biology major or written cons instr. (Also offered as Biology 338/538.) (I)

WATR 353/553. Wildlife and Fish Population, 3 cr. Mathematical, ecological, physiological, and behavioral characteristics of fish and wildlife population fluctuations. Use of models for characterizing fluctuations, and techniques for sampling, monitoring, and modeling survival, growth, reproduction, and population size. May not earn credit in both WATR 353 and Wildlife 353. Prereq: NRES 250; Biology 160 and 305; Math 111 and 335. (I)

WATR 354/554. Wildlife and Fish Populations Dynamics Methods, 1 cr. Demonstrate methods for modeling and dynamics of fish and wildlife populations, including abundance, survival, growth, reproduction (recruitment). May not earn credit in both WATR 354 and Wildlife 354. Prereq: NRES 250; Biology 160 and 305; Math 111 and 335. (I, II)

WATR 366/566. Wetland Soils. 1 cr. Characteristics of hydric soils including chemistry, morphology, genesis and classification; hydrology of wetlands; field observation and application of federal and regional guidelines to identify hydric soils. Prereq: NRES 251. May not earn credit in both WATR 366/566 and SOL 366/566. (I)

WATR 367/567. Wetland Delineation, 1 cr. Review procedures for identifying and delineating wetlands for permit review. Prereq: NRES 251. May not earn credit in both WATR 367/567 and SOL 367/567. (II)

WATR 380. Field Experience in Aquatic Ecosystem Evaluation, 1 cr. Fishery, limnological, and hydrological evaluation; lake and stream inventory and evaluation for integrated resource mgmt. Prereq: NRES 250, 251; 2.00 GPA in major, CNR or biology major or written cons instr. (GS)

WATR 381/581. Internship in Water, 1-12 cr. Supervised training program in watershed management, fisheries, or water quality, in cooperation with private or public resources. 1 cr for 2-4 wks (40 hrs per wk) of work. Credits and/or addl requirements set before registration. May repeat once for 12 cr max. Prereq: Forestry 319, 320; Wildlife 340, Soils 359, 360, Water 380; or NRES 475; 2.00 GPA in major; and/or cons intern director; CNR or biology major or written cons instr. (II)

WATR 382/582. Water Quality Management, 3 cr. Structure and purpose of U.S. water quality regulations and implementation of associated water quality control systems. Prereq: CNR or biology major or written cons instr. (I)

WATR 383/583. Hydrogeology, 3 cr. Occurrence and movement of groundwater in the geologic environment; response of aquifers to pumping wells; groundwater resource exploration, and management. 2 hrs lec, 2 hrs lab per wk. May not earn credit in both Water 383 and Geology 383. Prereq: Geology 101 or 104, NRES 250, 251, Math 120, CNR or biology major or written cons instr. (I)

WATR 384/584. Life History of Fishes, 3 cr. Life histories of North American fishes as juveniles and adults. Discussion of life history traits including longevity, growth, maturation, fecundity, behavior, movements, and reproductive strategies. Life history considerations in fisheries management and conservation. Prereq: NRES 250

WATR 386/586. Aquaculture/Fish Culture, 3 cr. Introduction to the culture of finfish, methods of production, environmental and ecological considerations, selective breeding, nutrition, diseases, processing, and marketing. 2 hrs lec, 2 hrs lab per wk. Prereq: Biology 101 or 160.

WATR 387/587. Aquatic Insects, 3 cr. Life histories, ecology, behavior, taxonomy and identification of lotic and lentic aquatic insects. Field collections of aquatic insects and discussions of habitat preferences and water quality influences. 2 hrs lec, 2 hrs lab per wk. Prereq: Biology 160, CNR or biology major or written cons instr. (I)

WATR 389/589. Hydrology, 3 cr. Physical basis of surface and subsurface water occurrence and flow; measurement, analysis, and prediction of hydrologic phenomena. 2 hrs lec, 2 hrs lab per wk. Prereq: NRES 250, 251; basic statistics course, CNR or biology major or written cons instr. (I, II)

WATR 405/605. Hydrologic Modeling for Planning and Design, 1 cr. Introduction to operation and requirements of surface water models used in hydrologic design and planning. Prereq: 389 or con reg; admis to CNR, cons instr.

WATR 451/651. Agricultural Hydrologic Planning and Design, 1 cr. Use of standard surface water flow and water quality models in agricultural land use planning. Prereq: 389 or con reg; admis to CNR, cons instr.

WATR 452/652. Urban Hydrologic Planning and Design, 1 cr. Use of standard urban hydrologic modeling tools for urban and suburban land use planning. Prereq: 389 or con reg; admis to CNR, cons instr.

WATR 454/654. Design of Constructed Wetlands, 1 cr. Design and construction of wetland areas for water quality control. Prereq: 389 or con reg; admis to CNR, cons instr.

WATR 480/680. Water Chemistry and Analysis, 4 cr. Measure and interpret chemical characteristics of water resources in human-dominated landscapes. 2 hrs lec, 4 hrs lab per wk. Prereq: Chemistry 106 or 116, capability with spreadsheets (CSI 102 or equiv), CNR or biology major. (I, II)

WATR 481/681. Limnology, 3 cr. Physical, chemical, and biological phenomena of freshwater communities. Prereq: Biology 305, CNR or biology major or written cons instr. (I, II)

WATR 482/682. Biological Assessment of Water Quality, 3 cr. Assessment and effects of physical and chemical pollution in the aquatic environment. Laboratory assays and field assessments and their interpretation using bacteria, invertebrates, aquatic plants and fish. 2 hrs lec, 2 hrs lab per wk. (I)

WATR 483/683. Fisheries Research, 3 cr. Introduction to field and laboratory fishery research. Principles of designing research projects, testing hypotheses, sampling fish, analyzing fishery data, reporting results in both written and oral forms, and defending research. Prereq: 481; Biology 374; Summer Camp; CNR or biology major or written cons instr. (I)

WATR 484/684. Fisheries Management, 3 cr. Principles used in the assessment and management of aquatic habitats, fish populations, and human users, as they influence production of fish in inland waters. Prereq: 481; Biology 374; Summer Camp; CNR or biology major or written cons instr. (I)

WATR 487/687. Groundwater Geochemistry, 3 cr. Factors and processes controlling the chemistry of subsurface waters including mineral solubility, complexation, redox reactions, ion exchange, and adsorption; also hydrochemical behavior of contaminants. 3 hrs lec per wk. May not earn credit in both Water 487 and Geology 487.

Prereq: Chemistry 106 or 116; Geology 101 or 248; NRES 250, 251; CNR or biology major or written cons instr. (II)

WATR 492/692. Advanced Techniques of Environmental Analysis, 3 cr. Theory and application of instrumental methods used in monitoring environmental samples for organic and inorganic compounds; laboratory quality control, sample preparation, data handling; gas and liquid chromatography, mass spectrometry, atomic absorption and inductively coupled plasma spectroscopy, autoanalyser use. 3 hrs lec, 4 hrs lab per wk. Prereq: Chemistry 248; Water 480 or Soils 364, CNR/biology major or written cons instr. (II)

WATR 493/693. Watershed Management, 3 cr. Detailed study using GIS of the effect of land use on water quality, yield, and timing land
Academic Standards
To graduate with a major or minor in forestry, you must have a minimum cumulative grade point average of 2.50.

Forestry Major
1. Major study and approved electives total 134 credits.
2. One summer of adviser approved forestry internship or employment.
3. Required courses, 61 credits:
   b. Biology: 100, 101, 110, 201, 203, 204; Geology 104.

4. Complete ONE of five following collateral options:
   a. Forest Management (46-47 credits)
      1) Natural Science: Chemistry 101 or 105 and one course from Biology 180; Chemistry 106; Physics 101, 201, 203, 204; Geology 104.
      2) Math 111, 112; Forestry 311, 312, 313, 329, 370, 433; 4 credits of 324, 424, 426; NRES 377; Biology 350 with Biol 130 and Chem 101 or 105 accepted as prerequisites; and one course from Comm 240, 280; English 248, 254, 351, 354, NRES 320.
   b. Forest Administration and Utilization (51-53 credits)
      1) Natural Science: Chemistry 101 or 105 and one course from Biology 180; Chemistry 106; Physics 101, 201, 203, 204; Geology 104.
      2) Economics 110; Geography 279, 280; Philosophy 101.

Objective of the Forestry Program
1. To provide a sound undergraduate program of forestry education. The core of required forestry courses is based on standards for professional training established by the Society of American Foresters. Our program adds flexibility to help meet your professional objectives through the selection of collateral courses and specialized training.
2. To support and enhance the other majors in the College of Natural Resources and other academic programs of the university. The philosophy of the College of Natural Resources emphasizes the oneness of the environment. To that end all majors in the college require training in forestry, soils, water, and wildlife. You can combine minors or concentrations in other disciplines with your forestry major to enhance your qualifications as a forestry professional.
3. To pursue new knowledge. Research is the basis of the graduate program. Research primarily in applied forestry is allied to the undergraduate program.
4. To apply contemporary forestry knowledge through continuing education and extension. The forestry program serves as a center for the exchange of knowledge through sponsorship of symposia, workshops, and seminars on contemporary subjects for forestry professionals and forest landowners.
5. To develop professionalism and an esprit de corps among students, alumni, and faculty. The faculty encourages participation in professional and university activities through coordinating activities with the Society of American Foresters, the student chapter, local chapters, sections of the society, and the university alumni association.
1. Natural Science: Chemistry 101 or 105 and two courses from Forestry 428, 429, 433; NRES 377.
2. Select remaining credits from Forestry 311, 312, 313, 329, 370; Math 111, 203, 204; Physics 101, 102, 203, 204; Geology 104.
3. Math 111, 112; Forestry 331, 333, 335, 342, 385, 396, 424, 426, 431, 435; English 351 or NRES 320; Biology 350 with Bio 130 and Chem 101 or 105 accepted as prerequisites.
4. Electives: At least 8 adviser approved credits from 300-400 level forestry, natural resources, business, economics courses; 200-400 level accounting courses; 100-400 level paper science courses.
5. At least 3 credits from Biology 308, 338, 347, 374, 378; Forestry 426; Water 387, 481*, 482; NRES 462; Wildlife 360*. 451. (If not taken to meet 4e2 above.)

**Forestry Minor**
Consists of 26 credits:
2. Select remaining credits from Forestry 311, 312, 313, 319, 320, 321, 324, 325, 327, 335, 350, 394, 395, 424, 426, 433, 493; NRES 323, 371, 372; Soils 361; Water 493.

**Forest Recreation Minor**
Consists of at least 27 credits:
1. Forestry 330, 331, 334, 335, 381 (3 cr), 394, 480; 2-5 credits from NRES 367, 368, 369, Comm 306, 307.
2. Five credits from the following: Forestry 324, 333, 385; NRES 320, 393, 474, 478; Wildlife (any 300-400 level course beyond 320 and excluding 340).

**Forest Recreation Concentration in the Business Administration Major**
See Business and Economics in this catalog.

**Forestry Transfer Students**
If you are transferring here from an accredited institution to pursue a degree in forestry, you must complete at least 21 credits of 300 and 400 level UWSP forestry courses.

**Courses in Forestry**
FOR 224. Fire Operations. 1 cr. Fire control techniques, tactical planning, fire crew supervision, safety procedures, and proper use and maintenance of equipment for prescribed burns and control and suppression of wildland fires. After completing this course and a WDNR firefighting training session, you may apply for WDNR firefighter's certification. (I)
FOR 232. Dendrology and Silvics. 3 cr. Ecology and classification of common upper Midwest trees and shrubs. Prereq: Biol 130 and NRES 151. (I)
FOR 311/511. Amenity Forestry: Forest Recreation. 1 cr. Recreation as a major land use. Overview of meaning and importance of recreation and issues concerning the demand for recreation opportunities. Prereq: Summer camp or cons instr. (II)
FOR 312/512. Amenity Forestry: Landscape Aesthetics. 1 cr. Principles and application of landscape aesthetics to management of forests for nontimber values. Prereq: Summer camp or cons instr. (II)
FOR 313/513. Amenity Forestry: Introduction to Urban Forestry. 1 cr. Examine historical uses of trees in urban environment; benefits derived from urban forests; need for and components of sound urban forestry management planning. Prereq: Summer camp or cons instr. (II)
FOR 319. Land Surveying. 1 cr. Practices in land surveying, including distance and angular measurement, area computation and mapping, stadia, notekeeping, and deed searching for integrated resource management. Prereq: NRES 250; 2.00 GPA in major, Cnr major or written cons instr. (SS)
FOR 320. Field Experience in Forest Measurement. 1 cr. Apply forest measurement techniques and ecological relationships for integrated resource management. Prereq: NRES 250; 2.00 GPA in major, Cnr major or written cons instr. (SS)
FOR 321/521. Fire Protection. 3 cr. Use applied mathematical and statistical methods to solve forestry problems. 3 hrs lec, 2 hrs lab per wk. May not earn credit in both 321 and Math 355. Prereq: Math 100; NRES 250 (or con reg), or written cons instr. (II)
FOR 322/522. Forest Mensuration. 3 cr. Measure volume, growth, development of individual trees and stands; determine products obtainable from them; construction and use of appropriate instruments; tables, and surveys. Prereq: Math 109 or 111; Forestry 232, 319 and 320 or NRES 475; Math 355 or Forestry 321; Cnr major or written cons instr. (I)
FOR 324. Fire Management and Ecology. 2 cr. Phenomenon of fire; its physical and chemical effects and historical significance. Behavior and effect of wild and prescribed fire in temperate forests. Techniques for planning, conducting, and evaluating prescribed burns. Prereq: Forstry 320, 327, NRES 250; Cnr major or written cons instr. (II)
FOR 325/525. Range Management. 3 cr. Technical study of sustained yield management practices for rangeland; proper stacking and grazing systems; methods of range surveying. Prereq: Biol 130, NRES 251; Cnr major or written cons instr. (II)
FOR 327/527. Forest Protection. 3 cr. Analysis of biotic and abiotic agents, including insects, pathogens, forest fires, meteorological, soil, and other factors impacting tree health. Principles of detection, prevention, integrated control, 2 hrs lec, 2 hrs lab per wk. Prereq: NRES 250, Biol 130, 160, Cnr major or written cons instr. (II)
FOR 329/529. Harvesting Systems. 2 cr. North American tree and harvesting systems; felling, limbing, bucking, forwarding, loading and hauling, analysis of safety procedures, equipment selection and maintenance, environmental implications, and cost determinations. Prereq: Summer Camp, Cnr major or written cons instr. (II)
FOR 330/530. Forest Recreation Planning and Site Design. 3 cr. Analyze principles and practices of forest recreation planning, especially federal and state recreation agencies; develop master plans
FOR 331/531. Landscape Maintenance/ Arboriculture. 3 cr. Principles and practice of tree, shrub, and ground cover establishment and maintenance; use and maintenance of landscape equipment and facilities. Prereq: CNR major or written cons instr.(I)

FOR 332/532. Forest Ecosystem Ecology. 3 cr. Community and ecosystem level forest ecology in temperate/boreal region with a focus on processes which determine ecosystem structure and function. Prereq: Biol 130, Forestry 232, Summer Camp, CNR major or written cons instr. (I)

FOR 333/533. Urban Forestry. 3 cr. Management of trees and other vegetation in metropolitan areas to enhance the urban environment. Prereq: 232, CNR major or written cons instr. (I)

FOR 334/534. Forest Recreation and Tourism. 3 cr. How the tourism industry affects forest recreation supply and demand, public/private leisure service agencies and the economy, travel motives, destination appeal, marketing, roles played by various agencies, social trends that relate to management and planning. Prereq: 335 or cons instr. (II)

FOR 335. Recreational Use of Forests and Parks. 2 cr. Survey the nature and extent of recreational use of forest environments; roles of public and private agencies in providing forest recreation; social and environmental impact of forest recreation; and principles of management and planning. (I, II)

FOR 336. Pesticides in Natural Resource Management. 1 cr. Introduction to the application and use of pesticides in natural resource management. This course will prepare you to take the Wisconsin Pesticide Applicator Certification Exam. Prereq: 383.

FOR 339. Survey of Forest Certification Systems. 1 cr. Examine the role of forest certification systems in promoting sustainable forest management on private and public lands and their impact on the marketplace, including an understanding of the different certification systems and how these systems work from initial evaluation through audits.

FOR 342. Urban Trees and Shrubs. 2 cr. Identification, cultural use, and characteristics of deciduous and evergreen trees, shrubs, and vines for urban, suburban and rural communities and landscapes. Prereq: 232. (I)

FOR 381/581. Internship in Forestry. 1-12 cr. Supervised training program in forestry in cooperation with private or public resource agencies. One cr for 2-4 wks, (40 hrs per wk) of work. Credits and/or add requirements determined before registration. May repeat once for 12 cr max. Prereq: Summer Camp, 2.0 GPA in major, and/or cons into director. Consent of major or written cons instr. (I, II)

FOR 385/585. Applied Landscape Architecture. 2 cr. Principles of design, landscape assessment, and graphic techniques that apply to urban and rural forested landscapes. Prereq: Summer Camp or cons instr. (I)

FOR 392/592(NW). Native American Forestry. 3 cr. Introduction to Native American forest management from cultural, ecological, historical and socioeconomic perspectives. May not earn credit in both Forestry 392/592 and History 361. GQR: EL (II)

FOR 394/594. Forest Recreation Seminar. 1 or 2 cr. Field observation and study of recreation planning and management problems and practices, at federal, state, and other recreation areas outside this geographical region. Prereq: 335 or cons instr. (I)

FOR 395. Tree Care Techniques. 1 cr. Maintenance of mature trees, including pruning, cabling, and removal. (I, II)

FOR 424/624. Forest Pathology. 2 cr. Diagnosis, ecology and integrated control of common forest and shade tree diseases. 2 hrs lec, 2 hrs lab per wk. Prereq: Biol 130, Forestry 232, 327, CNR major or written cons instr. (II)

FOR 425/625. Forest Management and Finance. 3 cr. Principles of organizing and regulating forest properties; valuation and investment analysis. 2 hrs lec, 2 hrs lab per wk. Prereq: 322, 432, CNR major or written cons instr. (I, II)

FOR 426/626. Forest Entomology. 2 cr. Identification, bioclimatology and integrated control of the more common and important forest insect families and species. 2 hrs lec, 2 hrs lab per wk. Prereq: Biol 160, Forestry 232, 327; CNR major or written cons instr. (I)

FOR 429/629. Forest Products III: Marketing and Advanced Manufacturing. 2 to 3 cr. Marketing forest products including typical channels of distribution by product type, origin and end use, functions of intermediaries. Case studies. Review project in wood products manufacturing. Field trips. Optional 1 cr lab for 3 cr. Prereq: 370, 428, and cons instr. (II)

FOR 430. Landscape Construction. 3 cr. Principles of surface drainage, aesthetic landform modification, earthwork calculation, and highway alignment applied to design of parks and institutional grounds. (I)

FOR 431/631. Tree Structure and Function. 2 cr. How tree morphology relates to tree management in urban environment. 1 hr lec, 1 hr lab per wk. Prereq: Biol 351, CNR major or written cons instr. (II)

FOR 432/632. Silviculture. 3 cr. Principles governing establishment, treatment, and control of forest stands; natural and artificial regeneration systems; intermediate cuttings, and cultural operations. Examining principal forest types of Lake States region, North America. 2 hrs lec, 3 hrs lab per wk. Prereq: 232, 320, 322, 332, CNR major or written cons instr. (I, II)

FOR 435/635. Nursery Operations and Management. 3 cr. Principles and practice of nursery management and operations of nursery stock for rural and urban forests. Includes production systems, nurserystock standards, plant propagating, stock storage and delivery, nursery design, cultural requirements and growth strategies, nursery IPM, regulations. Prereq. 232. (I)

FOR 436. Managing Non-industrial Private Forests. 2 cr. Understand the role of private non-industrial woodland owners in the management of natural resources and the sources of financial and technical assistance to assist them. Integrate advanced forestry skills and develop advanced interpersonal communication skills needed to provide forest stewardship advice. Prereq: 432, 322, 432, 440. (I)

FOR 440/640. Forest Tree Improvement. 3 cr. Distribution of genetic variation in forest tree populations; introduction, selection, progeny testing, species hybridization, and biotechnology to obtain superior tree populations. Prereq: 232 or cons instr. (II)

FOR 449. Basic Forestry Skills Review and Testing. 1 cr. pass/fail. Review and testing of basic knowledge covered in required forestry courses and expected of entry level career foresters. Preliminary and practice tests are offered in conjunction with earlier required forestry courses. Prereq: 432, passing scores on preliminary sophomore and junior tests. (I, II)

FOR 480/680. Forest Recreation Management. 3 cr. Formulate recreation management objectives; determine user preferences and satisfaction; analyze ecological impacts and facility requirements of forest recreation use. Prereq: Summer Camp; Forestry 335, 330; or cons instr. (I)

FOR 483/683. Forestry Field Seminar. 1-3 cr. Study current forest management practices, techniques and issues on this regional tour, addressing environmental, economic and social components in forested regions of the world. May be repeated under various subtitles for regions. Prereq: Cons instr. (I, II, SS)

FOR 499. Special Work. Upperclass forestry students may arrange for independent study with cons assoc dean. Credit based on scope of project. (I, II)

FOR 701. Survey of Forestry. 1 cr. Key elements of forest ecology, silviculture, management and amenities, and their relation to key issues in forestry at the local, national and international levels. Prereq: Certified elementary and secondary teachers only.

FOR 724. Advanced Forest Protection. 3 cr. Advanced topics in pathology, entomology, and fire science management; review of basic principles and current literature; practical experience in laboratory and field techniques. Prereq: Cons inst. (II)

FOR 725. Advanced Forest Management Economics. 3 cr. Advanced topics and case studies including principles and theory of managerial and financial analysis, production economics and decision systems. Prereq: NFS 372. Forestry 425, or cons instr. (I-II even years)

FOR 726. Advanced Forest Protection. 3 cr. Advanced topics including ecosystem ecology, biogeochmistry, ecophysiology, ecosystem modeling, advanced decision making in silviculture, and application of ecological principles to silviculture. Prereq: 332, 432, or cons instr. (I, even years)

FOR 733. Advanced Topics in Urban Forestry. 3 cr. Advanced topics of the management of trees and other vegetation in metropolitan areas to enhance the urban environment.

FOR 737. Advanced Topics in Silviculture. 3 cr. Advanced topics in silviculture, including genetic improvement of forest tree stands, experimental silviculture design and forest tree improvement.
HUMAN DIMENSIONS OF NATURAL RESOURCE MANAGEMENT

Dan Sivek, Coordinator
Room 188, Trainer Natural Resources Building
Phone: 715-346-2028
E-mail: dsivek@uwsp.edu OR cnr@uwsp.edu

Faculty and Instructional Academic Staff: J Buchholz, R Champeau, M Dornbeck, K Floress, R Govett, A Haines, B Lackey, J Lane, D Lueck, L Markham, C McReynolds, J Passineau, T Quinn, M Reisner, J Rivin, S Schuller, D Sivek, C Thomas, A Thompson, R Wilke, D Yockers, R Zimmerman.

Academic Standards
To graduate with a major in general resource management you must have a minimum cumulative grade point average of 2.00. To graduate in any other major or minor in human dimensions of natural resource management, you must have a minimum cumulative grade point average of 2.25.

Resource Management Major
1. Natural Resources courses, 19 credits: NRES 150, 151, 250, 251, 474, 490.
2. Geography 101 or Geology 104.
4. Complete ONE of the following collateral options: general resource management, environmental education and interpretation, land use planning, or youth programming and camp management, resource management policy, resource management law enforcement.
   a. General Resource Management, 29 credits: Biology 130, 160; Chemistry 105 and 106, or 115 and 116; NRES 320 or 478; 372, 473 or 484. NOTE: To prepare for a professional career, we recommend that you select one or more minors to accompany this option. Suggested minors include environmental communication, environmental law enforcement, forest recreation, international resource management, soil science, water resources, wildlife.
   b. Environmental Education and Interpretation, 58-68 credits: Biology 101, or 130 and 160; 342, 377; Chemistry 101 or 105 & 106; English 363 or 392; NRES 301, 302, 368, 369(5 cr), 482(12 cr), 478; Philosophy 380; & 9 credits from Astronomy 311; Biology 308, 309, 355, 357 372, 374, 376, 378, 379, 388; NRES 483; Wildlife 372, 458.
   c. Land Use Planning, 56-66 credits: 1) Required: Biology 101, or 130 and 160; Chemistry 101, or 105 and 106; Geography 476; NRES 320, 372, 388 (or GEOG 388), 389 (or GEOG 389), 484, 488, 489, 495; Soils 365.
   2) Three credits from Geography 496; Poli Sci 212, 242, 250 (or NRES 473), 304 or 341; Sociology 300, 356, 357, 358.
   3) Three credits from Econ 311, 374; Geography 495 or Math 355, Poli Sci 397.
   4) Electives: 6 credits from Forestry 232, 311, 312, 313, 330, 333, 385; Geography 276, 279, 397, 382; NRES 357, 377; Water 382, Waste Mgt 380, 476.
   5) Professional experience, at least 4 credits of NRES 381.
   d. Youth Programming and Camp Management (YPCM), 74-75 credits:
      1) Required: Biology 101, or 130 and 160; Business 380; Chemistry 101, or 105 and 106; Forestry 330 or 335; Human Devel 265; NRES 281, 293, 302, 276, 282, 382, 383, 320 or 478, 367 or 368; 3 credits from 369; Psych 110; Sociology 101; Sociology 225 or Psych 315; HP/W 102, Wellness 218 and 3 credits from Wellness 100-299.
      2) Electives:
         (a) Business, 3 credits from Business 100, 330, 340, 350, 352, 384, 385.
         (b) Human development, 3 credits from HD 101, 102, 103, 166, 261, 362, 367.
         (c) Sociology/psychology, 3 credits from Soc 270, 316, 352, Psych 260, 320.
         (d) Health/physical educ, 3 credits from HLED 104, 140, 390, PEX 250, 445.
         (e) First Aid/CPR, 2 credits from PED 252, 253, 254.
   e. Resource Management Policy, 46-56 credits:
      1) Science core, 10-20 credits required: Biology 101, or 130 and 160; Chemistry 101, or 105 and 106.
      2) Analysis and communication, 12 credits: 6 credits required from NRES 320 or 478; Philosophy 121, 315 or 380. Take remaining credits from Geography 279, 476; Math 355; NRES 389; Poli Sci 397.
      3) Policy formulation, implementation and evaluation: 24 credits: 18 credits required from Economics 110, 311, 315, 342, 362, 365; Geography 110, 113, 340, 344; NRES 220, 324, 357, 381 (1-3 cr), 484; Poli Sci 242, 250, 304, 356, 358; Soils 461; Waste 476, 489; Water 220, 382.
   f. Resource Management Law Enforcement, 56 credits:
      1) Science and natural environment core, 26 credits. Required: Biology 130, 160; Chemistry 105 and 106. Take remaining 6 credits from Forestry 232, 335 or 394; Soils 366; Water 382, 383; Wildlife 360, 372, 450, 458.
      2) Analysis and communication, 6 credits. NRES 320 required. Take remaining credits from NRES 368, 478; Philosophy 121, 315, 380.
      3) Policy formulation and implementation, 6 credits. NRES 473 required. Take remaining credits from NRES 372; Poli Sci 356, 358; Economics 311.
4) Law enforcement, 18 credits required. NRES 392, 393; Poli Sci 212 or Sociology 230.

5. Teacher Certification Emphasis
If you seek certification to teach environmental studies at the secondary level, complete one of the above options and this emphasis, or the resource management minor in conjunction with another approved major.

a. Teacher certification in secondary education (conservation) consists of 20 credits: Chemistry 105 or 115; NRES 301 and 302; and 9 credits from NRES 372, Geography 340, History 366, Philosophy 380, Poli Sci 304, Sociology 260.

b. Also, complete the professional education sequence: Education 205, 337, 351, 381, 386, 390, and 398. Plus History 212 and 3 credits from History 120, 130, 211, 379, 382, 385; Instructional Resources 331; Poli Sci 101; one fine arts course; one humanities course that is literature.

c. You must have a grade point average of 2.75 to student teach.

d. Also see information about the Professional Education Program and the secondary education curriculum for teacher certification in the Education section of this catalog.

Environmental Communication Minor
Open only to majors within the College of Natural Resources. Others may request permission from CNR assoc dean for academic affairs. It consists of 26 credits:

1. Required core, 11 credits: NRES 320, 368, 369 (5 cr).

2. Fifteen credits: 3-6 credits from Comm 240, 280; 9-12 credits from Comm 252, 322, 330, 342, 361, 365, 391, 394; English 354; Instruc Resources 331, 332.

Environmental Education/Interpretation Minor
Consists of 27 credits. Open only to natural resources majors (other than resource management) and biology majors. Others may request special permission from the CNR assoc dean for academic affairs.

1. Required courses, 24 credits: NRES 301, 302, 368, 369, 374, 376, 478. If you are not a CNR major, you must also take NRES 150.

2. Electives: 3-6 credits from field courses selected in consultation with the coordinator of the minor.

Environmental Education Minor for Elementary/Middle School
Open only to students seeking teacher certification for ages 6-12/13. Consists of at least 24 credits from:

1. Environmental ed core: NRES 370, 376, and a minimum of 3 credits from one of NRES 281, 302, 368, 382, 478 or other courses approved by adviser.

2. Environmental science core, up to 14 credits. Take one course from at least three of the four areas below:
   a. Biology 101
   b. Chemistry 100 or 101
   c. Physics 101
   d. Geography 101

3. Electives: Biology 305, Philosophy 380, other courses approved by adviser.

Enrollment caps are in effect for those seeking teacher certification. Please contact the Wisconsin Center for Environmental Education early for entrance requirements and application procedures. Also see information about the Professional Education Program and the secondary education curriculum for teacher certification in the Education section of this catalog.

Energy Education Certificate Program
The Energy Education Certificate is available to practicing K-12 teachers only. The certificate reflects comprehensive professional development and experiences in energy content and teaching competencies. The certificate is awarded after completing at least three KEEP courses (NRES 730, 731, 732, 733, 734, 735, 736) and providing evidence of involvement in at least three energy education activities. Contact KEEP for a list of eligible activities.

ENVIRONMENTAL ETHICS
See Philosophy.

Environmental Law Enforcement Minor
Complete one track:

1. Credentialed enforcement track, 27 credits:
   a. Required: NRES 320, 392, 473; Sociology 230 or Political Science 212.
   b. NRES 393, 12 credits: This is the 520-hour Wisconsin Law Enforcement Training and Standards Board certified recruit training program offered by a state technical college. Take 392 as prerequisite.
   c. Three credits from Forestry 335, 394; Water 382; Wildlife 360, 372, 458.

2. Non-credentialed (regulatory and law) track, 27 credits:
   a. Required: NRES 320, 392, 473; Sociology 230 or Political Science 212; Political Science 304 or 305; Philosophy 315 or 380.

Environmental Studies Minor
Administered by the College of Letters and Science. See description earlier in this catalog.

International Resource Mgmt Minor
Consists of a minimum of 21 credits for CNR majors and a minimum of 31 credits for other majors:

1. Required courses:
   a. NRES 323
   b. International experience. At least 3 credits from one of the following: NRES 381, 406, 407, 475; FOR 493; INTL 395; or another study abroad program approved by International Resource Management adviser.
   c. Complete one foreign language course beyond the second semester (102) college level or participation in an intensive language study abroad program or internship with approval of International Resource Management adviser.
   d. One course from each area: (1) SOC 270, 310, 322, 343, 355, 357, 370; PSYC 240; INTL 381
   (2) ECON 342 or 362 or 365;
   (3) GEOG 113 or 120.

2. Three credits from ANTH 320, 325, 335, 338, 345, 350; BIO 353; COMM 345; ECON 362; GEOG 300, 301, 325, 327, 328, 340, 342, 344, 358, 369, 371, 374; HIST 204; INTL 300, 391; NRES 301, 340, 410, 440, 458, 478; PHIL 380.
3. Non-CNR majors are also required to take: NRES 150, 151, and 250 or 251.

Land Use Planning Minor
Consists of 24 credits:
1. At least 3 credits from NRES courses 474, 484, 495.
2. NRES 388, 389, Soils 365 and Geography 476 and at least one of the following: Geography 276, 377 (or NRES 377), 379, 382, 479, NRES 444.
3. At least 3 credits from Econ 342; Poli Sci 212, 242, 250, 304, 341; Sociology 300, 356, 357.

Resource Management Minor
Consists of 23 credits including:
1. NRES 150, 151, 250, 251, 388 or 473, and 474.
2. Select remaining credits from CNR courses 300 and above. For teacher certification also take NRES 478.

Youth Programming and Camp Management Minor (YPCM)
Consists of 25-28 credits toward principles and practices of program planning, administration, and environmental education within youth agencies and camps:
1. Required courses, 16-19 credits: NRES 301 and 302 or 370, 281, 376, 382, 383.
2. Select 9 credits from at least two areas below or see the minor adviser for other options:
   c. Psychology 260, 320, 315.
3. Recommended: See the minor adviser for information about related summer work experience or internship experience during your junior and senior years.

Courses in Natural Resources
The resource management major is described under the heading “human dimensions of natural resource management” above.

NRES 100. Natural Resource Careers Workshop. 1 cr. Explore concepts and careers in natural resource management.

NRES 110. Environmental Management for Homeowners. 2 cr. Practical, economical, environmentally sound considerations of water supply and quality; home and garden management; urban wildlife and forestry; waste disposal; energy conservation, landscaping, air quality. NRES 150. People and Natural Resources. 3 cr. Global resource and environmental problems from a historic, socioeconomic, and biological perspective. (I, II) GDR: SS/EL.

NRES 151. Ecological Basis for Natural Resource Management. 3 cr. Basic principles of ecology and application of those principles to the management of natural resources. (I, II) NRES 210. Safety Instructor Certification. 1 cr. How to teach courses in boating, hunting, and snowmobile safety, as prescribed by Dept of Natural Resources; related ethics and public controversies. Subtitle will designate area of certification. May repeat for a max 3 cr with different subtitles. Prereq: Written cons instr. (I, II) NRES 220(NW). Global Climate Change and Water Resources, 10th Century to Present. 3 cr. Effects of global warming on world water resources. Climate change in the past millennium. Case studies including Africa, India, North and South America, China and Japan. How availability of water has shaped culture, agriculture, and diet. How past and present stressors to available water have been dealt with in different regions. May not earn credit in both NRES 220 and Water 220. (I, II) GDR: EL

NRES 250. Introduction to Fisheries, Forestry and Wildlife Resources. 4 cr. Integrated introduction to principles/practices of fisheries, forestry and wildlife management, including production of goods and services while maintaining ecosystem integrity and functions; contemporary issues. Prereq: 150, 151, or written cons instr. (I, II)

NRES 251. Introduction to Soil and Water Resources. 4 cr. Integrated concepts of soil and water resources at the landscape level. Physical, chemical, and biological interactions relating to watershed processes and response to land use and management. Prereq: NRES 150, 151, Math 100, or cons instr. (I, II) NRES 281. Camp Leadership. 3 cr. Introduction to camp leadership and management. Camp management profession overview including history, diversity of camps, audiences served, career opportunities, professional associations. Basic concepts of camp organization, management and administration. Theory and practice of camp leadership including training camp counselors, relationships between counselor and camper, and development of program leadership skills (outdoor skills, aquatics, nature and environmental studies, arts and crafts). Readings, field trips, skills workshops. (I alternate years) NRES 301/501. Foundations of Environmental Education I. 3 cr. Conceptual and philosophical basis for goals of environmental education; analysis of instructional materials; strategies for developing/implementing environmental ed programs; observe instruction; Prereq: J or S, CNR/biology major or written cons instr. (I) NRES 302/502. Foundations of Environmental Education II. 3 cr. Apply environmental ed theory, philosophy, goals. Survey and use of resources in determining teaching strategies; examine instructional plans and materials in formal/informal settings. In field professional development & career opportunities. Prereq: 301/501. (II) NRES 310/510. Environmental Education Teaching Methods. 1 cr. Strategies for teaching K-12 students about the environment using effective educational methods. Topics include environmental values and teaching problem solving skills. Meets DPI certification requirement in environmental ed in conjunction with Geography 339 from UWEX (correspondence).

NRES 320/520. Natural Resources and Public Relations. 3 cr. Prepare natural resources specialists for involvement with various publics, including governmental agencies, boards, and committees, professional associations, and environmental societies; identify public relations techniques and methods of evaluating public input used by resource professionals. Prereq: CNR major or written cons instr; (I & II) NRES 323/523. International Resource Management. 3 cr. Status and trends concerning the world’s renewable natural resources with emphasis on ecological, socioeconomic and other factors influencing their management; role of natural resources in developing countries and international efforts devoted to their safeguarding and amelioration. Includes seminar on specific resource issues, countries or world regions. Prereq: 370 for non-CNR majors. (II) NRES 324. Invasive and Exotic Species. 3 cr. Biotic and abiotic factors influencing invasions of native and exotic species including social, political and economic concerns. May not earn credit in both NRES 324 and Water 324. GDR: EL (II)

NRES 367. Park Interpretation. 2 cr. Skills for interpreting a park or other recreational site to visitors. Practice in preparing and presenting interpretive talks and walks. Prereq: CNR or biology major or written cons instr. (I) NRES 368/568. Oral Interpretation Methods. 3 cr. Principles and verbal techniques to relate the values of natural history and cultural features to visitors at parks, recreation areas, museums, and other institutions; walks, talks, and programming. Prereq: CNR or biology major or written cons instr. (I) NRES 369/569. Interpretive Media. 3-5 cr. Principles and practice of design; write and produce interpretive publications; trail and wayside interpretive panels; exhibits for parks, nature centers, other facilities. Includes desktop publishing and other digital technologies used to...
create interpretive media. 3 cr. | 3 cr = 3 hrs lec; 4 cr = 3 hrs lec/2 hrs lab; 5 cr = 3 hrs lec/3 hrs lab. Prereq: 367 or 368. (II) NRES 370/570. Introduction to Environmental Study and Education. 3 cr. Natural, social, economic factors influencing environmental quality; ecological relationships/principles and their relation to population growth, pollution, resource allocation and depletion, conservation, technology, and urban/rural planning. Overview of K-12 environmental ed content and methods. Fullfills WS, teacher certification in environmental ed. Not open to CNR majors/minors. Prereq: Admis to School of Ed or written cons instr. (I, II) GDR: EL, NRES 372/572. Resource Economics. 3 cr. Fundamental economic concepts and how they apply to resource use; traditional and revised land use theories; problems of land policy management. GDR: SS2 (I, II)

NRES 373/573. Agronomy, Agriculture and Environment. 3 cr. Morphology and management of grain, forage and other crops in agricultural enterprises. Role of crops in causing environmental problems and in providing potential solutions. Prereq: CNR summer camp or cons instr. (I) NRES 374/574. Environmental Interpretation Practicum. 3 cr. Practice planning and implementing interpretation programs, facilities, signage, exhibits, and publications for nature centers and park visitors. One 6-hr day per wk at Schmeeckle Reserve. Prereq: NRES 367 or 368 and 363, 364, 365, or 369 or con reg, CNR or biology major or written cons instr. (I, III) NRES 376/576. Environmental Education Practicum. 4 cr. Practical experience in environmental ed with K-12 students. Program and staff development, program planning, instruction and evaluation. One full day per wk. Prereq: 301 or 370, CNR or biology or education major with an environmental ed minor or written cons instr. (I, II) NRES 377/577. Remote Sensing I. 3 cr. Characteristics of aerial photographs and digital imagery. Use remote sensing materials to conduct resource inventories, and land use evaluation, and landform analysis. 2 hrs lec; 2 hrs lab per wk. May not earn credit in both NRES 377 and Geography 377. (I, II)

NRES 378. Introduction to Minerals Technology. 3 cr. Survey of extractive and processing systems used in mining, mineral dressing, and metallurgical industries. Prereq: Chemistry 105 or 115; Geology 104A (On demand) NRES 381/581. Internship in Natural Resources. 1.12 cr. Supervised training program in resource management in cooperation with private or public resource agencies. One cr for 2-4 wks, (40 hrs per wk) of work. Credits and/or addt requirements set by instructor before registration. May earn 1 cr per semester. Prereq: Forestry 319, 320, Soils 359, 360, Wildlife 340, Water 380 or NRES 475; and/or cons intern director, CNR major or written cons instr; also NRES 388 and 389 if land use planning major. (I, II, SS)

NRES 382/582. Youth Agency Administration. 3 cr. Survey of youth agencies including: scope, historic background, community role, development, and organization; analysis of administrative structure, programming, management, policy and volunteering board development, career opportunities, and issues confronting nonprofit youth agencies. (I, alternate years) NRES 383/583. Nature Center and Camp Management. 3 cr. Principles and practices for planning, organization and administration of nature centers and youth camps. Management of day and residential facilities analyzing issues of the master planning process, public relations, staff supervision, marketing techniques, fiscal and site management. Prereq: NRES 385. Field Techniques in Forestry, Soils, Water, and Wildlife. 2 cr. Field techniques used to manage and evaluate forestry, soils, water, and wildlife resources. Prereq: NRES 150, 151, 250, 251. (SS) NRES 388/588. Introduction to Urban and Regional Planning. 3 cr. Historical evolution of urban/regional planning. Theories, ideologies, philosophies, and functional areas of planning. Also primary plan implementation tools. May not earn credit in both NRES 388/GEOG 388. NRES 389/589. Urban and Regional Planning Analysis. 3 cr. Research methods for urban and regional planning. Design and implementation of citizen surveys. May not earn credit in both NRES 389 and GEOG 389. Prereq: GEOG 373, 388 or NRES 388, Math 355 or Forestry 321 or Sociology 351, or cons instr.

NRES 395/595. Environmental Science for Educators. 1-3 cr. Natural, social, and economic factors influencing the quality of our environment; ecological relationships and principles and their relation to human systems, energy, air, land, water and living resources plus biodiversity. Designed for secondary environmental science/ studies teachers. Not open to CNR majors or minors.

NRES 400/600. Wisconsin Environmental Studies. 1 or 3 cr. Wisconsin's natural, social, and economic factors influencing quality of environment; ecological relationships/principles and their relation to population growth, pollution, resource allocation and depletion, conservation, technology, and urban/rural planning. Prereq: For K-12 educators. On-campus students need cons instr. 1 cr, view video segments and complete self-instructional guide. 3 cr, full participation in videos, ETNs, and assignments. Prereq: NRES 403/603. Environmental Education Curriculum Resources. 1.3 cr. Identify, evaluate, and apply instructional resources for K-12 environmental ed. Subtitle will designate resource. May repeat for 3 cr max. Prereq: CNR major or written cons instr. NRES 405/605. Selected Topics in Natural Resources. 1.3 cr. Major concepts and problems in an area of natural resources. May repeat for credit with different subtitles. Prereq: Cons instr. (I, II) NRES 415/615. Investigation and Evaluation of Environmental Education Curriculum Resources. 1 cr. Investigate, evaluate, and apply instructional resources for K-12 environmental ed. Includes curriculum, print, audiovisual materials, computer software and networks, organizations, people and places. Culuminating project links resources encountered to grade level taught and individual areas of interest.

NRES 440/640. Making Environmental Education Relevant to Culturally Diverse Audiences. 1-3 cr. Basic knowledge and skills to make EE relevant to culturally diverse audiences. Broaden your perspective of EE to encompass interests and issues of concern to culturally diverse audiences, assess barriers to participation among culturally diverse audiences and appraise the roles and significance of building relationships and partnerships with members of an audience you intend to work with in the future. NRES 457/657. Ecological Monitoring. 3 cr. Theory and practice of ecological monitoring emphasizing ecosystem structure, functions, and populations. Prereq: Forestry 321 and 332, or cons instr. (II, even yrs) NRES 458. Biodiversity and Conservation Biology. 3 cr. Theoretical framework for identifying threats and solutions to long-term preservation of species and biological communities; includes concepts from traditional, landscape, and population ecology, genetics, sociology and economics. Prereq: Biology 305 (I) NRES 459/659. Ecosystem Management and Restoration. 3 cr. Methods for managing and restoring ecosystems; for biological diversity and sustainable use. Prereq: 458 or Wildlife 458, CNR major or written cons instr. (II) NRES 460. People and Ecosystems. 4 cr. Interactions between people and ecosystems and dependency of the health and sustainability of each upon the other. May not earn credit in both NRES 460 and HP/W 460. Prereq: Jr or sr st; application and cons instr. (II) NRES 462/662. Adaptive Resource Management. 1 cr. Theory and practice of adaptive management. Focus on integrating social attitudes and values into science-based decision making in natural resources. Prereq: 474/674, or cons instr.

NRES 465. Non-Regulatory Policy Tools for Private Lands. 3 cr. Understand analyze, and apply a variety of policy tools to appropriate audiences, develop innovative tools or revisions to in-place policies to address environmental degradation issues that arise from private lands.
NRES 473/673. Resource Policy and Law. 3 cr. The need for, purposes, making, and implementation of natural resources legislation and policy. Prereq: CNR major or written cons instr. (I, II)
NRES 474/674. Natural Resource Management. 3 cr. Current issues, problems, trends in integrated management of resources; principles used to form and implement natural resources policy. Prereq: NRES 150, 151, 250, 251; CNR major or written cons instr. (I, II)
NRES 475/675. European Environmental Studies Seminar. 1-8 cr. Survey environmental problems and programs in Europe; compare with U.S. environmental/natural resource issues. Alternative to Treehaven summer camp. Consists of 1 cr spring orientation, 2 wk CMES summer camp, 4-6 wks in Germany and other countries. Prereq: NRES 250, 251, 2.00 GPA in major and cons instr. (II, SS)
NRES 477/677. Environmental Impact Statement (EIS). Development: 1 cr. Laws and regulations concerning EIS development; case studies; prepare and present an EIS. (I, II)
NRES 478/678. Environmental Issues Investigation and Action. 3 cr. Rationale and strategies for investigating environmental issues at local, state, regional, or national levels; select and implement actions to resolve issues through political, economic, legal, educational, and lifestyle avenues. Group project. Prereq: 370 or 395, CNR or biology major or written cons instr. (II)
NRES 482. Environmental Education and Interpretation Practicum. 12 cr. Practical experience in environmental education/interpretation in planning and implementing programs for K-12 school groups, public programs for visitor and nature centers, and nonprofessional interpretive services. Meets mid-thru Friday w/e. Prereq: All requirements for EE/Interp option or cons instr. (I, II)
NRES 483/683. Professional Development in Environmental Education/Interpretation. 3 cr. Examine personal, academic and professional assistance, knowledge, skills, interests, and philosophies related to educational and interpretive services. Includes portfolio development and field trips. Prereq: Con reg in 482. (I, II)
NRES 484/684. Air, Water, and Land Use Planning. 3 cr. Review federal and state natural resource planning strategies for implementing plans in local communities. Prereq: 388, 474, CNR major or written cons instr. (I)
NRES 486/686. Land Use Plan Implementation. 3 cr. Legal, social, and cultural considerations in creation and enforcement of zoning, subdivision, and related land use regulations. Also ordinances to control junk, billboards, nonconforming uses and structures, and adult businesses. Prereq: NRES 388 or GEOG 388. (I, even years)
NRES 489/689. Applied Urban and Regional Planning Analysis. 3 cr. Apply analytical planning techniques to explain contemporary community and natural resource issues. Develop case studies of regions using demographic, land market, natural resource, economic, recreation, and conservation analyses to propose planning and resource management policies. Prereq: GEOG 389 or NRES 389, and Sociology 351, or Forestry 321 or Math 355 or cons instr. (II, odd years)
NRES 490. Integrated Resource Management Seminar, 2 cr. Interdisciplinary approaches to investigate natural resource issues and problems, and develop, present, and defend plans. Prereq: Sr st for majors or minors in natural resources. (I, II)
NRES 491. Seminar in Conservation Biology. 1 cr. Outside speakers on practical ecological, conservation, and management of ecosystems for biodiversity. (II)
NRES 495/695. Ecological Basis for Planning and Design, 3 cr. Ecological principles, relationships, and interaction between natural and man-made elements of the environment. Prereq: 474/674 or cons instr. (II)
NRES 499. Special Work. Upperclass natural resources majors and minors doing above average work may arrange for independent study with cons of assoc dean. Credit based on scope of project. Prereq: 2.50 GPA in major. (I, II)
NRES 701. Readings in Environmental Education. 1-3 cr. Readings on history, philosophy, practices, methods, and issues of environmental education. Assignments vary depending on credits. Prereq: NRES 703. Leadership Development in Natural Resources. 1 cr. Assessment and experiences to develop leadership capacity in natural resources organizations. Individual and small group activities to explore current theories and practices in leadership and implications for successful organizational and personal development. Prereq: NRES 704. Ecological Lifestyles. 1 cr. Examine personal lifestyles in light of ecological consideration. Identify ecologically sound lifestyles that foster environmental quality and quality of life. Prereq: 570 or con reg. 611, 612, 613, or con reg.
NRES 705. Environmental Issues Investigation and Action. 1-3 cr. Examine current theories of behavior change. Use primary and secondary information sources to investigate environmental issues and develop a case study. Explore strategies for issue analysis/resolution. May not take both 705 and 478/678.
NRES 706. Community Resources in Environmental Education. 1 cr. Explore variety of human-cultural, theological, and natural resources to enrich environmental ed curricula; field trips to integrate environmental ed with classroom instruction. Prereq: 570 and 614 or 611, 612, 613, and 614.
NRES 708. Outdoor Teaching Sites for Environmental Education. 1 cr. Relationship of current environmental ed developments to outdoor teaching sites. Philosophy, design, construction, and use of outdoor sites, schools and school forests. Practical experiences in developing outdoor teaching site strategies.
NRES 709. Wisconsin Lakes Resources. 1 cr. Overview of natural, social, and economic factors influencing management and quality of Wisconsin lakes.
NRES 715. Plant Resources and Humans. 1 cr. Explore how continued existence of humans is linked to conservation of plant diversity; use of plant resources to provide food, medicine, fiber, shelter and other needs of past and present cultures throughout the world; evolutionary ecology of domesticated plants; preservation of traditional knowledge of useful plants; conservation strategies/techniques for maintaining plant diversity for future generations.
NRES 730. Energy Education in the Classroom. 1 cr. Hands-on activities, discussions, classroom application and assignments to help teachers analyze energy information and create strategies and techniques to enhance understanding of what energy is, where it comes from, and how it affects our lives. Includes KEEP energy activity guide. OK for infusion across K-12 curric.
NRES 731. Selected Topics in Energy Education. 1 cr. Hands-on activities, discussions, classroom application and assignments to help teachers analyze energy information and create strategies and techniques to enhance understanding of what energy is, where it comes from, and how it affects our lives. (Repeatable under different subtitles)
NRES 732. Renewable Energy Education in the Classroom. 1 cr. Builds on KEEP program with next step in renewable energy to help teachers understand energy information and create strategies and techniques for investigating environmental issues. Highlights renewable energy K-12 curriculum. May repeat for credit with different subtitles.
NRES 735. Renewable Energy Education. 1 cr. Fundamentals of renewable energy, how to incorporate renewable resource information into daily work/home, pros and cons of using renewable energy. Includes case studies and guest speakers.
NRES 740. Forestry Education for Wis K-12 Classroom Teachers. 1 cr. Principles, activities, techniques for K-12 teachers to incorporate importance of forests to our ecological, economic, and social well-being. Includes LEAF Program Forestry Education Guide.
NRES 741. Teaching K-12 Forestry Topics. 1-3 cr. Materials and methods to teach K-12 students about current forestry topics, concepts, issues. May repeat for credit with different subtitle. Prereq: 740, con reg or cons instr.
NRES 742. School Forest Programs and Administration. 1 cr. Planning and administration of Wisconsin School Forest Program. Organize school forest committee, understand property management plans, develop educational plans, locate resources/financial support. Class and Web instruction.
NRES 743. Human Influence on Wis Forests. 1 cr. Wisconsin forest resources and role they play in our past, current and future ecological, economic and social well-being. For K-12 teachers. Web course.
NRES 750. Research in Environmental Education/Interpretation. 1 cr. Discuss research methods, relevant literature, and current issues in environmental ed and interpretation. May repeat for 4 cr max. (I, II)
NRES 751. Applied Environmental Education Program Evaluation. 3 cr. Designed for environmental educators and natural resource professionals. Apply skills in designing evaluation tools such as surveys, observation forms, interviews and focus group guides to assist in evaluating education programs.
NRES 752. Needs Assessment in Environmental Education and Interpretation. 1-3 cr. Learn to conduct a needs assessment to
develop or revise programs, products, or services to meet the needs of environmental education and/or interpretation audiences, program providers, and organizations.

NRES 761. Personal Leadership Development for Environmental Education. 1 cr. Theoretical and practical background in personal leadership skills and development for implementation of EE beyond the classroom. Prereq: Acceptance in MSNAREE Program.

NRES 762. Organizational Leadership Development for Environmental Education. 1 cr. Practical leadership skills within context of organizational culture, power, and politics to implement EE beyond the classroom. Prereq: NRES 761.

NRES 763. Human Resources in Natural Resources Organizations. 1-3 cr. Understand and apply human resource skills such as employee development and evaluation, leading effective teams, and employment law. May repeat for credit with different subtitle.

NRES 767. Fundamentals of Natural and Cultural Interpretation. 3 cr. Designed to provide working professionals with core concepts of natural and cultural interpretation and how they can be applied in a professional setting. Prereq: Pre-registration required.

NRES 768. Advanced Personal Interpretation Methods. 3 cr. Gain advanced skills in planning and development of interpretive talks, walks, and other personal-based presentations. Participants will have opportunities to discuss and conduct evaluation, structuring theme development, creative techniques, spontaneous interpretation, and non-verbal communication skills.

NRES 771. Environmental Futures. 1 cr. Understand and apply techniques used in future studies to identify and analyze how social, scientific, and technological developments may shape the future of human interactions with the natural environment.

NRES 791. Introduction to Research. 1 cr. Explore role and value of research in society, and the ways scientific knowledge accumulates. Directed work in preparation of study plan (thesis or project proposals) and presentation of research findings. (I)

NRES 794. Graduate Seminar. 1 cr. Discuss selected environmental and natural resource topics. Required of CNR graduate students every semester except when presenting a 795 Seminar. (I, II)

NRES 795. Graduate Seminar. 1 cr. Student presentation and discussion of selected environmental and natural resource topics including results of student research. (I, II)

NRES 796. Independent Study. 1-3 cr. Advanced work on a specific natural resource problem. (I, II, SS)

NRES 797. Research Methods, Design and Analysis. 3 cr. Statistical methods of experimental design and analysis for research in natural resources. Prereq: Math 355 or Forestry 321 or cons instr. (I)

NRES 798. Graduate Project Work. 1-3 cr. repeating up to 6 cr. Project credits for students in CNR programs.

NRES 799. Thesis. (Not on Plan B) 2-6 cr. (I, II, SS)

Natural Resources Latent Courses: Not offered recently. See full course description in indicated (xx-xx) catalog.

171 Elementary Surveying, 3 cr. (01-03)
194/294/394/494: Native American Lands Seminar, 1 cr,
357 Air Resources, 3 cr, (07-09)
371/571 Resource Administration, 2 cr, (07-09)
375/575 Environmental Field Studies, 3 cr, (01-03)
412/612 Ecological Basis for Environmental Educ, 1 cr, (03-05)
414 Environmental Education Teaching Strategies, 1 cr, (07-09)
444/644 Integrated Spatial Info Sys for Natl Res Mngt (03-05)
493/693 Environmental Field Seminar, 1-2 cr, (03-05)
570 Advanced Topics in Natural Resources and Public Relations, 1-2 cr, (07-09)
760 Grant and Proposal Development, 1-3 cr, (07-09)
770 Evolution of Wis Natural Resource Policy, 3 cr, (01-03)

SOIL 493/693, Soils Field Seminar, 1 or 2 cr.
WLDL 493/693, Wildlife Field Seminar, 1 or 2 cr.

Natural Resources Summer Camp Program

The summer camp program consists of Forestry 319, 320, Soils 359, 360, Water 380, and Wildlife 340, and NRES 405, each for 1 credit. See the description of these courses under the appropriate heading.

Paper Science and Engineering

The major in paper science and engineering, administered by the College of Natural Resources, is described under the section Paper Science and Engineering later in this catalog.

Resource Management

See Human Dimensions of Natural Resource Management.

Soil and Waste Resources

Steven Levine, Coordinator
Room 278, Trainer Natural Resources Building
Phone: 715-346-3704
E-mail: slevine@uwsp.edu OR cnr@uwsp.edu

Web: www.uwsp.edu/cnr/soil&waste.htm
Faculty: M Buckley, S Levine, R Michitsch, A Razvi, J Sherman.

Definition: Soil and waste resources trains students in the inventory, scientific principles, and management of these resources. It includes soil conservation, soil mapping and classification, nutrient management in agriculture, wastewater treatment, solid waste and hazardous waste management and recycling, septic systems, and wetlands.

Academic Standards

To graduate with a major or minor in soil and waste resources you must have a minimum cumulative grade point average of 2.25.

Soil and Waste Resources Major

1. Required, 22 credits: NRES 150, 151, 250, 251, 490; Soils 364, 365.
2. Collateral courses, 17 credits: Biology 105 and 106 (or 115 and 116); Geology 104; Math 100.
3. Complete ONE option below:
   a. Soil and Land Management
      1) Required, 38 credits: Soils 362, 363, 366, 367, 381, 461, 465; NRES 320 or English 254 or 354; NRES 336, 372, 373, 473 or 474 or 478 or 484; Water 380; Waste Mgmt 380 or 488; 4 cr from Soils 350, Water 350, 450-458 or Wildlife 360, or Waste Mgmt 350.
      2) Collateral courses, 15 credits: Biology 130, 160; Geography 279, 377 or 379 or 476.
      3) Summer Camp, 7 credits: Forestry 319, 320; Soils 359, 360; NRES 405; Water 380; Wildlife 340; or 8 credits of NRES 475.
   b. Soil Science
      2) Collateral courses, 43 credits: Biology 130, 160, 351; Chemistry 220, 248; one addl 300-400 level geology or physical geography course or NRES 377; Math 111 or 120, 355...
SOIL SCIENCE CONCENTRATION IN THE BUSINESS ADMINISTRATION MAJOR

See Business and Economics.

Courses in Soils

SOIL 350/550. Selected Topics in Soil and Waste Resources. 1-3 cr. Selected principles, practices, issues in soil and waste resources. May repeat under different subtitles. May apply 3 cr max to major. (I, II)

SOIL 359. Soil Conservation and Watershed Inventory Techniques. 1 cr. Field techniques of land surface relief inventory, soil percolation, watershed interpretive systems for runoff prediction, and groundwater characteristics investigation for integrated resource mgmt. Prereq: NRES 251, 2.00 GPA in major, CNR major or written cons instr. (SS)

SOIL 360. Field Experience in Soil Inventory Methods. 1 cr. Techniques in describing, mapping, classifying, and interpreting soils for integrated resource mgmt. Prereq: NRES 251, 2.00 GPA in major, CNR major or written cons instr. (SS)

SOIL 361/561. Forest Soils. 3 cr. Characteristics of and processes in soils under forest cover; relationships of these to forest growth, productivity, and management practices; human impacts. 2 hrs lec, 3 hrs lab per wk. Prereq: NRES 251, Summer Camp, CNR major or written cons instr. (II)

SOIL 362/562. Soil Genesis and Morphology. 3 cr. Geologic origin, characteristics, and taxonomic grouping of soils; survey methods and mapping procedures. 2 hrs lab, 2 hrs lab per wk. Prereq: Summer Camp, CNR major or written cons instr. (III)

SOIL 363/563. Soil Profile Description Writing. 1 cr. Field identification of soil layers and preparation of official morphological descriptions of soil profiles and associated site factors. 1 hr lec and 2 hrs lab per wk. Prereq: Summer Camp or cons instr. (I)

SOIL 364/564. Soil and Plant Analysis. 3 cr. Sample, prepare, and analyze soil and plants. Interpret chemical results for environmental quality and soil fertility management. Choose analytical methods and maintain laboratory quality control. 2 hrs lec, 3 hrs lab per wk. Prereq: Chemistry 116 or 108, CIS 102, or 102-1/2/3 equiv, Summer Camp, CNR major or written cons instr. (II, III)

SOIL 365/565. Wetland Soils. 1 cr. Characteristics of hydric soils including chemistry, morphology, genesis and classification; hydrology of wetlands; field observation and application of federal and regional guidelines to identify hydric soils. Prereq: NRES 251. May not earn credit in both WATR 366/566 and SOIL 366/566. (I)

SOIL 366/566. Wetland Soils. 1 cr. Characteristics of hydric soils including chemistry, morphology, genesis and classification; hydrology of wetlands; field observation and application of federal and regional guidelines to identify hydric soils. Prereq: NRES 251. May not earn credit in both WATR 366/566 and SOIL 366/566. (II)

SOIL 367/567. Wetland Delineation. 1 cr. Review procedures required for identifying and delineating wetlands for permit review. Prereq: NRES 251. May not earn credit in both WATR 367/567 and SOIL 367/567. (II, III)

SOIL 368/568. Design and Construction of Sediment Control Structures. 1 cr. Design and construction of sediment basins, design and installation of sediment control structures such as silt fences, berms, and buffer strips. Prereq: 461 or cons instr. admits to CNR, cons instr.

SOIL 369/569. Sediment Control and Site Restoration at Water Crossing Facilities. 1 cr. Designing and installing sediment control techniques at culverts, bridges, and other water-crossing structures to protect fish and other aquatic biota. Prereq: 461 or con reg. admits to CNR, cons instr.

SOIL 455/655. Sediment Control and Site Restoration at Water Crossing Facilities. 1 cr. Designing and installing sediment control techniques at culverts, bridges, and other water-crossing structures to protect fish and other aquatic biota. Prereq: 461 or con reg. admits to CNR, cons instr.

SOIL 458/658. Design and Construction of Sediment Control Structures. 1 cr. Design and construction of sediment basins, design and installation of sediment control structures such as silt fences, berms, and buffer strips. Prereq: 461 or con reg. admits to CNR, cons instr.

SOIL 461/661. Soil Management for Resource Sustainability. 3 cr. Use soil fertility, plant nutrition, wind and water erosion, and surface 

Whether you are a major or minor, check with a soils adviser to determine the minimum core course requirements you need for certification as a professional and/or to take state or national exams or to obtain licenses.

Soil Science Minor

Consists of 22 credits with at least 15 credits soils courses:
1. Required: NRES 251; Soils 362 and at least two of the following: Soils 364, 365, 465 (Forestry majors may substitute Soils 361 for one of these).
2. Select the remaining credits from: Soils 359, 360, 361, 363, 364, 365, 366, 461, 465; Forestry 325, 332; Geography 279, 352, 377 (or NRES 377), 476; Geology 200, 370; NRES 335, 336, 373*, 484; Waste Mgmt 380, 476; Water 383 (or Geology 383), 487 (or Geology 487), 493; Wildlife 451. Other courses need assoc dean approval.

* NRES 373 has satisfied the crop science requirement for a soil conservationist position with the Natural Resources Conservation Service.

The soil science minor satisfies the minimum civil service requirements for soil scientist positions (classification and mapping) in federal agencies such as the Natural Resources Conservation Service and the Forest Service.

Wetland Science Certificate Program

The Certificate in Wetland Science is recognition of completion of a course of study in physical, biological and natural resources sciences that concentrates on the identification, evaluation and management of wetlands. When you complete the certificate requirements, you will have met the academic requirements necessary to apply for certification as a “wetland professional in training” by the Society of Wetland Scientists. The College of Natural Resources administers the program. For more information contact the Student Success Center, Room 180 CNR, and apply by the first semester of your junior year.
and groundwater contamination abatement principles in solving soil and crop management problems. 2 hrs lec, 3 hrs lab per wk. Prereq: Summer Camp, CNR major or written cons instr. (II)
SOIL 465/665. Soil Physics. 3 cr. Basic concepts and principles related to state and transport of matter (especially water) and energy in the soil. Physical measurement and mathematical quantification of soil physical properties and processes. 2 hrs lec, 3 hrs lab per wk. Prereq: Math 111 or 120, Physics 201, CS 102 (spreadsheet or equivalent), Summer Camp, CNR major or written cons instr. (II)
SOIL 499. Special Work. Upperclass science students may arrange for independent study with cons assoc dean. Credit based on scope of project. Prereq: Summer Camp or cons instr. (I, II)
SOIL 763. Soil Resource Issues. 1-3 cr. Investigate issues such as food production vs. population growth, soil quality, soil erosion, point and nonpoint pollution; identify policies and agencies that are involved. Prereq: Certified elementary/secondary teachers only.
Soils Latent Course: Not offered recently. See full course description in indicated (xxx) catalog.

Courses in Waste Management
WSTE 350/550. Selected Topics in Soil and Waste Management. 1-3 cr. Selected principles, practices, issues in soil/water resources. May repeat under different subtitles. May apply 3 cr max to major. (I, II)
WSTE 380/580. Solid Waste Management. 3 cr. Characterization, collection, recycling/disposal of municipal, industrial, and agricultural wastes, with emphasis on environmental effects related to disposal. 2 hrs lec, 2 hrs lab per wk. Prereq: CNR major or written cons instr. (I)
WSTE 476/676. Advanced Forest Soils. 3 cr, (03-05)
WSTE 487. Senior Thesis. 1 cr (07-09)
WSTE 488/688. Water and Wastewater Treatment. 3 cr. Non-engineering approach to methods of water treatment, routine lab testing, and protection of systems; domestic waste disposal by water carriage and nonwater carriage methods; small unit and municipal disposal methods. Prereq: CNR/biology major or written cons instr. (II)
WSTE 489. Industrial Environmental Management. 3 cr. Regulations, economic, and technical aspects of hazardous waste management; regulations concerning the classification, treatment, and disposal of hazardous waste; environmental health and safety issues. 2 hrs lec, 2 hrs lab per wk. Prereq: 380 or cons instr; Chemistry 116 or 106; Biology 101 or 130; CNR major or written cons instr. (II)
WSTE 487. Senior Thesis. 3 cr. Conduct independent research under direction of faculty member. Present research results at CNR undergraduate research symposium or a professional conference. Prereq: Sr st and overall GPA of 3.0 or higher.
WSTE 488/688. Water and Wastewater Treatment. 3 cr. Non-engineering approach to methods of water treatment, routine lab testing, and protection of systems; domestic waste disposal by water carriage and nonwater carriage methods; small unit and municipal disposal methods. Prereq: CNR/biology major or written cons instr. (II)
WSTE 489. Industrial Environmental Management. 3 cr. Regulations, economic, and technical aspects of hazardous waste management; regulations concerning the classification, treatment, and disposal of hazardous waste; environmental health and safety issues. 2 hrs lec, 2 hrs lab per wk. Prereq: 380 or cons instr; Chemistry 116 or 106; Biology 101 or 130; CNR major or written cons instr. (II)
WSTE 487. Senior Thesis. 3 cr. Conduct independent research under direction of faculty member. Present research results at CNR undergraduate research symposium or a professional conference. Prereq: Sr st and overall GPA of 3.0 or higher.
WSTE 488/688. Water and Wastewater Treatment. 3 cr. Non-engineering approach to methods of water treatment, routine lab testing, and protection of systems; domestic waste disposal by water carriage and nonwater carriage methods; small unit and municipal disposal methods. Prereq: CNR/biology major or written cons instr. (II)
WSTE 489. Industrial Environmental Management. 3 cr. Regulations, economic, and technical aspects of hazardous waste management; regulations concerning the classification, treatment, and disposal of hazardous waste; environmental health and safety issues. 2 hrs lec, 2 hrs lab per wk. Prereq: 380 or cons instr; Chemistry 116 or 106; Biology 101 or 130; CNR major or written cons instr. (II)
WSTE 487. Senior Thesis. 3 cr. Conduct independent research under direction of faculty member. Present research results at CNR undergraduate research symposium or a professional conference. Prereq: Sr st and overall GPA of 3.0 or higher.

Wildlife Ecology
Definition: In the wildlife ecology major you will develop problem-solving and scientific skills and understand the social influences and ecological interactions that impact on wildlife management and conservation biology.

Academic Standards
To graduate with a major or minor in wildlife ecology you must have 2.25 minimum cumulative grade point average.

Wildlife Ecology Major
Consists of 101-115 credits.
2. Collateral courses, 35-36 credits:
   b. Math 355 or Forestry 321; Geography 279.
   c. Econ 110 or NRES 372.
   d. Three credits from NRES 473, 484, Wildlife 450.
   e. Take 2 or 3 credits from the following: Biology 305; Wildlife 332, 334, 355, 360 (Water 360).
4. Complete ONE one below:
   a. Wildlife ecology: Research and management.
      1) Required, 10 credits: Biology 210, Math 111; Wildlife 354.
      2) Three credits from Biology 361 or Water 387; Biology 374, 376 (or 377 or 378 if not taken previously).
      3) Chemistry 105; Physics 201 or 202.
      4) Three credits from English 248, 250, 254, 348, 351, 354, or 358.
      5) Three credits from NRES 301, 320, 368, Communication 280.
   b. Wildlife ecology: Information and education. (NOT for teacher certification.)
      1) Required, 13 credits: NRES 301, 320, 368, 4 cr of 369; Wildlife 372.
      2) Electives, 13-16 credits: Geography 101 or 104; Chemistry 101 or 105; Math 111, 112 and 118.
      3) Internship, Wildlife 381: 3-12 credits in wildlife education or interpretation with prior approval of coordinator. May substitute NRES 374 and 376 (7 credits) under special circumstances and with prior approval.

Wildlife Minor
Consists of 20-21 credits:
2. One course from Biology 377, 378, or Wildlife 372.
3. One course from Wildlife 311, 350, 450; NRES 459.

Captive Wildlife Minor
Consists of 27 credits:
2. One credit from Wildlife 305; Biology 498, 386 (or Water 386) or 388 with captive wildlife topics and prior coordination.
3. Internship: 3 credits from Wildlife 381 involving captive wildlife with prior approval of internship coord.
4. Six credits from Wildlife 372; NRES 320 or 368.
5. To graduate with a minor in captive wildlife you must have 2.25 minimum cumulative grade point average.

**Conservation Biology Minor**

Consists of 24-26 credits.

1. Required core, 13 cr: Biology 305; NRES 324 or NRES 457; NRES 458 or Wildlife 458; NRES 459, 491.

2. Economics, policy, and planning, 6 cr:
   a. NRES 372 or Econ 342.
   b. One course from Political Science 304, 305, NRES 473, 474, 484, 495.

3. Biological support, 5-7 cr:

4. To graduate with a minor in conservation biology you must have a 2.25 minimum cumulative grade point average.

**Courses in Wildlife**

WLDL 305/305. Selected Topics in Wildlife Ecology and Management. 1-3 cr. Selected concepts, practices, principles, issues, and wildlife management. May repeat under different subtitles. Prereq: CNR or biology major or written cons instr. (I, II)

WLDL 311/511. Quantitative Methods for Wildlife and Fisheries Research and Management. 2 cr. Practical experience in formulating hypotheses, designing field studies, analyzing and interpreting data collected in wildlife and fisheries research and management. Through examples and individually collected data sets, learn appropriate design, selection of quantitative methods, biological interpretation of results, field complications, and impacts of violations of assumptions. Prereq: Math 355 or Forestry 321; CNR major or written cons instr. (I, II)

WLDL 321. Principles of Captive Wildlife Management. 2 cr. Role of captive wildlife management in conservation, research, economics, recreation, and education; impact of confinement on behavior, nutrition and health; legislation relating to capture, transport, and housing of wild animals. Prereq: BIOL 160, CNR or biology major or written cons instr. (I)

WLDL 322. Techniques of Captive Wildlife Management. 2 cr. Design and administration of facilities; techniques for restraining and handling captive wildlife; sanitation and common diseases, parasites and other problems associated with confined wild animals. Prereq: 321, CNR or biology major or written cons instr. (I)

WLDL 340. Field Experience in Wildlife Management Techniques. 1 cr. Investigate ecological relationships and apply selected wildlife management techniques of habitat evaluation, capturing, marking, monitoring, and censusing animals for integrated resource management. Prereq: NRES 250, 2.00 GPA in major; CNR major or written cons instr. (SS)

WLDL 350/550. Wildlife Management Techniques. 3 cr. Techniques for managing wildlife populations: aging and sexing criteria, capture, handling and control methods, censusing, assessing food habits and quality, estimating home ranges, quantifying habitat relationships, modeling land use impacts, and conducting research studies. Prereq: 311, Summer Camp; English 254, 353, 354, or 358; CNR major or written cons instr. (I, II)

WLDL 353/553. Wildlife and Fish Population Dynamics. 3 cr. Mathematical, ecological, physiological, and behavioral characteristics of fish and wildlife population fluctuations. Use of models for characterizing fluctuations, and techniques for sampling, monitoring, and modeling survival, growth, reproduction, population size. May not earn credit in both Wildlife 353 and Water 353. Prereq: NRES 250; Biology 160, 305; Math 111, and 355. (I, II)

WLDL 354/554. Wildlife and Fish Populations Dynamics Methods. 1 cr. Demonstration of methods for modeling and dynamics of fish and wildlife populations, including abundance, survival, growth, and reproduction (recruitment). May not earn credit in both Wildlife 354 and Water 354. Prereq: NRES 250; Biology 160 and 305; Math 111 and 355. (I, II)

WLDL 355/555. Wildlife Diseases. 2 cr. Occurrence, importance, and ecological impact of infectious, parasitic, and chemical diseases of wildlife. Prereq: Biology 160 or written cons instr. (II)

WLDL 356/556. Wildlife Disease Methods. 1 cr. Methodology used to identify and study wildlife diseases in the field and laboratory. Prereq: Con reg in 355/553 or written cons instr. (II)

WLDL 360/560. Wetlands Ecology and Management. 3 cr. Investigate physical, chemical and biological processes of wetlands, and how these processes relate to the maintenance and enhancement of our nation's natural resources. Study wetland functions and values and in situ and habitat classification. Prereq: NRES 150, 151, 250, 251, and Summer Camp, or cons instr. (II)

WLDL 372/572. Wildlife of North America. 3 cr. Identification, life history, economic and ecological importance of North American fish and wildlife that are the focus of wildlife management, game management, and secondary teachers only. (SS)

WLDL 451/651. Management of Wildlife Habitat. 4 cr. Principles and practices of habitat management for wildlife in North America. Prereq: Summer Camp, English 254, 353, 354, or 358; CNR major or written cons instr. (I, II)

WLDL 458/658. Wildlife Ecology and Conservation Biology. 3 cr. Apply basic principles of traditional ecology, landscape ecology, genetics, and behavior to management for biological diversity. Develop critical thinking skills to evaluate and synthesize information to solve wildlife-related natural resource issues of diversity and scarcity. Prereq: 451 or con req. CNR or biology major or written cons instr. (I, II)

WLDL 493/693. Wildlife Field Seminar. 1-2 cr. May be pass/fail. For 2 cr: complete comprehensive report on field experience. Prereq: Cons instr. (On demand)

WLDL 499. Special Work. Upperclass wildlife majors may arrange for independent study with consent of the assoc dean. Credit based on scope of project. Prereq: CNR major or written cons instr. (I, II)

WLDL 740. Wildlife Issues Investigations. 1 cr. Apply ecological principles and management techniques to study relationships between wildlife issues and land uses, culture, economic and political actions. Prereq: Biology 305 or equiv, and cons instr. Certified elementary and secondary teachers only. (SS)

WLDL 742. Ecological Data Analysis. 3 cr. Principles and techniques for ecological data analysis, emphasizing model building and hypothesis testing. Study design and traditional statistical approaches. Also power analysis, resource selection functions, spatial statistics, time-series analysis, and population viability analysis. Prereq: Math 355 or Forestry 321 or written cons instr.

WLDL 752. Advanced Studies in Wildlife. 1-3 cr. Survey literature concerned with ecology and management of wildlife. (On demand)

WLDL 754. Behavioral Ecology. 3 cr. Discussion of current theories of animal behavior relative to population dynamics, adaptation, and evolution of species. Prereq: 353/553 and Biology 305 or cons instr.

WLDL 762. Quantitative Ecology. 3 cr. Principles of ecology illustrated by mathematical models. Includes stochastic models, time-series,
Natural Science
(College of Letters and Science)

Pat Zellmer, Coordinator
Room 235, Trainer Natural Resources Building
Phone: 715-346-3407
E-mail: pzellmer@uwsp.edu

The major in natural science may be applied toward a degree in the College of Letters and Science or used in the School of Education of the College of Professional Studies for Department of Public Instruction certification in broad-field science.

Enrollment caps are in effect for those seeking teacher certification. Contact the natural science coordinator early for entrance requirements and application procedures. Also see information about the Professional Education Program and the secondary education curriculum for teacher certification in the Education section of this catalog.

Natural Science Major
NOTE: See individual departments (astronomy, biology, chemistry, geography, geology, physics) for course combination restrictions.
Consists of 54 credits. Select ONE option:

Earth Science Option:
1. A minor in earth science consisting of 22 credits.
2. Astronomy 205 and 206, 8 credits (may be used in the earth science minor in replacement of Astronomy 311 and one elective credit).
3. Biology, 10-14 credits including Biology 130 and 160.
4. Chemistry, 9-14 credits including Chemistry 105 and 106, or 117.
5. Physics, 10-14 credits which must consist of Physics 203 and 204, or 150 and 250, and any physics courses numbered 300 and above.
6. At least 14 credits must be earned in one of the areas listed in items 3, 4, or 5 above.

Life Science Option:
1. A biology minor consisting of 22 credits.
2. Chemistry, 9-14 credits including Chemistry 105 and 106, or 117.
3. Earth Science, 8-14 credits selected from Geography 101, 352, 353, 354; Geology 104, 106, 200, 330, 370; Astronomy 205, 206 or 311.
4. Physics, 10-14 credits which must include Physics 203 and 204; or 150 and 250, and any physics courses numbered 300 and above.
5. At least 14 credits must be earned in one of the areas listed in items 2, 3, or 4 above.
6. Collateral courses: Math 111 or 120 or 355.

Physical Science Option:
1. A minimum of 38 credits in physical science:
   a. A minor in chemistry (24 cr) or physics (25 cr);
   b. Fourteen credits in the other area. If your minor is chemistry, these credits must consist of Physics 203 and 204, or Physics 150 and 250, and any physics courses numbered 300 and above.
2. Biology 130 and 160, 10 credits.
3. Earth science, 8-10 credits selected from Geography 101, 352, 353, 354; Geology 104, 106, 200, 330, 370; Astronomy 205, 206 or 311.
4. Collateral: For chemistry minor take Math 111 or 120; for the physics minor take Math 120, 121, 222.

Natural Science Broad-Field Minor
Consists of 25 credits, at least 5 from each area:
1. Earth science: Astronomy 205, 206 or 311; Geog 101, 352, 353, 354; Geology 104 and 106, 200, 330, 370.
2. Life Science: Biology 101, 130, 160.
4. See individual departments (astronomy, biology, chemistry, geography, geology, physics) for course combination restrictions.

Natural Science Broad-Field Minor for Elementary Education Majors
Consists of at least 31 credits, for elementary education majors only.
1. At least 5 credits from each area:
   a. Earth science: Astronomy 205, 206 or 311; Geog 101, 352, 353, 354; Geology 104 and 106, 200, 330, 370.
   b. Life Science: Biology 101, 130, 160.
   c. Physical Science: Chemistry 101, 105, 106, 114, 117; Physics 101, 203, 204, 150, 250.
2. Required, 6 credits: Education 325, Natural Res 370.
3. See individual departments (astronomy, biology, chemistry, geography, geology, physics) for course combination restrictions.

Academic Standards
1. To be approved for graduation, you must have a minimum overall grade point average of 2.00 (2.75 to student teach) in all courses included in your natural science major or minor, regardless of any declaration of academic bankruptcy.
2. In addition, you must meet the minimum GPA required for the minor that goes with the natural science option you are pursuing. See descriptions of the minors in the earth science, biology, chemistry, or physics sections of this catalog.
3. See the More Academic Information section of this catalog for the policy on repeating courses.

NURSING
See Pre-nursing.

NUTRITION

PSEN = Paper Science and Engineering

Paper Science and Engineering Major
Consists of major, collateral requirements totaling 108 credits (103 if taking Chemistry 117). (See Paper Science and Engineering course listings for descriptions.)

3. Collateral courses, 57 credits (52 if taking Chemistry 117): Chemistry 117 (or 105 and 106), 248, 325, 326, and 335 (these courses satisfy the requirements for a chemistry minor); Econ 110; Math 120, 121 222, 320; Physics 150, 250; Waste 489.

Pre-chemical Engineering
Take the following science and mathematics courses in your freshman and sophomore years: Chem 105 and 106 (or 117), 248, 325, 326; Math 120, 121, 222; Physics 150, 250. Specific chemical engineering curricula and universities have individual requirements. See a paper science and engineering adviser for additional requirements and suggested electives. For pre-engineering in preparation for mechanical, civil, electrical and other areas of engineering, see pre-engineering under Physics and Astronomy later in this catalog.

Academic Standards
To be approved for graduation with a Paper Science and Engineering (PSEN) major, you must:
1. Have a minimum grade point average of 2.00 in all PSEN courses and required collateral courses.
2. Have no grade below C- in any PSE&E, chemistry, mathematics, or physics courses numbered below 299 required in the PSEN major, and
3. Apply no grade below C- in PSEN and collateral courses numbered 300 or above to the major.

Courses in Paper Science and Engineering
PSEN 103. Paper, Society and the Environment. 3 cr. Study lifecycle of paper; raw materials; manufacturing; economic impact on society, recycling and sustainability; alternative disposal methods; impact on environment; policy and politics of pulp and paper industry; GDR: EL
PSEN 105. Freshman Forum. 1 cr; pass/fail. Orientation to technical and professional aspects of paper and allied industries; presentations by students, faculty, and guest lecturers.
PSEN 210. Pulp and Paper Laboratory Methods. 3 cr. Laboratory methods in pulp, paper, and nonfibrous testing: microscopic techniques; emphasis on statistical analysis of data. 1 hr lec, 4 hrs lab per wk. Prereq: Chem 117 or 105, or cons instr.
PSEN 215. Introduction to Process Engineering Calculations. 4 cr. Basic principles and techniques of engineering problem formulation and solution; material and energy balances, including chemical reactions, and studies of advanced systems; thermodynamic properties and engineering data information management; introduction to computer modeling and simulation; applications to pulp and papermaking process engineering. Prereq: 210; Chem 117 (or 106); Math 120; or cons instr.
PSEN 300. Mill Internship. 3 cr. Paper science majors work 10 weeks in a pulp and paper mill, with emphasis on manufacturing assignments; comprehensive report required. Prereq: 215, Cons chair.
PSEN 314. Engineering Statistical Design and Analysis. 3 cr. Statistical methods for design, analysis and improvement of engineering experimentation and process operation; experimental design, regression analysis, modeling, analysis of variance, and six-sigma techniques. Prereq: 320, 350 and 385.
PSEN 320. Fluid Mechanics and Hydraulics. 3 cr. Properties of fluids; momentum transport phenomena; laminar and turbulent flow, measurement and control of flow; fluid machinery; engineering calculations and design; economic factors. 2 hrs lec, 3 hrs lab/disc per wk. Prereq: 215; Math 222; Physics 150; or cons instr.
PSEN 326. Heat Transfer Operations. 3 cr. Fundamental heat transfer mechanisms: conduction, convection, and radiation; heat transfer coefficients; heat exchange equipment; evaporation and condensation systems; drying; economic factors; applications specific to pulp and paper processes; study of field operations. 2 hrs lec, 3 hrs lab per wk. Prereq: 320 or cons instr.
PSEN 350. Wood and Pulping Technology. 4 cr. Cellulose, hemicelluloses, lignin, wood extractives, wood fiber microstructure; commercial pulping and bleaching processes. Effective use of technical literature and presentation of information. 3 hrs lec, 3 hrs lab/disc per wk; field trips to commercial operations. Prereq: 215 and Chem 326.
PSEN 355. Paper and Fiber Physics. 4 cr. Fiber structure and properties; interfiber bonding; mechanical optical, chemical properties of paper; intermediations between structure, sheet formation, consolidation factors, and ultimate properties. Effective use of literature and presentation of information. 3 hrs lec, 3 hrs lab/disc per wk. Does not count toward major or minor in physics. Prereq: 350 or cons instr.
PSEN 365. Colloid and Surface Phenomena. 3 cr. Principles of colloid and surface chemistry; electrokinetic and base exchange phenomena; thermodynamics of interfacial systems; adsorption; applications to coatings, flocculation, fillers, and wet end additives. Prereq: Chem 335.
PSEN 385. Systems Engineering and Simulation. 3 cr. Modeling and simulation of pulp and papermaking systems; computer systems; analysis; commercially available simulation hardware and software; model building for engineering systems; industrial case histories and economic systems optimization. 1 hr lec, 3 hrs lab/disc per wk. Prereq: 215 or cons instr.
PSEN 399. Research Project. 1-3 cr. Underclass paper science majors may arrange for special laboratory or field research in consultation with staff and industry with cons chair. Emphasizes problem analysis, literature searches, and communication of research results. Credit is based on scope of project.
PSEN 410. Leadership Practicum. 1 cr. Develop leadership and supervisory skills; instruction in laboratory safety. Prereq: Sr st.
PSEN 430. Mass Transfer Operations. 3 cr. Fundamental concepts; mass transfer coefficients; gas absorption; filtration; extraction; pulp washing systems; sedimentation; cooling, humidification, air conditioning; drying; applications specific to pulp and paper processes; study of field operations. 2 hrs lec, 3 hrs lab/disc per wk. Prereq: 326 or cons instr.
PSEN 440. Industrial Thermodynamics and Kinetics. 4 cr. Thermodynamic properties; energy and entropy balances; thermodynamics of energy conversion: combustion, steam, vapor power cycles; energy recovery systems; chemical kinetics and reaction engineering; economic and environmental factors; applications to pulp and paper processes; field trips. 3 hrs lec, 2 hrs lab/disc per wk. Prereq: 326 and Chem 335, or cons instr.
PSEN 445. Paper Coating and Converting. 3 cr. Pigment coating materials/processes; converting operations including laminating, corrugating, extrusion and hot melt coating; functional coatings; presentations by staff/guest lecturers. Prereq: Sr st in paper sci or cons instr.
PSEN 460. Process Dynamics and Control. 3 cr. Dynamic model formulation and solution, using Laplace transform, analog, and digital computer techniques; control theories, strategies, and equipment; controller tuning, applications to pulp/paper processes; field trips. 3 hrs lec, 3 hrs lab/disc per wk. Prereq: 215 & Math 320.
Peace Studies

(College of Letters and Science)

Sally Kent, Coordinator
Room 461, Collins Classroom Center
Phone: 715-346-4442
E-mail: skent@uwsp.edu
Web: http://www.uwsp.edu/history/programs/peace_minor.aspx

Peace Studies Minor
Consists of 18 credits.
1. Peace Studies 200.
2. After you complete Peace Studies 200, take 12 credits from one area below. Consult with the coordinator to determine your area. No more than 6 credits from one department or discipline may apply. You may take 3 credits of 300 level independent study or special topics courses with coordinator consent. Courses with an asterisk must have coordinator’s approval of topic.
   b. Global development: Anthropology 372, 390*, Economics 362; Food and Nutrition 357, 456; Forestry or History 392; Geography 120, 340, 358; History 204, 214*, 215*, 303*; International Studies 391*; Natural Resources 220; Peace Studies 390, 399; Philosophy 380, 381; Political Science 305, 374, 376, 387; Psychology 320, 322; Sociology 355, 360, 370.
   c. Social justice and human rights: Anthropology 110, 335, 339, 371; Communication 373; Economics 328, 345; English 374, 376; History 203, 288, 289, 290, 292, 301, 364; International Studies 391*; Peace Studies 390, 399; Philosophy 350; Political Science 331, 374, 388, 396, 414; Psychology 240, 320, 322; Religious Studies 302, 321*, 344; Sociology 300; Women’s and Gender Studies 301, 320.
   d. Peace Studies 490 or 491.

Courses in Peace Studies

PAX 200, Dilemmas of War and Peace: An Introduction to Peace Studies. 3 cr. Examine history of warfare and conditions of peace; role of cultural and political institutions; development of international conflict resolution and systems of peace. QDr: H4

PAX 390. Internship/Practicum. 1-3 cr. Under instructor supervision, work with organizations striving to advance peace and social justice. Research paper required. Credits set by instructor. May be repeated. Prereq: PAX 200, 3 cr toward interest area and cons coord.

PAX 399. Special Work. 1-3 cr. Upperclass students may arrange for independent study with cons instr. Credit based on scope of project. Prereq: PAX 200 and cons coord.

PAX 490. Seminar. 3 cr. Contemporary problems and “classic” texts in peace studies; research and analysis. Prereq: PAX 200 and 9 cr toward interest area.

PAX 491. Senior Thesis. 3 cr. Research and analysis of a topic reviewed by faculty from at least two disciplines. Prereq: PAX 200, 9 cr toward interest area and cons coord.

Philosophy

(College of Letters and Science)

James Sage, Chair
Room 489A, Collins Classroom Center
Phone: 715-346-3340
E-mail: philosophy@uwsp.edu
Web: www.uwsp.edu/philosophy

Faculty:
Philosophy: D Chan, C Diehm, K Fry, J Sage, J Waligore, D Warren, D Williams.
Anthropology: S Alemán, S Ganapathy, I Choi.

Definitions: Philosophy is the rigorous examination of issues that cannot be resolved through empirical observation or experiment, such as the status of ethical judgments, the existence of God, and what counts as good reason for belief.

Religious Studies is the cross-cultural and comparative examination of humanity’s diverse religious traditions.

Anthropology is the study of human cultural, linguistic and biological diversity, both in a contemporary context and in the context of historical and biological evolutionary changes that have resulted in a rich archaeological and ethnographic record of human physical and cultural adaptation and variety.

Mission: The Department of Philosophy, housing the disciplines of philosophy, religious studies, and anthropology, trains students in the skills of critical thinking, written and oral communication, and empathetic engagement with diverse worldviews, cultures, ethical systems and religions. The training we offer equips our students with the skills needed for a wide variety of professional careers and with the ability to adapt to the inevitable changes and challenges they will face after graduation.

Philosophy Major

Consists of a minimum of 27 credits including:
1. Logic: Phil 322
2. History: Phil 325, 326, and 327.
Philosophy Major with Concentration in Environmental Ethics
Consists of a minimum of 33 credits including:
1. Logic: Phil 121 or 322.
2. History: Phil 325, 326, 327.
4. Environmental ethics: Phil 380 and 480.
5. Seminar: Phil 490.
6. Electives: At least 6 additional credits in philosophy which may include either 100 or 101, but not both.

Philosophy Major with Concentration in Religious Studies
Consists of a minimum of 39 credits including:
1. Philosophy core, 12 credits.
   a. Logic: Phil 121 or 322.
   b. Ethics: Phil 101, 302, 305, 336, or 380.
   c. Any two additional courses in philosophy.
2. Religious studies concentration, 27 credits. At least 18 must be 300 level or above.
   b. Global Religions 1: Asian and Indigenous Traditions: Two courses from Rel 100, 316, 333, 340, 341, Phil 105, or Anth 320.
   c. Global Religions 2: Western Traditions: Two courses from Rel 101, 302, 303, 304, 305, 311, 325, 330, or 342.
   d. Senior seminar: Rel 450.
   e. Electives: A minimum of 9 additional credits from religious studies or collateral courses including:
      Anth 110, 320, 380; Art 270, 374; Hist 332, 357; Phil 320, 327, 330; Poli 324.

Philosophy Minor
Consists of a minimum of 18 credits including:
1. Logic: Philosophy 121 or 322.
2. History: Two courses from Phil 325, 326, or 327.
3. One course at 300 level or higher that may include Phil 322 if 121 is taken to fulfill the logic requirement.
4. Electives: At least 6 additional philosophy credits.

Philosophy Honors Program
The Department of Philosophy offers an Honors program for students majoring in philosophy, philosophy with a concentration in environmental ethics, or philosophy with a concentration in religious studies. To apply for admission:
1. Have at least 30 university credits.
2. Have 6 credits in philosophy or religious studies with a GPA of 3.5 or higher.
3. Contact the department chair or department honors adviser.
Requirements for philosophy honors are:
1. Complete all the requirements for the major with a GPA of at least 3.5 for courses in the major.
2. Complete a minimum of 6 honors credits in philosophy and/ or religious studies courses with a grade of “A Honors.”
3. Complete one credit “Independent Study: Honors Project” in Phil 399 or Rel Std 399.

Academic Standards
1. To ensure that your program is as well planned as possible, the Philosophy Department requires each major or minor to have a departmental adviser.
2. You must have your adviser’s approval on all philosophy courses you select to apply to the major or minor.
3. You may apply selected upper division religious studies courses with adviser approval to your philosophy major or minor if it will strengthen your program.
4. To be accepted and retained as a major or minor and approved for graduation, you must have a minimum grade point average of 2.50 in courses counted toward the major or minor, including transfer credits and regardless of any declaration of academic bankruptcy. Courses taken pass/fail or with a grade lower than C- may not be counted toward the major or minor. You may repeat a course in the major or minor only if you follow the policy on repeating courses found in the More Academic Information section of this catalog.
5. Courses in philosophy are open to all students who meet the prerequisites.

Test-out Policy
You may apply to test out of any course in philosophy, religious studies or anthropology, which meets one or more of the general degree requirements. The department chair will make arrangements for the test. You will work with a designated faculty member who will confer with you regarding date, site, question format, etc. The faculty member will prepare a comprehensive written exam, grade it and inform you in writing of your grade within two weeks of taking the exam. If you receive a grade of B or higher, the corresponding GDR requirement will be waived.

The department assumes no responsibility for preparing students for test-out examinations. You may not apply to test out of a course in which you are currently enrolled. You may not attempt to test out of a course more than once.

Courses in Philosophy
PHIL 100: Introduction to Philosophy. 3 cr. Survey of important problems in philosophy such as the nature of reality, knowledge, and value. GDR: HU3
PHIL 101: Contemporary Moral Problems. 3 cr. An attempt to clarify selected contemporary moral issues by applying insights of moral philosophy and tools of critical reflection. GDR: HU3
PHIL 104: The Ways of Philosophy: Searching for a Worthwhile Life. 3 cr. Introduction to eastern and western ways of philosophy that have guided people throughout history.
PHIL 105(NW). Philosophy and Religion of India and China. 3 cr. Introduction to origin and development of Indian and Chinese thought and religion, with emphasis on Hinduism, Buddhism, Taoism, and Confucianism. GDR: HU
PHIL 121. Critical Thinking. 3 cr. Fundamental principles of reasoning including recognition, analysis, and evaluation of arguments. GDR: HU
PHIL 199. Reading in the Discipline. 1 cr; pass/fail. Improve critical reading and thinking skills. Taken in conjunction with designated sections of philosophy courses.
PHIL 230(NW). Philosophy of Human Nature: Eastern and Western. 3 cr. Introduction to Eastern and Western theories about human nature, the human condition, and their ethical implications. GDR: HU
PHIL 270. Liberalism, Conservatism and Democracy. 3 cr. Examine central ideologies in American politics through classic and contemporary texts. Philosophical foundations and practical applications in critical perspective. May not earn credit in both PHIL 270 and Political Science 270. GDR: HU
PHIL 301. Philosophy in a Popular Mode. 3 cr. Interpret and discuss selected popular works of philosophic interest. Subtitle will designate topic. GDR: HU
PHIL 302. Ethics and Medicine. 3 cr. Critical examination of ethical issues in medicine and health care. GDR: HU
PHIL 303. Philosophy of Art. 3 cr. Examine traditional and contemporary theories about nature and function of art, processes of artistic creation and appreciation, and philosophical problems in art criticism.
PHIL 304. Ethics in Business and Economics. 3 cr. Apply ethical concepts from selected readings and case studies to business management, economic policy, and the organization of work.
PHIL 305/505. Ethics. 3 cr. Critical examination of moral concepts and representative ethical systems. GDR: HU
PHIL 306. Science of Philosophy. 3 cr. Examine scientific inquiry, including theory formation, justification and change. GDR: HU
PHIL 307. Science and Value. 3 cr. Examine relationship between scientific knowledge and basic moral values. GDR: HU
PHIL 310. Metaphysics. 3 cr. Philosophical theories of reality. May include personal identity, the nature of mind, substance, causation.
PHIL 312. Epistemology. 3 cr. Study of nature, limits, and bases of human knowledge.
PHIL 315/515. Philosophy of Law. 3 cr. Examine central legal concepts including natural law, and structure of legal reasoning. GDR: HU
PHIL 320. Philosophy of Religion. 3 cr. Basic problems of the philosophy of religion such as the existence of God, the problem of evil, religious language, and immortality. GDR: HU
PHIL 322. Symbolic Logic. 3 cr. Introduction to symbolic logic including truth functions, propositional logic, and introductory predicate logic.
PHIL 325. Ancient Greek Philosophy. 3 cr. Major philosophical movements and figures from classical Greece. GDR: HU
PHIL 326. 17th and 18th Century Philosophy. 3 cr. Major philosophical movements and figures from the Renaissance through Immanuel Kant. GDR: HU
PHIL 327. 19th and 20th Century Philosophy. 3 cr. Major philosophical movements and figures in the 19th and 20th centuries. GDR: HU
PHIL 330. Existential Philosophy. 3 cr. Phenomenology and the philosophy of human existence from Kierkegaard to Sartre.
PHIL 335. Philosophy of Ecology. 3 cr. Explore conceptual issues in ecology, especially the connection between ecology and environmental ethics.
PHIL 392. Philosophy Internship. 1 cr; pass/fail. Intern provides small group writing and reading assistance in selected philosophy courses. Prereq: Cons instr.
PHIL 399. Independent Study. 1-3 cr. Independent study of a philosophical problem, theme, thinker, or period with cons instr and chair. Credit based on scope of project.
PHIL 480/680. Advanced Environmental Ethics. 3 cr. Advanced study of ethical relationships between humans and the nonhuman world. Prereq: (Undergrads only) 380 or cons instr.
PHIL 490/690. Seminar. 3 cr. Intensive study of a major philosophic figure or topic. Subtitle will designate topic. Prereq: Cons instr.

Physics

Faculty: S Ashman, B Hinaus, K Jore, K Menningen, R Olson, B Pritzl, A Stevenson, D Tamres, C Verzani, M Veum, S Zamfir.

Definition: Physics is the branch of science that investigates the laws of motion and properties of matter. It is often divided into the sub-disciplines of mechanics, heat, sound, electricity, magnetism, optics, atomic and nuclear physics.

Courses in physics are taught by members of the Department of Physics and Astronomy.

Courses in astronomy are listed under that title earlier in this catalog.

Physics Major
Consists of a minimum of 61 credits including:
1. Math 120, 121, 213, 222.
2. Chemistry 105 and 106; or 117.
3. Physics 111, 150, 250, 300, 320, 335, 405, 435, 470, and one credit of 388 or 499.
4. Physics 315 or 370.
5. Additional physics courses numbered above 300 not including 390 or 490 to attain 61 credits.

Physics Major with
Applied Mechanics Emphasis
Consists of a minimum of 59 credits including:
1. Math 120, 121, 213, 222.
2. Chemistry 105 or 117.
4. Physics 490, 6 cr.
5. Economics 110 or Business 320.

Note: Enrollment caps are in effect for those seeking the physics major with applied mechanics emphasis. Please contact the Department of Physics and Astronomy early for entrance requirements and application procedures.

Physics Major with Applied Electronics Emphasis

Consists of a minimum of 60 credits including:
1. Math 120, 121, 213, 222.
2. Chemistry 105 or 117.
4. Physics 383 or 385.
5. Physics 490, 6 cr.

Note: Enrollment caps are in effect for those seeking the physics major with applied electronics emphasis. Please contact the Department of Physics and Astronomy early for entrance requirements and application procedures.

Physics Major for Teacher Certification

Consists of a minimum of 49 credits including:
1. Math 120, 121, 213, 222.
2. Physics 111, 150, 250, 300, 320, 335, 370.
3. Physics 315 or 370.
4. Astronomy 205 or 206 or 311 or physics courses numbered above 300 not including 390 or 490 to attain 49 credits.

Note: Enrollment caps are in effect for those seeking teacher certification. Contact the Department of Physics and Astronomy early for entrance requirements and application procedures. Also see information about the Professional Education Program and the secondary education curriculum for teacher certification in the Education section of this catalog.

Academic Standards for Major

1. To be accepted as a physics major, register with the department office no later than the first semester of your junior year. To be retained and approved for graduation, you must have a 2.00 cumulative GPA (2.75 to student teach) in all courses in the major, regardless of any declaration of academic bankruptcy.
2. No more than one grade below C- in physics courses numbered 300 or above may be applied to the major.
3. If you do not meet these standards, you may petition the department chair for consideration. See the More Academic Information section of this catalog for the policy on repeating courses.
4. All upper division physics courses (300 and above) are open to all students who meet the prerequisites.

Physics Minor

1. A minimum of 25 credits including Physics 111, 150, 250, 300 and other physics courses numbered above 300 not including 390 and 490. At least one elective must include a laboratory.
2. Math 120, 121, 222.
3. If you are entering a teaching field, you may select Astronomy 311 as an elective. A minor in physics is certifiable for teaching only when accompanied by a major in another science or a major in mathematics.

4. When you decide to minor in physics, register in the department office to be assured of proper advising. To be accepted as a minor you must have a minimum grade point average of 2.00 (2.75 to student teach), regardless of a declaration of academic bankruptcy. The department may grant exceptions. No more than one grade below C in physics courses numbered 300 or above may be applied to the minor.

Notes:

1. To major or minor in physics, you should register for acceptance no later than the first semester of your junior year.
2. Physics 320, 370, 435 will be offered first semester only in 2007-08 and 2009-10.
3. Physics 335, 383, 385 will be offered first semester only in 2008-09 and 2010-11.
4. Physics 315, 470 are offered second semester only.
5. Physics 405 will be offered second semester only in 2007-08.
6. Physics 384 will be offered second semester only in 2008-09.
7. You will not receive credit for a course if you have already successfully completed a similar or more advanced course in the same area. The following restrictions apply:

If you received you cannot receive credit for:

<table>

Test-out, Credit-by-Exam Policy

We will offer test-out examinations for all general degree requirement (GDR) physics and astronomy. The exams will cover both lecture and laboratory topics.

If you wish to take a test-out exam, confer with the department chair who will arrange for a faculty member to administer and grade a comprehensive written exam. A passing grade will be at least five percent above the most recent class average. You will be informed of the required passing score before taking the exam. Results will be evaluated and (if appropriate) credit granted by the departmental Educational Policies Committee. You may not take an exam more than once.

Course credit can be granted for Astronomy 205, 206, 311; Physics 115, 150, 203, 204, 250. Credit will NOT be granted for Astronomy 100 and Physics 100 and 101, but the GDR science credit will be waived.

Pre-Engineering

For all pre-engineering programs except pre-chemical engineering, you should take the following science and mathematics courses in your freshman and sophomore years: Math 120, 121, 213, 222; Physics 150, 250, 300. Chemistry 105, 106 (or 117) is also recommended. Specific engineering curricula and universities have
individual requirements. See a physics adviser for additional information and suggested electives. For pre-
chemical engineering and/or ABET accredited engineering, see Paper Science and Engineering earlier in this catalog.

Courses in Physics

PHYS 100. Energy in Today’s World. 3 cr. Basic energy concepts; energy sources and processes; projected depletion of present resources; role of conservation, research and development; alternatives and prospects for the future. 2 hrs lec, 2 hrs lab per wk. GDR: NS, EL

PHYS 101. General Physics. 5 cr. Fundamental principles of physics for a general audience; for students in elementary education, general education, communicative disorders, and physical education. 2 hrs lec, 1 hr disc, 4 hrs lab per wk. GDR: NS

PHYS 111. Seminar: Introduction to Physics. 1 cr; pass/fail. For students interested in a physics major/minor. Topics include careers, areas of current research, and library research techniques. Does not count toward physics requirements of natural science major. Prereq: Math 100 or equiv recommended. GDR: NS

PHYS 150. University Physics I. 5 cr. Mechanics, heat, and sound. 3 hrs lec, 1 hr disc, 3 hrs lab per wk. Prereq: Math 120, or con reg, or cons instr. GDR: NS

PHYS 201. Applied Principles of Physics I. 4 cr. Topics in mechanics, heat, and sound. 2 hrs lec, 1 hr disc, 3 hrs lab per wk. Prereq: Math 100 or equiv, or cons instr. For natural resource students.

PHYS 202. Applied Principles of Physics II. 3 cr. Topics in electricity, magnetism, optics, and modern physics. 2 hrs lec, 3 hrs lab per wk. Prereq: 201 or equiv, or cons instr. For natural resource students.

PHYS 203. College Physics I. 5 cr. Mechanics, heat, and sound. For students in general education, biology, premedical and related fields. 3 hrs lec, 1 hr disc, 3 hrs lab per wk. Prereq: 1 yr high school algebra and 1 yr high school geometry, or equiv. GDR: NS

PHYS 204. College Physics II. 5 cr. Light, electricity and magnetism, and topics in modern physics. For students in general education, biology, premedical and related fields. 3 hrs lec, 1 hr disc, 3 hrs lab per wk. Prereq: 203 or equiv, or cons instr. GDR: NS

PHYS 250. University Physics II. 5 cr. Electricity, magnetism, and optics. 3 hrs lec, 1 hr disc, 3 hrs lab per wk. Prereq: 150, Math 121 or con reg or cons instr. GDR: NS

PHYS 275. Modern Perspectives of Physics. 3 cr. An algebra-based introduction to special relativity, quantum and atomic physics, nuclear physics, and applications of quantum physics to the modern world. Intended for students planning to teach physics at the secondary level. Does not satisfy requirements for the physics major or minor. You may not take both 275 and 300 for credit. Prereq: 204 or 250, or cons instr.

PHYS 300. Modern Physics. 3 cr. Special relativity, quantization, Bohr atom, matter waves, solutions to the one-dimensional Schroedinger equation, nuclear physics. Prereq: 250 or cons instr.

PHYS 315. Computational Physics. 3 cr. Solving problems in physics using numerical methods, programming and data manipulation software. 2 hr lec, 3 hrs lab per wk. Prereq: 250 or cons instr.

PHYS 320. Electricity and Magnetism. 4 cr. Introduction to theory of electrostatics, potential, field production, magnetostatics, magnetic properties of materials, Maxwell’s equations. Prereq: 250, Math 222 or cons instr.

PHYS 335. Advanced Mechanics. 3 cr. Vectors, rectilinear and curvilinear motions, including simple harmonic and damped vibrations; rotation of rigid bodies; Lagrangian mechanics. Prereq: 250, Math 213 and 222 or cons instr.

PHYS 370. Electronics. 4 cr. Theory, application, and practice of analog and digital electronics. 3 hrs lec, 3 hrs lab per wk. Prereq: 202 or 204 or 250 or cons instr.

PHYS 381. Selected Topics. 1-3 cr. Advanced coursework in specialized areas of physics. May repeat under different subtitles. Prereq: Cons instr.

PHYS 383. Solid State Physics. 3 cr. Conductivity, optical properties of conductors and insulators, polarization, magnetization, free electron theory, band theory, and semiconductors. Prereq: 300, Math 222 or cons instr.

PHYS 384. Astrophysics. 3 cr. Selected topics in areas of astrophysics including planetary physics, stellar physics, galactic and extragalactic astronomy, and cosmology. Prereq: 250 and 300, Math 222 or cons instr.

PHYS 385. Optics. 3 cr. Wave, ray, and photon modes of light; geometrical optics with emphasis on imaging; physical optics including polarization, interference, and diffraction; modern optics including lasers and nonlinear optics. 2 hrs lec, 3 hrs lab per wk. Prereq: 250 and 300, Math 222 or cons instr.

PHYS 388. Research Participation. 1-4 cr. Investigate current problems in physics; 3-12 hrs lab per wk. For physics majors/minors. May repeat for 4 cr max. Prereq: Cons research supervisor.

PHYS 390. Cooperative Internship in Applied Physics. 1.6 cr. Supervised work program in applied physics at a cooperating agency or business. Credit determined by internship director. Credit does not apply to major. May be repeated for 6 cr max. Prereq: Physics majors only; cons internship director.

PHYS 405. Quantum Mechanics. 3 cr. In-depth study of Schroedinger’s equation, the harmonic oscillator, angular momentum, the hydrogen atom, and Dirac formalism, spin, approximation methods, selection rules, transitions, and multi-electron atoms. Prereq: 300, Math 213 and 222 or cons instr.

PHYS 435. Thermodynamics and Statistical Mechanics. 3 cr. Introduction to laws of thermodynamics and their explanation by statistical mechanics. Applications to gases, liquids, solids; boson and fermion systems; phase and chemical equilibrium. Prereq: 250, Math 222

PHYS 470. Experimental Physics. 2 cr. Experiments and laboratory practice in electricity, magnetism, optics; atomic, nuclear, and solid state physics. 1 hr lec, 3 hrs lab per wk. Prereq: 300 or cons instr.

PHYS 490. Internship in Applied Physics. 1.6 cr. Supervised work program in applied physics at a cooperating agency or business. Credit determined by internship director. Credit applies for applied physics emphasis majors only. May repeat for 6 cr max. Prereq: Physics majors only; cons internship director.

PHYS 496. Independent Study. 1-4 cr. Planned study to supplement preparation in area of specialization, regular scheduled conferences with staff supervisor. For physics majors/minors. Prereq: Cons chair.

PHYS 499. Special Work. Upperclass physics majors or minors may arrange for independent study with cons chair. Credit based on scope of project.

PHYS 796. Independent Study. 1-4 cr. Planned study to supplement preparation in area of specialization. Prereq: Maturity to work independently; must supplement current graduate work.

Physics Latent Courses: Not offered recently. See full course description in indicated (wx) catalog.

206 Basic Electricity. 3 cr, (99-01)
221 Statics, 3 cr, (91-93)
221 Dynamics, 3 cr, (91-93)
391 Digital Systems and Microprocessors I. 4 cr, (95-97)
390 Digital Systems and Microprocessors II. 3 cr, (95-97)
701 Physical Science 3-4 cr, (01-03)

Political Science

(College of Letters and Science)

J ohn Blakeman, Chair
Room 484, Collins Classroom Center
Phone: 715-346-2688
E-mail: polisci@uwsp.edu
Web: www.uwsp.edu/polisci

Faculty: J Blakeman, J Collins, B Mapers-Martins, E Miller, D Riley, E Wabindato, J Ianwei Wang, D Williams.

Definition: Political science is the study of the government and politics of the United States, other nations, and international relations.

Political Science Major

Consists of at least 36 credits including:

1. Poli Sci 101 and EITHER 160(NW) or 180.
2. Poli Sci 203.
3. At least 18 credits in courses 300 and above.
4. At least 3 credits in four of the following five fields:

**Recommended Emphases**

Graduate School Preparation: Poli Sci 203, 397, 497; Computer Information Systems 101/102; English 250; Math 355.

Prelaw: Poli Sci 212, 320, 330, 331, 332, 333, 334, 395, 450; Accounting 210; English 250; Philosophy 315.

Teacher Certification:
1. You need 12 credits American politics and government, including 3 credits public law and 3 credits state and local; 6 credits comparative and international; 6 credits theory including Poli Sci 203 or 497 that is required for certification by the Department of Public Instruction.
2. The DPI requires all elementary and secondary education majors to take Poli Sci 101.
3. Also see information about the Professional Education Program and Secondary Education for teacher certification in the Education section of this catalog.

**Political Science Minor**

Consists of at least 21 credits including:
1. Poli Sci 101 and EITHER 160NW or 180.
2. At least 9 credits in courses numbered 300 and above.
3. At least 3 credits in four of the five fields listed above with the major.

**Academic Standards**

1. To graduate with a major in political science, you must earn a grade point average of 2.50 or higher (2.75 to student teach) in ALL courses taken in the major, including transfer courses, regardless of any declaration of academic bankruptcy. You may repeat a course in the major only if you follow the course repeat policy found in the More Academic Information section of this catalog.
2. Begin your study of political science by taking Poli Sci 101. Take 200 level survey courses before the 300-400 level courses in the various fields.
3. Courses in political science are open to all students who meet the prerequisites.

**Credit-by-Exam Policy**

Political Science Department will grant credit for political science courses that satisfy general degree requirements if you demonstrate your competency on an authorized examination. You may attempt an exam only once.

1. For Poli Sci 101 and 201 you must receive a score of 3 or higher on the Advanced Placement (AP) test or score at or above the 50th percentile on the College Level Entrance Placement (CLEP) test.
   a. For 201 you must also pass, with a score of at least 67 percent, a supplemental exam prepared by the department on state and local government.
   b. If you score high enough on the AP or CLEP but not on the supplemental exam, you will receive credit for 101 but not 201.
2. For Poli Sci 160 you must receive a score of 3 or higher on the AP or CLEP exam described below.
3. For the remaining political science courses that meet general degree requirements you will receive access to materials from the current or most recent course. The exam will be based on recent tests from the course. The instructor will evaluate your proficiency and assign a grade of P or N based on standards outlined in the course syllabus.

**Courses in Political Science**

Poli 101. American Politics. 3 cr. Survey of American politics and government. May not earn credit in both 101 and 201. GDR: SS1

Poli 160(NW). Comparative Politics. 3 cr. Theories of comparative politics; study of political systems of selected Western, non-Western, and Communist countries. GDR: SS1

Poli 180. International Relations. 3 cr. Analysis of general principles and theories of international politics and organizations; emphasis on security, power, prestige, and peace. GDR: SS1

Poli 190. Contemporary Political Issues. 1 cr; pass/fail. Critical examination of social and political implications of a major, contemporary issue. 2 hrs per wk. Subtitle will designate area. May take twice with different subtitles.

Poli 202(MNS). American Policymaking. 3 cr. Analysis of governmental policymaking; emphasis on theories of the policy process and substantive policy issues. GDR: SS1

Poli 203. Introduction to Political Analysis. 3 cr. Introduction to approaches and methods of political science research. Emphasis on research design, data collection, interpretation, and use of computers in political science. Prereq: 101 or 160 or 180 or cons instr.

Poli 211. Practical Law. 3 cr. Principles and applications of civil and criminal law as they affect citizens; emphasis on consumer, juvenile, family, mental commitment, rules of evidence, probate, torts, and student rights. Prereq: So st.

Poli 212. Law and Legal Systems. 3 cr. Nature of law and legal processes as instruments of social control. Prereq: So st. GDR: SS1

Poli 242. State and Local Government. 3 cr. Analysis of political structure, functions, and behavior at subnational level; examine empirical theories that seek to explain political behavior in states and communities; emphasis on Wisconsin. Prereq: So st. GDR: SS1

Poli 250. Public Administration. 3 cr. Theory and practice of public administration in the United States. Prereq: So st. GDR: SS1

Poli 270. Theories of Politics: Liberalism, Conservatism, Democracy. 3 cr. Examine central ideologies in American politics through classic and contemporary texts. Theoretical foundations and practical applications in critical perspective. May not earn credit in both Poli 270 and Philosophy 270. GDR: HU3

Poli 304/504. Environmental Policy. 3 cr. Environmental quality policymaking processes and policy outputs, including statutes, agency rules, and court decisions dealing with air, water, and land technology as problem and solution; analysis of costs, results, trends. GDR: EL

Poli 305. International Environmental Politics. 3 cr. Analysis of regional and international environmental issues, and how politics plays a role in defining and posing solutions for global ecological problems. Emphasis on rationality, interdependence, and development. GDR: EL

Poli 306/506. Health Politics and Policies. 3 cr. Focus on public policy of health care financing, delivery, access, and providers; impact of major government programs and proposed reforms; emphasis on technological change and its impact. GDR: SS2

Poli 307. Politics and the Media. 3 cr. Analysis of the role mass media play in American politics. Emphasis on relationship between media and major political institutions as well as controversies surrounding the media. Prereq: 101 or cons instr.

Poli 308. Public Opinion. 3 cr. Formation, measurement, and content of American political opinions; relationship to public policies.

Poli 309. Tribal Governments in the United States. 3 cr. Contemporary tribal governments; relationships with federal, state, county, and local governments; intertribal organization and interest groups.
POLI 310. American Presidency. 3 cr. Analyze development of the American chief executive; emphasis on 20th century presidents; nature of presidential power, its effectiveness and limitations.

POLI 315(MNS). Minority Group Politics. 3 cr. Political behavior and impact of ethnocultural, racial and ideological minority groups in the United States. GDR: SS1

POLI 316/516. Parties and Elections. 3 cr. Description and critical examination of political parties and voting behavior in the U.S. POLI 320/520. Political Processes. 3 cr. Analyze forces and procedures that determine formation of law and public policy in the U.S.

POLI 322. Interest Group Politics. 3 cr. Examine interest groups and role they play in American politics. Group formation and maintenance, lobbyists and lobbying, elections and campaign finance.

POLI 324. Religion and Politics. 3 cr. Interaction between religion and politics in U.S. Impact of religion on American political culture, voting, political leadership, interest groups, economic and foreign policy, and the law. Includes comparative perspective. Prereq: 101.

POLI 330. Constitutontal Law: Governmental Powers and Federalism. 3 cr. American constitutional development as exemplified by Supreme Court decisions; examine selected judicial decisions interpreting the Constitution; consideration of political and governmental implications of such decisions; constitutionalism and judicial review; the commerce clause; powers of the national executive, legislative, and judicial branches; substantive due process.

POLI 331. Civil Liberties and Civil Rights. 3 cr. American constitutional development in areas of civil liberties such as speech, press, religion and assembly. Development of political civil rights such as voting, and other holding equal rights and social civil rights such as access to education, workplace, marketplace. Prereq: 212, or 330 or cons instr.

POLI 332. Rights of Persons Accused of Crime. 3 cr. Development and contemporary state of rights guaranteed to those accused of crime in the United States. Applications to the fourth, fifth, and sixth, seventh, and eighth, and 14th amendments of the United States Constitution. Prereq: 212, or 330, or 331 or cons instr.

POLI 335. Law and Society. 3 cr. Investigate social organization of law and how law responds and affects social stratification. Also social scientific approaches to study of law, especially private law such as torts, contracts, property. Prereq: 101, 212.

POLI 341. Urban Politics. 3 cr. Analyze urban governments in the U.S.; attention to governmental structures, powers, policies, and political patterns in large and small cities; emphasis on Wisconsin. GDR: SS1

POLI 354/554. Personnel and Personnel Administration. 3 cr. Problems and practices involved in selection, training, and performance of public employees.

POLI 356/556. Government Finance. 3 cr. How U.S. national, state, and local governments determine their fiscal policies; governmental institutions and agencies involved, legislation and regulations, and pattern of relationships affecting them.

POLI 358/558. Public Budgets. 3 cr. Determination and execution of public agency revenue and expenditure; budget preparation; government finance; governmental structure, and political considerations of the government agency budget.

POLI 362(NW). East European Politics. 3 cr. Political structures, processes, and institutions of Central and East Europe. Emphasis on the politics of transition and challenges to democratisation. GDR: SS1.

POLI 363. The Politics of the European Union. 3 cr. Course will cover the politics of European Union integration and policymaking. Major EU institutions, policies, and political behavior will be studied.

POLI 371(NW). Chinese Politics. 3 cr. Examine evolution, dynamics, and institutions of the political and economic system of the People’s Republic of China. GDR: SS1

POLI 374. Political Development. 3 cr. Analyze the dynamics and processes of political transition; emphasis on issues associated with political, economic, and psychological changes in selected third world and eastern European countries.

POLI 375(NW). Latin American Politics. 3 cr. Study Latin American political and economic development in the 20th century and examine current dilemmas. Emphasize democratic consolidation and contemporary politics in select countries. Overarching themes include political leadership, economic development, populism, socialism, democratization, social movements and civil society, human rights, and the impact of international actors and forces. Prereq: 160 or cons instr.

POLI 376. International Political Economy. 3 cr. Analyze interstate relationships with emphasis on political implications of economic concerns such as trade disputes, investment penetration, and industrial protectionism.

POLI 382(NW). Latin America in World Affairs. 3 cr. Analyze Latin America’s international relations and regional implications in the international system. Examine important regional issues with international dimensions: human rights, conflict resolution, democratization, drug trafficking, regional economic integration, and trade relations. Prereq: 160 or cons instr.

POLI 383. U.S. Foreign Policy. 3 cr. International and internal forces underlying U.S. foreign policy, relating U.S. aims and policies to other important states and regions of the world.

POLI 388. International Organizations and Law. 3 cr. Analyze role, structure, and functions of contemporary international organizations, the role of international law in dispute resolution.

POLI 388. Politics of Terrorism. 3 cr. In-depth analysis of definitions and uses of terrorism; critical review of theories and cases from wide variety of viewpoints and situations; understanding the role of the symbol of terrorism on broader political arena.

POLI 387. International Simulation. 1-3 cr. Simulate international interactions such as trade negotiations, peace talks, and meetings of international organizations. Students act as representatives of various governments in making policies, allocating resources, and forming alliances under different scenarios. Subtitle will designate area. May repeat for 3 cr max with different subtitles. Prereq: Cons instr.

POLI 388. International Law. 3 cr. Public international law concerning legal relationships between states in the international system. Study basics of international legal system including sources of law, state sovereignty issues, disputes resolution between state process, laws governing international organizations, basic human rights law, laws regulating use of force. Prereq: 160 or 180.

POLI 391. American Political Thought. 3 cr. Analyze major concepts and figures in American political thinking. Emphasis on equality, individual rights, government by consent of the governed and the right of revolution. GDR: HU3

POLI 393/593. Ancient and Medieval Western Political Theory. 3 cr. Examine principal political thinkers from ancient Greece and Mediterranean Roman societies including Thucydides, Socrates, Plato, Aristotle, St. Augustine, St. Thomas Aquinas. Emphasizes enduring nature of central questions of politics. GDR: HU3

POLI 395/595. Contemporary Political Theory. 3 cr. Examine and analyze contemporary problems in political theory. Focus will vary. GDR: HU3.

POLI 396/596. Radical and Utopian Politics. 3 cr.Selected revolutionary movements, leading actors in revolutionary dramas, and radical and utopian blueprints of future societies.

POLI 397/597. Methods of Policy Analysis. 3 cr. Systematic methods, techniques, tools to analyze policy problems. Policy analysis service to decision makers, analysts in policy and political processes. Prereq: 202 or 314, statistics, or cons instr.

POLI 408(MNS). Politics and Popular Culture. 3 cr. Analyze intersection of politics and popular culture and the mutual influence and role that media and political process play in the construction of a society.

POLI 414(MNS). Politics of Race, Class and Gender in the U.S. 3 cr. Examine causes and consequences of American political discord over race, class and gender and how this discord manifests itself in and emanates from the laws our society creates to manage conflict, distribute resources, and parcel out value preferences. Prereq: 101.

POLI 450. Administrative Law. 3 cr. Study of rules and procedures that govern administrative decision making. Credit toward administrative law course is available through the Administrative Procedure Act and leading Supreme Court cases.

POLI 455. Internship in Government. 1-6 cr. Work with a local, regional, state, or federal agency under instructor’s supervision and complete a research paper. Credits set by instructor.

POLI 490/690. Selected Problems in Political Science. 3 cr. Examine problems in political thought or activities. Subtitle will designate topic.

POLI 497/697. Methods of Political Science Research. 3 cr. Examine political science as a discipline by using the materials, approaches, methods, and modes of presentation of contemporary research.

POLI 499. Special Work. 1-3 cr. Upperclass political science majors and minors may arrange for independent study with cons chair. Credit based on scope of project.

POLI 590. Selected Problems in Political Science. 3 cr. Graduate seminar investigating an area of political science. Subtitle will designate area. May repeat for credit with different subtitle.
nursing program, please contact the nursing coordinator.

For more complete information about the prenursing program and admission to the UW-Eau Claire professional nursing program, please contact the nursing coordinator (listed above).

Prenursing
(College of Professional Studies) in cooperation with UW-Eau Claire

Susan Raab, Coordinator
Room D-127, Science Building
Phone: 715-346-3766
E-mail: sraab@uwsp.edu

Through a cooperative arrangement with UW-Eau Claire, you can earn a bachelor of science degree in nursing from UW-Eau Claire by completing nursing courses at St. Joseph's Hospital in Marshfield.

You spend three to five semesters at UW-Stevens Point, during which time you apply to UW-Eau Claire and the UW-Eau Claire School of Nursing. If accepted, you will complete five semesters of nursing courses at St. Joseph's Hospital in Marshfield.

The nursing degree is awarded by UW-Eau Claire. General degree requirements for UW-Eau Claire are satisfied through the following courses here at UW-Stevens Point.

1. General education requirements:
   Communication 101.
   English 101, 102.
   Foreign Language, 8 credits.
   Math 355.
   Psychology 110, 260.
   Social Sciences, 9-12 credits from at least 2 of 7 disciplines.
   Humanities, 9-12 credits from at least 2 of 5 disciplines.
   Wellness, 1 credit of aerobic activity (A/A).

3. Nursing courses: 60 credits are offered through St. Joseph's Hospital via distance education technology and through use of on-site instructors.

For more complete information about the prenursing program and admission to the UW-Eau Claire professional nursing program, please contact the nursing coordinator (listed above).

POLI 796. Special Work. 1-3 cr. Graduate students may arrange for special out-of-class work with cons chair. Credit based on scope of project.

Political Science Latent Courses: Not offered recently. See full course description in indicated (00-00) catalog.

201. American Governments for Teachers, 3 cr, (07-09)
317/517. Political Corruption and Reform, 3 cr, (07-09)
333. Theories of Constitutional Interpretation, 3 cr, (07-09)
366. Nationalism and Ethno-Politics, 3 cr, (01-03)
370. Asian Politics, 3 cr, (03-05)
372. African Politics, 3 cr, (07-09)
384/584. Russian Foreign Policy, 3 cr, (01-03)
498. Honors Thesis, 3 cr, (03-05)
***. Political Science Honors Program (07-99)
From 87-89 catalog: 312 Law and Native Amer, 351/551 Org Theory/Practice, 454 Probs of Local Govt/Admin.

Prior Learning Assessment

Kami Weis, Coordinator
Room 103, Student Services Center
Phone: 715-346-3361
E-mail: kweis@uwsp.edu

Prior Learning Assessment allows you to receive credit for college-level learning obtained outside the traditional academic setting. Credit is not granted simply for experience, but rather for the learning obtained from the experience. The learning is judged to be equivalent to knowledge you would gain through UWSP coursework.

Prior learning may be evaluated by techniques such as an interview, demonstration, portfolio assessment, or other methods where appropriate for specific courses, College Level Examination Program (CLEP) examinations and challenge examinations offered by various departments.

After you have been formally admitted to the university you can request an evaluation of prior learning for credit. Please follow this procedure:

1. Contact the Prior Learning Assessment (PLA) Coordinator who will help you identify the competencies you have acquired, and decide which credits might be sought by prior learning assessments and/or by more traditional means. Have transcripts that certify formal educational experience sent to the Admissions Office.

2. After you and the PLA Coordinator have determined which credits are to be sought, you will need to consult with the chair(s) of the involved department(s) concerning the preparation and documentation of the necessary materials relating to your prior learning experiences. You will want to consult with your academic adviser and may consult with the PLA Coordinator as you develop the materials requested by the involved department(s) concerning the competencies you believe you have already acquired.

3. Following preparation of the portfolio(s), take the materials to the chair(s) of the involved department(s). This begins the evaluation phase of the process. The chair may assign a faculty member and/or a committee to assess your portfolio.

4. After the evaluation is complete, a written recommendation for or against the award of credit, the amount of credit, and the level of credit, will be submitted to the chair of the appropriate department for review. The chair will forward the material and final recommendation to the PLA Coordinator.

5. The PLA Coordinator will notify you and the Records Office of the award of credit, which will be entered into your permanent record. A fee of $50 for 12 or fewer credits, or $100 for 13 or more credits will be assessed.
Evaluation of prior learning takes time. Please do not assume that the evaluation can be completed during the semester you apply. It may take several weeks or months.

**PROFESSIONAL EDUCATION PROGRAM**

See Education.

**Psychology (College of Letters and Science)**

Craig Wendorf, Chair
Room D-240, Science Building
Phone: 715-346-2883
E-mail: Psychology@uwsp.edu
Web: [http://www.uwsp.edu/psych](http://www.uwsp.edu/psych)

**Definition:** Psychology is the study of structures and processes involved in neural and mental activity, behavior, emotion, and consciousness. It also includes the study of biological and environmental influences on intellectual, personality, and social development; healthy and unhealthy mental states; and bio-psycho-social influences on health.

**Psychology Major**

Consists of 37 credits:

1. **Psych 110, 200, 300** (take 200 before 300).
2. At least three courses from each group:
   a. **Psych 260, 301, 320, 351.**
   b. **Psych 325, 330, 331, 375.**
3. Nine additional elective psychology credits that may include courses from a and b above, not already used.

**Psychology Major with Concentration in Human Services**

Consists of at least 43 credits, including:

1. The requirements for the major as defined above.
2. **Psych 350, 351, 401, 402, 480, and 482.** You may use these courses to fulfill the required 9 elective credits in the psychology major (3 above).

**Enrollment priority for practicum courses (402, 482) goes to students who have completed 350, 351, 401, and 480.**

**Psychology Minor**

Consists of 18 credits in psychology, including Psych 110.

**Psychology Minor for Secondary Teacher Certification**

Consists of 25 credits:

1. **Psych 110, 200, 300, 351.**
2. Choose one from each of the four groups:
   a. **Psych 260 or 320.**
   b. **Psych 301 or 452.**
   c. **Psych 331 or 375.**
   d. **Psych 325 or 330.**

**Academic Standards**

To be approved for graduation with a major in psychology, you need a minimum cumulative grade point average of 2.25 in all courses taken in psychology, regardless of a declaration of academic bankruptcy. Transfer students meet this requirement by having at least a 2.25 cumulative GPA in psychology courses taken at UWSP.

The School of Education requires a grade point average of at least 2.75 in the major and minor fields for admission to student teaching and 3.00 for teaching internship. Enrollment caps are in effect for those seeking teacher certification. Please contact the Psychology Department early for entrance requirements and application procedures. Also see information about the Professional Education Program and the secondary education curriculum for teacher certification in the Education section of this catalog.

Credit-by-exam is available for Psych 110 and 260 if you receive a score that is equal to or greater than the 50th percentile on the General Psychology and Developmental Psychology CLEP examinations. CLEP testing is done in the Testing Center in DeZell Hall.

Credit-by-exam is available for Psych 240, 255, 260, 290, 320, and 330 if you receive a score that is equal to or greater than 70 percent of items on the departmental test-out exam.

You are not eligible for test-out if you are currently enrolled in the course. You may take a test-out exam only once.

**Courses in Psychology**

**PSYC 110. Introduction to Psychology.** 3 cr. Introduction to scientific study of behavior and mental processes, and methods used in psychological research. GDR: SSI

**PSYC 200. Research Methods in Psychology.** 3 cr. Introduction to the research methods used in psychology including experimental and nonexperimental designs. Library research, conducting research, research ethics, and basics of writing in APA style. Prereq: 110.

**PSYC 240. Psychology of Gender.** 3 cr. Research and theory concerned with men's and women's personalities, roles, capacities; emphasis on socialization and gender role development. Prereq: 110. GDR: SSI

**PSYC 250. Introduction to Developmental Psychology.** 3 cr. Survey growth and development: physical, perceptual, cognitive, linguistic, emotional, and social development; emphasis on human development from conception through adulthood. Prereq: 110. GDR: SSI

**PSYC 270. Positive Psychology.** 3 cr. Scientific study of optimal human functioning, focusing on theory, research, application of positive emotions, character strengths and virtues, and positive institutions. Prereq: 110.

**PSYC 290. Psychoactive Drugs and Behavior.** 3 cr. Introduction to psychopharmacology, examine effects of commonly used drugs on the central nervous system, behavioral changes and their interaction with consumption, and drug abuse. Prereq: 110 or cons instr. GDR: WE/HE

**PSYC 295. Career Development in Psychology.** 1 cr; pass/fail. Explore and prepare for careers and professions in psychology. Readings and activities to help understand fields of psychology, planning for graduate school, graduate school search/application processes, curricular/ extracurricular preparation for baccalaureate level occupations, and resume development. Prereq: Psych major. PSYC 300/500. Statistics for Psychologists. 4 cr. Calculation and interpretation of measures of central tendency, variability, correlation, and regression in psychological research; hypothesis testing and estimation from large and small samples; analysis of variance, forms of experimental design, 3 hrs lec, 2 hrs lab per wk. Prereq: Math 100 or a suitable placement test score; Psy 110, 200, or cons. instr. PSYC 301. Theories of Personality. 3 cr. Contemporary approaches to the study of behavior; clinical and experimental contributions to the understanding of the personality and its structure. Prereq: 110. PSYC 315. The Psychology of Adolescence. 3 cr. An examination of the adolescence period, including biological, social, and cognitive changes that occur at this time, with emphasis placed on normative development. Prereq: 110.

**PSYC 320. Social Psychology.** 3 cr. Individual behavior as a function of social environment; how learning, cognition, motivation, perception affect interpersonal behavior development. Prereq: 110. GDR: SSI

**PSYC 322(MNS). Psychology and Culture.** 3 cr. Examine relationship between psychology and culture/ ethnicity. Examine psychological processes that contribute to origin and persistence of culture; ways culture/ ethnicity affect psychological processes/ behavior. Prereq: 110.

**PSYC 325. Physiological Psychology.** 3 cr. Introduction to biological bases of behavior. Nervous system function and its relation to behavior, perception, motivation and thinking. May include behavioral
endocrinology, behavioral genetics, evolutionary psychology, and psychopharmacology. Prereq: 110.

PSYC 330. Perception. 3 cr. Fundamental concepts of perception involving all the senses, with emphasis on hearing and vision; experimental findings, theoretical interpretations, and demonstrations relating to perception. Prereq: 110. GDR: SS1

PSYC 331. Cognitive Psychology. 3 cr. Topics in human cognition including sensory memory, pattern recognition, selective attention, working memory, semantic memory, and connectionist models, speech production and comprehension, semantic and syntactic theories, language acquisition, concept attainment, problem solving and artificial intelligence. Prereq: 110.

PSYC 332. Topics in Cognition. 3 cr. Discuss theoretical and experimental research in cognition such as attention, memory, psycholinguistics or thinking. Subtitle will designate area. May apply 3 cr max to major. Prereq: 110; 331 recommended.

PSYC 345. Industrial/Organizational Psychology. 3 cr. Job analysis; selecting, training, and evaluating workers; employee motivation and morale; leadership and organizations; fatigue and safety in the working environment; consumer behavior; engineering psychology. Prereq: 110.

PSYC 351. Abnormal Psychology. 3 cr. Research-based study of classification, causes, origins (etiology), and treatment of major psychological disorders including anxiety and mood disorders; schizophrenia; personality disorders, childhood problems, sexual dysfunctions, and neurological disorders. Prereq: 6 cr in psych and jr st; or cons instr.

PSYC 375/575. Learning. 3 cr. Simple and complex learning, including conditioning, sensory/motor learning, language learning, problem solving, and emphasis on contemporary theories. Prereq: 110.

PSYC 399/599. Independent Study. 1-3 cr. Qualified students may arrange for independent study, research assistantship, or other relevant learning experience under the direction of psychology faculty. Credit based on scope of project. May repeat for 9 credits maximum toward psychology major. Prereq: 110; cons instr.; PSYC 200 recommended.

PSYC 400. Advanced Research Methods in Psychology. 3 cr. Exposure to and practice with advanced research designs used in psychology. The class will focus on the link between research design and the statistical tests used for these designs. Students will conduct research projects, collect and analyze data, and write APA style manuscripts. Prereq: 300 and cons. instr.; jr st.

PSYC 401/601. Introduction to Counseling and Psychotherapy. 3 cr. Major approaches to counseling and psychotherapy: theory, research, evaluation, and demonstration. Prereq: 110 and cons instr for nonmajors, 301 and 351 recommended.

PSYC 452. History, Systems, and Contemporary Issues. 3 cr. History of major systems and areas of psychology: current trends of theory and research; senior paper required. Prereq: Sr st; 309 or cons instr.

PSYC 465. Psychology of Late Adulthood. 3 cr. Psychological processes, behavior, and aging; methods of studying the aging process; research paper or experience working with the elderly required. Prereq: 110 and cons instr.

PSYC 480/680. Behavior Modification. 3 cr. Clinical application of behavior theory and research in the treatment of phobias, anxiety, depressions, delinquencies, psychosis, language and other behavior disorders; includes such topics as desensitization therapy, assertive training, token economics, biofeedback, and self-control. Prereq: 110; 351 recommended.

PSYC 490. Seminar: Fields of Psychology. 2 or 3 cr. Discuss psychology theory and research. Subtitle will designate area. May repeat for credit with different subtitles. Prereq: 110 and cons instr.

PSYC 491/691. Workshop. 1-5 cr. Subtitle will designate area. May repeat for credit with different subtitles.

PSYC 494. Human Services Internship. 1-6 cr. Field experience in human services agencies or activities under direction of field placement supervisor and psychology faculty. May repeat for 9 cr max. Prereq: 351, 401, psych major, jr st, 2.5 cum & psych GPA; cons instr; and con reg in 495.

PSYC 495. Human Services Internship Seminar. 1 cr. Weekly professional seminar meeting. Review professional practice standards, critique case study presentations, discuss professional ethics. Prereq: Con reg in 494.

PSYC 796. Special Work. Advanced graduate students may arrange for specialized independent study with cons instr, chair, and chair of major department. Credit based on scope of project.

Psychology Latent Courses: Not offered recently. See full course description in indicated (xx) catalog.

250 Psychology of Adjustment, 3 cr, (09-11)

255 Psychology of Sexual Behavior, 3 cr, (07-09)

311 Research Practicum Seminar, 1 cr, (09-11)

312 Research Practicum, 1-3 cr, (09-11)

321 Environmental Psychology, 3 cr, (03-05)

323 Applied Social Psychology, 3 cr, (09-11)

Public Administration and Policy Analysis (College of Letters and Science)

John Blakema, Chair of Political Science
Room 484, Collins Classroom Center
Phone: 715-346-2688
E-mail: polisci@uwsp.edu OR jblakema@uwsp.edu
Web: www.uwsp.edu/polisci

Public administration and policy analysis is an interdisciplinary program, offering a major and minor, administered by the Political Science Department. For students interested in public service or graduate education.

Public Administration and Policy Analysis Major

1. Consists of 40 credits distributed as follows:

   c. Functional areas, 9 credits from: Poli Sci 354, 356 or Econ 311, Poli Sci 358, 450, Business 380 or 386.

   d. Tools of analysis, 7 credits: Poli Sci 397 and 4 credits from Math 355 or Psychology 300 or Sociology 351.

2. Electives, 9 credits selected from one of the groups listed below. A course used to fulfill a requirement in Sections 1-4 above MAY NOT also be used to fulfill a requirement in this section.

   b. Public planning: Geography 276, 370, 372, 373; Natural Resources 480; Poli Sci 341, 455; Sociology 356, 357; Econ 374.

   c. Human resources administration: Business 347; Econ 345, 346; Poli Sci 315, 354, 455; Psych 345, 350, 401; Sociology 270, 310, 315.

   d. Natural resources and the environment: Econ 342; Geography 340, 368; History 366; Natural
**Public Administration and Policy Analysis Minor**

Consists of 25 credits.

4. Tools of analysis, 7 credits: Poli Sci 397 and statistics from Math 355 or Psych 300 or Sociology 351.

**Academic Standards**

To graduate with a major in public administration and policy analysis, you must earn a grade point average of 2.50 or higher in ALL courses taken in the major, including transfer courses, regardless of any declaration of academic bankruptcy. You may repeat a course in the major only if you follow the course repeat policy found in the More Academic Information section of this catalog. Courses in public administration and policy analysis are open to all students who meet the prerequisites.

**Religious Studies Minor**

Consists of a minimum of 18 credits. At least 9 credits must be at the 300 level.

1. **Introduction to the Study of Religion**: Rel 202.
2. **Global Religions 1: Asian and Indigenous Traditions**: Two courses from Rel 100, 316, 333, 340, 341, or Philosophy 105.
3. **Global Religions 2: Western Traditions**: Two courses from Rel 101, 302, 303, 304, 305, 311, 325, 330, or 342.
4. **Electives**: A minimum of 3 additional credits from religious studies courses.

**Academic Standards**

1. To ensure that your program is as well planned as possible, you must have a religious studies adviser.
2. You must have your adviser’s approval for all courses you select to apply to the major or minor.
3. To be accepted and retained as a major or minor and approved for graduation, you must have a minimum grade point average of 2.50 in courses counted toward the major or minor, including transfer courses and regardless of any declaration of academic bankruptcy. Courses taken pass/fail or with a grade lower than C may not be counted toward the major or minor.

**Courses in Religious Studies**

REL 100(NW). Religions of Asia. 3 cr. Survey of religious traditions of Asia with special attention to Hinduism and Buddhism. GDR: HU3

REL 101. Judaism, Christianity, Islam. 3 cr. Survey of religious traditions of Judaism, Christianity and Islam including origins, issues of inter-religious conflict, other comparative themes. GDR: HU3

REL 107(NW). Religious Autobiographies. 3 cr. Autobiographical accounts of religious persons to introduce stories representing a diverse and multicultural cross section of the world’s religions, including Native American religions, Hinduism, Buddhism, Judaism, Latin American Catholicism, African-American Protestantism, and Islam. GDR: HU3

REL 199. Reading in the Discipline. 1 cr; pass/fail. Improve critical reading and thinking skills. Taken in conjunction with designated sections of religious studies courses.

REL 202. Introduction to the Study of Religion. 3 cr. Introduction to method and theory in the comparative study of religion. GDR: HU3

REL 302. Religion and Cultural Conflict. 3 cr. Explores questions of the nature and function of religion in a context of situations of cultural conflict and change. May include colonialism and post-colonialism, millenarian movements, religion and violence, religion and politics, and global fundamentalism. GDR: HU3

REL 303. Jewish Scriptures. 3 cr. Study of Jewish scriptures (known to Christians as the Old Testament) in context of historical and cultural background. GDR: HU3

REL 305. Prophets and Prophecy. 3 cr. A comparative study of ancient and modern prophecy in a variety of cultures, including Israelite, American Indian, African, and East Indian.
REL 311(MNS). Religion in America. 3 cr. Examine beliefs, practices, and interactions of diverse religious traditions represented in the United States (e.g., Native American, Hispanic, Protestant, African American, Catholic, Jewish, Asian, Muslim). GDR: HU3

REL 317. New Religious Movements. 3 cr. A study of new religious movements, primarily in America, applying the methodologies of history, sociology, and religious studies. Topics may include cult formation, church and state questions, religious violence, gender, the anti-cult movement, and the role of popular media in shaping public perceptions.

REL 318. Religion and Popular Culture. 3 cr. Explore the fluid relationship between religion and popular culture with emphasis on the American context. Topics will include how popular culture constructs religion, how religious groups appropriate aspects of popular culture, and how religious bodies interpret and engage with popular culture.

REL 321. Studies in Religion. 3 cr. Topics in the study of religion in human life and culture. Subtitle will designate area. May repeat for credit with different subtitles. GDR: HU3

REL 325. Oppression and Liberation in Religion. 3 cr. Study of religious oppression expressed as sexism, racism, classism, homophobia, and anti-Semitism and of theological responses to these forms of oppression. GDR: HU3

REL 330. Women and Religion. 3 cr. Explore intersections of religion and sexism, including historical development of attitudes toward women and human sexuality in Western religious traditions. GDR: HU3

REL 333(NW). Women and Goddesses in India. 3 cr. Study of women's roles, notions of female power, and goddesses in Hindu tradition. GDR: HU3

REL 340(NW). Buddhism. 3 cr. Study of Buddhist religious traditions in their historical and cultural contexts. Relevance of Buddhism for addressing problems in the modern world such as war, environmental degradation, and social injustice. GDR: HU3

REL 341(NW). Religions of India. 3 cr. Study Hindu deities, practices, and philosophies including comparison of Indian and U.S. Hinduism, and Hinduism's influences on Indian Christianity. GDR: HU3

REL 342. Islam. 3 cr. Study of Islam in variety of historical, cultural, political contexts. Overview of Islamic beliefs and practices including issues of women, politics and war, and mysticism in Islam. GDR: HU3

REL 343. Judaism. 3 cr. Study of Judaism in history and its contemporary global context. Issues to consider may include traditions of textual interpretation, anti-semitism, Zionism, immigration and assimilation in America, and the diversities of modern Judaism. GDR: HU3

REL 344. Christianity. 3 cr. Study of Christian religious traditions in their historical and cultural contexts. Issues to consider may include the development and canonization of scripture, the relationship between the church and the state, and the modern global diversity of traditions.

REL 392. Religious Studies Internship. 1 cr; pass/fail. Intern provides small group writing and reading assistance in selected religious studies courses. Prereq: Cons instr.

REL 399. Independent Study. 1-3 cr. Individual work in religious studies on special problems, theme, thinker, or period may be arranged with instructor and cons chair. Credit based on scope of project.

REL 450. Senior Seminar. 3 cr. Major issues in academic study of religion and culture. Subtitle will designate topic. May repeat under different subtitles. Prereq: Cons instr.

Religious Studies Latent Courses: Not offered recently. See full course description in indicated (xx-xx) catalog.

105 Myths of Creation, 3 cr, (09-11)
300 The Development of Christian Thought, 3 cr, (83-85)
301 Contemporary Religious Thought, 3 cr, (09-11)
315 Religion in Literature, 3 cr, (95-97)
316 Native American Religions, 3 cr, (09-11)
325 Oppression and Liberation in Religion, 3 cr, (09-11)

Small City Analysis

( College of Letters and Science)

Edward J. Miller and Robert P. Wolensky, Coordinators
Room 451 and Room 476, Collins Classroom Center
Phone 715-346-3130, 346-2708
E-mail: emiller@uwsp.edu OR nwolensk@uwsp.edu
Web: http://www.uwsp.edu/polisci/smallcity/center.html

Small City Analysis Minor
Consists of a minimum of 25 credits:
1. Core courses, 12 credits:
   a. Required: 6-12 credits from Econ 374; Geography 373; NRES 388 or 389; Poli Sci 341; Sociology 300, 356.
   b. Electives: 0-6 credits from Forestry 333; Geography 370, 372, 378, 496; NRES 474, 495; Poli Sci 242; Sociology 357, 360.
2. Analytic skills, 9 credits:
   b. Research methods: 2-3 credits from Econ 310; Geography 276, 279, 476; Poli Sci 203, 497; Sociology 351, 352; Psychology 300; Math 355.
   c. Policy analysis/management: 3 credits from Business 380; Poli Sci 250, 397.
3. Internship or independent research on small cities: 3 credits from Poli Sci 455, 499; Sociology 497 or 498; Geography 395, 399, 480 or 491, or NRES 499.
4. Seminar or colloquium on small cities: one credit approved by one of the coordinators.

SOCIAL JUSTICE
See Peace Studies.

Social Science

( College of Letters and Science)

Nancy LoPatin-Lumnis, Coordinator
Room 477, Collins Classroom Center
Phone 715-346-2334
E-mail: history@uwsp.edu OR nlopatin@uwsp.edu

The social science major is available with or without teacher certification. If you are working toward teacher certification, select alternative A or B listed below in order to meet Wisconsin certification requirements for high school social studies teachers. Also see information about the Professional Education program and the Secondary Education curriculum for teacher certification in the Education section of this catalog.
Social Science Major
Without teacher certification consists of the following:
1. Complete a minor. Choose from anthropology, economics (social science option), history, political science, psychology, sociology.
2. Choose 3 social science fields listed below and earn 6 credits in each. Do not include the field you selected for your minor.
   a. Anthropology.
   b. Economics.
   c. Geography (human), consisting of Geog 120, plus 3 cr in human geography courses 300 or above.
   d. History (in addition to history credits necessary to meet the general degree requirements).
   e. Political science.
   f. Psychology.
   g. Sociology.
3. Sufficient additional credits to total 45 or more, with at least 15 in courses numbered 300 or above.

Broad-Field Social Science Major for Teacher Certification (Secondary/ Middle)
Consists of a minimum of 54 social science credits from the following subjects: anthropology, economics (social science option), geography (human), history, political science, psychology and sociology. Select alternative A or B.

Alternative A:
1. A certifiable major (minimum of 34 credits) in one of the subject areas listed above and
2. A minimum of 20 credits distributed over at least two of the other social science subjects.
3. At least 12 credits must be in history and/or political science.

Alternative B:
1. A certifiable minor (minimum of 22 credits) in one of the social science subjects listed above and
2. A minimum of 32 credits distributed over at least three of the other social science subjects.
3. At least 12 credits must be in history and/or political science.

This "broad-field" social science major will permit teaching in the major field, the minor field, and the fusion courses. (The fusion courses are those drawn from several of the social science disciplines and, therefore, require a composite preparation in social science. Fusion courses include civics, social problems, American problems, area studies, vital issues, etc.) In addition, broad-field social science majors may be certified to teach in any of the social science disciplines in which they have completed 9 credits.

For certification in the "broad-field" social sciences, Wisconsin statutes require instruction in conservation and cooperatives. These requirements (normally Economics 110 or 272, and Natural Resources 370) are described in the Education section of this catalog.

Social Science Minor
Without teacher certification consists of 24 credits, 6 credits in each of the following social studies areas:
1. Economics. Required: Econ 110; Elective: Econ 111 or any 3 credit course numbered 300 or above approved by the social science adviser.
2. Geography. Required: Geography 120; Elective: any 3 credit course in human geography numbered 300 or above approved by the social science adviser.
3. Political science. Required: Poli Sci 101; Elective: any 3 credit course numbered 300 or above approved by the social science adviser.
4. Sociology and anthropology. Required: Sociology 101; Elective: any 3 credit course numbered 300 or above approved by the social science adviser.

Broad-Field Social Science Minor
This minor is open only to elementary education majors and is for DPI certification to teach ages six through 12-13. It consists of at least 24 credits as follows:
1. History, 9 credits: History 176 or 288; 256 or 257; and 101 or 102.
3. Geography 113 or 120.
4. Sociology 101 or 102.
5. At least 6 credits from Anthropology 101 or 110, Economics 110, 111, Psychology 290, 320.

Human Geography Courses
GEOG 113, 120, 211, 226.
The following geography courses numbered 300 or above shall be considered human geography courses in fulfillment of requirements within the various social science programs at UWSP: social science major (without teacher certification), broad-field social science major for teacher certification, and social science minor.

Academic Standards
1. To graduate with a major in social science you must have a 2.0 cumulative GPA (without teacher certification) and a 3.00 cumulative GPA (with teacher certification) in all major required courses, including transfer courses, regardless of any declaration of academic bankruptcy.
2. No more than two courses for which you earned a D or D+ may be repeated for credit in the major. See the More Academic Information section of this catalog for the policy on repeating courses.
3. Courses in the social science major (without teacher certification) are open to all students who meet the prerequisites.
4. Enrollment caps may be enforced for admission into the Professional Education Program for certification in broad-field social science. See your adviser or the coordinator of the program for more information.

Sociology and Social Work
(College of Letters and Science)

Abbreviations:
Soc - Sociology
SW - Social Work

SOCILOGY
(College of Letters and Science)
Robert Enright, Chair of Sociology and Social Work
Room 488B, Collins Classroom Center
Phone: 715-346-3060 or 2665
E-mail: sociology@uwsp.edu
Web: http://www.uwsp.edu/sociology
Faculty: H Alden, A Boelk, E Clark, D DeBoer, R Enright, D Forbes, G Itzkowitz, K Lamb, A Smart, R Wolensky.

Definition: Sociology is the systematic study of human societies and social groups. Sociologists study the workings of social organizations, institutions, and cultures, as well as their influence on the social behavior of individuals.

Sociology Major
Consists of a minimum of 34 sociology credits including:
2. Earn at least 18 credits in courses 300 and above.
3. Complete remaining credits from any electives.
4. For teacher certification in sociology, the requirements are the same as above. Also see the Education section earlier in this catalog for additional requirements for teacher certification and admission to the Professional Education Program.

Sociology Emphasis Areas
In addition to a major in sociology, you may select an emphasis consisting of 9 or more credits in one area below:

Adult Life and Aging Concentration for Sociology Majors
Consists of a minimum of 15 credits.
1. At least 9 credits from Soc 366, 467, 492-493 (in appro area), 494-495 (in appro area), 497-499 (in appro area).
2. Cognate courses: at least 6 credits from Economics 328, Family/Consumer Sciences 390, Psychology 465. (These courses do not count toward sociology major.)

Applied Sociology Concentration for Sociology Majors
Consists of 16 credits:
1. Required: Sociology 327, 340, 492, 493.
2. Electives, 6 credits from at least one area:
   a. Gerontology: Soc 366, 467, Psychology 465 (does not count toward sociology major).

Gerontology Minor
Consists of 24 credits.
2. Electives: Select 15 credits from the following. No more than 6 credits may be from any one discipline:

Social Science in Health Minor
Consists of 24 credits.
1. Required core, 12 credits from: Anthropology 380, Philosophy 302, Political Science 306, Psychology 385, Sociology 368.
2. Electives, 9 credits from at least two areas below, but 6 credits max from any one area.
   c. Economics 328.
   d. Health Education 345.
   e. Food and Nutrition 253, 351, 353.
   f. Psychology 485.
   g. Sociology 327, 328, 366.
3. Administration/analytical, 3 credits from: Political Science 250, 397; Soc 352.
4. Recommended, one course from Math 355, Psychology 300, Soc 351.

Sociology Minor
Consists of 18 credits.
2. Electives: 12 credits in sociology courses.

Sociology Minor for Teacher Certification
Consists of 25 credits.
2. Electives: Additional 12 sociology credits numbered 300 or above.

Academic Standards
1. To be retained, approved for graduation, or accepted as a major or minor at the beginning of your junior year, you must have a minimum grade point average of 2.00 (2.75 to student teach) in the major, including transfer courses, regardless of any declaration of academic bankruptcy. You may repeat a course in the major if you follow the course repeat policy found in the More Academic Information section of this catalog. The chair may allow exceptions on a conditional basis.
2. You may petition the chair to accept coursework done at other institutions, but no more than one-half the credits applied to your major may be earned outside this university. The chair may allow modifications.
3. You may take courses out of normal class level sequence only if you have adviser and instructor approval.
4. If you are preparing for specialized graduate studies, a professional school, or a specific career, you should request assignment to an adviser knowledgeable in that area to help you select your study program.

Test-Out and Credit-by-Exam Policy
You will receive course credit for Soc 101 if you take the Introduction to Sociology CLEP exam and receive a score equal to or greater than the 50th percentile. You must
arrange to take the CLEP exam with Testing Services in Delzell Hall.

Test-out (not course credit) is available for Soc 102, 224, 225, 230, 240, 270, 300, 310, 316, 327, 343, 355, 360, 366, 368. After you confer with the department chair about a course, the faculty member who teaches the course will prepare a comprehensive exam and define the passing score for you before you take the test. You may take a test-out exam only once. You are not eligible for test-out if you are currently enrolled in the course.

SOCIAL WORK
(College of Letters and Science)

Robert Enright, Chair of Sociology and Social Work
Room 4888, Collins Classroom Center
Phone: 715-346-3060 or 2665
E-mail: sociology@uwsp.edu
Web: http://www.uwsp.edu/sociology

Faculty: H. Alden, A. Boelk, E. Clark, D. DeBoer, R. Enright, D. Forbes, G. Itzkowitz, K. Lamb, A. Smart, R. Wolensky.

Definition: Professional social workers assist individuals, groups, or committees to restore or enhance their capacity for social functioning, while creating societal conditions favorable to their goals (National Association of Social Workers, 2010).

Admission and Retention Requirements

Students who declare a social work major prior to being formally accepted into the program will be titled intended majors until successful application and acceptance into the social work major.

If you're seeking admission you must:

- Have completed at least 45 credits of undergraduate coursework at the time of application (application for admission typically takes place at the end of the sophomore year).
- Have earned a minimum grade point average of 2.5 from all accredited institutions attended.
- Have earned a minimum grade point average of 2.5 in the required pre-admission coursework (Sociology 101 or 102, Social Work 103, and Social Work 262).
- Have earned a minimum grade of C- in Social Work 103 (Introduction to Social Work).
- Be in good academic standing in the semester in which you apply.

NOTE: Conviction of past criminal activity or conduct will not be used as criterion for denial of admission in to the Social Work Major. However, past or future criminal activity or conduct maybe limit or inhibit you from securing a Social Work Internship which is required for completion of the social work degree. In addition, you may be ineligible to receive state certification or licensure to practice social work. You should discuss any question with your adviser.

To remain in the social work major you must:

- Maintain 2.5 GPA in Social Work Major and supporting coursework.
- Maintain 2.5 cumulative GPA in all UWSP and transfer credits attempted.
- Maintain a "C" or better in each required social work course.
- Comply with the social work student code of conduct and the NASW Code of Ethics as outlined in the student manual.

NOTE: If you violate any of the above retention standards, you will be allowed a two-semester probationary period in which you can attempt to bring yourself into compliance with the standards while remaining in the major. If, following your probationary period, you are still not in compliance with the retention standards, you will be dropped from the Social Work Major.

Social Work Major (BS/BA)

Consists of 55 credits in core social work; required supporting courses, and electives. In addition, you must fulfill the General Degree Requirements for the Bachelor of Science or the Bachelor of Arts and the UWSP requirement of 120 credits for graduation. Note: Course credit will not be granted for life experience or previous work experience.

1. **Required GDR courses:** Soc 101 or 102; Economics 110; Political Science 101, Psychology 110, Communications 280.
2. **Core,** a minimum of 39 credits: SW 261, 262, 316, 359, 361, 362, 363, 364, 365, 376, 494 (8 credits), 495.
4. **Electives,** 6 credits from the following options: Any course with a SOC or SW prefix not already noted above.

Courses in Social Work

SW/SOC 261. Introduction to Social Work and the Social Services Field. 3 cr. Development of social welfare; contemporary public and private programs; emotional settings; philosophy and principles of social work; orientation to the National Association of Social Work Code of Ethics. May not earn credit in both SW 261 and SOC 261.

Focus on fundamental skills and knowledge of child welfare practice that includes basic interviewing skills; assessment; case planning; protective services; extended family and foster family care; family centered services; their effects on Native American and other minority cultures; and child welfare policies such as ICWA, AFSA, and Children’s Code. Prereq: Admission into Social Work Major or cons instr.

SW 361. Social Work Methods: Groups and Families. 3 cr. Principles of generic social work in mesosystems; concepts of group work and family counseling, principles of model development, assessment, and treatment. Prereq: 359; Admission into Social Work Major or cons instr.

SW 362. Social Work Methods: Community Organization and Social Service Administration. 3 cr. Principles of generic social work in macrosystems including planning, action, and advocacy; social service administrative concerns including relationships between organizations,
Courses in Sociology

SOC 100. Forum in Sociology or Social Work. 1 cr. pass/fail. Lecture and discussion of current social issues or topics in sociology or social work. Subtitle will designate area. May repeat with credit for different subtitles. Prereq: 103 or cons. instr.

SOC 101(MNS). Introduction to Sociology. 3 cr. Sociology as a social science, social relations, and social systems; the organization of societies and other human groupings; fundamentals of sociological investigation, dealing with the underlying premises, concepts, logic, and methods of sociology. GDR: SS1

SOC 102(MNS). Social Problems. 3 cr. Theories explaining social and personal disorder and deviation; selected contemporary problems analyzed and related to their social contexts. GDR: SS1

SOC 224. Sociology of Childhood. 3 cr. Socialization processes in the early years; impact of social and cultural forces on child-rearing practices and outcomes; child welfare. Prereq: 101 or 102. GDR: SS1

SOC 225. Sociology of Adolescence. 3 cr. Socialization processes in the adolescent years; impact of social and cultural forces on adolescent issues and problems. Prereq: 101 or 102. GDR: SS1

SOC 230. Criminology. 3 cr. Analysis of crime as an institution, with reference to behavior of those who define, engage in, or become the victims of criminal behavior. Prereq: 101 or 102. GDR: SS1

SOC 240. Marriage and the Family. 3 cr. Institutional variations of marriage/family; contributions of behavioral sciences to understanding processes of courtship and marriage interaction. Prereq: 101 or 102. GDR: SS1

SOC 261. Introduction to Social Work and the Social Services Field. 3 cr. Social work practice with individuals and families, interviewing, relationships, and issues within the organization including supervision, consultation, research, and continuing education. Prereq: SW 361: Admission to Social Work Major or cons. instr.

SW/SOC 364. Social Services in Native American Communities. 3 cr. Social work practice with Native American and other culturally diverse families. Prereq: 364; Admission to Social Work Major or cons. instr.

SW/SOC 365. Social Work with Native American and Other Culturally Diverse Families. 3 cr. Awareness and understanding of Native American values and lifestyles; principles of social work that apply to Native American and other culturally diverse families. Prereq: 364; Admission to Social Work Major or cons. instr.

SW/SOC 376. Human Behavior and Social Environment. 3 cr. Theories of interaction between individuals and the social environment that apply to the practice of social work. May not earn credit in both SW 376 and SOC 376. Prereq: Admission to Social Work Major or cons. instr.

SW 495. Social Work Practicum Seminar. 1-3 cr. Weekly meetings to discuss application of social work practice theory to the agency setting, and increase knowledge and identification with social work profession. Prereq: 361; Admission to Field; con reg in 495.

SW 498. Special Work in Social Work and Social Administration. 1-3 cr. Upperclass social work majors may arrange for independent study with cons chair. Credit based on scope of project. May apply 3 cr max to major. Prereq: 103 or cons. instr.; cons. chair.

SOC 270(MNS). Minority Groups. 3 cr. Role of minorities in society, their influence, impact, and relationship to the larger society. Prereq: 101 or 102 or cons instr; GDR: SS1

SOC 300. The American Community. 2 or 3 cr. Community organization and social processes that influence community behavior and change. Prereq: 101 or 102 or cons instr; GDR: SS1

SOC 306. Social Aspects of Substance Abuse. 3 cr. Social aspects of alcohol, cocaine, heroin, and other drugs. Emphasis on prevention, cause, treatment, and social policies. Prereq: 101 or cons instr.

SW/SOC 310. Social Psychology. 3 cr. Analysis of the social organization of medicine and health care delivery systems; social processes and conditions of disease and health, such as adaptations to illness, the sick role, and doctor-patient relationship. Prereq: 101 or 102 or cons instr; GDR: SS2

SOC 331. Social Psychology. 3 cr. How social learning and habits relate to development of the social self in groups; interaction, perception, motivation, attitudes, values, communication, roles in interpersonal relations. Prereq: 101 or 102 or cons instr; GDR: SS1

SOC 336. Child Welfare. 3 cr. Social, cultural, historical, and legal aspects of child welfare. Examine principal child welfare services (supportive, supplementary, and substitutive), and their effects on Native American and other minority cultures. Prereq: 101 or cons instr.

SOC 337. Social Inequality. 3 cr. Analyze patterns of inequality in the distribution of power, rewards, and opportunities between classes and other groups. Prereq: 101 or 102 or cons instr; GDR: SS1

SOC 338. Poverty, Welfare, Social Insurance. 2 or 3 cr. Study poverty in the U.S.; income maintenance programs including social security, unemployment insurance, workers’ compensation, pension plans, and social assistance; health insurance. May not earn credit in both 328 and Econ 328. Prereq: 9 credits in sociology or Econ 110 or cons instr.

SOC 339. Juvenile Delinquency. 3 cr. Definition and sociological explanations of juvenile delinquency; individual and gang forms; control and treatment. Prereq: 101 or 102 or cons instr.

SOC 333. Corrections. 3 cr. Control and treatment of offenders. Prereq: 230 or 332.

SOC 351/551. Social Statistics. 4 cr. Descriptive and inferential statistics; use statistical software to analyze sociological data. 3 hrs lec, 2 hrs lab per wk. Prereq: Math 100 or equiv. Soc 101, 350 or cons instr.

SOC 352/552. Research Methods. 3 cr. Examine and apply social research processes from problem formulation to data analysis; includes computer applications. Prereq: 350 and 351 or cons instr.

SOC 355. Environmental Sociology. 3 cr. Sociological perspectives on relationships between society and the natural environment; emphasizing causes and consequences of natural resource depletion and environmental degradation. Prereq: 101 or cons instr or jr st. GDR: SS2; EL

SOC 356. Urban Sociology. 3 cr. Comparative and historical approach to cities; urban spatial structure, temporal patterns and population characteristics; ecological factors; social structure and psychological aspects of urban metabolism; implications for policy and planning. Prereq: 101 or 102 or cons instr.

SOC 357. Sociology of Food. 3 cr. Social context of policymaking and planning process; theoretical approaches to planning; planning and social change; specific topics in planning (city and regional, social service, environment). Prereq: 101 or 102 or cons instr.

SOC 360. Population Problems. 3 cr. Demography, population theory, trends, and analysis; United States and world population. Prereq: 101 or 102 or Econ 110. GDR: SS1; EL

SOC 361. Social Work Methods: Casework and Group Work. 3 cr. Principles of generic social work in microsystems; concepts and casework practice with individuals and families, interviewing, relationships,
SOC 362. Social Work Methods: Community Organization and Social Service Administration. 3 cr. Principles of generic social work in macro- systems including planning, advocacy, and advocacy. Social service administrative concerns including relationships between organizations, and issues within the organization including supervision, consultation, research, and continuing education. Prereq: 261.

SOC 363. Rural Social Work. 3 cr. Evaluation of nonmetropolitan, regional social services and delivery systems; characteristics of rural populations and community analysis; concept/function of generalist social worker in nonmetropolitan areas. Prereq: 261 or cons instr.

SOC 364. Orientation to Native American Social Work. 3 cr. Introduction to values, beliefs, customs, and histories of Native Americans emphasizing Wisconsin tribal nations and their social service needs. Prereq: 261.

SOC 365. Social Work with Native American and Other Culturally Diverse Families. 3 cr. Awareness and understanding of Native American values and lifestyles; principles of social work that apply to Native American and other culturally diverse families. Prereq: 261, 364.

SOC 366. Sociology of Aging. 3 cr. Sociological theories/methods used to study aging; processes affecting social status of older people and social attitudes toward them; impact of increasing numbers of elderly on institutions of American society. Prereq: 101 or 102 or cons instr. GDR: SS2

SOC 368. Sociology of Mental Health. 3 cr. Sociological perspectives and interpretations in the nature and causes of mental disorders. Theories of controlling mental illness; the development of mental health policies in the United States and strategies of prevention and community psychiatry. Prereq: 101 or 102 or cons instr. GDR: SS2

SOC 370(NW). Sociology of Globalization. 3 cr. Theories, problems, and processes of social and cultural change in various cultures resulting from internal and external social forces. GDR: SS3

SOC 376. Human Behavior and Social Environment. 3 cr. Theories of interaction between individuals and the social environment that apply to the practice of social work. Prereq: 261.

SOC 390/590. Basic Statistical Methods for Social Sciences. 3 cr. Descriptive and inferential statistics; use statistical software to analyze sociological data. Does not apply to sociology major. Prereq: 101 and Math 100 or equiv or cons instr.

SOC 395/595. Special Topics in Sociology. 1-3 cr. Subtitle will designate area. May repeat for credit with different subtitles. Prereq: 3 cr in sociology or cons instr.

SOC 467/667. Social Gerontology. 3 cr. Critical issues in social gerontology; emphasis on industrialized societies; analyze techniques for implementing programs/policies relating to older population. Prereq: 2 or 3 cr in social sciences or cons instr.

SOC 468. Problems in Family Interaction. 3 cr. Examine contemporary family problems. Prereq: 9 cr in the social sciences or cons instr.

SOC 492. Applied Sociology Practicum. 3-6 cr. Observe and apply sociology practice under guidance of cooperating field placement supervisors in an approved social service agency. Emphasis on guided applied sociology. Sociology majors may apply for placement with cons field coordinator and chair. Prereq: Sr st.

SOC 493. Applied Sociology Practicum Seminar. 1 cr. Weekly meetings to discuss application of applied sociology practice theory to the agency setting. Prereq: 4 cr max. Prereq: Con reg in 492.

SOC 494. Social Work Practicum. 3-6 cr. Observe and practice social work under guidance of cooperating field placement supervisors in an approved social service agency; emphasis on guided social work. Prereq: 361 and con reg in 495.

SOC 495. Social Work Practicum Seminar. 1 cr. Weekly meetings to discuss application of social work practice theory to the agency setting, and increase knowledge and identification with social work profession. Prereq: 4 cr max. Prereq: Con reg in 494.

SOC 497/499. Special Work. Each 1-3 cr. Upperclass sociology majors or minors may arrange for independent study with cons chair. Credit based on scope of project. May apply 6 cr max to major.

SOC 760. Seminar in Adult Development and Socialization. 2 or 3 cr. Advanced study of adult development and socialization topics. For development and administration of midlife and late maturity programs. Prereq: 9 cr in social sciences or cons instr.

SOC 799. Thesis. 2-6 cr.

SOCIOLOGY Latent Courses: Not offered recently. See full course description in indicated (xx-xx) catalog.

265. Social Problems of Aging and Old Age. 3 cr. (99-01)
295. Special Topics in Sociology. 1-3 cr. (99-01)
302. Political Sociology. 3 cr. (99-01)
305. Minority/Majority Relations. 1 cr. (99-01)
311. Collective Behavior. 2-3 cr. (99-01)
320. Propaganda and Public Opinion. 3 cr. (99-01)
315. Group Dynamics. 3 cr. (99-01)
315. Regional Sociology. 3 cr. (99-01)
315. Social Policy. 3 cr. (99-01)
315. Social Work. 3 cr. (99-01)
315. Sociology of Middle Age. 3 cr. (99-01)
315. Technology and Contemp Social Problems. 3 cr. (99-01)
461/660. Sociology of Work, Leisure, and Retirement. 3 cr. (99-01)
490/690. Seminar: Fields of Sociology. 2-3 cr. (99-01)

Theatre and Dance  
(College of Fine Arts and Communication)  
Gary Olsen, Chair  
Room 161, Noel Fine Arts Center  
Phone: 715-346-4429  
E-mail: theatre@uwsp.edu  
Web: http://www.uwsp.edu/theatre-dance/dance  
Faculty: M. Crider, W Dolan, M Estanich, J Hill, T Howard,  
J Karlen, P Luedtke, T Marchant, R Nelson, G Olsen, S  
Trovillion Smith, SG Sherwin, SH Sherwin, J Stephens, J  
Strassburg.

About the Department  
Recognized as one of the premier undergraduate theatre  
and dance departments in the upper Midwest, our  
department programs are accredited by the National  
Association of Schools of Theatre and the National  
Association of Schools of Dance.

Program Options  
You may pursue either the Bachelor of Arts (BA) or Bachelor  
of Science (BS) degree in theatre arts with an option in  
drama or the Bachelor of Arts (BA) or Bachelor of Science  
(BS) degree in dance.

If you seek more specialized education in theatre, you may  
pursue the Bachelor of Fine Arts (BFA) in theatre arts with  
options in drama or musical theatre. The BFA drama option  
has specializations in acting and design/technology.

Minors are available in dance and drama. There is no  
musical theatre minor.

Academic Standards  
To be retained as a major or minor in any of the theatre arts  
options and to be approved for graduation, you must have a  
minimum grade point average of 2.75 in all courses taken  
within the major or minor, including transfer courses,  
regardless of any declaration of academic bankruptcy. You  
may repeat a course in the major or minor if you follow the  
course repeat policy found in the More Academic  
Information section of this catalog.

Credit-by-Exam Policy  
The Theatre and Dance Department offers credit-by-exam  
for specific courses. If you wish to take the test-out exam,  
contact the department chair to arrange an exam with the  
appropriate faculty member. If credit is granted, results will  
be forwarded to Registration and Records.

Transferring Credits  
You may apply transfer credits to the major or minor with  
the approval of the department chair.

Annual Meetings  
As a theatre and dance major or minor, you are expected to  
attend the departmental meeting held at the beginning of  
the fall semester.

Advising  
Theatre and dance majors and minors are assigned a  
faculty adviser whose specialty matches their area of study.  
The dance faculty group advises all first and second year  
dance majors and minors. Thereafter, dancers are assigned  
an individual faculty adviser. BA, BS, or BFA theatre majors  
are advised by the program coordinator or other faculty in  
their major. Drama minors are advised by the department  
chair.

Course Fees  
Fees are charged in certain courses to cover the cost of  
materials.

Scholarships  
The department has a number of scholarships available for  
entering students in dance, drama, acting, design/  
technology, and musical theatre. They are awarded based  
on theatre and dance admission audits and interviews.  
Contact the department website or theatre and dance  
office for information about annual scholarship audits.  
Scholarships are also available for continuing students.

Required Theatre and Dance Practicum
For Majors: Register for a practicum each semester.  
Practicum areas are scene shop, costume shop, deck run  
crew, costume run crew, house/public relations, design,  
directing/choreography/management, and performance.  
You may repeat an area after you have completed 6  
different activities.

For Minors: Register for a different practicum once each  
year. Minors may not repeat an area.

For Majors and Minors:
1. Run crew must work appropriate rehearsals and the  
run of the show.
2. Other activities must complete 40 hrs of work.
3. Credit for practicum includes Dance 226, 426, or  
Theatre 226, 426, as appropriate.
4. If you do not register for a practicum or do not  
complete the activity satisfactorily, you are placed on  
probation and must make up the missed work in the  
next semester. If you make up missed work, you  
must also register for a practicum for the current  
semester. If the work is not made up, you will be  
dropped from the major or minor.
5. Normally a practicum may only count in the current  
semester. If a production occurs unusually late in a  
semester, the practicum for that production may count  
for the following semester.

DANCE  
Joan Karlen, Dance Program Coordinator  
Room 140, Noel Fine Arts Center  
Phone: 715-346-3982  
E-mail: dance@uwsp.edu  
Web: http://www.uwsp.edu/theatre-dance/dance

About the dance program  
UWSP's dance program aspires to create a dynamic culture  
in which students are inspired to achieve full physical  
expression, technical and stylistic range, and anatomical  
efficiency. We are dedicated to artistic experimentation and  
contemporary inquiry that is culturally relevant and  
historically grounded, preparing students to communicate,  
contribute and lead as global citizen artists.

The dance program is accredited by the National  
Association of Schools of Dance. Our curriculum features  
ballet, modern, jazz, tap, and theatre dance technique  
classes, dance composition, history, movement analysis  
and dance education courses. Dance majors complete 48  
credits including the senior-level Interdisciplinary Seminar,  
a course that features camera dance and digital video  
editing, and integrates dance with other academic  
disciplines and art forms. After completing the core  
requirements, you may take selected performance classes  
for either two or three credits. We encourage you to pursue
an additional major or minor in another field. Dance minors complete 27 credits.

The dance faculty works with you to re-evaluate technique and explore new approaches to training at a high level. This re-evaluation includes training with optimal anatomical alignment that supports injury-free dancing.

We recommend that you be accepted to UWSP prior to the dance audition dates in February and March. There are a few seats available each semester for non-dance majors and minors in introductory level classes. Upper-level dance courses are not available to non-majors and minors. All dance majors and minors participate in required practicum assignments.

If you’re interested in being accepted into the dance major, you are required to complete an on-campus audition and interview.

As part of the audition, you are required to perform a one-minute solo that highlights your performance skills. You or someone else may choreograph this solo. You should provide any sound accompaniment in CD or iPod format. Please prepare to stay within the one-minute time limit. The solo may be excerpted and the music cut from an existing longer work, or you may prepare a solo that is intended as a one-minute dance.

Letters of recommendation should address your ability to be successful in a university-level dance program. We recommend that one letter be written by an academic teacher who can comment on your ability to be successful in your academic coursework, and the other be written by a primary dance teacher who can comment on your ability and potential in dance.

If you wish to be accepted into the dance major program, you are required to have proficiency in two of these four areas: ballet, jazz, modern, and tap. For the minor program, proficiency in one of these areas is required.

As a student in our program, you will develop the ability to work as a part of an ensemble, the ability to work openly and honestly with other dancers, and the ability to be flexible in the artistic process with choreographers, directors, rehearsal assistants and peers. Therefore, we do begin all our new students in our 100-level technique courses.

NOTE: We recommend that dance majors complete two core classes per semester and participate in summer dance workshops to enhance performance training and expand professional contacts.

Admission, scholarship, retention requirements

1. Admission into the dance program does not guarantee admission into the university. To audition, you must first be eligible for admission to UWSP.

2. To be eligible for admission to UWSP’s dance program as a major or minor, you must successfully complete an on-campus performance audition and interview during the spring semester. Detailed program and audition information, including audition dates and protocol, application forms and scholarship information is available on our website: http://www.uwsp.edu/theatre-dance/dance.

3. The dance program awards three $1000 scholarships to first year students pursuing a dance major. These scholarships are based on ability and potential in dance. A variety of performance scholarships are awarded annually to continuing students.

4. To continue as a major or minor, you must meet the dance program’s retention criteria and successfully complete mid-semester assessments in your technique courses each semester.

Performance and choreography

Each year the dance program provides multiple opportunities for you to perform and choreograph including Aftersimages, a student directed fall concert; Danstage, a spring concert featuring new choreography by faculty and guests; Players, a theatre and dance student organization; repertory projects; composition course showings; camera dance projects; and all main stage and studio musical and dramatic shows.

Employment opportunities

The interdisciplinary focus of our dance program trains you to be innovative in creating and finding employment opportunities. Recent graduates perform on Broadway, with national and international dance companies; and in television, commercials and film. Others become dance videographers, form direct dance companies, open private studios, and develop dance and related arts programs for school districts.

Courses for general university students

Dance 103, 105, 115, and 114 are introductory courses open to all university students. You may apply one credit of each of these approved performance courses toward the wellness/aerobic activity general degree requirement.

Dance courses for the community

Those outside the university who wish to enroll in selected dance courses must first contact the UWSP Admissions Office to determine eligibility to enroll as a special student. Technical placement and permission of the dance faculty are also required.

Dance Major (BA/BS)

Consists of 48 credits.

1. Core, 22 credits:
   a. Dance 104, 106.
   b. Three credits from Dance 205, 206, 305, 306 (placement exam required for entrance).
   c. Six credits of Dance 214 and 314.
   d. Seven credits of Dance 115, 212, and 215.

2. Theory, 10 credits: Dance 220, 328, 352, 420.
3. Performance and choreography, 9 credits: Dance 301, 302 and one course from Theatre 242, 243, 346, 349.
4. Interdisciplinary seminar: Dance 496.
5. Electives: 4 credits from Dance 203, 204, 303, 304.
6. Practicum: See description above.

Dance Minor

Consists of 27 credits.

1. Theoretical studies, 6 credits: Dance 220, 352.
4. Practicum: See description above.
Drama Option of Theatre Arts

Major (BA/BS)

Choose this option if you wish to gain general knowledge in a variety of theatre courses: acting, design, directing, theatre history, and dramatic literature, but also wish to take selected specialized courses in one theatre area that interests you.

Admission Policy: To major in the BA/BS drama option, you must be admitted to the university and the drama program. Admission to the drama program is by application, essay and interview. Interviews are held in the spring for fall acceptance and we recommend that you be officially admitted to UWSP before your assigned interview date. If you are a high school student, you should apply to the department in the fall of your senior year. If you are a transfer student or continuing UWSP student, you must also apply. Contact the Department of Theatre and Dance for more information.

Curricular Requirements (Drama BA/BS)

Consists of 44 credits.
1. General courses: Theatre 146, 149 or 172, 160 or 170, 162, 375; one course from Dance 103, 105, or 114.
2. History: Theatre 351, 352, 452.
4. Electives: 9 credits approved by adviser. Up to 3 elective credits may be from Theatre 226-426.
5. Practicum: See description above.

Drama Option of Theatre Arts

Major (BFA)

Choose this option if you wish to pursue intensive training in either acting or design/technology in order to become a theatre professional in your chosen area of interest.

ACTING

Stephen Trovillion Smith, Coordinator

Admission audition required: Admission to the BFA acting program is by audition only. Auditions are held in the spring for fall acceptance. We recommend that you be officially admitted to UWSP before your assigned audition date. Apply early since the number of students accepted into the program is limited. If you are a transfer student and wish to enter the design/technology program, you should interview before transferring to UWSP. Contact the Dept. of Theatre and Dance for more information.

Retention in the program: Every BFA acting major will meet with the area coordinator at the end of each semester for a comprehensive evaluation of classroom and performance work. If you do not demonstrate satisfactory progress or do not adhere to the retention standards established by the department, you may be placed on departmental probation or dropped from the major.

Required auditions: BFA acting majors must audition for all faculty-directed mainstage and studio theatre productions and accept roles as assigned.

Curricular Requirements (Drama BFA)

Consists of 80 credits.

Acting
1. General courses: Theatre 146, 162, 244, 375, 497; Dance 114, 212.
2. Acting: Theatre 170, 172, 282, 381, 384, 481, 482.
6. Theatre History: Theatre 351, 352, 452.
7. Electives: 13 credits approved by your adviser. Up to 3 elective credits may be from Theatre 226-426.
8. Practicum: See description above.

DESIGN/TECHNOLOGY

Stephen G. Sherwin, Coordinator

Admission interview required: Admission to the design and technology program is by audition interview. Interviews are held in the spring for fall acceptance and we recommend that you be officially admitted to UWSP before your assigned interview date. Apply early since the number of students accepted into the program is limited. If you are a transfer student and wish to enter the design/technology program, you should interview before transferring to UWSP. Contact the Dept. of Theatre and Dance for more information.

Retention in the program: You will be formally reviewed each semester. If you do not demonstrate satisfactory progress or do not adhere to the retention standards established by the department, you may be placed on departmental probation or dropped from the major.

Curricular Requirements (Drama BFA)

Consists of 78 credits.

Design/Technology
4. History: Theatre 351, 352, 452.
5. Electives: 12 credits approved by your adviser. Up to 3 elective credits may be from Theatre 226-426.
6. Practicum: See description above.

Drama Minor in Theatre Arts

Gary Olson, Coordinator

Consists of 24 credits:
1. General courses: Theatre 146, 160 or 170, 162.
2. History: 6 credits from Theatre 351, 352, 452.
3. Electives: 9 credits approved by adviser. Up to 2 elective credits may be from Theatre 226-426.
4. Practicum: See description above.
MUSICAL THEATRE
Musical Theatre Option of Theatre Arts Major (BFA)
Tim Howard, Coordinator

Choose this option if you are a multitalented performer and wish to pursue a professional career in musical theatre. The program requires study in three primary areas: acting, dance, and voice, as well as courses in music theory, piano, theatre, and musical theatre history.

Admission audition required: Admission to the BFA musical theatre program is by audition only. Auditions are held in the spring for fall acceptance. We recommend that you be officially admitted to UWSP before your assigned audition date. Apply early since the number of students accepted into the program is limited. If you are a transfer student and wish to audit this program, you should audition before transferring to UWSP. Contact the Department of Theatre and Dance for more information.

Retention in the program: You will be formally reviewed each semester. You must participate each semester in at least one public performance in mainstage, studio, or Players productions, performance forums or publicly performed class projects. If you do not demonstrate satisfactory progress in the program or do not adhere to the established retention standards, you may be placed on departmental probation or dropped from the major.

Required auditions: Musical theatre majors must audition for all faculty-directed mainstage and studio theatre productions and accept roles as assigned.

Curricular Requirements (Musical Theatre)
Consists of 78 credits.
1. General courses, 9 credits: Theatre 146, 162, 452.
2. Acting, 19 credits: Theatre 170, 172, 282, 384, 481, 484.
3. Dance, 10 credits: Dance 103, 105, 114, 115, 212.
5. Piano, 4 credits: Music 158.
7. Electives: 6 credits approved by your adviser.
8. Practicum: See description above.

Courses in Dance
DNCE 103. Modern A 2 cr. Introduction to modern dance techniques and performance concepts. Does not count toward BFA/BS dance major requirements. Prereq: 104 or placement exam; enrol for 2 cr. GDR: WL/AA
DNCE 104. Modern IB. 3 cr. For majors and minors. Continuation of 103. Fundamentals of modern dance concepts and techniques. 4 hrs per wk. May repeat once with cons instr for 6 cr max. Prereq: 103 or test out. GDR: WL/AA
DNCE 105. Ballet A. 2 cr. Introduction to the basic ballet technique and performance concepts. Does not count toward BFA/BS dance major requirements. 3 hrs per wk. GDR: WL/AA
DNCE 106. Ballet IB. 3 cr. For majors and minors. Continuation of 105. Fundamentals of ballet concepts and techniques. 4 hrs per wk. May repeat once with cons instr for 6 cr max. Prereq: 105 or test out. GDR: WL/AA
DNCE 114. Jazz. 2 cr. Introduction to beginning level jazz technique and performance skills. 3 hrs per wk. GDR: WL/AA
DNCE 115. Tap. 1 cr. Master advanced beginning level tap techniques and performance skills. 3 hr per wk. Prereq: Department of Theatre & Dance major or minor OR cons instr. GDR: WL/AA
DNCE 199. Directed Study. 1-3 cr. Freshman and sophomore dance majors and minors may arrange for independent study on individual or group projects with cons chair. Credit based on scope of project.
DNCE 203. Modern IIA. 2-3 cr. Master intermediate level modern dance technique and performance concepts. 4 1/2 hrs per wk. Enroll for 3 cr as part of core. May enroll for 2 cr. Core. May enroll for 6 cr max. Prereq: 104 and placement exam, or test out. GDR: WL/AA
DNCE 204. Modern IIB. 2-3 cr. Master intermediate level modern dance technique and performance concepts. 4 1/2 hrs per wk. Enroll for 3 cr as part of core. May enroll for 2 cr after core. Core. May enroll for 6 cr max. Prereq: 104 and placement exam, or test out. GDR: WL/AA
DNCE 205. Ballet II. 2-3 cr. Master intermediate level ballet technique and performance concepts. 4 1/2 hrs per wk. Enroll for 3 cr as part of core. May enroll for 2 cr after core. Core. May enroll for 6 cr max. Prereq: 106 and placement exam, or test out. GDR: WL/AA
DNCE 206. Ballet IIIB. 2-3 cr. Master intermediate level ballet technique and performance concepts. 4 1/2 hrs per wk. Enroll for 3 cr as part of core. May enroll for 2 cr after core. Core. May enroll for 6 cr max. Prereq: 106 and placement exam, or test out. GDR: WL/AA
DNCE 212. Theatre Dance. 2 cr. Theatre dance forms with beginning period styles of jazz. 3 hrs per wk. Prereq: Theatre & Dance major or minor OR cons instr. GDR: WL/AA
DNCE 214. Jazz II. 2-3 cr. Master intermediate level jazz technique and performance skills. 4 hrs per wk. Enroll for 3 cr as part of core. May enroll for 2 cr after core. Core. May enroll for 6 cr max. Prereq: 106, 114 or test out. GDR: WL/AA
DNCE 215. Tap II. 2-3 cr. Master intermediate level tap technique and performance skills. 4 hrs per wk. Enroll for 3 cr as part of core. May enroll for 2 cr after core. Core. May enroll for 6 cr max. Prereq: 115 or test out. GDR: WL/AA
DNCE 220. Movement Analysis and Theory I. 3 cr. Experience, observe and analyze the language of movement through body, effort, space and shape with application to performance. Introduction to motifs writing and skeletal and muscular systems.
DNCE 226. Theatre Practicum for Dancers. 0-1 cr. Assigned participation in theatre/dance production. Required for all dept majors. See Required Practicum above. May repeat each course 3 times for credit.
DNCE 227. Dance Workshop. 1-6 cr. Subtitle will designate area (tap, jazz, pointe, partnering, fundamentals of rhythm, et al). May repeat for credit with different subtitles. Prereq: Cons instr.
DNCE 301. Composition II. 3 cr. Explore small group forms through studies in time, space, dynamics, and musical forms. 4 hrs per wk. Prereq: cons instr.
DNCE 303. Modern IIIA. 2-3 cr. Master advanced level modern dance technique and performance concepts. 4 1/2 hrs per wk. Enroll for 3 cr as part of core. May enroll for 2 cr after core. Core. May enroll for 6 cr max. Prereq: 104 and placement exam, or test out. GDR: WL/AA
DNCE 304. Modern IIIB. 2-3 cr. Master advanced level modern dance technique and performance concepts. 4 1/2 hrs per wk. Enroll for 3 cr as part of core. May enroll for 2 cr after core. Core. May enroll for 6 cr max. Prereq: 104 and placement exam, or test out. GDR: WL/AA
DNCE 305. Ballet IIIA. 2-3 cr. Master advanced level ballet technique and performance concepts. 4 1/2 hrs per wk. Enroll for 6 cr max. Prereq: 106 and placement exam, or test out. GDR: WL/AA
DNCE 308. Ballet. 1 cr. Survey of career options in dance.
DNCE 328. Career Seminar. 1 cr. Survey of career options in dance.
DNCE 352. Dance History. 3 cr. Development of dance in a cultural, philosophical and political context from 1930 to the present including culturally diverse American dance forms. GDR: HU
DNCE 399. Special Work. 1-6 cr. Students may arrange for independent study on individual or group projects with cons instr and chair. Credit based on scope of the project. Subtitle will designate area.
Courses in Theatre

THEA 105. Theatre Appreciation. 3 cr. Introductory study of theatre; what it is and has been. Study plays, playwrights, and various theatre crafts. GDR: HU1

THEA 110. Music Theory for Musical Theatre Performers I. 3 cr. Music theory fundamentals: pitch recognition and notation, scales, triads, intervals, rhythm, vocabulary, introduction to harmonic and structural analysis and four-part writing. Lab section includes applied musicianship skills: sight singing, group singing, basic keyboard skills. THEA 111. Music Theory for Musical Theatre Performers II. 3 cr. Extension of written, keyboard, and vocal musicianship skills in techniques of harmonic and structural analysis, four-part writing, transposition, and investigation of musical theatre styles.

THEA 129. Performance Laboratory I. 3 cr. Intensive laboratory experience in musical theatre performance techniques. May repeat once for credit.

THEA 146. Introduction to Theatre Technology. 3 cr. Study and application of materials/techniques for costume construction and stage craft. Costume: hand/machine sewing, basic corrective makeup, quick changes, pulling costumes. Stagecraft: stage equipment, rigging, wood-working tools, scale drawings, scenic and lighting design presentations, lighting systems, properties, production organization. 6 hrs lec and/or lab per wk. Prereq: Cons instr.

THEA 149. Introduction to Theatrical Design. 3 cr. Beginning design techniques: drafting, sketching, rendering, computer-aided design (CAD). Introduction to the costume design process and organization from script and design process including research, scene analysis, floor plans, sketching, and rendering techniques. 3 hrs lec and/or lab per wk. Prereq: Cons instr.

THEA 160. Introduction to Acting. 3 cr. Beginning acting course for nonacting majors to encourage imagination, self-expression, communication, and a fundamental understanding of the acting process.

THEA 162. Script Analysis. 3 cr. Fundamentals of analysis for the actor, designer, or director.

THEA 165. Movement for Actors I. 3 cr. Create awareness of the actor’s physical potential while expanding physical confidence, strength, flexibility, balance and endurance. Develop kinesthetic responsiveness/sensitivity to the stimuli of partnering, environments, and psychological moods. Prereq: BFA acting option or cons instr.

THEA 166. Movement for Actors II. 3 cr. Reinforce and refine fundamentals taught in 165. Advanced exploration of physical characterization through Commedia skills, energy essence states, archetypes, status play and neutral mask work. Prereq: 165 or cons instr.

THEA 170. Fundamentals of Acting I. 3 cr. Beginning acting course for performance majors to explore fundamental process of character development through playing a dramatic action. Includes exercises to free body, voice, emotions of inhibitions that restrict open communication within dramatic situation. Prereq: Performance major or cons instr.

THEA 199. Directed Study. 1-3 cr. Freshman and sophomore theatre majors and minors may arrange for independent study on individual or group projects with cons chair. Credit based on scope of project.
THEA 345. Theatrical Rendering. 3 cr. Advanced rendering techniques for scenic, costume and lighting design. 4 hrs studio per wk.

THEA 346/546. Stage Management. 3 cr. Role of stage manager as assistant to director during rehearsal and in managing backstage activities during productions including scheduling, company and union rules, rehearsal procedures, time management, scene shifts, running, and touring. Computer applications for production organization and communication. 3 hrs lec and/or lab per wk.

THEA 347. Computer-Aided Design for the Stage. 3 cr. CAD techniques including 2-D drafting and 3-D modeling. Explore computer as tool for graphic imaging and applications for theatrical production. 4 hrs lec and/or lab per wk.

THEA 348. Pattern Drafting. 3 cr. Work in costume rendering interpretation and pattern drafting of period garments. 6 hrs lec and/or lab per wk. Prereq: Jr st, or 146, or cons instr.

THEA 349. Theatrical Sound Design. 3 cr. Study and performing scenes. 4 hrs per wk. Prereq: 160 or 170, 162, jr st.

THEA 350. Dance and Medieval Theatre History. 3 cr. Theatrical forms of ancient India, classical Greece and Rome, classical Japan, and medieval Europe studied through dramatic literature, cultural history, and theatrical conventions. Prereq: 162. GDR: HU1

THEA 351. Theatre History from Renaissance to Romanticism. 3 cr. Dramatic literature, the European tradition from Renaissance through Romanticism in context of cultural developments and theatrical technologies/conventions of the time. Includes Elizabethan and Jacobean drama and spectacles, Restoration Comedy, French neoclassical theatre, Italian innovations in architecture and design, Romantic theatre, and art and drama. Prereq: 162. GDR: HU1

THEA 361. Survey of Musical Theatre I. 3 cr. Investigate forms and ideas that contributed to development of today's American musical including comic opera, operetta, minstrelsy, burlesque, and vaudeville with their respective leading exponents. GDR: HU1

THEA 362. Survey of Musical Theatre II. 3 cr. Explore musical theatre genres, styles, and architects from 1950 to the present. GDR: HU1

THEA 363. Singing for the Stage. 2 cr. Basic singing technique for actors and others who are not primarily singers. Prereq: Theatre or dance major or minor; not open to musical theatre majors. Prereq: 169, 170, 282, 384, or cons instr.

THEA 364. Directing I. 3 cr. Theory of directing; exercises in blocking and performing scenes. 4 hrs per wk. Prereq: 180 or 170, 162, Jr st.

THEA 365. Directing II. 3 cr. Practice in directing scenes and one act plays; develop directing skills. 4 hrs per wk. Prereq: 375 or cons instr. 

THEA 366. Audition Techniques. 3 cr. Participate in developing audition skills, monologues, cold readings. Prereq: 282 or cons instr. For BFA acting/musical theatre majors; open by audition to others who meet prerequisites.

THEA 382. Stage Combat. 3 cr. Fundamentals of hand-to-hand combat and weaponry used for the stage, emphasizing safety. Prereq: 170, 282, or cons instr.

THEA 383. Scene Study II. 3 cr. Analysis and performance of scenes in various styles. For BFA acting/musical theatre majors; open by audition to others who meet prerequisites. Prereq: 282 or cons instr.

THEA 384. Direction Study I. 1-6 cr. Intensive laboratory experience. Subtitle will designate area. May repeat for credit with different subtitles. Prereq: Sr st, or Jr st and cons instr.

THEA 385. Acting for the Camera II, 3 cr. (07-09)

THEA 386. Acting for the Camera III, 3 cr. (07-09)

THEA 387. Directing Study II. 3 cr. Directing major work. Prereq: Jr st, or cons instr. 

THEA 388. Audition Techniques. 3 cr. Participate in developing audition skills, monologues, cold readings. Prereq: 282 or cons instr. 

THEA 389. Directed Study. 1-6 cr. Upperclass theatre majors or minors may arrange for independent study on individual or group projects with cons chair. Credit based on scope of the project.

THEA 423. Theatre Practicum. 0-1 cr. Assigned participation in theatre and dance production. Required of all dept majors. See Required Practicum above. May repeat each course 3 times for credit.

THEA 429. Drama Workshop. 1-6 cr. Intensive laboratory experience. Subtitle will designate area. Prereq: Sr st, or Jr st and cons instr.

THEA 445. Scene Painting. 3 cr. Introduction to scene painting and application to scene design process; basic painting techniques, types of paint and materials. 4 hrs lec/lab per wk.

THEA 446. Technical Production. 3 cr. Advanced work in technical production including facilities management, budgeting, purchasing, scheduling, safety, and construction techniques. 3 hrs lec and/or lab per wk. Prereq: 241, 242, or cons instr.

THEA 448. Costume Crafts. 3 cr. Advanced work in various craft areas: millinery, shoes, accessories, wigs, face casting, masks, puppets, leatherwork. 6 hrs lec and/or lab per wk. Prereq: Cons instr.

THEA 449. Seminar in Technical Theatre. 3 cr. Special projects and techniques of handling advanced technical theatre problems. Subtitle with designate area. May repeat once for credit under each subtitle.

THEA 450. Modern and Contemporary Theatre History. 3 cr. Dramatic literature of Western world from late 19th century to present. Wide variety of dramatic theories/theatrical practices. Prereq: 162. GDR: HU1

THEA 451. Survey of Asian Theatre. 3 cr. Survey of dramatic literature, physical stage, production and acting conventions of traditional theatre forms of China, Japan, and other Asian countries. THEA 481. Period Acting I. 3 cr. Theory and practice of acting verse and other drama written before the 18th century. Shakespearean plays. For BFA acting/musical theatre majors; open by audition to others who meet prerequisites. Prereq: 170, 282, 384, or cons instr.

THEA 482. Period Acting II. 3 cr. Advanced study and practice performing plays written prior to 20th century. Emphasis on comedy of manners. For BFA acting/musical theatre majors; open by audition to others who meet prerequisites. Course fee required. Prereq: 170, 282, 384, or cons instr.

THEA 484. Musical Theatre Performance. 2 cr. Integrate acting, singing and movement into effective musical theatre auditions and performances through study and performance of scenes from musical theatre. May repeat for 6 cr max. For BFA musical theatre majors; open by audition to others who meet prerequisites. Prereq: 129, 282, Jr st.

THEA 490/690. Seminar in Theatre. 3 cr. Research and discuss specialized areas of theatre and drama. Subtitle will designate area. May repeat for credit with different subtitles. Prereq: Sr st, or Jr st and cons instr.

THEA 492. Theatre Internship. 1-6 cr. On-the-job training in specific area of theatrical production, performance, or management. Prereq: Cons dept chair.

THEA 494. Drama Workshop. 1-6 cr. Intensive laboratory experience. Subtitle will designate area of concentration. Prereq: Cons instr.

THEA 497. Senior Project. 1-3 cr. Exhibit talents by developing special project in dance, drama, or musical theatre. Project must be approved by dept and be supervised by dept project committee.

THEATRE LATENTE Courses: Not offered recently. See full course description in indicated (xxx) catalog.

Student Academic Advising Center
Angela Kellogg, Director
Room 103
Phone: 715-346-3361
Fax: 715-346-4143
E-mail: student.academic.advising.center@uwsp.edu
Web: http://www.uwsp.edu/advising

If you have not yet declared a major, or are in one of the situations below, go to the Student Academic Advising Center (SAAC), Room 103, SSC to be assigned an adviser. SAAC advisers can help you in the development of your educational plans, in the decision-making process for selecting a major, and can help clarify the relationship between educational plans and career goals. SAAC advisers also assist you in examining major alternatives if you:

- are unable to gain entrance into your preferred major due to enrollment management policies;
- are struggling to reach or maintain the academic standards set by your desired major (for example: not meeting GPA, performance or portfolio standards);
- elect to leave a major and need help in exploring your options.

Fax: 715-346-4143
Women's and Gender Studies

Consists of 22 credits:

1. Core, 9 credits, distributed as follows:
   a. 3 credits: Women's and Gender Studies 105;
   b. 3 credits: Women's and Gender Studies 300 or 301;
   c. 3 credits earned from one or more of the following: 396 (1-3 credits), 499 (1-3 credits) and 490 (3 credits).

2. Additional courses from Communication 369 with appropr subtitle, 396; English 102 with appropr subtitle, 285, 287, 288; 309 with appropr subtitle, 327, 365, 385 with appropr subtitle; Geography 371; History 284, 285, 332, 384, 385, 395 with appropr subtitle, 490 with appropr subtitle; Music 301; Philosophy 350, 351; Political Science 408, 414; Psychology 240; Religious Studies 321 with appropr subtitle, 330, 333, 450 with appropr subtitle; Sociology 240, 316, 320, 395 with appropr subtitle; Spanish 493 with appropr subtitle; any women's and gender studies course taken in addition to the core requirements, and other courses as approved by the women's and gender studies coordinator.

NOTE: Subtitled courses may count with prior approval of the women's and gender studies coordinator.

Credit-by-Exam Policy

Credit-by-exam is available for Women's and Gender Studies 105, 300. To arrange for an exam, contact the coordinator. For WOMN 300, you may test-out only for a topic that has been offered within one year of the test-out attempt. Exams will include objective and essay questions. Course credit is given for scores equal to or greater than 80 percent of the total points on the exam. You may take the exam only once.

Courses in Women's and Gender Studies

WGS 105 (MNS). Introduction to Women's and Gender Studies. 3 cr. Introduction to the study of women and gender, the influence of gender on social institutions and structures, and an examination of women's lives and contributions to society, both within the United States and around the world. GDR: SS2

WGS 300. Topics in Women's and Gender Studies (Humanities Emphasis). 3 cr. Interdisciplinary examination of one or more major topics in women's and gender studies. May take for credit twice under different subtitles. Prereq: 105 or cons inst. GDR: HU4

WGS 301. Women and Feminism in the Modern World (Social Science Emphasis). 3 cr. Interdisciplinary study of the impact of feminism in particular modern, social and/or political contexts. May take for credit twice under different subtitles. GDR: SS2

WGS 396. Practicum. 1-3 cr. Students may arrange through the women's and genders studies coordinator to work with a community organization or agency, or in an applied setting directly involved with women's and gender related issues.

WGS 490. Seminar. 3 cr. Changing status of women in contemporary society; investigate aspects of woman's role, e.g., in government, education, law, family, community; research involves reading and direct research projects producing significant data or a seminar paper. Prereq: 105 or cons instr.

WGS 499. Special Work. 1-3 cr. Women's and gender studies minors may arrange for special work with cons women's and gender studies coordinator. Research involves reading and direct research, producing significant data or a seminar paper.

Women's and Gender Studies: Not offered recently. See full course description in indicated (xx-xx) catalog.

Graduate Study

Graduate Degree Programs
At UW-Stevens Point you may select among accredited programs leading to these graduate degrees:

- Master of Arts in Communication
- Master of Music Education
- Master of Science in Communicative Disorders with specialization in speech-language pathology
- Master of Science in Education-General
- Master of Science in Education-Elementary Education
- Master of Science in Human and Community Resources
- Master of Science in Natural Resources
- Master of Science in Nutritional Sciences
- Master of Science in Teaching with specialization in biology, English, reading certification in English, or history.
- Clinical Doctorate in Audiology (Au.D.) with UW-Madison

In addition, you may take part in programs offered through UW-Oshkosh that lead to the:

- Master of Business Administration
- Master of Science in Education–Elementary Education

You may also take part in programs offered through UW-Superior that lead to the:

- Master of Science in Education–Educational Administration or Specialist in Education–Educational Administration.

Responsibility and Policy
The graduate faculty, through the Graduate Council and Faculty Senate, establish general requirements for graduate degrees. Each department offering a graduate program establishes discipline specific degree requirements.

Graduate Study policies intend to:

1. facilitate orderly progress of graduate students through their degree programs;
2. meet expectations of accrediting agencies, other graduate schools, and the University of Wisconsin Board of Regents;
3. provide a common university standard and encourage the development of quality programs.

As a graduate student, it is your responsibility to become aware of and abide by graduate study policies. Every effort will be made by graduate study personnel, coordinators, and advisers to aid you as you progress through your graduate career at UW-Stevens Point.

Graduate Study: Faculty and Structure
Graduate Faculty. Members of the graduate faculty have all earned terminal degrees (or equivalent), hold the rank of assistant professor or higher, and have successful teaching experience or continuing evidence of scholarly achievement and professional activity in their disciplines. They are nominated by their departments and are approved by the UWSP Graduate Council. Graduate faculty status allows individuals to regularly teach graduate courses, be actively involved in graduate affairs, and chair graduate students’ committees. Graduate faculty members have a (G) following their individual listings that appear at the end of this catalog. Please check with your department for names of graduate faculty who are eligible to chair graduate students’ committees.

Graduate Study Academic Ethics. Only work that is solely yours may be submitted to a professor in the form of an examination paper, weekly coursework, term paper, class project, research project, or thesis, unless the instructor specifically authorizes group work. This expectation applies to all work submitted.

Cheating and plagiarism are prohibited. Plagiarism is the process of stealing or passing off as your own someone else’s words or ideas, or presenting as your own an idea or product obtained from an existing source. To avoid any appearance of plagiarism or accidental plagiarism, it is important that you learn correct citation procedures for your discipline and your classes. The plea of ignorance...
Research Misconduct Policy

Standards of Conduct. As a researcher, you are expected to retain appropriate documentation for your research and adhere to accepted ethical standards appropriate to your academic discipline.

Definition of Research Misconduct. Misconduct is intentional falsification of data, plagiarism, or other practices that deviate from common research practice within the academic community for proposing, conducting, or reporting research. Honest error and differences in interpretation of data are not considered misconduct. Misconduct is prohibited at UWSP and may be cause for discipline or dismissal.

Reporting Research Misconduct. Research collaborators, colleagues, and anyone who has reason to believe that research misconduct has occurred are responsible for reporting the misconduct: Retaliation because of good faith reporting of misconduct is prohibited. However, individuals found to have brought allegations of a frivolous and/or malicious nature are subject to the same range of disciplinary action as those who are found guilty of this policy.

Research Misconduct Procedures for Culminating Experiences:

A. Report allegations in writing to the dean of the appropriate college. The accused and the dean of his/her college will be informed in writing within 10 days of the allegation: (1) that he/she is being investigated, (2) exactly what the allegations are, and (3) the identity of the accuser.
B. The dean of the college will undertake a prompt and discreet inquiry. All matters pertaining to the investigation and evidence supplied will be kept in strict confidence. An inquiry consists of information gathering and preliminary fact-finding to determine whether an allegation or apparent instance of misconduct warrants an investigation. The initial inquiry will be completed within 60 days from the time allegations were made to the dean.
C. If the inquiry concludes that the allegation of misconduct is unsubstantiated, and an investigation is not warranted, the reasons and supporting documentation for this conclusion will be reported to the chancellor, who will be responsible for reviewing the conclusion of the inquiry. If the chancellor concurs in the conclusion that an investigation is not warranted, his/her determination, and all other supporting documentation from the inquiry will be recorded and the record maintained confidentially for a period of three years after the termination of the inquiry.
D. If the preliminary inquiry finds reasonable cause to believe allegations are not frivolous or misguided, the matter will be referred to an ad hoc committee appointed by the dean for formal investigation. The accused will be given a copy of the report of the dean's inquiry. The committee members will be knowledgeable about the researcher's area of inquiry, but will not be involved with the research in question or in competition with the accused. It may be necessary or advisable in certain situations to invite researchers from other institutions to participate. The investigation must be initiated within 30 days of completion of the inquiry. If the research has been supported by extramural funds, federal agencies require notification that a formal investigation is underway.

1. The ad hoc committee will determine whether misconduct has taken place and assess its extent and consequences.
2. If the ad hoc committee finds the charges to be true, regular governance procedures will be followed by the dean of the college in consultation with the associate vice chancellor in determining the proper course of action. Recommendations may range from reprimand to dismissal depending upon the seriousness of the misconduct. The investigation should ordinarily be completed within 120 days of its initiation.
3. A copy of the ad hoc committee's preliminary report will be provided to the individual being investigated. The dean shall give the individual an opportunity to discuss the matter with the ad hoc committee and himself/herself before any action is taken under D2 of this policy. The individual may reply in writing to the committee. These replies will be attached to the committee's report.
4. Appropriate agencies and journals will be notified by the dean of the college of the ad hoc committee's findings if appropriate. The committee finds that misconduct is substantiated.
5. If the misconduct is not substantiated, extensive efforts will be made to restore the reputation of the accused.

Academic Misconduct Procedures for Graduate Coursework:

As a graduate student, if you plagiarize or engage in academic misconduct within any aspect of your graduate coursework, you will be subject to academic misconduct sanctions as outlined in UW System principles concerning research on human beings as subjects.

Copyrights and Patents. Any copyrights you obtain as a graduate student on your original works (theses, educational products, research papers) belong to you except when they are subject to prior agreements between the university and extramural sponsors.

You have complete ownership and control of any patents that result from inventions you make as a graduate student at UW-Stevens Point. However, you must honor any contractual rights of extramural sponsors if you develop an invention while being financially supported through a grant or contract. To ensure such sponsor rights, you should sign a patent agreement with the external agency at the beginning of your assistantship. Contact the associate vice chancellor for Academic Affairs if you have any questions regarding inventions or patents.

Admission to Graduate Study

There are three admission categories designed to meet your graduate needs.

Graduate Regular: If you wish to pursue a master's degree at UW-Stevens Point, you will need to be formally admitted to the university as a graduate regular student. Submit to the Admissions Office (or apply online) a completed graduate study application form, the nonrefundable application fee ($56 domestic applicants; $125 foreign applicants), and official transcripts from each college you have attended (both undergraduate and graduate). The transcript from the college from which you graduated must...
special status when you register for classes. A formal application process. You will be granted graduate special status, you must hold a bachelor's degree from an accredited institution. You do not need to complete a formal application process. You will be granted graduate special status when you register for classes.

As a graduate special student you can enroll in graduate-level courses and receive graduate credit for teacher certification requirements or for personal enrichment. A maximum of 9 credits can apply toward a master's degree, it is in your best interest to change your status to graduate regular as soon as possible.

Graduate Guest: If you wish to apply credits taken at UW-Stevens Point toward a graduate degree at another institution, you are neither evaluated nor formally admitted to UWSP, but are permitted to enroll in specific courses with the approval of your graduate adviser at the other institution. This procedure assures that credits taken at UW-Stevens Point will transfer properly to another institution.

Admission Status and Your Specific Degree Program

Successful admission to Graduate Study requires admission to a specific degree program. Most graduate programs require additional application criteria such as letters of reference, personal interviews, standardized test scores, verification of certification, etc. You should contact the graduate coordinator in your discipline for these additional requirements. The Admissions Office forwards your graduate study application file to the graduate coordinator in your discipline for these requirements. The Admissions Office forwards your application materials to the graduate coordinator of your designated program area for final consideration for admission to that particular program.

Admission to Candidacy

Admission to a specific degree program does not automatically make you a candidate for a master's degree. You must meet residency and evaluation requirements before you are a degree candidate. The formal admission to candidacy process varies from one program to another, but generally you must:

- earn at least 9 credits in residence at UWSP.
- remove any academic deficiencies and/or complete all subject matter prerequisites.
- maintain at least a 3.00 (B) grade point average.
- select a graduate adviser (and a graduate committee if required by your discipline).
- complete and get approval for your Program of Study.

Graduate Adviser

When you first enter your graduate program, you will probably be assisted by a departmental graduate adviser who counsels all incoming graduate students. In some of our graduate programs this person continues to advise all students in the program until the degree is nearly completed. In other programs, you will need your own personal adviser who may also be known as your “major professor.” This individual plays a key role in guiding you through your graduate career. Your graduate adviser should act as a personal adviser, mentor, advocate, constructive critic, and friend. Your graduate adviser is the person who should “go to bat” for you when you encounter problems with your program plan, courses, and/or research.

Selecting a Graduate Committee

Your graduate adviser may be required to use other graduate faculty to make final decisions about the acceptability of your program plan and the quality of your thesis, if you choose to write one. Therefore, give careful consideration to your choice of these critical advisers who will form your graduate committee. The graduate coordinator or your graduate adviser normally assists in this process.

The graduate committee consists of at least three graduate faculty members including your graduate adviser. Try to ask a person from outside your major discipline area to serve on your committee. A nongraduate faculty member who possesses expertise particularly relevant to your field of study may be appointed as a special extra member.

Your graduate adviser and/or the graduate committee is responsible for supervising your Program of Study and should:

- guide you in an appropriate selection of courses and experiences to ensure that you are aware of all relevant material necessary for a complete understanding of your chosen field of study. This not only includes concentration of coursework in your major area of interest, but also selecting courses to bridge the gaps you may have in your previous educational experiences. This may require you to take some undergraduate courses to make up for deficiencies.
- determine whether you have accumulated and demonstrated sufficient ability to engage in the analytic process of problem solving. A graduate degree entails more than just taking additional courses within a major. You will be expected to demonstrate your ability to synthesize the new knowledge you have gained in your graduate courses and apply this knowledge to solve contemporary problems.
- make certain that if you elect to write a thesis it is consistent with the degree, confronts the interdisciplinary relationships of your subject area, and focuses on problem-solving methodology.

Your graduate committee members, including your graduate adviser, will be listed on your Program of Study form. They must sign this form indicating their approval of your graduate program plan. If you desire a change in the composition of your committee, it is your responsibility to explain to the current committee members why the change is desirable or necessary. If the change is acceptable to the outgoing and incoming professors, you should then notify the graduate coordinator for your department, school, or college to complete the transfer of committee members.

Program of Study

You and your graduate adviser jointly develop a Program of Study that is primarily a listing of courses and other experiences that will be required for your degree. It is personally designed for you, taking into account your previous academic strengths and weaknesses as well as your career
goals. This plan is outlined on the Program of Study form that, once approved, becomes a contract-like agreement between you and the university. It is important that this agreement be made before you have accumulated 15 credits, since it is intended to be a realistic plan and defines all requirements necessary to complete your degree.

The Program of Study may include courses, both graduate and undergraduate, that are designed to add to your expertise or to correct deficiencies. These are in addition to the minimum of 30 graduate credits required of master's degree candidates. The Program of Study also lists when courses are to be taken, the tentative title and completion date of the thesis or product, tentative dates for final examination and graduation, etc.

You may make minor changes in your approved Program of Study with the approval of your graduate adviser in consultation with the graduate committee members. Major changes such as course substitutions, changing of committee members, changing from thesis to nontesis, etc. require formal concurrence of you, your major professor, your graduate committee, and the graduate coordinator of your department, school, or college.

**General Requirements for Master's Degrees and Clinical Doctorate Degree**

- Have a maximum of 9 credits completed at the time of admission.
- Complete a minimum of 30 credits in graduate courses (Communication, 30 cr + 1 credit colloquium), (Communicative Disorders, 37 cr + 21 cr practicum).
- Take at least 15 credits in courses numbered 700 and above.
- Have an approved Program of Study on file with your adviser and the graduate coordinator of your department, school, or college before you complete 15 credit hours toward the degree.
- Maintain a minimum overall grade point average (GPA) of 3.00.
- Apply no more than 6 credits total in special topics courses and independent study courses toward your master's degree.
- Successfully complete a culminating experience.

All credits accepted toward a degree, including transfer credits, must be earned within a seven-year period. The time period starts with the beginning of the term in which the first course approved for your Program of Study was taken. For example: You are accepted into a UMSP graduate program in fall 2007. Part of your approved plan of study for your master's degree includes a course taken in spring 2005. Thus, your seven-year time period to complete the degree starts with the beginning of the spring 2005 semester, NOT the semester in which you were accepted into your graduate program. Requirements for All Master of Science in Teaching (MST) Degrees in addition to the general requirements of all master's degrees, the MST degree has the following requirements:

- Be eligible for teacher certification in your area of specialization (biology, English, history) in Wisconsin or another state.
- Complete a minimum of 30 graduate credits distributed among:
  - Group I: Major area of specialization, 18-24 credits.
  - Group II: Professional education, 6-9 credits. These courses enhance your understanding of education and improve performance in the art of teaching.
  - Group III: Liberal studies, 0-6 credits. These courses are taken outside the content area of your specialization and broaden your knowledge and outlook.
- Complete, at minimum, the equivalent of a major in your area of specialization at the completion of the graduate program.
- Have a minimum grade point average of 3.00 in your area of specialization at the time of graduation.

**Academic Information**

**Academic Standards and Probation**

You must maintain at least a B average (3.00 grade point average) to remain in good standing in a graduate program. Graduate regular students who fail to maintain at least a B average will be placed on probation. You must raise your overall grade point average to a B or better with the next 9 graduate credits you take. While on academic probation you cannot carry a graduate assistantship appointment or be admitted to candidacy for a degree. If you fail to raise the overall grade point, you will be dropped from your degree program and will be automatically reclassified as a graduate special student.

Grades of C will be accepted in no more than 8 of the 30 credits that apply toward a degree. Coursework with a grade below C may not be used to satisfy graduate degree requirements. You may not repeat a course unless you get approval from the dean of the college offering the course. For courses taken at this university, only the credit and grade earned in your second attempt will be figured into your grade point average, but the original grades are not taken off your record. If you plan to repeat a course, pick up a request to repeat a course form from Registration and Records and have it approved by the appropriate dean. If you need to take extra credits to raise your grade point average, you may take only 6 credits beyond the 30 credit minimum requirements for the degree.

Incomplete and Pass/ Fail Grades. You must remove a grade of incomplete before the end of the next semester. If not, it automatically becomes a failure unless it is a culminating experience course. Normally courses with pass/fail grades do not apply to a graduate degree program. For exceptions, see the description of individual graduate degree programs.

**Academic Progress Standards for Grad Students Receiving Financial Aid**

You will maintain satisfactory academic progress for financial aid eligibility if you receive grades of A-C in 75 percent of the total graduate semester hours for which you are enrolled at UW-Stevens Point.

Your academic progress is determined each year in June. If you are not making satisfactory academic progress, you will be ineligible to receive financial aid until such time as you earn a sufficient number of credits to be making satisfactory academic progress. Additional conditions apply:

1. “Total graduate semester hours for which enrolled” is defined as all the graduate credits for which you
receive a grade of A, B, C, D, F, I, GP, P, W, or WF. Plus and minus grades are included.
2. These standards are applied after you have accumulated 9 or more "semester hours enrolled."
3. Incomplete grades in thesis courses are excluded.
4. Transfer credits are excluded.
5. According to federal regulations, you are no longer eligible for financial aid after you attempt more than 48 graduate credits for a master’s degree.
6. If you re-enter after being out of school one or more semesters, you must be making satisfactory academic progress at the time you re-enter in order to qualify for financial aid.
7. If you are ineligible for financial aid due to unsatisfactory academic progress, you may appeal to the dean of your college for special consideration if you feel your lack of progress is due to extenuating circumstances.

Active/Inactive Status
Admission to a graduate program is usually granted to begin graduate coursework in a specific term (semester or summer session). If you delay your enrollment beyond the specific term of your admission (or if your admission letter does not include a specific term of admission), contact the Admissions Office to find out what will be needed to enroll in a future term.

If you do not earn any graduate credit for a period of five consecutive terms, you will be considered inactive and must be readmitted before enrolling. Inactive students who reapply must meet admission standards and degree requirements that are in effect at the time of readmission.

Courses
The courses approved for graduate credit are listed in the undergraduate Courses of Instruction section of this catalog by academic department. All courses in your approved Program of Study will be in the 500-999 group. You must have graduate standing to take courses 700 and above.

When you take dual numbered courses (300/500 and 400/600) as a graduate student you must meet at least one additional qualitative objective beyond the requirements for the undergraduate students in the same course. This might be a research project with a written and/or oral report, a term paper, a seminar or presentation given to the class, a product that can be used in class and shared with others, an essay or oral examination instead of an objective examination, etc. These additional qualitative objectives should be included in the course syllabus.

In addition, faculty members teaching dual numbered courses should use instruction methods that involve dialogue, student discussion/presentation. Where this is not feasible for the entire class, there should be additional discussion/sessions for graduate students.

Coursework Criteria/Graduate Level
1. Graduate coursework has a greater level of academic/intellectual rigor, is more specialized, and requires significantly greater depth and intensity of study than does UW-Stevens Point undergraduate coursework.
2. Graduate coursework involves a balance of theory and practice. Some courses in a master’s program will place more emphasis on theory while others will emphasize practice.
3. The methods of instruction in graduate courses reflect a high level of personal interaction between the instructor and individual students. This requires small graduate course sections, regular and personalized advising, and interactive teaching methods.
4. Graduate coursework requires more student self-directed learning than found in undergraduate courses and requires extensive use of learning resources that include but are not limited to library resources, laboratories, and computer facilities.
5. Graduate coursework focuses on advanced disciplinary content, usually an extension of what was presented at the undergraduate level. When graduate work serves an introductory function, it introduces content that is not offered at the undergraduate level but is dependent upon understandings acquired at the lower level. However, introductory graduate coursework may also be used in an accelerated way to create a basic background for an individual with an undergraduate degree in another field or who lacks background from undergraduate preparation.
6. All graduate coursework should contribute to degree program goals.
7. Grades assigned in graduate courses distinguish between levels of achievement at the graduate level.
8. Graduate courses should only be taught by graduate faculty or by those with similar qualifications. Evidence of graduate level coursework should be present in the form of specific, additional assignments when part of a slash (300/500 or 400/600) course.

Credit Load and Limitations
You should register for credit any time you use the physical or personnel resources of the university to fulfill the requirements of your degree program. You can register on a per credit basis when you are doing research and/or working on a project, paper, or thesis at UW-Stevens Point. The instructor or graduate adviser determines the number of credits according to the scope of the project.

The normal graduate course load for a semester is 9 to 12 credits. If you register for 9 or more credits you are considered a full-time graduate student. Undergraduate credits count when determining your credit load. Once you have completed all degree requirements except for your thesis, we consider you full time for one semester while you work on your thesis.

You may register for no more than 15 credits during the semester and no more than 9 credits (6 credits in any four week period) for the summer session. If there are exceptional circumstances, you can appeal to the dean of your college for permission to carry more than the maximum load. To do this you will need to submit an overload form for your dean's signature BEFORE you register for the overload. You will not be allowed to register unless your overload has had prior approval.

The normal graduate course load for the eight week summer session is 6 credits (3 credits in each four week term or 6 credits in the eight week term). If you register for 5 or more credits in the summer you are considered a full-time graduate student. You may register for up to 9 credits in the summer. However, be aware that the concentrated nature of summer courses with the extra commitment of time and energy places a strain on your academic performance. Taking more than 6 credits in summer is not advised.
If you are supported by a full-time assistantship, we expect you to devote at least half of your time to your assistantship duties. Therefore, you should enroll for a maximum of 9 credits per semester.

You do not need to be registered during the semester of your graduation. However, some programs require you to be enrolled in thesis or project credits each semester in order to maintain your status as a degree candidate. If your last semester only involves completing your thesis, you may enroll in Research 798 with the approval of your graduate adviser and graduate program coordinator. This zero credit “course” will allow you to use e-mail, retain graduate student library privileges, and postpone federal loan payments. Or if necessary, the registrar will write a letter certifying that your thesis work involves at least 50 percent of your time.

### Culminating Experience
You must successfully complete a culminating experience. The individual colleges or departments determine the nature of this experience subject to approval by the Graduate Council. Examples of experiences meeting this requirement include: thesis, seminar paper, oral and/or written comprehensive examination, clinical paper or semester, integrative course, exhibition, or recital. Most programs will require more than one of these experiences.

### Degree Completion Time Limit
All credits accepted toward a degree, including transfer credits, must be earned within a seven-year period. The time period starts with the beginning of the term in which the first course approved for your program of study was taken. For example: If you are accepted into a UWSP graduate program in fall 2007. Part of your approved plan of study for your master’s degree includes a course taken in spring 2005. Thus, your seven-year time period to complete the degree starts with the beginning of the spring 2005 semester, NOT the semester in which you were accepted into your graduate program.

### Drop/Add Procedure
For the current drop/add procedures, go to the Registration and Records homepage (http://www.uwsp.edu/reg-rec). Click on “Registration Process” and then “Dates and Policies.” You can also go to the More Academic Information section of this catalog for drop/add (change of registration) instructions. Get drop/add forms at Registration and Records, 101 SSC. You can also find them online on the Records and Registration homepage (http://www.uwsp.edu/reg-rec), and clicking “Current Students”, then “Forms” and then “Add/ Drop Forms by Term” (select the desired term).

### Employed Students
If you are employed, you should consider the time demands of your job when planning an academic program. Certain fellowships, assistantships, and scholarships specifically limit other employment. You have the obligation to learn these restrictions and abide by them if you receive one of these awards. As a graduate student at UWSP, you are considered a student first. Employment within or outside of the university is of secondary consideration when determining the time devoted to the academic program.

### Fees Assessments for Graduate Credits
Graduate fees are assessed for graduate credits. Undergraduate fees are assessed for all undergraduate credits.

During your last undergraduate semester you may register for graduate credits as long as all requirements for the completion of your bachelor’s degree will be met. To do this, complete the Undergraduate/Graduate Split Program Status form from the Registration Office. You pay graduate fees for graduate credits taken during the split program period. Please note there is no guarantee that these credits will be accepted into a master’s program.

### Grading Standards
According to Graduate Study policy:

- **A** indicates superior work.
- **B** indicates satisfactory but undistinguished work.
- **C** indicates work below the standard expected of graduate students.
- **D/F** clearly indicates unsatisfactory work and does not apply toward your degree.
- **GP** clearly indicates unsatisfactory work and does not apply toward your degree.

### Graduation Requirements & Deadlines
You may apply for graduation online at: www.uwsp.edu/reg-rec/gradinfo.aspx. Submit an application before the start of your last semester. Complete all requirements by the end of your graduation term. If they are not completed by then, you must complete a new application for the next term in which you expect to graduate. There is a one-time graduation fee of $35.00.

You should check with your adviser and graduate program coordinator by the middle of your last term to be sure your file is complete except for the elements you know are outstanding, e.g. current courses, thesis approval, etc. Since there is no August commencement, you may choose to participate in the prior May or following December ceremonies. Notify Registration and Records at least two months before the commencement you wish to be in to allow time to include your name in the program book.

### Incompletes
A grade of incomplete indicates that you have done satisfactory work in the course, but because of circumstances beyond your control, you have been unable to finish all requirements. The incomplete is not given to enable you to do additional work to bring up a deficient grade. A grade of incomplete must be removed before the end of the next semester. Except for culminating experience courses, if the incomplete is not removed within that time, it automatically becomes a failure.

### Registration
For current registration procedures, go to the Registration and Records homepage (http://www.uwsp.edu/reg-rec). Click on “Registration Process” and then “Steps to Register.” Registration instructions for off-campus and credit-outreach courses are available from the UWSP Continuing Education office and the CPS Continuing Education office. See websites http://www.uwsp.edu/reg-rec; http://www.uwsp.edu/conted; and http://www.uwsp.edu/cps/conted.
Schedule of Classes

Be sure to check the online timetable on the Registration and Records homepage (http://www.uwsp.edu/reg-rec) and click on “Timetable of Courses.” From there, click on “Courses by Term” for the most up-to-date list of course offerings. Note that not all of the courses listed in the catalog are offered each semester. You should consult the timetable and your department chair when planning for registration in any given term.

Second Master’s Degree

If you have earned a graduate degree from UWSP and wish to pursue another degree, you must submit a new application for admission. Normally, you do not need to furnish transcripts or other credentials previously submitted. Check with Admissions Office to be certain that your records are complete. Credits earned for one degree usually cannot be used to satisfy requirements for a second degree.

The Thesis

Some degree plans require a thesis. After you select a research topic, submit a proposal to your graduate adviser briefly describing what you want to do and how you plan to do it. Your graduate adviser and thesis committee review your proposal, determine how many credits (up to 6) you earn for the thesis, and approve or reject your proposal.

A thesis is a formal written work and should follow the standards of the style manual preferred by your department. Also consult the Graduate Study Thesis Manual and your graduate adviser for proper format.

If you are working on your thesis the equivalent of half time and not enrolled in other classes, you may enroll in Research 798 with the approval of your graduate adviser and graduate program coordinator. This zero credit “course” will allow you to use e-mail, retain graduate student library privileges, and postpone federal loan payments. You may enroll only twice.

As a degree candidate, you defend your thesis in an open, public oral examination at least 30 days before you expect to graduate. Your thesis committee conducts the exam.

You must deposit a bound copy of your thesis at the University Library in order to complete your degree. The library provides a service for binding your thesis at a nominal cost.

Transcripts

Your transcript is an official, certified copy of your academic record. It shows all the courses that you have attempted; all credits, grades, and degrees you have earned.

Transferring Graduate Credits

UWSP does not automatically accept transfer graduate credits from other institutions. You must submit a formal application for approval of such credits. While credits taken prior to admission to a graduate degree program may be considered at the discretion of the coordinator of that program, in most cases you should obtain approval for any transfer credit PRIOR to taking those courses. The graduate coordinator for each program will determine the acceptability of transfer credits using the following criteria:

- The course must be from an institution regionally accredited at the graduate level.
- You must have taken the course for graduate credit at the offering institution.
- The course must be acceptable toward fulfilling degree requirements at the institution offering the course.
- The format and number of contact minutes (minimum of 800 minutes instructional time per credit) must be at least as rigorous as those for UWSP grad courses.
- One credit per week is accepted.
- The course may not be a correspondence and/or mass media course, independent study course, or from extension divisions outside the UW System. Continuing Education Units (CEUs) are not equivalent degree credits and are not transferable.
- Acceptance of the course does not make you exceed the 9 credit transfer limit.
- A maximum of 9 credits taken with graduate special status will apply toward a degree.
- You must have earned grades of A, B, or equivalent.
- You may not transfer credit applied toward another degree that you have already obtained.

If your graduate coordinator determines that the transfer course meets these minimum criteria, she/he may:

- Accept the transfer course and have the credits apply toward your Program of Study.
- Accept the transfer course as an addition to the normal 30-credit Program of Study.
- Accept the course as either applying to your degree plan or as an addition to the degree plan, but at a reduced credit level if the course does not meet UW-System’s contact-hour-per-credit standards.

You must complete a formal application for approval of transfer credits before graduate credits from any institution other than UWSP can be considered. File the application for transfer credits with your graduate coordinator at least a month before the class begins. Your application must include (1) a copy of the catalog course description, (2) a course syllabus (if available), (3) verification that the course is a graduate course, (4) and verification that it applies to a graduate program at the institution offering the course.

After your graduate coordinator approves the transfer credit application, a copy will be sent to Registration and Records. The transfer credits will be added to your record after receiving an official transcript indicating completion of the course with at least a B (3.00). You will be notified when this is completed.

UWSP Continuing Education

Room 032 Main Building
Hours: 8:00 am–4:30 pm, Monday–Friday
Phone: 715-346-3838 or 800-898-9472
Web: http://www.uwsp.edu/conted

CPS-Continuing Education (CPS-CE)
Room 100, College of Professional Studies Building
Phone: 715-346-3801 and 715-346-4324
Web: http://www.uwsp.edu/cps/conted

Credit courses are taught by faculty at various locations throughout Central Wisconsin, as well as online and via television and video. Courses are designed to meet needs of returning adult learners who are pursuing certificates,
degrees, or other professional development while still in the workplace.

Withdrawing from Classes
When you withdraw, you terminate your complete registration for the semester. To withdraw, go to the Registration and Records Office and file a formal notice of withdrawal. If you stop attending classes and do not officially withdraw, you will be considered as still registered and receive a grade of F for each of your classes.

Financial Information
Graduate Assistantships: General Information
The Board of Regents of the University of Wisconsin System provides the financial resources for a number of graduate assistantships. In addition, several college units have extramural funds to employ graduate assistants. When you have a full-time assistantship you can plan to work half time (20 hrs per wk) for the university. If you are a nonresident student and have at least a one half full-time equivalent position, you are also eligible for out-of-state fee remissions.

To qualify for graduate assistantships, you must:
- Be admitted to a graduate degree program at UWSP.
- Be in good standing in the degree program (maintain at least a 3.0 GPA).
- For a research assistant, enroll for at least 9 graduate credits per semester or 5 during the summer. For a graduate assistant enroll for at least 4 graduate credits per semester or 3 during the summer.

We recommend that graduate assistants limit their maximum course loads to 9 credits a semester.

We award assistantships on a competitive basis through departments to students admitted to a graduate program. Departments normally screen applications in the spring for fall appointment. Contact your department graduate coordinator for the criteria used to select graduate assistants.

If you are selected for an assistantship, you will enter into a contract with the university. The contract includes a description of the position offered, stipend, and length of employment. Discuss the specific nature of your responsibilities as a graduate assistant with your immediate supervisor at the beginning of your appointment.

As a graduate assistant you are normally required to be on campus for the same work periods as faculty. You are entitled to official holidays and normal break periods between sessions. Your specific work schedule, however, is at the discretion of your immediate supervisor. This is usually your graduate coordinator or department chair if you are a graduate assistant, or your graduate adviser if you are a research assistant. Arrange your work schedule at the beginning of the semester so that it does not conflict with your class schedule. Any change in your work schedule should be negotiated BEFORE you need to make the change.

Categories of Graduate Support
With a "full" graduate assistantship you are expected to work half time. This is at least 20 hours per week in a regular session and 10 hours per week in a summer session. The remaining half time is devoted to your academic Program of Study. Therefore, we actively discourage employment in addition to the assistantship.

Graduate Assistant
As a graduate assistant you get professionally-related assignments that assist the university such as paper grading, assisting faculty in laboratory sections and/or research projects, developing materials for classroom instruction, assisting in departmental libraries, etc. Assigned duties may include gathering, organizing, and analyzing information for a department and may involve routine clerical, secretarial, or accounting procedures. However, the main thrust of the assignment is a learning experience.

The funds to support graduate assistants come directly from the university on a fiscal-year basis. Consequently your appointment is for a semester or academic year and cannot be assured for more than one academic year at a time.

As a graduate assistant you are an employee of the university, and your salary is taxable. You may be eligible for insurance benefits. Contact the Staff Benefits Office for more information.

Instructional Assistant
As an instructional assistant you will be given professionally-related instructional assignments in the classroom under the direction of a graduate faculty mentor. You are also expected to participate in an instructional training and assessment program during your assistantship appointment. The instructional assistantship is a subcategory of graduate assistantships and, therefore, your salary is taxable. You may be eligible for insurance benefits. Contact the Staff Benefits Office for more information.

Research Assistant
As a research assistant you get paid for performing certain research duties. Research assistantships are only available in graduate programs where research is required as part of the degree requirements of all students who are candidates for the same degree. The assigned duties must be directly applicable to your degree requirements. The funds for the stipend may come directly from the university or from an external sponsoring agency. Since the research is a degree requirement, the service you provide the university as a research assistant is taxable. You may be eligible for insurance benefits. Contact the Staff Benefits Office for more information.

Program/Project Assistant
Usually an external source provides funds to employ program/project assistants. Your duties as a program/project assistant are similar to those of the graduate assistant but are usually more specific and are dictated to the university by the sponsoring agency in a grant or contract. Taxability and benefits are the same as the graduate assistant.

Graduate Fellowship
A fellowship is a gift and requires no services from the recipient. The nontaxable funds come to the university from an external source, usually through a grant or contract. If you receive a fellowship, you cannot provide any service to the university or the sponsor for the funds you receive. To remain eligible for a fellowship you need to be in good academic standing in an approved academic program and participate in a prescribed Program of Study.
**Student Research Fund**
The Student Research Fund provides graduate students with funds to help defray research expenses that are required for their master's degree. If your degree program requires research or if you choose a research option in your proposal deadlines occur twice each semester. Contact the Grant Support Office (715-346-2632) for application forms. A review committee screens the grant applications and makes award recommendations.

**Fee Waivers for Out-of-State Students**
If you are a nonresident graduate student with at least a one-half full-time equivalent position for the academic year, you qualify for out-of-state fee remission. If funds are available to the university for this purpose, your college dean may grant the remission based on the description of duties in the assistantship or fellowship contract. The fee waiver is NOT automatic. You must indicate to your department that you believe you are eligible for the out-of-state fee waiver.

program, you are eligible to apply for a grant from this fund. Your graduate adviser must certify that:

- The research project is required for graduation.
- You are making satisfactory degree progress.
- The funds are necessary to complete the research.

**Other Financial Aid**
Obtain information about loans and other sources of financial aid from the Financial Aid Office. Graduate students are not eligible for U.S. government-sponsored grants such as Pell Grants. You must be making satisfactory academic progress toward your degree (described earlier in this catalog) to be eligible for financial aid.

**Part-time Employment**
We discourage part-time employment because a full academic credit load of graduate studies requires so much of your time. If you are working full time, we recommend that you register for no more than 6 credits a semester or 3 credits for an eight-week session. We especially discourage supplemental employment if you have a full-time graduate assistantship.
# Checklist for Master's Degrees and Clinical Doctorate Degree

Below is a series of chronological steps you need to complete in order to obtain a graduate degree from UW-Stevens Point. Since the requirements are different for each degree, not all the steps listed will apply to your degree plan. However, the list is provided for you to keep track of your progress as you work toward the completion of your degree requirements. Nearly all of the steps require you to fill out a printed form and get it approved before you move on to the next step.

GRADUATE PROGRAMS

Biology
Meredith Seiler, Graduate Coordinator
Room 167, Trainer Natural Resources Building
Phone: 715-346-4402
E-mail: biology@uwsp.edu OR meseiler@uwsp.edu

UW-Stevens Point offers a Master of Science in Teaching (MST) in Biology. The Department of Biology administers the program through the department chair and department graduate coordinator. The primary purpose of this program is to meet the educational needs of teachers who have already completed the teacher certification process. As a secondary school teacher, the MST-Biology program will give you the opportunity for advanced study, experimentation, research, and involvement in professional activities.

If you are interested in a Master of Science (MS) degree, examine the Master of Science in Natural Resources. Most biology faculty have joint appointments in the College of Natural Resources and can serve as major advisers for that degree. You may also consider the Master of Science in Education. A science education faculty member may serve as your adviser.

Admission to the Program
The Graduate Study section of this catalog describes admissions requirements and procedures for graduate study at UWSP. To pursue a graduate program in biology, you must:
1. Submit an application to the UWSP Admissions Office, which will forward the application to the biology graduate coordinator;
2. Have an undergraduate major or minor in biology;
3. Have a 2.75 overall undergraduate GPA;
4. Have a 3.00 undergraduate GPA in the biology major or minor; and
5. Submit an unofficial copy of your teaching license. If you don’t meet these criteria, you may appeal to the graduate coordinator and chair for acceptance on probation. Probation requires a minimum 3.0 average based on the first 9 graduate credits completed at UWSP. You may have to complete additional coursework. On formal notification of acceptance into a graduate program, you will be assigned a departmental adviser who will work with you to complete a Program of Study form in the first semester of your graduate program. The planned course of study is provisional based on course availability.

Policies
The Graduate Study section of this catalog describes all graduate requirements, but the following provisions are particularly important:
1. UWSP does not automatically accept transfer graduate credits. You must submit a formal application to the Department of Biology for approval of up to 9 credits from another accredited graduate institution; only 6 of these credits may be Extension credits.
2. The Department of Biology determines whether graduate credits taken before admission to a graduate degree program will apply toward the fulfillment of requirements of the UWSP degree program. Graduate courses taken as a special student at UWSP also fall under this provision. You may not use more than 9 graduate credits earned before graduate admission to satisfy requirements for the degree program.
3. You must complete all degree requirements, including transfer credits, within a seven-year period that is counted from the end of the term when the first degree course was taken. You may apply for an extension which necessitates the approval of the biology graduate coordinator, the dean of the college, and the Graduate Council. Time extensions are granted only for unusual health conditions, fulfillment of military obligations, or other extenuating circumstances.
4. A maximum of 6 credits earned in Biology 796 (Independent Study) may apply to a master’s degree, unless there are programmatic factors beyond the department’s or your control. The biology graduate coordinator may grant approval for exceptions.
5. With the exception of thesis credit, a grade of incomplete automatically becomes an F unless it is removed before the end of the next semester or summer session in which you are registered. For an incomplete to be granted, you and the instructor must agree on the specific requirements, including a firm date for the completion of the work and removal of the incomplete.
6. No credits with pass/fail grades will be accepted toward the degree.
7. To receive a graduate degree, you must apply for graduation in the Registration and Records Office at the beginning of the term in which you expect to receive the degree and not later than the end of the third week of a semester or first week of a summer session. Graduate degrees are conferred only in May and December. If you apply for graduation and do not complete the degree requirements, you must reapply for graduation.
8. Except for those courses in which you are currently enrolled, you must complete all degree requirements at least 20 days before the degree conferment date. If you have incomplete coursework or lack an approved thesis or other culminating experience in the Department of Biology, you will not be eligible for graduation.
9. If writing a master’s thesis, you must file two unbound copies of your thesis in the library at least 10 days before graduation. One copy of the thesis is for the library, the second is for the Department of Biology. The library will charge you a nominal fee for binding.
10. You must meet at least once per year with your graduate coordinator and/or your graduate committee.

The Program
1. You must earn and maintain at least a 3.00 GPA in the MST program.
2. At least 15 graduate credits must be in courses numbered 700 and above.
3. A culminating experience is required.
4. Coursework distribution:
   a. Major area of specialization, 21-24 credits, primarily in biology courses. Your graduate committee may approve graduate coursework from other areas (e.g. chemistry, geography, geology, mathematics, natural resources, physics). If you were admitted without a biology major, you must complete the equivalent of an
undergraduate biology major in your MST program.

b. Professional education, 6-9 credits numbered 700 and above. Especially recommended are: Education 702, 703, 705, 707, 721, 771; Natural Resources 61X series, especially 614; NRES 701.

Culminating Experience

Thesis option: For those who wish to pursue original research in an area of biology or biology teaching.

1. Upon admission to the MST program, you should meet with your graduate coordinator and indicate your selection of thesis option. At this time you should discuss your proposed thesis with your graduate coordinator who will then appoint a thesis adviser knowledgeable in your area of interest.
2. You then meet with your thesis adviser to discuss the thesis and submit a written proposal.
3. After your written proposal has been approved by your adviser and graduate coordinator, two other graduate faculty members conversant with your thesis area will be appointed by the graduate coordinator to make up your thesis committee.
4. You will then make a formal presentation to the thesis committee covering (1) a prospectus for the thesis (2) a preliminary bibliography, and (3) a summary of major problems that need to be addressed. The committee will provide you with suggestions for completing the thesis, including the number of credits for the thesis when it is satisfactorily completed.
5. Following this presentation and upon receiving the committee's approval, you should register for thesis credit in Biology 799 at the next registration period. You must enroll for at least 2 but no more than 6 thesis credits.
6. Establish a schedule and submit drafts of portions of your thesis to your thesis committee for suggestions and critique. Consult regularly with your committee throughout the writing of your thesis.
7. At least 10 weeks before you intend to graduate (four weeks in summer session), submit the completed thesis to your committee for final evaluation. The committee will meet with you in an open forum to discuss the thesis, including any recommendations for revision. This will constitute the oral examination for the graduate degree.
8. Upon acceptance of your thesis and at least 10 days before graduation, the required copies of your thesis bearing the signature of the thesis committee will be forwarded to the Biology Department.

Comprehensive examination option: written and oral.

1. Inform your graduate coordinator that you are selecting this option. Your examining committee will consist of your graduate adviser plus two members of the graduate faculty.
2. The examination will take place during the term in which you will complete the degree requirements. Early in that term or in the prior term you and committee will meet to discuss the range of coverage for the examination.

Portfolio and examination option: For those who have been and are actively involved in writing for publication and/or actively participating in professional activities.

1. Submit the following to your graduate coordinator who will then select a three-member committee to review your proposal. (The proposal and materials will be evaluated for their significance, originality, scholarship, and contribution to the profession.)
   a. Rationale: Write a brief (500 words) justification for your decision to select the portfolio option. Include a statement of how many credits of portfolio you wish to include toward the graduate degree.
   b. Summary of work to date: List all appropriate publications and professional activities you have completed. Include copies of publications, manuscripts accepted for publication and other supporting materials.
   c. Award and honors: List any recent awards or honors that indicate achievement in writing or other professional accomplishments.
   d. Timetable for completion: Provide specific dates for completion of works-in-progress and submission of your completed portfolio. The completed portfolio must be submitted to the committee at least 10 weeks (four weeks in summer session) before the date you intend to graduate.
2. You must also complete a written examination during the term in which you will complete the degree requirements. Early in that term or in the prior term you and committee will meet to discuss the range of coverage for the examination. The examining committee will consist of your graduate adviser plus two members of the graduate faculty.

Communication

Chris Sadler, Graduate Coordinator
Room 312, Communication Arts Center
Phone: 715-346-3898
E-mail: csadler@uwsp.edu
Web: http://www.uwsp.edu/comm/grad

In the Division of Communication you may work toward the Master of Arts (MA) in Communication degree specializing in organizational communication, interpersonal communication, public relations, and mass communication. Many students elect to take most of their coursework in one area and one or two courses in an adjunct area. Some will achieve a blend between areas, depending upon how they define an area of concentration. Working with your adviser, you define a plan of study best suited to your career goals.

Although a full-time student can complete this program in two years, many plan a two to five year part-time program. You must earn a minimum of 30 graduate credits, plus one credit for colloquium, but many students finish with more than 31 credits.

Admission to the Program

To be admitted to the Master of Arts in Communication program you need to:

1. Complete a baccalaureate degree from an accredited institution.
2. Submit undergraduate transcripts with GPAs.
3. Submit results of the Graduate Record Examination. (You may appeal to the graduate coordinator for an exception.)
4. Submit a statement of purpose which explains what role the completed degree will play in your future.
5. Submit a 5-7 page sample of your writing ability.
6. Write a brief analytical/critical response to a common essay provided to all applicants.
7. Provide two letters of recommendation that address the likelihood of your success in a graduate program.
8. Document relevant work experience that you want the admissions committee to consider.
9. International student applicants must also present a document relevant work experience that you want the admissions committee to consider.

**Additional Information**

1. You will be admitted to the graduate program in communication on a probationary basis.
2. Full-time students are admitted in the fall only.
3. Required:
   a. Take at least 15 credits of 700 level courses (no more than 3 credits may be independent study).
   b. Take Comm 701 and 702 plus at least two additional graduate level communication seminars.
   c. As part of your colloquium, give a presentation based on your thesis or project.
4. After you are admitted to the program you have seven years to complete your degree. It is your responsibility to be aware of this timeline and to complete the degree within the allotted time.
5. Be aware that after you have been admitted into the program you may still be asked to do remedial work if your undergraduate transcript indicates insufficient preparation for master’s level communication courses.

**Admission to Candidacy**

You provide supporting materials (papers, exams, recommendations, etc.) based on your first 6 credits of work. The graduate program committee reviews these materials to decide your continuing status:

1. MA candidate: If your work is acceptable, the committee grants you candidacy and clearance to establish an advisory committee and obtain approval of your Program of Study.
2. Conditional candidate: If your work shows promise, the committee will grant you conditional candidacy and will re-evaluate your status once you have completed their recommendations.
3. Graduate Special student: If your graduate-level work is unacceptable, you are eligible to take courses but may not continue in the graduate degree program. You may appeal this status by writing to the graduate coordinator and graduate program committee or apply to another program.

**Typical Timeline**

After completing 6-9 credits meet with the graduate coordinator to establish a tentative plan of study which outlines the courses you intend to take and establishes a thesis/project committee. While the official plan of study is not completed until you form your graduate committee, it is important to discuss your plans with the graduate coordinator to ensure that you are making adequate progress toward completing your degree.

After you complete approximately 18 credits you should formally complete your plan of study and select a graduate committee to direct your thesis or project. You choose the members of your graduate committee that consists of a chair and two readers who all must have graduate faculty status at UWSP. The most important member on this committee is the chair, the person you will be working with while completing your thesis or project.

**Program Planning**

You may choose one of two options:

Option 1—Thesis: 24 credits of coursework, plus 6 credits for thesis, and one colloquium credit. This option allows you to conduct a research project (approx 100-150 pages) that can help you prepare for entering a PhD program or complete a more detailed and/or theoretical examination of a topic of interest. After you have completed at least 15 credits, the advisory committee approves the selection of a thesis topic, rationale, and method to be used for the study. When the advisory committee approves your thesis project proposal, you must enroll in one or more hours of thesis or project credit to maintain your status as an MA candidate. We count no more than 6 thesis credits toward your 31 credit degree requirement.

Option 2—Project: 27 credits of coursework, plus 3 credits for project, and one colloquium credit. This option allows you to conduct a study (approx 50 pages) of a work situation, write about and direct a production, or examine a topic of interest from a more applied perspective. After you have completed at least 15 credits, the advisory committee approves the selection of your project topic, rationale, and method to be used for conducting the project. When the advisory committee approves your project proposal, you must enroll in one or more hours of project credit to maintain your status as an MA candidate. We count no more than 3 project credits towards your 31 credit degree requirement.

**Process for Completing the Thesis/Project**

1. With the chair of your committee, write a prospectus (a proposal of 20-30 pages) that outlines the thesis/project topic and the methods you will use to conduct the study. After the remaining committee members have read your prospectus, you must orally defend it to your committee.
2. After approval of the prospectus, conduct your study and write the thesis or project. Once you and your chair feel the written thesis/project is ready, have the remaining committee members read it and set a date to orally defend the thesis/project to the committee.
3. Make any final revisions that are required by the committee. Arrange with the library to have at least four hardbound copies made. After receiving your bound copy, the library certifies that your thesis/project is complete. The graduate coordinator and registrar then conduct a final audit of your work before approving you for graduation.

**Communicative Disorders**

Julia King, Coordinator of Graduate Programs
Room 0034, College of Professional Studies Building
Phone: 715-346-4657
E-mail: commdis@uwsp.edu OR Julia.King@uwsp.edu
Web: http://www.uwsp.edu/commd

The School of Communicative Disorders (SCD) offers a master’s of science degree in speech-language pathology. You will receive the academic background and clinical practicum experience required to function competently.
and independently in a variety of professional employment settings. This program is accredited by the Council on Academic Accreditation in Audiology and Speech-Language Pathology (CAA) of the American Speech-Language Hearing Association (ASHA). For more information, see http://www.uwsp.edu/commd.

The UW-Stevens Point School of Communicative Disorders has developed a joint clinical doctorate in audiology (Au.D.) program with the UW-Madison Department of Communicative Disorders. Our universities have merged their resources to provide a unique professional doctorate program. The joint doctoral program in audiology at UW-Madison and UW-Stevens Point is accredited by the CAA of ASHA. For more information see http://www.aud.wisc.edu.

The faculty and staff in the SCD provide you with a high quality education that emphasizes training in the prevention, evaluation, and treatment of disorders of hearing, speech, language, and swallowing. Graduates are employed throughout the country in schools, universities, hospitals, skilled nursing facilities, and private/public clinics.

Clinical training begins at the undergraduate level and culminates with a full-time clinical externship at the end of the graduate program. In consultation with the director of Clinical Services, you will select a site for your externship. If you are in the audiology program, you will complete a full-time clinical externship during the entire fourth year of study. In the speech-language pathology program, you will complete a full-time 15-20 week externship in a school, health care facility, or clinic setting during the final semester of your program.

Admission to the Program

Contact the coordinator of graduate programs for specific information about the application process for both the speech-language pathology and audiology programs. For both programs you will need the following to be considered for admission:

1. A completed application for admission to the program,
2. A statement of professional intentions (i.e., interest and goals),
3. Three letters of recommendation,
4. GRE scores,
5. A completed practicum and work experience form,
6. A completed undergraduate major in communicative disorders or equivalent coursework.

Applications for graduate school are due in January for the next fall semester. For forms and specific deadlines, go to http://www.uwsp.edu/commd for speech-language pathology and http://www.aud.wisc.edu for audiology.

Admission to Candidacy

You must complete at least 9 credits of graduate work with a GPA of 3.00 (B). See the Graduate Handbook in Speech-Language Pathology or the University of Wisconsin Professional Doctor of Audiology (Au.D.) Degree Student Handbook for details regarding candidacy.

Specializations

In either specialization you must meet minimum standards for clinical certification as established by the American Speech-Language-Hearing Association that are in effect at the time you graduate.

Culminating Experience

In speech-language pathology, you must take a comprehensive examination the semester before you begin a 15-credit clinical semester. In the clinical semester, you are assigned full time for one academic term to a hospital, clinic, school, etc. to gain professional experience in the type of setting that most interests you. You may complete a thesis in lieu of taking comprehensive examinations as a culminating experience. The thesis must be completed prior to graduation.

In audiology you will culminate your graduate program with a capstone project during the third year and a full-time, clinical externship during the entire fourth year.

Education

School of Education Graduate Advising Office
Patricia Caro, Director of Graduate Studies for the School of Education
Room 438, College of Professional Studies Building
Phone: 715-346-4403 or 3248; Fax 715-346-4846
E-mail: pcaro@uwsp.edu OR educgradadv@uwsp.edu
Web: http://www.uwsp.edu/education/graduate

The School of Education offers the following graduate programs:
- Master of Science in Education- Elementary Education (MSE), for certified teachers.
- Master of Science in Education- General, for certified elementary or secondary teachers with two or more years' full-time teaching experience.
- Master of Science in Teaching. See more information in the biology, English, and history sections of these graduate pages.

You may also work toward:
- Master of Science in Education: Educational Administration OR Specialist in Education: Educational Administration, offered in cooperation with UW-Superior.

Resources

School of Education (SOE) Graduate Advising Office

- Registration information
- Requests for official transcripts
- Application for graduation
MSE–Elementary Education

Admission to the Program

1. Submit an application to pursue graduate study at UW-Stevens Point to the Admissions Office.
   a. Be aware that you must make your initial application to the Admissions Office before you can be admitted to MSE–Elementary Education program.
   b. We recommend that you apply no later than mid-semester of the semester before you want to be admitted.
   c. The UWSP Admissions Office processes your application and notifies you when your materials are being forwarded to SOE Graduate Advising. Your application will then be reviewed by Graduate Advising for admission to the “program.”
2. Submit official transcripts for undergraduate and any additional coursework listed on your application.
3. Send a copy of your teaching license to SOE Graduate Advising.
4. Have an undergraduate grade point average of 3.00 or higher. If your GPA is less, you may be admitted on probation, but will then need to establish a minimum 3.00 GPA on your first 9 resident graduate credits at UWSP to be fully admitted.
5. Complete no more than 9 credits of graduate work. You may apply earlier, but you should be admitted to the program and meet with your adviser before you have completed 9 graduate credits.

Admission to Candidacy

Admission to candidacy (program planning) does not occur until after you have applied to pursue graduate study at UWSP through the Admissions Office and been admitted to your elected program through SOE Graduate Advising. Once you are admitted you will receive a UWSP catalog, “working copy” form, planning guide sheet to use as you prepare your proposed plan of study, and be assigned an adviser.

To be accepted as a candidate:
1. Remove any academic deficiencies and/or complete all subject matter prerequisites.
2. Maintain at least a 3.0 (B) grade point average in all your graduate work.
3. Because you may include no more than 9 completed graduate credits in your official Program of Study, submit your proposed plan of study and rationale statement BEFORE you complete 9 graduate credits.
4. Receive approval from your graduate adviser for your Program of Study.

The Program

Earn 30 credits in graduate courses:
1. Professional education: 9 credits that include foundations, curriculum, and research courses. (Educ 782 may substitute for Educ 707 only with adviser approval prior to enrollment.)
2. Liberal arts: 6-9 credits outside education (courses without the EDUC prefix).
3. Area of specialization: of remaining education credits, at least 3 must be instructional methods, supervision and instruction, reading, foundations, etc. Advisers may approve exceptions for 500 level courses.
4. Fifteen credits must be at the 700 level.
5. Educ 758, 761, 771, 772 are pass/fail. Only these courses may be applied to the master’s program.

Culminating Experience

Complete one of these two options:
Thesis Option: Write a thesis and a comprehensive examination covering the liberal arts area of your program.
Nonthesis Option: Take Educ 707 or 782 and write a comprehensive examination. You must have at least 24 credits completed toward your Program of Study including the required component area coursework before you can register to write your exam. The graduate exam will include foundations, liberal arts, and 6 additional credits in your area of study. You may not write on practicum, independent study, or research work. Register for the exam one semester before you plan to take it. To register and for more information, contact Graduate Advising 715-346-4403.

Exit Interview (graduation credit check)

You must complete an exit interview one semester before the semester in which you plan to graduate. This interview generates a credit check on your progress and requirements and provides a one-semester “cushion” to cover discrepancies. You will receive a graduation application at the interview and you apply for graduation after the interview.

Deadlines: Decide on the term in which you anticipate receiving your diploma. Schedule your credit check; sign up for exams and apply for graduation by the month indicated.
   • Apply by August for December diploma and ceremony.
   • Apply by December for May diploma and ceremony.
   • Apply by December for August diploma. There is no ceremony in August; however, you may request to participate in the May or the December ceremony.

MSE-General

The MSE-General is for licensed teachers with at least two years full-time elementary or secondary teaching experience. Substitute teaching will be considered for this requirement, but student teaching and interning will not. The program allows you to design a Program of Study that meets your specific needs. You may incorporate credits from several disciplines into the 30 required graduate credits provided you can verify a professional need for them.
Admission to the Program
Follow steps 1-5 as listed for MSE-Elementary Education above. In addition, you will need to:
6. Have an employing official provide a letter certifying that you have two or more years of full-time teaching experience. For substitute teaching, have an employing official provide a letter documenting the number of days of substitute teaching with less than five hours a day and number of days with five or more hours/day.
7. Have an employing official provide a letter of reference.

Options for MSE-General
Elect ONE of the following three options:
- Option A, professional and subject matter content: Requires a minimum of 6 credits outside education, i.e., courses without an EDUC prefix
- Option B, specialization or certification: Minimum of 18 credits leading to a state certificate or credits in a specialty area such as reading teacher (316), reading specialist (317), any of the special education certifications, gifted/talented certification, reading, early childhood education certification, English as a second language (ESL), adapted physical education, family and consumer science, health education, or a block of courses designed for initial or advanced graduate work by School of Education as part of your master’s degree.
- Option C, content specializations outside the School of Education: 21 credits from outside education, i.e., courses without an EDUC prefix

Secondary candidates will pursue this option. Note: Educ 758, 761, 771, 772 are pass/fail. Only these courses may be applied to the master’s program.

Graduate Advising prior to enrollment in the new class. Contact SOE Graduate Advising for more information.

Culminating Experience
Complete one of the following options:
Thesis Option: Write a thesis and a comprehensive examination covering liberal arts.
Nonthesis Option: Enroll in either Educ 707 or 782 (as approved by your adviser) and complete a comprehensive examination covering 12 credits from your Program of Study that includes required foundations, curriculum components, and an additional 6 credits from Area 2 of your Program of Study. You may not write on practicum, independent study, or research work. You must have at least 24 credits completed toward your Program of Study, including the required component area coursework, before you can register to write your exam. Register for the exam one semester before you plan to take it. For more information, contact SOE Graduate Advising, 715-346-4403.

Exit Interview (graduation credit check)
Same as MSE-Elementary Education above.

Graduate Certification Programs
The School of Education offers graduate certification programs in:
1. Exceptional Education
   a. Early Childhood Special Education
   b. Emotional/Behavioral Disabilities
   c. Learning Disabilities
   d. Cognitive Disabilities
   e. Gifted/Talented Education
   f. Multicategorical Special Education
2. Reading
   a. Reading teacher (316)
   b. Reading specialist (317)
3. English as a Second Language (ESL)
4. Early Childhood Education

You may complete these certifications as specializations in the MSE (General) degree via Option B or by enrolling as a graduate special student and pursuing certification only. Forward a letter of intent to SOE Graduate Advising indicating which certification you wish to pursue. A file will be established for you and an adviser assigned. Curriculum requirements for each certification are described below.

NOTE: If you are pursuing graduate level certification, you must DECIDE EARLY whether to incorporate credits for certification as part of the MSE-General degree. You may obtain a master’s degree which incorporates certification by taking a course in each of the required component areas (foundations, curriculum, and research). You can have no more than 9 completed graduate credits at the time your official Program of Study for master’s degree is approved.

The certification program plan is NOT the same as the master’s Program of Study. The certification program plan outlines coursework required for certification only. The master’s program plan outlines coursework required for awarding the master’s degree. In some cases, coursework will apply to both programs. Certification candidates, therefore, will have two program plans on file: one leading to certification and another leading to awarding the master’s degree. It is conceivable that a candidate may complete requirements for one program plan prior to completing requirements for the other program plan.
To receive certification, fulfill these requirements:

1. Professional education: Complete a bachelor’s degree in elementary or secondary education, including these required courses: Educ 309 or 386; Educ 351, 381, 383, 398; methods courses for instructional areas; and Psychology 260 or HD 261.

3. Areas of specialization: Complete these courses, with emphasis in mild-moderate cognitive disabilities: Educ 564, 569, 781.

**NOTE:** You must have a Wisconsin teaching license. Your Gifted/Talented license will be issued at the same level as your initial teaching license.

To receive certification, fulfill these requirements:

1. Professional preparation: Complete your bachelor’s degree in elementary or secondary education, including these required courses: Educ 309 or 386; Educ 351, 381, 383, 398; methods courses for instructional areas; and Psychology 260 or HD 261.

3. Areas of specialization: Complete these courses, with an emphasis in mild-moderate cognitive disabilities: Educ 564, 569, 781.

**Multicategorical Special Education Graduate Certification Program**

This is a fast-track preparation program for teachers who are already certified in regular or special education and are provisionally certified in a category of special education. It consists of two consecutive 9-10 credit summer institutes and 5 credits over the regular school year. Check with SOE Graduate Advising for availability of this program.

Before you begin any coursework, you must develop a Certification Outline with your major professor. It will designate the content areas you will study for the certification you are seeking. Depending on your background and assessment of competencies, you could take some of the courses for variable credit (to be determined by your adviser). This will allow you to either specialize in one area or obtain equal coursework in each area.

**Entrance qualifications for multi-categorical special ed are:**

1. Be a certified teacher.
2. Be admitted to Graduate Studies.
3. Be provisionally certified in an area of special ed.
4. Have a minimum of 3 credits (Educ 351/551).
5. Commitment to two consecutive summer programs for 9-12 credits each.

**Course of study is:**

1. Summer I: 9 credits from Educ 556, 564, 568.
2. Semester I: Educ 781.

**Multicategorical Special Education Graduate Certification Program**

You may complete these certifications as specializations in the MSE-General degree via Option B or by enrolling as a graduate special student and pursuing certification only.

Contact SOE Graduate Advising, 715-346-4403 for further information.

### Graduate Certification Programs in Exceptional Education

**Early Childhood Special Education**

To receive certification, fulfill these requirements:

1. Professional preparation: Complete a bachelor’s degree in early childhood ed, including required courses: ECED 564 (Curriculum and Methods for Young Children), Educ 398; and Psych 260 or HD 261.

**NOTE:** If you are certified in related service fields such as physical therapy, speech/languge pathology with a master’s degree, etc., but do not have a prior degree with a focus in early childhood special education needs in order to augment your skills in working with this population. This avenue will NOT lead to teacher certification unless you elect to take the courses that lead to that certification.

**Emotional/Behavioral Disabilities**

To receive certification, fulfill these requirements:

1. Professional preparation:
   a. Complete your bachelor’s degree in elementary or secondary ed, including required courses: Educ 309 or 386; Educ 351, 381, 383, 398; methods courses for instructional areas; and Psychology 260 or HD 261.
   b. If you are certified in other areas of special education, complete these professional education courses: Educ 309 or 386; Educ 351, 381, 383, 398; methods courses in regular curriculum; Psychology 260; or equivalent graduate level courses.

2. General exceptional education: Communicative Disorders 567; Educ 556, 568, 704, 778.

3. Area of specialization: Complete these, with emphasis in emotional disabilities: Educ 564, 569, 781.

**Learning Disabilities**

To receive certification, fulfill these requirements:

1. Professional preparation:
   a. Complete your bachelor’s degree in elementary or secondary ed, including required courses: Educ 309 or 386; Educ 351, 381, 383, 398; methods courses for instructional areas; and Psychology 260 or HD 261.
   b. If you are certified in other areas of special education, complete these professional education courses: Educ 309 or 386; Educ 351, 381, 383, 398; methods courses in regular curriculum; Psychology 260; or equivalent graduate level courses.

2. General exceptional education: Communicative Disorders 567; Educ 556, 568, 704, 778.

3. Areas of specialization: Complete these courses, with emphasis in learning disabilities: Educ 564, 569, 747, 781.

**Cognitive Disabilities**

To receive certification, fulfill these requirements:

1. Professional preparation:
   a. Complete your bachelor’s degree in elementary or secondary education, including these required courses: Educ 309 or 386; Educ 351, 381, and 383 and 398; methods courses for your instructional areas; and Psychology 260 or HD 261.
   b. If you are certified in other areas of special education, complete these professional education courses: Educ 309 or 386; Educ 351, 381, 383, 398; methods courses in regular curriculum; Psychology 260; or equivalent graduate courses.

2. General exceptional education: Complete

3. Areas of specialization: Complete these courses, with an emphasis in mild-moderate cognitive disabilities: Educ 564, 569, 781.

**Gifted/Talented Education**

This is an add-on certification program offered jointly by UW-Stevens Point and UW-Whitewater.

**NOTE:** You must have a Wisconsin teaching license. Your Gifted/Talented license will be issued at the same level as your initial teaching license.
3. Semester II: Communicative Disorders 567 or 797 (normal language and language disorders).
4. Summer II: 12 credits from Educ 569, 704, 747, 778.

Graduate Certification Programs in Reading
You may complete these certifications as specializations in the MSE-General degree via Option B or by enrolling as a graduate special student and pursuing certification only.

Reading Teacher (316) Certification
NOTE: You must have two years of successful regular classroom teaching experience in addition to the coursework for certification.

To receive certification you must earn 9 prerequisite credits (6 from Area A and 3 from Area B) as described below. You can take them at the graduate or undergraduate level, but if you are applying the credits to a master's degree, they must be at the graduate level. Before you take Educ 741 you must take Educ 309, 310, 386/586, or English 381/581 (for English majors). In addition, you need 13 credits from Area C below.
1. Area A, 6 credits, one course from each group.
   a. Elementary: Educ 309 or 310.
2. Area B, 3 credits from Educ 327/527, 383/583, 706, English 275, 375/575.
   NOTE: Area C courses must be earned within a seven-year period (starting with the beginning of the term the course was approved for your Program of Study).

Reading Specialist (317) Certification
NOTE: You must have three years of successful regular classroom teaching experience in addition to the coursework for certification.

Meet the following requirements:
1. Complete a master's degree in an education field.
2. Meet the requirements for reading teacher (316) certification as described above.
3. Complete Educ 328/528, 749, 750, 751. NOTE: Courses for reading specialist 317 license must be earned within a seven-year period (starting with the beginning of the term the course was approved for your Program of Study).

Early Childhood Education Add-On
To receive certification, fulfill these requirements:
1. Professional Preparation: Complete a bachelor's degree and/or certification program with a major in Elementary Education including Education 398; and Psych 260 or HD 261 or 265.
2. Complete ECED 564 and 564 Project, 566, 660 and 660 Project; HD 563, 564 and 565.
3. Student Teaching in Pre-Kindergarten/Kindergarten: Educ 398/598 or 781.
4. Passing scores on the state required content test are required for certification.

MSE: Educational Administration or Specialist in Education: Educational Administration
These programs are offered in cooperation with UW-Superior. For more information, contact SOE Graduate Advising, 715-346-4403.

English
Michael Williams, Graduate coordinator 
Room 486, Collins Classroom Center 
Phone: 715-346-4757 
E-mail: m2willia@uwsp.edu

In the English Department you may work toward the Master of Science in Teaching--English or the Master of Science in Teaching--Reading Certification in English. If you seek to teach English or reading, you can gain advanced knowledge and training through these programs.

Admission to the Program
To be accepted into the MST program you must have a bachelor's degree with an English major. If you have less than this, the graduate coordinator may grant you provisional acceptance.

Admission to Candidacy
To be admitted to candidacy, successfully complete 9 graduate credits with at least a B (3.0) average.

The Program
Take at least half of your English credits at the 700 level.
1. Master of Science in Teaching--English
   a. Complete 18-24 credits in English courses selected with graduate coordinator approval.
   b. Complete 6-9 credits in education courses.
   c. With graduate coordinator approval, you may substitute 3 graduate credits in another liberal arts area for 3 credits in English.
2. Master of Science in Teaching--Reading Certification in English
   a. Complete 15-18 credits in reading courses (up to 6 at undergraduate level) including: Educ 746, 747, 748; other courses approved by graduate coordinator to total 15-18 credits.
   b. Complete 18-21 credits selected with graduate coordinator approval.

Culminating Experience
Before you complete 21 credits, select one of the four options below and notify the department chair.
1. Portfolio of papers, publications, and professional presentations submitted to and approved by a committee of graduate faculty appointed by the department chair, 2-4 credits.
2. Project that is an outgrowth of English 712, 755, or 781, 1 credit.
3. Thesis in literature or some aspect of teaching English, 2-6 credits.
4. Written comprehensive examination based on two areas of specialization from your English coursework.
**History**

Edgar W. Francis IV, Graduate Coordinator  
Room 463, Collins Classroom Center  
Phone: 715-346-3289  
E-mail: history@uwsp.edu or efrancis@uwsp.edu

You may earn a Master of Science in Teaching in History or in History with a concentration in the Social Sciences. You may also earn a Master of Science in Education-GS, a general degree with a History concentration. In these programs, you study specific historical periods or topics, acquire new information, learn the latest interpretations, and evaluate the latest methods of teaching the subject.

**Admission to the Program**

Minimum requirements for admission to MST program are:

1. Application to Graduate Study.
2. A 3.00 GPA in your undergraduate major.
3. A 2.75 cumulative GPA in your undergraduate work.
4. A 3.25 cumulative GPA in 30 credits of graduate work.
5. If you do NOT meet all these criteria, you may appeal to the History Department Graduate Committee for acceptance on probation.
6. Complete a Program of Study form in consultation with your adviser, during the first semester you are in the graduate program.

**Admission to Candidacy**

After you have completed 12-15 credits of graduate work, have an evaluation meeting with your adviser. At that meeting, discuss your program, progress, and potential for success in completing your degree.

**The Program**

In consultation with your adviser, plan a program that best meets your professional needs. If you wish, you may specialize in a specific field of history.

1. MST in History. To earn your degree:
   a. Achieve 3.25 GPA in 30 credits of graduate work.
   b. Earn at least 12 credits of history and at least 12 of them at UW-Stevens Point.
   c. Complete History 701, 716, 756 or 776. Do not specialize in any one area (e.g., American, European, or non-Western); earn at least 9 of these credits in courses numbered 700 and above and at least 6 of them at UWSP.
   d. Earn 6-9 credits in 700 level education courses.
2. MST in History with Social Science Concentration. To earn your degree:
   a. Achieve 3.25 GPA in 30 credits of graduate work.
   b. Earn 12 credits in history, at least 9 in courses numbered 700 and above.
   c. Earn 12 credits, with your adviser’s approval, in one or more of the social sciences.
   d. Complete History 701, 716, 756, or 776.
   e. Earn 6 credits in 700 level education courses.
3. MSE (General) with History concentration. For full information on this degree, see the section in this chapter on Education. As part of the 21 credits toward this degree in your area of subject content or specialization, you may take history credits under the academic option. Under the bachelor of arts option, you may take up to 21 credits in history.

After consulting with your education and history advisers, you determine your Program of Study in your area of specialization. If you wish to make exceptions to these history requirements, the history chair, graduate committee, and graduate program coordinator must approve them.

**Culminating Experience**

The Thesis Option. If you choose to write the thesis, select a topic in consultation with your adviser and inform the graduate coordinator. After you submit the completed thesis, take an oral examination on it conducted by your thesis adviser and two other members of your department chosen by your adviser in consultation with you. Your adviser and one other member of your committee must approve both your thesis and your responses. You must also take a written comprehensive examination consisting of one question in education. For further information on the thesis, contact the History Department Office.

Research Paper/Comprehensive Exam Option. If you choose to submit a research paper, you must also take a written comprehensive examination in history and education. If your degree is in history, you must display thorough factual and bibliographical knowledge of at least one area of history. If your degree is in history with a social science concentration, you must display the same knowledge of one area of history and one social science. In addition, you must write two comprehensive questions for the component of the MST in the School of Education.

Portfolio Option. The third option for the culminating experience consists of the creation of a professional portfolio compiled under the supervision of a committee chaired by one department member whom you select, the graduate coordinator, and a third member of the department. The portfolio will consist of three parts:

1. A resume and a statement of your teaching philosophy.
2. Academic materials (exams, papers, book reviews, etc.) produced in your graduate history courses.
3. A detailed course proposal and sample of accompanying materials (i.e., lectures, in-class exercises, and homework assignments) that emerge out of your graduate coursework in history.

In addition, you must write two comprehensive questions for the component of the MST in the School of Education.

**Resources**

In the government publications division of the Learning Resources Center you will find a rich collection of public documents on international and national as well as state and local topics. As an Area Research Center, the LRC collects U.S. government publications and Wisconsin government publications. It also has a growing collection of public documents and private papers. With these materials, you may research such areas as 20th century diplomatic and military history, English history, 18th and 19th century United States history, and American Indian history.
Human and Community Resources and Nutritional Sciences

Jasia Steinmetz, Graduate Coordinator in HPHD Room 202, College of Professional Studies Building Phone: 715-346-4087
E-mail: hphd@uwsp.edu OR jsteinme@uwsp.edu
Web: http://www.uwsp.edu/hphd/sites/Graduate_Programs/%20mastersDegrees.shtm

Abbreviations
FCS = Family and Consumer Sciences
FN = Food and Nutrition
HCR = Human and Community Resources
HD = Human Development
HP/W = Health Promotion/Wellness

You may earn the MS degree in Human and Community Resources or the MS degree in Nutritional Sciences. In both programs you have an opportunity for graduate teaching and research assistantships as well as for in-depth community practitioner experiences.

Human and Community Resources
The MS degree in Human and Community Resources is designed to broaden your abilities in leadership, critical thinking and wellness in individual, family and community settings. Program electives are designed according to your professional needs and career goals.

Admission to the Program
For Human and Community Resources you need:
1. A baccalaureate degree from an accredited university or college with an undergraduate grade point average of 2.75 or above (based on a 4.0 scale). We may grant probationary status if you have a GPA below 2.75.
2. A current resume or curriculum vitae detailing your professional experience.
3. A letter of intent detailing your background qualifications, career goals, and how this program fits into your future professional plans. Professional writing ability will be evaluated based on your submitted documents.
4. GRE (Graduate Record Exam).

Admission to Candidacy
Admission to candidacy (program planning) does not occur until after you have applied and are accepted into the Human and Community Resources graduate program at UWSP. Once admitted, you will consult with your adviser to prepare a proposed program of study. Acceptance as a candidate occurs when your graduate committee has approved your Program of Study.

To be accepted as a candidate:
1. Complete no more than 9 credits of graduate work from UWSP. Transfer credits may apply toward completion of your degree, but they are not included in consideration for admission to candidacy. You may apply earlier, but you should be admitted to the program and meet with your adviser before you have completed 9 graduate credits.
2. Remove any academic deficiencies and/or complete all subject matter prerequisites.
3. Maintain at least a 3.0 (B) grade point average in all your graduate work.
4. Receive approval for your Program of Study.

The Program
1. The Master of Science in Human and Community Resources requires a minimum of 30 credits. The 15 credit core courses are required and the remaining electives are determined by your professional interests and the culminating experience you choose.
3. Electives, 9-15 credits. These are determined based on the discussion between you and your adviser with your professional needs and interests considered in the context of available course. Your culminating experience influences your elective credit load.
4. Choose one option as your culminating experience:
   a. Thesis: HCR 799, 1-6 credits. For those interested in conducting qualitative or quantitative research. Choose a topic in an area similar to the interests of one of the faculty. Requires at least 30 graduate level credits, including 6 thesis credits. Requires oral research proposal, written thesis and oral final defense. Students may repeat enrollment in HCR 799 each semester in which they are involved in their thesis, until the 6 credit requirement is completed.
   b. Project: HCR 798, 1-6 credits. Develop and implement a project designed to accommodate a current community, employment or career need. Requires 30 graduate level credits, including 6 project credits. Requires written description of project proposal and oral defense. Students may repeat enrollment in HCR 798 each semester in which they are involved in their thesis, until the 6 credit requirement is completed.
   c. Comprehensive Examination: Requires 30 graduate level credits and an examination as the culminating experience. The four-hour exam consists of 3 essay questions from courses in your program of study. Requires a passing score on each exam question.

Nutritional Sciences
The MS degree in Nutritional Sciences is designed to broaden leadership and critical thinking abilities in community nutrition and sustainability. It addresses the needs of students and professionals who wish to or currently work in public health, community development, and food systems. Elective courses enable students to tailor their studies according to individual needs and career goals.

Admission to the Program
For Nutritional Sciences you need:
1. A baccalaureate degree from an accredited university or college and an undergraduate grade point average of 2.75 or above (based on a 4.0 scale). We may grant probationary status if you have a GPA below 2.75.
2. A current resume or curriculum vitae.
3. A letter of intent detailing your background qualifications, career goals, and how this program fits into your future professional plans.
4. GRE (Graduate Record Exam).
Admission to Candidacy

Admission to candidacy (program planning) does not occur until after you have applied and are accepted into the Nutritional Sciences graduate program at UWSP. Once admitted, you will consult with your adviser to prepare a proposed program of study. Acceptance as a candidate occurs when your graduate adviser has approved your Program of Study.

To be accepted as a candidate:
1. Complete no more than 9 credits of graduate work from UWSP. Transfer credits may apply toward completion of your degree, but they are not included in consideration for admission to candidacy. You may apply earlier, but you should be admitted to the program and meet with your adviser before you have completed 9 graduate credits.
2. Remove any academic deficiencies and/or complete all subject matter prerequisites.
3. Maintain at least a 3.0 (B) grade point average in all your graduate work.
4. Receive approval for your Program of Study.

The Program

2. Required foundation knowledge: If you enter the program with deficits in fundamental nutrition knowledge you will be required to fulfill the following coursework (at UWSP or equivalent courses elsewhere) IN ADDITION to the 30 credits of graduate coursework: FN 253 and FN 373.
3. Electives to meet your specific needs and goals: 6 credits with thesis option; 12 credits with culminating exam option.
4. Choose one:
   a. Culminating exam option: Requires 30 graduate credits, including 12 credits of elective courses and an examination as the culminating experience. The four-hour exam consists of three essay questions from courses in your program of study. Requires passing score on each exam question.
   b. Thesis option: FN 799, 1-6 credits. For those interested in developing hypothesis testing, data collection, analysis, and interpretation skills while engaging in nutrition-related research. Choose a topic in an area similar to the interests of one of the faculty, or in an area of personal interest. Requires 30 graduate credits, including 6 thesis credits. Requires research proposal presentation, written thesis, and oral comprehensive exam including defense of thesis. Students may repeat enrollment in FN 799 each semester in which they are involved in their thesis, until the 6 credit requirement is completed.
   c. Project option: FN 798, 1-6 credits. For those employed in a nutrition-related field to develop and implement a program in their current target population. Requires 30 graduate credits including three project-related credits. Requires project proposal presentation, written project report, and oral comprehensive exam. Students may repeat enrollment in FN 798 each semester in which they are involved in their thesis, until the 6 credit requirement is completed.

Music

Julie Hobbs, Graduate coordinator
Room 307, Noel Fine Arts Center
Phone: 715-346-2538
E-mail: jhobbs@uwsp.edu OR music@uwsp.edu

In the Music Department you may work toward the Master of Music Education degree with an emphasis in elementary/secondary education, Suzuki talent education, or studio pedagogy. In this program, you prepare for classroom, performance, and administrative responsibilities as a member of the music teaching discipline. You improve your competency in music philosophy, methodology, literature, and applied musical experiences while learning of the most recent trends and innovations in music education. Please note that this program does not lead to teacher certification.

A wide range of activities are available to enhance your abilities as a music educator. Seminars and methods courses illuminate practical and philosophical issues in music education. In the Suzuki talent education curriculum, you participate in the renowned institute which brings several thousand students and teachers to the UWSP campus each year. You have access to music department resources such as the Computer Music Center with opportunities to learn and apply technological advancements in the field.

Admission to the Program

To be considered for admission:
1. Complete university and department application forms for admission.
2. Submit a transcript of all undergraduate or graduate work you have taken at other institutions.
3. Have your past administrators, teaching colleagues, or college teachers in your major area send two letters of recommendation on your behalf.
4. If you wish to have an emphasis in elementary/secondary education, you must have state teacher certification. If your emphasis is Suzuki, certification is recommended but optional. If your emphasis is pedagogy, certification is optional.
5. Meet these requirements for certain emphases:
   a. Elementary/secondary: an undergraduate degree in applied music or music education. OR gain admission by faculty evaluation, based on your performance area, music courses taken toward a related undergraduate degree, and significant Suzuki teaching. You may be required to take additional courses.
   b. Suzuki talent education: an undergraduate degree in music and a Suzuki-related performance area; OR gain admission by faculty evaluation, based on your performance area, music courses taken toward a related undergraduate degree, and significant Suzuki teaching. You may be required to take additional courses.
   c. Studio pedagogy:
      1) Undergraduate degree in applied music or music education (teacher certification optional).
      2) Approval of faculty in your major area of performance. OR
      3) Admission by faculty evaluation based on performance area, music courses taken toward a related undergraduate degree, and significant involvement in studio teaching and performance. You may be required to take additional courses.

Admission to Candidacy

To be admitted to candidacy:
1. Complete 9 credits with a grade of B or better.
2. Before you complete 15 credits, adopt a Program of Study, including projected courses, the topic of your culminating experience, and selection of a graduate committee and project adviser, who is also chair of your committee.

The Program
To earn your degree, earn at least 30 graduate credits of which 10 must be in music education courses:
1. Applied music, 0-4 credits.
   a. Suzuki and studio pedagogy: take 2 semesters of applied music on your major instrument, MUS 760-782.
   b. Elementary/secondary music: Suzuki, 6 credits:
      a. Studio pedagogy, 6 cr: Music Ed 786 and Music Ed 791-796 in applicable performance area.
2. Music theory and applied creativity, 6 credits. If you have deficiencies after taking placement exam, you may be required to take additional theory courses.
3. Music history/literature, 6 credits. If you have deficiencies after taking placement exam, you may be required to take additional music history courses.
4. Music education:
   a. Elementary/secondary music, Suzuki, 6 credits: Music Ed 786 and 787 (or 788-Suzuki).
   b. Studio pedagogy, 6 cr: Music Ed 786 and Music Ed 791-796 in applicable performance area.
5. Capstone project, 4 credits (culminating experience).
6. Electives, 4-8 credits.

Culminating Experience
You will write a capstone project and make an oral defense before your committee.

Natural Resources
John Houghton, Associate Dean of Academic Affairs
Room 100, Trainer Natural Resources Building
Phone: 715-346-4617
E-mail: jhoughto@uwsp.edu
Web: http://www.uwsp.edu/cnr/graduate

In the College of Natural Resources you may earn the Master of Science in Natural Resources in subject areas such as forestry, forestry-recreation, urban forestry, wildlife, fisheries, limnology, resource management, youth programming, environmental education, international resource management, land use planning, soil science, aquatic toxicology, groundwater, watershed management, and water chemistry.

In the graduate program you have an opportunity for advanced study, research, and involvement in natural resources professional activities. We have designed all our programs to meet your individual needs and interests.

Admission to the Program
To be considered for acceptance into the College of Natural Resources graduate program, submit the following:
1. UWSP application for graduate study
2. Application to the College of Natural Resources graduate program
3. Resume
4. Copy of a paper written by you
5. Essay describing your professional interests and goals
6. Two letters of recommendation
7. Official Graduate Record Examination (GRE) and TOEFL or IELT Scores (foreign applicants only)

Minimum guideline scores for each test are as follows:
   a. For the GRE, you must have a minimum combined Verbal and Quantitative score of at least 1,000.
   b. For the TOEFL, you must have a score of at least 550 on the paper-based test, 213 on the computer-based test, or 70 on the Internet-based test.
   c. For the IELT, you must have a score of at least 7.
   d. If you fail to meet the minimum guidelines for the GRE or TOEFL (or IELT), you may be accepted if your prospective adviser submits a letter of acceptance to the Associate Dean for inclusion in your graduate file.

8. You must also have a 3.00 grade point average during your last two years as an undergraduate.

You do not need an undergraduate major in one of the natural resource specialties. However, you may have to take additional courses to make up deficiencies in your undergraduate curriculum. If you have an undergraduate major in social sciences or humanities, you have more deficiencies than someone with a major in the sciences.

To be admitted to the graduate program you need a faculty member to agree to serve as your adviser. Please contact faculty members in your area of interest to discuss your application. When a faculty member agrees to be your adviser, you will receive a letter of acceptance to the graduate program.

The Program
1. You must earn at least 30 credits in graduate courses that are approved by your graduate committee. At least 15 credits must be in courses numbered 700 and above.
2. You must take graduate courses in at least three disciplines (e.g., forestry, wildlife, biology, and education).
3. Your graduate committee must consist of at least three members of the graduate faculty who represent at least two disciplines.
4. You must enroll for at least 3 theses (NRES 799) or independent study (NRES 796) credits during each semester you are a full time student.
5. You must complete one credit of NRES 794, two credits of NRES 795, and one additional credit from NRES 750, 791, or 794. A maximum of four credits in NRES 794 and 795 count toward your 30 credit requirement.
6. You must pass a comprehensive oral final exam conducted by your graduate committee.
7. You must complete either the Thesis Option or the Non-Thesis Option:
   a. Thesis option (recommended for most students)
      1) Complete a thesis.
      2) A maximum of 6 theses credits (NRES 799) count toward your 30 credit requirement.
      3) Submit a bound and an electronic copy of your thesis to the University Library.
   b. Nonthesis option (available only with approval of your graduate committee)
      1) You must complete an independent study (NRES 796), 3 credits: (library research, management plan, etc.)
Program Requirements

1) You must earn at least 30 credits (36 in Non-Project Option) in graduate courses approved by your adviser. At least 15 credits must be in courses numbered 700 or above.
2) You must complete graduate courses in at least three disciplines (e.g. forestry, wildlife, biology, or education).
3) You must complete one credit of NRES 750 and 795.
4) You must complete the core course requirements for each track (determined by the Faculty Advisory Council).

a) Non-thesis Project Option
   1) You must complete a minimum 30 credit Program of Study of graduate courses approved by your adviser which includes an independent study paper (NRES 796) for 3 credits related to your professional situation.
   2) You must submit a bound copy of your independent study paper to the University Library.

b) Non-thesis Comprehensive Exam Option
   1) You must complete a 36 credit Program of Study of graduate courses approved by your adviser.
   2) You must pass a comprehensive written exam on coursework completed.

For more information go to http://www.uwsp.edu/natres/msnree or contact the Wisconsin Center for Environmental Education at 715-346-4176.

Culminating Experience

You must take a comprehensive final oral examination conducted by your graduate committee which includes questions on your thesis or seminar paper and on courses.

MS Degree with Emphasis in Human Dimensions of Natural Resources – Non-thesis

The following Natural Resources MS programs emphasize the Human Dimensions aspects of Natural Resources Management. These MS degree programs provide graduates with relevant advanced professional knowledge and skills. These programs do not require a thesis and thus are not intended to prepare graduates for doctoral programs. As a candidate for this three programs, you must have relevant undergraduate degrees (e.g. natural resources, natural sciences, education, etc.) and relevant work experience. A faculty adviser complementary to your interests will be determined based on the recommendation of the Faculty Advisory Council for each program track.

1) MS in Natural Resources in Environmental Education and Interpretation. This wholly distance-education program is designed for working professionals who wish to develop their skills and expertise in natural resources, environmental education and interpretation, applied research, and leadership. You must have 3-5 years of relevant work experience to apply.

2) MS in Natural Resources in Leadership and Administration. This wholly distance-education program is designed for working professionals who wish to develop their skills and expertise in natural resource leadership, policy and administration, and applied research. You must have 3-5 years of professional experience in an agency, NGO, or industry related to natural resources and an undergraduate degree in a field of Natural Resource Management or Environmental Education to apply.

3) MS in Natural Resources/Environmental Education for K-12 Teachers. This program is open to licensed, continuing teachers who wish to develop their skills and expertise in natural resources, environmental education, applied research, methodology, and leadership. Your adviser will be determined based on the grade level you teach and your professional interests.

4) MS in Natural Resources/Residential Environmental Education Program. This program is a partnership between the College of Natural Resources and a residential EE center. Designed for student interns/fellows who wish to develop their skills and expertise in natural resources, residential environmental education programming, applied research, and leadership. Courses are offered on-line, at residential EE centers, and on campus.
Faculty and Staff
This listing includes faculty, academic staff, classified staff, and limited term and project employees. An asterisk (*) following the name indicates a part-time assignment. Appointments for summer, less than one semester, less than 6 credits, or less than 20 hours a week are not listed. The date indicates the beginning of service at the UWSP.

Helena Aiden, Asst Prof in Sociology, 2007. BA, University of South Florida; MA, PhD, University of Florida. (G)

Stephanie W. Aleman, Asst Prof of Anthropology and Ethnobotany, 2007. BA, MS, UW-Stevens Point; PhD, UW-Madison.

Christina Atobelli, Acad Dept Assoc in Chemistry, 2001. BA, UW-Stevens Point; BA, UW-Stevens Point.

Margaret (Marge) N. Andersen, Teacher, Univ Child Learning and Care Ctr, 1982. BS, UW-Stevens Point.

Marty Andersen, Neale Hall Custodian in Residential Living. AD, Chippewa Valley Tech. College – Eau Claire.

Connie Anderson*, Univ Serv Assoc 1, Counseling Ctr. AAS, Northcentral Tech College.

Debbie Anderson, Univ Serv Prog Assoc, Building Serv Office Mgr in Residential Living.

Eric M. Anderson, Prof of Wildlife, 1990. BS, Michigan State U; MS, PhD, Colorado State U. (G)

Colleen A. Angel, Library Serv Asst Adv, 1980. BS, BA, UW-Stevens Point; MLIS, UW-Milwaukee.

Ella J. Armaganul-Tipacti, Assoc Prof of Spanish, 2002. BA, U Mayor de San Marcos, Lima, Peru; MA, PhD, UW-Madison. (G)

David L.G. Arnold, Prof of English, 2000. BA, MA, PhD, U of California- Riverside. (G)

Amit Arora, Asst Prof of Paper Science and Engineering. 2010. M Tech., Indian Institute of Technology, India; PhD, U of Illinois at Urbana-Champaign. (G)

Seth Ashman, Instructor of Physics and Astronomy, 2010. BS, Bloomsburg U; MS, PhD, Lehigh U.

Ellnor Assardo, Assoc Lect in Foreign Languages. 2011. BA, Indiana U.

Fidelis (Fidel) B. Asquio, Custodian Academic, 1984.

Robert C. Badger, Prof of Chemistry, 1984. BS, Ohio U; PhD, U of Toledo. (G)

Kevin M. Bahr, Prof of Business and Economics, 1999. BBA, MS, MA, PhD, UW-Milwaukee. (G)

Messa Baker, Asst Prof of Forestry, 2009. B.S., U.S., U of Tennessee; M.S., Southern Illinois U; PhD, U of Montana. (G)

Ron Baker*, Sr Clinical Nurse Spec in Health Serv, 1995. BS, UW-Stevens Point; BSN, MSN, UW-Oshkosh.

Bill Balco, Assoc Lect in Philosophy. 2010.

Mark G. Balhorn, Prof of English, 1992. BA, Michigan State U; MA, U of Kansas; PhD, UW-Madison. (G)

Larry F. Ball, Prof of Art History, 1991. BA, Oberlin College; PhD, U of Virginia. (G)

Sheila Bannister-Gross, Univ Serv Prog Assoc, Credit Coord in Continuing Education, 1987. BS, UW-Stevens Point.

Lisa Bardon, Assoc Prof of Education, 2003. BS, PhD, U of Minnesota-Twin Cities, MA, U of St. Thomas (Minn.); PhD, U of Minnesota. (G)

Rachael Barnett, Asst Prof of English, 2005. BA, MA, Santa Clara U; PhD, U of Washington-Seattle. (G)

Tobias G. Barske, Asst Prof of German and Applied Linguistics, 2006. BA, U of Regensburg, Germany; MA, PhD, U of Illinois at Urbana-Champaign. (G)

Valerie H. Barske, Asst Prof of History, 2007. BA, Oglethorpe U; MA, PhD, U of Illinois at Urbana-Champaign.

Terese Marie Barta, Assoc Prof of Biology, 1997. BS, PhD, UW-Madison; MS, U of California-Riverside. (G)

Mary Bartokowiak*, Office Assoc, Museum of Natural History.

Timothy Bauer, Student Services Specialist, Brian Ctr. 2009. BS, UW-Eau Claire.

Katie Bauming, Assoc Lect in English. 2010. BA, Cardinal Stritch U.

Paul Bayuk, Custodian. 2010.

Mike Beam, Assoc Lect in Comm. 2002. BS, UW-Stevens Point.

Kimberly Becken, Outreach Spec and Office Mgr in W Lakes Partnership, 1990. BS, MS, UW-Stevens Point.

Patti Clayton Becker, Prof in the Univ Library, Reference Coord, 1993. BS, UW-Stevens Point; MS, Columbia U; MA, Drew U; PhD, UW-Madison.

Maggie Beeber, Advising Coord in Education, Teacher Certification Officer, 1989. BS, UW-Stevens Point.

Beth Belmel*, Program Asst, College of Natural Resources.

Robert A. Bell, Prof of Biology and Water Resources, 1993. BA, Drake U; MS, Illinois State U; PhD, Arizona State U. (G)

Holly L. Bengtson, Dir of Conference and Reservations, 1976. BS, BA, UW-Stevens Point.

Susan M. Bender, Assoc Prof of Music-Voice, 2003. BME, U of Iowa; MM, U of Maryland College Park. (AG)

Barb Bengtson, Specialty 3 in Accounts Receivable, 1983.

Julie Benson, Acad Dept Assoc, Records Spec in Registration and Records, 1988. BS, UW-Stevens Point.

Stacey I. Berk, Assoc Prof of Music-Oboe, 2002. BA Western Illinois U; MM, U of Illinois at Urbana-Champaign. (AG)

Joanne Berth, Food Serv Asst 2 in Univ Dining Services. 2009.

Tom Bertram, Residence Hall Director in Smith Hall, 2006. BS, MS, UW-Oshkosh.

Raffi Besalyan, Assoc Prof of Music, 2008. BM, MM, DMA, Yerevan “Komitas” State Conservatory. (G)

Danielle Beschta, Oper Proj Assoc in Conference and Reservations, 2007. BA, UW-Stevens Point.

Greg M. Diener, Vice Chancellor for Business Affairs, Chief Business Officer, 1986. BA, Manistee State U.

Jeffrey Dimick, Aquatic Research Spec in the College of Natural Resources, 1990. BS, UW-Stevens Point.

Heidi Dix, Athletic Trainer in HESA, 2006. BA, MEd, UW-Eau Claire.

Barbara Dixon, Prof of English, 1985. BA, Emory U; MA, PhD, Auburn U. (G)

Patricia A. Doherty, Sr Psychologist, Counseling Ctr, 1979. BA, MA, PhD, The U of Iowa. (G)

Robert S. Doolger, Prof and Chair of Computing, 2003. MS, PhD, Technical U of Gui, Romania. (G)

Eve Donohoo, Asst to Dean for Marketing, College of Prof Studies, 2011. BS, UW-Stevens Point.

Paul F. Doruska, Assoc Prof of Forestry, 2006. BS, Michigan Technological U, MS, PhD, Virginia Polytechnic Institute & State U. (G)

Michael Dorman, Asst Facilities Planner for Facilities Services, 2010. John P. Droske, Prof of Chemistry, Dir of POLYED Natl Info Ctr for Polymer Ed, 1983. BS, MS, DePaul U; PhD, Colorado State U. (G)

Jonathan Duarte, Asst Prof of Mathematical Sciences, 2009. BS, mindanao State U Philippines, cagayan De Oro College-Philippines; MS, PhD, Illinois State U. (G)

Sheila A. Dubay, Assoc Prof of Wildlife, 2005. BA, State U of New York; MS, UW-Oshkosh; PhD, Wyoming. (G)

Francis Dube, Asst Prof of History, 2009. MA, PhD, U of Iowa. (G)

Richard M. Dubiel, Prof of Communication, 1985. BA, The Pennsylvania State U; MA, PhD, Purdue U. (G)

Mary Duckworth, Program and Assessment Coord for Residental Living, 2010. BA, Tulane U; MSE, UWL; Crosse.

Stacey (Powell) Duellman, Coord for Programs and Promotions in Allen Center and Univ Centers, 2005. BS, UW-Stevens Point.

David Durkee, Chief Information Officer, Director of Info Tech, 1984. BS, UW-Stevens Point; MBA, UWL; Crosse.

Adriana Durbala, Instructor in Physics and Astronomy, 2009. BS, MS, U of Bucharest, Romania; PhD, U of Alabama, Tuscaloosa. (G)

Jackie Durigan, Dean Asst, College of Professional Studies, 2008.

Patricia R. Dyjak, Asst Prof of English, 2008. BA, Rutgers U, MFA, Western Michigan U, MA, SUNY/U of Virginia, PhD, SUNY. (G)

Lisa Ebert, Acad Dept Assoc in HPHD, 1992. BS, U of Illinois at Urbana-Champaign.

Steve Edseth, Custodian, 2008.

Shirley Egger*, Head Women’s Basketball Coach, Assoc Lect in HESA, 1989. BS, UWL; Crosse; MS, UW-Stevens Point.

Anthony Ellerson, Assoc Prof of Computing and New Media Technologies, 2005. BA, MA, North Dakota State U-Fargo; PhD, Iowa State University-Ames. (G)

Shari Ellertson, Policy and Planning Analyst in Office of the Chancellor, 2005. BS, North Dakota State U; MS, Minnesota State U-Moorhead; PhD, Iowa State U.

Steven Eisen, Power Plant Operator Sr, 2008.

Jackie Engum, Acad Dept Assoc in Biology, 2005.

Robert B. Enright Jr., Prof and Chair of Sociology/Gerontology, 1984. BA, U of California, Berkeley; MA, PhD, U of Chicago. (G)

Robert P. Erickson, Prof of Art and Design-Printmaking, 1990. BFA, UWL; Crosse; MFA, Illinois State U. (G)

Bobbie Erwin, Assoc Marketing Spec for Dean of College of Fine Arts and Communication, 2006. BFA, UW-Stevens Point.

Michael Estanich, Asst Prof of Theatre and Dance, 2006. BFA, Denison U, MFA, The Ohio State U.

John Evca, Steiner Hall Custodian in Residential Living, 1983. BS, UW-Stevens Point.

Maria J. Fahey, Sr Lect in English, 1997. BA, UW-Stevens Point; MS, Northern Illinois U.

Elizabeth Fakazi, Assoc Prof of Communication, 2003. BA, Mount Holyoke College, MA, U of Missouri, PhD, Indiana U at Bloomington. (G)

Tracy S. Feldman, Asst Prof of Biology, 2008. BA, Bard College, MS, U of Florida, PhD, Duke U.

Andrew J. Feit, Prof of Mathematical Sciences, 2000. BS, UW-Madison; PhD, Washington State U (Pullman). (G)

Elizabeth Caudfield Feit*, Assoc Lect in English, 2005. BA, Indiana U-Bloomington; MSIS, Louisiana State U-Baton Rouge; MST, UW-Stevens Point.

Nisha A. Fernando, Assoc Prof and Head of Interior Architecture, 2001. BS, MS, U of Mora Tuva, Sri Lanka; AB, UW-Milwaukee. (AG)

Karen Ferrante, Assoc Prof of Communication, Coord of Scholarship of Teach/Learn Initiative, 1989. BA, UW-Oshkosh; MA, UW-Milwaukee; PhD, The U of Texas at Austin. (G)

Gregory J. Fischer, Sr Outreach Spec in Aquaculture Ctr Facilities, 2006. BS, Lake Superior State U.

Robert Fix, Info Sys Tech Serv in Information Technology, 2008. BS, UW-Stevens Point.

Kristin Flores, Asst Prof of Natural Resources, 2008. BA, MS, Southern Illinois U; PhD, Purdue U.

Douglas Forbes, Assoc Prof of Sociology, 2000. BSEd, MAT, Texas State U-San Marco; PhD, The U of Texas at Austin. (G)

Cynthia Forster, Clinical Assoc Prof of Communicative Disorders, 1989. BS, MS, Moorhead State U. (AG)

Sarah Foster, Asst Dir in Admissions, 1999. BA, MA, UW-Stevens Point.

Matthew Fox, Custodial Serv Sup in Univ Housing, 2009. BS, UW-Stevens Point.

Eugene G. Francis IV, Asst Prof of History, 2007. BA, Cornell U, MA, U of Michigan, PhD, UCLA. (G)

Ryan Frankowski, Outreach Spec in Wfs, Cooperative Fishery Research Unit, 2006. BS, UW-Eau Claire, MS, UW-Stevens Point.

Andrew Franz, Sr Info Processing Consult in Admin Info Sys, 1987. BS, UW-Stevens Point; MBA, UW-Oshkosh.

Scott E. Frasier, Prof of School of HESA, 1988. BS, Manchester College; MA, Northern Michigan U; PED, Indiana U. (G)

Arthur Freeman, Lecturer in English as a Second Language Program, 2011. MA, Wheaton College Graduate School.

Virginia Freire, Asst Prof of Biology, 1999. BS Universidad de San Carlos de Guatemala; MS, PhD, Southern Illinois U.

Karina A. Fry, Assoc Prof of Philosophy, 2002. BA, U of Rhode Island; MA Boston College; PhD, U of Memphis. (G)

Jeffrey Gaetz, Laborer in Recycling Program.

John Gaffney, Recruitment and Retention Coord in Education, 2008. BS, UW-Stevens Point; MA, U of Mississippi.

Sandhya Ganapathy, Asst Prof of Philosophy, 2008. BA, Rutgers U, MA, U of South Florida, PhD, Temple U. (G)

Rene Garduno, Custodian Academic.

Gerry Gasik, Univ Serv Assoc 1 in WMS, Continuing Education.

Bradley M. Hinaus, Assoc Prof of Physics and Astronomy, 1999. BS, UW-Eau Claire; PhD, U of Colorado. (G)

Robert J. Hinkle, Asst Prof of Theatre and Dance, 2005. BA, U of Minnesota-Twin Cities; MEd, Marquette U. (G)

Ellen J. Hinson, Assoc Prof of Biology, 1996. BA, U of Mississippi; MS, U of Wisconsin-Stevens Point; PhD, Indiana U. (G)

Kathryn Hines, Med Lover in The College of Business, 2006. BS, UW-Stevens Point. (G)

Charles Hines, Assoc Prof of Microbiology, 1999. BS, MS, UW-La Crosse; PhD, Indiana U. (G)

Ellen Hines, Assoc Prof of Communication Disorders, 2004. BA, PhD, U of Iowa; MA, Indiana U at Bloomington. U of Iowa. (G)

Per Hinnerman, Med Lover in the College of Business, 1999. BA, Lawrence College; PhD, U of Wisconsin-Stevens Point. (G)

Erica Hinkle, Med Lover in the College of Business, 2005. BS, UW-La Crosse. (G)

Holly Hilton, Assoc Prof of Speech-Language Pathology, 1999. BA, MS, UW-Stevens Point. (G)

Tori Hints, Med Lover in the College of Business, 2005. BS, UW-La Crosse. (G)

Robert Hinman, Med Lover in the College of Business, 2005. BS, UW-La Crosse. (G)

Sue Hinman, Med Lover in the College of Business, 2005. BS, UW-La Crosse. (G)

George A. Heeres III, Sr Info Process Consultant in the College of Business, 2008. BS, UW-Stevens Point. (G)

Julie Hobbs, Asst Prof of Music, 2005. BA, U of Iowa; MM, Baylor U; DM, Northwestern U. (G)

Theodore E. Hofer, Prof of Economics, 1999. BA, Boston U; MA, PhD, U of Texas at Austin. (G)

Julie Hofer, Assoc Prof of Marketing, 1987. BS, U of Wisconsin-Stevens Point; MS, U of Wisconsin-Stevens Point. (G)

Mary Hofer*, Instructional Spec-Voice in the College of Business, 2007. BA, MS, UW-Stevens Point. (G)

Kirsten Hoffenberger, Med Lover in the College of Business, 2005. BS, U of Wisconsin-Stevens Point. (G)

Richard Hoffmann, Med Lover in the College of Business, 2005. BS, U of Wisconsin-Stevens Point. (G)

Ellen J. Holgin, Med Lover in the College of Business, 1999. BS, MS, UW-La Crosse; PhD, Indiana U. (G)

Patricia Holland, Med Lover in the College of Business, 2005. BS, U of Wisconsin-Stevens Point; MS, U of Wisconsin-Stevens Point. (G)

Tina Hooper, Med Lover in the College of Business, 2005. BS, U of Wisconsin-Stevens Point. (G)

Kathleen Hoppe, Med Lover in the College of Business, 2005. BS, U of Wisconsin-Stevens Point. (G)

Gary Hopi, Med Lover in the College of Business, 2005. BS, U of Wisconsin-Stevens Point. (G)

Nicholas Ignatowski, Med Lover in the College of Business, 2005. BS, U of Wisconsin-Stevens Point. (G)

Susan Jankowski*, Med Lover in the College of Business, 2005. BS, U of Wisconsin-Stevens Point. (G)

Linda Janssen, Med Lover in the College of Business, 2005. BS, U of Wisconsin-Stevens Point. (G)

Darren Jensen*, Med Lover in the College of Business, 2005. BS, U of Wisconsin-Stevens Point. (G)

Michelle "Shelly" Jaworski*, Med Lover in the College of Business, 2005. BS, U of Wisconsin-Stevens Point. (G)

Teri Jenkins*, Med Lover in the College of Business, 2005. BS, U of Wisconsin-Stevens Point. (G)

Amy Johnson, Med Lover in the College of Business, 2005. BS, U of Wisconsin-Stevens Point. (G)

Corey Johnson, Med Lover in the College of Business, 2005. BS, U of Wisconsin-Stevens Point. (G)

Delon Johnson, Med Lover in the College of Business, 2005. BS, U of Wisconsin-Stevens Point. (G)
Johnny J. Johnson, Head Wrestling Coach, Sr Lect in HESA, 1994. BA, U of Oklahoma; MSE, UW-Stevens Point. (AG)

Scott Johnson, Director of Central WIs Environmental Station, 2005. BS, UW-Stevens Point.

Thomas W. Johnson, Bldg Grounds Supvr in Facilities Serv, 1986.

James E. Joque, Coord of Disability Serv, 1998. BS, Northern Michigan U; MA, George Peabody College for Teachers of Vanderbuilt U.

Katherine “Katie” Jore, Assoc Vice Chancellor for Personnel, Budget, and Grants; Assoc Prof of Physics and Astronomy, 1997. BS, U of Minnesota; MS, PhD, Cornell U. (G)

Tom Journell, Asst Football Coach in HESA, 2008. BA, Wittenberg U; MS, Miami U.

Emmet J. Juzwicz, Assoc Prof of Biology, 2001. BA, UW-Parkside; MS, PhD, UW-Madison. (G)

Kathe R. (Miller Stumpf) Juhn, Prof of Interior Architecture, 1992. BS, UW-Oshkosh; MS Pratt Institute, New York; PhD, UW-Milwaukee. (G)

Jeff Jung*, Dishwasher. In DUC.

Theresa Karrinski, Prof of History, 1992. BA, Rosary College; MS, Illinois State U; PhD, U of Illinois at Urbana-Champaign. (G)

Samantha W. Kaplan, Asst in Accounting, 2011. BA, Clark U; MS, PhD, UW-Madison. (G)

Jeff Karcher, Director of Safety and Loss Control, 2001. BBA, MS, UW-Madison.

JoAnne M. Kitzmerek, Prof of Education, 2000. BS, Southern Illinois U; MA, PhD, UW-Madison. (G)

Cheryl Kaweski, Sr Admissions Counselor, 1989. BA, UW-Stevens Point.

Jessica Kayhart*, Univ Serv Assoc 2 in Biology, 2010.

Alice A. Keele, Prof of Religious Studies, 1994. BA, Dartmouth College; MA, School of Theology at Creemeront; PhD, Syracuse U. (G)

Angela H. Kellogg, Dir of Career Serv and Student Acad Advising, 2006. BA, Truman State U; MSE, UW-La Crosse; PhD, U of Iowa.

Daniel Kellogg, Registrar, 2005. BA, Saint Cloud State U; MSE, UW-La Crosse.

Sarah (Sally) A. Kent, Prof of History, 1987. BA, Connecticut College; MA, PhD, Indiana U. (G)

Laura R. Ketchum, Dir of Univ Ctr, 1989. BS, Viterbo College; MSEd, UW-La Crosse; PhD, UW-Madison.

Dan Kieliszewski, Custodian, 2008.

Julia M. King, Asst Prof of Speech-Language Pathology, Graduate Coord in Communicative Disorders, 2002. BS, UW-Madison; MEd, U of Virginia; PhD, U of Nebraska-Lincoln. (G)

Melinda “Mindy” King, Assoc Prof, Serials Librarian in Univ Library, 2005. MLS, UW-Milwaukee.

Beth Kinslow*, Athletic Trainer 1 in HESA, 2009. BS, UW-Stevens Point; MS, Oregon State U.

Amy Kirmer*, Cook 1.

Sue M. Kissinger, Coord of Advising/Recruitment, Dir of Student Success Cr in the College of Natural Resources, 1993. BS, MS, UW-Stevens Point.

Cory Klinker*, Food Service Asst 4 in Univ Dining Services, 2009.

Brenda Kizewski*, Food Service Asst 4 in Univ Dining Services, 2010.

Kelly Klaas, Lab Mgr 1 in Paper Science, 2008. BS, UW-Stevens Point.

Celine (McNelis) Kline, Asst Prof of HPHD, 2010. BA, Adelphi U; MA, West Chester U; PhD, Boston U.

Lucy Kluck, Burrough’s Hall Custodian in Residential Living 2003.

Patricia Claire (Koopman) Kluetz, Prof of Interior Architecture, 1988. BS, UW-Stout; MS, UW-Madison. (G)

Andrea Knapp, Asst Prof in Mathematical Sciences, 2010. AAS, Illinois Central College; BA, MS, PhD, Illinois State U.

Stephanie Knoppa, Residence Hall Director in Thompson Hall, 2008. BS, UW-Green Bay; MEd, U of Utah.

Mark A. Koepeke, Asst Dir of International Prggs, 1984. BS, MST, UW-Stevens Point; MA, UW-Superior.

Cheryl Konczek, Asst Prof of Accounting, 2008. BS, MST, UW-Stevens Point; MBA, UW-Oshkosh.

Amy Koneitzki, Lab Prep Tech Sr., Microbiology Lab Coord in Biology, 2007. BS, UW-Stevens Point.

Joe Konopacky, 1st Shift Supvr in Custodial Serv, 1998. BA, St. Francis de Sales College; STM, STL, St. Mary’s Seminary and U.

Michael (Mic) E. Koroch, Athletic Trainer 1 in HESA, 2008. BA, BS, UW-La Crosse; MEd, U of Virginia.

Amy Koweiski, Lake Mgt Communication Spec in WIs Lakes Partnership, Outreach Specialist, 1997. BS, UW-Stevens Point.

George J. Kowalewski, Asst Prof of Mathematics, 1989. MS, Jagellonian U (Poland); PhD, UW-Milwaukee. (G)

Nicole Kraft, Acad Dept Assoc in Foreign Language, 2010. BA, UW-Stevens Point.

Tina Kramer, Oper Program Assoc, Fleet Mgr in Facilities Serv, BS, UW-Stevens Point.

Paul Kothwell, Assoc Admin Prgm Spec, Coord of Writing Programs in Tutoring-Learning Center, 2010. BA, UW-Stevens Point.

Tim Krause, Asst Prof of Computing and New Media Technologies, 2005. BS, St. John’s U; MA, St. Cloud State U; PhD, Purdue U. (G)

Robert Kreznar, Prof of Mathematical Sciences, 1989. MS, Jagellonian U (Poland); PhD, UW-Milwaukee. (G)

Bobbi Kubish*, Coord of Student Recruitment, and International Prgg Coord in College of Natural Resources, 2000. BS, MS, UW-Stevens Point. (AG)

Laurie Kujawa, Financial Spec Prgg Supvr, Payment Services Mgr in Payment Services, 1999.

Leo B. Kuklinski, Gardener, Tree Pruner, 1984.

Ken Kula, Food Service Mgr, Head Cook for Treehaven Food Service, 2010. AAS, San Jacinto College-Houston.

Christopher Reece "CR" Marshall, Prof of Business and Economics, 1999. BBA, U of Iowa; MBA, U of Chicago; PhD, Washington U. (G)

Kretchen Marshall, Outreach Spec in LEAF Program, WCEE, 2008. BS, MS, UW-Stevens Point.

Elizabeth Martin, Assoc Prof of Business and Economics, 2001. BA, U of Wisconsin-Madison; MS, Medical College of Wisconsin; PhD, U of Pittsburgh.

Gretchen Martin, Outreach Spec in LEAF Program, WCEE, 2008. BS, MS, UW-Stevens Point.

Lauri Martin Keefe, Career Spec in Career Serv, 1982. BS, MA, UW-Stevens Point.

Wade Martin, Custodian in Univ Ctrs, 2008.

Kevin C. Masari, Sr Outreach Spec in Ctr for Watershed Science and Ed, 2004. BS, UW-Stevens Point; MS, UW-Madison.

Lynne Matesi*, Assoc Lecturer in Business and Economics, 2010. BA, Judson U; MA, Abilene U.

Barb Matthews*, Licensed Prac Nurse in Health Services, 2009.

Patrick "Pat" Mayek, Power Plant Operator-Helper.

Terri Mayek, Custodian, 2009.

Cynthia L. McCabe, Prof of Mathematical Sciences, 1998. BS, BSEE, Bradley U; PhD, U of Iowa. (G)

Dan McCarthy, Assoc Prof of Health Care Professions, 2007. BA, UW-Madison; MS, Medical College of Wisconsin; PhD, U of Pittsburgh.

Cecily "Cez" Mckee, Asst Prof of Business and Economics, 2010. BS, Berklee College of Music; JD, Marquette U Law School.

Leslie J. McClain, Prof of Education, 1985. BS, PhD, U of Kansas; MS, Pittsburg State U. (G)

Kelsey McCoy, Psychologist in Counseling Ctr, 2008. BA, Creighton U; PsyD, Florida Institute of Technology.

Dan McFarlane, Research Spec in Ctr for Land Use Ed, 2008. BS, UW-La Crosse; MS, UW-Stevens Point.

Erin K. McFarlane, Outreach Prog Mgr 1 in WS Lakes Partnership, 2007. BA, Centre College of Kentucky; MS, UW-Stevens Point.

Paul M. McGlinley, Assoc Prof of Water Resources, 2000. BS, UW-Madison; MS, U of North Carolina-Chapel Hill; PhD, U of Michigan. (G)

Kathleen J. McGinnis, MD, Senior Physician in Health Serv; Adjunct Prof of HPHD, 1990. MD, Loyola U of Chicago.

Ronald McKee, Electrician in Facilities Serv, 1990.

Charnito Michael, Food Service Mgr.

Charles "Corky" McReynolds, Dir of Treehaven Field Station, Prof of Resource Mgt, 1985. BS, Grand Valley State College; MS, Michigan State U; PhD, UW-Madison. (G)

Fran McReynolds, Prog Coord, Graduate Fellowship in Res Environ Educ at Treehaven, 2009. BA, Metro State College of Denver; MS, UW-Stevens Point.

K weekly Melvin, Residence Hall Director in Pray-Sims, 2010.

Ken L. Menningen, Prof of Physics, 2004. BS, UW-Stevens Point; PhD, UW-Madison. (G)

Stephen F. Menzel, Sr Development Spec in the College of Natural Resources, 1999. BS, UW-Stevens Point.

Martin "Marty" S. Meyers, Assoc Prof of Business and Economics, 1986. BS, U of Illinois; MBA, DePaul U.

Theresa "Tet" Michalski*, Financial Spec 3 in International Programs, 2000. BA, UW-Stevens Point; CPA, Institute of Management Accountants.

Rob Michalsch, Asst Prof of Soil & Waste Resources, 2009.BS, MS, U of Guelph, Ontario; PhD, Dalhouse U. (G)

Leslie Midkiff DeBauche, Prof of Communication, 1987. BA, MA, U of Iowa; PhD, UW-Madison. (G)

John G. Miech, Head Football Coach, Lect in HESA, 1985. BS, UW-Stevens Point; MEd, Stephen F. Austin State U.

Sheila Miech, Head Women's Soccer Coach, Sr Lect in HESA, 1986. BS, UW-Stevens Point; MEPD, UW-Eau Claire.

Barbara J. Milham, Assoc Prof of Business and Economics, 1998. BS, MS, UW-Stevens Point; MS, UW-Stout.

Patrick J. Miles, Prof of Music-Horn and Orchestra Dir, 1989. BM, Northern Arizona U; MA, DMA, U of Iowa. (G)

Alison Miller Tarkington*, Asst Women's Volleyball Coach, Asst to the Athletic Director in HESA, 2010. BA, UW-Eau Claire.

Edward Jay Miller, Prof of Political Science, Co-Dir of Ctr for Small City, 1972. BA, McDaniel College; MA, PhD, U of Pittsburgh. (G)

Thomas M. Miller, Univ Relations Spec, Legislative Liaison in Univ Relations and Communication, 1997. BS, UW-Madison.

Trudi Miller, Asst Prof in Computing and New Media Technologies, 2008. BS, BA, Queen's U; MITE, Dalhouse U; PhD, Claremont Graduate U. (G)

Raquel Miskowski*, Watershed Research Tech.

Richard "Rick" A. Mitchell, Prof of Mathematical Sciences, 1990. BS, MS, Illinois State U; PhD, U of Wyoming. (G)

Terry W. Molder, Electrician in Facilities Serv.

Jamie Mollica, Outreach Spec for Ws K-12 Energy Ed Prog in WCEE, 2006. BS, UW-Stevens Point.

Doug L. Moore*, Sr Media Spec in Univ Relations and Communication, Lect in Natural Resources, 1984. BS, U of Michigan; MS, UW-Stevens Point.

Katherine Moran, Asst Prof of History, 2010. BA, U of Colorado; MA, PhD, Johns Hopkins U. (G)

Lawrence E. Morgan, Asst Prof of English, Business/Technical Writing Coord, 2006. BA, Michigan State U; MA, Texas A & M U; MS, Corpus Christi, PhD, U of New Mexico-Albuquerque.

Jeff W. Morin, Dean of the College of Fine Arts and Communication, Prof of Art and Design, 1995. BFA Tyler School of Art of Temple U; MA, MFA, UW-Madison. (G)

Susan Morrison, Prof of Art and Design, 1999. BFA, Maryland Institute College of Art; MFA, Pennsylvania State U. (G)

Danielle Mortaz*, Assoc Advisor in Admissions, 2010. BS, UW-Stevens Point.

Deb Mortensen*, Univ Serv Assoc 2, Communications Specialist Sr, in Wausau Education Ctr, 2008.

Gary Moss, Power Plant Helper.

Aaron Mullins, Assoc Develop Spec, 2010. BS, UW-Stevens Point.

Gary E. Mullins, Prof and Head of Business and Economics, 1994. BSBA, U of Arkansas; MBA, U of Chicago; PhD, Washington U.

Laura Polun*, Adviser in Stu Acad Adv Ctr, Coord Experiential Learning, 2006. BA, UW-Stevens Point; MS, UW-Madison.

Stephanie E. Pope, Manager of University Store/Text Rental, 2006. BA, UW-Stevens Point, MBA, Edgewood College.

Blake Porter, Security Officer in Protective Serv. BS, UW-Stevens Point.

Camarin Porter, Assoc Lect in History, 2010. BA, U of Texas, Austin; MA, PhD, UW-Madison. (G)

Jim Pratt, Custodian Lead in Academic Custodial.

Logan Pratt, Custodian, 2009.

Dale Prentice, Custodian, Residential Living, 1996.

Barton Pritt*, Visiting Instructor in Physics and Astronomy, 2010. BA, UW-Milwaukee; MS, PhD, Michigan State U.

David Procknow, Electrician, 2008.

Thomas Quinn, Outreach Spec, Prog Mgr at Central WiS Environmental Station, 2005. BS, Edgewood College; MA, Montclair State U.

Susan L. Raab, Prof and Head of Health Care Professions, Coord of Pre-Nursing Prog., 1977. BS, MEPD, UW-Stevens Point; EdD, Nova U.

Tracy Raatz, Purchasing Agent in Info Tech, 2006. BS, UW-Stevens Point.

Matthew Racile*, Food Service Asst 4 in Univ Dining Services, 2009. BS, UW-Stout.

Erin Raikowski, Oper Prog Assoc (A) in Univ Store, 2007. BS, UW-Stevens Point.

Adelita Ramon, Custodian Academic, 1999.

Henry F. Ramon, Laborer in Residential Living, 1976.

Lance Randall, Student Services Spec, Asst Men's Basketball Coach in HESA, 2009.

Carl Rasmussen, Dir of Facilities Planning and Space Mgt, 1990. BA, UW-Green Bay.

Mitch Rasmussen, Lect in Health Care Professions, 2010. BS, UW-Stevens Point.

Libby Raymond, Catalog Editor, Univ Serv Assoc 2 in Academic Affairs, 2004. BA, UW-Stevens Point.

Aja S. Razo, Prof of Soil and Water Science, 1977. BSc, Andhra Pradesh Agricultural U, India; MS, PhD, UW-Madison. (G)

Kathleen “Kate” D. Reck, UW Prog Spec, Room Assignments Coord in Residential Living, 1989. BS, MA, UW-Stevens Point.

Eleanor Redaelli, Asst Prof of Communication, 2008. Laurea, Universita degli Studi di Milano, Italy, DMA, Conservatorio di Musica Verdi, Milan, Italy, PhD, The Ohio State U. (G)

Wendy Redeker*, Assoc Lecturer in Interior Architecture, 2010. BA, Concordia University Wisconsin.

Cheryl Reed, Financial Spec 3 in Payment Services, 2001.

Anju Rejeshsinghani, Asst Prof of History, 2010. AB, Princeton U; Diploma, London School of Economics and Political Science; MA, PhD, U of Texas at Austin. (G)

Russell Reeves, Food Service Mgr. in Univ Dining Services. BS, UW-Stevens Point.

Thomas Reich, Collection Devel, Assoc Prof in Univ Library, 2000. BS, MST, UW-Stevens Point; MLS, UW-Milwaukee.

Michael Reise*, Assoc Prof of Resource Mgt, 2011. BS, Montana State U; JD, U of Oregon Law School; PhD, Oregon State U.

Ronnie Rekowski, Custodian.

Jenny Resch, Interim Director, Adviser in SBE Advising, 2010. AAS, UW-Marshallfield; BS, UW-Stevens Point.

Ray Reser, Director of Natural History Museum, 2007. BS, UW-Stevens Point; PhD, Australian National U, Canberra.

Erin B. Reyes, Prof of Education, 1986. BS, MA, Philippine Normal College; Med, U of Alberta; PhD, Texas Woman's U. (G)

Sondra Reynolds, Clinical Asst Prof in Communicative Disorders, 2011.

Kim W. Rice, Prof of Geography/Geology, 1982. BS, State U of New York at Albany; MA, Bowling Green State U; PhD, U of Kansas. (G)

Linda Rice*, Office Oper Assoc, Asst for Ws Creative Problem Solving Prog. 1995. AD, Mid-State Tech College.

Lorrie K. Richardson, Dir of Gessel Inst in HPHD, 1987. BS, MS, UW-Stevens Point. (AG)

Ed J. Richmond, Sr. Student Services Specialist in Campus Activities, 1997. BA, UW-Stevens Point; MS, CMD, Stritch U.

Jason Riddle, Asst Prof of Wildlife, 2009. BS, The College of William and Mary, MS, Appalachian State U; PhD, North Carolina State U. (G)

Amy Riggs, Sr Info Processing Consult, Programmer/Analyst in Admin Info Systems, 1987. BS, UW-Stevens Point; MBA, City U.

Dennis D. Riley, Prof of Political Science, 1978. BA, Willamette U; MPA, Syracuse U; PhD, U of Michigan, Ann Arbor. (G)

Gerry J. F. Ring, Prof and Chair of Paper Science and Engineering, 1986. BS, State U of New York at Albany; MS, PhD, Inst of Paper Chemistry. (G)

Michael E. Ritter, Prof of Geography and Geology, 1986. BS, Western Illinois U; MA, PhD, Indiana U. (G)

Jonathan Rivin, Outreach Prog Mgr II in Natural Resources, 2009. BS, MS, PhD, North Carolina State U. (AG)

Kelly Roark, Assoc Lect in History, 2009. BA, Hendrix College-Conway, AR; MA, PhD, UW-Madison. (AG)

Natalia Roberts, Instr of Russian in Foreign Languages.

Christopher J. "CJ" Robinson, Devel Spec in College of Fine Arts and Communication, 2007. BS, UW-Stevens Point.

John Rogers, Cook 2 in Univ Dining Services, 2009.

Paulette Rogers, Prog Asst Adv-Confid in Academic Affairs, 1984.

Dale M. Rohm, Prof and Chair of Mathematical Sciences, 1989. BS, UW-Madison; PhD, Oregon State U. (G)

David J. Roloff, Instr in English, 2007. BA, UW-Stevens Point; MS, UW-Green Bay.

Tony Romano, Assoc Dev Spec in the College of Professional Studies, 2007. BS, UW-Stevens Point; MBA, Concordia U.

Molly J. Roseman, Assoc Prof of Music-Piano, 2001. BM, U of Missouri-Kansas City; MM Eastman School of Music, U of Rochester; DM Florida State U. (G)

Andrea (SPLITTERBERGER) Rosen, Prof of Music-Clarinet, 1984. BM, PhD, Michigan State U; MM, Eastman School of Music, U of Rochester. (G)

Laura J. Rosenfield*, Admissions Counselor, 2003. BS, MS, UW-Stevens Point.

Robert N. Rosenfield, Prof of Biology, 1988. BS, MS, UW-Stevens Point; PhD, North Dakota State U-Fargo. (G)

Brittany Rossman, Special Events Coordinator in University Relations and Communications, 2009. BS, UW-Stevens Point.

Joyce L. Roth, Prog Asst Supvr, Office Supervisor in Registration and Records, 1974.

Krist Roth, Assoc Prof of HESA, Coord of Adapted Phy Ed, 2004. BS, Guildford College; MS, North Carolina Ag and Tech State U; PhD, Texas Woman's U. (G)

Melyn G. Rousseau, Dir of Student Support Serv, 1985. BS, UW-Stevens Point.

William C. Rowe, Dir of Protective Serv, Chief of Police, 2003. BS, MCA, St. Ambrose U.

Lyn Ruder*, Licensed Pract Nurse in Health Services, 2010. LPN, Mid-State Tech College.
Justin Rueb, Prof of Psychology, 2000. BS, United States Air Force Academy, MS, PhD, Virginia Polytechnic Inst and State U. (G)

Ana Runnion, Assoc Lect of Spanish, 2006. BA, MS, UW-Stevens Point.

Richard R. Ruppel, Prof of German and Comparative Literature, Chair of Foreign Languages, 1985. BA, Hartwick College; MA, Tufts U; MA, PhD, Cornell U. (G)

Kevin R. Russell, Assoc Prof of Wildlife, 2002. BS, U of Idaho, MS, PhD, Clemson U(G).

Jessie Rust, Groundskeeper, 2005. BS, UW-Stevens Point.

Lory A. Rutkowski, Inventory Control Coord, Storekeeper in Central Stores, 1990.

Karen Rutta, Residential Custodian in Kruzeni Hall.

Karl E. Ryavec, Assoc Prof of Geography, 2002. AB, Clark U; AM, Harvard U; PhD, U of Minnesota-Twin Cities.

Chris Sader, Prof and Asst Chair of Communication, 1987. BA, State U of New York-Plattsburgh; MA, Purdue U; PhD, U of Utah. (G)

James A. Sage, Assoc Prof and Chair of Philosophy, 2003. BLA, Washington State U; MS, PhD, U of Utah. (G)

Darrel Sampson, Custodian, 2008.

Pam Sampson, Univ Serv Asso 1 in Residential Living. 1999.

Ray Sanchez, Residential Custodian in Baldwin Hall, 1999.

Samuel Sanchez, Custodian, 2008.

Devinder Sandhu, Assoc Prof of Biology, 2005. BS, MS, Punjab Agricultural U, India; PhD, U of Nebraska. (G)

Christine Schalow, Assoc Prof of Business and Economics, 2007. BS, UW-Green Bay; MS, St. Cloud State U; PhD, U of Arkansas; CPA.

David Schalow, Asst Prof of Business and Economics, 2008. BBA, MBA, UW-Madison; PhD, U of Arkansas.

Aaron Scharfenbuehl, Sr Tech Supervisor Spec in Info Tech, 2009. BS, UW-Stevens Point.

Cathy Schefter*, Outreach Prog Mgr 1 in Continuing Education of the College of Professional Studies, 2008. BS, UW-Stevens Point; MSE, UW-Stevens Point.

Jean Scherer, Univ Exec Staff Asst in the Chancellor's Office, 2005.

Michelle Schiltz, Office Mgr, Univ Serv Asso 2 at Treehaven, 2004. BS, UW-Stout.

Axel Schmetzke, Prof in the Univ Library, Coord of Bibliographic Instruction, Dir Instructional Media Ctr, 1998. Diplom, Phippsius Universitat Marburg (Germany); MLIS, UW-Milwaukee; MS, PhD, UW-Madison.

Timothy A. Schmidt, Residence Hall Dir in Steiner Hall, 2007. BS, UW-Green Bay; MS, Eastern Illinois U.

Holly Schmirls, Clinical Asst Prof in HESA, Athletic Training Prog Dir, 2000. BS, UW-La Crosse, MS, UW-Madison; ABD, Capella U.

Robert R. Schmitz, Assoc Prof of Biology, 1992. BS, U of Washington (Seattle); MS, U of Illinois-Chicago; PhD, Medical U-South Carolina. (G)

Julie A. Schneider, Sr Academic Adviser in Stu Acad Adv Ctr, 1994. BA, Michigan State U; MA, U of Kansas.

Kelly Schooenaert, Asst Prof of HPHD, 2006. BA, Otterbein College; MS, Eastern Kentucky U; EdD, Ball State U. (G)

Jennifer Schreiner, Residence Hall Dir in Roach Hall, 2008. BS, UW-Oshkosh; MA, Ball State U.

Dede Schroeder*, Med Tech Sr in Health Serv, 2008.

Sheldon Schroeder, Food Services Asst 2 in Univ Dining Services, 2009. AD, BA, Colorado Tech U.

Kathryn "Katie" K. Schroth, Purchasing Agent Sr, Dir of Purchasing and Payment Serv. 1978. BS, UW-Stevens Point.

Joan M. Schuh, Univ Serv Assoc 2, Office Mgr in Health Serv, 1990.

Susan M. Schuller, Outreach Spec, WCEE, 2001. BS, MS, UW-Stevens Point.

Kari Schultz, Associate Outreach Specialist in Continuing Education, 1998. BS, UW-Stevens Point.

Carol J. Schulz, Sr Admin Prog Specialist to the Dean in College of Natural Resources, 1992. BS, UW-Stevens Point.

G.M. "Mike" Schuster*, Maintenance Dir in College of Natural Resources.

Roxanne Schuster*, Sr Asst Assoc in Stu Support Serv, 1992. BS, UW-Stevens Point; MS, UW-Stout.

Stacy Schwenker*, Dir of Grant Support Services, 2009. BS, U of MN; MS, Northern Michigan U.

Carol J. Scipior, Asst Dir of Student Financial Aid, 1968. AD, Mid-State Tech College; BA, MS, UW-Stevens Point.

Sallie Scovill, Asst Prof of HPHD, 2007. BS, Austin Peay U; MS, Georgia Southern U; PhD, Middle Tennessee State U. (G)

Kristy SeBlonka, Supplemental Book Buyer in University Store. MS, UW-Madison.

Christine "Chris" Seefeldt, Oper Prog Assoc, Box Office Manager, 1975. BS, UW-Stevens Point.

Patrick Seeling, Asst Prof of Computing and New Media Technologies, 2006. BS, Technical U of Berlin; MS, TU Berlin; PhD, Arizona State U. (G)

Meredith Seiler, Visiting Asst Prof of Biology, 2007. BS, Louisiana State U; Med, Clarion U of Penn; PhD, Idaho State U. (G)

Steven Seiler*, Lect in Biology, 2008.BA, Kalamazoo College; MS, Clarion U of Pennsylvania; PhD, Idaho State U.

Coleen Sentkowski, Financial Spec 3 in Univ Dining Services, 2009. BS, Cardinal Stritch U.

Sol Sepsenwol, Prof of Biology, 1978. BS, PhD, U of Chicago. (G)

Mary Shaw, Univ Serv Assoc 2 in International Programs, 2006. BA, Knox College.

Patricia A. Shaw, Assoc Prof and Head of Education, 2001. BS, UW-Stevens Point; MSE, UW-Oshkosh; PhD, UW-Madison. (G)

Jake Shearer, Payroll and Benefits Spec in Personnel Serv, 2006. AD, UW-Marshfield.

Jess Sherman, Assoc Faculty Spec in Arts and Sciences, and Water Resources in College of Natural Resources, 2005. BS, St. Joseph's U; MS, U of Maine-Orono.

Stephen G. Sherwin, Prof of Theatre Arts, 1981. BM, Western Michigan U; MFA, Wayne State U. (G)

Susan Sherwin, Assoc Prof of Theatre and Dance, 1996. BS, Michigan State U; MFA, Wayne State U. (G)

Michelle Shulfer, Sr Lect in Health Care Professions, 1999. BS, UW-Stevens Point; MS, Capella U.

Kim Sioch, Univ Serv Assoc 2 in Freshman English, 2007.

Ray Sidman*, Assoc Lecturer in English, 2010. AA, Barton Co. Community College; BA, MA, Fort Hays State U.

MaryBeth A. Sievert, Assoc Lect in English, 2005. BS, MST, UW-Stevens Point.

Mike J. Simmers, Asst Prof of Mathematical Sciences, 2006. BS, MS, BSEd, PhD, U of North Dakota.

Nanci Simon*, Univ Serv Program Assoc, Secretary to the Faculty Senate, 2009. AA, UW-Oshkosh; BA, UW-Green Bay.

Laurie Simonis, Univ Serv Assoc 2, Receptionist in Registration and Records, 1997.

Fred Simons*, Security Officer in Protective Serv.

Bill Singer, Custodian Academic.

Eric Singasaas, Assoc Prof of Biology, 2001. BA, Concordia College ( Moorhead, Minn.); PhD, UW-Madison. (G)

Erin Singaas, Assoc of Biology, 2004. BA, U of Michigan-Ann Arbor; MA, PhD, Purdue U. (G)

Debra Sjkle, Univ Serv Assoc 2 in Water/Environ Analysis Lab, 1988. BA, MS, UW-La Crosse; PhD, Colorado State U. (G)

Daniel Siew, Prof of Human Dimensions of Resource Mgt, Secondary Spec in WCEE, 1989. BS, UW-Stevens Point; MSeD, PhD, Southern Illinois U-Carbondale. (G)

Lonnie Skibba, Custodian.

Brian Stoss, Asst Unit Leader in Coop Fisheries, Cr for Watershed Science and Ed. (G)

Mandy Slowinska, Financial Aid Adviser, 2006. BS, UW-Stevens Point; MS, UW-La Crosse.

Alton "Sonny" J. Smart, Prof of Sociology, 1990. BSW, UW-Milwaukee; MSW, U of Minnesota-Duluth. (G)

John O. Smith, Professor of Art and Design, 1998. BA, MA, MFA, U of Iowa. (G)

Stephen "Steve" Tresvoll Smith, Prof of Theatre and Dance, 2000. BA, U of Missouri-Kansas City; MFA, DePaul U.

David Snyder, Asst Prof in Chemistry, 2010. BS, Ferris State U; PhD, UW-Madison.

Dorothy H. Snyder, Outreach Specialist in Continuing Education, 1978. BS, UW-Stevens Point.

Wayne Sorensen, Outreach Prog Mgr 2 in Continuing Education, 1994. BS, UW-La Crosse; MS, Oklahoma State U.

Cade Spaulding, Instructor of Communication, 2010. BA, Idaho State U; MA, U of Montana - Missoula; PhD, Texas A & M U. (G)

Erl Dahlke Spetzsten, Asst Prof of Chemistry, 2011. BS, UW-Whitewater Falls; PhD, U of Minnesota-Minneapolis.

Robin Spindler, Print Services Supervisor, Off-Campus Print Buyer in Campus Printing and Design, 2002. BFA, UW-Stevens Point.

Adam Sprague, Perkins Loan Office.

Rhonda Sprague, Prof of Communication, 1998. BS, Northern Michigan U; MA, Indiana U; PhD, U of Texas at Austin. (G)

David Spranger, Custodian.

Heather Springer, Bus Mgr in Learning Resources Ctr, 2006. BS, UW-Stevens Point.

Susanne "Susie" B. Sprouse, Dir of Univ Child Learning and Care Ctr, 1978. AD, (Garland) Simmons College.

Nora Stanczyk, Info Sys Resource Support Tech in Univ Ctr Cashier. (Anthony) Quinn Stanley, Asst Prof of Education, 2008. BA, McNeese State U; MEd, U of Mississippi; PhD, U of Iowa. (G)

Michael Steffes, Prof of English, 2000. BA, Reed College; MA, U of Washington-Seattle; PhD, U of California-Davis. (G)

Laurence E. Steiner*, Lect in Mathematical Sciences, 1999.MEPD, UW-Stevens Point.

Jasia (Chitharanjan) Steinmetz*, Prof of PHPD, 1998. BS, MS, UW-Stevens Point; PhD, UW-Madison. (G)

Diane M. Stebler, Acad Dept Assoc in Geography, 1969.

Jeffrey P. Stephens, Asst Prof of Theatre and Dance, 2007. BA, U of Oklahoma; MA, Oklahoma State U; PhD, The Ohio State U.

Rebecca L. Stephenson, Prof of English, Dir Freshman English, 1998. BBA, MA, Western Michigan U; PhD, Washington State U. (G)

Edward "Ed" M. Stern, Prof of Biology, 1977. BS, MA, U of Texas at El Paso; PhD, Louisiana State U and Agricultural and Mechanical College.

Katherine "Katie" I. Stern*, Assoc Prof of Computing and New Media Technologies, 2006. BA, MFA, UW-Madison; MA, Antioch U. (G)

Linda Stol*, Outreach Spec in Cr for Land Use Ed, 2005. BS, Carroll College; MS, UW-Stevens Point.

Rob J. Stolzer, Prof of Painting/Drawing, 1990. BFA, Rutgers The State U of New Jersey New Brunswick Campus Mason Gross School of Art; MFA, Temple U; Tyler School of Art. (G)

Steve M. Wright, Prof of Chemistry, 1982. BA, Elmhurst College; PhD, Marquette U. (G)

Tim Wright, Senior Lect in HESA, 2008. BS, MS, Northern Michigan U; PhD, Purdue U.

Chris Yahnke, Assoc Prof and Chair of Biology, 2001. BS, UW-Milwaukee; MS, PhD, Northern Illinois U. (G)

Jenni Yang, Lecturer in English as a Second Language. 2009. BM, UW-Stevens Point.

Tom Yang, Instructional Spec-Piano in Aiko Suzuki Ctr. 1999. BM, Bucknell U; MM, U of North Carolina-Chapel Hill.

Judy M. Yenter, Univ Serv Prog Assoc, Off Mgr in Military Science, 1977. TD, Mid-State Tech College.

Mari Yenter*, Financial Spec 1, Cashier in University Ctrs, 2007.

Dennis Yockers, Prof of Environ Ed and Resource Mgt, WCEE, 1994. BS, Cook College, Rutgers State U of New Jersey-New Brunswick; MA, Montclair State U; PhD, Michigan State U. (G)

Eric J. Yonke, Dir of International Programs, Prof of History, 1990. BA, Loras College; MS, PhD, U of North Carolina-Chapel Hill. (G)

Martha Yonke, Program Asst, International Students and Scholars Office. BA, Loras College-Dubuque.

Charles R. Young, Prof of Music-Composition/Music Theory, 1994. BME, Baylor U; MM, DMA, U of Michigan. (G)

Judy Young, Sr Student Serv Coord in Upward Bound, 1989. BA, UW-Stevens Point; MSSW, UW-Madison.

Quan “Alex” Yuan, Asst Prof of Computing and New Media Technologies, 2010. BS, MS, HuaZhong U of Science and Technology. PhD, Florida Atlantic U.

Jim R. Zach, Coord of Clinical Serv, Family Physician in Health Serv; Adjunct Prof of HPHD, 1979. BS, UW-Whitewater; MD, UW-Madison.

John P. Zach, Career Development Coord, Adjunct Prof of HPHD, 1983. BS, MS, UW-Whitewater.

Karen Zach*, Univ Serv Assoc 1, Continuing Education of the College of Professional Studies, 2007. BM, Dominican U of California.

Michael P. Zach, Asst Prof of Chemistry. 2006. BS, UW-Stevens Point, MS, PhD, U of California-Irvine.

(Nicolae) Sebastian Zamfir, Lecturer in Physics and Astronomy, 2010. BS, MS, U of Bucharest, Romania; PhD, U of Alabama.

Tom M. Zamis, Assoc Prof of Chemistry. 1990. BS, UW-Stevens Point; PhD, U of Nebraska-Lincoln. (G)

Pat Zeller*, Coord Natural Science, Lab Instr and Advising Coord, Lecturer in Biology, 1986. BS, MS, UW-Stevens Point.

Elizabeth "Liz" Zentner, Library Serv Asst Sr for Government Docs in the Learning Resources Center, 2006. BA, MSSW, UW-Madison; MDiv Luther Northwestern Theological Seminary.

Erw Ziesel*, Assoc Lecturer in Business and Economics, 2005. BS, UW-Platteville; MBA, UW-Oshkosh.

Donna Zimmermann, Assoc Prof of Interior Architecture, 1997. BFA, UW-Stevens Point; MA, UW-Madison. (G)

Ron Zimmermann, Dir of Schmeeckle Reserve. 1977. BS, MS, UW-Stevens Point. (AG)
### Emeritus Faculty

Dates indicate years of service at UW-Stevens Point.

University Associates

The title of university associate is granted to colleagues from other institutions or agencies who are contributing academic services to this university.

Athletic Training:
- James Banovetz Jr, Ph.D., M.D., Klasinski Clinic, Stevens Point
- Sheila Banovetz, PT, UMD Sports Medicine, St. Paul
- Jen Day, PT, LAT, St. Michael's Hosp Phys Ther, St. Paul
- Sara Ebel, MS, LAT, Physical Therapy Assoc, St. Paul
- Jodi Cox, MS, LAT, St. Michael's Hosp Phys Ther, St. Paul
- James Deweerd, MD, Ministry Medical Group (retired), St. Paul
- Jeannen Gulenchyn, LAT, CS, McDonough Ortho, Wausau

Communicative Disorders (Speech/Language):
- Mike Gulenchyn, LAT, CS, McDonough Ortho, Wausau
- Krista Hafrenbret, LAT, St. Michael's Hosp Phys Ther, St. Paul
- Rick Henke, LAT, McDonough Ortho/Sports Med, Wausau
- John Jaeger, PT, St. Michael's Hosp Phys Ther, Plover
- DJ Keamey, LAT, McDonough Ortho/Sports Med, Wausau
- Daniel Kraeger, DO, LAT, Ministry Medical Group, St. Paul
- Tom Loyer, MA, LAT, St. Michael's Hosp Phys Ther, St. Paul
- Bryan Pacyna, LAT, CS, St. Michael's Hosp Phys Ther, St. Paul
- Sara Pate, LAT, Riverside Hospital, Wausau

Biology:
- James Banovetz Jr, Ph.D., M.D., Klasinski Clinic, Stevens Point
- Sharon Maby, M.D., Pediatrics, The Marshfield Clinic
- James Banovetz Jr, Ph.D., M.D., Klasinski Clinic, Stevens Point
- Cindy Grant-See, AUD, Marshfield Clinic, Marshfield Center
- Jessica Grzeca, AUD, BayCare Clinic, Green Bay
- Donald Hansen, MS, Marshfield Clinic, Marshfield Center
- William Holzhaeuser, MS, ENT Professionals, Ashland
- Nancy Huebler, MA, Marshfield Clinic-Chippewa Falls Center
- Julie Kessler, AUD, Ministry Health Care, Stevens Point
- Erin Krueger, AUD, ENT Specialists of Wisconsin, Neenah
- Tim Kuhn, MS, Marshfield Clinic, Wausau Center
- James Lombardo, MS, Marshfield Clinic, Wausau Center
- Leslie Mosier, AUD, Agnesian Health Care, Fond du Lac
- Nancy Puetz, AUD, Wausau Public Schools
- Bonnie Stanislawski, AUD, Aud, Wisconsin Rapids
- Patti Todd, AUD, Ministry Health Care, Stevens Point
- Robert Treptow, AUD, Marshfield Clinic, Marshfield Center
- Douglas Wood, MS, Marshfield Clinic, Marshfield Center

Communicative Disorders (Speech/Language):
- Michelle A. Bjella, MS, Achievement Center, Stevens Point
- Pamela A. Brayton, MS, Therapies Plus, Wisconsin Rapids
- Karen L. Carl, MS, Genesis Rehab Serv, Marshfield
- Nina E. Cass, MS, Weyauwega Public Schools
- Sue Chapman, MS, Achievement Center, Stevens Point
- Kim Daniel, MS, Shawano Public School, Shawano
- Bernadette Donovan, MS, Howard-Suamico Public Schools
- Amy Fisher, MS, Wisconsin Rapids Public Schools
- Tom Forster, MS, Wisconsin Rapids Public Schools
- Susan Frasch, MS, Tomorrow River Public Schools, Amherst
- Chris Freiberg, MS, Wausau Public Schools
- Joyce Fuhrer-Mandl, MS, Therapies Plus Public Schools
- Meghan Gallagher, MS, Shawano Medical Center, Shawano
- Anna Gresch, PhD, Therapies Plus, Wausau
- Amy Hamin, MS, Wisconsin Rapids Public Schools
- Katherine Kester, MS, Wisconsin Rapids Public Schools
- Padmanabhan Sudevan, 1983-2010
- Stephen J. Taft, 1969-2004
- Marvin W. Temp, 1965-1995
- Virgil A. Thiesfeld, 1965-1999
- Kirby L. Throckmorton, 1975-2004
- Carole Van Horn, 1974-2007
- Steven D. Van Horn, 1972-2005
- Hugh D. Walker, 1965-2005
- Larry Weiser, 1972-2002
- Cora Lee Wells, 1968-2002
- Margaret Whalen, 1975-2008
- Charley M. White, 1966-1993
- Carol Marion Wick, 1965-1991
- Terry Wick, 1969-2008
- Richard Wilke, 1976-2009
- Mary B. Williams, 1976-1993
- Patricia Williams, 183-2010
- Leslie Wilson, 1990-2009
- Diane J. Witte, 1977-1995
- David R. Wroen, 1969-1995
- Alan D. Young, 1969-2000
Education cooperating teachers for 2010.

Abbottsford Schools: Lori Eisich; Almond-Bancroft: Patricia Krueger, Kathleen Plaisance; Appleton Area: Patty Barrette, Teri Berlowski, Michael Breitman, Jaynie Busche, Debra Dicks, Heidi Erstad, Lisa Frankow, Beverly Kearns, Julie Maslanka, Loraine Mead, Krista Pannin, Gretchen Richards, Heidi Schmidt, Annette Schwalenberg, Cathy Schwanke, Scott Stepanski, Deb Tuttle, Pam Van De Hei, Beth Wulf, Tracy Wyeveden, Janice Zepnick, Amy Zewicki, Garth Zimmermann; Ashwaubenon Schools: Amy, Dvorak-Kupsh, Kristin Turnbull, Alissa Vandenhoogen, Erin Wagner, Tara Zeal; Auburndale Schools: Melissa DeVries, James Johnson, Karen Wilffahrt; Baraboo Schools: Laura Allaby, Emily Arendsee, Elise Patton, David Schaal; Beloit: Andsee, Elise Patton, Dave Schwarz; Bezonia: Kristin Turnbull, Alissa VandenHoogen, Erin Wagner, Tara Zeal; Birnamwood: Wendy Landowski; Breitung Township Schools: Mary Tachick; Cameron: Lauren Adams; Central/Westosha UHS: Bob Edgington, Margaret Zwirgzdas; Chippewa Falls Area: Barb Beaudette-Gradel, Samantha Hoyt; Colby Schools: Kristy Frazier; DC Everest Area: Ted Arrastad, Jill Baretig, Peggy Bindl, Mike Bohlm; David Vandermeuse; Dennis Webb; Freeport School Dist 145: Kristine Hafferman, Dennis Webb; Glenwood: Seeley, Peter Tabor, Mike Teuke; Green Bay Area: Bob Edgington, Margaret Zwirgzdas; Green Bay Area: Bob Edgington, September; Horicon: Paula Kruger; Horizon: Patricia Krueger, Kathleen Plaisance; Iola-Scandinavia: David, Vandermeuse; James Lautenbach, Linda Mezich, Edye Ray; Jeffer High School: Melissa DeVries, James Johnson, Karen Wilffahrt; Kewaskum: Fritz, Cari Honken, Janice Lehr, William Lund, Christopher Petersen; Kathy Grawien, Kathryn Senger; Kiel: Lisa Feltz, Mike Feltz; Kimberly Area: Janelle Laube, Jason Verdon; La Crosse: Annette Schwalenberg, Cathy Schwanke, Teri Berlowski, Michael Breitman, Jaynie Busche, Debra Dicks, Heidi Erstad, Lisa Frankow, Beverly Kearns, Julie Maslanka, Loraine Mead, Krista Pannin, Gretchen Richards, Heidi Schmidt, Annette Schwalenberg, Cathy Schwanke, Scott Stepanski, Deb Tuttle, Pam Van De Hei, Beth Wulf, Tracy Wyeveden, Janice Zepnick, Amy Zewicki, Garth Zimmermann; Madison Area: Amie, Dvorak-Kupsh, Kristin Turnbull, Alissa Vandenhoogen, Erin Wagner, Tara Zeal; Marshfield Schools: Stacey Dejearlaas, Will Elmhorst, Kevin Fadowski, Madalyn Field, Jayne Flink, Michelle Gorke, Sarah Gorr, Ryan Grissman, Jacob Zellman, Guldan, Bruce Jensema, Ann Kollross-Ost, Stacie Lecker, Ali Luedtke, Carla MacArthur, Ryan Moore, James Sadowski, Cathy Schalow, Robyn Schueler, Linda Smith, Thompson, Pam Weiss, Tam, Wolff; Marathon: Martha M. Thome; Mauston Area: Jill Capelle; Mayville Schools: Russell Higgins, Todd Krueger; Medford Area: Jan Bauer-Farmer, Julie Kakesz; Menasha Schools: Richard Berceau, Paul Eversen, Roger Simon; Menomonie Indian: Bethany Klose; Menomonee Falls Area: Pauline Quest, Sandy Swanson; Menominee Area: Christina Fern-Denzer, Elizabeth Kitzmann, John Kitzmann; Mequon-Thiensville: Kathleen Anderson; Merrill Area Schools: Joan Kohr, Jamie McAllister, Lois Schultz, Laurie Smith; Milwaukee: Michael Chisolm, Gina Kaiser, Damin Schacht; Minnetonka: Patti, Berger; Montello: Sue Kozlowski, Yedda Sheller; Musineee Schools: John, Budnik, Curt Campbell, Carly Connor, Todd Felch, Bill, Giese, Ann Kedrowski, Penny Knapp, Danielle Le, Greg Mielke, Becky Mijal, Donna Nelson, Nancy Reuter, Jaron Shupe, Sandy Stolze, Victor Voigt; Mukwonago: Karen Nelson; Neenah Schools: Roxanne Barrow, Rosamond Birch, Molly Brown, Deb Garbe, Karyl Kubiak, Jesse Lenz, Holly Luczcz, John Meyer, Tim Rall, Amy Sachs; Neillsville: Kim Swita; Nekoosa Schools: Mary Benbow, Laura Kawelski, Jeff LaRose; New Holstein: Tim Trace; Non Agency / District Associated Schools: Molly Amatoski, Kelly Braun, Heather Hequet, Jennifer Kisinski, Renee Meekma, Jennifer Ronek, Debra Tjernagel; North Lakeland: Brenda Jelinski; North St. Paul-Maplewood: Tom Hagel; Oostburg: Jill Hanes, Rebekah Mueller, Tamala Smyan; Peshtigo Schools: Terri Gaedke, Rhonda Madsen; Pittsville: Robert Pietrowski, Doug Schultz, Brodrick Winters; Port Edwards: James Hill, Tami Kroening, Tim Miller; Portage Community: Rowan Burke, Dave Carpenter, Melissa Kane, Julie Zimmerman; Prescot: Yvonne, Zarnstorff; Racine Schools: Jack Senzig, Elizabeth Steege; Reedsburg Schools: Sandy Lavelly, Rhinelander Schools: Jon Koch, Amber Laggis, Dan Millot, Christopher Scholtz; Rocholt Schools: Cheryl Christianson, Julie Krowol, James Lautenbach, Linda Mezich, Edye Ray; Sheboygan Area: Kim Hotz, Sherri Morgan, Judy Ramser, Jan Ross; Slinger: Dennis Crooks; South Milwaukee: Sonja Pupovac; Southern Door County: Tony Kiszonas, Brenda Shimon; Stevens Point Area: Karl Bancker, Allison Bancker, Roxann Baranowski, Kelly Beadles, CHERISH, Bork, Monique, Quill, Quillgast, Amy Bernstein, Jackie Beaudette-Gradel, Mary Bohlm, Lori Borton, Tammi Brooks, Donna Brooks, Patty Bushey, Jane Bushman, Holl, Busse, Kelly Caufield, Jennifer Chilson, Gail, Gigaizelk, Barb Clementi, Lynn Crosby, Joan Curtz, Sandy Davis, Colleen DeMarco, Lanea Domin, Denise Ethorm, Rosalyn Evans, Sue Felder, Mike Feltz, Dan Fink, Sara Fischer, Jessica Fischer, Lori Flury, Amber Garbe, Lois Gilsen, Jennifer Graboski, Dave Grabski, Carolyn Gleen, Jeannette Handrich, Kathy Hansen, Laurie Hansen, Kate Hardina, Steve Harris, Dave Hauser, Rose Helm, Jenny Hintz, Marla Hintze, Dean Hodson, Dan Hoppe, Cathy Howe, Sue Jacobson, Stacy Janss, William Jenkins, Shelly Johnson, Molly Johnson, Doug Johnson, Brenda Jones, Chad Jones, Kelly Jung, Angie Kirsteatter, Jenny Kish, John Knowlton, Sue Koehler, Julie Kolarki, William Konieczki, Leanne Krutzik, Colleen Kruzicki, Kris Kunkel, Daniela Kurzymski, Anne Kurzymski LeTon, Linda LaBrake, Marilyn Lamb, Lor, Lampert, Jef, LaPlant, Thomasina Leafgren, Mary Liebau, Mary Lindestad; Margaret Linzenmeier, Sharon Loken, KaoLee Lor-Her, Kristin Luteyn, Ann Marchant, Kristin Marquard, Marlene McCormack, Lynn McGauley, Patty McGibson, Donna Mehlberg, Fay Mehlberg, Jeff Misina, Betsy Mulwic, Lori Musac, Deb Neff, Darla Peansky, T.J., Pharokozak, Amanda Phelps, Krista Pitcher, John Platten, David Poffinburger, Becky Radke, Gretchen Renfert, Jill, Schaefer, Renee Schnack, Jill Schraufnagel, Nancy Schuster, Mike Shefchik, Renee Shuler, Tina Sivek, Karissa Skare, Alicia Skarsten, Nancy Smith, Kimberly St. Aubin-Clark, Bridget Stafford, Deb Stafford, John Steinmetz, Amy Steiner, Lisa Storbeck, Vicki Streveler.

Carie Winn, MS, Dir of Dev & Mktd, Boys & Girls Club of Portage Cty, Stevens Point.

Interior Architecture:
Jan Albertson, B.S., Interior Designer, UW-Stevens Point;
Michael Begler, Enterprise Lighting
Kar-Keat Chong, B.S., 20 Below Studio, Minneapolis
Jim Draeger, State Historic Preservation Officer, Wis State Historical Society, Madison
Don Gerds, Professor, Santa Monica College, California
Julie Goga, Interior Designer, Sentry Insurance, Stevens Point
Sandy Gordon, B.S., Sandy Gordon Interiors, Madison
Kathleen Hennick, B.S., Interior Designer, Marshfield
Kelly Jackson-Goffy, Tribal Historic Preservation Officer, Lac du Flambeau Band of Lake Superior Chippewa
Kirsten Krowas, Building Service Inc., Appleton
Dave Laabs, Haworth, Chicago
Amy McGuire, Building Service Inc., Appleton
Lois Peterson, B.S., D.L., Couch Wallcovering, Appleton
LaDonna Sonntag, B.A., Sonntag Design, Waupaca
Jim Vang, CAP Services, Stevens Point
Mark Vang, Portage County Hmong Community
Cynthia Von Gnechten, B.A., UW-Stevens Point
Jeff Zabel, B.S., Sentry Insurance, Stevens Points.

International Programs:
AUSTRALIA, Macquarie University (Sydney).
FRANCE, University of Caen, Normandy.
GERMANY, Philipps - Universität Marburg; Otto-von-Guericke Universität Magdeburg; Munich University of Applied Sciences.
HUNGARY, University of Szeged, Hungarian Studies Department.
IRELAND, University of Limerick.
MEXICO, Instituto Cultural Oaxaca.
NEW ZEALAND, University of Canterbury, (Christchurch).
POLAND, Jagiellonian University, School of Polish Language and Culture (Krakow).
SPAIN, University of Valladolid.
UNITED KINGDOM, Anglo American Educational Services (London); Malcolm Dick, Jane Gibney, Frederick Murphy, Sam Slyn; Liverpool Hope University.

Museum of Natural History:
Alvin Bogdansky, Research Assoc, Wisconsin Rapids;
Sally K. Freckmann, M.S.T., Research Assoc, Stevens Point;
Kurt Johnson, Ph.D., Research Assoc, American Museum of Natural History, New York City;
Carol Lanphear-Cook, M.S., Research Assoc, Stevens Point;
Hugo Kons Jr., Research Assoc, Stevens Point.

Natural Resources
Fisheries and Water Resources:
Martin J. Jennings, Ph.D., Wls. DNR;
John D. Lyons, Ph.D., Bureau of Research, Ws. DNR;
Jeffrey A. Malison, Ph.D., Co-Director, Wisconsin Northern Aquaculture Demonstration Facility, UW-Stevens Point, Bayfield, WI.
Ronald Bruch, Ph.D., Upper Fox-Wolf Rivers Work Unit Supervisor, Ws. DNR;
Andy Fayram, Ph.D., Bureau of Fish Mgmt., Ws. DNR;
Matthew Mitro, Ph.D., Cold Water Research Scientist, Ws. DNR;

Seider, MS, Senior Fisheries Biologist, Ws. DNR.
Forestry:
Brad Kildow, Forestry Ranger, Ws DNR, Stevens Point;
Fred and Ruth Ann Kurtz, Summit, W;
Harald Langeneck, Timber Sale Coordinator, Altensteig, Baden-Württemberg, Germany;
Dave Liska, Retired, City Forester, City of Waukesha, Ws.;
Fred W. Nickle, Dir, Adams County Parks/Recreation Dept.;
Richard Olson, Retired, Tennessee Valley Authority;
Katarzyna Sawicka-Kapusta, Jagiellonian U, Krakow, Poland;
Tom Schrader, Director, Stevens Point Parks/Rec Forestry;
John Sheffy, PhD student, Environment and Resources - Nelson Institute of Environmental Studies, UWMadison;
Heinrich Spieker, Director, Inst. of Forest Growth, U of Freiberg, Germany;
Jim Storandt, Superintndt, Griffith State Nursery, Ws DNR;
Jeff Wilson, VP, Wachtel Tree Science.

Human Dimensions of Natural Resource Management:
Alice (Lisa) Flowers, Director, Conservation Education, Boone & Crockett Club, Missoula, MT.

Paper Science and Engineering:
Volker K. Abel, Ph.D., Professor of Statistics and Mathematics, Munich University of Applied Sciences, Munich, Germany;
Alan F. Button, Ph.D., VP/Treasurer, WOMP, LLC, Appleton;
Gerald A. Lazarski, MBA, B.S., Executive Director, UWSP Paper Science Foundation.

Ronald Weseloh, MS, Former Director of UWSP Telecommunications Department.

Resource Management:
William Horvath, M.S., Regional Dir, Natl Assn Conserv Dist;
Harold (Bud) Jordon, Ph.D., Emeritus Professor, UWMadison.

Soil and Waste Resources:
Brian Bowen, M.S., Superintndt, Rhinelander Ag Res Station;
Steven Bradley, M.S., Portage County Land Conservationist;
Chris Brindley, Grounds Supervisor, UW-Stevens Point;
Paul Daigle, B.S., Marathon County Land Conservation Dept.;
Tom Giese, B.S., TG Soil Testing Services, New Lisbon;
Duane Greuel, M.S., Planning and Zoning, Wood County;
Diane Hanson, Lincoln County Conservationist, Merrill;
John Jacobson, M.S., On-site Waste Specialist, Portage Co.;
Matt jantzen, B.S., State Dept of Commerce, Stevens Point;
Brian Jensen, M.S., UW Ext Pest Mgt Specialist, Madison;
Roman Kamiński, B.S., State Dept Commerce, Stevens Point;
Bob Koca, KLM Enterprises, Stevens Point;
Roman Kaminski, B.S., State Dept Commerce, Stevens Point;
Brian Kozlowski, M.S., Stora Enso North America, Wis Rapids;
Jeffrey A. Malison, Ph.D., Co-Director, Wisconsin Northern Aquaculture Demonstration Facility, UW-Stevens Point, Bayfield, WI.
Ronald Bruch, Ph.D., Upper Fox-Wolf Rivers Work Unit Supervisor, Ws. DNR;
Andy Fayram, Ph.D., Bureau of Fish Mgmt., Ws. DNR;
Matthew Mitro, Ph.D., Cold Water Research Scientist, Ws. DNR;

Seider, MS, Senior Fisheries Biologist, Ws. DNR.
Forestry:
Brad Kildow, Forestry Ranger, Ws DNR, Stevens Point;
Fred and Ruth Ann Kurtz, Summit, W;
Harald Langeneck, Timber Sale Coordinator, Altensteig, Baden-Württemberg, Germany;
Dave Liska, Retired, City Forester, City of Waukesha, Ws.;
